Fellow Stockholders:

On behalf of the Board of Directors and management of Opus Bank (the “Bank”), you are cordially invited to attend the Annual Meeting of Stockholders of the Bank (the “Annual Meeting”). The Annual Meeting will be held on Thursday, April 23, 2015, at 10:00 a.m., Pacific Time, at the Bank’s corporate headquarters located at 19900 MacArthur Boulevard, 12th Floor, Irvine, California 92612.

The attached Notice of the Annual Meeting and Proxy Statement describe in greater detail all of the formal business that will be transacted at the Annual Meeting. Directors and officers of the Bank will be present at the Annual Meeting to respond to any questions that you may have regarding the business to be transacted.

The Board of Directors of the Bank has determined that each of the proposals that will be presented to the stockholders for their consideration at the Annual Meeting are in the best interests of the Bank and its stockholders, and unanimously recommends and urges you to vote “FOR” each director nominee specified under Item 1, “FOR” the ratification of the appointment of KPMG LLP as the independent auditors of the Bank for the fiscal year ended December 31, 2015 under Item 2, and “FOR” the approval of the Bank’s Performance-Based Compensation Standards under Item 3.

Beginning with this Annual Meeting, we are pleased to take advantage of the rules of the Securities and Exchange Commission as adopted by the Federal Deposit Insurance Corporation that allow issuers to furnish proxy materials to their stockholders via the Internet. We believe these rules allow us to provide you with the information you need while lowering the costs of delivery and reducing the environmental impact of our Annual Meeting. We are mailing to our stockholders a Notice of Internet Availability of Proxy Materials (the “Notice of Internet Availability”) beginning on or about March __, 2015 rather than a paper copy of the Proxy Statement, the proxy card and our 2014 Annual Report, which includes our annual report on Form 10-K for the year ended December 31, 2014. The Notice of Internet Availability contains instructions on how to access the proxy materials, vote and obtain, if you so desire, a paper copy of the proxy materials.

We encourage you to attend the Annual Meeting in person if it is convenient for you to do so. It is important that your shares be represented and voted at the Annual Meeting. Whether or not you expect to be present at the Annual Meeting, after receiving the Notice of Internet Availability please vote as promptly as possible to ensure your representation and the presence of a quorum at the Annual Meeting. If you are unable to attend the Annual Meeting, you may vote via the Internet, by telephone, or by signing, dating and returning the proxy card that is mailed to those that request paper copies of the Proxy Statement and the other proxy materials.

On behalf of the Board of Directors and all of the employees of the Bank, we thank you for your continued support.

Best Regards,

Stephen H. Gordon

INFORMATION ABOUT THESE PROXY MATERIALS AND THE ANNUAL MEETING

Question: *What is the Notice of Internet Availability of Proxy Materials that I received in the mail and why am I receiving it?*

Answer: In accordance with rules adopted by the Securities and Exchange Commission (the “SEC”) and the Federal Deposit Insurance Corporation (the “FDIC”), except for stockholders who have requested otherwise, we have generally mailed to our stockholders a Notice of Internet Availability of Proxy Materials (the “Notice of Internet Availability”). The Notice of Internet Availability provides instructions either for accessing our proxy materials, including this Proxy Statement and the 2014 Annual Report, which includes our annual report on Form 10-K for the year ended December 31, 2014 (the “2014 Annual Report”), at the website address referred to in the Notice of Internet Availability, or for requesting printed copies of the proxy materials by mail or electronically by e-mail. If you would like to receive a paper or e-mail copy of our proxy materials either for this Annual Meeting or for all future meetings, you should follow the instructions for requesting such materials included in the Notice of Internet Availability we mailed to you.

Our Board of Directors provided the Notice of Internet Availability and is making the proxy materials available to you in connection with our Annual Meeting, which will take place on April 23, 2015. As a stockholder, you are invited to attend the Annual Meeting and are entitled to, and requested to, vote on the proposals described in this Proxy Statement.

Question: *What information is contained in the Proxy Statement?*

Answer: This information relates to the proposals to be voted on at the Annual Meeting, the voting process, compensation of our directors and most highly paid executives, and certain other required information.

Question: *How can I access the Bank’s proxy materials and 2014 Annual Report electronically?*

Answer: The Proxy Statement, form of proxy and 2014 Annual Report are available at [insert website]. To view this material, you must have available the [12-digit control number] [Note: **Transfer Agent to Confirm and Provide**] located on the proxy card or, if shares are held in the name of a broker, bank or other nominee, the voting instruction form.

Question: *What does it mean if I receive more than one Notice of Internet Availability or set of the proxy materials?*

It means your shares are registered differently or are in more than one account. Please provide voting instructions for each account for which you have received a Notice of Internet Availability or set of proxy materials.

Question: *Who is soliciting my vote pursuant to this Proxy Statement?*

Answer: Our Board of Directors is soliciting your vote at the Annual Meeting.

Question: *Who is entitled to vote?*

Answer: Only stockholders of record at the close of business on March 2, 2015 (the “Record Date”) will be entitled to vote at the Annual Meeting.

Question: *How many shares are eligible to be voted?*

Answer: As of the Record Date, we had 28,149,297 shares of common stock outstanding. Each outstanding share of our common stock will entitle its holder to one vote on each of the nine (9) director nominees to be elected to three (3) classes of Directors at the Annual Meeting and one vote on each other matter to be voted on at the Annual Meeting.

Question: *What am I voting on?*

Answer: You are voting on the following matters:

- The election of nine (9) director nominees to three (3) respective classes of directors. Our director nominees are:

Class I

Richard A. Sanchez
Michael L. Meyer
Norman B. Rice

Class II

Stephen H. Gordon
Robert J. Shackleton
Mark E. Schaffer

Class III

Mark Cicirelli
Curtis Glovier
Marcos Alvarado

- The ratification of the appointment of KPMG LLP as the Bank’s independent auditor for the fiscal year ended December 31, 2015.
- The approval of our Performance-Based Compensation Standards.

Question: *How does our Board of Directors recommend that I vote?*

Answer: Our Board recommends that stockholders vote their shares as follows:

- “**FOR**” each director nominee;
- “**FOR**” the ratification of the appointment of KPMG LLP as the Bank’s independent auditor for the fiscal year ended December 31, 2015.

- **“FOR”** the approval of our Performance-Based Compensation Standards.

Question: *How can I cast my vote? Must I attend the Annual Meeting to do so?*

Answer: If you are a stockholder of record, you may vote at the Annual Meeting on April 23, 2015 at 19900 MacArthur Boulevard, 12th Floor, Irvine, CA 92612, **or** you may direct how your shares are voted without attending the Annual Meeting in one of the other following ways:

- **Internet.** You can submit a proxy over the Internet to vote your shares at the Annual Meeting by following the instructions provided either in the Notice of Internet Availability or on the proxy card or voting instruction form you received if you requested and received a printed set of the proxy materials.
- **Telephone.** If you requested and received a printed set of the proxy materials, you can submit a proxy over the telephone to vote your shares at the Annual Meeting by following the instructions provided on the proxy card or voting instruction form enclosed with the proxy materials you received. If you received a Notice of Internet Availability only, you can submit a proxy over the telephone to vote your shares by following the instructions at the Internet website address referred to in the Notice of Internet Availability.
- **Mail.** If you requested and received a printed set of the proxy materials, you can submit a proxy by mail to vote your shares at the Annual Meeting by completing, signing and returning the proxy card or voting instruction form enclosed with the proxy materials you received.

Whichever method of voting you use, the proxies identified on the proxy card will vote the shares of which you are the stockholder of record in accordance with your instructions. If you submit a proxy card properly voted and returned through available channels without giving specific voting instructions, the proxies will vote the shares as recommended by our Board of Directors.

If you own your shares in “street name,” that is, through a brokerage account or in another nominee form, you must provide instructions to the broker or nominee as to how your shares should be voted. Your broker or nominee will usually provide you with the appropriate instruction forms at the time you receive this Proxy Statement and our annual report. If you own your shares in this manner, you cannot vote in person at the Annual Meeting unless you receive a proxy to do so from the broker or the nominee, and you bring the proxy to our Annual Meeting.

