### **SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS**

This prospectus and the documents incorporated by reference herein contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the "Securities Act"), and Section 21E of the Exchange Act, which are subject to the "safe harbor" created by those sections. Forward-looking statements are based on our management's beliefs and assumptions and on information currently available to our management. In some cases, you can identify forward-looking statements by terms such as "may," "will," "should," "could," "goal," "would," "expect," "plan," "intend," "anticipate," "believe," "estimate," "project," "predict," "potential," "continue" and similar expressions intended to identify forward-looking statements.

---

## Table of Contents

Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause our actual results, levels of activity, performance or achievements to differ from those expressed or implied by the forward-looking statements. These factors include the following:

- a failure to maintain adequate levels of capital and liquidity to support our operations;
- the effect of potential future supervisory action against us or Hanmi Bank;
- our ability to remediate any material weakness in our internal controls over financial reporting;
- general economic and business conditions internationally, nationally and in those areas in which we operate;
- volatility and deterioration in the credit and equity markets;
- changes in consumer spending, borrowing and savings habits;
- availability of capital from private and government sources;
- demographic changes;
- competition for loans and deposits and failure to attract or retain loans and deposits;
- fluctuations in interest rates and a decline in the level of our interest rate spread;
- risks of natural disasters;
- a failure in or breach of our operational or security systems or infrastructure, including cyberattacks;
- the failure to maintain current technologies;
- our inability to successfully implement future information technology enhancements;
- difficult business and economic conditions that can adversely affect our industry and business, including competition and lack of soundness of other financial institutions, fraudulent activity and negative publicity;
- risks associated with Small Business Administration loans;
- failure to attract or retain key employees;
- our ability to access cost-effective funding;
- fluctuations in real estate values, which could affect collateral for loans and cause loan losses to increase;
- changes in accounting policies and practices;
- the imposition of tariffs or other domestic or international governmental policies impacting the value of the products of our borrowers;
- changes in governmental regulation, including, but not limited to, any increase in FDIC insurance premiums;
- the ability of Hanmi Bank to make distributions to Hanmi Financial Corporation, which is restricted by certain factors, including Hanmi Bank's retained earnings, net income, prior distributions made, and certain other financial tests;
- our ability to identify a suitable strategic partner or to consummate a strategic transaction;
- the adequacy of our allowance for credit losses;
- our credit quality and the effect of credit quality on our provision for loan losses and allowance for credit losses;

---

## Table of Contents

- changes in the financial performance and/or condition of our borrowers and the ability of our borrowers to perform under the terms of their loans and other terms of credit agreements;
- our ability to control expenses;
- changes in securities markets; and
- risks as it relates to cyber security against our information technology and those of our third-party providers and vendors.

Further, given its ongoing and dynamic nature, it is difficult to predict the full impact of the COVID-19 outbreak on our business. The extent of such impact will depend on future developments, which are highly uncertain, including when the coronavirus can be controlled and abated and whether the gradual reopening of businesses will result in a meaningful increase in economic activity. As the result of the COVID-19 pandemic and the related adverse local and national economic consequences, we could be subject to any of the following risks, any of which could have a material, adverse effect on our business, financial condition, liquidity, and results of operations:

- demand for our products and services may decline;
- if the economy is unable to substantially reopen, and high levels of unemployment continue for an extended period of time, loan delinquencies, problem assets, and foreclosures may increase;
- collateral for loans, especially real estate, may decline in value, which could cause loan losses to increase;
- our allowance for credit losses may have to be increased if borrowers experience financial difficulties;
- a worsening of business and economic conditions or in the financial markets could result in an impairment of certain intangible assets, such as goodwill or our servicing assets;
- the net worth and liquidity of loan guarantors may decline, impairing their ability to honor commitments to us;
- as the result of the decline in the Federal Reserve Board's target federal funds rate to near 0%, the yield on our assets may decline to a greater extent than the decline in our cost of interest-bearing liabilities;
- a material decrease in net income or a net loss over several quarters could result in a decrease in the rate of our quarterly cash dividend;
- litigation, regulatory enforcement risk and reputation risk regarding our participation in the Paycheck Protection Program and the risk that the Small Business Administration may not fund some or all PPP loan guaranties;
- our cyber security risks are increased as the result of an increase in the number of employees working remotely;
- FDIC premiums may increase if the agency experiences additional resolution costs; and
- the unanticipated loss or unavailability of key employees due to the outbreak, which could harm our ability to operate our business or execute our business strategy, especially as we may not be successful in finding and integrating suitable successors.

We discuss many of these risks, uncertainties and other factors in our Annual Reports on Form 10-K, in our Quarterly Reports on Form 10-Q and in any prospectus supplement related hereto in greater detail under the heading "Risk Factors." Given these risks, uncertainties and other factors, you should not place undue reliance on these forward-looking statements. Also, these forward-looking statements represent our estimates and assumptions only as of the date of the document containing the applicable statement. You should read this prospectus and the documents incorporated by reference herein completely and with the understanding that our

actual future results may be materially different from what we expect. We hereby qualify our forward-looking statements by these cautionary statements. Except as required by law, we assume no obligation to update these forward-looking statements publicly, or to update the reasons actual results could differ materially from those anticipated in these forward-looking statements, even if new information becomes available in the future.

### **RISK FACTORS**

Investing in our securities involves risks. You should carefully consider the risks described under “Risk Factors” in our most recent Annual Report on Form 10-K and any subsequent Quarterly Reports on Form 10-Q, which descriptions are incorporated by reference herein, as well as the other information contained or incorporated by reference in this prospectus or in any prospectus supplement hereto before making a decision to invest in our securities. See “Where You Can Find More Information,” above for information about how to obtain a copy of these documents. Additional risks related to our securities may also be described in a prospectus supplement. In addition to those risk factors, there may be additional risks and uncertainties of which management is not aware. Our business, financial condition or results of operations could be materially affected by any of these risks. The trading price of our securities could decline due to any of these risks, and you may lose all or part of your investment.

### **USE OF PROCEEDS**

Unless otherwise set forth in a prospectus supplement with respect to the proceeds from the sale of the particular securities to which such prospectus supplement relates, we intend to use the net proceeds from the sale of the offered securities for general corporate purposes, which may include funding the repayment or redemption of outstanding debt, share repurchases, investments in Hanmi Bank, as regulatory capital or otherwise, ongoing operations, capital expenditures, interest and dividend payments and possible acquisitions of businesses or assets.

The precise amounts and the timing of our use of the net proceeds will depend upon market conditions, our subsidiaries’ funding requirements, the availability of other funds and other factors. Until we use the net proceeds from the sale of any of our securities for general corporate purposes, we will use the net proceeds to reduce our indebtedness or for temporary investments. We expect that we will, on a recurrent basis, engage in additional financings as the need arises to finance our corporate strategies, to fund our subsidiaries, to finance acquisitions or otherwise.

---

## Table of Contents

The prospectus supplement with respect to an offering of any security may identify different or additional uses for the proceeds of that offering.

### **SUMMARY OF THE SECURITIES WE MAY OFFER**

The descriptions of the securities contained in this prospectus, together with the applicable prospectus supplements, summarize certain material terms and provisions of the various types of securities that we may offer. The particular material terms of the securities offered by a prospectus supplement will be described in that prospectus supplement. If indicated in the applicable prospectus supplement, the terms of the offered securities may differ from the terms summarized below. The prospectus supplement will also contain information, where applicable, about material U.S. federal income tax considerations relating to the offered securities, and the securities exchange, if any, on which the offered securities will be listed. The descriptions in this prospectus and the applicable prospectus supplement do not contain all of the information that you may find useful or that may be important to you. You should refer to the provisions of the actual documents whose terms are summarized herein and in the applicable prospectus supplement, because those documents, and not the summaries, define your rights as holders of the relevant securities. For more information, please review the forms of these documents, which will be filed with the SEC and will be available as described under the heading “Where You Can Find More Information” above.

