**Item 8.01.            Other Events.**

On November 17, 2017, Westbury Bancorp, Inc. (the “Company”) announced that its Board of Directors had authorized a stock repurchase program pursuant to which the Company intends to purchase 388,037 shares of its issued and outstanding common stock, which represents approximately 10% of its issued and outstanding shares of common stock as of the date hereof. The repurchase program will commence on or about November 17, 2017. The timing of the purchases will depend on certain factors, including, but not limited to, market conditions and prices, available funds and alternative uses of capital. The stock repurchase program may be carried out in accordance with Securities and Exchange Commission Rule 10b-18 through open-market purchases, block trades, negotiated private transactions and pursuant to a trading plan that may be adopted in accordance with Rule 10b5-1 under the Securities Exchange Act of 1934. Any repurchased shares will be held by the Company as authorized but unissued shares.

In connection with the authorization of this stock repurchase program, the Board of Directors of the Company announced the termination of the Company’s existing stock repurchase program, which had authorized the Company to purchase up to 422,906 shares of its issued and outstanding common stock. The Company purchased a total of 389,780 shares of its common stock under this stock repurchase program.

WESTBURY BANCORP, INC.

**ANNOUNCES SIXTH STOCK REPURCHASE PROGRAM**

**West Bend, Wisconsin, November 17, 2017 (GlobeNewswire).** Westbury Bancorp, Inc. (OTCQX: WBBW) announced that on November 15, 2017, its Board of Directors authorized a stock repurchase program pursuant to which the Company intends to purchase up to 388,037 of its issued and outstanding shares, representing approximately 10% of its issued and outstanding shares of common stock as of the date hereof. The repurchase program will commence on or about November 17, 2017. The program is the sixth repurchase program approved by the Board of Directors. In connection with the authorization of this stock repurchase program, the Board of Directors of the Company announced that the Company's existing stock repurchase program, which was approved in February 2016 and had authorized the Company to purchase up to 422,906 shares of its issued and outstanding common stock, had been terminated. The Company had purchased 389,780 shares under the existing plan. The Company has purchased a total of 1,507,132 shares under the five previous programs. The timing of the purchases under the newly adopted program will depend on certain factors, including, but not limited to, market conditions and prices, available funds and alternative uses of capital. The new stock repurchase program may be carried out in accordance with Securities and Exchange Commission Rule 10b-18 through open-market purchases, block trades, negotiated private transactions and pursuant to a trading plan that will be adopted in accordance with Rule 10b5-1 under the Securities Exchange Act of 1934. Any repurchased shares will be treated as authorized but unissued by the Company.

### ***Information Regarding Forward-Looking Statements***

Information contained in this press release may be considered forward-looking in nature as defined by the Private Securities Litigation Reform Act of 1995 and is subject to various risks, uncertainties, and assumptions. Such forward-looking statements in this release are inherently subject to many uncertainties arising in the Company's operations and business environment. Should one or more of these risks or uncertainties materialize, or should the underlying assumptions prove incorrect, actual results may vary materially from those anticipated, estimated or expected. Among the key factors that may have a direct bearing on the Company's operating results, performance or financial condition are competition, the demand for the Company's products and services, the Company's ability to maintain current deposit and loan levels at current interest rates, deteriorating credit quality, including changes in the interest rate environment reducing interest margins, changes in prepayment speeds, loan origination and sale volumes, charge-offs and loan loss provisions, the Company's ability to maintain required capital levels and adequate sources of funding and liquidity, the Company's ability to secure confidential information through the use of computer systems and telecommunications networks, and other factors as set forth in filings with the Securities and Exchange Commission. The Company undertakes no duty to update any forward-looking statement to conform the statement to actual results or changes in the Company's expectations, except as required to be reported under the rules and regulations of the Securities and Exchange Commission.