Question: *How may I revoke or change my vote?*

Answer: If you are the record owner of your shares, and you completed and submitted the proxy card, you may revoke your proxy at any time before it is voted at the Annual Meeting by:

- submitting a new proxy card with a later date,
- delivering written notice to our Secretary on or before April 23, 2015, stating that you are revoking your proxy,
- attending the Annual Meeting and voting your shares in person, or
- If you are a record owner of your shares and you submitted your proxy by telephone or via the Internet, you may change your vote or revoke your proxy with a later telephone or Internet proxy, as the case may be.

Please note that attendance at the Annual Meeting will not, in itself, constitute revocation of your proxy.

If you own your shares in “street name,” you may later revoke your voting instructions by informing the bank, broker or other holder of record in accordance with that entity’s procedures.

Question: *How may a stockholder nominate someone at the Annual Meeting to be a director or bring any other business before the Annual Meeting?*

Answer: The Bank's Amended and Restated Bylaws (the "Bylaws") require advance notice to the Bank if a stockholder intends to nominate someone for election as a director or to bring other business before the meeting. Such a notice may be made only by a stockholder of record within the time period established in the Bylaws. See "Stockholder Proposals for the 2016 Annual Meeting" beginning on page 37.

Question: *Who is paying for the costs of this proxy solicitation?*

Answer: The Bank will bear the cost of preparing, printing and mailing the materials in connection with this solicitation of proxies. In addition to mailing these materials, officers and regular employees of the Bank may, without being additionally compensated, solicit proxies personally and by mail, telephone, facsimile or electronic communication.

Question: *Who will count the votes?*

Answer: The Board has appointed Jennifer Edwards as the Inspector of Election for the Annual Meeting. She will receive and tabulate the ballots and voting instruction forms.

Question: *How can I obtain the Bank's Corporate Governance information?*

Answer: Our Corporate Governance information is available on our website at www.opusbank.com under the Investor Relations section. ITEM 1. ELECTION OF DIRECTORS

Board Nominees

Our Board of Directors has nominated each of the following persons for re-election as a director. Pursuant to our Articles of Incorporation, as amended (the “Articles of Incorporation”), upon our listing on The Nasdaq Global Select Market in April 2014, our Board of Directors automatically became a classified Board of Directors divided into three classes without further action by the Board or our stockholders.

Class I

Richard A. Sanchez
Michael L. Meyer
Norman B. Rice

Class II

Stephen H. Gordon
Robert J. Shackleton
Mark E. Schaffer

Class III

Mark Cicirelli
Curtis Glovier
Marcos Alvarado

At the Annual Meeting, the Class I directors will be elected for a one-year term expiring at our 2016 Annual Meeting of Stockholders, the Class II directors will be elected to a two-year term expiring at our 2017 Annual Meeting of Stockholders, and the Class III directors will be elected to a three-year term expiring at our 2018 Annual Meeting of Stockholders. Thereafter, for as long as the authorized number of directors is nine or greater, the directors of each class will be elected for a term of three years and until their successors are elected and qualified.

Each nominee is currently a director of the Bank and each has indicated that he is willing and able to continue to serve as a director. We have provided biographical and other information on each of the nominees beginning on page 6 of this Proxy Statement.

Board Representation Rights

In connection with the recapitalization of our Bank in September 2010, a significant percentage of our capital stock was purchased by entities affiliated with Elliott Management Corporation (“Elliott”), Fortress Investment Group LLC (“Fortress”), and Starwood Capital Group (“Starwood” and collectively with Elliott and Fortress, the “Significant Investors”). Pursuant to the terms of the stock subscription agreements we entered into with the Significant Investors in connection with the recapitalization, each Significant Investor received a contractual right to nominate a representative to our Board, provided that the nominee is reasonably acceptable to us and meets all reasonable, generally applicable qualifications required by our written policies and committee charters. Messrs. Cicirelli, Glovier and Alvarado are the current Board representatives of Elliott, Fortress and Starwood, respectively. Pursuant to the terms of the stock subscription agreements, the right to nominate a director to serve on our Board will continue until such time as all three of the following events occur:

- the Significant Investor, together with its affiliates, own, on a fully diluted basis, less than 12.5% of our outstanding shares of common stock;
- the Significant Investor, together with its affiliates, is no longer one of our four largest shareholders; and
- there are more than four members of our Board of Directors serving or who may serve as members of our Board that are nominated by an investor that has been granted the right to designate a person to serve as a member of our Board in connection with such investor’s purchase of our securities.

Notwithstanding the foregoing, a Significant Investor’s right to nominate a director to our Board will terminate when such Significant Investor, together with its affiliates, own, on a fully diluted basis, less than 5% of our outstanding shares of common stock.

Vote Required

The director nominees who receive the greatest number of votes cast for the director nominees will be elected. There is no cumulative voting for our directors. If you indicate “withhold” for a particular nominee on your proxy card, your vote will not be considered in determining whether a nominee has received the affirmative vote of a plurality of the shares. The

election of directors is considered a “non-routine” item upon which brokerage firms may not vote in their discretion on behalf of their clients if such clients have not furnished voting instructions. Therefore, broker “non-votes” will not be considered in determining whether a nominee has received the affirmative vote of a plurality of the shares.

If any nominee becomes unable or unwilling to serve, which is not anticipated, the accompanying proxy may be voted for the election of such other person as shall be designated by the Nominating and Corporate Governance Committee of our Board of Directors. Proxies granted may not be voted for a greater number of nominees than the nine (9) named above or beyond their respective classes. Unless instructions to the contrary are specified in a proxy properly voted and returned through available channels, the proxies will be voted **FOR** each of the nominees listed above in their respective classes.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” EACH OF THE DIRECTOR NOMINEES.

Nominated Directors

Below is information regarding each of our director nominees, each of whom has been nominated for re-election at the Annual Meeting.

Stephen H. Gordon has served as the Chairman of our Board of Directors, President and Chief Executive Officer since September 30, 2010. Additionally, Mr. Gordon serves as Chairman of the Opus Community Foundation, which focuses its philanthropic efforts in the areas of affordable housing, community development, education, financial literacy, critical health issues, and the arts.

Mr. Gordon previously served as the Chairman of the Board of Fremont General Corporation (“Fremont”), and Fremont Reorganizing Corporation, formerly Fremont Investment and Loan (“FRC”), from November 2007 to June 2010, as Chief Executive Officer of Fremont from November 2007 to September 2008 and as Chief Executive Officer of FRC from December 2007 to September 2008. Mr. Gordon and other members of our executive management team were engaged to take over the management responsibility of Fremont and its distressed industrial and loan subsidiary with the full support and approval of its banking regulators, the FDIC and the California Department of Business Oversight. Within a period of six months, the team restructured the balance sheet, significantly reduced general and administrative expenses, sold off nonperforming assets, negotiated and received a forbearance agreement with respect to Fremont’s senior unsecured debt, resolved and settled a number of litigation matters, and negotiated/entered into an asset purchase and deposit liability assumption agreement for the sale of all of FRC’s 22 retail branches and approximately \$5.2 billion of deposits to CapitalSource, Inc., which closed in July 2008.

Prior to Fremont, Mr. Gordon was the Founding Chairman and Chief Executive Officer of Commercial Capital Bancorp, Inc. (“CCBI”), and its subsidiary companies: Commercial Capital Bank (“CCB”), a federally chartered savings bank headquartered in Irvine, CA; Commercial Capital Mortgage, a commercial mortgage banking company; and Comcap Financial Services, a registered broker dealer. Prior to founding the CCBI companies, from July 1995 to December 1996, Mr. Gordon was the sole stockholder, director and President of Gen Fin, Inc., the general partner of Genesis Financial Partners, LP, a hedge fund that invested exclusively in underperforming middle market financial institutions. From October 1988 to July 1995, Mr. Gordon was an investment banker at Sandler O’Neill + Partners, L.P., a New York based investment banking firm where he was a partner from January 1992 to July 1995. At Sandler O’Neill, Mr. Gordon specialized in advising management and directors of underperforming, undercapitalized, and troubled financial institutions on such issues as strategic planning, capital and liquidity management, balance sheet management and restructuring, asset/liability management, and the enhancement of stockholder value.

Mr. Gordon is the Chair of the Executive Committee and a member of the Directors’ Loan Committee.

Prior to joining Starwood in December 2008, Mr. Alvarado was a Vice President in Lehman Brothers' Global Real Estate Group, and prior to joining Lehman Brothers in April 2006, he worked in Morgan Stanley's CMBS group starting in April 2004. Mr. Alvarado holds a B.A. from Dartmouth College.