### **DESCRIPTION OF CAPITAL STOCK**

The following description of our capital stock, certain provisions of our certificate of incorporation and bylaws and certain provisions of Delaware law is a summary and is qualified in its entirety by reference to our certificate of incorporation, bylaws and the Delaware General Corporation Law (the “DGCL”). Copies of our certificate of incorporation and our bylaws have been filed with the SEC and are filed as exhibits to the registration statement of which this prospectus forms a part.

#### **Authorized Capital Stock**

Our authorized capital stock consists of 62,500,000 shares of common stock, \$0.001 par value, and 10,000,000 shares of preferred stock, \$0.001 par value. As of December 10, 2020, there were 30,719,448 shares of common stock outstanding and no shares of preferred stock outstanding.

#### **Common Stock**

The holders of common stock are entitled to one vote for each share held of record on all matters submitted to a vote of the stockholders. The holders of common stock are not entitled to cumulative voting rights with respect to the election of directors, and as a consequence, minority stockholders are not able to elect directors on the basis of their votes alone. Subject to preferences that may be applicable to any shares of preferred stock currently outstanding or issued in the future, holders of common stock are entitled to receive ratably such dividends as may be declared by our board of directors out of funds legally available therefor. In the event of our liquidation, dissolution or winding up, holders of our common stock are entitled to share ratably in all assets remaining after payment of liabilities and the liquidation preference of any then outstanding preferred stock. Holders of common stock have no preemptive rights and no right to convert their common stock into any other securities. There are no redemption or sinking fund provisions applicable to the common stock.

#### **Preferred Stock**

Our board of directors has the authority, without further action by the stockholders, to issue up to 10,000,000 shares of preferred stock in one or more series and to fix the rights, preferences, privileges and

restrictions thereof, including dividend rights, conversion rights, voting rights, terms of redemption, liquidation preferences, sinking fund terms and the number of shares constituting any series or the designation of such series.

The particular terms of any series of preferred stock will be described in the prospectus supplement relating to that series of preferred stock. Those terms may include:

- the title and stated value;
- the number of shares we are offering;
- the liquidation preference per share;
- the purchase price;
- the dividend rate, period and payment date and method of calculation for dividends;
- whether dividends will be cumulative or non-cumulative and, if cumulative, the date from which dividends will accumulate;
- the procedures for any auction and remarketing, if any;
- the provisions for a sinking fund, if any;
- the provisions for redemption or repurchase, if applicable, and any restrictions on our ability to exercise those redemption and repurchase rights;
- any listing of the preferred stock on any securities exchange or market;
- whether the preferred stock will be convertible into our common stock, and, if applicable, the conversion price, or how it will be calculated, and the conversion period;
- whether the preferred stock will be exchangeable into debt securities, and, if applicable, the exchange price, or how it will be calculated, and the exchange period;
- voting rights, if any, of the preferred stock;
- preemption rights, if any;
- restrictions on transfer, sale or other assignment, if any;
- whether interests in the preferred stock will be represented by depositary shares;
- a discussion of any material or special United States federal income tax considerations applicable to the preferred stock;
- the relative ranking and preferences of the preferred stock as to dividend rights and rights if we liquidate, dissolve or wind up our affairs;
- any limitations on issuance of any class or series of preferred stock ranking senior to or on a parity with the series of preferred stock as to dividend rights and rights if we liquidate, dissolve or wind up our affairs; and
- any other specific terms, preferences, rights or limitations of, or restrictions on, the preferred stock.

The DGCL provides that the holders of preferred stock will have the right to vote separately as a class on any proposal involving fundamental changes in the rights of holders of that preferred stock. This right is in addition to any voting rights that may be provided for in the applicable certificate of designation.

The issuance of preferred stock could adversely affect the voting power, conversion or other rights of holders of common stock. Preferred stock could be issued quickly with terms calculated to delay or prevent a change in control of our company or make removal of management more difficult. Additionally, the issuance of preferred stock may have the effect of decreasing the market price of our common stock.

### **Anti-Takeover Effects of Provisions of Delaware Law and Our Charter Documents**

#### ***Certificate of Incorporation***

Stockholders have no cumulative voting rights.

Our certificate of incorporation also requires that any action required or permitted to be taken by our stockholders must be effected at a duly called annual or special meeting of the stockholders and may not be effected by a consent in writing and that the stockholders may amend our bylaws or adopt new bylaws only by the affirmative vote of 66.67% of the outstanding voting securities. A special meeting of the stockholders may be called by our Chairman, our Chief Executive Officer or a resolution adopted by a majority of the total number of authorized directors. These provisions may have the effect of delaying, deferring or preventing a change in control.

The lack of cumulative voting will make it more difficult for our existing stockholders to replace our board of directors as well as for another party to obtain control of us by replacing our board of directors. Since our board of directors has the power to retain and discharge our officers, these provisions could also make it more difficult for existing stockholders or another party to effect a change in management.

These and other provisions may have the effect of deterring hostile takeovers or delaying changes in control or management. These provisions are intended to enhance the likelihood of continued stability in the composition of our board of directors and in the policies of our board of directors and to discourage certain types of transactions that may involve an actual or threatened change in control. These provisions are designed to reduce our vulnerability to an unsolicited acquisition proposal. The provisions also are intended to discourage certain tactics that may be used in proxy rights. However, such provisions could have the effect of discouraging others from making tender offers for our shares and, as a consequence, such provisions also may inhibit fluctuations in the market price of our shares that could result from actual or rumored takeover attempts. Such provisions also may have the effect of preventing changes in our management.

#### ***Section 203 of the DGCL***

We are subject to Section 203 of the DGCL, which, subject to certain exceptions, prohibits a Delaware corporation from engaging in a “business combination” with any “interested stockholder” for a period of three years following the time that such stockholder became an “interested stockholder,” unless:

- prior to such time, the board of directors of the corporation approved either the business combination or the transaction that resulted in the stockholder becoming an interested holder;
- upon consummation of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced, excluding for purposes of determining the number of shares outstanding those shares owned (a) by persons who are directors and also officers and (b) by employee stock plans in which employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer; or
- at or subsequent to such time, the business combination is approved by the board of directors and authorized at an annual or special meeting of stockholders, and not by written consent, by the affirmative vote of at least 66 2 / 3 % of the outstanding voting stock that is not owned by the interested stockholder.

In general, Section 203 of the DGCL defines “business combination” to include the following:

- any merger or consolidation involving the corporation and the interested stockholder;
- any sale, transfer, pledge or other disposition of 10% or more of the assets of the corporation involving the interested stockholder;

---

## Table of Contents

- subject to certain exceptions, any transaction that results in the issuance or transfer by the corporation of any stock of the corporation to the interested stockholder;
- any transaction involving the corporation that has the effect of increasing the proportionate share of the stock or any class or series of the corporation beneficially owned by the interested stockholder; or
- the receipt by the interested stockholder of the benefit of any loans, advances, guarantees, pledges or other financial benefits provided by or through the corporation.

In general, Section 203 of the DGCL defines “interested stockholder” as an entity or person beneficially owning 15% or more of the outstanding voting stock of the corporation and any entity or person affiliated with or controlling or controlled by such entity or person.

### *Certain Transactions*

Our bylaws provide that we will indemnify our directors and executive officers to the fullest extent permitted by the DGCL and any other applicable law. We are also empowered under our bylaws to indemnify other officers, employees and other agents as set forth in the DGCL or any other applicable law and to enter into indemnification contracts with our directors and executive officers and to purchase insurance on behalf of any person whom we are required or permitted to indemnify.

In addition, our certificate of incorporation provides that the liability of our directors for monetary damages will be eliminated to the fullest extent permissible under Delaware law. Pursuant to Delaware law, our directors will not be liable for monetary damages for breach of the directors’ fiduciary duty of care to us and our stockholders. However, this provision does not eliminate the duty of care, and in appropriate circumstances, equitable remedies such as injunctive or other forms of non-monetary relief that will remain available under Delaware law. In addition, each director will continue to be subject to liability for (1) breach of the director’s duty of loyalty to us or our stockholders, (2) acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (3) violating Section 174 of the DGCL, or (4) any transaction from which the director derived an improper personal benefit. The provision also does not affect a director’s responsibilities under any other law, such as the federal securities laws or state or federal environmental laws.

