GENERAL INFORMATION

This Proxy Statement is provided in connection with the solicitation of proxies by the board of directors of Condor Hospitality Trust, Inc. (the “Company”) for use at the annual meeting of shareholders to be held on Thursday, May 17, 2018 and any adjournments thereof (the “Annual Meeting”). The mailing address of the principal executive offices of the Company is 4800 Montgomery Lane, Suite 220, Bethesda, MD 20814. This Proxy Statement, the Proxy Card, Notice of Meeting and the Company’s Annual Report, all enclosed herewith, are first being mailed to the shareholders of the Company on or about April 16, 2018.

The Proxy Solicitation

The Proxy Card, if you are a holder of common stock, is the means by which you actually authorize another person to vote your shares in accordance with your instructions. This Proxy Statement provides you with information that you may find useful in determining how to vote.

The solicitation of proxies is being made by the Company through the telephone, electronic communication and use of the mails. The cost of preparing and mailing this Proxy Statement and accompanying material, will be borne by the Company. Proxies may also be solicited by directors, director nominees and employees of the Company who will not be specially compensated for their solicitation.

Revocation and Voting of Proxies

Execution of a proxy will not affect a shareholder’s right to attend the Annual Meeting and to vote in person. Any shareholder giving a proxy has the power to revoke it by submitting a properly executed proxy bearing a later date, by delivering written notice of revocation to the Secretary of the Company before or at the Annual Meeting or by attending the meeting and voting in person. Proxies will extend to, and will be voted at, any properly adjourned session of the Annual Meeting. The proxy will be voted as specified by the shareholder in the space(s) provided on the applicable Proxy Card. If no specification is made, the proxy will be voted “for” the nominees for directors set for the on the proxy card and all other matters as recommended by the board of directors.

Voting Rights of Holders of the Common Stock

Only those holders of record of the common stock at the close of business on March 9, 2018, are entitled to notice of and to vote at the Annual Meeting, or any postponements or adjournments of the meeting, on each matter presented to such holders at the Annual Meeting. At the close of business on March 9, 2018, the Company had 11,934,429 shares of common stock outstanding.

Each share of common stock entitles the record holder thereof to one vote upon each matter to be voted upon at the Annual Meeting. Cumulative voting is not permitted.

Quorums

The presence in person or by proxy of shareholders entitled to cast a majority of all the votes entitled to be cast by the holders of the common stock will constitute a quorum for all matters upon which such holders of are entitled to vote. Shares represented by proxy or in person at the Annual Meeting, including shares represented by proxies that reflect abstentions, will be counted as present in the determination of a quorum. Proxies relating to “street name” shares that are voted by brokers on some matters will be treated as shares present for purposes of determining the presence of a quorum, but will not be treated as shares entitled to vote at the annual meeting on those matters as to which authority to vote is withheld by the broker (“broker non-votes”). **Please note that if you hold your shares through a broker, your broker may no longer vote your shares on certain matters in the absence of your specific instructions as to how to vote. In order for your vote to be counted, please make sure that you submit your vote to your broker.**

Abstentions will be counted; they will have the same effect as a vote against the matter. Broker non-votes will be disregarded.

**SECURITIES OWNERSHIP
OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth the beneficial ownership of our common stock as of March 9, 2018, by the following persons (a) each shareholder known to us to beneficially own more than 5% of the outstanding shares of our common stock, (b) each director or nominee, (c) each executive officer named in the Summary Compensation Table and (d) all directors and executive officers as a group. A person has beneficial ownership over shares if he or she has or shares voting or investment power over the shares, or the right to acquire that power within 60 days of March 9, 2018.

With respect to our continuing qualification as a real estate investment trust, our Amended and Restated Articles of Incorporation (the “Articles”) contain an ownership limitation, which prohibits both direct and indirect ownership of more than 9.9% of the outstanding shares of our common stock or 9.9% of any series of our preferred stock. Our Articles permit the board of directors, in its sole discretion, to exempt a person from this ownership limit if the person provides representations and undertakings that enable the board to determine that granting the exemption would not result in the Company losing its qualification as a real estate investment trust (a “REIT”). Under the Internal Revenue Service rules, REIT shares owned by certain entities are considered owned proportionately by owners of the entities for REIT qualification purposes. The holder of securities in excess of the ownership limit in the following table provided representations and undertakings necessary for the board to grant such an exemption.

