(the “Operating Partnership”) issued by the Operating Partnership in connection with its acquisition of the properties located at 2101 L Street in Washington D.C., (ii) 303,446 Common Shares issued by Vornado to other Selling Shareholders upon the redemption of Units issued by the Operating Partnership in connection with its acquisition of the properties located at 2101 L Street in Washington D.C., and (iii) up to 12,500 Common Shares that Vornado may elect to issue to Mitchell N. Schear upon redemption of up to 12,500 Units issued by the Operating Partnership in connection with the exercise of the Waterfront Option, granted in a Contribution Agreement, dated as of April 9, 2003. This Registration Statement also relates to such additional Common Shares as may be issued as a result of certain adjustments including, without limitation, share dividends and share splits.
- (2) In accordance with Rule 457(c) the maximum aggregate offering price is estimated solely for purposes of calculating the registration fee and is based on the average of the high and low reported sales prices on November 24, 2004 on the New York Stock Exchange. The total registration fee is \$10,599, of which \$9,810 was previously paid on November 10, 2004 in connection with the initial filing of this Registration Statement on November 10, 2004. The amount of the initial registration fee was calculated pursuant to Rule 457(c), based on the registration of 1,136,240 Common Shares at a proposed maximum offering price per share of \$68.14. An additional registration fee of \$789 is being paid in connection with this filing, based on an increase in the maximum aggregate offering price of \$6,227,853 resulting from the increase in the number of Common Shares registered and the increase in the proposed maximum offering price per share.

The Registrant hereby amends this registration statement on such date or dates as may be necessary to delay its effective date until the registrant shall file a further amendment which specifically states that this registration statement shall thereafter become effective in accordance with Section 8(a) of the Securities Act of 1933 or until this registration statement shall become effective on such date as the Commission, acting pursuant to said Section 8(a), may determine.

1,148,740 SHARES

**VORNADO REALTY TRUST
COMMON SHARES OF BENEFICIAL INTEREST**

The Selling Shareholders (the “Selling Shareholders”) of Vornado Realty Trust (“Vornado”) may offer from time to time up to 1,148,740 common shares of beneficial interest, par value \$0.04 per share (“Common Shares”), of Vornado, in amounts, at prices and on terms to be determined at the time of sale. Vornado will not receive any of the proceeds from the sale of the Common Shares being sold by the Selling Shareholders. See “Use of Proceeds” herein.

The Common Shares covered by this prospectus are comprised of (i) up to 832,794 Common Shares that may be issued to certain Selling Shareholders, at our option, upon the redemption of 832,794 Class A Units of limited partnership interest in Vornado Realty L.P. issued by the Operating Partnership in connection with our acquisition of the properties located at 2101 L Street in Washington D.C., (ii) 303,446 Common Shares issued by Vornado to other Selling Shareholders upon the redemption of Units issued by the Operating Partnership in connection with our acquisition of the properties located at 2101 L Street in Washington D.C., and (iii) up to 12,500 Common Shares that Vornado may elect to issue to Mitchell N. Schear upon redemption of up to 12,500 Units issued by the Operating Partnership in connection with the exercise of the Waterfront Option, granted in a Contribution Agreement, dated as of April 9, 2003. Vornado Realty L.P. is the operating partnership through which we own our assets and operate our business.

We have registered the offering and resale of the Common Shares to allow the Selling Shareholders to sell these Common Shares without restriction in the open market or otherwise, but the registration of the Common Shares does not necessarily mean that the Unit holders will elect to redeem their Units or that the Selling Shareholders will offer or sell their Common Shares. See “Selling Shareholders” herein.

The Selling Shareholders may sell the Common Shares offered hereby directly to purchasers or through underwriters, dealers, brokers or agents designated from time to time. Sales of Common Shares in particular offerings may be made on the New York Stock Exchange (“NYSE”) or in the over-the-counter market or otherwise at prices and on terms then prevailing, at prices related to the then current market price, at fixed prices (which may be changed) or in negotiated transactions. To the extent required for any offering, a supplement to this Prospectus (a “Prospectus Supplement”) will set forth the number of Common Shares then being offered, the initial offering price, the names of any underwriters, dealers, brokers or agents and the applicable sales commission or discount. Any such Prospectus Supplement will also contain a discussion of the material United States Federal income tax considerations relating to the Common Shares to the extent not contained herein. See “Plan of Distribution” herein.

The Common Shares of Vornado are listed on the NYSE under the symbol “VNO”.

CAUTIONARY STATEMENT CONCERNING FORWARD-LOOKING STATEMENTS

This prospectus, including the documents incorporated by reference in it, contains forward-looking statements with respect to our financial condition, results of operations and business. These statements may be made directly in this document or they may be made part of this document by reference to other documents filed with the SEC, which is known as “incorporation by reference.” You can find many of these statements by looking for words such as “believes,” “expects,” “anticipates,” “estimates,” “intends,” “plans” or similar expressions in this prospectus or the documents incorporated by reference. Unless the context otherwise requires or as otherwise specified, references in this prospectus to “Vornado,” “we,” “us” or “our” refer to Vornado Realty Trust and its subsidiaries, including Vornado Realty L.P., except where we make clear that we mean only the parent company, Vornado Realty Trust. In addition, we sometimes refer to Vornado Realty L.P. as the “Operating Partnership.”

These forward-looking statements are subject to numerous assumptions, risks and uncertainties. Factors that may cause actual results to differ materially from those contemplated by the forward-looking statements include, among others, those listed under the caption “Risk Factors” in this prospectus as well as the following possibilities:

- national, regional and local economic conditions;
- consequences of any armed conflict involving, or terrorist attack against, the United States;
- our ability to secure adequate insurance;
- local conditions such as an oversupply of space or a reduction in demand for real estate in the area;
- competition from other available space;
- whether tenants consider a property attractive;
- the financial condition of our tenants, including the extent of tenant bankruptcies or defaults;
- whether we are able to pass some or all of any increased operating costs through to our tenants;

Table of Contents

- how well we manage our properties;
- fluctuations in interest rates;
- changes in real estate taxes and other expenses;
- changes in market rental rates;
- the timing and costs associated with property improvements and rentals;
- changes in taxation or zoning laws;
- government regulation;
- availability of financing on acceptable terms or at all;
- potential liability under environmental or other laws or regulations; and
- general competitive factors.

Forward-looking statements are not guarantees of performance. They involve risks, uncertainties and assumptions. Our future results, financial condition and business may differ materially from those expressed in these forward-looking statements. Many of the factors that will determine these items are beyond our ability to control or predict. For these statements, we claim the protection of the safe harbor for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995. You are cautioned not to place undue reliance on our forward-looking statements, which speak only as of the date of this prospectus or, if applicable, the date of the applicable document incorporated by reference.

All subsequent written and oral forward-looking statements attributable to us or any person acting on our behalf are expressly qualified in their entirety by the cautionary statements contained or referred to in this section. We do not undertake any obligation to release publicly any revisions to our forward-looking statements to reflect events or circumstances after the date of this prospectus or to reflect the occurrence of unanticipated events. For more information on the uncertainty of forward-looking statements, see “Risk Factors” in this prospectus.

RISK FACTORS

An investment in our common shares involves risks. You should carefully consider, among other factors, the matters described below before deciding to purchase our common shares.

Real Estate Investments’ Value and Income Fluctuate Due to Various Factors.

The value of real estate fluctuates depending on conditions in the general economy and the real estate business. These conditions may also limit our revenues and available cash.

The factors that affect the value of our real estate include, among other things:

- national, regional and local economic conditions;
- consequences of any armed conflict involving, or terrorist attack against, the United States;
- our ability to secure adequate insurance;
- local conditions such as an oversupply of space or a reduction in demand for real estate in the area;
- competition from other available space;
- whether tenants consider a property attractive;

Table of Contents

- the financial condition of our tenants, including the extent of tenant bankruptcies or defaults;
- whether we are able to pass some or all of any increased operating costs through to tenants;
- how well we manage our properties;
- fluctuations in interest rates;
- changes in real estate taxes and other expenses;
- changes in market rental rates;
- the timing and costs associated with property improvements and rentals;
- changes in taxation or zoning laws;
- government regulation;
- availability of financing on acceptable terms or at all;
- potential liability under environmental or other laws or regulations; and
- general competitive factors.

The rents we receive and the occupancy levels at our properties may decline as a result of adverse changes in any of these factors. If our rental revenues decline, we generally would expect to have less cash available to pay our indebtedness and distribute to our shareholders. In addition, some of our major expenses, including mortgage payments, real estate taxes and maintenance costs, generally do not decline when the related rents decline.

We depend on leasing space to tenants on economically favorable terms and collecting rent from our tenants, who may not be able to pay.

Our financial results depend on leasing space in our properties to tenants on economically favorable terms. In addition, because substantially all of our income comes from renting of real property, our income, funds available to pay indebtedness and funds available for distribution to our shareholders will decrease if a significant number of our tenants cannot pay their rent. If a tenant does not pay its rent, we might not be able to enforce our rights as landlord without delays and might incur substantial legal costs. For information regarding the bankruptcy of our tenants, see “—Bankruptcy or insolvency of tenants may decrease our revenues and available cash” below.

Bankruptcy or insolvency of tenants may decrease our revenues and available cash.

A number of companies, including some of our tenants, have declared bankruptcy in recent years, and other tenants may declare bankruptcy or become insolvent in the future. If a major tenant declares bankruptcy or becomes insolvent, the rental property where it leases space may have lower revenues and operational difficulties, and, in the case of our shopping centers, we may have difficulty leasing the remainder of the affected property. Our leases generally do not contain restrictions designed to ensure the creditworthiness of our tenants. As a result, the bankruptcy or insolvency of a major tenant could result in a lower level of funds from operations available for distribution to our shareholders or the payment of our indebtedness.

In February 2003, Koninklijke Ahold NV, parent of Stop & Shop, announced that it overstated its 2002 and 2001 earnings by at least \$500 million and is under investigation by the U.S. Justice Department and Securities and Exchange Commission. We cannot predict what effect, if any, this situation may have on Stop & Shop’s ability to satisfy its obligation under the Bradlees guarantees and rent for existing Stop & Shop leases aggregating approximately \$10.5 million per annum.

Table of Contents

The risk that some of our tenants may declare bankruptcy has been higher because of the September 11, 2001 terrorist attacks and the resulting decline in the economy. If there is not a sustained recovery of the economy, this risk may increase.

Real estate is a competitive business.

Our business segments – Office, Retail, Merchandise Mart Properties, Temperature Controlled Logistics, and Other operate in highly competitive environments. We have a large concentration of properties in the New York City metropolitan area and in the Washington, D.C. and Northern Virginia area. We compete with a large number of real estate property owners and developers. Principal factors of competition are rent charged, attractiveness of location, the quality of the property and breadth and quality of services provided. Our success depends upon, among other factors, trends of the national and local economies, financial condition and operating results of current and prospective tenants and customers, availability and cost of capital, construction and renovation costs, taxes, governmental regulations, legislation and population trends.

We may incur costs to comply with environmental laws.

Our operations and properties are subject to various federal, state and local laws and regulations concerning the protection of the environment including air and water quality, hazardous or toxic substances and health and safety. Under certain of these environmental laws a current or previous owner or operator of real estate may be required to investigate and clean up hazardous or toxic substances released at a property. The owner or operator may also be held liable to a governmental entity or to third parties for property damage or personal injuries and for investigation and clean-up costs incurred by those parties because of the contamination. These laws often impose liability without regard to whether the owner or operator knew of the release of the substances or caused the release. The presence of contamination or the failure to remediate contamination may impair our ability to sell or lease real estate or to borrow using the real estate as collateral. Other laws and regulations govern indoor and outdoor air quality including those that can require the abatement or removal of asbestos-containing materials in the event of damage, demolition, renovation or remodeling and also govern emissions of and exposure to asbestos fibers in the air. The maintenance and removal of lead paint and certain electrical equipment containing polychlorinated biphenyls (PCBs) and underground storage tanks are also regulated by federal and state laws. We could incur fines for environmental compliance and be held liable for the costs of remedial action with respect to the foregoing regulated substances or tanks or related claims arising out of environmental contamination or exposure at or from our properties.

Each of our properties has been subjected to varying degrees of environmental assessment at various times. The environmental assessments did not reveal any environmental condition material to our business. However, identification of new compliance concerns or undiscovered areas of contamination, changes in the extent or known scope of contamination, discovery of additional sites, human exposure to the contamination or changes in cleanup or compliance requirements could result in significant costs to us.

Some of our potential losses may not be covered by insurance.

We carry comprehensive liability and all risk property insurance ((i) fire, (ii) flood, (iii) extended coverage, (iv) "acts of terrorism" as defined in the Terrorism Risk Insurance Act of 2002 which expires in 2004 with a possible extension through 2005 and (v) rental loss insurance) with respect to our assets. Below is a summary of the all risk property insurance and terrorism risk insurance for each of our business segments:

	Coverage Per Occurrence	
	All Risk(1)	Sub-limits for Acts of Terrorism
New York Office	\$1,400,000,000	\$750,000,000
CESCR Office	\$1,400,000,000	\$750,000,000
Retail	\$ 500,000,000	\$500,000,000
Merchandise Mart	\$1,400,000,000	\$750,000,000
Temperature Controlled Logistics	\$ 225,000,000	\$225,000,000

(1) Limited as to terrorism insurance by the sub-limit shown in the adjacent column.

Table of Contents

In addition to the coverage above, we carry lesser amounts of coverage for terrorist acts not covered by the Terrorism Risk Insurance Act of 2002. We are at risk of loss for losses in excess of these limits, which losses could be material.

Our debt instruments, consisting of mortgage loans secured by our properties (which are generally non-recourse to us), Vornado Realty L.P.'s senior unsecured notes due 2007, 2009 and 2010 and our revolving credit agreement, contain customary covenants requiring us to maintain insurance. Although we believe that we have adequate insurance coverage under these agreements, we may not be able to obtain an equivalent amount of coverage at reasonable costs in the future. Further, if lenders insist on greater coverage than we are able to obtain, it could adversely affect our ability to finance and/or refinance our properties and expand our portfolio.

Our Investments Are Concentrated in the New York City/New Jersey and Washington D.C. Metropolitan Areas. Circumstances Affecting These Areas Generally Could Adversely Affect Our Business.

A significant proportion of our properties are in the New York City/New Jersey and Washington, D.C. metropolitan areas and are affected by the economic cycles and risks inherent to those regions.

During 2003, 73% of income before discontinued operations, gains on sale of real estate and cumulative effect of change in accounting principle came from properties located in New Jersey and the New York City and Washington, D.C. metropolitan areas. In addition, we may continue to concentrate a significant portion of our future acquisitions in New Jersey and the New York City and Washington, D.C. metropolitan areas. Like other real estate markets, the real estate markets in these areas have experienced economic downturns in the past, and we cannot predict how the current economic conditions will impact these markets in both the short and long term. Further declines in the economy or a decline in the real estate markets in these areas could hurt our financial performance and the value of our properties. The factors affecting economic conditions in these regions include:

- space needs of the United States Government;
- business layoffs or downsizing;
- industry slowdowns;
- relocations of businesses;
- changing demographics;
- increased telecommuting and use of alternative work places;
- financial performance and productivity of the publishing, advertising, financial, technology, retail, insurance and real estate industries;
- infrastructure quality; and
- any oversupply of or reduced demand for real estate.

Table of Contents

It is impossible for us to assess the future effects of the current uncertain trends in the economic and investment climates of the New York City/New Jersey and Washington, D.C. regions, and more generally of the United States, or the real estate markets in these areas. If these conditions persist or if any local, national or global economic recovery is of a short term, businesses and future profitability may be adversely affected.

Terrorist attacks such as those of September 11, 2001 in New York City and the Washington, D.C. area may adversely affect the value of our properties and our ability to generate cash flow.

We have significant investments in large metropolitan areas, including the New York/New Jersey, Washington, D.C. and Chicago metropolitan areas. In the aftermath of the terrorist attacks, tenants in these areas may choose to relocate their business to less populated, lower-profile areas of the United States that may be perceived to be less likely targets of future terrorist activity. This in turn would trigger a decrease in the demand for space in these areas, which could increase vacancies in our properties and force us to lease our properties on less favorable terms. As a result, the value of our properties and the level of our revenues could decline materially.

We May Acquire or Sell Additional Assets or Develop Additional Properties. Our Failure or Inability to Consummate These Transactions or Manage the Results of These Transactions Could Adversely Affect Our Operations and Financial Results.

We have grown rapidly through acquisitions. We may not be able to maintain this rapid growth and our failure to do so could adversely affect our stock price.

We have experienced rapid growth in recent years, increasing our total assets from approximately \$565 million at December 31, 1996 to approximately \$9.8 billion at September 30, 2004. We may not be able to maintain a similar rate of growth in the future or manage our growth effectively. Our failure to do so may have a material adverse effect on our financial condition and results of operations and ability to pay dividends to our shareholders.

We may acquire or develop new properties and this may create risks.

We may acquire or develop properties or acquire other real estate companies when we believe that an acquisition or development is consistent with our business strategies. We may not, however, succeed in consummating desired acquisitions or in completing developments on time or within budget. We also may not succeed in leasing newly developed or acquired properties at rents sufficient to cover their costs of acquisition or development and operations. Difficulties in integrating acquisitions may prove costly or time-consuming and could divert management's attention.