## **DESCRIPTION OF DEPOSITARY SHARES**

The depositary shares will be issued under deposit agreements to be entered into between us and a bank or trust company, as depositary, all to be set forth in the applicable prospectus supplement relating to any or all depositary shares in respect of which this prospectus is being delivered. We will file a copy of the deposit agreement and the depositary receipt with the SEC each time we issue a series of depositary shares, and these depositary receipts and deposit agreement will be incorporated by reference into the registration statement of which this prospectus forms a part.

---

## Table of Contents

### **General**

If we elect to offer fractional interests in shares of preferred stock, we will provide for the issuance by a depositary to the public of receipts for depositary shares. Each depositary share will represent fractional interests of preferred stock. We will deposit the shares of preferred stock underlying the depositary shares under a deposit agreement between us and a bank or trust company selected by us. The bank or trust company must have its principal office in the United States and a combined capital and surplus of at least \$50 million. The depositary receipts will evidence the depositary shares issued under the deposit agreement.

The deposit agreement will contain terms applicable to the holders of depositary shares in addition to the terms stated in the depositary receipts. Each owner of depositary shares will be entitled to all the rights and preferences of the preferred stock underlying the depositary shares in proportion to the applicable fractional interest in the underlying shares of preferred stock. The depositary will issue the depositary receipts to individuals purchasing the fractional interests in shares of the related preferred stock according to the terms of the offering described in a prospectus supplement.

### **Dividends and Other Distributions**

The depositary will distribute all cash dividends or other cash distributions received for the preferred stock to the entitled record holders of depositary shares in proportion to the number of depositary shares that the holder owns on the relevant record date. The depositary will distribute only an amount that can be distributed without attributing to any holder of depositary shares a fraction of one cent. The depositary will add the undistributed balance to and treat it as part of the next sum received by the depositary for distribution to holders of depositary shares.

If there is a non-cash distribution, the depositary will distribute property received by it to the entitled record holders of depositary shares, in proportion, insofar as possible, to the number of depositary shares owned by the holders, unless the depositary determines, after consultation with us, that it is not feasible to make such distribution. If this occurs, the depositary may, with our approval, sell such property and distribute the net proceeds from the sale to the holders. The deposit agreement also will contain provisions relating to how any subscription or similar rights that we may offer to holders of the preferred stock will be available to the holders of the depositary shares.

### **Conversion, Exchange and Redemption**

If any series of preferred stock underlying the depositary shares may be converted or exchanged, each record holder of depositary receipts will have the right or obligation to convert or exchange the depositary shares represented by the depositary receipts.

Whenever we redeem shares of preferred stock held by the depositary, the depositary will redeem, at the same time, the number of depositary shares representing the preferred stock. The depositary will redeem the depositary shares from the proceeds it receives from the corresponding redemption, in whole or in part, of the applicable series of preferred stock. The depositary will mail a notice of redemption to the record holders of the depositary shares that are to be redeemed between 30 and 60 days before the date fixed for redemption. The redemption price per depositary share will be equal to the applicable fraction of the redemption price per share on the applicable series of preferred stock. If less than all the depositary shares are to be redeemed, the depositary will select which shares to be redeemed by lot, proportionate allocation or another method.

After the date fixed for redemption, the depositary shares called for redemption will no longer be outstanding. When the depositary shares are no longer outstanding, all rights of the holders will end, except the right to receive money, securities or other property payable upon redemption.

---

## Table of Contents

### **Voting**

When the depositary receives notice of a meeting at which the holders of the preferred stock are entitled to vote, the depositary will mail the particulars of the meeting to the record holders of the depositary shares. Each record holder of depositary shares on the record date may instruct the depositary on how to vote the shares of preferred stock underlying the holder's depositary shares. The depositary will try, if practical, to vote the number of shares of preferred stock underlying the depositary shares according to the instructions. The depositary will abstain from voting shares of the preferred stock to the extent it does not receive specific instructions from the holders of depositary shares representing such preferred stock. We will agree to take all reasonable action requested by the depositary to enable it to vote as instructed.

### **Record Date**

Whenever (1) any cash dividend or other cash distribution will become payable, any distribution other than cash shall be made, or any rights, preferences or privileges will be offered with respect to the preferred stock, or (2) the depositary receives notice of any meeting at which holders of preferred stock are entitled to vote or of which holders of preferred stock are entitled to notice, or of the mandatory conversion of or any election on our part to call for the redemption of any preferred stock, the depositary will in each such instance fix a record date (which will be the same as the record date for the preferred stock) for the determination of the holders of depositary receipts (x) who will be entitled to receive such dividend, distribution, rights, preferences or privileges or the net proceeds of the sale thereof or (y) who will be entitled to give instructions for the exercise of voting rights at any such meeting or to receive notice of such meeting or of such redemption or conversion, subject to the provisions of the deposit agreement.

### **Amendments**

We and the depositary may agree to amend the deposit agreement and the depositary receipt evidencing the depositary shares. Any amendment that (a) imposes or increases certain fees, taxes or other charges payable by the holders of the depositary shares as described in the deposit agreement or (b) otherwise prejudices any substantial existing right of holders of depositary shares, will not take effect until 30 days after the depositary has mailed notice of the amendment to the record holders of depositary shares. Any holder of depositary shares that continues to hold its shares at the end of the 30-day period will be deemed to have agreed to the amendment.

### **Termination**

We may direct the depositary to terminate the deposit agreement by mailing a notice of termination to holders of depositary shares at least 30 days before termination. In addition, a deposit agreement will automatically terminate if:

- the depositary has redeemed all related outstanding depositary shares, or
- we have liquidated, terminated or wound up our business and the depositary has distributed the preferred stock of the relevant series to the holders of the related depositary shares.

The depositary may likewise terminate the deposit agreement if at any time 60 days have expired after the depositary have delivered to us a written notice of its election to resign and a successor depositary has not been appointed and accepted its appointment. If any depositary receipts remain outstanding after the date of termination, the depositary thereafter will discontinue the transfer of depositary receipts, will suspend the distribution of dividends to the holders thereof, and will not give any further notices (other than notice of such termination) or perform any further acts under the deposit agreement except as provided below and except that the depositary will continue (1) to collect dividends on the preferred stock and any other distributions with respect thereto and (2) to deliver the preferred stock together with such dividends and distributions and the net proceeds of any sales of rights, preferences, privileges or other property, without liability for interest thereon, in

exchange for depositary receipts surrendered. At any time after the expiration of two years from the date of termination, the depositary may sell the preferred stock then held by it at public or private sales, at such place or places and upon such terms as it deems proper and may thereafter hold the net proceeds of any such sale, together with any money and other property then held by it, without liability for interest thereon, for the pro rata benefit of the holders of depositary receipts that have not been surrendered.

### **Payment of Fees and Expenses**

We will pay all fees, charges and expenses of the depositary, including the initial deposit of the preferred stock and any redemption of the preferred stock. Holders of depositary shares will pay transfer and other taxes and governmental charges and any other charges as are stated in the deposit agreement for their accounts.

### **Resignation and Removal of Depositary**

At any time, the depositary may resign by delivering notice to us, and we may remove the depositary. Resignations or removals will take effect upon the appointment of a successor depositary and its acceptance of the appointment. The successor depositary must be appointed within 60 days after delivery of the notice of resignation or removal and must be a bank or trust company having its principal office in the United States and having a combined capital and surplus of at least \$50 million.

