FORWARD LOOKING INFORMATION

This presentation is for informational purposes only and may not be reproduced or distributed to any other person or published, in whole or in part, for any purpose. This presentation has been prepared by Summit Industrial Income REIT (the “REIT”) solely for use as a presentation. No reliance may be placed for any purpose whatsoever on the information contained in this presentation or the completeness or accuracy of such information. This presentation does not purport to contain all information that you may desire and is subject to updating, revision and amendment. In furnishing this presentation, the REIT does not undertake or agree to any obligation to provide attendees with access to any additional information or to update this presentation or to correct any inaccuracies in, or omissions from, this presentation which may become apparent. The information and opinions contained in this presentation are provided as at the date of this presentation and are subject to change without notice. No representation or warranty, express or implied, is given by or on behalf of the REIT, its unitholders, trustees or officers nor any other person as to the accuracy or completeness of the information or opinions contained in the presentation. This presentation and its contents are confidential and are being supplied for informational purposes and may not be reproduced, further distributed to any other person or published, in whole or in part, for any purpose. By attending this presentation or receiving a copy of this presentation, you agree to be bound by the foregoing provisions.

NON-IFRS (NON-GAAP) Financial Measures

Readers are cautioned that certain terms used in this presentation such as Funds from Operations (“FFO”), Net Operating Income (“NOI”) and any related per Unit amounts used by Management to measure, compare and explain the operating results and financial performance of the Trust do not have any standardized meaning prescribed under IFRS general accepted accounting principles (“GAAP”) and, therefore, should not be construed as alternatives to net income or cash flow from operating activities calculated in accordance with IFRS. Such terms do not have a standardized meaning prescribed by IFRS and the computation of these non-GAAP performance measures may not be comparable to similarly titled measures presented by other publicly traded entities.

Caution Regarding Forward-Looking Information

This presentation contains forward-looking statements and forward-looking information within the meaning of applicable securities laws. These statements reflect management’s expectations regarding the REIT’s future growth, results of operations, performance and business prospects and opportunities, and include, but are not limited to, statements with respect to management’s beliefs, plans, estimates and intentions and similar statements concerning anticipated future events, results, circumstances, performance or expectations that are not historical factors. Because such forward-looking statements reflect management’s current beliefs, they are based on information currently available to management. The use of any of the words “can”, “expect”, “does not expect”, “budget”, “schedule”, “anticipate”, “continue”, “estimate”, “objective”, “ongoing”, “may”, “might”, “will”, “project”, “should”, “believe”, “plan”, “intend” and similar expressions are intended to identify forward-looking information or statements.

Although management believes that the expectations and assumptions on which such forward-looking statements and information are based are reasonable, undue reliance should not be placed on the forward-looking statements and information because there can be no assurance that they will prove to be correct. By its nature, such forward-looking information is subject to various risks and uncertainties, which could cause the actual results and expectations to differ materially from the anticipated results or expectations expressed. These risks and uncertainties, include, but are not limited to, risks associated with property ownership, debt financing, interest and financing costs, capital requirements, general uninsured losses, development of real property, future property acquisitions, environmental matters, land leases, potential conflicts of interest, governmental regulations, the relative illiquidity of real property and taxation, reliance on key personnel, as well as general business, economic and competitive uncertainties. Material factors or assumptions that were applied in drawing a conclusion or making an estimate set out in the forward-looking statements include that the general economy remains stable; interest rates remain relatively stable; capitalization rates remain stable; competition for acquisition of high quality industrial properties remains strong; and capital markets continue to provide access to capital. Readers are cautioned not to place undue reliance on this forward-looking information, which is given as of the date hereof, and to not use such forward-looking information for anything other than its intended purpose. The REIT undertakes no obligation to update publicly or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by law.
