PROXY STATEMENT

GENERAL INFORMATION

This Proxy Statement is provided in connection with the solicitation of proxies by the Board of Directors of Condor Hospitality Trust, Inc. (the “Company”) for use at the annual meeting of shareholders to be held on Tuesday, May 16, 2017 and any adjournments thereof (the “Annual Meeting”). The mailing address of the principal executive offices of the Company is 4800 Montgomery Lane, Suite 220, Bethesda, MD 20814. This Proxy Statement, the Proxy Card, Notice of Meeting and the Company’s Annual Report, all enclosed herewith, are first being mailed to the shareholders of the Company on or about April 17, 2017.

The Proxy Solicitation

The Proxy Card, if you are a holder of common stock, is the means by which you actually authorize another person to vote your shares in accordance with your instructions. This Proxy Statement provides you with information that you may find useful in determining how to vote.

The solicitation of proxies is being made by the Company through the telephone, electronic communication and use of the mails. The cost of preparing and mailing this Proxy Statement and accompanying material, will be borne by the Company. Proxies may also be solicited by directors, director nominees and employees of the Company who will not be specially compensated for their solicitation. Proxies may be solicited by mail, electronic communications and by telephone call.

Revocation and Voting of Proxies

Execution of a proxy will not affect a shareholder’s right to attend the Annual Meeting and to vote in person. Any shareholder giving a proxy has the power to revoke it by submitting a properly executed proxy bearing a later date, by delivering written notice of revocation to the Secretary of the Company before or at the Annual Meeting or by attending the meeting and voting in person. Proxies will extend to, and will be voted at, any properly adjourned session of the Annual Meeting. The proxy will be voted as specified by the shareholder in the space(s) provided on the applicable Proxy Card. If no specification is made, the proxy will be voted “for” the nominees for directors set for the on the proxy card and all other matters as recommended by the Board of Directors.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Shareholders to be held on May 16, 2017.

The proxy statement and annual report to shareholders for the fiscal year ended December 31, 2016 are available under “Investor Relations” at our website: <http://condorhospitality.com>.

Reverse Stock Split

On March 15, 2017, the Company effected a 1-for-6.5 reverse stock split of its common stock. Except where otherwise indicated, all share and per share data in this proxy statement reflect this reverse stock split.

Voting Rights of Holders of the Common Stock

Only those holders of record of the common stock at the close of business on March 9, 2017, are entitled to notice of and to vote at the Annual Meeting, or any postponements or adjournments of the meeting, on each matter presented to such holders at the Annual Meeting. At the close of business on March 9, 2017, the Company had 6,768,263 shares of common stock outstanding.

Table of Contents

Each share of common stock entitles the record holder thereof to one vote upon each matter to be voted upon at the Annual Meeting. Cumulative voting is not permitted.

Quorums

The presence in person or by proxy of shareholders entitled to cast a majority of all the votes entitled to be cast by the holders of the common stock will constitute a quorum for all matters upon which such holders are entitled to vote. Shares represented by proxy or in person at the Annual Meeting, including shares represented by proxies that reflect abstentions, will be counted as present in the determination of a quorum. Proxies relating to “street name” shares that are voted by brokers on some matters will be treated as shares present for purposes of determining the presence of a quorum, but will not be treated as shares entitled to vote at the annual meeting on those matters as to which authority to vote is withheld by the broker (“broker non-votes”). **Please note that if you hold your shares through a broker, your broker may no longer vote your shares on certain matters in the absence of your specific instructions as to how to vote. In order for your vote to be counted, please make sure that you submit your vote to your broker.**

Vote Required

The nine nominees for election to the Board of Directors receiving the most votes cast at the Annual Meeting by the holders of the common stock will be elected directors; therefore broker non-votes will not affect the outcome of the election of these directors.

Approval of the amendment of the Company’s Amended and Restated Articles of Incorporation will require the approval of the holders of at least a majority of the votes represented by the outstanding shares of common stock. Abstentions and broker non-votes have the same effect as a vote against the proposal.

Approval of the proposals to issue common stock upon conversion of the Series E Preferred Stock or to redeem the Series E Preferred Stock upon exercise of put rights by the holders requires the affirmative vote of the holders of a majority of the votes represented by the outstanding shares of common stock present in person or represented by proxy at the meeting and entitled to vote.

The ratification of the appointment of the auditors will be decided by the affirmative vote of the holders of a majority of the votes represented by the outstanding shares of common stock present in person or represented by proxy at the meeting and entitled to vote. Abstentions will be counted; they will have the same effect as a vote against the matter. Broker non-votes will be disregarded.

**SECURITIES OWNERSHIP
OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth the beneficial ownership of our common stock and preferred stock as of March 9, 2017, by the following persons (a) each shareholder known to us to beneficially own more than 5% of the outstanding shares of our common stock, (b) each director or nominee, (c) each executive officer named in the Summary Compensation Table and (d) all directors and executive officers as a group. A person has beneficial ownership over shares if he or she has or shares voting or investment power over the shares, or the right to acquire that power within 60 days of March 9, 2017.

With respect to our continuing qualification as a real estate investment trust, our Amended and Restated Articles of Incorporation (the “Articles”) contain an ownership limitation, which prohibits both direct and indirect ownership of more than 9.9% of the outstanding shares of our common stock or 9.9% of any series of our preferred stock. Our Articles permit the Board of Directors, in its sole discretion, to exempt a person from this ownership limit if the person provides representations and undertakings that enable the Board to determine that granting the exemption would not result in the Company losing its qualification as a REIT. Under the Internal Revenue Service (IRS) rules, REIT shares owned by certain entities are considered owned proportionately by owners of the entities for REIT qualification purposes. The holder of securities in excess of the ownership limit in the following table provided representations and undertakings necessary for the Board to grant such an exemption.