### **Reports**

The depositary will forward to the holders of depositary shares all reports and communications from us that are delivered to the depositary and that we are required by law, the rules of an applicable securities exchange or our amended and restated certificate of incorporation to furnish to the holders of the preferred stock. Neither we nor the depositary will be liable if the depositary is prevented or delayed by law or any circumstances beyond its control in performing its obligations under the deposit agreement. The deposit agreement limits our obligations and the depositary's obligations to performance in good faith of the duties stated in the deposit agreement. Neither we nor the depositary will be obligated to prosecute or defend any legal proceeding connected with any depositary shares or preferred stock unless the holders of depositary shares requesting us to do so furnish us with satisfactory indemnity. In performing our obligations, we and the depositary may rely upon the written advice of our counsel or accountants, on any information that competent people provide to us and on documents that we believe are genuine.

## **DESCRIPTION OF DEBT SECURITIES**

We have summarized below general terms and conditions of the debt securities that we will offer and sell pursuant to this prospectus. When we offer to sell a particular series of debt securities, we will describe the specific terms and conditions of the series in a prospectus supplement to this prospectus. We will also indicate in the applicable prospectus supplement whether the general terms and conditions described in this prospectus apply to the series of debt securities. The terms and conditions of the debt securities of a series may be different in one or more respects from the terms and conditions described below. If so, those differences will be described in the applicable prospectus supplement.

We will issue the debt securities in one or more series under either a senior indenture between us and Wilmington Trust, National Association, as trustee, or such other trustee as identified in the applicable prospectus supplement, or a subordinated indenture between us and Wilmington Trust, National Association, as trustee, or such other trustee as identified in the applicable prospectus supplement. The following description of provisions of the indentures does not purport to be complete and is subject to, and qualified in its entirety by reference to, the indentures, each of which has been filed with the SEC as an exhibit to the registration statement of which this prospectus forms a part. A form of each debt security, any future supplemental indenture or similar

document also will be so filed. You should read the indentures and any supplemental indenture or similar document because they, and not this description, define your rights as holder of our debt securities. All capitalized terms have the meanings specified in the indentures.

For purposes of this section of this prospectus, references to “we,” “us” and “our” are to Hanmi Financial Corporation and not to any of its subsidiaries.

### **General**

We may issue, from time to time, debt securities, in one or more series, that will consist of either senior debt (“Senior Debt Securities”) or subordinated debt (“Subordinated Debt Securities”). Debt securities, whether senior or subordinated, may be issued as convertible debt securities or exchangeable debt securities.

Neither indenture limits the amount of debt securities that we may issue. We may, without the consent of the holders of the debt securities of any series, issue additional debt securities ranking equally with, and otherwise similar in all respects to, the debt securities of the series (except for any differences in the issue price and, if applicable, the initial interest accrual date and interest payment date) so that those additional debt securities will be consolidated and form a single series with the debt securities of the series previously offered and sold; provided that if the additional debt securities are not fungible with the debt securities of the series previously offered or sold for U.S. federal income tax purposes, the additional debt securities will have a separate CUSIP or other identifying number.

The indentures provide that we may issue debt securities up to the principal amount that we may authorize and may be in any currency or currency unit designated by us. Except for the limitations on consolidation, merger and sale of all or substantially all of our assets contained in the indentures, the terms of the indentures do not contain any covenants or other provisions designed to afford holders of any debt securities protection with respect to our operations, financial condition or transactions involving us.

We may issue the debt securities issued under the indentures as “discount securities,” which means they may be sold at a discount below their stated principal amount. These debt securities, as well as other debt securities that are not issued at a discount, may, for U.S. federal income tax purposes, be treated as if they were issued with “original issue discount,” because of interest payment and other characteristics. Special U.S. federal income tax considerations applicable to debt securities issued with original issue discount will be described in more detail in any applicable prospectus supplement.

### **Provisions of the Indentures**

The applicable prospectus supplement for a series of debt securities that we issue will describe, among other things, the following terms of the offered debt securities:

- the designation of the debt securities;
- the price(s), expressed as a percentage of the principal amount, at which we will sell the debt securities;
- any limit on the aggregate principal amount of the debt securities;
- the date(s) when principal payments are due on the debt securities;
- the interest rate(s) on the debt securities, which may be fixed or variable, per annum or otherwise, and the method used to determine the rate (s), the dates on which interest will begin to accrue and be payable, and any regular record date for the interest payable on any interest payment date;
- the currency or currencies of payment of principal or interest;
- the place(s) where principal of, premium and interest on the debt securities will be payable;

---

## Table of Contents

- provisions governing redemption of the debt securities, including any redemption or purchase requirements pursuant to any sinking fund or analogous provisions or at the option of a holder of debt securities, and the redemption price and other detailed terms and provisions of such repurchase obligations;
- the denominations in which the debt securities will be issued, if other than minimum denominations of \$1,000 and any integral multiple in excess thereof;
- whether the debt securities will be issued in the form of certificated debt securities or global debt securities;
- the portion of the principal of the debt securities payable upon declaration of acceleration of the maturity date, if other than the entire principal amount;
- any additional or modified events of default from those described in this prospectus or in the indenture and any change in the acceleration provisions described in this prospectus or in the indenture;
- any additional or modified covenants from those described in this prospectus or in the indenture with respect to the debt securities; and
- any depositaries, interest rate calculation agents, exchange rate calculation agents or other agents with respect to the debt securities.

The applicable prospectus supplement will set forth certain U.S. federal income tax considerations for holders of any debt securities and the securities exchange or quotation system on which any debt securities are listed or quoted, if any.

Debt securities issued by us will be structurally subordinated to all indebtedness and other liabilities of our subsidiaries, except to the extent any such subsidiary guarantees or is otherwise obligated to make payment on such debt securities.

### **Senior Debt Securities**

Payment of the principal of, and premium, if any, and interest on, Senior Debt Securities will rank on a parity with all of our other unsecured and unsubordinated debt. Senior Debt Securities will be issued under the senior debt indenture.

### **Subordinated Debt Securities**

Payment of the principal of, and premium, if any, and interest on, Subordinated Debt Securities will be subordinated and junior in right of payment to the prior payment in full of all of our unsubordinated debt. We will set forth in the applicable prospectus supplement relating to any Subordinated Debt Securities the subordination terms of such securities as well as the aggregate amount of outstanding indebtedness, as of the most recent practicable date, that by its terms would be senior to the Subordinated Debt Securities. We will also set forth in such prospectus supplement limitations, if any, on issuance of additional debt ranking senior to the Subordinated Debt Securities. Subordinated Debt Securities will be issued under the subordinated debt indenture.

### **Conversion or Exchange Rights**

Debt securities may be convertible into or exchangeable for other securities or property of us. The terms and conditions of conversion or exchange will be set forth in the applicable prospectus supplement. The terms will include, among others, the following:

- the conversion or exchange price;
- the conversion or exchange period;

---

## Table of Contents

- provisions regarding the ability of us or the holder to convert or exchange the debt securities;
- events requiring adjustment to the conversion or exchange price; and
- provisions affecting conversion or exchange in the event of our redemption of the debt securities.

### **Consolidation, Merger or Sale**

The indentures provide that we may not consolidate with or merge with or into, or sell or convey all or substantially all of our assets to any person, firm or corporation, unless:

- we are the surviving corporation or the successor corporation (if not us), is a corporation organized and validly existing under the laws of any United States domestic jurisdiction and expressly assumes, by a supplemental indenture, our obligations on the debt securities and under such indenture;
- immediately after giving effect to such transaction, we, or the successor corporation, are not in default in the performance of any covenant or condition under the indenture; and
- we have complied with our obligations to deliver certain documentation to the applicable trustee, including an officers' certificate and opinion of counsel each stating that such proposed transaction and any supplemental indenture comply with such indenture.