CORPORATE GOVERNANCE

Independence

The Company's Articles of Incorporation ("Articles") and the NYSE American exchange listing standards each require that a majority of the board of directors are independent directors. The Articles define an independent director as a person who is not an officer or employee of the Company or an affiliate of (a) any advisor to the Company under an advisory agreement, (b) any lessee of any property of the Company, (c) any subsidiary of the Company, or (d) any partnership which is an affiliate of the Company.

Board of Directors

The current nine-member board of directors is comprised of a majority of independent directors, as defined by the NYSE American listing standards and the Articles. The board of directors has determined that the following directors are independent under the NYSE American listing standards and the Articles: Ms. Dufresne and Messrs. Calahan, Elsztain, Friend, Landry, MacDonald, Sabin, and Wall.

The board of directors held 19 meetings in 2017. During 2017, all directors attended at least 75% of all board meetings and meetings of the committees on which they served, except for Mr. Giller, who attended 12 of the 19 board meetings, or 63%. The non-employee directors met in executive session at a majority of the board meetings in 2017 without management present, and intend to meet in executive session without management present at future board meetings.

The Company has not adopted a formal policy on board members' attendance at its annual meetings of shareholders, although all board members are encouraged to attend and historically most have done so. Seven board members attended the Company's 2017 Annual Meeting of Shareholders.

The Company's board of directors has four standing committees: an Investment Committee, Compensation Committee, Nominating Committee and an Audit Committee. The board of directors may, from time to time, form other committees as circumstances warrant. Such committees have the authority and responsibility delegated to them by the board of directors.

Board Leadership and Risk Oversight

The board leadership structure consists of a non-employee Chairman, which the board believes is appropriate for the Company at this time. The board of directors is primarily responsible for overseeing the Company's risk management processes. This responsibility has been delegated by the board of directors to the Audit Committee and the Compensation Committee, each with respect to the assessment of the Company's risks and risk management in its respective areas of oversight.

Compensation Committee

Currently, the Compensation Committee consists of Messrs. Sabin (Chairman), Elsztain and MacDonald. All current members of the Compensation Committee are independent within the meaning of the NYSE American listing standards. This committee makes recommendations to the board regarding executive compensation policy, the actual compensation of Directors and executive officers, and any benefit plans for the Company's management team. The Compensation Committee held eight meetings during 2017. The committee operates pursuant to a written charter adopted by the board of directors. A copy of the charter is available on our website at <http://condorhospitality.com> in the Investor Relations section under "Governance Docs."

Nominating Committee

Currently, the Nominating Committee consists of Messrs. Landry (Chairman), Elsztain and MacDonald. The committee operates pursuant to a written charter adopted by the board of directors. A copy of the charter is

Table of Contents

available on our website at <http://condorhospitality.com> in the Investor Relations section under “Governance Docs.”

Under its charter, the Nominating Committee is to consist of not less than three members. Each member of the Nominating Committee is independent within the meaning of the NYSE American listing standards.

The Nominating Committee is responsible for selecting those individuals to recommend for election to the board. The Nominating Committee will consider shareholder nominations for directors if made (1) in writing by a shareholder entitled to vote in the election of Directors generally and (2) pursuant to the company bylaws. In order to be considered, in accordance with the Company’s bylaws, shareholder nominations must be received by the Secretary, at the Company’s office in Bethesda, Maryland, not later than (1) with respect to an election to be held at an annual meeting of shareholders, 90 days in advance of such meeting, and (2) with respect to an election to be held at a special meeting of shareholders for the election of Directors, the close of business on the 7th day following the date on which notice of such meeting is first given to shareholders.

In order to be valid, a shareholder nomination must set forth (1) the name and address of the shareholder who intends to make the nomination; (2) the name and address of the person or persons to be nominated; (3) a representation that the shareholder is a record holder of stock of the Company entitled to vote at the meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (4) a description of all arrangements or understandings between the shareholder and each nominee and any other person or persons (naming such persons) pursuant to which the shareholder is making the nomination; (5) such other information regarding each nominee proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC, had the nominee been nominated, or intended to be nominated, by the board of directors; and (6) the written consent of each nominee to serve as a director if elected. Any candidates submitted by a shareholder or shareholder group are reviewed and considered in the same manner as all other candidates.