 - payments arising solely from investments in the Company's securities; or
 - payments under non-discretionary charitable contribution matching programs;

Table of Contents

The Company has not adopted a formal policy on Board members' attendance at its annual meetings of shareholders, although all Board members are encouraged to attend and historically most have done so. Five Board members attended the Company's 2016 Annual Meeting of Shareholders.

The Company's Board of Directors has four standing committees: an Investment Committee, Compensation Committee, Nominating Committee and an Audit Committee. The Board of Directors may, from time to time, form other committees as circumstances warrant. Such committees have the authority and responsibility delegated to them by the Board of Directors.

The Company entered into an Investor Rights Agreement dated March 16, 2016 with SREP and StepStone Group Real Estate LP ("StepStone") pursuant to which (a) John M. Dinkel, Kelly A. Walters and George R. Whittemore resigned as members of the Board of Directors and (b) the Company appointed three director nominees selected by StepStone to the Board of Directors, Jeff Giller, Brendan MacDonald and Mark Linehan. The Company also agreed to maintain the Board of Directors at nine members.

Board Leadership and Risk Oversight

The Board leadership structure consists of a non-employee Chairman, which the Board believes is appropriate for the Company at this time. The Board of Directors is primarily responsible for overseeing the Company's risk management processes. This responsibility has been delegated by the Board of Directors to the Audit Committee and the Compensation Committee, each with respect to the assessment of the Company's risks and risk management in its respective areas of oversight.

The Compensation Committee held four meetings during 2016. The committee operates pursuant to a written charter adopted by the Board of Directors. A copy of the charter is available on our website at <http://condorhospitality.com> in the Investor Relations section under "Governance Docs."

Nominating Committee

Under its charter, the Nominating Committee is to consist of not less than three members. Each member of the Nominating Committee is independent within the meaning of the Nasdaq Stock Market listing standards.

The Nominating Committee is responsible for selecting those individuals to recommend for election to the board. The Nominating Committee will consider shareholder nominations for directors if made (1) in writing by a shareholder entitled to vote in the election of Directors generally and (2) pursuant to the company bylaws. In order to be considered, in accordance with the Company's bylaws, shareholder nominations must be received by the Secretary, at the Company's office in Norfolk, Nebraska, not later than (1) with respect to an election to be held at an annual meeting of shareholders, 90 days in advance of such meeting, and (2) with respect to an election to be held at a special meeting of shareholders for the election of Directors, the close of business on the 7th day following the date on which notice of such meeting is first given to shareholders.

Table of Contents

In order to be valid, a shareholder nomination must set forth (1) the name and address of the shareholder who intends to make the nomination; (2) the name and address of the person or persons to be nominated; (3) a representation that the shareholder is a record holder of stock of the Company entitled to vote at the meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (4) a description of all arrangements or understandings between the shareholder and each nominee and any other person or persons (naming such persons) pursuant to which the shareholder is making the nomination; (5) such other information regarding each nominee proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission, had the nominee been nominated, or intended to be nominated, by the Board of Directors; and (6) the written consent of each nominee to serve as a director if elected. Any candidates submitted by a shareholder or shareholder group are reviewed and considered in the same manner as all other candidates.

The Nominating Committee identifies director nominees through a combination of referrals, including by management, existing board members and shareholders, and direct solicitations, where warranted. Once a candidate has been identified the Nominating Committee reviews the individual's experience and background, and may discuss the proposed nominee with the source of the recommendation. If the committee believes it to be appropriate, committee members may meet with the proposed nominee before making a final determination whether to recommend the individual as a nominee to the entire Board of Directors to stand for election to the board.

Among the factors that the committee considers when evaluating proposed nominees are their experience in the hospitality industry and knowledge of and experience in business matters, finance, capital markets and mergers and acquisitions. The committee may request references and additional information from the candidate prior to reaching a conclusion. The committee is under no obligation to formally respond to recommendations, although as a matter of practice, every reasonable effort is made to do so.

StepStone has the right to have up to three directors nominated for election, and RES has the right to have up to four directors nominated for election. See "Certain Relationships and Transactions" below.

The Nominating Committee held three meetings during 2016.

Conversion of Series D Preferred Stock. On February 28, 2017, the Company entered into an agreement with RES and IRSA (the RES Agreement”), and an agreement with SREP and StepStone (the “SREP Agreement”), for the voluntary conversion of all of the shares of Series D Preferred Stock held by each of them into common stock, pursuant to the terms of the Series D Preferred Stock, and the issuance of Series E Preferred Stock to RES and SREP.

Each share of Series D Preferred Stock was convertible, at the option of the holder, at any time into common stock at a conversion price of \$10.40 for each share of common stock, which is equal to the rate of 0.961538 shares of common stock for each share of Series D Preferred Stock. Pursuant to the RES Agreement, RES voluntarily converted its 3,245,156 shares of Series D Preferred Stock into 3,120,342 shares of common stock. Pursuant to the SREP Agreement, SREP voluntarily converted its 3,000,000 shares of Series D Preferred Stock into 2,884,615 shares of common stock.

Pursuant to the RES Agreement, RES received 487,738 shares of Series E Preferred Stock and SREP received 437,262 shares of Series E Preferred Stock upon the conversion of their Series D Preferred Stock. Each of the agreements also extended and amended certain existing registration rights held by RES and SREP, respectively, to common stock issued on conversion of the Series D Preferred Stock, and issuable on conversion of the Series E Preferred Stock. Pursuant to the RES Agreement, the Note, which was convertible into Series D Preferred Stock, was amended so that it is convertible instead directly into 97,269 shares of common stock which would have otherwise been issuable upon conversion of such shares of Series D Preferred Stock. The Note was also amended so that interest will be paid on the Note only at times that preferred dividends are paid to the holders of the Series E Preferred Stock. See “Background for Items 2, 3 and 4 With Respect to the Series E Preferred Stock” for further description of Series E Preferred Stock.