### **Events of Default**

For any series of debt securities, in addition to any event of default described in the prospectus supplement applicable to that series, an event of default will include the following events:

- default in the payment when due of principal of any debt security of that series;
- default in the payment when due of any sinking or analogous fund payment in respect of any debt security of that series;
- default in the payment when due of any interest on any debt securities of that series, and continuance of such default for a period of 90 days (unless we deposit the entire amount of such payment with the trustee or with a paying agent prior to the expiration of such 30-day period);
- default in the performance or breach of any other covenant or agreement in the indenture that applies to such series, which default continues for a period of 90 days after we have received written notice of the failure to perform in the manner specified in the indenture;
- certain events of bankruptcy, insolvency or reorganization involving us or our material subsidiaries; and
- any other event of default provided in the applicable resolution of our board of directors or the officers' certificate or supplemental indenture under which we issue such series of debt securities.

An event of default for a particular series of debt securities does not necessarily constitute an event of default for any other series of debt securities issued under the indentures.

If an event of default with respect to any outstanding debt securities occurs and is continuing, then the trustee or the holders of at least 25% in aggregate principal amount of the outstanding debt securities of that series may, by written notice to us (and to the trustee if given by the holders), accelerate the payment of the principal (or, if the debt securities of that series are discount securities, that portion of the principal amount as may be specified in the terms of that series) of on all debt securities of that series. Following acceleration, payments on our subordinated debt securities, if any, will be subject to the subordination provisions described below under "Subordinated Debt Securities." At any time after acceleration with respect to debt securities of any series, but before the trustee has obtained a court judgment or decree for payment of the amounts due, the holders

of a majority in principal amount of the outstanding debt securities of that series may rescind and annul the acceleration of all events of default. The prospectus supplement relating to any series of debt securities that are discount securities will contain particular provisions relating to acceleration of a portion of the principal amount of such discount securities upon the occurrence of an event of default.

### **Obligations of the Trustee**

The indentures provide that the trustee will be under no obligation to exercise any rights or powers under such indenture at the request of any holder of outstanding debt securities unless the trustee is indemnified against any costs, liability or expense.

### **Remedies**

Subject to certain rights of the trustee, the holders of a majority in principal amount of the outstanding debt securities of any series will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the trustee or exercising any trust or power conferred on the trustee with respect to the debt securities of that series.

No holder of any debt security may institute any proceeding, judicial or otherwise, with respect to the indenture or for the appointment of a receiver or trustee, or for any remedy under the indenture, unless:

- such holder has previously given written notice to the trustee of a continuing event of default with respect to the debt securities of that series;
- the holders of not less than 25% in aggregate principal amount of the outstanding debt securities of that series have made written request to the trustee to institute proceedings in respect of such event of default in its own name as trustee under the indenture;
- such holder or holders have offered to the trustee indemnity against the costs, expenses and liabilities to be incurred in complying with such request;
- the trustee for 60 days after its receipt of such notice, request, and offer of indemnity has failed to institute any such proceeding; and
- no direction inconsistent with such written request has been given to the trustee during such 60-day period by the holders of a majority in aggregate principal amount of the outstanding debt securities of that series.

Notwithstanding the foregoing, the holder of any debt security will have an absolute and unconditional right to receive payment of the principal of, premium and any interest on that debt security on or after the due dates expressed in that debt security and to institute suit for the enforcement of payment.

Under the indentures, we must furnish the trustee a statement as to compliance with such indenture within 120 days after the end of our fiscal year (beginning with the fiscal year ending immediately following the execution of such indenture) The indentures provide that, other than with respect to payment defaults, the trustee may withhold notice to the holders of debt securities of any series of a default or event of default if it in good faith determines that withholding notice is in the interests of the holders of those debt securities.

### **Registered Global Securities**

We may issue the debt securities of a series in whole or in part in the form of one or more fully registered global securities that we will deposit with a depository or with a nominee for a depository identified in the applicable prospectus supplement and registered in the name of such depository or nominee. In such case, we will issue one or more registered global securities denominated in an amount equal to the aggregate principal amount of all of the debt securities of the series to be issued and represented by such registered global security or securities.

---

## Table of Contents

Unless and until it is exchanged in whole or in part for debt securities in definitive registered form, a registered global security may not be transferred except as a whole:

- by the depositary for such registered global security to its nominee,
- by a nominee of the depositary to the depositary or another nominee of the depositary, or
- by the depositary or its nominee to a successor of the depositary or a nominee of the successor.

The prospectus supplement relating to a series of debt securities will describe the specific terms of the depositary arrangement with respect to any portion of such series represented by a registered global security. We anticipate that the following provisions will apply to all depositary arrangements for debt securities:

- ownership of beneficial interests in a registered global security will be limited to persons that have accounts with the depositary for the registered global security, those persons being referred to as “participants,” or persons that may hold interests through participants;
- upon the issuance of a registered global security, the depositary for the registered global security will credit, on its book-entry registration and transfer system, the participants’ accounts with the respective principal amounts of the debt securities represented by the registered global security beneficially owned by the participants;
- any dealers, underwriters, or agents participating in the distribution of the debt securities will designate the accounts to be credited; and
- ownership of any beneficial interest in the registered global security will be shown on, and the transfer of any ownership interest will be effected only through, records maintained by the depositary for the registered global security (with respect to interests of participants) and on the records of participants (with respect to interests of persons holding through participants).

The laws of some states may require that certain purchasers of securities take physical delivery of the securities in definitive form. These laws may limit the ability of those persons to own, transfer or pledge beneficial interests in registered global securities.

So long as the depositary for a registered global security, or its nominee, is the registered owner of the registered global security, the depositary or the nominee, as the case may be, will be considered the sole owner or holder of the debt securities represented by the registered global security for all purposes under the indenture.

Except as set forth below, owners of beneficial interests in a registered global security:

- will not be entitled to have the debt securities represented by a registered global security registered in their names;
- will not receive or be entitled to receive physical delivery of the debt securities in the definitive form; and
- will not be considered the owners or holders of the debt securities under the indenture.

Accordingly, each person owning a beneficial interest in a registered global security must rely on the procedures of the depositary for the registered global security and, if the person is not a participant, on the procedures of a participant through which the person owns its interest, to exercise any rights of a holder under the indenture.

We understand that under existing industry practices, if we request any action of holders or if an owner of a beneficial interest in a registered global security desires to give or take any action that a holder is entitled to give or take under the indenture, the depositary for the registered global security would authorize the participants holding the relevant beneficial interests to give or take the action, and those participants would authorize beneficial owners owning through those participants to give or take the action or would otherwise act upon the instructions of beneficial owners holding through them.

---

## **Table of Contents**

We will make payments of principal and premium, if any, and interest, if any, on debt securities represented by a registered global security registered in the name of a depository or its nominee to the depository or its nominee, as the case may be, as the registered owners of the registered global security. None of us, the trustee or any other agent of us or the trustee will be responsible or liable for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the registered global security or for maintaining, supervising or reviewing any records relating to the beneficial ownership interests.

We expect that the depository for any debt securities represented by a registered global security, upon receipt of any payments of principal and premium, if any, and interest, if any, in respect of the registered global security, will immediately credit participants' accounts with payments in amounts proportionate to their respective beneficial interests in the registered global security as shown on the records of the depository. We also expect that standing customer instructions and customary practices will govern payments by participants to owners of beneficial interests in the registered global security held through the participants, as is now the case with the securities held for the accounts of customers in bearer form or registered in "street name." We also expect that any of these payments will be the responsibility of the participants.

If the depository for any debt securities represented by a registered global security is at any time unwilling or unable to continue as depository or ceases to be a clearing agency registered under the Exchange Act, we will appoint an eligible successor depository. If we fail to appoint an eligible successor depository, we will issue the debt securities in definitive form in exchange for the registered global security. In addition, we may at any time and in our sole discretion decide not to have any of the debt securities of a series represented by one or more registered global securities. In such event, we will issue debt securities of that series in a definitive form in exchange for all of the registered global securities representing the debt securities. The trustee will register any debt securities issued in definitive form in exchange for a registered global security in such name or names as the depository, based upon instructions from its participants instructed to the trustee.