The Nominating Committee identifies director nominees through a combination of referrals, including by management, existing board members and shareholders, and direct solicitations, where warranted. Although the Nominating Committee has not used a professional search firm in the recent past to find potential directors, it has considered doing so and may elect to do so in the future. Once a candidate has been identified the Nominating Committee reviews the individual’s experience and background, and may discuss the proposed nominee with the source of the recommendation. If the committee believes it to be appropriate, committee members may meet with the proposed nominee before making a final determination whether to recommend the individual as a nominee to the entire board of directors to stand for election to the board.

Among the factors that the committee considers when evaluating proposed nominees are their experience in the hospitality industry and knowledge of and experience in business matters, finance, capital markets and mergers and acquisitions. The committee may request references and additional information from the candidate prior to reaching a conclusion. The committee is under no obligation to formally respond to recommendations, although as a matter of practice, every reasonable effort is made to do so.

StepStone currently has the right to have up to three directors nominated for election, and RES currently has the right to have up to three directors nominated for election. See “Certain Relationships and Transactions” below.

The Nominating Committee held four meetings during 2017.

Audit Committee

Currently, the Audit Committee consists of Messrs. Sabin (Chairman), Friend and Wall. All members of the Audit Committee are independent within the meaning of the NYSE American listing standards. The Audit

Table of Contents

The board of directors has determined that Mr. Sabin is an audit committee financial expert within the meaning of regulations of the SEC and all members of the Audit Committee are financially literate. The Audit Committee operates pursuant to a written charter adopted by the board of directors. A copy of the charter is available on our website at <http://condorhospitality.com> in the Investor Relations section under "Governance Docs." The Audit Committee held eight meetings during 2017. The Audit Committee has a written policy with respect to its review and approval or ratification of transactions between the Company and a director, executive officer or related person covered by the SEC's rule S-K 404(a).

Investment Committee

Currently, the Investment Committee currently consists of Ms. Dufresne and Messrs. Landry (Chairman), Elsztain and Calahan. The Investment Committee's primary responsibility is to review and approve or reject the Company's proposed acquisition and divestiture of hotel properties, other investments in hotel properties, or other Company assets. The committee approves guidelines and processes for acquisitions to be presented to the board of directors, makes recommendations to the board and senior management regarding acquisitions, reviews due diligence and financial analysis for hotel acquisition, divestiture and investments, and makes recommendations on the board's acquisition and divestment strategies. The committee has the authority to approve hotel acquisitions within the purchase price authority as set by the board from time to time, and to approve of any hotel divestiture in accordance with divestiture strategy established by the board.

Shareholder Communications with the Board of Directors

No executive officer of the Company served as a member of the compensation committee or as a director of any company where an executive officer of such company is a member of the Compensation Committee or is a director of the Company.

Certain Relationships and Related Transactions

As of March 9, 2018, the record date for holders of common stock to vote at the Annual Meeting, RES beneficially owns approximately 28.5% of our outstanding common stock, and SREP beneficially owns approximately 24.2% of our outstanding common stock. By virtue of their significant voting power and certain governance rights, RES and SREP each have the power to significantly influence our business and affairs and the outcome of matters required to be submitted to shareholders for approval, including the election of our directors, amendments to our charter, mergers or sales of assets. RES or SREP's influence over our business and affairs may not be consistent with the interests of some or all of our shareholders.

Voting Rights of Series E Preferred Stock. RES and SREP beneficially own all outstanding shares of the Series E Preferred Stock. On February 28, 2017, the Company entered into agreements with RES and IRSA and

Table of Contents

with SREP and StepStone for the voluntary conversion by them of all of the shares of the Company's 6.25% Series D Cumulative Convertible Preferred Stock (the "Series D Preferred Stock") into common stock, pursuant to the terms of the Series D Preferred Stock, and for the issuance of shares of the Series E Preferred Stock to RES and SREP.