Additional provisions of the SREP Agreement and RES Agreement are described below:

control of the Company, then with respect to the issuance of common stock, or securities convertible into common stock (“Future Offering”) (exclusive of the issuance of common stock with respect to certain commitments, and certain existing long-term incentive plan or operating units of the Company’s operating partnership and certain future compensation awards), the Company will not without the consent of SREP:

- until an aggregate of \$100 million of common stock has been sold, issue common stock below the price of \$10.40 per share, or securities convertible into common stock with a real or effective conversion or strike price below \$10.40 per share of common stock; and
- thereafter issue common stock below the price of \$11.18 per share, or securities convertible into common stock with a real or effective conversion or strike price below \$11.18 per share of common stock (each of the foregoing prices per share appropriately adjusted in the same manner as the conversion price of the Series E Preferred Stock is adjusted pursuant to the antidilution terms of the Series E Preferred Stock).

If SREP does not consent with respect to a Future offering that requires its consent, then the Company may make an irrevocable offer to SREP to repurchase all shares of Series E Preferred Stock and common stock received by SREP on conversion of Series E Preferred Stock and Series D Preferred Stock. The repurchase price will be equal to the greater of:

- an aggregate amount equal to (A) 120% of the liquidation preference of Series E Preferred Stock beneficially owned by SREP plus (B) 120% of the then-current conversion price of the Series E Preferred Stock for each share of common stock beneficially owned by SREP that were issued upon conversion of any Series D Preferred Stock or Series E Preferred Stock, or
- in exchange for the Series E Preferred Stock and common stock issued upon conversion of any Series D Preferred Stock and Series E Preferred Stock, an amount equal to 95% of the aggregate net asset value of the Company per share multiplied by the number of shares of common stock beneficially owned by SREP that were issued upon conversion of any Series D Preferred Stock and Series E Preferred Stock, and shares of common stock issuable upon conversion of Series E Preferred Stock (regardless of whether the Series E Preferred Stock is convertible at such time).

Such repurchase offer, if accepted by SREP, will be conditioned upon, and the repurchase will occur concurrently with the closing of the Future Offering.

This RES Agreement provides the same consent and repurchase rights with respect to RES.

Preemptive Rights. Pursuant to agreements with RES and StepStone, the Company granted each of RES and StepStone the right to purchase the Company’s equity shares or securities convertible into its equity shares in the Company’s public and non-public offerings of its equity securities or securities convertible into its equity securities for cash proportional to their combined fully diluted beneficial ownership of our common stock (including common stock issuable upon conversion of the Series E Preferred Stock, if then convertible, and exercise of the warrants) at the same price and on the same terms as offered to others in the offering. The purchase right terminates on January 31, 2019, or later on January 31, 2021 for RES or StepStone, respectively, if RES or StepStone, respectively, beneficially own at least 1,538,461 shares of common stock at the time of the offering. The purchase right does not apply to issuances of equity securities (a) as employee equity awards or (b) for consideration in acquisition transactions.

Voting Rights of Series E Preferred Stock and Board of Directors.

RES and SREP beneficially own all outstanding shares of the Series E Preferred Stock. The holders of the Series E Preferred Stock have the right to vote separately as a class on matters generally affecting the Series E Preferred Stock. Additionally, as long as 434,750 shares of Series E Preferred Stock (47% of the originally issued shares of Series E Preferred Stock) remain outstanding, then 75% approval of the Series E Preferred Stock will

be required to approve significant corporate events as follows: merger, consolidation, liquidation or winding up of Condor, related party transactions exceeding \$120,000, payment of dividends on common stock except from funds from operations or to maintain REIT status, the grant of exemptions from Condor's charter limitation on ownership of 9.9% of any class or series of its securities (exclusive of SREP and RES), issuance of preferred stock, or commitment or agreement to do any of the foregoing. If the outstanding shares of Series E Preferred Stock declines below 434,750 shares (47% of the original outstanding shares of Series E Preferred Stock), the holders of the Series E Preferred Stock will no longer have rights for a class vote to approve or consent to certain actions by the Company. If those voting rights are no longer available and SREP holds 15% or more of the voting power of the Company, the Company has agreed in the SREP Agreement with SREP to reduce the size of board of directors of the Company from its current size of nine members to seven members. Similarly, if those voting rights are no longer available and RES holds 15% or more of the voting power of the Company, the Company has agreed in the RES Agreement with RES to reduce the size of the board of directors of the Company from its current size of nine members to seven members.

If the size of the board of directors of the Company is reduced to seven members, SREP's current rights to designate directors for election to the board of directors based on its percentage of voting power to vote for election of directors would also change to the following:

<u>Voting Ownership %</u>	<u>% of Director Designees</u>
29% or more	3
Less than 29% but 15% or more	2
Less than 15% but 7% or more	1

If size of the board of directors of the Company is reduced to seven members, RES's current rights to designate directors for election to the board of directors based on its voting power to vote for the election of directors would also change as described above.

Shareholder Vote

Specific items in the terms of the Series E Preferred Stock are required to be submitted for shareholder vote at this annual shareholders meeting of the Company. These items are set forth for shareholder approval under Items 2, 3 and 4 below

RES, in the RES Agreement, and SREP, in the SREP Agreement, have agreed to vote all shares of their common stock affirmatively on such matters. The aggregate voting power of RES and SREP voted affirmatively for such matters is sufficient to assure approval of such matters at this annual shareholders meeting.

COMPENSATION DISCUSSION AND ANALYSIS

The following compensation discussion and analysis provides information which the Compensation Committee of the Board of Directors (the “Committee”) believes is relevant to an assessment and understanding of compensation awarded to, earned by or paid to the Company’s executive officers listed in the summary compensation table (named executive officers). This discussion should be read in conjunction with the summary compensation table and related tables below.

Compensation Practice

The Company had significant senior level management changes in 2015 with the employment of a new Chief Executive Officer and Chief Financial Officer. The Committee anticipates that it may develop additional compensation practices not reflected in this discussion or the associated tables as the Company’s business evolves under the new senior management.