### **Defeasance of Debt Securities and Certain Covenants in Certain Circumstances**

#### ***Legal Defeasance***

We may deposit with the trustee, in trust, cash or U.S. government securities in an amount that, through the payment of interest and principal in accordance with their terms, will provide, not later than one day before the due date of any payment of money, an amount in cash that is sufficient to make all payments of principal and interest on, and any mandatory sinking fund payments in respect of, the debt securities of that series on the due dates for such payments in accordance with the terms of the indenture and those debt securities. If we make such a deposit, unless otherwise provided under the applicable series of debt securities, we will be discharged from any and all obligations in respect of the debt securities of such series (except for obligations relating to the transfer or exchange of debt securities and the replacement of stolen, lost or mutilated debt securities and relating to maintaining paying agencies and the treatment of funds held by paying agents and certain rights of the trustee and our obligations with respect thereto). However, this discharge may occur only if, among other things, we have delivered to the trustee a legal opinion stating that we have received from, or there has been published by, the U.S. Internal Revenue Service a ruling or, since the date of execution of the indenture, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and, based thereon confirming that, the holders of the debt securities of that series will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such defeasance and will be subject to U.S. federal income tax on the same amounts and in the same manner and at the same times as would have been the case if such defeasance had not occurred.

#### ***Defeasance of Certain Covenants***

Under the indentures (and unless otherwise provided by the terms of the applicable series of debt securities), upon making the deposit and delivering the legal opinion described in "Legal Defeasance" above, we will not

need to comply with certain covenants set forth in the indentures, as well as any additional covenants that may be set forth in the applicable prospectus supplement, and any such noncompliance will not constitute a default or an event of default with respect to the debt securities of that series, or covenant defeasance.

### ***Covenant Defeasance and Events of Default***

If we exercise our option to effect covenant defeasance with respect to any series of debt securities and the debt securities of that series are declared due and payable because of the occurrence of any event of default, the amounts on deposit with the trustee will be sufficient to pay amounts due on the debt securities of that series at the time of their stated maturity but may not be sufficient to pay amounts due on the debt securities of that series at the time of the acceleration resulting from the event of default. We will remain liable for those payments.

### **Satisfaction and Discharge**

We may discharge our obligations under either indenture and the debt securities of a series (except for certain surviving rights of the trustee and our obligations in connection therewith) if: (a) all outstanding debt securities of that series and all other outstanding debt securities issued under such indenture (i) have been delivered for cancellation, or (ii) (1) have become due and payable, (2) will become due and payable at their stated maturity within one year or (3) are to be called for redemption within one year under arrangements satisfactory to the trustee for the giving of notice and redemption by the trustee (and in the case of clauses (1), (2) and (3), we have deposited with the trustee an amount sufficient to pay and discharge the principal of (and premium, if any), and interest on all outstanding debt securities and any other sums due on the stated maturity date or redemption date, as the case may be); (b) we have paid all other sums payable by us under such indenture; and (c) we have delivered an officers' certificate and opinion of counsel confirming compliance with all conditions precedent relating to the satisfaction and discharge of the indenture.

### **Amendments to the Indentures**

Each indenture provides that we and the trustee may enter into supplemental indentures without the consent of the holders of debt securities to:

- to evidence the succession of corporation person to Hanmi Financial, or successive successors, as obligor under the indenture and the assumption by any such successor of the covenants, agreements and obligations of Hanmi Financial in the indenture and in the debt securities;
- to add to the covenants of Hanmi Financial such further covenants, restrictions, conditions or provisions as its Board of Directors consider to be for the protection of the holders of the debt securities and to make the occurrence, or the occurrence and continuance, of a default in any of such additional covenants, restrictions, conditions or provisions an event of default permitting the enforcement of all or any of the several remedies provided in the indenture, with such period of grace, if any, and subject to such conditions as such supplemental indenture may provide;
- to establish any series of debt securities and the form or terms of the debt securities of a series, including, without limitation, subordination provisions and any conversion or exchange provisions applicable to the debt securities that are convertible into or exchangeable for other securities or property and any deletions from or additions or changes to the indenture in connection therewith;
- to add any additional events of default with respect to all or any series of debt securities;
- to supplement any of the provisions of the indenture to such extent as will be necessary to permit or facilitate the defeasance, covenant defeasance and/or satisfaction and discharge of any series of outstanding debt securities, provided that any such action will not adversely affect the interests of any holder of an outstanding debt security of such series or any other security in any material respect;

Each indenture also provides that we and the trustee may, with the consent of the holders of not less than a majority in aggregate principal amount of the outstanding debt securities of all series of Senior Debt Securities or Subordinated Securities, as the case may be, then outstanding and affected thereby (voting as one class), add any provisions to, or change in any manner, eliminate in any way the provisions of, the indenture or supplemental indenture or modify in any manner the rights of the holders of the debt securities. We and the trustee may not, however, without the consent of the holder of each outstanding debt security affected thereby:

- extend the fixed maturities of any outstanding debt securities or reduce the principal amount or premium, if any, or reduce the rate or extend the time of payment of interest;
- reduce the percentage in aggregate principal amount of the outstanding debt securities, the consent of whose holders is required to amend or supplement the indenture or any supplemental indenture;
- modify the subordination provisions in a manner adverse to the holders of such debt securities; or
- make any change to provisions of the indenture to remove any of the limitations in this paragraph upon us or the trustee.

### **Concerning the Trustee**

The indentures limit the right of the trustee, should it become a creditor of us, to obtain payment of claims or secure its claims. The trustee is permitted to engage in certain other transactions. However, if the trustee acquires any conflicting interest, and there is a default under the debt securities of any series for which it is trustee, the trustee must eliminate the conflict or resign.

### **No Individual Liability of Directors, Officers, Employees or Stockholders**

The indentures provide that none of our director, officer, employee or stockholder will have any liability for any of our obligations under the debt securities or the indentures or for any claim based on, in respect of or by reason of such obligations or their creation. Each holder of debt securities by accepting a debt security waives and releases all such liability. The waiver and release will be part of the consideration for the issue of the debt securities.

### **Governing Law**

The indentures and the debt securities will be governed by, and construed in accordance with, the laws of the State of New York.

## **PLAN OF DISTRIBUTION**

We may sell common stock, preferred stock, depository shares or debt securities in one or more of the following ways from time to time:

- to or through underwriters or dealers;
- directly to one or more purchasers;
- through agents or dealers; or
- through a combination of any of these methods of sale.

The prospectus supplements relating to an offering of offered securities will set forth the terms of such offering, including:

- the name or names of any underwriters, dealers or agents;
- the purchase price of the offered securities and the proceeds to us from the sale;
- any underwriting discounts and commissions or agency fees and other items constituting underwriters' or agents' compensation; and
- any initial public offering price, any discounts or concessions allowed or reallocated or paid to dealers and any securities exchanges on which such offered securities may be listed.

Any initial public offering prices, discounts or concessions allowed or reallocated or paid to dealers may be changed from time to time.

If underwriters are used in the sale, the underwriters will acquire the offered securities for their own account and may resell them from time to time in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. The offered securities may be offered either to the public through underwriting syndicates represented by one or more managing underwriters or by one or more underwriters without a syndicate. Unless otherwise set forth in a prospectus supplement, the obligations of the underwriters to purchase any series of securities will be subject to certain conditions precedent, and the underwriters will be obligated to purchase all of such series of securities if any are purchased.

---

## Table of Contents

In connection with underwritten offerings of the offered securities and in accordance with applicable law and industry practice, underwriters may over-allot or effect transactions that stabilize, maintain or otherwise affect the market price of the offered securities at levels above those that might otherwise prevail in the open market, including by entering stabilizing bids, effecting syndicate covering transactions or imposing penalty bids, each of which is described below.

- A stabilizing bid means the placing of any bid, or the effecting of any purchase, for the purpose of pegging, fixing or maintaining the price of a security.
- A syndicate covering transaction means the placing of any bid on behalf of the underwriting syndicate or the effecting of any purchase to reduce a short position created in connection with the offering.
- A penalty bid means an arrangement that permits the managing underwriter to reclaim a selling concession from a syndicate member in connection with the offering when offered securities originally sold by the syndicate member are purchased in syndicate covering transactions.