It may be difficult to buy and sell real estate quickly.

Real estate investments are relatively difficult to buy and sell quickly. Consequently, we may have limited ability to vary our portfolio promptly in response to changes in economic or other conditions.

We may not be permitted to dispose of certain properties or pay down the debt associated with those properties when we might otherwise desire to do so without incurring additional costs.

As part of an acquisition of a property, including our January 1, 2002, acquisition of Charles E. Smith Commercial Realty L.P.'s 13.0 million square foot portfolio, we may agree, and in the case of Charles E. Smith Commercial Realty L.P. did agree, with the seller that we will not dispose of the acquired properties or reduce the mortgage indebtedness on them for significant periods of time unless we pay certain of the resulting tax costs of the seller. These agreements could result in our holding on to properties that we would otherwise sell and not pay down or refinance indebtedness that we would otherwise pay down or refinance.

On January 1, 2002, we completed the acquisition of the 66% interest in Charles E. Smith Commercial Realty L.P. that we did not previously own. The terms of the merger restrict our ability to sell or otherwise dispose of, or to finance or refinance, the properties formerly owned by Charles E. Smith

Table of Contents

Commercial Realty L.P., which could result in our inability to sell these properties at an opportune time and increased costs to us.

Subject to limited exceptions, we are restricted from selling or otherwise transferring or disposing of certain properties located in the Crystal City area of Arlington, Virginia or an interest in our division that manages the majority of our office properties in the Washington, D.C. metropolitan area, which we refer to as the CESC Division, for a period of 12 years with respect to certain properties located in the Crystal City area of Arlington, Virginia or six years with respect to an interest in the CESC Division. These restrictions, which currently cover approximately 13.0 million square feet of space, could result in our inability to sell these properties or an interest in the CESC Division at an opportune time and increase costs to us.

Our Organizational and Financial Structure Gives Rise to Operational and Financial Risks.

We May Not Be Able to Obtain Capital to Make Investments.

We depend primarily on external financing to fund the growth of our business. This is because one of the requirements of the Internal Revenue Code of 1986, as amended, for a REIT is that it distribute 90% of its net taxable income, excluding net capital gains, to its shareholders (there is a separate requirement to distribute net capital gains or pay a corporate level tax in lieu). Our access to debt or equity financing depends on the willingness of third parties to lend or make equity investments and on conditions in the capital markets generally. We and other companies in the real estate industry have experienced limited availability of financing from time to time. Although we believe that we will be able to finance any investments we may wish to make in the foreseeable future, new financing may not be available on acceptable terms.

For information about our available sources of funds, see “Management’s Discussion and Analysis of Financial Condition and Results of Operations — Liquidity and Capital Resources” in our annual report on Form 10-K for the year ended December 31, 2003 and quarterly report on Form 10-Q for the quarter ended September 30, 2004 and the notes to the consolidated financial statements in the same reports.

Vornado Realty Trust depends on its direct and indirect subsidiaries’ dividends and distributions, and these subsidiaries’ creditors and preferred security holders are entitled to payment of amounts payable to them by the subsidiaries before the subsidiaries may pay any dividends or distributions to Vornado Realty Trust.

Substantially all of Vornado Realty Trust’s assets are held through its Operating Partnership which holds substantially all of its properties and assets through subsidiaries. The Operating Partnership therefore depends for substantially all of its cash flow on cash distributions to it by its subsidiaries, and Vornado Realty Trust in turn depends for substantially all of its cash flow on cash distributions to it by the Operating Partnership. The creditors of each of Vornado Realty Trust’s direct and indirect subsidiaries are entitled to payment of that subsidiary’s obligations to them, when due and payable, before distributions may be made by that subsidiary to its equity holders. Thus, the Operating Partnership’s ability to make distributions to holders of units depends on its subsidiaries’ ability first to satisfy their obligations to their creditors and then to make distributions to the Operating Partnership. Likewise, Vornado Realty Trust’s ability to pay dividends to holders of common and preferred shares depends on the Operating Partnership’s ability first to satisfy its obligations to its creditors and make distributions payable to holders of preferred units and then to make distributions to Vornado Realty Trust.

Furthermore, the holders of preferred units of the Operating Partnership are entitled to receive preferred distributions before payment of distributions to holders of common units of the Operating Partnership, including Vornado Realty Trust. Thus, Vornado Realty Trust ability to pay dividends to holders of its shares and satisfy its debt obligations depends on the Operating Partnership’s ability first to satisfy its obligations to its creditors and make distributions payable to holders of preferred units and then to make distributions to Vornado Realty Trust. There are currently 15 series of preferred units of the Operating Partnership not held by Vornado Realty Trust that have preference over Vornado Realty Trust common shares. The total liquidation value of these 15 series of preferred units is approximately \$1,177,904,000.

Table of Contents

In addition, Vornado Realty Trust's participation in any distribution of the assets of any of its direct or indirect subsidiaries upon the liquidation, reorganization or insolvency of the subsidiary, is only after the claims of the creditors, including trade creditors, and preferred security holders, if any, of the subsidiary are satisfied.

We have indebtedness, and this indebtedness may increase.

As of September 30, 2004, we had approximately \$5.313 billion in total debt outstanding. Our ratio of total debt to total enterprise value was 35%. When we say "enterprise value" in the preceding sentence, we mean market equity value of Vornado Realty Trust plus debt less cash. In the future, we may incur additional debt, and thus increase our ratio of total debt to total enterprise value, to finance acquisitions or property developments.

Vornado Realty Trust might fail to qualify or remain qualified as a REIT.

Although we believe that we will remain organized and will continue to operate so as to qualify as a REIT for federal income tax purposes, we might fail to remain qualified in this way. Qualification as a REIT for federal income tax purposes is governed by highly technical and complex provisions of the Internal Revenue Code for which there are only limited judicial or administrative interpretations. Our qualification as a REIT also depends on various facts and circumstances that are not entirely within our control. In addition, legislation, new regulations, administrative interpretations or court decisions might significantly change the tax laws with respect to the requirements for qualification as a REIT or the federal income tax consequences of qualification as a REIT.

If, with respect to any taxable year, Vornado Realty Trust fails to maintain its qualification as a REIT and does not qualify under statutory relief provisions, it could not deduct distributions to shareholders in computing its taxable income and would have to pay federal income tax on its taxable income at regular corporate rates. The federal income tax payable would include any applicable alternative minimum tax. If Vornado Realty Trust had to pay federal income tax, the amount of money available to distribute to shareholders and pay its indebtedness would be reduced for the year or years involved, and Vornado Realty Trust would no longer be required to distribute money to shareholders. In addition, Vornado Realty Trust would also be disqualified from treatment as a REIT for the four taxable years following the year during which qualification was lost, unless it was entitled to relief under the relevant statutory provisions. Although Vornado Realty Trust currently intends to operate in a manner designed to allow it to qualify as a REIT, future economic, market, legal, tax or other considerations may cause it to revoke the REIT election.

Loss of our key personnel could harm our operations and adversely affect the value of our common shares.

We are dependent on the efforts of Steven Roth, the Chairman of the Board of Trustees and Chief Executive Officer of Vornado Realty Trust, and Michael D. Fascitelli, the President of Vornado Realty Trust. While we believe that we could find replacements for these key personnel, the loss of their services could harm our operations and adversely affect the value of our common shares.

Vornado Realty Trust's charter documents and applicable law may hinder any attempt to acquire us.

Generally, for Vornado Realty Trust to maintain its qualification as a REIT under the Internal Revenue Code, not more than 50% in value of the outstanding shares of beneficial interest of Vornado Realty Trust may be owned, directly or indirectly, by five or fewer individuals at any time during the last half of Vornado Realty Trust's taxable year. The Internal Revenue Code defines "individuals" for purposes of the requirement described in the preceding sentence to include some types of entities. Under Vornado Realty Trust's Amended and Restated Declaration of Trust, as amended, no person may own more than 6.7% of the outstanding common shares or 9.9% of the outstanding preferred shares, with some exceptions for persons who held common shares in excess of the 6.7% limit before Vornado Realty Trust adopted the limit and other persons approved by Vornado Realty Trust's Board of Trustees. These restrictions on transferability and ownership may delay, deter or prevent a change in control of Vornado Realty Trust or other transaction that might involve a premium price or otherwise be in the best interest of the shareholders. We refer to Vornado Realty Trust's Amended and Restated Declaration of Trust, as amended, as the "declaration of trust."

Table of Contents

Vornado Realty Trust's Board of Trustees is divided into three classes of trustees. Trustees of each class are chosen for three-year staggered terms. Staggered terms of trustees may reduce the possibility of a tender offer or an attempt to change control of Vornado Realty Trust, even though a tender offer or change in control might be in the best interest of Vornado Realty Trust's shareholders.

Vornado Realty Trust's declaration of trust authorizes the Board of Trustees to:

- cause Vornado Realty Trust to issue additional authorized but unissued common shares or preferred shares;
- classify or reclassify, in one or more series, any unissued preferred shares;
- set the preferences, rights and other terms of any classified or reclassified shares that Vornado Realty Trust issues; and
- increase, without shareholder approval, the number of shares of beneficial interest that Vornado Realty Trust may issue.

The Board of Trustees could establish a series of preferred shares whose terms could delay, deter or prevent a change in control of Vornado Realty Trust or other transaction that might involve a premium price or otherwise be in the best interest of Vornado Realty Trust's shareholders, although the Board of Trustees does not now intend to establish a series of preferred shares of this kind. Vornado Realty Trust's declaration of trust and bylaws contain other provisions that may delay, deter or prevent a change in control of Vornado Realty Trust or other transaction that might involve a premium price or otherwise be in the best interest of our shareholders.

Under the Maryland General Corporation Law, as amended, which we refer to as the "MGCL," as applicable to real estate investment trusts, certain "business combinations," including certain mergers, consolidations, share exchanges and asset transfers and certain issuances and reclassifications of equity securities, between a Maryland real estate investment trust and any person who beneficially owns ten percent or more of the voting power of the trust's shares or an affiliate or an associate, as defined in the MGCL, of the trust who, at any time within the two-year period before the date in question, was the beneficial owner of ten percent or more of the voting power of the then outstanding voting shares of beneficial interest of the trust, which we refer to as an "interested shareholder," or an affiliate of the interested shareholder are prohibited for five years after the most recent date on which the interested shareholder becomes an interested shareholder. After that five-year period, any business combination of these kinds must be recommended by the board of trustees of the trust and approved by the affirmative vote of at least (a) 80% of the votes entitled to be cast by holders of outstanding shares of beneficial interest of the trust and (b) two-thirds of the votes entitled to be cast by holders of voting shares of the trust other than shares held by the interested shareholder with whom, or with whose affiliate, the business combination is to be effected, unless, among other conditions, the trust's common shareholders receive a minimum price, as defined in the MGCL, for their shares and the consideration is received in cash or in the same form as previously paid by the interested shareholder for its common shares. The provisions of the MGCL do not apply, however, to business combinations that are approved or exempted by the board of trustees of the applicable trust before the interested shareholder becomes an interested shareholder, and a person is not an interested shareholder if the board of trustees approved in advance the transaction by which the person otherwise would have become an interested shareholder. In approving a transaction, the board may provide that its approval is subject to compliance, at or after the time of approval, with any terms and conditions determined by the board. Vornado Realty Trust's board has adopted a resolution exempting any business combination between any trustee or officer of Vornado Realty Trust, or their affiliates, and Vornado Realty Trust. As a result, the trustees and officers of Vornado Realty Trust and their affiliates may be able to enter into business combinations with Vornado Realty Trust which may not be in the best interest of shareholders. With respect to business combinations with other persons, the business combination provisions of the MGCL may have the effect of delaying, deferring or preventing a change in control of Vornado Realty Trust or other transaction that might involve a premium price or otherwise be in the best interest of the shareholders. The business combination statute may discourage others from trying to acquire control of Vornado Realty Trust and increase the difficulty of consummating any offer.

Our Ownership Structure and Related-Party Transactions May Give Rise to Conflicts of Interest.

Steven Roth and Interstate Properties may exercise substantial influence over us. They and some of our other trustees and officers have interests or positions in other entities that may compete with us.

As of September 30, 2004, Interstate Properties, a New Jersey general partnership, and its partners owned approximately 11.0% of the common shares of Vornado Realty Trust and approximately 27.4% of the common stock of Alexander's, Inc. and beneficially owned approximately 7.9% of the common stock of Vornado Operating (approximately 17.0% assuming redemption of 447,017 units of Vornado Operating L.P., the operating subsidiary of Vornado Operating, that are beneficially owned by Interstate Properties and redeemable for common stock of Vornado Operating). Steven Roth, David Mandelbaum and Russell B. Wight, Jr. are the three partners of Interstate Properties. Mr. Roth is the Chairman of the Board and Chief Executive Officer of Vornado Realty Trust, the managing general partner of Interstate Properties, the Chief Executive Officer and a director of Alexander's and the Chairman of the Board and Chief Executive Officer of Vornado Operating. Mr. Wight is a trustee of Vornado Realty Trust and is also a director of both Alexander's and Vornado Operating. Mr. Mandelbaum is a trustee of Vornado Realty Trust and is also a director of Alexander's.

As of September 30, 2004, we owned 33% of the outstanding common stock of Alexander's. Alexander's is a REIT engaged in leasing, managing, developing and redeveloping properties, focusing primarily on the locations where its department stores operated before they ceased operations in 1992. Alexander's has six properties, which are located in the New York City metropolitan area. Mr. Roth and Mr. Fascitelli, the President and a trustee of Vornado Realty Trust, are directors of Alexander's. Messrs. Mandelbaum, West and Wight are trustees of Vornado Realty Trust and are also directors of Alexander's.

Because of these overlapping interests, Mr. Roth and Interstate Properties and its partners may have substantial influence over Vornado Realty Trust, Alexander's and Vornado Operating and on the outcome of any matters submitted to Vornado Realty Trust, Alexander's or Vornado Operating's shareholders for approval. In addition, certain decisions concerning our operations or financial structure may present conflicts of interest among Messrs. Roth, Mandelbaum and Wight and Interstate Properties and our other equity or debt holders. In addition, Mr. Roth and Interstate Properties and its partners currently and may in the future engage in a wide variety of activities in the real estate business which may result in conflicts of interest with respect to matters affecting us, Alexander's or Vornado Operating, such as which of these entities or persons, if any, may take advantage of potential business opportunities, the business focus of these entities, the types of properties and geographic locations in which these entities make investments, potential competition between business activities conducted, or sought to be conducted, by us, Interstate Properties, Alexander's and Vornado Operating, competition for properties and tenants, possible corporate transactions such as acquisitions and other strategic decisions affecting the future of these entities.

Vornado Realty Trust currently manages and leases the real estate assets of Interstate Properties under a management agreement for which it receives an annual fee equal to 4% of base rent and percentage rent and certain other commissions. The management agreement has a term of one year and is automatically renewable unless terminated by either of the parties on 60 days' notice at the end of the term. Vornado Realty Trust earned \$703,000 and \$747,000 of management fees under the management agreement for the years ended December 31, 2003 and 2002 and \$568,000 for the nine months ended September 30, 2004. In addition, during fiscal years 2003 and 2002, as a result of a previously existing leasing arrangement with Alexander's, Alexander's paid to Interstate \$587,000 and \$703,000, respectively, for the leasing and other services actually rendered by Vornado Realty Trust. Upon receipt of these payments, Interstate promptly paid them over to Vornado Realty Trust without retaining any interest therein. This arrangement was terminated in 2003 and all payments by Alexander's for these leasing and other services are made directly to Vornado Realty Trust. Because Vornado Realty Trust and Interstate Properties are controlled by the same persons, as described above, the terms of the management agreement and any future agreements between Vornado Realty Trust and Interstate Properties may not be comparable to those Vornado Realty Trust could have negotiated with an unaffiliated third party.

Table of Contents

There may be conflicts of interest between Alexander's and us.

As of September 30, 2004, the Operating Partnership owned 33% of the outstanding common stock of Alexander's. Alexander's is a REIT engaged in leasing, managing, developing and redeveloping properties, focusing primarily on the locations where its department stores operated before they ceased operations in 1992. Alexander's has six properties. Interstate Properties, which is further described above, owned an additional 27.4% of the outstanding common stock of Alexander's as of September 30, 2004. Mr. Roth, Chairman of the Board and Chief Executive Officer of Vornado Realty Trust, is Chief Executive Officer and a director of Alexander's, and Mr. Fascitelli, President and a trustee of Vornado Realty Trust, is President and a director of Alexander's. Messrs. Mandelbaum, West and Wight, trustees of the Company, are also directors of Alexander's. Alexander's common stock is listed on the New York Stock Exchange under the symbol "ALX."

At September 30, 2004, the Operating Partnership had loans receivable from Alexander's of \$124,000,000 at an interest rate of 9.0%, including \$29,000,000 drawn under a \$50,000,000 line of credit. The maturity date of the loans is the earlier of January 3, 2006 or the date that Alexander's Lexington Avenue construction loan is repaid fully. In addition, at September 30, 2004 there was owed to Vornado Realty L.P., \$400,000,000 under a mortgage note due February 2014. The Operating Partnership manages, develops and leases the Alexander's properties under management and development agreements and leasing agreements under which the Operating Partnership receives annual fees from Alexander's. These agreements have a one-year term expiring in March of each year, except that the Lexington Avenue management and development agreements have a term lasting until substantial completion of development of the Lexington Avenue property, and are all automatically renewable. Because Vornado Realty Trust and Alexander's share common senior management and because a majority of the trustees of Vornado Realty Trust also constitute the majority of the directors of Alexander's, the terms of the foregoing agreements and any future agreements between us and Alexander's may not be comparable to those we could have negotiated with an unaffiliated third party.

