MainSource Bank Opens New Mortgage Lending Location in Crestwood Kentucky

MainSource Bank (NASDAQ: MSFG); Greensburg, Indiana; Chris Harrison, Executive Vice President, Chief Consumer Banking Officer for MainSource Bank, is pleased to announce the opening of the new Crestwood, Kentucky lending location. The team will move into this newly constructed facility prior to its opening on Monday, March 5, 2018.

As a community focused bank that is significantly involved in the markets they serve, MainSource is excited to present a convenient lending location for the local area. This lending office joins the efforts of expansion throughout the Louisville surrounding areas, creating additional, well-situated locations for MainSource customers. Positioned at 5998 Pleasant Colony Court, Suite 21 in Crestwood, Kentucky, this lending center will encompass knowledgeable lending staff offering a wide range of mortgage loan programs.

"We strive to positively impact our communities and we positioned this location with the local community in mind," said Chris Harrison. Adding, "With MainSource Bank already a significant part of the area for many years, we've welcomed the opportunity to expand with new locations and be involved with such a great community. We have tremendous local employees who truly care about helping others through volunteering, financial education and charity work. We're looking forward to this newly constructed facility."