These transactions may be effected on NASDAQ, in the over-the-counter market, or otherwise. Underwriters are not required to engage in any of these activities, or to continue such activities if commenced.

If a dealer is used in the sale, we will sell such offered securities to the dealer, as principal. The dealer may then resell the offered securities to the public at varying prices to be determined by that dealer at the time for resale. The names of the dealers and the terms of the transaction will be set forth in the prospectus supplement relating to that transaction.

Offered securities may be sold directly by us to one or more institutional purchasers, or through agents designated by us from time to time, at a fixed price or prices, which may be changed, or at varying prices determined at the time of sale. Any agent involved in the offer or sale of the offered securities in respect of which this prospectus is delivered will be named, and any commissions payable by us to such agent will be set forth, in the prospectus supplement relating to that offering. Unless otherwise indicated in such prospectus supplement, any such agent will be acting on a best efforts basis for the period of its appointment.

Underwriters, dealers and agents may be entitled under agreements entered into with us to indemnification by us against certain civil liabilities, including liabilities under the Securities Act, or to contribution with respect to payments that the underwriters, dealers or agents may be required to make in respect thereof. Underwriters, dealers and agents may be customers of, engage in transactions with, or perform services for us and our affiliates in the ordinary course of business.

Other than our common stock, which is listed on the NASDAQ Global Select Market, each of the securities issued hereunder will be a new issue of securities, will have no prior trading market, and may or may not be listed on a national securities exchange. Any common stock sold pursuant to a prospectus supplement will be listed on the NASDAQ Global Select Market, subject to official notice of issuance. Any underwriters to whom we sell securities for public offering and sale may make a market in the securities, but such underwriters will not be obligated to do so and may discontinue any market making at any time without notice. We cannot assure you that there will be a market for the offered securities.

## **LEGAL MATTERS**

The validity of the securities being offered hereby is being passed upon for us by Luse Gorman, PC, Washington, DC. Any underwriters will also be advised about the validity of the securities and other legal matters by their own counsel, which will be named in the applicable prospectus supplement.

**PART II**

**INFORMATION NOT REQUIRED IN PROSPECTUS**

**ITEM 14. Other Expenses of Issuance and Distributions.**

The following table sets forth the expenses to be borne by Hanmi Financial Corporation (“Hanmi Financial”) in connection with the offerings described in this Registration Statement.

Registration fee—Securities and Exchange Commission	\$ 10,910
Printing and engraving expenses	*
Legal fees and expenses (other than Blue Sky)	*
Accounting fees and expenses	*
Blue Sky fees and expenses (including fees of counsel)	*
Rating agency fees	*
Trustee’s and registrar’s fees and expenses	*
Miscellaneous	*
Total	*

These fees cannot be estimated at this time as they are calculated based on the securities offered and the number of issuances. An estimate of the aggregate expenses in connection with the sale and distribution of the securities being offered will be included in the applicable prospectus supplement.

**ITEM 15. Indemnification of Directors and Officers.**

Under Section 145 of the Delaware General Corporation Law, Hanmi Financial has broad powers to indemnify its directors and officers against liabilities they may incur in such capacities, including liabilities under the Securities Act of 1933, as amended (the “Securities Act”). Hanmi Financial’s Bylaws require Hanmi Financial to indemnify its directors and executive officers, and permit Hanmi Financial to indemnify its other officers, employees and other agents, to the extent permitted by Delaware law.

Hanmi Financial has entered into indemnity agreements with each of its directors and executive officers. Such indemnity agreements contain provisions which are in some respects broader than the specific indemnification provisions contained in Delaware law.

In addition, Hanmi Financial’s Amended and Restated Certificate of Incorporation and Bylaws provide that its directors shall not be personally liable to Hanmi Financial or its stockholders for monetary damages for any breach of fiduciary duty as a director, except for liability (i) for any breach of the director’s duty of loyalty to Hanmi Financial or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law, or (iv) for any transaction from which the director derived an improper personal benefit. If the Delaware General Corporation Law is amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of Hanmi Financial’s directors shall be eliminated or limited to the fullest extent permitted by the Delaware General Corporation Law, as so amended.

The underwriting agreement to be entered into in connection with an offering of the securities will contain provisions which indemnify the officers and directors of Hanmi Financial in certain circumstances.

It is the opinion of the Securities and Exchange Commission that indemnification of directors and officers for liabilities arising under the Securities Act is against public policy and is unenforceable pursuant to Section 14 of the Securities Act.

### **ITEM 17.Undertakings.**

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) shall not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15 (d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities: The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

Rule 424; (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(a) Unless otherwise provided as contemplated by Section 2.03(b) with respect to any series of Securities, any Registered Securities of a series shall be issuable in minimum denominations of \$1,000.

(b) The term “record date” as used with respect to an interest payment date for any series of a Registered Security shall mean such day or days as shall be specified as contemplated by Section 2.03(b); provided, that in the absence of any such provisions with respect to any series, such term shall mean (1) the last day of the calendar month next preceding such interest payment date if such interest payment date is the 15th day of a calendar month; or (2) the 15th day of a calendar month next preceding such interest payment date if such interest payment date is the first day of the calendar month.

Unless otherwise provided as contemplated by Section 2.03 with respect to any series of Securities, the person in whose name any Registered Security is registered at the close of business on the record date with respect to an interest payment date shall be entitled to receive the interest payable on such interest payment date notwithstanding the cancellation of such Security upon any registration of transfer or exchange thereof subsequent to such record date prior to such interest payment date; provided, that if and to the extent the Company shall default in the payment of the interest due on such interest payment date, such defaulted interest shall be paid to the persons in whose names the Securities are registered on a subsequent record date established by notice given to the extent and in the manner set forth in Section 15.04 by or on behalf of the Company to the holders of Securities of the series in default not less than 15 days preceding such subsequent record date, such record date to be not less than five days preceding the date of payment of such defaulted interest, or in any other lawful manner acceptable to the Trustee.

(c) Unless otherwise specified by Board Resolution or Company Order for a particular series of Securities, the principal of, redemption premium, if any, on and interest, if any, on the Securities of any series shall be payable at the office or agency of the Company maintained pursuant to Section 4.02 in a Place of Payment for such series, in Dollars; provided, that, at the option of the Company, payment of interest with respect to a Registered Security may be paid by check mailed to the holders of the Registered Securities entitled thereto at their last addresses as they appear on the Security Register or wired if held in book-entry form at the Depository.

**SECTION 2.06. Execution, Authentication, Delivery and Dating of Securities.**

The Securities shall be signed on behalf of the Company by its Chief Executive Officer, its President or one of its Vice Presidents. Such signatures may be the manual, electronic or facsimile signatures of such then current officers.

Any Security may be signed on behalf of the Company by such persons as, at the actual date of the execution of such Security, shall be the proper officers of the Company, although at the date of the execution of this Indenture any such person was not such officer. Securities bearing the manual, electronic or facsimile signatures of individuals who were, at the actual date of the execution of such Security, the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities, as the case may be, or did not hold such offices at the date of such Securities.

Upon the execution and delivery of this Indenture, the Company shall deliver to the Trustee an Officers' Certificate as to the incumbency and specimen signatures of officers authorized to execute and deliver the Securities and give instructions under this Section and, as long as Securities are Outstanding under this Indenture, such incumbency certificate shall be amended and replaced whenever an officer is to be added or deleted from the listing. The Trustee may conclusively rely on the documents delivered pursuant to this Section (unless revoked by superseding comparable documents) and Section 2.03 hereof as to the authorization of the Board of Directors of any Securities delivered hereunder, and the form and terms thereof, and as to the authority of the instructing officers referred to in this Section so to act.