Mr. Alvarado is a member of the Compensation Committee and the Nominating and Corporate Governance Committee.

Mr. Alvarado's qualifications to serve on our Board of Directors include his experience as a Senior Vice President for Starwood with responsibilities for the origination, underwriting, structuring and execution of investments in all property types and his oversight of investments for the firm, including serving on the boards of directors of certain entities that the firm invests in.

Mark Cicirelli has served as a member of our Board of Directors since March 2012. Mr. Cicirelli is a Portfolio Manager at Elliott Management Corporation, a multi-strategy hedge fund with approximately \$23 billion of assets under management. Mr. Cicirelli joined Elliott in 2005 and specializes in financial services and real estate. Prior to joining Elliott, Mr. Cicirelli worked at the private equity firm Thomas H. Lee Putnam Ventures, and in the investment banking division of J.P. Morgan & Co., both in New York. Mr. Cicirelli received his A.B., cum laude, from Dartmouth College. He received his M.B.A. from Harvard Business School with honors. As part of his work at Elliott, Mr. Cicirelli has served on various boards of directors, including those associated with investments in insurance and real estate

Mr. Cicirelli is a member of the Audit and Risk Committee and the Compensation Committee.

Mr. Cicirelli's qualification to serve on our Board of Directors include his experience as a Portfolio Manager for Elliott specializing in financial services and real estate investments and his prior work with both private equity (Thomas H. Putnam Lee Ventures) and investment banking (J.P. Morgan) firms.

Curtis Glover, has served as a member of our Board of Directors since September of 2010. Mr. Glover is a Managing Director at Fortress Investment Group LLC, responsible for the private equity effort within Fortress's credit business. In that capacity, he manages the origination, execution, and monitoring of private equity, mezzanine, and other investments. Mr. Glover is also on the investment committee of a number of Fortress investment funds, including the Fortress Credit Opportunities Funds, which invest in mortgage-backed securities, loans, and other credit-related opportunities. Prior to joining Fortress in May 2007, Mr. Glover served for seven years as a Managing Director and Co-Head of the Middle Market Buyout group at Perseus, LLC. Prior to joining Perseus, LLC in May 2000, he was a Managing Director of Nassau Capital, which managed over \$2 billion on behalf of Princeton University. Prior to joining Nassau in June 1995, Mr. Glover worked at Goldman, Sachs & Co. in the Mergers & Acquisitions, Structured Finance and Leveraged Buyout groups, and was also a management consultant at The Boston Consulting Group. He has served as a director of companies in the financial services, business services, branded consumer products, intellectual property, pharmaceutical, alternative energy, communications and manufacturing areas, and as Chairman of the Board of Maritime Telecommunications Network. Mr. Glover holds a B.A. from Princeton University, a M.Ec. from James Cook University in Australia, and an M.B.A. as a Palmer Scholar from The Wharton School at the University of Pennsylvania.

Mr. Glover is a member of the Audit and Risk Committee and the Compensation Committee.

Mr. Glovier's qualifications to serve on our Board of Directors include his experience as a Managing Director for Fortress with responsibilities for the management of the origination, execution and monitoring of private equity, mezzanine and other investments, and his service on the investment committee of a number of Fortress investment funds, which invest in mortgage-backed securities, loans and other credit-related opportunities.

Corporate Governance Principles and Board Matters

Corporate Governance Guidelines. We are committed to having sound corporate governance principles, which are essential to running our business efficiently and maintaining our integrity in the marketplace. Our Board of Directors has adopted Corporate Governance Guidelines, that set forth the framework within which our Board of Directors, assisted by the committees of our Board of Directors, directs the affairs of our organization. The Corporate Governance Guidelines address, among other things, the composition and functions of our Board of Directors, director independence, compensation of directors, management succession and review, committees of our Board of Directors and selection of new directors. Our Corporate Governance Guidelines are available on our website at www.opusbank.com under the "Investor Relations" tab.

Director qualifications. We believe that our directors should have the highest professional and personal ethics and values. They should have broad experience at the policy-making level in business, government or banking. They should be committed to enhancing stockholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on boards of other companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all director duties. Each director must represent the interests of all stockholders. When considering potential director candidates, our Board of Directors also considers the candidate's character, judgment, diversity, skill-sets, specific business background and global or international experience in the context of our needs and those of the Board of Directors.

Director independence. Under the rules of The Nasdaq Stock Market, independent directors must comprise a majority of our Board of Directors. The rules of The Nasdaq Stock Market, as well as those set forth in the Securities Exchange Act of 1934, as amended (the "Exchange Act"), which applies to us through FDIC regulations, also impose several other requirements with respect to the independence of our directors. Our Board of Directors has evaluated the independence of its members based upon the rules of The Nasdaq Stock Market and the Exchange Act. Applying these standards, with the exception of our Chairman, President and Chief Executive Officer, Stephen H. Gordon, and our Executive Vice President, Chief Risk Officer and Chief Administrative Officer, Richard Sanchez, each of our current directors is an independent director, as defined under the applicable rules. Messrs. Gordon and Sanchez do not qualify as independent directors since they are also employees of our Bank.

Leadership structure. Our Board of Directors has eight regular meetings per year and is led by our Chairman of the Board, Stephen H. Gordon, who also is our Chief Executive Officer. Mr. Gordon has served in both of these positions since 2010. Mr. Gordon's primary duties are to lead our Board of Directors in establishing our overall vision and strategic plan and to lead our management in carrying out that plan. Our Board of Directors does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board. Our Board of Directors endorses the view that one of its primary functions is to protect stockholders' interests by providing independent oversight of management, including the Chief Executive Officer. However, the Board of Directors does not believe that mandating a particular structure, such as designating an independent lead director or having a separate Chairman of the Board and Chief Executive Officer, is necessary to achieve effective oversight. As a result, our Board of Directors has not designated an independent lead director nor has it designated a separate Chairman of the Board and Chief Executive Officer. Seven of the Board's nine directors have been determined by our Board of Directors to be independent under the listing standards of The Nasdaq Stock Market. All directors, including the Chairman of the Board, are bound by fiduciary obligations imposed by law, to serve the best interests of the stockholders. Accordingly, separating the offices of Chairman of the Board and Chief Executive Officer would not serve to materially enhance or diminish the fiduciary duties of any director.

To further strengthen the oversight of the full Board of Directors, our independent directors hold executive sessions at which only independent directors are present. The executive sessions are scheduled in connection with regularly scheduled

Board meetings at least twice a year. The executive sessions are presided over by an independent director selected by our Board of Directors. Mark E. Schaffer has been selected by our Board of Directors to serve in this role.

Corporate Code of Conduct and Business Ethics Policy

Our Board of Directors has adopted a Corporate Code of Conduct and Business Ethics Policy that applies to all of our directors, principal executives, senior financial officers, and all of our other officers and employees. Our Corporate Code of Conduct and Business Ethics Policy provides fundamental ethical principles to which these individuals are expected to adhere to and will operate as a tool to help our directors, officers and employees understand the high ethical standards required for employment by, or association with, our Bank. Our Corporate Code of Conduct and Business Ethics Policy is available on our website at www.opusbank.com under the “Investor Relations” tab. Any amendments to the Corporate Code of Conduct and Business Ethics Policy, or any waivers of its requirements, will be publicly disclosed on our website as required by the rules of The Nasdaq Stock Market and the Exchange Act.

Potential Payments Upon Termination and Change In Control

Each named executive officer's employment agreement with us provides for severance payments and benefits, to the extent applicable, in the event of a termination of employment. The following description of the severance payments and benefits apply generally with respect to each named executive officer's employment agreement with us, except as specifically noted.