The holders of the Series E Preferred Stock have the right to vote separately as a class on matters generally affecting the Series E Preferred Stock. Additionally, as long as 434,750 shares of Series E Preferred Stock (47% of the originally issued shares of Series E Preferred Stock) remain outstanding, then 75% approval of the Series E Preferred Stock will be required to approve significant corporate events as follows: merger, consolidation, liquidation or winding up of Condor, related party transactions exceeding \$120,000, payment of dividends on common stock except from funds from operations or to maintain REIT status, the grant of exemptions from Condor's charter limitation on ownership of 9.9% of any class or series of its securities (exclusive of SREP and RES), issuance of preferred stock, or commitment or agreement to do any of the foregoing.

Directors Designation Rights. The Company entered into an agreement on February 1, 2012 with RES and IRSA pursuant to which RES may designate the following number of directors to the board of directors if it beneficially owns the indicated percentage of voting power of the Company.

<u>Voting Power</u>	<u>No. of Directors</u>
34% or more	4
22% or more but less than 34%	3
14% or more but less than 22%	2
7% or more but less than 14%	1

The Company entered into an agreement on March 16, 2016 with SREP and StepStone pursuant to which StepStone may nominate the following number of directors if it beneficially owns the indicated percentage of voting power of the Company:

<u>Voting Power</u>	<u>No. of Directors</u>
22% or more but less than 34%	3
14% or more but less than 22%	2
7% or more but less than 14%	1

Each of RES and StepStone in their respective agreements with us has agreed to vote for the election of the incumbent members of the board of directors and their successors nominated by the Nominating Committee.

Table of Contents

Board Size. We have agreed with each of RES and StepStone to maintain the size of our board of directors at nine members. If the outstanding shares of Series E Preferred Stock declines below 434,750 shares (47% of the original outstanding shares of Series E Preferred Stock), the holders of the Series E Preferred Stock will no longer have rights for a class vote to approve or consent to certain actions by the Company described above. If those voting rights are no longer available and SREP holds 15% or more of the voting power of the Company, the Company has agreed with SREP to reduce the size of board of directors to seven members. Similarly, if those voting rights are no longer available and RES holds 15% or more of the voting power of the Company, the Company has agreed with RES to reduce the size of the board of directors to seven members. If the size of the board of directors of the Company is reduced to seven members, StepStone's and RES's respective rights to designate directors for election to the board of directors based on their percentage of voting power would also change to the following:

<u>Voting Power</u>	<u>No. of Directors</u>
29% or more	3
Less than 29% but 15% or more	2
Less than 15% but 7% or more	1

Future Offerings. Prior to March 16, 2021, and provided that the Series E Preferred Stock is outstanding and SREP holds 14% or more of the voting control of the Company, the Company has agreed with SREP and StepStone that with respect to the issuance of common stock, or securities convertible into common stock ("Future Offering") (exclusive of the issuance of common stock with respect to certain commitments, and certain existing long-term incentive plan or operating units of the Company's operating partnership and certain future compensation awards), the Company will not without the consent of SREP:

- until an aggregate of \$100 million of common stock has been sold, issue common stock below the price of \$10.40 per share, or securities convertible into common stock with a real or effective conversion or strike price below \$10.40 per share of common stock; and
- thereafter issue common stock below the price of \$11.18 per share, or securities convertible into common stock with a real or effective conversion or strike price below \$11.18 per share of common stock.

If SREP does not consent with respect to a Future Offering that requires its consent, then the Company may make an irrevocable offer to SREP to repurchase all shares of Series E Preferred Stock and common stock received by SREP on conversion of Series E Preferred Stock and Series D Preferred Stock. The repurchase price will be equal to the greater of:

- an aggregate amount equal to (A) 120% of the liquidation preference of Series E Preferred Stock beneficially owned by SREP plus (B) 120% of the then-current conversion price of the Series E Preferred Stock for each share of common stock beneficially owned by SREP that were issued upon conversion of any Series D Preferred Stock or Series E Preferred Stock, or
- in exchange for the Series E Preferred Stock and common stock issued upon conversion of any Series D Preferred Stock and Series E Preferred Stock, an amount equal to 95% of the aggregate net asset value of the Company per share multiplied by the number of shares of common stock beneficially owned by SREP that were issued upon conversion of any Series D Preferred Stock and Series E Preferred Stock, and shares of common stock issuable upon conversion of Series E Preferred Stock (regardless of whether the Series E Preferred Stock is convertible at such time).