For a description of Interstate Properties' ownership of Vornado Realty Trust, Vornado Operating and Alexander's, see "Steven Roth and Interstate Properties may exercise substantial influence over us. They and some of our other trustees and officers have interests or positions in other entities that may compete with us" above.

The Number of Shares of Vornado Realty Trust and the Market for Those Shares Give Rise to Various Risks.

Vornado Realty Trust has many shares available for future sale, which could hurt the market price of its shares.

As of September 30, 2004, we had authorized but unissued, 73,084,257 common shares of beneficial interest, \$.04 par value, and 57,072,396 preferred shares of beneficial interest, no par value. We may issue these additional shares from time to time in public or private offerings or in connection with acquisitions.

In addition, as of September 30, 2004, 19,291,000 Vornado Realty Trust common shares were reserved for issuance upon redemption of Operating Partnership units. Some of these shares may be sold in the public market after registration under the Securities Act under registration rights agreements between Vornado Realty Trust and some holders of units of the Operating Partnership. These shares may also be sold in the public market under Rule 144 under the Securities Act or other available exemptions from registration. In addition, Vornado Realty Trust has reserved a number of common shares for issuance under its employee benefit plans, and these common shares will be available for sale from time to time. Vornado Realty Trust has awarded shares of restricted stock and granted options to purchase additional common shares to some of its executive officers and employees.

We cannot predict the effect that future sales of our common shares, preferred shares or Operating Partnership Units, or the perception that sales of common shares, preferred or Operating Partnership Units could occur, will have on the market prices for Vornado Realty Trust's shares.

Changes in market conditions could hurt the market price of Vornado Realty Trust's shares.

The value of the Vornado Realty Trust's shares depends on various market conditions, which may change from time to time. Among the market conditions that may affect the value of the Vornado Realty Trust's shares are the following:

- the extent of institutional investor interest in us;
- the reputation of REITs generally and the attractiveness of their equity securities in comparison to other equity securities, including securities issued by other real estate companies, and fixed income securities;
- our financial condition and performance; and
- general financial market conditions.

The stock market in recent years has experienced extreme price and volume fluctuations that have often been unrelated or disproportionate to the operating performance of companies.

Increased market interest rates may hurt the value of Vornado Realty Trust's shares.

We believe that investors consider the distribution rate on REIT shares, expressed as a percentage of the price of the shares, relative to market interest rates as an important factor in deciding whether to buy or sell the shares. If market interest rates go up, prospective purchasers of REIT shares may expect a higher distribution rate. Higher interest rates would likely increase our borrowing costs and might decrease funds available for distribution. Thus, higher market interest rates could cause the market price of Vornado Realty Trust's shares to decline.

Registration Rights

Vornado has filed the Registration Statement pursuant to its obligations under (i) a Registration Rights Agreement, dated July 31, 2003, between Vornado and the Unit holders named therein, entered into in connection with the acquisition of the properties located at 2101 L Street in Washington, D.C. and (ii) a Registration Rights Agreement, dated October 7, 2003, between Vornado and the Unit holder named therein (collectively, the "Registration Rights Agreements"). Vornado is obligated to maintain the effectiveness of the Registration Statement until the date on which the Common Shares registered thereunder have been sold or otherwise transferred or the date on which the Common Shares have become eligible for sale pursuant to Rule 144(k) (or any similar provision then in force) under the Securities Act.

In addition, Vornado may require an undertaking reasonably satisfactory to it from the Selling Shareholders to indemnify and hold harmless Vornado, its trustees, officers who sign the Registration Statement, any person who controls Vornado, and any other holder of Common Shares that is included in the Registration Statement against any losses, claims, damages or liabilities arising under the securities laws with respect to written information furnished to Vornado by the Selling Shareholders for use in the Registration Statement or the Prospectus. Vornado may also agree to indemnify certain of the other Selling Shareholders against certain liabilities, including liabilities under the Securities Act of 1933.

DESCRIPTION OF COMMON SHARES

The following description of our common shares is only a summary of, and is qualified in its entirety by reference to, the provision governing the common shares contained in the declaration of trust and (b) the amended and restated bylaws, Copies of the declaration of trust and by-laws are exhibits to the registration statement of which this prospectus is a part. See “Available Information” for information about how to obtain copies of the declaration of trust and by-laws.

For Vornado Realty Trust to maintain its qualification as a REIT under the Internal Revenue Code, not more than 50% of the value of Vornado’s outstanding shares of beneficial interest may be owned, directly or indirectly, by five or fewer individuals, as defined in the Code to include certain entities, at any time during the last half of a taxable year and the shares of beneficial interest must be beneficially owned by 100 or more persons during at least 335 days of a taxable year of 12 months or during a proportionate part of a shorter taxable year. Accordingly, the declaration of trust contains provisions that restrict the ownership and transfer of shares of beneficial interest.

The declaration of trust authorizes the issuance of up to 540,000,000 shares, consisting of 200,000,000 common shares, \$.04 par value per share, 70,000,000 preferred shares of beneficial interest, no par value per share, and 270,000,000 excess shares of beneficial interest, \$.04 par value per share.

As of October 31, 2004, 324,704 Series A Preferred Shares, 4,600,000 Series C Preferred Shares, 1,600,000 Series D-10 Preferred Shares and 3,000,000 Series E Preferred Shares were outstanding. No Series D-1, Series D-2, Series D-3, Series D-4, Series D-5, Series D-6, Series D-7, Series D-8, Series D-9 or Series D-11 Preferred Shares were issued and outstanding as of October 31, 2004. Shares of each of these series may be issued in the future upon redemption of preferred units of limited partnership interest of Vornado Realty L.P. of a corresponding series that were issued and outstanding as of October 31, 2004. On November 17, 2004, the Company issued 6,000,000 Series F Preferred Shares.

Dividend and Voting Rights of Holders of Common Shares

The holders of Vornado common shares are entitled to receive dividends when, if and as authorized by the board of trustees and declared by Vornado out of assets legally available to pay dividends, if receipt of the dividends is in compliance with the provisions in the declaration of trust restricting the ownership and transfer of shares of beneficial interest. However, if any preferred shares are at the time outstanding, Vornado may only pay dividends or other distributions on common shares or purchase common shares if full cumulative dividends have been paid on outstanding preferred shares and there is no arrearage in any mandatory sinking fund on outstanding preferred shares. The terms of the series of preferred shares that are now issued and outstanding do not provide for any mandatory sinking fund.

The holders of common shares are entitled to one vote for each share on all matters on which shareholders are entitled to vote, including elections of trustees. There is no cumulative voting in the election of trustees, which means that the holders of a majority of the outstanding common shares can elect all of the trustees then standing for election. The holders of common shares do not have any conversion, redemption or preemptive rights to subscribe to any securities of Vornado. If Vornado is dissolved, liquidated or wound up, holders of common shares are entitled to share proportionally in any assets remaining after the prior rights of creditors, including holders of Vornado's indebtedness, and the aggregate liquidation preference of any preferred shares then outstanding are satisfied in full.

The common shares have equal dividend, distribution, liquidation and other rights and have no preference, appraisal or exchange rights. All outstanding common shares are, and any common shares offered by a prospectus supplement, upon issuance, will be, duly authorized, fully paid and non-assessable.

Restrictions on Ownership of Common Shares

The Common Shares Beneficial Ownership Limit

For Vornado to maintain its qualification as a REIT under the Internal Revenue Code, not more than 50% of the value of its outstanding shares of beneficial interest may be owned, directly or indirectly, by five or fewer individuals at any time during the last half of a taxable year and the shares of beneficial interest must be beneficially owned by 100 or more persons during at least 335 days of a taxable year of 12 months, or during a proportionate part of a shorter taxable year. The Internal Revenue Code defines "individuals" to include some entities for purposes of the preceding sentence. All references to a shareholder's ownership of common shares in this section " — The Common Shares Beneficial Ownership Limit" assume application of the applicable attribution rules of the Internal Revenue Code under which, for example, a shareholder is deemed to own shares owned by his or her spouse.

The declaration of trust contains a number of provisions that restrict the ownership and transfer of shares and are designed to safeguard Vornado against an inadvertent loss of its REIT status. These provisions also seek to deter non-negotiated acquisitions of, and proxy fights for, us by third parties. The declaration of trust contains a limitation that restricts, with some exceptions, shareholders from owning more than a specified percentage of the outstanding common shares. We call this percentage the "common shares beneficial ownership limit." The common shares beneficial ownership limit was initially set at 2.0% of the outstanding common shares. The board of trustees subsequently adopted a resolution raising the common shares beneficial ownership limit from 2.0% to 6.7% of the outstanding common shares and has the authority to grant exemptions from the common shares beneficial ownership limit. The shareholders who owned more than 6.7% of the common shares immediately after the merger of Vornado, Inc. into Vornado in May 1993 may continue to do so and may acquire additional common shares through stock option and similar plans or from other shareholders who owned more than 6.7% of the common shares immediately after that merger. However, common shares cannot be transferred if, as a result, more than 50% in value of the

Table of Contents

outstanding shares of Vornado would be owned by five or fewer individuals. While the shareholders who owned more than 6.7% of the common shares immediately after the merger of Vornado, Inc. into Vornado in May 1993 are not generally permitted to acquire additional common shares from any other source, these shareholders may acquire additional common shares from any source if Vornado issues additional common shares, up to the percentage held by them immediately before Vornado issues the additional shares.

Shareholders should be aware that events other than a purchase or other transfer of common shares can result in ownership, under the applicable attribution rules of the Internal Revenue Code, of common shares in excess of the common shares beneficial ownership limit. For instance, if two shareholders, each of whom owns 3.5% of the outstanding common shares, were to marry, then after their marriage both shareholders would be deemed to own 7.0% of the outstanding common shares, which is in excess of the common shares beneficial ownership limit. Similarly, if a shareholder who owns 4.9% of the outstanding common shares were to purchase a 50% interest in a corporation which owns 4.8% of the outstanding common shares, then the shareholder would be deemed to own 7.3% of the outstanding common shares. You should consult your own tax advisors concerning the application of the attribution rules of the Internal Revenue Code in your particular circumstances.

The Constructive Ownership Limit

Under the Internal Revenue Code, rental income received by a REIT from persons in which the REIT is treated, under the applicable attribution rules of the Code, as owning a 10% or greater interest does not constitute qualifying income for purposes of the income requirements that REITs must satisfy. For these purposes, a REIT is treated as owning any stock owned, under the applicable attribution rules of the Code, by a person that owns 10% or more of the value of the outstanding shares of the REIT. The attribution rules of the Code applicable for these purposes are different from those applicable with respect to the common shares beneficial ownership limit. All references to a shareholder's ownership of common shares in this section "— The Constructive Ownership Limit" assume application of the applicable attribution rules of the Code.

In order to ensure that rental income of Vornado will not be treated as nonqualifying income under the rule described in the preceding paragraph, and thus to ensure that Vornado will not inadvertently lose its REIT status as a result of the ownership of shares by a tenant, or a person that holds an interest in a tenant, the declaration of trust contains an ownership limit that restricts, with some exceptions, shareholders from owning more than 9.9% of the outstanding shares of any class. We refer to this 9.9% ownership limit as the "constructive ownership limit." The shareholders who owned shares in excess of the constructive ownership limit immediately after the merger of Vornado, Inc. into Vornado in May 1993 generally are not subject to the constructive ownership limit. The declaration of trust also contains restrictions that are designed to ensure that the shareholders who owned shares in excess of the constructive ownership limit immediately after the merger of Vornado, Inc. into Vornado in May 1993 will not, in the aggregate, own a large enough interest in a tenant or subtenant of the REIT to cause rental income received, directly or indirectly, by the REIT from that tenant or subtenant to be treated as nonqualifying income for purposes of the income requirements that REITs must satisfy. The restrictions described in the preceding sentence have an exception for tenants and subtenants from whom the REIT receives, directly or indirectly, rental income that is not in excess of a specified threshold.

Shareholders should be aware that events other than a purchase or other transfer of shares can result in ownership, under the applicable attribution rules of the Internal Revenue Code, of shares in excess of the constructive ownership limit. As the attribution rules that apply with respect to the constructive ownership limit differ from those that apply with respect to the common shares beneficial ownership limit, the events other than a purchase or other transfer of shares which can result in share ownership in excess of the constructive ownership limit can differ from those which can result in share ownership in excess of the common shares beneficial ownership limit. You should consult your own tax advisors concerning the application of the attribution rules of the Code in your particular circumstances.

Issuance of Excess Shares If the Ownership Limits Are Violated

The declaration of trust provides that a transfer of common shares that would otherwise result in ownership, under the applicable attribution rules of the Internal Revenue Code, of common shares in excess of the common shares beneficial ownership limit or the constructive ownership limit, or which would cause the shares of beneficial interest of Vornado to be beneficially owned by fewer than 100 persons, will have no effect and the purported transferee will acquire no rights or economic interest in the common shares. In addition, the declaration of trust provides that common shares that would otherwise be owned, under the applicable attribution rules of the Code, in excess of the common shares beneficial ownership limit or the constructive ownership limit will be automatically exchanged for excess shares. These excess shares will be transferred, by operation of law, to Vornado as trustee of a trust for the exclusive benefit of a beneficiary designated by the purported transferee or purported holder. While so held in trust, excess shares are not entitled to vote and are not entitled to participate in any dividends or distributions made by Vornado. Any dividends or distributions received by the purported transferee or other purported holder of the excess shares before Vornado discovers the automatic exchange for excess shares must be repaid to Vornado upon demand.

If the purported transferee or purported holder elects to designate a beneficiary of an interest in the trust with respect to the excess shares, he or she may designate only a person whose ownership of the shares will not violate the common shares beneficial ownership limit or the constructive ownership limit. When the designation is made, the excess shares will be automatically exchanged for common shares. The declaration of trust contains provisions designed to ensure that the purported transferee or other purported holder of the excess shares may not receive, in return for transferring an interest in the trust with respect to the excess shares, an amount that reflects any appreciation in the common shares for which the excess shares were exchanged during the period that the excess shares were outstanding but will bear the burden of any decline in value during that period. Any amount received by a purported transferee or other purported holder for designating a beneficiary in excess of the amount permitted to be received must be turned over to Vornado. The declaration of trust provides that Vornado, or its designee, may purchase any excess shares that have been automatically exchanged for common shares as a result of a purported transfer or other event. The price at which Vornado, or its designee, may purchase the excess shares will be equal to the lesser of:

- in the case of excess shares resulting from a purported transfer for value, the price per share in the purported transfer that resulted in the automatic exchange for excess shares, or in the case of excess shares resulting from some other event, the market price of the common shares exchanged on the date of the automatic exchange for excess shares; and
- the market price of the common shares exchanged for the excess shares on the date that Vornado accepts the deemed offer to sell the excess shares.

Vornado's right to buy the excess shares will exist for 90 days, beginning on the date that the automatic exchange for excess shares occurred or, if Vornado did not receive a notice concerning the purported transfer that resulted in the automatic exchange for excess shares, the date that the board of trustees determines in good faith that an exchange for excess shares has occurred.

Other Provisions Concerning the Restrictions on Ownership

Our board of trustees may exempt persons from the common shares beneficial ownership limit or the constructive ownership limit, including the limitations applicable to holders who owned in excess of 6.7% of the common shares immediately after the merger of Vornado, Inc. into Vornado in May 1993, if evidence satisfactory to the board of trustees is presented showing that the exemption will not jeopardize Vornado's status as a REIT under the Internal Revenue Code. No exemption to a person that is an individual for purposes of Section 542(a)(2) of the Internal Revenue Code, however, may permit the individual to have beneficial ownership in excess of 9.9% of the outstanding shares of the class. Before granting an exemption of this kind, the board of trustees may require a ruling from the IRS and/or an opinion of counsel satisfactory to it and/or representations and undertakings from the applicant with respect to preserving the REIT status of Vornado.

Table of Contents

The foregoing restrictions on transferability and ownership will not apply if the board of trustees determines that it is no longer in the best interests of Vornado to attempt to qualify, or to continue to qualify, as a REIT.

All persons who own, directly or by virtue of the applicable attribution rules of the Internal Revenue Code, more than 2.0% of the outstanding common shares must give a written notice to Vornado containing the information specified in the declaration of trust by January 31 of each year. In addition, each shareholder will be required to disclose to Vornado upon demand any information that Vornado may request, in good faith, to determine Vornado's status as a REIT or to comply with Treasury regulations promulgated under the REIT provisions of the Code.

The ownership restrictions described above may have the effect of precluding acquisition of control of Vornado unless the Vornado board determines that maintenance of REIT status is no longer in the best interests of Vornado.

Transfer Agent

The transfer agent for common shares is Wachovia Bank, N.A., Charlotte, North Carolina.