Termination without cause. Pursuant to the employment agreements of Messrs. Gordon, Royer and Allison, if the executive is terminated without "cause" during the first two years of the executive's term, in consideration for executing a mutual release, the executive will be entitled to a severance payment equal to the greater of (1) the executive's base salary for the remaining term of the employment agreement, or (2) three times the executive's annual compensation. If the executive is terminated without "cause" during the third year of the executive's term, then the severance payment is reduced to two and a half times the executive's annual compensation for Mr. Gordon and one and a half times the executive's annual compensation for each of Messrs. Royer and Allison. For purposes of calculating the severance payment, the executive's annual compensation will equal the sum of (i) the executive's highest rate of base salary for the calendar year in which the executive was terminated or any of the prior four calendar years, (ii) the highest of (A) the executive's target bonus for the calendar year in which the executive was terminated, or (B) the highest bonus paid to the executive for any of the prior four calendar years, and (iii) the amount of the contributions or accruals made or anticipated to have been made on the executive's behalf to our benefit plans during the calendar year that the executive was terminated. The severance payment will be payable in a lump sum within 65 days of the date of termination. The executive is also entitled to the full vesting of the executive's outstanding equity awards. In addition, the executive and the executive's previously covered dependents would be entitled, at no expense to the executive, to the continuation of substantially comparable life, medical, dental and disability insurance coverage for the remainder of the term of the employment agreement. Pursuant to Ms. Carrillo's employment agreement, if Ms. Carrillo is terminated without "cause," in consideration for executing a mutual release, Ms. Carrillo will be entitled to a severance payment equal to the greater of (1) her base salary for the remaining term of her employment agreement, or (2) one times her annual compensation. For purposes of calculating this severance payment, Ms. Carrillo's annual compensation will equal the sum of (i) her highest rate of base salary for calendar year in which she was terminated or any of the prior four calendar years, (ii) the highest of (A) her target bonus for the calendar year in which she was terminated, or (B) the highest bonus paid to her for any of the prior four calendar years, and (iii) the amount of the contributions or accruals made or anticipated to have been made on her behalf to our benefit plans during the calendar year that she was terminated. Ms. Carrillo is also entitled to the full vesting of her outstanding equity awards. In addition, Ms. Carrillo and her previously covered dependents would be entitled, at no expense to her, to the continuation of substantially comparable life, medical, dental and disability insurance coverage for the remainder of the term of the employment agreement.

Termination for cause. If a named executive officer's employment is terminated for "cause," then the executive has no right to compensation or other benefits following the date of termination. We may terminate the employment of our named executive officers for "cause" in the following situations:

- a material breach of the employment agreement or any other agreement between the executive and us by the executive;
- any act constituting dishonesty, fraud, immoral or disreputable conduct or any act of misconduct which is, or could reasonably be expected to be, harmful to us, our customers or our reputation;
- a conviction of any felony or of a misdemeanor involving moral turpitude;
- in the case of Mr. Royer, Mr. Allison or Ms. Carrillo, insubordination, incompetence or refusal to follow or implement a clear and reasonable directive from our Chief Executive Officer;
- in the case of Mr. Gordon, refusal to follow or implement a clear and reasonable directive of our Board of Directors;
- willful malfeasance or gross neglect in the performance of the executive's duties;
- a breach of fiduciary duty; or
- a material violation of law that is applicable to the performance of duties.

Benefits upon death. In the event that Messrs. Gordon, Royer or Allison dies, the executive's employment agreement will not terminate until one year after the date of the executive's death, during which time the executive's estate is entitled to receive the executive's salary and any bonus earned through the date of termination. Such a termination will not affect any rights the executive may have had at the time of the executive's death with respect to our insurance plans, the

executive's outstanding equity awards or any other death benefit, bonus or retirement benefit. In addition, we are required to continue substantially comparable benefit coverage of all previously covered dependents of the deceased executive, at no expense to the executive, through the remainder of the term of the relevant employment agreement. In the event that Ms. Carrillo dies, her employment agreement will terminate on the date of her death and her estate is entitled to receive her salary and any bonus earned through the date of termination. Such a termination will not affect any rights Ms. Carrillo may have had at the time of her death with respect to our insurance plans, her outstanding equity awards or any other death benefit, bonus or retirement benefit. In addition, we are required to continue substantially comparable benefit coverage of all previously covered dependents of Ms. Carrillo, at no expense to her, through the remainder of the term of the employment agreement.

Potential payments upon a change in control. Pursuant to the employment agreements of Messrs. Gordon, Royer and Allison, if involuntary termination of employment other than for "cause" or death occurs on or after the effective date of a "change in control" during the term of his employment agreement, in the case of Mr. Gordon, or during the first two years of their employment agreement, in the case of Messrs. Royer and Allison, then, in consideration for executing a mutual release, the executives would be entitled to receive, in lieu of the payments and benefits payable to them in connection with a termination without "cause," a severance payment equal to the greater of (1) the executive's base salary for the remaining term of the employment agreement, or (2) three times the executive's annual compensation. Pursuant to the employment agreements of Messrs. Royer and Allison, if involuntary termination of employment other than for "cause" or death occurs on or after the effective date of a "change in control" during the third year of their employment agreements, then, in consideration for executing a mutual release, the executive would be entitled to receive in lieu of the payments and benefits payable to them in connection with a termination without "cause," a severance payment equal to the greater of (x) the executive's base salary for the remaining term of the employment agreement, or (y) two times the executive's annual compensation. For purposes of this severance payment, the executive's annual compensation will equal the sum of (i) the executive's highest rate of base salary for the calendar year in which the executive was terminated, either of the prior two calendar years or the calendar year prior to the year in which the change of control occurred, (ii) the highest of A) the executive's target bonus for the calendar year in which the executive was terminated, or B) the highest bonus paid to the executive for either of the prior two calendar years or the calendar year prior to the year in which the change of control occurred, and (iii) the amount of the contributions or accruals made or anticipated to have been made on the executive's behalf to our benefit plans during the calendar year that the executive was terminated. Such payment will be payable in a lump sum on or as soon as practicable following the date of termination, but in no event later than March 15th of the calendar year following the calendar year in which the date of termination occurred. In addition, the executive and the executive's previously covered dependents would be entitled, at no expense to the executive, to the continuation of substantially comparable life, medical, dental and disability insurance coverage for three years and the full vesting of the executive's outstanding equity awards. The employment agreements of Messrs. Gordon, Royer and Allison further provide that, in the event any of the payments to be made thereunder or otherwise upon termination of employment would be "excess parachute payments" within the meaning of Section 280G of the Internal Revenue Code of 1986, as amended, or the Code, the executive will be paid an amount equal to the sum of (1) 20% of the excess parachute payment and (2) any additional amounts necessary to compensate the executive for any taxes on the additional 20% payment. If a final determination is made that the amount of the excess parachute payment used to calculate the gross-up payment described in the preceding sentence was lower than the amount the excess parachute payment we initially calculated, we will pay to the executive an additional amount so that the executive will be in the same position he or she would have been in if the higher excess parachute payment had been used to calculate the gross-up payment, which is referred to as the adjustment amount.

We are not, however, required to make any benefit payment under the employment agreements of Messrs. Gordon, Royer and Allison, if (1) we determine, upon the advice of counsel, that the payment of such benefit would be prohibited by applicable regulations regarding employee compensation promulgated by any regulatory agency having jurisdiction over us or our affiliates, or (2) commencing in the third year from the effective date of each of Messrs. Gordon's, Royer's and Allison's employment agreements, any benefit would be a non-deductible excess parachute payment under Section 280G of the Code or create an excise tax under the excess parachute rules of Sections 280G and 4999 of the Code.

Pursuant to Ms. Carrillo's employment agreement, if Ms. Carrillo is terminated, other than for "cause" or death, during the term of her employment agreement following the effective date of a "change in control," then, in consideration for executing a mutual release, Ms. Carrillo would be entitled to receive, in lieu of the payments and benefits payable to her in connection with a termination without "cause," a severance payment equal to the greater of (1) her base salary for the remaining term of her employment agreement, or (2) one times her annual compensation. For purposes of this severance payment, her annual compensation will equal the sum of (i) her highest rate of base salary for the calendar year in which she

was terminated, either of the prior two calendar years or the calendar year prior to the year in which the change of control occurred, (ii) the highest of (A) her target bonus for the calendar year in which she was terminated, or (B) the highest bonus paid to her for either of the prior two calendar years or the calendar year prior to the year in which the change of control occurred, and (iii) the amount of the contributions or accruals made or anticipated to have been made on her behalf to our benefit plans during the calendar year that she was terminated. Such payment will be payable in a lump sum on or as soon as practicable following the date of termination. In addition, Ms. Carrillo and her previously covered dependents would be entitled, at no expense to her, to the continuation of substantially comparable life, medical, dental and disability insurance coverage for twelve months and the full vesting of her outstanding equity awards.

The employment agreement of Ms. Carrillo further provides that, in the event that any payment received or to be received by her pursuant to the employment agreement is deemed to constitute a “parachute payment” within the meaning of Section 280G of the Code, the payment will be modified or reduced in amount to the greater of (1) 2.99 times her average compensation for the five calendar years immediately prior to the change in control, or (2) the payments payable under the employment agreement after taking into account any excise tax imposed under Section 4999 of the Code.