Compensation Overview and Objective

The Committee has the responsibility for developing and maintaining an executive compensation policy for named executive officers that creates a direct relationship between pay levels and corporate performance and returns to shareholders. The objective of the Company’s compensation program is to attract and retain a high caliber of management who will manage the Company in a manner that will promote its goals to achieve long term profitability and to advance the interest of the Company’s shareholders. The compensation program for named executive officers seeks to achieve the objective of retaining a high caliber of management by:

- providing overall competitive pay levels,
- creating proper incentives to enhance shareholder value,
- rewarding superior performance, and
- compensating at levels that are justified by the returns available to shareholders.

Chief Executive Officer Employment Agreement

On March 2, 2015, Mr. Blackham was appointed Chief Executive Officer of the Company by the Board of Directors.

The terms of Mr. Blackham’s employment were approved by the Committee. Mr. Blackham’s employment agreement has a three year term, and under the employment agreement he (i) receives an annual base salary of \$350,000, (ii) receives consideration for an annual cash bonus and (iii) is eligible to participate in any Company long-term incentive program.

On September 16, 2016, the Company and Mr. Blackham entered into an amendment of his employment agreement. The agreement was amended to provide that if during the term of the agreement, the outstanding Series D Preferred Stock of the Company is converted into common stock, then the term of the agreement will be extended three years from the conversion date. The Series D Preferred Stock converted into common stock on February 28, 2017. The agreement also amended to provided that Mr. Blackham’s right to terminate for good reason and receive the payments provided in the agreement also includes a change of control of the Company that occurs during such three year term.

Components of Compensation.

The Company’s executive compensation has three components, each of which is intended to support the overall compensation objective of retaining a high caliber of management. The three components are base salary, annual bonuses, and equity incentives.

Table of Contents

Base Salary. Base salary is targeted to be competitive to attract and retain executives qualified to manage a hotel REIT. Base salary is intended to compensate the executive for satisfying the requirements of the position. Salaries for executive officers are typically reviewed by the Compensation Committee on an annual basis and may be changed based on the individual's performance or a change in competitive pay levels in the marketplace.

Annual Incentive Plans. For the named executive officers' 2016 annual incentives, a target incentive was established ranging from 20% to 100% of base salary, and performance goals were set; the percentage of base salary for the named executive officers was: Mr. Blackham, 100%; Jonathan Gantt, Senior Vice President and Chief Financial Officer, 100%; Jeffrey Dougan, Chief Operating Officer, 50%; and Arinn Cavey, Chief Accounting Officer, 20%. A portion of the incentive was allocated to each executive's individual performance goals. The performance goals consist of capitalization growth, hotel management, hotel operational performance, hotel acquisitions and dispositions, financing, staffing, achieving analyst research coverage, and accounting, audit and regulatory filings. In February 2017 the Committee reviewed the executive's performance against their performance goals and approved payouts as a percentage of base salary of: Mr. Blackham, 90%; Mr. Gantt, 80%; Mr. Dougan, 44%; and Ms. Cavey, 20.9%. The Committee may in addition award discretionary non-incentive based bonuses to an executive officer to recognize performance in a particular year.

Equity Incentive Plans. Equity stock incentives are available through grants of stock options to executive officers pursuant to the shareholder approved Company 2016 Stock Plan. The shareholders approved the 2016 Stock Plan at the annual shareholders meeting of the Company on June 15, 2016. The Committee recognizes the value of equity incentives in assisting the Company in the hiring and retaining of management personnel and in enhancing the long-term mutuality of interest between the Company shareholders and its directors, officers and employees. Stock options are granted at the market value on the date of the grant and have value only if the Company's stock price increases. Employees must be employed by the Company at the time of vesting in order to exercise the options.

No equity awards were granted under the Company 2016 Stock Plan to the named executive officers in 2016.

Background for Items 2, 3 and 4 With Respect to the Series E Preferred Stock

The following is a background for Items 2, 3 and 4 below with respect to the 6.25% Series E Cumulative Convertible Preferred Stock, or Series E Preferred Stock.

On February 28, 2017, SREP and RES, pursuant to agreements with the Company, voluntarily converted all 6,245,156 outstanding shares of the Series D Preferred Stock into 6,004,957 shares of common stock of the Company, pursuant to the terms of the Series D Preferred Stock.

As an inducement to voluntarily convert their shares and to give up rights to receive potential cash payments under the Series D Preferred Stock in a future public offering or offerings by the Company, the Company issued an aggregate of 925,000 shares of Series E Preferred Stock, a new series of preferred stock, to RES and SREP. RES received 487,738 shares of Series E Preferred Stock and SREP received 437,262 shares of Series E Preferred Stock.

The Board of Directors, after discussions with the management of the Company, determined in February 2017 that it was in the best interests of the shareholders of the Company to approve the issuance of the Series E Preferred Stock to induce the holders of the Series D Preferred Stock to convert their shares into common stock. Following conversion of the Series D Preferred Stock the holders would no longer be entitled, as provided in the terms of the Series D Preferred Stock, to potential cash payments in connection with the next equity offering by the Company, based on the dilution of the net asset value of the common stock.

In addition to removing the uncertainty of the necessity to make a cash payment from the proceeds of the next equity offering to the holders of the Series D Preferred Stock, the Board of Directors believed that future equity offerings would be enhanced if the Series D Preferred Stock was converted, thereby reducing the amount of outstanding preferred stock of the Company.

Items 2, 3 and 4 below concern approval of certain terms of the Series E Preferred Stock. Item 2 is a proposal for the amendment of the articles of incorporation of the Company (the "Articles") for that purpose, and shareholder approval for such an amendment is required under Maryland law. Items 3 and 4 are proposals relating to the issuance of common stock upon conversion or redemption of the Series E Preferred Stock with the common stock valued at specific conversion or redemption prices. The common stock of the Company is listed on Nasdaq Stock Market and the Company is subject to the NASDAQ Marketplace Rules, and those rules require shareholder approval for the issuance of common stock at the conversion or redemption prices.

