Forward-Looking Statements

This presentation contains forward-looking statements that involve risks and uncertainties. All statements, other than statements of historical fact, included in this presentation, including without limitation, statements regarding projections, future financing needs, and statements regarding future plans and objectives of the Company, are forward-looking statements. Words such as "believes," "expects," "anticipates," "intends," "plans," "estimates" and similar expressions are intended to identify forward-looking statements. These forward-looking statements are based upon the current expectations of management and certain assumptions that are subject to risks and uncertainties. Accordingly, there can be no assurance that such risks and uncertainties will not affect the accuracy of the forward-looking statements contained herein or that our actual results will not differ materially from the results anticipated in such forward-looking statements. Such factors include, but are not limited to, the following: the cyclical nature of the aerospace market, the level of U.S. defense spending, production rates for commercial and military aircraft programs, competitive pricing pressures, start-up costs for new programs, technology and product development risks and uncertainties, product performance, increasing consolidation of customers and suppliers in the aerospace industry and costs resulting from changes to and compliance with applicable regulatory requirements. The information contained in this presentation is qualified in its entirety by cautionary statements and risk factors disclosed in the Company's Securities and Exchange Commission filings, including its Annual Report on Form 10-K filed on March 8, 2017, available at <http://www.sec.gov>, and quarterly report on Form 10-Q for the three months ended March 31, 2017, filed on May 10, 2017.

We caution readers not to place undue reliance on any forward-looking statements, which speak only as of the date hereof and for which the Company assumes no obligation to update or revise the forward-looking statements herein.