FEDERAL INCOME TAX CONSIDERATIONS

The following discussion summarizes the taxation of Vornado Realty Trust and the material Federal income tax consequences to holders of the common shares for your general information only. - traders in securities that elect to use a mark-to-market method of accounting for their securities holdings;
- banks;
- tax-exempt organizations;

- persons that hold securities that are a hedge, that are hedged against currency risks or that are part of a straddle or conversion transaction; and
- U.S. shareholders whose functional currency is not the U.S. dollar.

This summary is based on the Internal Revenue Code, its legislative history, existing and proposed regulations under the Internal Revenue Code, published rulings and court decisions. This summary describes the provisions of these sources of law only as they are currently in effect. All of these sources of law may change at any time, and any change in the law may apply retroactively.

Taxation of Vornado Realty Trust as a REIT

In the opinion of Sullivan & Cromwell LLP, commencing with its taxable year ended December 31, 1993, Vornado Realty Trust has been organized and operated in conformity with the requirements for qualification and taxation as a REIT under the Internal Revenue Code for taxable years ending prior to the date hereof, and Vornado Realty Trust's proposed method of operation will enable it to continue to meet the requirements for qualification and taxation as a REIT under the Internal Revenue Code for subsequent taxable years. Investors should be aware, however, that opinions of counsel are not binding upon the Internal Revenue Service or any court.

In providing its opinion, Sullivan & Cromwell LLP is relying,

- as to certain factual matters upon the statements and representations contained in certificates provided to Sullivan & Cromwell LLP by Vornado, Two Penn Plaza, REIT, Inc. and AmeriCold Realty Trust;
- without independent investigation, as to certain factual matters upon the statements and representations contained in the certificate provided to Sullivan & Cromwell LLP by Alexander's; and
- without independent investigation, upon the opinion of Shearman & Sterling LLP concerning the qualification of Alexander's as a REIT for each taxable year commencing with its taxable year ended December 31, 1995.

In providing its opinion regarding the qualification of Alexander's as a REIT for Federal income tax purposes, Shearman & Sterling LLP is relying, as to certain factual matters, upon representations received from Alexander's.

Vornado's qualification as a REIT will depend upon the continuing satisfaction by Vornado and, given Vornado's current ownership interest in Alexander's, AmeriCold and Two Penn, by Alexander's, AmeriCold and Two Penn, of the requirements of the Internal Revenue Code relating to qualification for REIT status. Some of these requirements depend upon actual operating results, distribution levels, diversity of stock ownership, asset composition, source of income and record keeping. Accordingly, while Vornado intends to continue to qualify to be taxed as a REIT, the actual results of Vornado's, Two Penn's, AmeriCold's or Alexander's operations for any particular year might not satisfy these requirements. Neither Sullivan & Cromwell LLP nor Shearman & Sterling LLP will monitor the compliance of Vornado, Two Penn, AmeriCold or Alexander's with the requirements for REIT qualification on an ongoing basis.

The sections of the Internal Revenue Code applicable to REITs are highly technical and complex. The following discussion summarizes material aspects of these sections of the Internal Revenue Code.

As a REIT, Vornado generally will not have to pay Federal corporate income taxes on its net income that it currently distributes to shareholders. This treatment substantially eliminates the "double taxation" at the corporate and shareholder levels that generally results from investment in a regular corporation.

However, Vornado will have to pay Federal income tax as follows:

- First, Vornado will have to pay tax at regular corporate rates on any undistributed real estate investment trust taxable income, including undistributed net capital gains.
- Second, under certain circumstances, Vornado may have to pay the alternative minimum tax on its items of tax preference.
- Third, if Vornado has (a) net income from the sale or other disposition of "foreclosure property", as defined in the Internal Revenue Code, which is held primarily for sale to customers in the ordinary course of business or (b) other non-qualifying income from foreclosure property, it will have to pay tax at the highest corporate rate on that income.

Table of Contents

- Fourth, if Vornado has net income from “prohibited transactions”, as defined in the Internal Revenue Code, Vornado will have to pay a 100% tax on that income. Prohibited transactions are, in general, certain sales or other dispositions of property, other than foreclosure property, held primarily for sale to customers in the ordinary course of business.
- Fifth, if Vornado should fail to satisfy the 75% gross income test or the 95% gross income test, as discussed below under “— Requirements for Qualification — Income Tests”, but has nonetheless maintained its qualification as a REIT because Vornado has satisfied some other requirements, it will have to pay a 100% tax on an amount equal to (a) the gross income attributable to the greater of (i) 75% of Vornado’s gross income over the amount of gross income that is qualifying income for purposes of the 75% test, and (ii) 95% of Vornado’s gross income (90% for taxable years ending before January 1, 2005) over the amount of gross income that is qualifying income for purposes of the 95% test, multiplied by (b) a fraction intended to reflect Vornado’s profitability.
- Sixth, if Vornado should fail to distribute during each calendar year at least the sum of (1) 85% of its real estate investment trust ordinary income for that year, (2) 95% of its real estate investment trust capital gain net income for that year and (3) any undistributed taxable income from prior periods, Vornado would have to pay a 4% excise tax on the excess of that required distribution over the amounts actually distributed.
- Seventh, if during the 10-year period beginning on the first day of the first taxable year for which Vornado qualified as a REIT, Vornado recognizes gain on the disposition of any asset held by Vornado as of the beginning of that period, then, to the extent of the excess of (a) fair market value of that asset as of the beginning of that period over (b) Vornado’s adjusted basis in that asset as of the beginning of that period, Vornado will have to pay tax on that gain at the highest regular corporate rate. We refer to the excess of fair market value over adjusted basis described in the preceding sentence as “built-in gain”.

Notwithstanding the taxation of built-in gain described in the preceding paragraph of this bullet point, Vornado will not have to pay tax on recognized built-in gain with respect to assets held as of the first day of the 10-year period beginning on the first day of the first taxable year for which Vornado qualified as a REIT, to the extent that the aggregate amount of that recognized built-in gain exceeds the net aggregate amount of Vornado’s unrealized built-in gain as of the first day of that period.
- Eighth, if Vornado acquires any asset from a C corporation in certain transactions in which Vornado must adopt the basis of the asset or any other property in the hands of the C corporation as the basis of the asset in the hands of Vornado, and Vornado recognizes gain on the disposition of that asset during the 10-year period beginning on the date on which Vornado acquired that asset, then Vornado will have to pay tax on the built-in gain at the highest regular corporate rate. A C corporation means generally a corporation that has to pay full corporate-level tax.
- Ninth, for taxable years beginning after December 31, 2000, if Vornado receives non-arm’s length income from a taxable REIT subsidiary (as defined under “— Requirements for Qualification — Asset Tests”), or as a result of services provided by a taxable REIT subsidiary to tenants of Vornado, Vornado will be subject to a 100% tax on the amount of Vornado’s non-arm’s length income.

Requirements for Qualification

The Internal Revenue Code defines a REIT as a corporation, trust or association

- which is managed by one or more trustees or directors;
- the beneficial ownership of which is evidenced by transferable shares, or by transferable certificates of beneficial interest;
- which would otherwise be taxable as a domestic corporation, but for Sections 856 through 859 of the Internal Revenue Code;

Table of Contents

- which is neither a financial institution nor an insurance company to which certain provisions of the Internal Revenue Code apply;
- the beneficial ownership of which is held by 100 or more persons;
- during the last half of each taxable year, not more than 50% in value of the outstanding stock of which is owned, directly or constructively, by five or fewer individuals, as defined in the Internal Revenue Code to include certain entities; and
- which meets certain other tests, described below, regarding the nature of its income and assets.

The Internal Revenue Code provides that the conditions described in the first through fourth bullet points above must be met during the entire taxable year and that the condition described in the fifth bullet point above must be met during at least 335 days of a taxable year of 12 months, or during a proportionate part of a taxable year of less than 12 months.

Vornado has satisfied the conditions described in the first through fifth bullet points of the preceding paragraph and believes that it has also satisfied the condition described in the sixth bullet point of the preceding paragraph. In addition, Vornado's declaration of trust provides for restrictions regarding the ownership and transfer of Vornado's shares of beneficial interest. These restrictions are intended to assist Vornado in continuing to satisfy the share ownership requirements described in the fifth and sixth bullet points of the preceding paragraph. The ownership and transfer restrictions pertaining to the common shares are described in this prospectus under the heading "Description of Common Shares — Restrictions on Ownership of Common Shares."

Vornado owns a number of wholly-owned corporate subsidiaries. Internal Revenue Code Section 856(i) provides that unless a REIT makes an election to treat the corporation as a taxable REIT subsidiary, a corporation which is a "qualified REIT subsidiary," as defined in the Internal Revenue Code, will not be treated as a separate corporation, and all assets, liabilities and items of income, deduction and credit of a qualified REIT subsidiary will be treated as assets, liabilities and items of these kinds of the REIT. Thus, in applying the requirements described in this section, Vornado's qualified REIT subsidiaries will be ignored, and all assets, liabilities and items of income, deduction and credit of these subsidiaries will be treated as assets, liabilities and items of these kinds of Vornado.

If a REIT is a partner in a partnership, Treasury regulations provide that the REIT will be deemed to own its proportionate share of the assets of the partnership and will be deemed to be entitled to the income of the partnership attributable to that share. In addition, the character of the assets and gross income of the partnership will retain the same character in the hands of the REIT for purposes of Section 856 of the Internal Revenue Code, including satisfying the gross income tests and the asset tests. Thus, Vornado's proportionate share of the assets, liabilities and items of income of any partnership in which Vornado is a partner, including the operating partnership, will be treated as assets, liabilities and items of income of Vornado for purposes of applying the requirements described in this section. Thus, actions taken by partnerships in which Vornado owns an interest, either directly or through one or more tiers of partnerships or qualified REIT subsidiaries, can affect Vornado's ability to satisfy the REIT income and assets tests and the determination of whether Vornado has net income from prohibited transactions. See the fourth bullet point on page 22 for a discussion of prohibited transactions.

Income Tests. In order to maintain its qualification as a REIT, Vornado annually must satisfy three gross income requirements.

- First, Vornado must derive at least 75% of its gross income, excluding gross income from prohibited transactions, for each taxable year directly or indirectly from investments relating to real property or mortgages on real property, including "rents from real property," as defined in the Internal Revenue Code, or from certain types of temporary investments. Rents from real property generally include expenses of Vornado that are paid or reimbursed by tenants.
- Second, at least 95% of Vornado's gross income, excluding gross income from prohibited transactions, for each taxable year must be derived from real property investments as described in the preceding bullet point, dividends, interest and gain from the sale or disposition of stock or securities, or from any combination of these types of source.

Table of Contents

- Third, for its taxable years before 1998, short-term gain from the sale or other disposition of stock or securities, gain from prohibited transactions and gain on the sale or other disposition of real property held for less than four years, apart from involuntary conversions and sales of foreclosure property, was required to represent less than 30% of Vornado's gross income, including gross income from prohibited transactions, for each of these taxable years.

Rents that Vornado receives will qualify as rents from real property in satisfying the gross income requirements for a REIT described above only if the rents satisfy several conditions.

- First, the amount of rent must not be based in whole or in part on the income or profits of any person. However, an amount received or accrued generally will not be excluded from rents from real property solely because it is based on a fixed percentage or percentages of receipts or sales.
- Second, the Internal Revenue Code provides that rents received from a tenant will not qualify as rents from real property in satisfying the gross income tests if the REIT, directly or under the applicable attribution rules, owns a 10% or greater interest in that tenant; except that for tax years beginning after December 31, 2000, rents received from a taxable REIT subsidiary under certain circumstances qualify as rents from real property even if Vornado owns more than a 10% interest in the subsidiary. We refer to a tenant in which Vornado owns a 10% or greater interest as a "related party tenant."
- Third, if rent attributable to personal property leased in connection with a lease of real property is greater than 15% of the total rent received under the lease, then the portion of rent attributable to the personal property will not qualify as rents from real property.
- Finally, for rents received to qualify as rents from real property, the REIT generally must not operate or manage the property or furnish or render services to the tenants of the property, other than through an independent contractor from whom the REIT derives no revenue or through a taxable REIT subsidiary. However, Vornado may directly perform certain services that landlords usually or customarily render when renting space for occupancy only or that are not considered rendered to the occupant of the property.

Vornado does not derive significant rents from related party tenants. Vornado also does not and will not derive rental income attributable to personal property, other than personal property leased in connection with the lease of real property, the amount of which is less than 15% of the total rent received under the lease.

Vornado directly performs services for some of its tenants. Vornado does not believe that the provision of these services will cause its gross income attributable to these tenants to fail to be treated as rents from real property. If Vornado were to provide services to a tenant that are other than those landlords usually or customarily provide when renting space for occupancy only, amounts received or accrued by Vornado for any of these services will not be treated as rents from real property for purposes of the REIT gross income tests. However, the amounts received or accrued for these services will not cause other amounts received with respect to the property to fail to be treated as rents from real property unless the amounts treated as received in respect of the services, together with amounts received for certain management services, exceed 1% of all amounts received or accrued by Vornado during the taxable year with respect to the property. If the sum of the amounts received in respect of the services to tenants and management services described in the preceding sentence exceeds the 1% threshold, then all amounts received or accrued by Vornado with respect to the property will not qualify as rents from real property, even if Vornado provides the impermissible services to some, but not all, of the tenants of the property.

The term "interest" generally does not include any amount received or accrued, directly or indirectly, if the determination of that amount depends in whole or in part on the income or profits of any person. However, an amount received or accrued generally will not be excluded from the term interest solely because it is based on a fixed percentage or percentages of receipts or sales.

Table of Contents

If Vornado fails to satisfy one or both of the 75% or 95% gross income tests for any taxable year, it may nevertheless qualify as a REIT for that year if it satisfies the requirements of other provisions of the Internal Revenue Code that allow relief from disqualification as a REIT. These relief provisions will generally be available if:

- Vornado's failure to meet the income tests was due to reasonable cause and not due to willful neglect; and
- Vornado files a schedule of each item of income in excess of the limitations described above in accordance with regulations to be prescribed by the Internal Revenue Service.

Vornado might not be entitled to the benefit of these relief provisions, however. As discussed in the fifth bullet point on page 22, even if these relief provisions apply, Vornado would have to pay a tax on the excess income.

Asset Tests. Vornado, at the close of each quarter of its taxable year, must also satisfy three tests relating to the nature of its assets.

- First, at least 75% of the value of Vornado's total assets must be represented by real estate assets, including (a) real estate assets held by Vornado's qualified REIT subsidiaries, Vornado's allocable share of real estate assets held by partnerships in which Vornado owns an interest and stock issued by another REIT, (b) for a period of one year from the date of Vornado's receipt of proceeds of an offering of its shares of beneficial interest or publicly offered debt with a term of at least five years, stock or debt instruments purchased with these proceeds and (c) cash, cash items and government securities.
- Second, not more than 25% of Vornado's total assets may be represented by securities other than those in the 75% asset class.
- Third, for taxable years beginning after December 31, 2000, not more than 20% of Vornado's total assets may constitute securities issued by taxable REIT subsidiaries and of the investments included in the 25% asset class, the value of any one issuer's securities, other than equity securities issued by another REIT or securities issued by a taxable REIT subsidiary, owned by Vornado may not exceed 5% of the value of Vornado's total assets. Moreover, Vornado may not own more than 10% of the vote or value of the outstanding securities of any one issuer, except for issuers that are REITs, qualified REIT subsidiaries or taxable REIT subsidiaries, or certain securities that qualify under a safe harbor provision of the Internal Revenue Code (such as so-called "straight debt" securities). For these purposes, a taxable REIT subsidiary is any corporation in which Vornado owns an interest that joins with Vornado in making an election to be treated as a "taxable REIT subsidiary" and certain subsidiaries of a taxable REIT subsidiary, if the subsidiaries do not engage in certain activities.
- Fourth, of the investments included in the 25% asset class, the value of any one issuer's securities, other than equity securities issued by another REIT or securities issued by a taxable REIT subsidiary, owned by Vornado may not exceed 5% of the value of Vornado's total assets and Vornado may not own more than 10% of any one issuer's outstanding voting securities.

The test described in the fourth bullet point above, and not that described in the third bullet point, will continue to apply for taxable years of Vornado that begin after December 31, 2000, only with respect to stock in any corporation owned by Vornado before July 12, 1999, so long as a taxable REIT subsidiary election is not made with respect to the corporation and the corporation does not acquire substantial new assets or engage in a substantial new line of business and certain other conditions are satisfied.

Since March 2, 1995, Vornado has owned more than 10% of the voting securities of Alexander's. Since April of 1997, Vornado's ownership of Alexander's has been through the operating partnership rather than direct. Vornado's ownership interest in Alexander's will not cause Vornado to fail to satisfy the asset tests for REIT status so long as Alexander's qualified as a REIT for each of the taxable years beginning with its taxable year ended December 31, 1995 and continues to so qualify. In the opinion of Shearman & Sterling LLP, commencing with

Table of Contents

Alexander's taxable year ended December 31, 1995, Alexander's has been organized and operated in conformity with the requirements for qualification and taxation as a REIT under the Internal Revenue Code, and its proposed method of operation will enable it to continue to meet the requirements for qualification and taxation as a REIT under the Internal Revenue Code. In providing its opinion, Shearman & Sterling LLP is relying upon representations received from Alexander's.