Such repurchase offer, if accepted by SREP, will be conditioned upon, and the repurchase will occur concurrently with, the closing of the Future Offering.

The Company also has an agreement with RES and IRSA with respect to a Future Offering which provides the same consent and repurchase rights with respect to RES.

Table of Contents

Preemptive Rights. Pursuant to agreements with RES and StepStone, the Company granted each of RES and StepStone the right to purchase the Company's equity shares or securities convertible into its equity shares in the Company's public and non-public offerings of its equity securities or securities convertible into its equity securities for cash proportional to their respective combined fully diluted beneficial ownership of our common stock (including common stock issuable upon conversion of the Series E Preferred Stock, if then convertible) at the same price and on the same terms as offered to others in the offering. The purchase right terminates on January 31, 2019, or later on January 31, 2021 for RES and/or StepStone, if RES or StepStone, respectively, beneficially own at least 1,538,461 shares of common stock at the time of the offering. The purchase right does not apply to issuances of equity securities (a) as employee equity awards or (b) for consideration in acquisition transactions.

Base salary is intended to compensate the executive for satisfying the requirements of the position. The Compensation Committee has approved base salaries for 2018 for the four named executive officers, J. ITEM 2: APPROVAL OF AMENDMENT TO THE 2016 STOCK PLAN

General

The board of directors recognizes the value of stock incentives in assisting the Company in the hiring and retaining of management personnel and in enhancing the long-term mutuality of interest between the Company shareholders and its directors, officers and employees. The Board has approved, and the shareholders are being asked to approve, an amendment to the Company 2016 Stock Plan, (the "Plan") to increase the number of shares available under the Plan by 300,000 shares. The Board has approved this amendment to the Plan, and is recommending approval of the amendment by the shareholders, to provide greater flexibility to the Compensation Committee of the Board (the "Committee") in awarding performance-based equity awards and in developing equity incentive plans.

461,538 shares of common stock were originally approved for issuance under the Plan and 309,138 shares remain currently available for issuance under the Plan. The Plan was previously approved by the shareholders on June 15, 2016 annual meeting of shareholders. The principal features of the Plan are summarized below. As of the date of this proxy statement, there are no options granted under the Plan.

Administration. Under the Plan, the Compensation Committee may grant stock options, stock appreciation rights, restricted stock, restricted stock units, performance shares, deferred stock units and other forms of stock-based compensation to directors, officers and other employees of the Company and its subsidiaries. The number of grantees may vary from year to year. The number of employees and directors currently eligible to participate in the Plan is estimated to be approximately 24. The Compensation Committee administers the Plan and its determinations are binding upon all persons participating in the Plan.

Available Shares. The maximum number of shares of the Company's common stock that may be issued under the Plan prior to this requested amendment is 309,138. Any shares of common stock subject to an award under the Plan which for any reason is cancelled, terminated or otherwise settled without the issuance of any common stock are again available for awards under the Plan. Shares of stock subject to options or stock appreciation rights shall be deducted from the Plan share reserve based on the gross number of shares of stock exercised, and the shares of stock subject to an award that are retained by the Company or tendered to the Company to pay the exercise price or withholding taxes shall not become available again for issuance under the Plan. Any shares repurchased by the Company in the open market shall not increase the number of shares available for issuance under the Plan.

The shares may be unissued shares or treasury stock. If there is a stock split, stock dividend, recapitalization, spinoff, exchange or other similar corporate transaction or event affecting the Company's common stock, appropriate adjustments shall be made by the Compensation Committee in the number of shares issuable in the future and in the number of shares and price under all outstanding grants made before the event.

