FINANCE AND RISK COMMITTEE CHARTER

I. Purpose

The principal purpose of the Finance and Risk Committee (the “Committee”) is to assist the Board of Directors (the “Board”) of Hannon Armstrong Sustainable Infrastructure Capital, Inc. (the “Company”) in its responsibility for assessment, monitoring and oversight of matters relating to the Company’s financial objectives, policies, procedures, and activities and related risk exposures faced by the Company. The Committee also assists the Audit Committee of the Board (the “Audit Committee”) and the Compensation Committee of the Board (the “Compensation Committee”) in their review of guidelines and policies to govern the process of risk assessment and risk management in relation to the duties of those committees.

While the Committee has the duties and responsibilities set forth in this Charter, the Committee is not responsible for the financial or risk management affairs of the Company and is not providing any expert or special assurance as to the financial and risk management policies, procedures or activities of the Company. These are the responsibilities of the Company’s management.

II. Composition of the Committee

The Committee will have at least two directors, each of whom shall be appointed, removed and replaced by, and in the sole discretion of, the Board. The members of the Committee shall be appointed annually by the Board on or prior to the date of the Company’s annual meeting of stockholders and shall serve until their successors are duly appointed by the Board or until their earlier resignation or removal. In connection with the annual appointment of the members of the Committee, the Board shall also select a member of the Committee to serve as its chairperson.

The Committee shall be comprised solely of members of the Board each of whom shall have been designated “independent” in accordance with the Company’s Corporate Governance Guidelines.

III. Meetings

1. The Committee shall meet in person or telephonically at least four times annually or more frequently as the circumstances dictate. For each Committee meeting, the Committee will appoint a person, who need not be a member thereof, to act as secretary and to keep minutes of such meeting. After approval of each set of minutes by the Committee, the Committee will submit such minutes to the Board for review and will cause such minutes to be filed with the minutes of the Board.
2. The Committee will report to the Board at all regular meetings of the Board or at such other times as the Committee deems necessary or appropriate.
3. The Committee may request members of management or others to attend meetings and provide pertinent information as necessary. All non-management directors who are not members of the Committee may attend meetings of the Committee, but may not vote. The Committee may also exclude from its meetings any person it deems inappropriate in order to carry out its responsibilities.

4. The Committee may create its own rules of procedures, including rules regarding notice of meetings, quorum and voting. Such rules will be consistent with the Company's Articles of Amendment and Restatement and Bylaws and with this Charter.
5. The Committee may create subcommittees to perform particular functions, either generally or in specific instances.

IV. Responsibilities and Duties

The following functions shall be the common recurring activities of the Committee in carrying out its responsibilities outlined in Section I of this Charter. These functions should serve as a guide with the understanding that the Committee may carry out additional functions and adopt additional policies and procedures as may be appropriate in light of changing business, legislative, regulatory, legal or other conditions. The Committee shall also carry out any other responsibilities and duties delegated to it by the Board from time to time related to the purposes of the Committee outlined in Section I of this Charter.

The performance evaluation shall also recommend to the Board any improvements to this Charter deemed necessary or desirable by the Committee. The Charter may be amended by the recommendation of the Committee and the approval of the Board. The performance evaluation by the Committee shall be conducted in such manner as the Committee deems appropriate. The report to the Board may take the form of an oral report by the chairperson of the Committee or any other member of the Committee designated by the Committee to make this report.