Since April of 1997, Vornado has also owned, through the operating partnership, more than 10% of the voting securities of Two Penn. Vornado's indirect ownership interest in Two Penn will not cause Vornado to fail to satisfy the asset tests for REIT status so long as Two Penn qualifies as a REIT for its first taxable year and each subsequent taxable year. Vornado believes that Two Penn will also qualify as a REIT.

For taxable years beginning after October 22, 2004, if Vornado owns more than 10% of the vote or value of the outstanding securities of any one issuer in any quarter, it will not be treated as in violation of the ownership limits described above if:

- Vornado corrects the violation within a designated period (whether by disposing of the non-qualifying assets or otherwise); and
- In cases where Vornado's excess ownership exceeds the lesser of 1% of its assets at the end of the quarter and \$10 million, the violation is due to reasonable cause and not willful neglect, Vornado provides a description of each non-qualifying asset under regulations to be prescribed by the Internal Revenue Service, and Vornado pays a tax equal to the greater of \$50,000 or the highest corporate tax rate multiplied by the net income generated by the non-qualifying assets.

Annual Distribution Requirements. Vornado, in order to qualify as a REIT, is required to distribute dividends, other than capital gain dividends, to its shareholders in an amount at least equal to (1) the sum of (a) 90% of Vornado's "real estate investment trust taxable income", computed without regard to the dividends paid deduction and Vornado's net capital gain, and (b) 90% of the net after-tax income, if any, from foreclosure property minus (2) the sum of certain items of non-cash income.

For taxable years beginning before January 1, 2001, the required amount of distributions described above and below was 95% of the amount of Vornado's income or gain, as the case may be.

In addition, if Vornado disposes of any asset within 10 years of acquiring it, Vornado will be required to distribute at least 90% of the after-tax built-in gain, if any, recognized on the disposition of the asset.

These distributions must be paid in the taxable year to which they relate, or in the following taxable year if declared before Vornado timely files its tax return for the year to which they relate and if paid on or before the first regular dividend payment after the declaration.

To the extent that Vornado does not distribute all of its net capital gain or distributes at least 90%, but less than 100%, of its real estate investment trust taxable income, as adjusted, it will have to pay tax on those amounts at regular ordinary and capital gain corporate tax rates. Furthermore, if Vornado fails to distribute during each calendar year at least the sum of (a) 85% of its ordinary income for that year, (b) 95% of its capital gain net income for that year and (c) any undistributed taxable income from prior periods, Vornado would have to pay a 4% excise tax on the excess of the required distribution over the amounts actually distributed.

Vornado intends to satisfy the annual distribution requirements.

From time to time, Vornado may not have sufficient cash or other liquid assets to meet the 90% distribution requirement due to timing differences between (a) when Vornado actually receives income and when it actually pays deductible expenses and (b) when Vornado includes the income and deducts the expenses in arriving at its taxable income. If timing differences of this kind occur, in order to meet the 90% distribution requirement, Vornado may find it necessary to arrange for short-term, or possibly long-term, borrowings or to pay dividends in the form of taxable stock dividends.

Under certain circumstances, Vornado may be able to rectify a failure to meet the distribution requirement for a year by paying "deficiency dividends" to shareholders in a later year, which may be included in Vornado's deduction for dividends paid for the earlier year. Thus, Vornado may be able to avoid being taxed on amounts distributed as deficiency dividends; however, Vornado will be required to pay interest based upon the amount of any deduction taken for deficiency dividends.

Failure to qualify as a REIT

For taxable years of Vornado beginning after October 22, 2004, if Vornado would otherwise fail to qualify as a REIT because of a violation of one of the requirements described above, its qualification as a REIT will not be terminated if the violation is due to reasonable cause and not willful neglect and Vornado pays a penalty tax of \$50,000 for the violation. The immediately preceding sentence does not apply to violations of the income tests described above or a violation of the limitation on ownership of more than 10% of the securities of any issuer, each of which have specific relief provisions that are described above.

If Vornado fails to qualify for taxation as a REIT in any taxable year, and the relief provisions do not apply, Vornado will have to pay tax, including any applicable alternative minimum tax, on its taxable income at regular corporate rates. Vornado will not be able to deduct distributions to shareholders in any year in which it fails to qualify, nor will Vornado be required to make distributions to shareholders. In this event, to the extent of current and

Table of Contents

accumulated earnings and profits, all distributions to shareholders will be taxable to the shareholders as dividend income (which may be subject to tax at preferential rates) and corporate distributees may be eligible for the dividends received deduction if they satisfy the relevant provisions of the Internal Revenue Code. Unless entitled to relief under specific statutory provisions, Vornado will also be disqualified from taxation as a REIT for the four taxable years following the year during which qualification was lost. Vornado might not be entitled to the statutory relief described in this paragraph in all circumstances.

Taxation of Holders of Common Shares

U.S. Shareholders

As used in this section, the term “U.S. shareholder” means a holder of common shares or preferred shares who, for United States Federal income tax purposes, is:

- a citizen or resident of the United States;
- a domestic corporation;
- an estate whose income is subject to United States Federal income taxation regardless of its source; or
- a trust if a United States court can exercise primary supervision over the trust’s administration and one or more United States persons have authority to control all substantial decisions of the trust.

As long as Vornado qualifies as a REIT, distributions made by Vornado out of its current or accumulated earnings and profits, and not designated as capital gain dividends, will constitute dividends taxable to its taxable U.S. shareholders as ordinary income. Under recently enacted law, individual U.S. shareholders will be entitled to the new lower rate on dividends only for the portion of any distribution equal to Vornado’s real estate investment trust taxable income (taking into account the dividends paid deduction available to Vornado) and realized built-in gains from Vornado’s previous taxable year less any taxes paid by Vornado on these items during Vornado’s previous taxable year. Individual U.S. shareholders should consult their own tax advisors to determine the impact of this new legislation. Distributions of this kind will not be eligible for the dividends received deduction in the case of U.S. shareholders that are corporations. Distributions made by Vornado that Vornado properly designates as capital gain dividends will be taxable to U.S. shareholders as gain from the sale of a capital asset held for more than one year, to the extent that they do not exceed Vornado’s actual net capital gain for the taxable year, without regard to the period for which a U.S. shareholder has held his shares. Thus, with certain limitations, capital gain dividends received by an individual U.S. shareholder may be eligible for preferential rates of taxation. U.S. shareholders that are corporations may, however, be required to treat up to 20% of certain capital gain dividends as ordinary income.

To the extent that Vornado makes distributions, not designated as capital gain dividends, in excess of its current and accumulated earnings and profits, these distributions will be treated first as a tax-free return of capital to each U.S. shareholder. Thus, these distributions will reduce the adjusted basis which the U.S. shareholder has in his shares for tax purposes by the amount of the distribution, but not below zero. Distributions in excess of a U.S. shareholder’s adjusted basis in his shares will be taxable as capital gains, provided that the shares have been held as a capital asset. For purposes of determining the portion of distributions on separate classes of shares that will be treated as dividends for Federal income tax purposes, current and accumulated earnings and profits will be allocated to distributions resulting from priority rights of preferred shares before being allocated to other distributions.

Dividends authorized by Vornado in October, November, or December of any year and payable to a shareholder of record on a specified date in any of these months will be treated as both paid by Vornado and received by the shareholder on December 31 of that year, provided that Vornado actually pays the dividend on or before January 31 of the following calendar year. Shareholders may not include in their own income tax returns any net operating losses or capital losses of Vornado.

U.S. shareholders holding shares at the close of Vornado’s taxable year will be required to include, in computing their long-term capital gains for the taxable year in which the last day of Vornado’s taxable year falls, the amount that Vornado designates in a written notice mailed to its shareholders. Vornado may not designate amounts

Table of Contents

in excess of Vornado's undistributed net capital gain for the taxable year. Each U.S. shareholder required to include the designated amount in determining the shareholder's long-term capital gains will be deemed to have paid, in the taxable year of the inclusion, the tax paid by Vornado in respect of the undistributed net capital gains. U.S. shareholders to whom these rules apply will be allowed a credit or a refund, as the case may be, for the tax they are deemed to have paid. U.S. shareholders will increase their basis in their shares by the difference between the amount of the includible gains and the tax deemed paid by the shareholder in respect of these gains.

Distributions made by Vornado and gain arising from a U.S. shareholder's sale or exchange of shares will not be treated as passive activity income. As a result, U.S. shareholders generally will not be able to apply any passive losses against that income or gain.

When a U.S. shareholder sells or otherwise disposes of shares, the shareholder will recognize gain or loss for Federal income tax purposes in an amount equal to the difference between (a) the amount of cash and the fair market value of any property received on the sale or other disposition, and (b) the holder's adjusted basis in the shares for tax purposes. This gain or loss will be capital gain or loss if the U.S. shareholder has held the shares as a capital asset. The gain or loss will be long-term gain or loss if the U.S. shareholder has held the shares for more than one year. Long-term capital gain of an individual U.S. shareholder is generally taxed at preferential rates. In general, any loss recognized by a U.S. shareholder when the shareholder sells or otherwise disposes of shares of Vornado that the shareholder has held for six months or less, after applying certain holding period rules, will be treated as a long-term capital loss, to the extent of distributions received by the shareholder from Vornado which were required to be treated as long-term capital gains.

Backup Withholding. Vornado will report to its U.S. shareholders and the IRS the amount of dividends paid during each calendar year, and the amount of tax withheld, if any. Under the backup withholding rules, backup withholding may apply to a shareholder with respect to dividends paid unless the holder (a) is a corporation or comes within certain other exempt categories and, when required, demonstrates this fact, or (b) provides a taxpayer identification number, certifies as to no loss of exemption from backup withholding, and otherwise complies with applicable requirements of the backup withholding rules. The IRS may also impose penalties on a U.S. shareholder that does not provide Vornado with his correct taxpayer identification number. A shareholder may credit any amount paid as backup withholding against the shareholder's income tax liability. In addition, Vornado may be required to withhold a portion of capital gain distributions to any shareholders who fail to certify their non-foreign status to Vornado.

Taxation of Tax-Exempt Shareholders. The IRS has ruled that amounts distributed as dividends by a REIT generally do not constitute unrelated business taxable income when received by a tax-exempt entity. Based on that ruling, provided that a tax-exempt shareholder is not one of the types of entity described in the next paragraph and has not held its shares as "debt financed property" within the meaning of the Internal Revenue Code, and the shares are not otherwise used in a trade or business, the dividend income from shares will not be unrelated business taxable income to a tax-exempt shareholder. Similarly, income from the sale of shares will not constitute unrelated business taxable income unless the tax-exempt shareholder has held the shares as "debt financed property" within the meaning of the Internal Revenue Code or has used the shares in a trade or business.

Income from an investment in Vornado's shares will constitute unrelated business taxable income for tax-exempt shareholders that are social clubs, voluntary employee benefit associations, supplemental unemployment benefit trusts, and qualified group legal services plans exempt from Federal income taxation under the applicable subsections of Section 501(c) of the Internal Revenue Code, unless the organization is able to properly deduct amounts set aside or placed in reserve for certain purposes so as to offset the income generated by its shares. Prospective investors of the types described in the preceding sentence should consult their own tax advisors concerning these "set aside" and reserve requirements.

Notwithstanding the foregoing, however, a portion of the dividends paid by a "pension-held REIT" will be treated as unrelated business taxable income to any trust which

- is described in Section 401(a) of the Internal Revenue Code;
- is tax-exempt under Section 501(a) of the Internal Revenue Code; and
- holds more than 10% (by value) of the equity interests in the REIT.

Table of Contents

Tax-exempt pension, profit-sharing and stock bonus funds that are described in Section 401(a) of the Internal Revenue Code are referred to below as “qualified trusts.” A REIT is a “pension-held REIT” if:

- it would not have qualified as a REIT but for the fact that Section 856(h)(3) of the Internal Revenue Code provides that stock owned by qualified trusts will be treated, for purposes of the “not closely held” requirement, as owned by the beneficiaries of the trust (rather than by the trust itself); and
- either (a) at least one qualified trust holds more than 25% by value of the interests in the REIT or (b) one or more qualified trusts, each of which owns more than 10% by value of the interests in the REIT, hold in the aggregate more than 50% by value of the interests in the REIT.

The percentage of any REIT dividend treated as unrelated business taxable income to a qualifying trust is equal to the ratio of (a) the gross income of the REIT from unrelated trades or businesses, determined as though the REIT were a qualified trust, less direct expenses related to this gross income, to (b) the total gross income of the REIT, less direct expenses related to the total gross income. A de minimis exception applies where this percentage is less than 5% for any year. Vornado does not expect to be classified as a pension-held REIT.

The rules described above under the heading “U.S. shareholders” concerning the inclusion of Vornado’s designated undistributed net capital gains in the income of its shareholders will apply to tax-exempt entities. Thus, tax-exempt entities will be allowed a credit or refund of the tax deemed paid by these entities in respect of the includible gains.

Non-U.S. Shareholders

The rules governing U.S. Federal income taxation of nonresident alien individuals, foreign corporations, foreign partnerships and estates or trusts that in either case are not subject to United States Federal income tax on a net income basis who own common shares or preferred shares, which we call “non-U.S. shareholders”, are complex. The following discussion is only a limited summary of these rules. Prospective non-U.S. shareholders should consult with their own tax advisors to determine the impact of U.S. Federal, state and local income tax laws with regard to an investment in common shares or preferred shares, including any reporting requirements.

Ordinary Dividends. Distributions, other than distributions that are treated as attributable to gain from sales or exchanges by Vornado of U.S. real property interests, as discussed below, and other than distributions designated by Vornado as capital gain dividends, will be treated as ordinary income to the extent that they are made out of current or accumulated earnings and profits of Vornado. A withholding tax equal to 30% of the gross amount of the distribution will ordinarily apply to distributions of this kind to non-U.S. shareholders, unless an applicable tax treaty reduces that tax. However, if income from the investment in the shares is treated as effectively connected with the non-U.S. shareholder’s conduct of a U.S. trade or business or is attributable to a permanent establishment that the non-U.S. shareholder maintains in the United States if that is required by an applicable income tax treaty as a condition for subjecting the non-U.S. shareholder to U.S. taxation on a net income basis, tax at graduated rates will generally apply to the non-U.S. shareholder in the same manner as U.S. shareholders are taxed with respect to dividends, and the 30% branch profits tax may also apply if the shareholder is a foreign corporation. Vornado expects to withhold U.S. tax at the rate of 30% on the gross amount of any dividends, other than dividends treated as attributable to gain from sales or exchanges of U.S. real property interests and capital gain dividends, paid to a non-U.S. shareholder, unless (a) a lower treaty rate applies and the required form evidencing eligibility for that reduced rate is filed with Vornado or the appropriate withholding agent or (b) the non-U.S. shareholder files an IRS Form W-8 ECI or a successor form with Vornado or the appropriate withholding agent claiming that the distributions are effectively connected with the non-U.S. shareholder’s conduct of a U.S. trade or business.

Distributions to a non-U.S. shareholder that are designated by Vornado at the time of distribution as capital gain dividends which are not attributable to or treated as attributable to the disposition by Vornado of a U.S. real property interest generally will not be subject to U.S. Federal income taxation, except as described below.

Table of Contents

Return of Capital. Distributions in excess of Vornado's current and accumulated earnings and profits, which are not treated as attributable to the gain from Vornado's disposition of a U.S. real property interest, will not be taxable to a non-U.S. shareholder to the extent that they do not exceed the adjusted basis of the non-U.S. shareholder's shares. Distributions of this kind will instead reduce the adjusted basis of the shares. To the extent that distributions of this kind exceed the adjusted basis of a non-U.S. shareholder's shares, they will give rise to tax liability if the non-U.S. shareholder otherwise would have to pay tax on any gain from the sale or disposition of its shares, as described below. If it cannot be determined at the time a distribution is made whether the distribution will be in excess of current and accumulated earnings and profits, withholding will apply to the distribution at the rate applicable to dividends. However, the non-U.S. shareholder may seek a refund of these amounts from the IRS if it is subsequently determined that the distribution was, in fact, in excess of current accumulated earnings and profits of Vornado.

Capital Gain Dividends. For any year in which Vornado qualifies as a REIT, distributions that are attributable to gain from sales or exchanges by Vornado of U.S. real property interests will be taxed to a non-U.S. shareholder under the provisions of the Foreign Investment in Real Property Tax Act of 1980, as amended. Under this statute, these distributions are taxed to a non-U.S. shareholder as if the gain were effectively connected with a U.S. business. Thus, non-U.S. shareholders will be taxed on the distributions at the normal capital gain rates applicable to U.S. shareholders, subject to any applicable alternative minimum tax and special alternative minimum tax in the case of individuals. Vornado is required by applicable Treasury regulations under this statute to withhold 35% of any distribution that Vornado could designate as a capital gain dividend. However, if Vornado designates as a capital gain dividend a distribution made before the day Vornado actually effects the designation, then although the distribution may be taxable to a non-U.S. shareholder, withholding does not apply to the distribution under this statute. Rather, Vornado must effect the 35% withholding from distributions made on and after the date of the designation, until the distributions so withheld equal the amount of the prior distribution designated as a capital gain dividend. The non-U.S. shareholder may credit the amount withheld against its U.S. tax liability.