Grants Under The Plan

Stock Options for Employees: The Compensation Committee may grant employees nonqualified options and options qualifying as incentive stock options. The option price of either a nonqualified stock option or an incentive stock option will be the fair market value of the common stock on the date of grant. Options qualifying as incentive stock options must meet certain requirements of the Internal Revenue Code. The Compensation Committee shall determine the methods of payment upon exercising an option, which may include paying the option price in cash, or withholding shares otherwise issuable on exercise of the option, or delivering other shares of common stock. The term of each option will be fixed by the Compensation Committee but may not exceed ten years from the date of grant. The Compensation Committee will determine the time or times when each option is exercisable. Options may be made exercisable in installments, and the exercisability of options may be accelerated by the Compensation Committee. Other than in connection with a change in capitalization (as

Table of Contents

described above), the exercise price of a stock option may not be reduced. Stock options may not be granted under the Plan in consideration for the delivery of the Company common stock in payment of the exercise price or tax withholding under any other stock option, i.e., no “reloads”. Unless otherwise provided by the Compensation Committee at the time of grant, if the employment of an optionholder is involuntarily terminated within one year of a change-in-control of the Company (as defined in the Plan), then all outstanding options of such employee become immediately exercisable.

Stock Options of Acquired Companies: The Compensation Committee may also grant stock options in replacement of or upon assumption of options previously issued by companies acquired by the Company by merger or stock purchase. Any options so replaced or assumed may have the same terms including exercise price as the options so replaced or assumed. Any such options shall not count against the share reserve limits.

Stock Appreciation Rights: The Compensation Committee may grant a stock appreciation right (a “SAR”) in conjunction with an option granted under the Plan or separately from any option. Each SAR granted in tandem with an option may be exercised only to the extent that the corresponding option is exercised, and such SAR terminates upon termination or exercise of the corresponding option. Upon the exercise of a SAR granted in tandem with an option, the corresponding option will terminate. SAR’s granted separately from options may be granted on such terms and conditions as the Compensation Committee establishes; however, the term of each SAR may not exceed ten years from the date of grant. If an employee exercises a SAR, the employee will generally receive a payment equal to the excess of the fair market value at the time of exercise of the shares with respect to which the SAR is being exercised over the price of such shares as fixed by the Compensation Committee at the time the SAR was granted; the price fixed by the Compensation Committee at the time the SAR was granted will be the fair market value of the common stock on the date of grant. Payment may be made in cash, in shares of the Company common stock, or any combination of cash and shares as the Compensation Committee determines. Other than in connection with a change in capitalization (as described above), the exercise price of a stock appreciation right may not be reduced. Unless otherwise provided by the Compensation Committee at the time of grant, if the employment of an SAR holder is involuntarily terminated within one year of a change-in-control (as defined in the Plan) of the Company, then all outstanding SARs of such employee become immediately exercisable.

Restricted Stock: The Compensation Committee may grant awards of restricted stock to employees under the Plan. The restrictions on such shares shall be established by the Compensation Committee, which may include restrictions relating to continued employment and the Company financial performance. The Compensation Committee may issue such restricted stock awards without any cash payment by the employee, or with such cash payment as the Compensation Committee may determine. Unless otherwise provided by the Compensation Committee at the time of grant, if the employment of a restricted stock/unit holder is involuntarily terminated within one year of a change-in-control of the Company (as defined in the Plan), all restrictions for such employee lapse. The Compensation Committee has the right to accelerate the vesting of restricted shares and to waive any restrictions. The Compensation Committee intends to grant acceleration or waiver of restricted stock provisions only in the case of special circumstances.

Other Stock-Based Awards: The Compensation Committee may grant other stock-based awards and other awards to participants under the Plan that are based in whole or in part by reference to, or otherwise based on the fair market value of the Company common stock, on such terms as the Compensation Committee may determine. Such awards may include restricted stock units, which may be settled in common stock or otherwise, performance share awards which are the subject of one or more performance criteria, and deferred stock units, which entitle the participant to receive shares (or cash or other property if so determined by the Compensation Committee) at a future time. The Compensation Committee may make appropriate provision for the effect of a change-in-control (as defined in the Plan) on restricted stock units, deferred stock units, and performance-based awards. For participants covered by any Company executive incentive plan, the performance measures for performance share awards will be those designated in such plan.

Table of Contents

Dividend Equivalent Right: No dividends nor dividend equivalents shall be paid on stock options or stock appreciation rights. The Compensation Committee may provide, in connection with the grant of restricted stock or other stock-based awards, that any dividends declared on common stock or dividend equivalents be paid to the participant, accumulated for the benefit of the participant and paid to the participant after the expiration of any restrictions, or not paid or accumulated.