The Company has agreed with RES and SREP to submit Items 2, 3 and 4 to the shareholders for approval at this annual shareholders meeting. RES, and SREP have agreed to vote all shares of their common stock affirmatively on such matters. The aggregate voting power of RES and SREP voted affirmatively for such matters is sufficient to assure approval of Items 2, 3 and 4.

On March 29, 2017 the Company completed a public offering of \$50.1 million of its common stock at a public offering price per share of \$10.50. The offering was a "Qualified Offering" as defined in the terms of the Series E Preferred Stock, the occurrence of which affects dividend, liquidation and redemption provisions of the Series E Preferred Stock. The following description of the terms of the Series E Preferred Stock reflects the dividend, liquidation and redemption provisions of the Series E Preferred Stock as affected by the occurrence of the Qualified Offering.

Dividends. A holder of Series E Preferred Stock receives preferential cumulative cash dividends at the rate of 6.25% per annum of the \$10.00 liquidation value per share (equivalent to a fixed annual amount of \$0.625 per year) as an annual cumulative dividend, payable quarterly, for each share of Series E Preferred Stock, when authorized by the Board or a duly authorized committee thereof. Dividends are cumulative and accrue, whether or not declared. Accrued but unpaid dividends on the Series E Preferred Stock will accumulate and will earn additional dividends at 9.5%, compounding quarterly.

Table of Contents

Rank. With respect to dividend rights and rights upon the Company's liquidation, dissolution or winding up, the Series E Preferred Stock will rank (a) prior or senior to the common stock, (b) prior or senior to all classes or series of preferred stock issued by the Company, the terms of which specifically provide that such shares rank junior to the Series E Preferred Stock with respect to dividend rights and rights upon liquidation, dissolution or winding up of the Company (together with the common stock, collectively, "Junior Shares"), (c) on a parity with respect to dividend rights and rights upon liquidation, dissolution or winding up of the Company with all classes or series of shares of preferred stock issued by the Company, the terms of which specifically provide that such shares rank on a parity with the Series D Preferred Stock (collectively, "Parity Shares") and (d) junior to all existing and future indebtedness of the Company.

Liquidation Preference. Upon the Company's liquidation, dissolution or winding up, before any distribution is made to the holders of common stock or any other capital stock that ranks junior, the holders of the Series E Preferred Stock are entitled to a liquidation preference of \$10.00 per share (the "Liquidation Preference"), plus the sum of an amount equal to any accrued and unpaid dividends to the date of payment.

Redemption. The Company upon not less than 30 nor more than 60 calendar days' prior written notice, may at its option at any time after a Qualified Offering has occurred or from time to time thereafter, select a redemption date or dates to redeem up to a total of 490,250 shares of Series E Preferred Stock, in all cases for cash at a redemption price equal to the "Redemption Amount", described below, per share, plus all accrued and unpaid dividends to the date of redemption provided that (x) redemptions are made pro rata (as nearly as practicable without creating fractional shares) to all holders of Series E Preferred Stock, and (y) the Company may not borrow funds, or delay making any capital expenditures or paying any operating expenses, for the purpose of making any such partial redemptions.

The "Redemption Amount" with respect to a share of Series E Preferred Stock means:

- 110% of the Liquidation Preference for redemption on or before March 16, 2019;
- 120% of the Liquidation Preference for redemption from March 16, 2019 and prior to March 16, 2020; and
- 130% of the Liquidation Preference for redemption on or after March 16, 2020.

Conversion. Subject to obtaining shareholder approval, or Conversion Price Approval, pursuant to the Nasdaq Marketplace Rules as described below under Shareholder Vote, the Series E Preferred Stock is convertible, at the option of the holder, at any time on or after February 28, 2019, into common stock, or the Conversion Price, of \$13.845 for each share of common stock, which is equal to the rate of 0.72228 share of common stock for each share of Series E Preferred Stock.

Conversion Price. The initial conversion price will be \$13.845, but the conversion price will be subject to anti-dilution adjustments upon the occurrence of stock splits and stock dividends.

Automatic Conversion. In the event of a "Qualified Pricing Event," described below, a number of shares of Series E Preferred Stock (including any fraction of a share) as is determined by:

- multiplying the daily weighted market sales price average by the daily average volume of the common stock during the "Qualified Pricing Event Period," described below, and then
- multiplying the result by 15, and then
- dividing that result by the Liquidation Preference (the "Qualified Number of Shares")

Table of Contents

shall automatically convert into an aggregate number of shares of common stock (including any fraction of a share) as is determined by:

- multiplying the Qualified Number of Shares (including any fraction of a share) by the Liquidation Preference, and then\
- dividing the result by the Conversion Price then in effect.

No automatic conversion of Series E Preferred Stock will occur during a period of 90 calendar days following an automatic conversion of Series E Preferred Stock (an “Automatic Conversion Limitation Period”) but may occur on the 91st day and any day thereafter, unless prohibited by another Automatic Conversion Limitation Period.

A “Qualified Pricing Event” means the common stock trades for 60 consecutive trading days (or such longer trading period to have at least 5 trading days on which trades occurred) at a weighted market sales price average equal to or greater than 120% of the Conversion Price as reported by the Nasdaq Stock Market or any other national securities exchange on which the common stock is then listed for trading, or if none, the as reported “over the counter” trade price for such time period (a “Qualified Pricing Event Period”).

Put Rights. Subject to obtaining shareholder approval pursuant to Nasdaq Marketplace Rules at this annual shareholders meeting (a “Put Right Approval”), the holders have put rights (“Put Rights”) commencing March 16, 2021 to put the Series E Preferred Stock to the Company at 130% of its liquidation preference, which the Company can satisfy with cash or common stock. If the Company uses common stock to satisfy the Put Rights, the value per share of the common stock used to satisfy the Put Rights shall be the greater of (a) the weighted market sale price average per shares of the common stock for the 30 trading days (or such longer trading period as required to have at least 5 trading days on which trades occurred) preceding the put right notice from or a holder of Series E Preferred Stock, or (b) \$4.875 per share of common stock. If shareholder approval is not obtained, the Put Rights may not be exercised by a holder of Series E Preferred Stock.

