Exhibit 99.3

VORNADO REALTY TRUST AND VORNADO REALTY L.P. UNAUDITED PRO FORMA CONSOLIDATED FINANCIAL INFORMATION

On April 18, 2019 (the "Closing Date"), Vornado Realty Trust ("VNO") and Vornado Realty L.P. ("VRLP" and collectively, "Vornado") entered into a transaction agreement (the "Transaction Agreement") with a group of institutional investors (the "Investors"). The Transaction Agreement provides for a series of transactions (collectively, the "Transaction") pursuant to which (i) prior to the Closing Date, VRLP contributed its interests in properties located at 640 Fifth Avenue, 655 Fifth Avenue, 666 Fifth Avenue, 689 Fifth Avenue, 697-703 Fifth Avenue, 1535 Broadway and 1540 Broadway (collectively, the "Properties") to subsidiaries of a newly formed joint venture (the "Fifth Avenue and Times Square JV") and (ii) on the Closing Date, transferred a 48.5% common interest in Fifth Avenue and Times Square JV to the Investors. The 48.5% common interest in the joint venture represents an effective 47.2% interest in the Properties. The Properties include approximately 489,000 square feet of retail space, 327,000 square feet of office space, signage associated with 1535 and 1540 Broadway, the parking garage at 1540 Broadway and the theatre at 1535 Broadway.

Vornado retained the remaining 51.5% common interest in Fifth Avenue and Times Square JV which represents an effective 51.0% interest in the Properties and an aggregate \$1.828 billion of preferred equity interests in certain of the properties. The preferred equity has an annual coupon of 4.25% for the first five years, increasing to 4.75% for the next five years and thereafter at a formulaic rate. It can be redeemed under certain conditions on a tax deferred basis.

Net cash proceeds to Vornado from the Transaction are approximately \$1.198 billion, after (i) deductions for the repayment of a \$390 million mortgage loan on 666 Fifth Avenue and a \$140 million mortgage loan on 655 Fifth Avenue, (ii) anticipated proceeds from a new \$500 million mortgage loan on 640 Fifth Avenue, (iii) \$26 million used to purchase noncontrolling investors' interests and (iv) \$56 million of estimated transaction costs.

The Transaction values the Properties at \$5.556 billion resulting in a financial statement net gain of approximately \$2.6 billion from the

Transaction and the related step-up in Vornado's basis of the assets to fair value. The net gain will be recognized in Vornado's consolidated statements of income for the three months ended June 30, 2019. Vornado's tax gain is approximately \$735 million. Vornado continues to manage the Properties and shares control over major decisions of the joint venture. Accordingly, the Properties will be deconsolidated and the joint venture will be accounted for under the equity method from the date of transfer.

The joint venture assumed a \$450 million mortgage loan on 697-703 Fifth Avenue. The new \$500 million mortgage loan on 640 Fifth Avenue is anticipated to be completed in the near future, is expected to be for five years at an interest rate of LIBOR plus 101 basis points and will be guaranteed by Vornado. Until the new mortgage closes, Vornado will retain \$500 million of preferred equity interests in addition to the \$1.828 billion referenced above. The accompanying unaudited pro forma financial information reflects the anticipated closing of this mortgage loan.

The table below summarizes Vornado's effective ownership interests in the Properties transferred to Fifth Avenue and Times Square JV and Vornado's preferred equity interests following the Transaction and the anticipated closing of the mortgage loan on 640 Fifth Avenue:

(Amounts in thousands)	<u>Vornado's Effective Ownership Interest Percentage</u>	<u>Vornado's Preferred Equity Interests</u>

		<u>\$ 1,827,750</u>

The accompanying unaudited pro forma consolidated balance sheets of VNO and VRLP as of December 31, 2018 are presented as if the Transaction had occurred on December 31, 2018. The accompanying unaudited pro forma consolidated statements of income of VNO and VRLP for the year ended December 31, 2018 are presented as if the Transaction had occurred on January 1, 2018. Adjustments have been made to the consolidated balance sheets and statements of income to reflect factually supportable items that are directly attributable to the Transaction, and with respect to the consolidated statements of income, are expected to have a continuing impact on the consolidated results of VNO and VRLP.

The accompanying unaudited pro forma financial information reflects all adjustments that, in the opinion of management, are necessary to present fairly the pro forma results of operations and financial position of VNO and VRLP as of and for the periods indicated. In management's opinion, these pro forma adjustments have been developed on a reasonable and rational basis; however, the retrospectively adjusted results of operations and financial position for the indicated periods when reported in VNO and VRLP's post-Transaction periodic reports will differ from the pro forma financial information presented herein. The accompanying unaudited pro forma consolidated financial information is presented for illustrative and informational purposes only and is not intended to represent or be indicative of the financial condition or results of operations that would have actually occurred had the Transaction taken place during the periods presented. In addition, the accompanying unaudited pro forma financial information does not reflect actions that may be undertaken by VNO and VRLP after the Transaction. The unaudited pro forma financial information should be read in conjunction with the notes thereto and with the "Management's Discussion and Analysis of Financial Condition and Results of Operations" and the historical consolidated financial statements and accompanying notes thereto included in the combined VNO and VRLP Annual Report on Form 10-K for the year ended December 31, 2018.

The "As Reported" columns in the accompanying unaudited pro forma consolidated balance sheets and the unaudited pro forma consolidated statements of income reflect VNO and VRLP's historical financial positions as of December 31, 2018 and historical results of operations for the year ended December 31, 2018, prior to any adjustment for the Transaction and the pro forma adjustments described below. The amounts under the "Adjustments" columns in the accompanying unaudited pro forma consolidated balance sheets and the unaudited pro forma consolidated statements of income are more fully described in the notes to the accompanying unaudited pro forma consolidated financial information.