For taxable years of Vornado beginning after October 22, 2004, the rules described in the preceding paragraph generally do not apply, however, to capital gain dividends received with respect to a class of Vornado's stock that is regularly traded on an established securities market located in the United States if the non-U.S. shareholder does not own more than 5% of that class of stock, and capital gain dividends will be treated the same as ordinary distributions. Vornado believes its common shares will be treated as regularly traded for this purpose.

Sales of Shares. Gain recognized by a non-U.S. shareholder upon a sale or exchange of common shares generally will not be taxed under the Foreign Investment in Real Property Tax Act if Vornado is a "domestically controlled REIT", defined generally as a REIT, less than 50% in value of whose stock is and was held directly or indirectly by foreign persons at all times during a specified testing period. Vornado believes that it is and will continue to be a domestically controlled REIT, and, therefore, that taxation under this statute generally will not apply to the sale of Vornado shares. However, gain to which this statute does not apply will be taxable to a non-U.S. shareholder if investment in the shares is treated as effectively connected with the non-U.S. shareholder's U.S. trade or business or is attributable to a permanent establishment that the non-U.S. shareholder maintains in the United States if that is required by an applicable income tax treaty as a condition for subjecting the non-U.S. shareholder to U.S. taxation on a net income basis. In this case, the same treatment will apply to the non-U.S. shareholder as to U.S. shareholders with respect to the gain. In addition, gain to which the Foreign Investment in Real Property Tax Act does not apply will be taxable to a non-U.S. shareholder if the non-U.S. shareholder is a nonresident alien individual who was present in the United States for 183 days or more during the taxable year and has a "tax home" in the United States, or maintains an office or a fixed place of business in the United States to which the gain is attributable. In this case, a 30% tax will apply to the nonresident alien individual's capital gains. A similar rule will apply to capital gain dividends to which this statute does not apply.

If Vornado were not a domestically controlled REIT, tax under the Foreign Investment in Real Property Tax Act would apply to a non-U.S. shareholder's sale of shares only if the selling non-U.S. shareholder owned more than 5% of the class of shares sold at any time during a specified period. This period is generally the shorter of the period that the non-U.S. shareholder owned the shares sold or the five-year period ending on the date when the shareholder disposed of the shares. If tax under this statute applies to the gain on the sale of shares, the same treatment would apply to the non-U.S. shareholder as to U.S. shareholders with respect to the gain, subject to any applicable alternative minimum tax and a special alternative minimum tax in the case of nonresident alien individuals.

Federal estate taxes

Common shares or preferred shares held by a non-U.S. shareholder at the time of death will be included in the shareholder's gross estate for United States federal estate tax purposes, unless an applicable estate tax treaty provides otherwise.

Backup Withholding and Information Reporting

If you are a non-U.S. shareholder, you are generally exempt from backup withholding and information reporting requirements with respect to:

- dividend payments and
- the payment of the proceeds from the sale of common shares effected at a United States office of a broker,

as long as the income associated with these payments is otherwise exempt from United States federal income tax, and:

- the payor or broker does not have actual knowledge or reason to know that you are a United States person and you have furnished to the payor or broker:
 - a valid Internal Revenue Service Form W-8BEN or an acceptable substitute form upon which you certify, under penalties of perjury, that you are a non-United States person, or
 - other documentation upon which it may rely to treat the payments as made to a non-United States person in accordance with U.S. Treasury regulations, or
- you otherwise establish an exemption.

Payment of the proceeds from the sale of common shares effected at a foreign office of a broker generally will not be subject to information reporting or backup withholding. However, a sale of common shares or preferred shares that is effected at a foreign office of a broker will be subject to information reporting and backup withholding if:

- the proceeds are transferred to an account maintained by you in the United States,
- the payment of proceeds or the confirmation of the sale is mailed to you at a United States address, or
- the sale has some other specified connection with the United States as provided in U.S. Treasury regulations,

unless the broker does not have actual knowledge or reason to know that you are a United States person and the documentation requirements described above are met or you otherwise establish an exemption.

In addition, a sale of common shares will be subject to information reporting if it is effected at a foreign office of a broker that is:

- a United States person,
- a controlled foreign corporation for United States tax purposes,
- a foreign person 50% or more of whose gross income is effectively connected with the conduct of a United States trade or business for a specified three-year period, or

Table of Contents

- a foreign partnership, if at any time during its tax year:
 - one or more of its partners are “U.S. persons”, as defined in U.S. Treasury regulations, who in the aggregate hold more than 50% of the income or capital interest in the partnership, or
 - such foreign partnership is engaged in the conduct of a United States trade or business,

unless the broker does not have actual knowledge or reason to know that you are a United States person and the documentation requirements described above are met or you otherwise establish an exemption. Backup withholding will apply if the sale is subject to information reporting and the broker has actual knowledge that you are a United States person.

You generally may obtain a refund of any amounts withheld under the backup withholding rules that exceed your income tax liability by filing a refund claim with the Internal Revenue Service.

Other tax consequences

State or local taxation may apply to Vornado and its shareholders in various state or local jurisdictions, including those in which it or they transact business or reside. The state and local tax treatment of Vornado and its shareholders may not conform to the Federal income tax consequences discussed above. Consequently, prospective shareholders should consult their own tax advisors regarding the effect of state and local tax laws on an investment in Vornado.

The Maryland REIT Law ("MRL") permits a Maryland real estate investment trust to include in its declaration of trust a provision limiting the liability of its trustees and officers to the trust and its shareholders for money damages except for liability resulting from (i) actual receipt of an improper benefit or profit in money, property or services or (ii) active and deliberate dishonesty established by a final judgment and which is material to the cause of action. Vornado Realty Trust's Declaration of Trust includes such a provision eliminating such liability to the maximum extent permitted by the MRL.

Vornado Realty Trust's Declaration of Trust authorizes it to indemnify, and to pay or reimburse reasonable expenses to, as such expenses are incurred by, each trustee or officer (including any person who, while a trustee of Vornado Realty Trust, is or was serving at the request of Vornado Realty Trust as a director, officer, partner, trustee, employee or agent of another foreign or domestic corporation, partnership, joint venture, trust, other enterprise or employee benefit plan) from all claims and liabilities to which such person may become subject by reason of his being or having been a trustee, officer, employee or agent.

Vornado Realty Trust's Bylaws require it to indemnify (a) any trustee or officer or any former trustee or officer (including and without limitation, any individual who, while a trustee or officer and at the request of Vornado Realty Trust, serves or has served another corporation, partnership, joint venture, trust, employee benefit plan or any other enterprise as a director, officer, partner or trustee of such corporation, partnership, joint venture, trust, employee benefit plan or other enterprise) who has been successful, on the merits or otherwise, in the defense of a proceeding to which he was made a party by reason of such status, against reasonable expenses incurred by him in connection with the proceeding and (b) any present or former trustee or officer against any claim or liability to which he may become subject by reason of such status unless it is established that (i) his act or omission was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty, (ii) he actually received an improper personal benefit in money, property or services or (iii) in the case of a criminal proceeding, he had reasonable cause to believe that his act or omission was unlawful. In addition, Vornado Realty Trust's Bylaws require it to pay or reimburse, in advance of final disposition of a proceeding, reasonable expenses incurred by a present or former trustee or officer made a party to a proceeding by reason of such status upon Vornado Realty Trust's receipt of (i) a written affirmation by the trustee or officer of his good faith belief that he has met the applicable standard of conduct necessary for indemnification by Vornado Realty Trust and (ii) a written undertaking by him or on his behalf to repay the amount paid or reimbursed by Vornado Realty Trust if it shall ultimately be determined that the applicable standard of conduct was not met. Vornado Realty Trust's Bylaws also (i) permit Vornado Realty Trust to provide indemnification and payment or reimbursement of expenses to a present or former trustee or officer who served a predecessor of Vornado Realty Trust in such capacity and to any employee or agent of Vornado Realty Trust or a predecessor of Vornado Realty Trust, (ii) provide that any indemnification or payment or reimbursement of the expenses permitted by the Bylaws

shall be furnished in accordance with the procedures provided for indemnification or payment or reimbursement of expenses, as the case may be, under Section 2-418 of the Maryland General Corporation Law (the “MGCL”) for directors of Maryland corporations and (iii) permit Vornado Realty Trust to provide such other and further indemnification or payment or reimbursement of expenses as may be permitted by the MGCL, as in effect from time to time, for directors of Maryland corporations.

The MRL permits a Maryland real estate investment trust to indemnify and advance expenses to its trustees, officers, employees and agents to the same extent as permitted by the MGCL for directors and officers of Maryland corporations. The MGCL permits a corporation to indemnify its present and former directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be made a party by reason of their service in those or other capacities unless it is established that (a) the act or omission of the director or officer was material to the matter giving rise to the proceeding and (i) was committed in bad faith or (ii) was the result of active and deliberate dishonesty, (b) the director or officer actually received an improper personal benefit in money, property or services or (c) in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful. However, under the MGCL, a Maryland corporation may not indemnify for an adverse judgment in a suit by or in the right of the corporation or for a judgment of liability on the basis that personal benefit was improperly received, unless in either case a court orders indemnification and then only for expenses. In addition, the MGCL permits a corporation to advance reasonable expenses to a director or officer upon the corporation’s receipt of (a) a written affirmation by the director or officer of his good faith belief that he has met the standard of conduct necessary for indemnification by the corporation and (b) a written undertaking by him or on his behalf to repay the amount paid or reimbursed by the corporation if it shall ultimately be determined that the standard of conduct was not met.

The Second Amended and Restated Agreement of Limited Partnership, dated as of October 20, 1997, as amended (the “Partnership Agreement”), of Vornado Realty L.P. provides, generally, for the indemnification of an “Indemnitee” against losses, claims, damages, liabilities, expenses (including, without limitation, attorneys’ fees and other legal fees and expenses), judgments, fines, settlements and other amounts that relate to the operations of Vornado Realty L.P. unless it is established that (i) the act or omission of the Indemnitee was material and either was committed in bad faith or pursuant to active and deliberate dishonesty, (ii) the Indemnitee actually received an improper personal benefit in money, property or services or (iii) in the case of any criminal proceeding, the Indemnitee had reasonable cause to believe that the act or omission was unlawful. For this purpose, the term “Indemnitee” includes (i) any person made a party to a proceeding by reason of its status as (A) the general partner of Vornado Realty L.P., (B) a limited partner of Vornado Realty L.P. or (C) an officer of Vornado Realty L.P. or a trustee, officer or shareholder of Vornado Realty Trust and (ii) such other persons (including affiliates of Vornado Realty Trust or Vornado Realty L.P.) as Vornado Realty Trust may designate from time to time in its discretion. Any such indemnification will be made only out of assets of Vornado Realty L.P., and in no event may an Indemnitee subject the limited partners of Vornado Realty L.P. to personal liability by reason of the indemnification provisions in the Partnership Agreement.

Pursuant to the Registration Rights Agreements, each of the Unit holders named therein agrees to indemnify Vornado, its Trustees and officers and each person, if any, who controls Vornado within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (i) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, arising out of or based upon any untrue statement or alleged untrue statement of a material fact contained in this Registration Statement (or any amendment thereto), or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading or arising out of or based upon any untrue statement or alleged untrue statement of a material fact contained in any Prospectus (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; (ii) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, if such settlement is effected with the written consent of such Unit holder; and (iii) against any and all expenses whatsoever, as incurred, reasonably incurred in investigating, preparing or defending against any litigation, or investigation or proceeding by any governmental agency or body, commenced or threatened, in each case whether or not a party, or any claim

whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission; provided, however, that such indemnity shall only apply with respect to any loss, liability, claim, damage or expense to the extent arising out of (A) any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to Vornado by such Unit holder expressly for use in this Registration Statement (or any amendment thereto) or any Prospectus (or any amendment or supplement thereto), or (with respect to certain of such indemnified Unit holders) (B) such Unit holder's failure to deliver an amended or supplemental prospectus if such loss, liability, claim, damage or expense would not have arisen had such delivery occurred. A Unit holder shall not be required to indemnify Vornado, its officers and Trustees or its control persons with respect to any amount in excess of the amount of the total proceeds to such Unit holder from sales of the Common Shares of such Unit holder under this Registration Statement, and no Unit holder shall be liable under the indemnification provision for any statements or omissions of any other Unit holder.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to officers, trustees or controlling persons of the registrant pursuant to the foregoing provisions or otherwise, Vornado Realty Trust and Vornado Realty L.P. have been advised that, in the opinion of the Securities and Exchange Commission, such indemnification is against public policy and, therefore, unenforceable. In addition, indemnification may be limited by state securities laws. Vornado Realty Trust and Vornado Realty L.P. have purchased liability insurance for the purpose of providing a source of funds to pay the indemnification described above.

Item 16. Exhibits.

See the Exhibit Index which is incorporated herein by reference.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertake:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement;

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Table of Contents

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) Each undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of such registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein by such registrant, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of their counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by them is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this Amendment No. 1 to the Registration Statement (No. 333-120384) to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Paramus, State of New Jersey, on this 2nd day of December 2004.

Re: Vornado Realty Trust
Registration Statement on Form S-3

Ladies and Gentlemen:

We have served as Maryland counsel to Vornado Realty Trust, a Maryland real estate investment trust (the "Company"), in connection with certain matters of Maryland law arising out of the registration of 1,148,740 shares (the "Shares") of the Company's Common Shares of Beneficial Interest, par value \$0.04 per share ("Common Shares"), covered by the above-referenced Registration Statement on Form S-3 and any amendments thereto (the "Registration Statement"), filed by the Company with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "1933 Act"). 303,446 Shares (the "Issued Shares") were issued upon redemption of Class A Units of Limited Partnership Interest ("Class A Units") in Vornado Realty, L.P., a Delaware limited partnership (the "Operating Partnership"), and the Company may elect to issue up to 845,294 Shares (the "Redemption Shares") upon redemption of additional Class A Units. The Shares may be sold by the selling shareholders named in the Registration Statement (collectively, the "Selling Stockholders") and are being registered on behalf of the Selling Shareholders pursuant to contractual registration rights.

In connection with our representation of the Company, and as a basis for the opinion hereinafter set forth, we have examined originals, or copies certified or otherwise identified to our satisfaction, of the following documents (hereinafter collectively referred to as the "Documents"):

1. The Registration Statement and the related form of prospectus included therein in the form in which it was transmitted to the Commission under the 1933 Act;

2. The Declaration of Trust of the Company (the "Declaration of Trust"), certified as of a recent date by the State Department of Assessments and Taxation of Maryland (the "SDAT");

3. The Bylaws of the Company, certified as of the date hereof by an officer of the Company;

4. Resolutions (the "Resolutions") adopted by the Board of Trustees of the Company, relating to the issuance and registration of the Shares, certified as of the date hereof by an officer of the Company;

5. The Agreement of Limited Partnership of the Operating Partnership (the "Partnership Agreement"), certified as of the date hereof by an officer of the Company;

6. A certificate of the SDAT as to the good standing of the Company, dated as of a recent date;

7. A certificate executed by an officer of the Company, dated as of the date hereof; and

8. Such other documents and matters as we have deemed necessary or appropriate to express the opinion set forth below, subject to the assumptions, limitations and qualifications stated herein.

In expressing the opinion set forth below, we have assumed the following:

Vornado Realty Trust,
888 Seventh Avenue,
New York, New York 10019.

Dear Sirs:

We have acted as your counsel in connection with the registration of 1,148,740 common shares, par value \$.04 per share, of Vornado Realty Trust ("Vornado") on the Registration Statement on Form S-3 under the Securities Act of 1933, as amended, filed by Vornado with the Securities and Exchange Commission of the United States (the "Registration Statement").

In rendering this opinion, we have reviewed such documents as we have considered necessary or appropriate. In addition, in rendering this opinion, we have relied (i) as to certain factual matters upon the statements and representations contained in the certificates provided to us by Vornado, Two Penn Plaza REIT, Inc. ("Two Penn") and Americold Realty Trust ("AmeriCold"), each dated December 2, 2004 (the "Vornado Certificates"), (ii) without independent investigation, as to certain factual matters upon the statements and representations contained in the certificate provided to us by Alexander's, Inc. ("Alexander's"), dated December 2, 2004 (together with the Vornado Certificates, the "Certificates") and (iii) without independent investigation, upon the

opinion of Shearman & Sterling LLP, dated December 2, 2004, concerning the qualification of Alexander's as a real estate investment trust (a "REIT") for federal income tax purposes for each taxable year commencing with its taxable year ending December 31, 1995 (the "Shearman & Sterling Opinion"). We understand that, in providing the Certificates, Vornado is relying upon certificates, dated December 2, 2004, provided to it by David R. Greenbaum.

In rendering this opinion, we have also assumed, with your approval, that (i) the statements and representations made in the Certificates are true and correct, (ii) the Certificates have been executed by appropriate and authorized officers of Vornado, Two Penn, AmeriCold and Alexander's and (iii) the assumptions and conditions underlying the Shearman & Sterling Opinion are true and correct.

Based on the foregoing and in reliance thereon and subject thereto and on an analysis of the Internal Revenue Code of 1986, as amended (the "Code"), Treasury Regulations thereunder, judicial authority and current administrative rulings and such other laws and facts as we have deemed relevant and necessary, we hereby confirm our opinion that commencing with its taxable year ending December 31, 1993, Vornado has been organized in conformity with the requirements for qualification as a REIT under the Code, its manner of operations has enabled it to satisfy the requirements for qualification as a REIT for taxable years ending on or prior to the date hereof and its proposed method of operations will enable it to satisfy the current requirements for qualification and taxation as a REIT for subsequent taxable years. This opinion represents our legal

judgment, but it has no binding effect or official status of any kind, and no assurance can be given that contrary positions may not be taken by the Internal Revenue Service or a court.