Articles Amendment. Pursuant to the terms of the Series E Preferred Stock, the Company at this annual shareholders meeting is seeking shareholder approval of an amendment to the Articles (a “Representations Exemption Approval”) to eliminate the requirement that the board receive certain shareholder representations and undertakings in connection with granting exemptions from the prohibition in the Articles for a person owning more than 9.9% of the common stock or 9.9% of any class or series of preferred stock of the Company for conversions of Series E Preferred Stock as long as the board is able to obtain the opinion of counsel required in the Articles as a condition to the board granting such an exemption.

Voting Rights as a Class. So long as any shares of Series E Preferred Stock remain outstanding, the Company will not, without the affirmative vote or consent of the holders of not less than 75% of the Series E Preferred Stock, voting separately as a class:

- amend, alter, repeal or make other changes to any provision of the terms of the Series E Preferred Stock of any provision elsewhere in the Charter so as to adversely affect any right, preference, privilege or voting power of the Series E Preferred Stock or the holders thereof, including without limitation any amendment, alteration, repeal or other change effected in connection with a merger, consolidation or similar transaction (any such transaction, which for the avoidance of doubt does not include any liquidation, dissolution or winding up of the Company, an “Event”);
- authorize, create or issue, or increase the authorized or issued amount of, any class or series of capital stock or rights to subscribe to or acquire any class or series of capital stock or any class or series of capital stock convertible into any class or series of capital stock, in each case ranking on a parity with, or senior to, the Series E Preferred Stock with respect to payment of dividends or the distribution of assets upon liquidation, dissolution or winding up of the Company or otherwise, or reclassify any shares of capital stock into any such shares; or
- agree or commit to any of the foregoing.

Table of Contents

Pursuant to the terms of the Series E Preferred Stock, so long as 434,750 shares of Series E Preferred Stock (47% of the originally issued shares of Series E Preferred Stock) remain outstanding, the Company will not, without the affirmative vote or consent of the holders of not less than 75% of the Series E Preferred Stock then outstanding;

- merge, consolidate, liquidate, dissolve or wind up the Company or sell, lease or convey all or substantially all of the assets of the Company;
- engage in any transaction in which the Company is to be a participant and the amount involved exceeds \$120,000, other than employment compensation, and in which any of the Company's directors or executive officers or any member of their immediate families will have a material interest, exclusive of interests arising solely from the ownership of a class of equity securities of the Company provided that all holders of such class of equity securities receive the same benefit on a pro rata basis;
- except for dividends or distributions of cash from the Company's funds from operations and except as required to preserve the Company's qualification as a real estate investment trust under the Code, declare or pay any dividends or other distributions on shares of common stock or any other Junior Shares;

ITEM 2: APPROVE AN AMENDMENT TO THE ARTICLES OF INCORPORATION TO ELIMINATE THE REQUIREMENT THAT THE BOARD OF DIRECTORS RECEIVE CERTAIN SHAREHOLDER REPRESENTATIONS IN CONNECTION WITH CONVERSIONS OF SERIES E CONVERTIBLE PREFERRED STOCK AS LONG AS THE BOARD IS ABLE TO OBTAIN THE OPINION OF COUNSEL SPECIFIED IN SECTION (A)(7) OF ARTICLE IX OF THE ARTICLES.

The Board of Directors has approved, and recommends that the Company's shareholders approve, an amendment to the Articles to eliminate the requirement that the Board of Directors receive certain shareholder representations and undertakings in connection with conversions of Series E Preferred Stock as long as the Board is able to obtain the opinion of counsel specified in Section (A)(7) of Article IX of the Articles.

The amendment, attached hereto as Appendix A, amends Section (A)(7) of Article IX of the Articles by deleting the indicated text and adding the underscored text:

“7. Exception. The Ownership Limit shall not apply to the acquisition of shares of Equity Stock by an underwriter that participates in a public offering of such shares for a period of 90 days following the purchase by such underwriter of such shares provided that the restrictions contained in Section (A)(2) of Article IX hereof will not be violated following the distribution by such underwriter of such shares. In addition, the Board of Directors, upon receipt of a ruling from the Internal Revenue Service or an opinion of counsel in each case to the effect that the restrictions contained in Section (A)(2)(b), Section (A)(2)(c), and/or Section (A)(2)(d) of Article IX hereof will not be violated, may exempt a Person from the Ownership Limit provided that (i) the Board of Directors obtains such representations and undertakings from such Person as are reasonably necessary to ascertain that no individual's Beneficial Ownership or Constructive Ownership of shares of Equity Stock will violate the Ownership Limit and (ii) such Person agrees in writing that any violation or attempted violation will result in such transfer to the Trust of shares of Equity Stock pursuant to Section (A)(3) of Article IX hereof (except the foregoing Section (A)(7)(i) and Section (A)(7)(ii) shall not be required for a Person with respect to Series ~~D~~E Cumulative Convertible Preferred Stock so long as the Board of Directors is able to obtain the opinion of counsel specified in this Section (A)(7) of Article IX.”

Our Articles generally prohibit any shareholder from beneficially owning more than 9.9% of our common stock or 9.9% of any class or series of our preferred stock (the “Ownership Limit”). Section (A)(7) of Article IX of the Articles, however, provides for an exemption from the Ownership Limit, provided the Board of Directors receive representations and undertakings from holders of the securities that no individual's beneficial ownership or constructive ownership will violate the Ownership Limit and an opinion of counsel that certain legal requirements for REIT status will not be violated.