Pursuant to the employment agreements of our named executive officers, a “change in control” generally means any of the following events:

- any change in control required to be reported under the federal securities laws;
- any change in control within the meaning of the CIBCA, and the rules and regulations promulgated thereunder;
- subject to certain exceptions, the acquisition by any person or group of 25% or more of our outstanding voting securities;
- during any period of 25 consecutive calendar months, members of our Board of Directors cease to constitute at least a majority of the members of our Board of Directors, subject to certain exceptions;
- consummation of a merger, consolidation, share exchange or similar transaction unless the stockholders immediately prior to such transaction own, directly or indirectly, 75% or more of the combined voting power of the surviving entity in substantially the same proportion as their ownership immediately prior to such transaction; or
- a tender offer is made and accepted for 25% or more of our outstanding voting securities.

Pursuant to the employment agreements, a “change in control” does not include a holding company reorganization consisting of the formation of a bank holding company of our Bank and the exchange of our securities for the securities of the holding company having substantially the same terms and conditions.

Opus Bank 2010 Long-Term Incentive Plan

Introduction. The purpose of the 2010 Incentive Plan is to promote our long-term success and the creation of stockholder value by (1) encouraging officers, employees, directors and individuals performing services for our Bank as consultants or independent contractors to focus on critical long-range objectives, (2) encouraging the attraction and retention

of officers, employees, directors, consultants and independent contractors with exceptional qualifications, and (3) linking officers, employees, directors, consultants and independent contractors directly to stockholder interests through a proprietary interest in us through stock ownership. The 2010 Incentive Plan provides for the grant of incentive stock options, non-qualified stock options and restricted stock awards.

Administration. The 2010 Incentive Plan is administered and interpreted by the Compensation Committee. Under the 2010 Incentive Plan, the Compensation Committee is responsible to our Board of Directors for the overall administration and operation of the 2010 Incentive Plan, although the full Board of Directors makes all determinations with respect to participation in the 2010 Incentive Plan by employees, officers, directors, consultants or independent contractors.

Shares subject to the 2010 Incentive Plan. As of December 31, 2014, we have reserved a total of 2,382,182 shares of common stock for issuance pursuant to the 2010 Incentive Plan. As of December 31, 2014, 91,948 shares of restricted stock and options to purchase 70,392 shares of our common stock have been granted to current and former non-management members of our Board of Directors, and 1,820,521 shares of restricted stock and options to purchase 1,518,722 shares of our common stock have been granted to our employees pursuant to the 2010 Incentive Plan. As of December 31, 2014, 610,284 shares of our common stock remain available for grant under the 2010 Incentive Plan. Of the stock options granted, options to purchase a total of 872,524 shares of our common stock are currently exercisable, with the remainder subject to time vesting requirements. Of the restricted shares granted, a total of 919,104 shares have vested, with the remainder subject to time and performance based vesting requirements.

In 2015, we granted 4,624 shares of restricted stock to non-management members of our Board of Directors, other than the three non-employee directors serving on our Board of Directors who were nominated by the Significant Investors, and 80,648 shares of restricted stock to our employees pursuant to the 2010 Incentive Plan. The restricted shares of common stock and the stock options will vest in their entirety, unless earlier forfeited, on the third anniversary of the grant date and be subject to vesting conditions based on time. Following the 2015 equity awards, 525,012 shares of our common stock remain available for grant under the 2010 Incentive Plan.

If and to the extent that the number of issued shares of our common stock is increased or reduced by a change in par value, reclassification, stock dividend, merger, consolidation, reorganization, recapitalization, or other changes in our common stock, our Board of Directors will make proportionate adjustments that it deems appropriate in the aggregate number of shares of common stock that may be issued under the 2010 Incentive Plan and the terms of outstanding awards. If any shares of common stock covered by an award granted under the 2010 Incentive Plan are not exercised or are forfeited or expire, or if an award otherwise terminates without delivery of any shares of common stock subject thereto, or is settled in cash in lieu of shares of common stock, then the number of shares of common stock available under the 2010 Incentive Plan will be correspondingly increased.

Amendment and termination. Our Board of Directors may at any time and in any respect amend or modify the 2010 Incentive Plan. No amendment or modification, however, will adversely affect any outstanding award without the consent of the holder. If and to the extent necessary to ensure that incentive stock options granted under the 2010 Incentive Plan remain qualified under Section 422 of the Code, plan amendments may be subject to approval by our stockholders who are eligible to vote at a meeting of stockholders. Unless sooner terminated, the 2010 Incentive Plan will continue in effect for a period of 10 years from the effective date of the 2010 Incentive Plan. Termination of the 2010 Incentive Plan will not affect any previously granted awards.

Stock options. Stock options granted under the 2010 Incentive Plan may either be incentive stock options, which are intended to qualify for favorable treatment to the recipient under the Code, or nonqualified stock options, which do not qualify for this favorable tax treatment. Each grant of stock options under the 2010 Incentive Plan is evidenced by an award agreement that specifies the exercise price, the duration of the award, the number of shares to which the award pertains and such additional limitations, terms and conditions as our Board of Directors may determine, including, in the case of stock options, whether the options are intended to be incentive stock options or nonqualified stock options.

The 2010 Incentive Plan provides that the exercise price of stock options may not be less than 100% of the fair market value of the stock underlying the stock options on the date of grant. Award holders may pay the exercise price in cash or, if approved by our Board of Directors, in common stock (valued at its fair market value on the date of exercise) or a combination thereof. The term of stock options may not exceed ten years from the date of grant.

Restricted stock. Restricted stock may be granted under the 2010 Incentive Plan with such restrictions as our Board of Directors may designate. Our Board of Directors may provide at the time of grant that the vesting of restricted stock will be contingent upon the attainment of specified business goals or measures and/or continued service. Except for these restrictions and any others imposed under the 2010 Incentive Plan, upon the grant of restricted stock under the 2010 Incentive Plan, the recipient will have rights of a shareholder with respect to the restricted stock, including the right to vote the shares and receive all dividends and other distributions paid or made with respect thereto, unless our board of directors determines otherwise at the time the restricted stock award is granted.

Termination of employment. The impact of a termination of employment on an outstanding award granted under the 2010 Incentive Plan, if any, will be set forth in the applicable award agreement. Subject to the terms of the applicable award agreement and our Board of Directors' discretionary authority to accelerate the exercisability of any option at any time, options will cease vesting on or after the date that an employee's employment or personal services contract with our bank or any of its subsidiaries terminates for any reason other than the employee's death or disability. In the event a participant in the 2010 Incentive Plan dies while employed by us or any of our subsidiaries or terminates employment with us or any of our subsidiaries as a result of disability, any options granted under the 2010 Incentive Plan not yet vested on such date will become 100% vested as of such date and will be exercisable either by the participant or the participant's representative. Pursuant to our restricted stock award agreements, if an employee is terminated without "cause," then the unvested portion of the restricted stock award shall vest in full. If the employee is terminated for "cause," then the unvested portion of the restricted stock award will be forfeited.

Treatment of outstanding equity awards following a sale event. Unless otherwise set forth in an award agreement, all unvested restricted stock will vest in full and unexercised stock options will become immediately vested and exercisable upon a "sale event," provided that the holder of the option has been employed by or rendered services to us for a period of at least six months as of the date of the "sale event." A "sale event" is generally deemed to occur under the 2010 Incentive Plan upon:

- our voluntary dissolution or liquidation;
- the sale of all or substantially all of our assets;
- our consummation of a merger, reorganization or consolidation unless the beneficial owners of our common stock prior to the transaction own a majority of the voting power of the surviving entity; or
- any other transaction in which the beneficial owners of our common stock prior to the transaction do not own at least a majority of the voting power of the relevant entity.