Vornado's qualification as a REIT will depend upon the continuing satisfaction by Vornado and, given Vornado's current ownership interests in Alexander's, AmeriCold and Two Penn, by each of Alexander's, AmeriCold and Two Penn, of the requirements of the Code relating to qualification for REIT status, which requirements include those that are dependent upon actual operating results, distribution levels, diversity of stock ownership, asset composition, source of income and record keeping. We do not undertake to monitor whether any of Vornado, Alexander's, AmeriCold or Two Penn actually has satisfied or will satisfy the various REIT qualification tests.

We hereby consent to the reference to us in the Registration Statement under the caption "Federal Income Tax Considerations". In giving such consent, we do not thereby admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act.

Very truly yours,

/s/ SULLIVAN & CROMWELL LLP

Alexander's REIT Election

Dear Sirs:

In connection with the registration of 1,148,740 shares of Common Stock, of Vornado Realty Trust, par value \$.04 per share, on December 2, 2004 on the Registration Statement on Form S-3 under the Securities Act of 1933, as amended (the "Registration"), you have requested our opinion with regard to the election by Alexander's, Inc. ("Alexander's") to be treated for Federal income tax purposes as a real estate investment trust (a "REIT"), within the meaning of section 856(a) of the Internal Revenue Code of 1986, as amended (the "Code"). We understand that Alexander's has elected to be treated as a REIT initially for its taxable year ended December 31, 1995, and intends to continue to be so treated for subsequent taxable years.

In rendering this opinion, we have relied as to certain factual matters upon the statements and representations contained in the certificate provided to us by Alexander's (the "Alexander's Certificate") dated December 2, 2004. We have assumed that the statements made in the Alexander's Certificate are true and correct and that the Alexander's Certificate has been executed by appropriate and authorized officers of Alexander's.

In rendering this opinion, with your permission we also have made the following assumptions, which are based on factual representations made by Alexander's and certified to us:

- (a) Alexander's has made a valid election to be taxed as a REIT for its taxable year ended December 31, 1995, which election has not been, and will not be, revoked or terminated.
- (b) Since January 1, 1995, the outstanding shares of Alexander's have been held by at least 100 or more persons, and such shares will

continue to be held by 100 or more persons.

Shearman & Sterling LLP is a limited liability partnership organized in the United States under the laws of the State of Delaware, which laws limit the personal liability of partners.

(c) Not more than 50 percent in value of the outstanding shares of Alexander's have been or will be owned directly or indirectly, actually or constructively (within the meaning of section 542(a)(2) of the Code, as modified by section 856(h) of the Code), by five or fewer individuals (or entities treated as individuals for purposes of section 856(h) of the Code) during the second half of every taxable year following the taxable year ended December 31, 1995.

(d) Alexander's and its subsidiaries (the "Company") will not receive or accrue (and since January 1, 1995, has not received or accrued) any amount that would constitute "rents from real property" (within the meaning of section 856(d)(1) of the Code without regard to section 856(d)(2)(B) of the Code) from (i) any corporation in which it owns (or since July 1, 1994, has owned) (a) 10 percent or more of the total combined voting power of all shares of stock entitled to vote, (b) 10 percent or more of the total number of shares of all classes of stock of such corporation or (c) 10 percent or more of the total value of shares of all classes of stock, or (ii) any unincorporated entity in which it owns (or since July 1, 1994, has owned) an interest of 10 percent or more in the assets or net profits of such person. For purposes of this assumption, ownership is determined in accordance with section 856(d)(5) of the Code.

(e) Alexander's has requested and maintained, and will continue to request and maintain, records concerning ownership of its outstanding shares in accordance with section 857(f)(1) of the Code and Treasury Regulations promulgated thereunder and predecessor requirements.

(f) Alexander's has made and will make distributions to its stockholders sufficient to meet the distribution requirements of section 857(a)(1) of the Code for the taxable year for which the REIT election was made and every subsequent taxable year.

(g) For its taxable year ended December 31, 1995, Alexander's had a deficit in earnings and profits (as defined in the Code) in excess of its accumulated earnings and profits (if any) as of the close of its taxable year ended December 31, 1994.

Based on the foregoing and in reliance thereon and subject thereto and on an analysis of the Code, Treasury Regulations thereunder, judicial authority and current administrative rulings and such other laws and facts as we have deemed relevant and necessary, we are of the opinion that commencing with its taxable year ended December 31, 1995, Alexander's has been organized and operated in conformity with the requirements for qualification and taxation as a REIT under the Code, and its proposed method of operation will enable it to continue to meet the requirements for qualification and taxation as a REIT under the Code.

Qualification of Alexander's as a REIT will depend upon the satisfaction by the Company through actual operating results, distribution levels, diversity of stock ownership and otherwise, of the applicable asset composition, source of income, shareholder diversification, distribution, recordkeeping and other requirements of the Code necessary for a corporation to qualify as a REIT. No assurance can be given that the actual results of the Company's operations for any one taxable year will satisfy all such requirements. We do not undertake to

monitor whether the Company actually has satisfied or actually will satisfy the various qualification tests, and we express no opinion whether the Company actually has satisfied or actually will satisfy these various qualification tests.

This opinion is based on current Federal income tax law, and we do not undertake to advise you as to future changes in Federal income tax law that may affect this opinion unless we are specifically engaged to do so. This opinion relates solely to Federal income tax law, and we do not undertake to render any opinion as to the taxation of the Company under any state or local corporate franchise or income tax law.

We hereby consent to the use of our name and the reference to this opinion letter in the opinion letter given by Sullivan & Cromwell LLP in connection with the Registration. In giving such consent, we do not thereby admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act of 1933, as amended.

Very truly yours,

/s/ SHEARMAN & STERLING LLP

Section 5: EX-10.2 (REGISTRATION RIGHTS AGREEMENT)

Exhibit 10.2

Registration Rights Agreement

THIS REGISTRATION RIGHTS AGREEMENT (this "**Agreement**") is made and entered into as of October 7, 2003 by and between VORNADO REALTY TRUST, a Maryland real estate investment trust (the "**Company**"), and the persons identified on **Schedule A** hereto (each a "**Holder**" and collectively, together with their respective assigns permitted under Section 6.3 hereof, the "**Holders**").

WHEREAS, the Holders are receiving on the date hereof or, in the case of the Holder that owns an indirect interest in the project known as Waterfront, may in the future receive, Class A Units (such units, the "**OP Units**") in Vornado Realty L.P., a Delaware limited partnership (the "**Partnership**"), as set forth opposite their names on **Schedule A** hereto, in consideration for the contribution of certain interests to the Partnership (the "**Contribution**");

WHEREAS, pursuant to the terms of Section 8.6 and the other related provisions of the Second Amended and Restated Agreement of Limited Partnership of the Partnership (such agreement, as amended from time to time, the "**Partnership Agreement**"), commencing on the first anniversary of the date of issuance, and subject to the various limitations contained in the Partnership Agreement and other instruments being delivered in connection with the Contribution, the Holders will be entitled to redeem their OP Units for cash or, at the Company's election, common shares of beneficial interest, par value \$0.04 per share, of the Company ("**Common Shares**");

WHEREAS, the Company has agreed to grant to the Holders the Registration Rights (as defined in Section 1 hereof);

NOW, THEREFORE, the parties hereto, in consideration of the foregoing, and the mutual covenants and agreements hereinafter set forth, hereby agree as follows:

SECTION 1. REGISTRATION RIGHTS

Subject to the various terms and conditions of the Partnership Agreement and the limitations upon Holders' redemption of OP Units set forth in other instruments being delivered in connection with the Contribution, if any Holder receives Common Shares upon redemption of OP Units held by such Holder ("**Redemption Shares**"), then, unless the Redemption Shares are issued to the Holder pursuant to an Issuer Registration Statement as provided in Section 2 below, each Holder shall be entitled to offer the Redemption Shares for sale pursuant to a shelf registration statement, subject to the terms and conditions set forth in Section 3 hereof (the "**Registration Rights**").

SECTION 2. ISSUER REGISTRATION STATEMENT

Anything contained herein to the contrary notwithstanding, in the event that the Redemption Shares are issued by the Company to a Holder and included at the

time of issuance in an effective registration statement (an “**Issuer Registration Statement**”) filed with the Securities and Exchange Commission (the “**Commission**”), the Company shall be deemed to have satisfied all of its registration obligations under this Agreement in respect of such Redemption Shares.

SECTION 3. DEMAND REGISTRATION RIGHTS

3.1. (a) **Registration Procedure.** Unless such Redemption Shares are included at the time of issuance in an Issuer Registration Statement as provided in Section 2 above, then subject to Sections 3.1(c) and 3.2 hereof, if any Holder desires to exercise its Registration Rights with respect to the Redemption Shares, the Holder shall deliver to the Company a written notice (a “**Registration Notice**”) informing the Company of such exercise and specifying the number of shares to be offered by such Holder (such shares to be offered being referred to herein as the “**Registrable Securities**”). Such notice may be given at any time on or after the date a notice of redemption is delivered by the Holder to the Partnership pursuant to the Partnership Agreement, but must be given at least sixty (60) days prior to the date on which the Holder desires to consummate of the sale of Registrable Securities. Upon receipt of the Registration Notice, the Company, if it has not already caused the Registrable Securities to be included as part of an existing shelf registration statement and related prospectus that the Company then has on file with, and has been declared effective by, the Commission (the “**Shelf Registration Statement**”) (in which event the Company shall be deemed to have satisfied its registration obligation under this Section 3), will cause to be filed with the Commission as soon as reasonably practicable after receiving the Registration Notice a new registration statement and related prospectus (a “**New Registration Statement**”) that complies as to form in all material respects with applicable Commission rules providing for the sale by such Holder of the Registrable Securities, and agrees (subject to Section 3.2 hereof) to use commercially reasonable efforts to cause such New Registration Statement to be declared effective by the Commission as soon as practicable. (As used herein, “**Registration Statement**” and “**Prospectus**” refer to the Shelf Registration Statement and related prospectus (including any preliminary prospectus) or the New Registration Statement and related prospectus (including any preliminary prospectus), whichever is utilized by the Company to satisfy Holder’s Registration Rights pursuant to this Section 3, including in each case any documents incorporated therein by reference.)

Subject to Section 3.2 hereof, the Company agrees to use commercially reasonable efforts to keep the Registration Statement effective (including the preparation and filing of any amendments and supplements necessary for that purpose) until the earlier of (i) the forty-sixth (46th) day following commencement of the offering contemplated therein (*provided*, that the forty-five (45) day period will be extended one day for each day that the Company suspends the offering pursuant to its rights in Section 3.2 hereof) or, if sooner, the date on which Holder consummates the sale of all of the Registrable Securities registered under the Registration Statement and (ii) the date on

which all of the Registrable Securities are eligible for sale pursuant to Rule 144(k) (or any successor provision) or in a single transaction pursuant to Rule 144(e) (or any successor provision) under the Securities Act of 1933, as amended (the “Act”). The Company agrees to provide each exercising Holder a reasonable number of copies of the final Prospectus and any amendments or supplements thereto. Notwithstanding the foregoing, the Company may at any time, in its sole discretion and prior to receiving any Registration Notice from any Holder, include all of any Holder’s Redemption Shares or any portion thereof in any Registration Statement (in which event the Company shall be deemed to have satisfied its registration obligation under this Section 3.1(a)).

In connection with any Registration Statement utilized by the Company to satisfy the Registration Rights pursuant to this Section 3, each Holder agrees to cooperate with the Company in connection with the preparation of the Registration Statement, and each Holder agrees that it will (i) respond within five (5) Business Days to any written request by the Company to provide or verify information regarding Holder or Holder’s Registrable Securities (including the proposed manner of sale) that may be required to be included in such Registration Statement pursuant to the rules and regulations of the Commission, and (ii) provide in a timely manner information regarding the proposed distribution by such Holder of the Registrable Securities and such other information as may be requested by the Company from time to time in connection with the preparation of and for inclusion in the Registration Statement and related Prospectus. As used in this Agreement, a “**Business Day**” is any Monday, Tuesday, Wednesday, Thursday or Friday other than a day on which banks and other financial institutions are authorized or required to be closed for business in the State of New York or Maryland.

(b) Offers and Sales. All offers and sales by a Holder under the Registration Statement referred to in this Section 3 shall be completed within the period during which the Registration Statement is required to remain effective pursuant to Section 3.1(a) above, and upon expiration of such period no Holder will offer or sell any Registrable Securities under the Registration Statement. If directed by the Company, each Holder will return all undistributed copies of the Prospectus in its possession upon the expiration of such period.

(c) Limitations on Registration Rights. Each exercise of a Registration Right shall be with respect to a minimum of the lesser of (i) FIFTY THOUSAND (50,000) Redemption Shares and (ii) the total number of Redemption Shares held by the exercising Holder at such time plus the number of Redemption Shares that may be issued upon redemption of OP Units by the exercising Holder. The right of any Holder to deliver a Registration Notice commences upon the first date the Holder is permitted to redeem OP Units pursuant to the Partnership Agreement and other instruments being delivered in connection with the Contribution. The right of any Holder to deliver a Registration Notice shall expire on the date on which all of the Redemption Shares held by the Holder or issuable upon redemption of Units held by the Holder are eligible for

sale pursuant to Rule 144(k) (or any successor provision) or in a single transaction pursuant to Rule 144(e) (or any successor provision) under the Act.

3.2. Suspension of Offering. Upon any notice by the Company, either before or after a Holder has delivered a Registration Notice, that a negotiation or consummation of a transaction by the Company or any of its affiliates is pending or an event has occurred, which negotiation, consummation or event would require additional disclosure by the Company in the Registration Statement of material information which the Company has a *bona fide* business purpose for keeping confidential and the non-disclosure of which in the Registration Statement might cause the Registration Statement to fail to comply with applicable disclosure requirements (a “**Materiality Notice**”), each Holder agrees that it will immediately discontinue offers and sales of the Registrable Securities under the Registration Statement until the Holder receives copies of a supplemental or amended Prospectus that corrects the misstatement(s) or omission(s) referred to above and receives notice that any post-effective amendment has become effective; *provided*, that the Company may delay, suspend or withdraw the Registration Statement for such reason for no more than ninety (90) days after delivery of the Materiality Notice at any one time. If so directed by the Company, Holder will deliver to the Company all copies of the Prospectus covering the Registrable Securities current at the time of receipt of any Materiality Notice.

3.3. Qualification. The Company agrees to use commercially reasonable efforts to register or qualify the Registrable Securities by the time the applicable Registration Statement is declared effective by the Commission under all applicable state securities or “blue sky” laws of such jurisdictions as any Holder may reasonably request in writing, to keep each such registration or qualification effective during the period such Registration Statement is required to be kept effective pursuant to this Agreement or during the period offers or sales are being made by Holder after delivery of a Registration Notice to the Company, whichever is shorter, and to do any and all other similar acts and things which may be reasonably necessary or advisable to enable Holder to consummate the disposition of the Registrable Securities owned by Holder in each such jurisdiction; *provided, however*, that the Company shall not be required to (i) qualify generally to do business in any jurisdiction or to register as a broker or dealer in such jurisdiction where it would not otherwise be required to qualify but for this Agreement, (ii) take any action that would cause it to become subject to any taxation in any jurisdiction where it would not otherwise be subject to such taxation or (iii) take any action that would subject it to the general service of process in any jurisdiction where it is not now so subject.