Following shareholder approval at this annual meeting, the Series E Preferred Stock will be convertible into common stock pursuant to its terms at any time on or after February 28, 2019. When a holder converts Series E Preferred Stock into common stock, the percentage ownership of Series E Preferred Stock for each of the non-converting holders will increase. A non-converting holder will be concurrently required to convert shares to assure that the non-converting holder will not exceed the Ownership Limit with respect to Series E Preferred Stock, unless such holder provides the representations and undertakings required under Section (A)(7) of Article IX and the Board of Directors obtains the specified opinion of counsel. The amendment of the Articles will eliminate the requirement for a non-converting holder to provide such representations and undertakings concerning individual beneficial ownership or constructive ownership if the Company can obtain the opinion of counsel that certain legal requirements for REIT status will not be violated.

The opinion of counsel will be sufficient for the Board of Directors to issue the exemption to non-converting holders of Series E Preferred Stock, and eliminating the requirement to obtain representations and undertakings from the non-converting holders will streamline the conversion process.

Table of Contents

Required Vote. Approval of the amendment of the Articles requires the approval of the holders of at least a majority of the votes represented by the outstanding shares of common stock. Abstentions and broker non-votes have the same effect as a vote against the proposal.

The Board of Directors Recommends a Vote “FOR” Approval of Item 2.

ITEM 3: APPROVAL OF THE ISSUANCE OF UP TO 20% OR MORE OF THE OUTSTANDING SHARES OF COMMON STOCK UPON CONVERSION OF THE SERIES E PREFERRED STOCK

If shareholders approve this Item 3, the 925,000 shares of Series E Preferred Stock will be convertible, at the option of the holder, at any time on or after February 28, 2019, into up to 668,111 shares of common stock, subject to antidilution adjustment.

The conversion price was determined by using the per share closing bid price of the common stock, \$2.13 per share, as reported on the Nasdaq Stock Market immediately before the issuance of the Series E Preferred Stock. This conversion price was adjusted to \$13.845 as a result of our 6.5 to 1 reverse stock split completed on March 15, 2017. The number of shares issuable upon conversion of the Series E Preferred Stock is subject to adjustment for stock dividends, stock splits, reclassifications, or transactions similar or having the effect of the foregoing by adjustment of the conversion price.

Nasdaq Listing Rule. As a Nasdaq listed company, the Company is subject to the Nasdaq Listing Rules. Pursuant to Nasdaq Listing Rule 5635(d), shareholder approval is required in order for the Series E Preferred Stock to be convertible into common stock because (i) the value per share of the common stock could potentially have a value that is less than the greater of book or market of the common stock immediately before issuance of the Series E Preferred Stock and (ii) the number of shares of common stock issued would equal 20% or more of common stock outstanding immediately before the issuance of the Series E Preferred Stock.

Price Per Share. For purposes of Nasdaq Listing Rule 5635(d), the value per share of the common stock issued upon conversion of the Series E Preferred Stock is compared to the book value or market value of the common stock immediately before the issuance of the Series E Preferred Stock. This value per share is determined by (a) dividing the value to the Company from the issuance of the Series E Preferred Stock by (b) the number of shares of common stock issuable upon conversion of the Series E Preferred Stock. The value to the Company of the issuance of the Series E Preferred Stock comes primarily from the benefit of the avoidance of making a potential cash payment to the holders of the Series D Preferred Stock in connection with the next equity offering and the benefit for such an equity offering by reducing the amount of outstanding preferred stock. Because of the uncertainty of definitive dollar values for these benefits, the value per share of the common stock, for purposes of Nasdaq Listing Rule 5635(d) could be more or less than the book value or market value per share of common stock at the time of issuance of the Series E Preferred Stock.

Common Stock Issuance Greater Than 20%. The number of shares issued on conversion of the Series E Preferred Stock is determined by (i) dividing the conversion price of \$13.845 (subject to adjustment for stock dividends, stock splits, reclassifications, or transactions similar or having the effect of the foregoing) into (ii) the product of \$10 (plus any accrued and unpaid dividends) multiplied by the number of shares of Series E Preferred Stock to be converted. Assuming no accrued and unpaid dividends, this is equal to the rate of 0.72228th of a share of common stock issued for each share of Series E Preferred Stock upon conversion at the conversion price of \$13.845. There were 763,304 shares of common stock of the Company outstanding before the issuance of the Series E Preferred Stock (after adjusting for the 6.5-to-1 reverse stock split completed on March 15, 2017). At the adjusted conversion price of \$13.845, up to 668,111 shares of common stock are issuable upon conversion of the all 925,000 outstanding shares of Series E Preferred Stock, which exceeds more than 20% of the common stock outstanding at the time the Series E Preferred Stock was issued.

Required Vote. The shareholders are being asked at this annual shareholders meeting to approve the issuance of common stock upon conversion of the Series E Preferred Stock at the conversion price, subject to antidilution adjustments such as for stock splits and stock dividends. If such approval is not obtained, the Series E Preferred Stock may not be converted into shares of common stock by a holder. RES and SREP have agreed to vote all shares of their common stock affirmatively for this Item 3. The aggregate voting power of RES and SREP voting affirmatively for Item 3 is sufficient to assure approval of Item 3. Shareholder approval of this Item 3 will constitute shareholder approval for purposes of Nasdaq Listing Rule 5635(d).

Table of Contents

The approval of Item 3 requires that a majority of the votes properly cast vote FOR this proposal. Shares that are voted “abstain” and broker “non-votes” will not affect the outcome of this proposal.

The Board of Directors Recommends a Vote “FOR” this Item 3.

ITEM 4: APPROVAL OF THE ISSUANCE OF UP TO 20% OR MORE OF THE OUTSTANDING SHARES OF COMMON STOCK UPON EXERCISE OF THE SERIES E PREFERRED STOCK PUT RIGHTS.