Applicability of Section 162(m) of the Code to the 2010 Incentive Plan. Section 162(m) of the Code did not apply to our executive compensation while we were a private company. However, following the completion of our initial public offering in April 2014, Section 162(m) limits the deductibility of the annual compensation of our named executive officers (other than our Chief Financial Officer) to \$1 million per individual unless the compensation plan and awards that are made or may be made to such individuals meet certain requirements. We intend to rely on transitional relief that is available under Section 162(m) that exempts compensation paid under a plan that existed while we were private, such as the 2010 Incentive Plan. This transitional relief will be available to us for the 2010 Incentive Plan until the earliest to occur of: (1) the expiration of the 2010 Incentive Plan; (2) a material modification of the 2010 Incentive Plan; (3) the issuance of all available shares and other compensation that has been allocated under the 2010 Incentive Plan; or (4) the first meeting of stockholders at which directors are to be elected that occurs after the close of the third calendar year following the calendar year in which the initial public offering occurred (i.e., the first meeting of stockholders after December 31, 2017).

Opus Bank 401(k) Plan

The Opus Bank 401(k) Plan (the "401(k) Plan") is designed to provide retirement benefits to all eligible full-time and part-time employees. The 401(k) Plan provides employees the opportunity to save for retirement on a tax-favored basis. Our 401(k) Plan provides that each participant may defer from 1% to 90% of their compensation, up to a statutory limit of \$17,500 for 2013 and \$17,500 for 2014. Pursuant to the 401(k) Plan, we make employer matching contributions to the 401(k) Plan in an amount of up to 1% of eligible employee compensation. Participants who are at least 50 years old are also entitled to make "catch-up" contributions, which in 2014 may be up to an additional \$5,500 above the statutory limit.

Under our 401(k) Plan, each employee is fully vested in his or her deferred salary contributions and any qualified matching contributions or qualified non-elective contributions. We make our matching contributions in cash, and that

contribution is invested according to the participant's current investment allocation. We made matching contributions to all participants equal to each participant's elective deferrals of up to 1% of their eligible earnings. The plan also provides for discretionary non-elective contributions. Both matching contributions and non-elective contributions vest over a three-year period of service: 30% after 1 year of service; 60% after 2 years of service; and 100% after 3 years of service.

Opus Bank Deferred Compensation Plan

On January 1, 2014, we established the Opus Bank Deferred Compensation Plan (the "Deferred Compensation Plan") to provide certain additional retirement benefits to our eligible officers and employees. Under the Deferred Compensation Plan, a participant is permitted to defer a portion of his or her salary, bonus and specified compensation, subject to certain limitations, generally until a fixed future date or his or her retirement. In our sole discretion, we may make matching contributions to participants' accounts. Participants are fully vested in their contributions at the time of deferral. Any matching contributions that we make to participant accounts under the Deferred Compensation Plan may be subject to vesting and forfeiture. The Deferred Compensation Plan is not intended to meet the requirements of a qualified plan under Section 401(a) of the Code.

Indemnification Agreements

We have entered into indemnification agreements with our directors and certain executive officers. Under these agreements, we have agreed to indemnify the director or executive officer who acts on our behalf and is made or threatened to be made a party to any action or proceeding for expenses, judgments, fines and amounts paid in settlement that are actually and reasonably incurred in connection with the action or proceeding and to advance their expenses incurred as a result of any proceeding against them as to which they could be indemnified. The indemnity provisions would apply whether the action was instituted by a third party or by us. Generally, the principal limitation on our obligation to indemnify the director or executive officer is if it is determined by a court of law, not subject to further appeal, that indemnification is prohibited by applicable law, applicable banking regulation or the provisions of the indemnification agreement.

Health and Welfare Benefits

Our named executive officers are eligible to participate in our standard health and welfare benefits program, which offers medical, dental, vision, life, accident, and disability coverage to all of our eligible employees. We do not provide the named executive officers with any health and welfare benefits that are not generally available to our other employees.

RELATED TRANSACTIONS AND OTHER MATTERS

Related Person Transactions

In addition to the compensation arrangements with directors and executive officers described in “Executive Compensation,” the following is a summary of the material provisions of transactions we entered into with our executive officers, directors, 5% or greater stockholders and any of their immediate family members since December 31, 2012, in which:

- we have been or are to be a participant; and
- the amount involved exceeds or will exceed \$120,000.

Agreements with Significant Investors. In connection with our recapitalization in September 2010, we entered into stock subscription agreements with each of the Significant Investors. Pursuant to the terms of their respective stock subscription agreements, each of these Significant Investors has the right to nominate a representative to our Board of Directors so long as such investor and its affiliates continue to satisfy the ownership criteria. We also agreed that as long as a Significant Investor has the right to nominate a representative to our Board of Directors that (1) if we have a classified Board of Directors, such investor’s nominee will be appointed as a director in the class with the longest initial term, (2) such Significant Investor’s nominee will serve on the Compensation Committee and the Audit and Risk Committee so long as the nominee meets the eligibility requirements under applicable law and the rules of the New York Stock Exchange or The Nasdaq Stock Market, (3) no standing committee of the Board of Directors will have less than five members and (4) such investor will have the right to appoint a non-voting observer to the Board of Directors in lieu of a director.

Messrs. Cicirelli, Glovier and Alvarado are the current board representatives of Elliott, Fortress and Starwood, respectively.

Information rights. In connection with our recapitalization in September 2010, we entered into stock subscription agreements with Abrams Capital Partners I, LP and its affiliated entities (“Abrams”), pursuant to which we have agreed to permit Abrams, upon reasonable request, to visit and inspect our properties, to examine our corporate books and to discuss our affairs, finances and accounts with our principal officers. Notwithstanding these information rights, we are not required to disclose any information to the extent prohibited by applicable law or regulation, or that would reasonably be expected to cause a violation of any agreement to which we are a party. Abrams’ information rights will terminate when Abrams owns, on a fully diluted basis, less than 4.9% of our outstanding shares of common stock. Each Significant Investor had similar information rights pursuant to the terms of their respective stock subscription agreements. However, the information rights of the Significant Investors terminated upon the completion of our initial public offering in accordance with the terms of their stock subscription agreements.

Indemnification agreements. In connection with the consummation of our recapitalization in 2010, we entered into indemnification agreements with our directors and certain executive officers to provide indemnification in accordance with California law, subject to limitations and requirements set forth in federal and state laws, including the Federal Deposit Insurance Act and the FDIC’s rules and regulations, in the event and to the extent that insurance fails to cover any legally indemnifiable expenses reasonably incurred by them. See “Executive Compensation—Indemnification Agreements.”

Ordinary Banking Relationships

Certain of our officers, directors and principal stockholders, as well as their immediate family members and affiliates, are customers of, or have or have had transactions with us in the ordinary course of business. These transactions include deposits, loans and other financial services related transactions. Related party transactions are made in the ordinary course of business, on substantially the same terms, including interest rates and collateral (where applicable), as those prevailing at the time for comparable transactions with persons not related to us, and do not involve more than normal risk of collectability or present other features unfavorable to us. Under our Loans to Insiders Policy, it is the general policy that the Bank will not make loans to related parties and insiders will be urged in all circumstances to obtain financing elsewhere. Cash secured loans will be considered on a case-by-case basis so long as the terms are in compliance with bank regulatory requirements. Any loans we originate with officers, directors and principal stockholders, as well as their immediate family

members and affiliates, are approved by our Board of Directors. As of the date of this filing, no related party loans were categorized as nonaccrual, past due, restructured or potential problem loans.

Statement of Policy Regarding Related Party Transactions

We have adopted a formal written policy concerning related party transactions. A related party transaction is a transaction, arrangement or relationship or a series of similar transactions, arrangements or relationships in which the amount involved exceeds \$120,000, in which we or one of our consolidated subsidiaries participates (whether or not we or the subsidiary is a direct party to the transaction), and in which our or any of our subsidiaries' directors, nominees to become a director, executive officers or employees or any of his or her immediate family members or any entity that any of them controls or in which any of them has a substantial beneficial ownership interest has a direct or indirect material interest; or in which any person who is the beneficial owner of more than 5% of our voting securities or a member of the immediate family of such person has a direct or indirect material interest. A copy of our related party transaction policy may be found on our website at www.opusbank.com at the "Investor Relations" tab.

Our policy requires our Nominating and Corporate Governance Committee to ensure that we maintain an ongoing review process for all related party transactions for potential conflicts of interest and requires that our Nominating and Corporate Governance Committee pre-approve any such transactions or, if for any reason pre-approval is not obtained, to review, ratify and approve or cause the termination of such transactions. Our Nominating and Corporate Governance Committee evaluates each related party transaction for the purpose of determining whether the transaction is fair, reasonable and permitted to occur under our policy, and should be pre-approved or ratified.