3.4. Obligations of the Company. When the Company is required to effect the registration of Redemption Shares under the Act pursuant to Section 3.1 of this Agreement, subject to Section 3.2 hereof, the Company shall:

(a) prepare and file with the Commission (as soon as reasonably practicable after receiving the Registration Notice, and in any event within sixty (60)

days after receipt of such Registration Notice) the requisite Registration Statement to effect such registration, which Registration Statement shall comply as to form in all material respects with the requirements of the applicable form and include all financial statements required by the Commission to be filed therewith, and the Company shall use commercially reasonable efforts to cause such Registration Statement to become effective; *provided, however*, that before filing a Registration Statement or Prospectus or any amendments or supplements thereto, or comparable statements under securities or “blue sky” laws of any jurisdiction, the Company shall (i) provide each Holder with an adequate and appropriate opportunity to participate in the preparation of such Registration Statement and each Prospectus included therein (and each amendment or supplement thereto or comparable statement) to be filed with the Commission and (ii) not file any such Registration Statement or Prospectus (or amendment or supplement thereto or comparable statement) with the Commission to which any Holder shall have reasonably objected on the grounds that such filing does not comply in all material respects with the requirements of the Act or of the rules or regulations thereunder;

(b) prepare and file with the Commission such amendments and supplements as to the Registration Statement and the Prospectus used in connection therewith as may be necessary (i) to keep such Registration Statement effective and (ii) to comply with the provisions of the Act with respect to the disposition of the Redemption Shares covered by such Registration Statement, in each case for such time as is contemplated in Section 3.1(a) above; *provided*, that in any event the period need not extend beyond nine months from the effective date of the Registration Statement;

(c) furnish, without charge, to the Holders of the securities covered by the Registration Statement, such number of copies of the Registration Statement, each amendment and supplement thereto (in each case including all exhibits), and the Prospectus included in such Registration Statement (including each preliminary Prospectus) in conformity with the requirements of the Act, and other documents, as the Holders may reasonably request in order to facilitate the public sale or other disposition of the Redemption Shares owned by the Holders;

(d) promptly notify the Holders of securities covered by the Registration Statement: (i) when the Registration Statement, any pre-effective amendment, the Prospectus or any prospectus supplement related thereto or post-effective amendment to the Registration Statement has been filed, and, with respect to the Registration Statement or any post-effective amendment, when the same has become effective, (ii) of any request by the Commission or any state securities or blue sky authority for amendments or supplements to the Registration Statement or the Prospectus related thereto or for additional information, (iii) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or the initiation or threat of any proceedings for that purpose, and (iv) of the receipt by the Company of any notification with respect to the suspension of the qualification of any Redemption Shares

for sale under the securities or “blue sky” laws of any jurisdiction or the initiation of any proceeding for such purpose;

(e) following receipt of a Registration Notice and thereafter until the sooner of completion, abandonment or termination of the offering or sale contemplated thereby and the expiring of the period during which the Company is required to maintain the effectiveness of the related Registration Statement as set forth in Section 3.1(a) above, promptly notify the Holders of securities covered by the Registration Statement: (i) of the existence of any fact of which the Company is aware or the happening of any event which has resulted in (A) the Registration Statement, as then in effect, containing an untrue statement of a material fact or omitting to state a material fact required to be stated therein or necessary to make any statements therein not misleading or (B) the Prospectus included in such Registration Statement containing an untrue statement of a material fact or omitting to state a material fact required to be stated therein or necessary to make any statements therein, in the light of the circumstances under which they were made, not misleading and (ii) of the Company’s reasonable determination that a post-effective amendment to a Registration Statement would be appropriate or that there exist circumstances not yet disclosed to the public which make further sales under such Registration Statement inadvisable pending such disclosure and post-effective amendment; and, if the notification relates to any event described in either of the clauses (i) or (ii) of this Section 3.4(e), subject to Section 3.2 above, at the request of the Holders, the Company shall prepare and furnish to the Holders of securities covered by the Registration Statement, a reasonable number of copies of a supplement or post-effective amendment to such Registration Statement or related Prospectus or any document incorporated therein by reference or file any other required document so that (1) such Registration Statement shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading and (2) as thereafter delivered to the purchasers of the Redemption Shares being sold thereunder, such Prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(f) make available for reasonable inspection by the Holders and any attorney, accountant or other agent retained by any Holder, material financial and other relevant information concerning the business and operations of the Company and the properties of the Company and any subsidiaries thereof as may be in existence at such time as shall be necessary to enable them to conduct a reasonable investigation within the meaning of the Act, and cause the Company’s officers, directors and employees to supply such relevant information as may be reasonably requested by any such parties in connection with such Registration Statement; *provided, however,* that, if the Holders or any of their advisors or agents request any information that the Company determines to be confidential or non-public, the Company shall be entitled to condition access to that information upon the Holders and each other recipient of such information having entered

into a confidentiality agreement with the Company in form and substance satisfactory to the Company acting reasonably, pursuant to which each such recipient agrees to maintain that information as confidential and use it solely for the purposes of exercising rights under this Agreement, and *provided further*, that the Company shall not be required to disclose any information subject to the attorney-client or attorney work product privilege if and to the extent such disclosure would constitute a waiver of such privilege;

(g) use commercially reasonable efforts to cause all such Redemption Shares to be listed on the national securities exchange on which the Common Shares are then listed, if the listing of Redemption Shares is then permitted under the rules of such national securities exchange; and

(h) if requested by any Holder participating in the offering of Registrable Securities, incorporate in a prospectus supplement or post-effective amendment such information concerning the Holder or the intended method of distribution as the Holder reasonably requests to be included therein and as is appropriate in the reasonable judgment of the Company, including, without limitation, information with respect to the number of Redemption Shares being sold, the purchase price being paid therefor and any other material terms of the offering of the Redemption Shares to be sold in such offering; *provided, however*, that the Company shall not be obligated to include in any such prospectus supplement or post-effective amendment any requested information that is unreasonable in scope compared with the Company's most recent prospectus or prospectus supplement used in connection with a primary or secondary offering of equity securities by the Company.

3.5. Indemnification by the Company. The Company agrees to indemnify and hold harmless each Holder and each person, if any, who controls any Holder within the meaning of Section 15 of the Act or Section 20 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and any of their officers, directors, employees or representatives, as follows:

(a) against any and all loss, liability, claim, damage, judgment and expense whatsoever, as incurred, arising out of or based upon any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement (or any amendment thereto) pursuant to which the Registrable Securities were registered under the Act, including all documents incorporated therein by reference, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading or arising out of or based upon any untrue statement or alleged untrue statement of a material fact contained in any Prospectus (or any amendment or supplement thereto), including all documents incorporated therein by reference, or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(b) against any and all loss, liability, claim, damage, judgment and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, if such settlement is effected with the written consent of the Company; and

(c) against any and all expense whatsoever, as incurred (including reasonable fees and disbursements of counsel), reasonably incurred in investigating, preparing or defending against any litigation, or investigation or proceeding by any governmental agency or body, commenced or threatened, in each case whether or not a party, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under subparagraph (i) or (ii) above;

provided, however, that the indemnity provided pursuant to this Section 3.5 does not apply to any Holder with respect to any loss, liability, claim, damage, judgment or expense to the extent arising out of (A) any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Company by such Holder expressly for use in the Registration Statement (or any amendment thereto) or the Prospectus (or any amendment or supplement thereto), or (B) any Holder's failure to deliver an amended or supplemental Prospectus provided to the Holder by the Company if such loss, liability, claim, damage, judgment or expense would not have arisen had such delivery occurred.

3.6. Indemnification by Holder. Each Holder of securities covered by a Registration Statement (and each permitted assignee of such Holder, on a several basis) severally and not jointly agrees to indemnify and hold harmless the Company, and each of its trustees/directors and officers (including each trustee/director and officer of the Company who signed a Registration Statement), and each person, if any, who controls the Company within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, as follows:

(a) against any and all loss, liability, claim, damage, judgment and expense whatsoever, as incurred, arising out of or based upon any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement (or any amendment thereto) pursuant to which Registrable Securities of such Holder were registered under the Act, including all documents incorporated therein by reference, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading or arising out of or based upon any untrue statement or alleged untrue statement of a material fact contained in any Prospectus (or any amendment or supplement thereto), including all documents incorporated therein by reference, or the omission or alleged omission therefrom of a

material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(b) against any and all loss, liability, claim, damage, judgment and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, if such settlement is effected with the written consent of the Holder; and

(c) against any and all expense whatsoever, as incurred (including reasonable fees and disbursements of counsel), reasonably incurred in investigating, preparing or defending against any litigation, or investigation or proceeding by any governmental agency or body, commenced or threatened, in each case whether or not a party, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under subparagraph (i) or (ii) above;

provided, however, that the indemnity provided pursuant to this Section 3.6 shall only apply with respect to any loss, liability, claim, damage, judgment or expense to the extent arising out of (A) any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Company by such Holder expressly for use in the Registration Statement (or any amendment thereto) or the Prospectus (or any amendment or supplement thereto) or (B) any Holder's failure to deliver an amended or supplemental Prospectus provided to the Holder by the Company if such loss, liability, claim, damage or expense would not have arisen had such delivery occurred. Notwithstanding the provisions of this Section 3.6, a Holder and any permitted assignee shall not be required to indemnify the Company, its officers, trustees/directors or control persons with respect to any amount in excess of the amount of the total proceeds to the Holder or such permitted assignee, as the case may be, from sales of the Registrable Securities of the Holder under the Registration Statement.

3.7. Conduct of Indemnification Proceedings. An indemnified party hereunder shall give reasonably prompt notice to the indemnifying party of any action or proceeding commenced against it in respect of which indemnity may be sought hereunder, but failure to so notify the indemnifying party (i) shall not relieve it from any liability which it may have under the indemnity agreement provided in Section 3.5 or 3.6 above, unless and only to the extent it did not otherwise learn of such action and the lack of notice by the indemnified party results in the forfeiture by the indemnifying party of substantial rights and defenses, and (ii) shall not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided under Section 3.5 or 3.6 above. If the indemnifying party so elects within a reasonable time after receipt of such notice, the indemnifying party may assume

the defense of such action or proceeding at such indemnifying party's own expense with counsel chosen by the indemnifying party and approved by the indemnified party, which approval shall not be unreasonably withheld; *provided, however*, that the indemnifying party will not settle any such action or proceeding without the written consent of the indemnified party unless, as a condition to such settlement, the indemnifying party secures the unconditional release of the indemnified party; and *provided further*, that, if the indemnified party reasonably determines that a conflict of interest exists where it is advisable for the indemnified party to be represented by separate counsel or that, upon advice of counsel, there may be legal defenses available to it which are different from or in addition to those available to the indemnifying party, then the indemnifying party shall not be entitled to assume such defense and the indemnified party shall be entitled to separate counsel at the indemnifying party's expense. If the indemnifying party is not entitled to assume the defense of such action or proceeding as a result of the second proviso to the preceding sentence, the indemnifying party's counsel shall be entitled to conduct the indemnifying party's defense and counsel for the indemnified party shall be entitled to conduct the defense of the indemnified party, it being understood that both such counsel will cooperate with each other to conduct the defense of such action or proceeding as efficiently as possible. If the indemnifying party is not so entitled to assume the defense of such action or does not assume such defense, after having received the notice referred to in the first sentence of this paragraph, the indemnifying party will pay the reasonable fees and expenses of counsel for the indemnified party. In such event, however, the indemnifying party will not be liable for any settlement effected without the written consent of the indemnifying party. If an indemnifying party is entitled to assume, and assumes, the defense of such action or proceeding in accordance with this paragraph, the indemnifying party shall not be liable for any fees and expenses of counsel for the indemnified party incurred thereafter in connection with such action or proceeding.

3.8. Contribution. In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in Sections 3.5 and 3.6 above is for any reason held to be unenforceable by the indemnified party although applicable in accordance with its terms, the Company and the relevant Holder shall contribute to the aggregate losses, liabilities, claims, damages and expenses of the nature contemplated by such indemnity agreement incurred by the Company and the Holder, (i) in such proportion as is appropriate to reflect the relative fault of and benefits to the Company on the one hand and the Holder on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities, or expenses or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative fault of, but also the relative benefits to, the Company on the one hand and the Holder on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative benefits to the indemnifying party and indemnified party shall be determined by reference to, among other things, the total proceeds received by the indemnifying party and indemnified party in connection with the offering to which

such losses, claims, damages, liabilities or expenses relate. The relative fault of the indemnifying party and indemnified party shall be determined by reference to, among other things, whether the action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, has been made by, or relates to information supplied by, the indemnifying party or the indemnified party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action.

The parties hereto agree that it would not be just or equitable if contribution pursuant to this Section 3.8 were determined by *pro rata* allocation or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding paragraph. Notwithstanding the provisions of this Section 3.8, a Holder shall not be required to contribute any amount in excess of the amount of the total proceeds to the Holder from sales of the Registrable Securities of such Holder under the Registration Statement.

Notwithstanding the foregoing, no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 3.8, each person, if any, who controls a Holder within the meaning of Section 15 of the Act shall have the same rights to contribution as the Holder, and each trustee/director of the Company, each officer of the Company who signed a Registration Statement and each person, if any, who controls the Company within the meaning of Section 15 of the Act shall have the same rights to contribution as the Company.

SECTION 4. EXPENSES

The Company shall pay all expenses incident to the performance by the Company of its registration obligations under Sections 2 and 3 above, including (i) all stock exchange, Commission and state securities registration, listing and filing fees, (ii) all expenses incurred in connection with the preparation, printing and distribution of any Issuer Registration Statement or Registration Statement and Prospectus, and (iii) fees and disbursements of counsel for the Company and of the independent public accountants of the Company. Each Holder shall be responsible for the payment of any brokerage and sales commissions, fees and disbursements of the Holder's counsel, accountants and other advisors, and any transfer taxes relating to the sale or disposition of the Registrable Securities by such Holder pursuant to this Agreement.

SECTION 5. RULE 144 COMPLIANCE

The Company covenants that it will use its best efforts to timely file the reports required to be filed by the Company under the Act and the Exchange Act so as to enable each Holder to sell Registrable Securities pursuant to Rule 144 under the Act. In

connection with any sale, transfer or other disposition by a Holder of any Registrable Securities pursuant to Rule 144 under the Act, the Company shall cooperate with the Holder to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold and not bearing any Securities Act legend, and enable certificates for such Registrable Securities to be for such number of shares and registered in such names as Holder may reasonably request at least ten (10) Business Days prior to any sale of Registrable Securities hereunder.

SECTION 6. MISCELLANEOUS

6.1. Integration; Amendment. This Agreement constitutes the entire agreement among the parties hereto with respect to the matters set forth herein and supersedes and renders of no force and effect all prior oral or written agreements, commitments and understandings among the parties with respect to the matters set forth herein. Except as otherwise expressly provided in this Agreement, no amendment, modification or discharge of this Agreement shall be valid or binding unless set forth in writing and duly executed by the Company and each Holder against whom such amendment, modification or discharge is sought to be enforced.

6.2. Waivers. No waiver by a party hereto shall be effective unless made in a written instrument duly executed by the party against whom such waiver is sought to be enforced, and only to the extent set forth in such instrument. Neither the waiver by any of the parties hereto of a breach or a default under any of the provisions of this Agreement, nor the failure of any of the parties, on one or more occasions, to enforce any of the provisions of this Agreement or to exercise any right or privilege hereunder shall thereafter be construed as a waiver of any subsequent breach or default of a similar nature, or as a waiver of any such provisions, rights or privileges hereunder.

6.3. Assignment; Successors and Assigns. This Agreement and the rights granted hereunder may not be assigned by any Holder without the written consent of the Company; *provided, however*, that a Holder may assign its rights and obligations hereunder, to a transferee in connection with a transfer of some or all of such Holder's OP Units in accordance with the terms of the Partnership Agreement, if such transferee agrees in writing to be bound by all of the provisions hereof. This Agreement shall inure to the benefit of and be binding upon of all of the parties hereto and their respective successors and permitted assigns.

6.4. Notices. All notices called for under this Agreement shall be in writing and shall be deemed given upon receipt if delivered personally or by facsimile transmission and followed promptly by mail, or mailed by registered or certified mail (return receipt requested), postage prepaid, to the parties at the addresses set forth in Schedule A hereto, or to any other address or addressee as any party entitled to receive notice under this Agreement shall designate, from time to time, to others in the manner provided in this Section 6.4 for the service of notices; *provided, however*, that notices of a

change of address shall be effective only upon receipt thereof. Any notice delivered to the party hereto to whom it is addressed shall be deemed to have been given and received on the day it was received; *provided, however*, that if such day is not a Business Day, then the notice shall be deemed to have been given and received on the Business Day next following such day and if any party rejects delivery of any notice attempted to be given hereunder, delivery shall be deemed given on the date of such rejection. Any notice sent by facsimile transmission shall be deemed to have been given and received on the Business Day next following the transmission.

6.5. Specific Performance. The parties hereto acknowledge that the obligations undertaken by them hereunder are unique and that there would be no adequate remedy at law if any party fails to perform any of its obligations hereunder, and accordingly agree that each party, in addition to any other remedy to which it may be entitled at law or in equity, shall be entitled to (i) compel specific performance of the obligations, covenants and agreements of any other party under this Agreement in accordance with the terms and conditions of this Agreement and (ii) obtain preliminary injunctive relief to secure specific performance and to prevent a breach or contemplated breach of this Agreement in any court of the United States or any State thereof having jurisdiction.

6.6. Governing Law. This Agreement, the rights and obligations of the parties hereto, and any claims or disputes relating thereto, shall be governed by and construed in accordance with the laws of the State of New York, but not including the choice of law rules thereof.

6.7. Headings. Section and subsection headings contained in this Agreement are inserted for convenience of reference only, shall not be deemed to be a part of this Agreement for any purpose, and shall not in any way define or affect the meaning, construction or scope of any of the provisions hereof.

6.8. Pronouns. All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural, as the identity of the person or entity may require.

6.9. Execution in Counterparts. To facilitate execution, this Agreement may be executed in as many counterparts as may be required. It shall not be necessary that the signature of or on behalf of each party appears on each counterpart, but it shall be sufficient that the signature of or on behalf of each party appears on one or more of the counterparts. All counterparts shall collectively constitute a single agreement. It shall not be necessary in any proof of this Agreement to produce or account for more than a number of counterparts containing the respective signatures of or on behalf of all of the parties.

6.10. Severability. If fulfillment of any provision of this Agreement, at the time such fulfillment shall be due, shall transcend the limit of validity prescribed by law, then the obligation to be fulfilled shall be reduced to the limit of such validity; and if any clause or provision contained in this Agreement operates or would operate to invalidate this Agreement, in whole or in part, then such clause or provision only shall be held ineffective, as though not herein contained, and the remainder of this Agreement shall remain operative and in full force and effect.
