MainSource Bank Volunteers in the Lake Area United Way's PackaPalooza

MainSource Bank (NASDAQ: MSFG); local area MainSource Bank employees recently joined in as part of the Lake Area PackaPalooza event. Deena Aviles and Barb Sabo joined the high-energy, high impact experience that's fun for everyone.

PackaPalooza is a yearly food packing event that takes place during the United Way's Day of Caring. Volunteers work together in teams to pack nutritious meals for those in need. Hundreds of volunteers join each year to pack thousands of meals. The meals are then distributed to food pantries across Lake County to help feed the nearly 80,000 people in the county struggling with hunger. The Lake Area United Way (LAUW) serves as the backbone organization generating, convening and coordinating resources across funders, service providers, government and civic leaders to deliver large scale, measurable and sustainable impact across our Communities.

MainSource remains a large supporter of great organizations in all of the communities it serves through various offerings and employee volunteer efforts. Dedicated to serving the community, MainSource knows the importance of helping those in need in order for them to develop a strong foundation for life-long financial competency and is proud to support local initiatives.