Relevant factors considered relating to any approval or ratification include the benefits of the transaction to us, the terms of the transaction and whether the transaction will be or was on an arm's-length basis and in the ordinary course of our business, the direct or indirect nature of the related party's interest in the transaction, the size and expected term of the transaction and other facts and circumstances that bear on the materiality of the related party transaction under applicable law and listing standards. At least quarterly, management will provide our Nominating and Corporate Governance Committee with information pertaining to related party transactions. Related party transactions entered into, but not approved or ratified as required by our policy concerning related party transactions, will be subject to termination by us or the relevant subsidiary, if so directed by our Nominating and Corporate Governance Committee or our Board, taking into account factors as deemed appropriate and relevant. Lending and other banking transactions in the ordinary course of business and consistent with the insider loan provisions of Regulation O of the Federal Reserve are not treated as related party transactions under this policy and, instead, these transactions are subject to our separate Regulation O policy and are monitored and approved, if necessary, by the Board of Directors. In addition, any transactions in which the rates or charges are determined by competitive bids are not subject to approval under the policy.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information that has been provided to us or is publicly available with respect to the beneficial ownership of shares of our common stock as of the March 2, 2015 Record Date (except where indicated) for (i) each person or entity known by us to own beneficially more than 5% of our outstanding common stock, (ii) each or our directors, (iii) each of our executive officers named in the Summary Compensation Table in this Proxy Statement and (iv) all of our directors and executive officers as a group. Percentage of common stock beneficially owned is based on 28,149,297 shares of common stock outstanding on March 2, 2015. Except as otherwise noted, the persons or entities named have sole voting and investment power with respect to all shares shown as beneficially owned by them. Pursuant to Item 403 of Regulation S-K, the number of shares listed for each individual reflects his or her beneficial ownership, as defined in SEC rules and regulations. As a result, in some cases, more than one beneficial owner has been listed for the same securities. In accordance with Instruction 5 of Item 403 of Regulation S-K, where more than one beneficial owner has been listed for the same securities, in computing the aggregate number of shares owned by directors and officers of the registrant as a group, those shares have been counted only once. See the footnotes for specific share ownership details.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) requires our directors and executive officers, as well as persons who own more than ten percent of our common stock, to file with the FDIC initial reports of beneficial ownership and reports of changes in beneficial ownership of our common stock. Directors, executive officers and greater-than-ten percent stockholders are required by the FDIC regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely on a review of the reports furnished to us, or written representations from reporting persons that all reportable transactions were reported, we believe that during our fiscal year ended December 31, 2014, our officers, directors and greater than ten percent stockholders timely filed all reports they were required to file under Section 16(a).

**ITEM 2. TO RATIFY THE APPOINTMENT OF KPMG LLP AS THE BANK'S
INDEPENDENT AUDITOR FOR THE FISCAL YEAR ENDED DECEMBER 31, 2015**

The Bank's independent auditors for its fiscal year ended December 31, 2014 were KPMG LLP, independent public accountants. The Audit and Risk Committee of the Board of Directors considered the qualifications and experience of KPMG LLP, and, in consultation with the Board of Directors of the Bank, appointed them as independent auditors for the Bank for the current fiscal year which ends December 31, 2015. Although ratification of our independent auditors by stockholders is not required by law, the Audit and Risk Committee and Board of Directors desire to obtain the stockholders' ratification of such appointment. If ratification of KPMG LLP as our independent auditors is not approved by stockholders, the matter will be referred to the Audit Committee for further review.

Representatives of KPMG LLP will be present at the Annual Meeting, will have the opportunity to make a statement if they so desire, and will be available to respond to appropriate questions submitted to the Secretary of the Bank in advance of the Annual Meeting.

Vote Required

The affirmative vote of holders of the majority of the shares for which votes are cast at the Annual Meeting is needed to approve this proposal. Abstentions and broker non-votes will not be counted as votes cast and, therefore, will not affect this proposal. Further, the failure to vote, either by proxy or in person, will not have an effect on this proposal. Unless instructions to the contrary are specified in a proxy properly voted and returned through available channels, the proxies will be voted **FOR** this proposal.

Recommendation of the Board of Directors

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE

Audit-Related Fees, Tax Fees and All Other Fees

We did not pay any audit-related fees, tax fees or other fees to KPMG LLP during the years ended December 31, 2014 or 2013.

Audit and Risk Committee Pre-Approval Policies and Procedures

The Audit and Risk Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services and other services performed by the independent auditor. The policy provides for pre-approval by the Audit and Risk Committee of specified audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit and Risk Committee must approve the permitted service before the independent auditor is engaged to perform it.

In 2014, 100% of the audit fees we paid to KPMG LLP were pre-approved by the Audit and Risk Committee.

ITEM 3. TO APPROVE THE BANK'S PERFORMANCE-BASED COMPENSATION STANDARDS

Section 162(m) of the Code does not allow a publicly-held corporation to deduct from its U.S. federal taxable income compensation in excess of \$1 million per year paid to its chief executive officer or other named executive officers (excluding its chief financial officer). Section 162(m) of the Code excludes from this deduction limit compensation based on the attainment of performance goals if the compensation meets certain specified requirements. This type of compensation is referred to in this Item 3 as performance-based compensation. Among the requirements for performance-based compensation is that the material terms pursuant to which the performance-based compensation is to be paid are disclosed and approved by stockholders prior to payment. For purposes of Section 162(m) of the Code, the material terms include (a) a description of who is eligible for performance-based compensation, (b) a description of the business criteria on which the payment of the performance-based compensation may be based, which is referred to as the performance criteria, and (c) the maximum amount of performance-based compensation that can be paid to a Covered Executive (as defined below) if one or more performance goals is achieved. These material terms are discussed below.

Accordingly, we are asking our stockholders to approve the following material terms of the performance-based compensation described below that the Compensation Committee will consider when awarding performance-based compensation intended to avoid the tax deduction limit established by Section 162(m) of Code, if all of the conditions of Section 162(m) of the Code relating to the exclusion for performance-based compensation are satisfied.

Description of the Material Terms of the Performance-Based Compensation

Purpose. We are committed to achieving sustainable growth and creating long-term stockholder value. We believe that an executive's compensation plays an important role in accomplishing these goals. To that end, we believe that the compensation of our executives should be closely tied to our performance and growth, so that the executives' interests are aligned with the interests of our stockholders. To achieve this goal, the Compensation Committee will grant performance-based compensation, payable in cash or payable in stock under the 2010 Incentive Plan.

Covered Executives. "Covered Executives" includes our Chief Executive Officer and each other executive officer (other than our Chief Financial Officer) who is named in the Summary Compensation Table of our proxy statement prepared in connection with an annual meeting of stockholders by reason of being among our three most highly compensated officers for a given year and where such executive's total annual compensation is expected to exceed \$1 million. For 2015, these "Covered Executives" are expected to be Stephen Gordon, Chairman of the Board, Chief Executive Officer and President, and Dan Borland, Executive Vice President, President of Commercial Real Estate Banking.

Incentive Compensation. Incentive compensation may be paid as an annual cash bonus or an award under the 2010 Incentive Plan in the form of stock options or restricted stock. The Compensation Committee will specify the performance goals applicable to each bonus or award. The Compensation Committee may specify that incentive compensation payable to a Covered Executive is intended to satisfy the requirements of performance-based compensation not subject to the tax deduction limit in Section 162(m) of the Code.

Administration. The Compensation Committee, with the assistance of its independent compensation consultant, reviews the compensation of Covered Executives, provides the Board of Directors with guidance on changes in the Covered Executives' compensation when appropriate, and makes decisions concerning their performance-based compensation, including, without limitation, the authority to grant awards; to determine the persons to whom and the time or times at which awards will be granted; to determine the terms, conditions, restrictions and performance criteria, including performance goals, relating to any award; to determine whether, to what extent, and under what circumstances an award may be settled, cancelled, forfeited or surrendered; to construe and interpret these compensation standards; to prescribe, amend and rescind rules relating to these standards; to determine the terms and conditions of the payment or awards of incentive compensation; to make equitable adjustments to the performance goals in recognition of unusual or non-recurring events affecting Opus Bank or in response to changes in applicable laws or regulations, or to account for items of gain, loss or expense determined to be extraordinary or unusual in nature or infrequent in occurrence or related to the disposal of a segment of a business or related to a change in accounting principles; and to make all other determinations deemed necessary or advisable for the payment of executive compensation.

