Item 3.02. Unregistered Sales of Equity Securities

In March 2019, InPoint Commercial Real Estate Income, Inc. (the “Company”) completed the sale of 498,528 shares of its Class P common stock (“Class P Shares”), par value \$0.001 per share, for an aggregate purchase price of approximately \$13,486,803. The sale of such shares was made in connection with the private placement of up to \$500 million of Class P Shares to accredited investors which commenced on October 25, 2016 (the “Offering”). The Company is conducting the Offering pursuant to Section 4(a)(2) of the Securities Act of 1933, as amended, and Rule 506 of Regulation D promulgated thereunder.

Pursuant to the Offering, the purchase price per Class P Share is the transaction price, which shall equal \$25.00 per Class P Share prior to the date that the Company determines its net asset value per Class P Share, plus applicable selling commissions, dealer manager fees and organization and offering expenses, resulting in a maximum total initial purchase price of \$27.38 per Class P Share. Except for the special sales or volume discounts described below, in connection with the sale of the Class P Shares, the Company will pay its affiliated dealer manager, Inland Securities Corporation, selling commissions of up to 5.0% of the transaction price and a dealer manager fee of up to 3.0% of the transaction price. All selling commissions will be and a portion of the dealer manager fees may be reallocated to third-party broker-dealers participating in the Offering. Participating broker-dealers may elect to receive reduced reallocations of selling commissions or the dealer manager fee in connection with any sale of Class P shares, and any such reduction will be credited to the investor in the form of additional Class P shares, by correspondingly reducing the aggregate purchase price payable by the investor for such Class P shares.

The Company will not pay selling commissions, but will pay the full 3% dealer manager fee, in connection with certain sales of Class P shares, and the Company will not pay selling commissions, but will pay a 1.5% dealer manager fee, in connection with certain other sales of Class P shares. Certain affiliated parties may purchase Class P shares for the transaction price with no payment of selling commissions, dealer manager fees or organization and offering expenses. In addition, the Company offers volume discounts above certain thresholds purchased through the same participating dealer, reducing the reallocable selling commission payable.

As of the date of this filing, pursuant to the Offering, the Company has sold Class P shares for a total gross proceeds of approximately \$204,514,592 to accredited investors. Each holder has represented that he or she is an accredited investor, as that term is defined in Regulation D, and has acquired the Class P Shares for investment purposes only and not with a view to or for sale in connection with any distribution thereof.