If shareholders approve this Item 4, the holders of Series E Preferred Stock will have put rights (“Put Rights”) commencing March 16, 2021 to put the Series E Preferred Stock to the Company at 130% of its liquidation preference plus accrued and unpaid dividends, or \$13.00 per share of Series E Preferred Stock assuming no accrued and unpaid dividends, which the Company can satisfy with cash or common stock. If the Company uses common stock to satisfy the Put Rights, the value per share of the common stock used to satisfy the Put Rights shall be the greater of (a) the weighted market sale price average per shares of the common stock for the 30 trading days (or such longer trading period as required to have at least 5 trading days on which trades occurred) preceding the put right notice from a holder of Series E Preferred Stock, or (b) \$4.875 per share of common stock, subject to adjustment in the same manner as the conversion price of the Series E Preferred Stock (the “Floor Price”). Since the value per share of the common stock issued to satisfy the Put Rights cannot not be less than \$4.875 per share (subject to antidilution adjustment), the maximum aggregate number of shares the Company would currently issue to satisfy the exercise of the Put Rights in full is 2,466,666 shares of common stock. The number of shares issuable upon conversion of the Series E Preferred Stock is subject to adjustment for stock dividends, stock splits, reclassifications, or transactions similar or having the effect of the foregoing by adjustment of the Floor Price. The shareholders are being asked pursuant to this Item 4 to approve the issuance by the Company, at its election, of up to 20% or more of common stock upon redemption of the Series E Preferred Stock upon exercise of Put Rights.

Nasdaq Listing Rule. As a Nasdaq listed company, the Company is subject to the Nasdaq Listing Rules. Pursuant to Nasdaq Listing Rule 5635(d), shareholder approval is required in order for the Series E Preferred Stock to be convertible into common stock because (i) the value per share of the common stock could potentially have a value that is less than the greater of book or market of the common stock immediately before issuance of the Series E Preferred Stock and (ii) the number of shares of common stock issued would equal 20% or more of common stock outstanding immediately before the issuance of the Series E Preferred Stock.

Required Vote. The shareholders are being asked at this annual shareholders meeting to approve the issuance of common stock upon exercise of the Series E Preferred Stock Put Rights. If such approval is not obtained, the Company may not satisfy the Put Rights by issuing common stock in exchange for the Series E Preferred Stock. RES and SREP have agreed to vote all shares of their common stock affirmatively for this Item 4. The aggregate voting power of RES and SREP voting affirmatively for Item 4 is sufficient to assure approval of Item 3. Shareholder approval of this Item 4 will constitute shareholder approval for purposes of Nasdaq Listing Rule 5635(d).

The approval of Item 4 requires that a majority of the votes properly cast vote FOR this proposal. Shares that are voted “abstain” and broker “non-votes” will not affect the outcome of this proposal.

The Board of Directors Recommends a Vote “FOR” this Item 4.

ITEM 5. RATIFICATION OF THE SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The following table presents the fees for professional audit services rendered by KPMG LLP for the audit of the Company's consolidated financial statements for the fiscal years ended December 31, 2016 and 2015, and fees billed for other services rendered by KPMG during those periods.

Year Ended December 31,	2016	2015
Audit Fees(1)	\$ 421,202	\$ 421,850
Audit Related Fees	137,051	0
Tax Fees(2)	380,852	160,053
All Other Fees	0	0
Total	\$ 939,105	\$ 581,903

- (1) Includes fees billed for professional services rendered by KPMG for the audit of the Company's fiscal 2016 and 2015 annual financial statements, and review of the Company's quarterly financial statements during 2016 and 2015.
- (2) Includes fees billed for professional services rendered by KPMG for tax compliance, tax advice, and tax planning.

The Audit Committee has determined that the provision of the non-audit services performed by KPMG during the 2016 and 2015 fiscal years is compatible with maintaining KPMG's independence from the Company.

Pursuant to the terms of the Company's Audit Committee Charter, the Audit Committee is responsible for the appointment, compensation and oversight of the work performed by the Company's independent accountants. The Audit Committee, or a designated member of the Audit Committee, must pre-approve all audit (including audit-related) and non-audit services performed by the independent accountants in order to assure that the provisions of such services do not impair the accountants' independence. The Audit Committee has delegated interim pre-approval authority to Mr. Sabin, Chairman of the Audit Committee. Any interim pre-approval of permitted non-audit services is required to be reported to the Audit Committee at its next scheduled meeting.

KPMG's principal function is to audit the consolidated financial statements of the Company and its subsidiaries and, in connection with that audit, to review certain related filings with the SEC and to conduct limited reviews of the financial statements included in the Company's quarterly reports.

The Audit Committee has appointed KPMG as the Company's independent registered public accounting firm for fiscal year 2017 and requests that shareholders ratify this appointment. A representative of KPMG is expected to be present at the Annual Meeting and will have the opportunity to make a statement and to respond to appropriate questions. In the event the shareholders do not ratify the appointment, the appointment will be reconsidered by the Audit Committee.

The Board of Directors Recommends a Vote "FOR" Item 5.

These persons are also required by SEC regulations to furnish the Company with copies of these reports. Specific due dates for these reports have been established, and the Company is required to report in this Proxy Statement any failure to file such reports by those due dates during the 2016 fiscal year.

Based solely upon a review of the reports furnished to the Company or written representations from the Company's directors and executive officers, the Company believes that all of these filing requirements were satisfied by the Company's directors and executive officers, and owners of more than 10% of the common stock on a timely basis except for a Form 4 for RES and affiliates that was inadvertently filed three days late on March 23, 2016.

Condor Hospitality Trust, Inc.:

We have audited the accompanying consolidated balance sheets of Condor Hospitality Trust, Inc. and subsidiaries (the Company) as of December 31, 2016 and 2015, and the related consolidated statements of operations, stockholders' equity, and cash flows for each of the years in the three-year period ended December 31, 2016. These consolidated financial statements and the financial statement schedule are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Condor Hospitality Trust, Inc. and subsidiaries as of December 31, 2016 and 2015, and the results of their operations and their cash flows for each of the years in the three-year period ended December 31, 2016, in conformity with U.S. generally accepted accounting principles. As discussed in note 1 to the consolidated financial statements, the Company has changed its method of accounting for discontinued operations as of October 1, 2014 on a prospective basis due to the adoption of Accounting Standards Update 2014-08.