Performance Goals. The performance goals that must be met in order for a Covered Executive to receive incentive compensation may include a threshold level of performance below which no incentive compensation will be paid, levels of performance at which specified amounts of incentive compensation will be paid, and a maximum level of performance above which no additional incentive compensation will be paid. The relative weights of the performance criteria that comprise the

performance goals will be determined by the Compensation Committee in its sole discretion. In establishing the performance goals for a performance period, the Compensation Committee may establish different performance goals for different individuals and groups. Moreover, the particular performance goals applicable to a Covered Executive may vary from year to year. The Compensation Committee is responsible for designating a performance period and establishing the objective performance goals in writing prior to the earlier of: (i) the 90th day after the commencement of an applicable performance period, or (ii) such day when 25% of the performance period has elapsed as well as establish the method for evaluating performance over the performance period. To the extent possible, the performance goal will be determined in accordance with generally accepted accounting principles and the achievement of such performance goal will be subject to certification by the Compensation Committee.

The Compensation Committee will have discretion to make a downward adjustment to performance goals. In the event incentive compensation is intended to qualify as performance-based compensation, the Compensation Committee will have discretion to make adjustments to established performance goals only to the extent consistent with Section 162(m) of the Code to reflect, among other things, extraordinary, unusual or infrequently occurring events, transactions or other items; acquired, discontinued or disposed operations; effects of changes in accounting principles, tax or other laws or requirements; regulatory capital requirements; or similar events or circumstances.

Performance Criteria. If the Compensation Committee specifies that incentive compensation payable to a Covered Executive is intended to qualify as performance-based compensation for purposes of Section 162(m) of the Code, the performance criteria applicable to the performance goals that give rise to such performance-based compensation will be measured from the performance criteria described below. Performance criteria applicable to performance goals intending to give rise to performance-based compensation may be any one or more of the following, either individually or in any combination, applied to Opus Bank as a whole or to a business unit, and measured either annually, quarterly, or other such pre-established period on an absolute basis or relative to a pre-established target, to a previous year's result or to a designated comparison group, in each case as specified by the Compensation Committee: return on average assets; return on average equity; return on average tangible equity; G&A expenses over average assets; regulatory rating; and/or loan production held for portfolio. The Compensation Committee may alter the performance criteria applicable to a performance goal established for any Covered Executive, provided that any such alteration complies with the requirements of the "performance-based compensation" exception under Section 162(m) of the Code.

Annual Limitation on Cash Bonus Payments to Any Covered Executive. The Chairman of the Board, Chief Executive Officer and President will be eligible for a cash bonus equal to an amount not to exceed 6% of Opus Bank's net income, the Executive Vice President, President Commercial Real Estate Banking will be eligible for a cash bonus equal to an amount not to exceed 4% of Opus Bank's net income and any other Covered Executive will be eligible for a cash bonus equal to an amount not to exceed 3% of Opus Bank's net income. For purposes of determining the annual limitation on incentive compensation payable to Covered Executives, net income means Opus Bank's net income as reported in its financial statements, adjusted to eliminate the effect of (i) losses resulting from discontinued operations, (ii) extraordinary gains or losses, (iii) the cumulative effect of changes in generally accepted accounting principles, and (iv) any other unusual or non-recurring gain or loss, which is separately identified and quantified. The Compensation Committee may, in its discretion, reduce or eliminate any cash bonus payable to a Covered Executive, but in no event may the Compensation Committee use its discretion to increase the amount of a cash bonus payable to any Covered Employee.

Payment of Awards. All payments of incentive compensation payable to a Covered Executive will be made, if in cash, within a reasonable period after the end of Opus Bank's fiscal year, or if in the form of an equity award, in accordance with the 2010 Incentive Plan.

Amendment; Termination. The Board may from time to time amend, suspend or discontinue the compensation standards described above. In addition, absent the requisite approval of our stockholders, no amendment may be made to these compensation standards that would require stockholder approval in order to remain compliant with Section 162(m) of the Code.

New Plan Benefits and Additional Information. Since payments of performance-based compensation will be determined by the Compensation Committee and performance goal criteria may vary from performance period to performance period and from Covered Executive to Covered Executive, payments of performance-based compensation are not determinable at this time.

- The process used by management in formulating particularly sensitive accounting estimates and the basis for the auditor's conclusions regarding the reasonableness of those estimates; and
- Disagreements with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures in the financial statements.

The Audit and Risk Committee has received the written disclosures and the letter from the Bank's independent accountants, KPMG LLP required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committee*. Additionally, the Audit and Risk Committee has discussed with KPMG LLP, the issue of its independence from the Bank. STOCKHOLDER PROPOSALS FOR THE 2016 ANNUAL MEETING

Under the rules of the SEC and the FDIC, and our Bylaws, stockholder proposals that meet certain conditions may be included in our Proxy Statement and form of proxy for a particular annual meeting if they are presented to us in accordance with the following:

- Stockholder proposals intended to be considered for inclusion in next year's proxy statement for the 2016 Annual Meeting of Stockholders must be delivered in writing to the Secretary of the Bank by November 7, 2015, which is 120 days prior to the anniversary of the date we released this Proxy Statement to our stockholders for this Annual Meeting.
- Stockholders that intend to present a proposal at our 2016 Annual Meeting of Stockholders, but not to include the proposal in our proxy statement for that meeting, must give notice of the proposal to our Secretary no sooner than December 25, 2015, which is one hundred twenty (120) days prior to Sunday, April 23, 2016, which is the one-year anniversary of the Annual Meeting, but no later than January 24, 2016, which is ninety (90) days prior to the one-year anniversary of the Annual Meeting. As set forth in our Bylaws, the stockholder's notice to the Secretary must contain certain required information.
- If the date of the 2016 Annual Meeting of Stockholders is held on a date more than thirty (30) calendar days before or sixty (60) days after April 23, 2016 (the one-year anniversary of the Annual Meeting), the stockholder's notice must be delivered to our Secretary no sooner than the 120th day prior to the 2016 Annual Meeting of Stockholders, and no later than (a) the 90th day prior to the date of the 2016 Annual Meeting of Stockholders, or (b) in the event the first public announcement of the date of the 2016 Annual Meeting of Stockholders is less than one hundred (100) days prior to the date of the 2016 Annual Meeting of Stockholders, the 10th day following the day on which public announcement of the date of the 2016 Annual Meeting of Stockholders is first made by the Bank.
- Pursuant to Rule 14a-4(c)(1) promulgated under the Exchange Act the proxies designated by us for the Annual Meeting will have discretionary authority to vote with respect to any proposal received after January 20, 2015, which is forty-five (45) days before the date on which the Bank first sent the proxy materials for the Annual Meeting. In addition, our Bylaws, provide that any matter to be presented at the Annual Meeting must be proper business to be transacted at the Annual Meeting or a proper nomination to be decided on at the Annual Meeting and must have been properly brought before such meeting pursuant to our Bylaws.
- Our Secretary must receive notices of stockholder proposals or nominations in writing at the executive offices of the Bank at 19900 MacArthur Boulevard, 12th Floor, Irvine, California 92612, Attention: Secretary.

Due to the Annual Meeting being held more than 60 days after the anniversary date of our prior annual meeting, we publicly announced the date of our Annual Meeting on February 6, 2015. Pursuant to our Bylaws, because such public announcement of the date of the Annual Meeting was less than 100 days prior to the date of the Annual Meeting, the required notice for stockholder proposals and director nominations was not due until February 16, 2015, which was the 10th day following the public announcement of the Annual Meeting date. No notice that a stockholder intends to present a proposal at the Annual Meeting was received by the Bank on or before the February 16, 2015 deadline.

OTHER MATTERS

The Board of Directors knows of no business that will be presented for consideration at the Annual Meeting other than as stated in the Notice of Annual Meeting of Stockholders. If, however, other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote the shares represented thereby on such matters in accordance with their best judgment.

Whether or not you intend to be present at the Annual Meeting, you are urged to submit your proxy as soon as possible by following the instructions provided in the Notice of Internet Availability or in the proxy card or voting instruction form you received if you requested and received a printed set of the proxy materials. If you are present at the Annual Meeting and wish to vote your shares in person, your original proxy may be revoked by voting at the Annual Meeting. However, if you are a stockholder whose shares are not registered in your own name, you will need appropriate documentation from your record-holder to vote personally at the Annual Meeting.