Director Participation: Non-employee directors may receive awards under the Plan upon approval by the board of directors. With respect to awards to such directors, all rights, powers and authorities vested in the Compensation Committee under the Plan are instead to be exercised by the board.

Tax Withholding: The Compensation Committee may permit an employee to satisfy applicable federal, state and local tax withholding requirements through the delivery to the Company of previously-acquired shares of common stock or by having shares otherwise issuable under the Plan withheld by the Company.

Other Information: Except as permitted by the Compensation Committee, awards under the Plan are not transferable except by will or under the laws of descent and distribution. Unless terminated by action of the board, the Plan will continue in effect until June 15, 2026, but awards granted prior to such date will continue in effect until they expire in accordance with their original terms. The board may also amend the Plan as it deems advisable. Amendments which (1) materially modify the requirements for participation in the Plan, (2) increase the number of shares of the Company common stock subject to issuance under the Plan, (3) change the minimum exercise price for stock options as provided in the Plan, (4) eliminate the prohibitions on repricing and reloads, or (5) extend the term of the Plan must be submitted to shareholders for approval. No amendment or termination shall affect the rights of any participant with respect to a previously granted award without the written consent of the participant.

Federal Income Tax Consequences

With respect to incentive stock options, if the holder of an option does not dispose of the shares acquired upon exercise of the option within one year from the transfer of such shares to such employee, or within two years from the date the option to acquire such shares is granted, then for federal income tax purposes (1) the optionee will not recognize any income at the time of exercise of the option; (2) the excess of the fair market value of the shares as of the date of exercise over the option price will constitute an “item of adjustment” for purposes of the alternative minimum tax; and (3) the difference between the option price and the amount realized upon the sale of the shares by the optionee will be treated as a long-term capital gain or loss. the Company will not be allowed a deduction for federal income tax purposes in connection with the granting of an incentive stock option or the issuance of shares thereunder.

With respect to the grant of options which are not incentive stock options, the person receiving an option will recognize no income on receipt thereof. Upon the exercise of the option, the optionee will recognize ordinary income in the amount of the difference between the option price and the fair market value of the shares on the date the option is exercised. the Company generally will receive an equivalent deduction at that time.

With respect to restricted stock awards and other stock awards, an amount equal to the fair market value of the Company shares distributed to the employee (in excess of any purchase price paid by the employee) will be includable in the employee’s gross income at the time of receipt unless the award is not transferable and subject to a substantial risk of forfeiture as defined in Section 83 of the Internal Revenue Code (a “Forfeiture Restriction”). If an employee receives an award subject to a Forfeiture Restriction, the employee may elect to include in gross income the fair market value of the award. In the absence of such an election, the employee will include in gross income the fair market value of the award subject to a Forfeiture Restriction on the earlier of the date such restrictions lapse or the date the award becomes transferable. the Company generally is entitled to a deduction at the time and in the amount that the income is included in the gross income of an employee.

Table of Contents

With respect to restricted stock units, deferred stock units, performance shares and stock appreciation rights, the amount of any cash (or the fair market value of any common stock) received will be subject to ordinary income tax in the year of receipt of the stock or cash and the Company generally will be entitled to a deduction for such amount.

Vote Required

The favorable vote of the holders of a majority of the votes represented by the outstanding shares of common stock present in person or represented by proxy at the meeting and entitled to vote at the annual meeting is required for approval of this amendment of the Plan.

APPROVAL OF AMENDMENT TO THE 2016 STOCK PLAN.**

AUDIT COMMITTEE REPORT

The Audit Committee of the board of directors is comprised of three Directors, each of whom satisfies the independence and financial literacy requirements of the NYSE American listing standards. The board of directors has determined that Mr. Sabin is an audit committee financial expert (as defined by the Securities and Exchange Commission) and that all members of the Audit Committee are financially literate. The Audit Committee operates under a written charter adopted by the board of directors. The Audit Committee reviews and reassesses the charter annually and recommends any changes to the board for approval. Management is responsible for the Company's internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with U.S. generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes. In this context, the Audit Committee has met and held discussions with management and KPMG LLP ("KPMG"), the Company's independent registered public accounting firm for the fiscal year ended December 31, 2017.

Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee has reviewed and discussed the audited consolidated financial statements with management and KPMG.

The Audit Committee received from and discussed with KPMG the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence. The Audit Committee also discussed with KPMG any matters required to be discussed by Auditing Standard No. 1301, Communications with Audit Committee, as amended, as adopted by the Public Company Accounting Oversight Board relating to communications between the Audit Committee and the independent auditors.

Based upon the Audit Committee's discussions with management and KPMG and the Audit Committee's review of the representation of management and the report of KPMG to the Audit Committee, the Audit Committee recommended that the board of directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2017 filed with the Securities and Exchange Commission.

ITEM 3. RATIFICATION OF THE SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Year Ended December 31,	2017	2016
Audit Fees(1)	\$ 633,115	\$ 558,253
Audit Related Fees	0	0
Tax Fees(2)	334,965	380,852
All Other Fees	0	0
Total	\$ 968,080	\$ 939,105

- (2) Includes fees billed for professional services rendered by KPMG for tax compliance, tax advice, and tax planning.

The Audit Committee has determined that the provision of the non-audit services performed by KPMG during the 2017 and 2016 fiscal years is compatible with maintaining KPMG's independence from the Company.

Pursuant to the terms of the Company's Audit Committee Charter, the Audit Committee is responsible for the appointment, compensation and oversight of the work performed by the Company's independent accountants. The Audit Committee, or a designated member of the Audit Committee, must pre-approve all audit (including audit-related) and non-audit services performed by the independent accountants in order to assure that the provisions of such services do not impair the accountants' independence. The Audit Committee has delegated interim pre-approval authority to Mr. Sabin, Chairman of the Audit Committee. Any interim pre-approval of permitted non-audit services is required to be reported to the Audit Committee at its next scheduled meeting.

KPMG's principal function is to audit the consolidated financial statements of the Company and its subsidiaries and, in connection with that audit, to review certain related filings with the SEC and to conduct limited reviews of the financial statements included in the Company's quarterly reports.

The Audit Committee has appointed KPMG as the Company's independent registered public accounting firm for fiscal year 2018 and requests that shareholders ratify this appointment. A representative of KPMG is expected to be present at the Annual Meeting and will have the opportunity to make a statement and to respond to appropriate questions. In the event the shareholders do not ratify the appointment, the appointment will be reconsidered by the Audit Committee.

The Board of Directors Recommends a Vote "FOR" Item 3.

SECTION 6

6.1 GRANT OF OPTIONS. Options may be granted to Participants at such time or times as shall be determined by the Committee. Options granted under the Plan may be of two types: (i) Incentive Stock Options and (ii) Nonstatutory Stock Options. The Committee shall have complete discretion in determining the number of Options, if any, to be granted to a Participant. Each Option shall be evidenced by an Option agreement that shall specify the type of Option granted, the exercise price, the duration of the Option, the number of shares of Stock to which the Option pertains, the exercisability (if any) of the Option in the event of death, retirement, disability or termination of employment, and such other terms and conditions not inconsistent with the Plan as the Committee shall determine. Options may also be granted in replacement of or upon assumption of options previously issued by companies acquired by the Company by merger or stock purchase, and any options so replaced or assumed may have the same terms including exercise price as the options so replaced or assumed; any such options shall not count against the limits established in Section 5.1.

The Committee may approve other methods of payment.

6.5 INCENTIVE STOCK OPTIONS. Notwithstanding anything in the Plan to the contrary, no term of this Plan relating to Incentive Stock Options shall be interpreted, amended or altered, nor shall any discretion or authority granted under the Plan be so exercised, so as to disqualify the Plan under Section 422 of the Code, or, without the consent of any Participant affected thereby, to cause any Incentive Stock Option previously granted to fail to qualify for the Federal income tax treatment afforded under Section 421 of the Code.

6.6 NO REPRICING. Other than in connection with the change in capitalization (as described in Section 5.3 of the Plan), the terms of Awards may not be amended to reduce the exercise price of Options or Stock Appreciation Rights or cancel outstanding Options or Stock Appreciation Rights in exchange for cash, other awards or Options or Stock Appreciation Rights with an exercise price that is less than the exercise price of the original Option or Stock Appreciation Right.