The Trustee shall at any time, and from time to time, authenticate Securities for original issue in an unlimited aggregate principal amount upon receipt by the Trustee of a Company Order; provided, that with respect to Securities of a series subject to a Periodic Offering, (a) such Company Order may be delivered to the Trustee

---

prior to the delivery to the Trustee of such Securities for authentication and delivery, (b) the Trustee shall authenticate and deliver Securities of such series for original issue from time to time, in an aggregate principal amount not exceeding the aggregate principal amount, if any, established for such series, pursuant to a Company Order, (c) the maturity date or dates, original issue date or dates, interest rate or rates and any other terms of Securities of such series shall be determined by Company Order or pursuant to such procedures, and (d) if provided for in such procedures, such Company Order may authorize authentication and delivery pursuant to oral or electronic instructions from the Company or its duly authorized agent or agents, which oral instructions shall be promptly confirmed in writing.

Prior to the issuance of a Security of any new series, and the authentication thereof by the Trustee, the Trustee shall have received and (subject to Section 7.02) shall be fully protected in relying on:

- (a) The Board Resolution or Officers' Certificate or indenture supplemental hereto establishing the terms and the form of the Securities of that series pursuant to Section 2.01 and Section 2.03;
- (b) An Officers' Certificate stating that all conditions precedent provided for in this Indenture relating to the issuance, authentication and delivery of Securities in such form have been complied with;
- (c) An Opinion of Counsel stating that the form and terms of such Securities have been established in conformity with the provisions of this Indenture; provided, that with respect to Securities of a series subject to a Periodic Offering, the Trustee shall be entitled to receive such Opinion of Counsel only once at or prior to the time of the first authentication of Securities of such series.

With respect to Securities of a series offered in a Periodic Offering, the Trustee may rely, as to the authorization by the Company of any of such Securities, the form and terms thereof and the legality, validity, binding effect and enforceability thereof, upon the Opinion of Counsel and other documents delivered pursuant to this Section in connection with the first authentication of Securities of such series unless and until such Opinion of Counsel or other documents have been superseded or revoked. In connection with the authentication and delivery of Securities of a series subject to a Periodic Offering, the Trustee shall be entitled to assume that the Company's instructions to authenticate and deliver such Securities do not violate any rules, regulations or orders of any governmental agency or commission having jurisdiction over the Company.

Each Registered Security shall be dated the date of its authentication except as otherwise provided by Board Resolution or Officers' Certificate or indenture supplemental hereto.

The aggregate principal amount of Securities of any series outstanding at any time may not exceed any limit upon the maximum principal amount for such series set forth in or pursuant to the Board Resolution or Officers' Certificate or indenture supplemental hereto delivered pursuant to Section 2.03, except as provided in Section 2.08.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security, a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder. Notwithstanding the foregoing, if any Security shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 2.10 together with a written statement stating that such Security has never been issued and sold by the Company, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

#### **SECTION 2.07. Exchange and Registration of Transfer of Securities.**

(a) The Company shall keep, at an office or agency to be designated and maintained by the Company in accordance with Section 4.02 (as such, a "Security Registrar"), registry books (the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall register Registered Securities and shall register the transfer of Registered Securities of each such series as provided in this Article 2. Such Security Register

---

shall be in written form or in any other form capable of being converted into written form within a reasonable time. At all reasonable times such Security Register shall be open for inspection by the Trustee. Upon due presentment for registration of transfer of any Registered Security of a particular series at such office or agency maintained pursuant to Section 4.02 for such purpose in a Place of Payment, the Company shall execute and register and the Trustee shall authenticate and make available for delivery in the name of the transferee or transferees a new Registered Security or Registered Securities of such series of any authorized denominations and for an equal aggregate principal amount and tenor.

(b) At the option of the holder, Registered Securities of any series may be exchanged for other Registered Securities of the same series of any authorized denominations and of an equal aggregate principal amount and tenor. Registered Securities to be exchanged shall be surrendered at any such office or agency maintained pursuant to Section 4.02 for such purpose in a Place of Payment, and the Company shall execute and register and the Trustee shall authenticate and make available for delivery in exchange therefor the Security or Securities that the securityholder making the exchange shall be entitled to receive.

(c) All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

All Registered Securities presented for registration of transfer or for exchange, redemption or payment, as the case may be, shall (if so required by the Company or the Trustee) be duly endorsed by, or be accompanied by a written instrument or instruments of transfer in form satisfactory to the Company and the Trustee or the Security Registrar duly executed by, the holder thereof or his attorney duly authorized in writing.

No service charge shall be made for any exchange or registration of transfer of Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith, other than exchanges pursuant to the terms of this Indenture not involving any transfer.

The Company shall not be required (1) to exchange or register the transfer of Securities of any series to be redeemed for a period of 15 days next preceding any selection of such Securities to be redeemed, or (2) to exchange or register the transfer of any Registered Security so selected, called or being called for redemption, except in the case of any such series to be redeemed in part the portion thereof not to be so redeemed.

(d) Notwithstanding the foregoing, except as otherwise specified as contemplated by Section 2.03(b), any permanent global Security shall be exchangeable pursuant to this Section only as provided in this paragraph. If the beneficial owners of interests in a permanent global Security are entitled to exchange such interests for Securities of such series and of like tenor and principal amount of another authorized form and denomination, as specified as contemplated by Section 2.03(b), then without unnecessary delay but in any event not later than the earliest date on which such interests may be so exchanged, the Company shall deliver to the Trustee or the Security Registrar definitive Securities of that series in aggregate principal amount equal to the principal amount of such permanent global Security executed by the Company. On or after the earliest date on which such interests may be so exchanged, in accordance with instructions given by the Company to the Trustee or the Security Registrar and the Depositary (which instructions shall be in writing), such permanent global Security shall be surrendered from time to time by the Depositary or such other depositary as shall be specified in the Company Order with respect thereto to the Trustee, as the Company's agent for such purpose, or to the Security Registrar, to be exchanged, in whole or in part, for definitive Securities of the same series without charge and the Trustee shall authenticate and make available for delivery in accordance with such instructions, in exchange for each portion of such permanent global Security, a like aggregate principal amount of definitive Securities of the same series of authorized denominations and of like tenor as the portion of such permanent global Security to be exchanged which shall be in the form of Registered Securities; provided, that no such exchanges may occur for a period of 15 days next preceding any selection of Securities of that series and of like tenor for redemption. Promptly following any such exchange in part, such permanent global Security should be returned by the Trustee or the Security Registrar to the Depositary or such other depositary referred to above in accordance with the instructions of the Company referred to above. If a Registered Security is issued in exchange for any portion of a permanent global Security after the close of business at the office or agency where such exchange occurs on (i) any record date and before the opening of business at such office or agency on the relevant interest payment date, or (ii) any special record date and before the opening of

---

business at such office or agency on the related proposed date for payment of defaulted interest as provided in Section 2.05, interest or defaulted interest, as the case may be, will not be payable on such interest payment date or proposed date for payment, as the case may be, in respect of such Registered Security, but will be payable on such interest payment date or proposed date for payment, as the case may be, only to the person to whom interest in respect of such portion of such permanent global Security is payable in accordance with the provisions of this Indenture.

(e) Notwithstanding anything contained herein to the contrary, neither the Trustee nor the Security Registrar shall be responsible for ascertaining whether any transfer complies with the restrictions set forth in this Indenture, the registration provisions of or exemptions from the Securities Act or applicable state securities laws.

#### **SECTION 2.08. Temporary Securities.**

Pending the preparation of definitive Securities of any series, the Company may execute and the Trustee shall, upon Company Order, authenticate and make available for delivery, temporary Securities of such series (typewritten, printed, lithographed or otherwise produced). Such temporary Securities, in any authorized denominations, shall be substantially in the form of the definitive Securities in lieu of which they are issued, in registered form, in the form approved from time to time by or pursuant to a Board Resolution but with such omissions, insertions, substitutions and other variations as may be appropriate for temporary Securities, all as may be determined by the Company, but not inconsistent with the terms of this Indenture or any provision of applicable law.

Except in the case of temporary Securities in global form (which shall be exchanged as hereinafter provided), if temporary Securities of any series are issued, the Company will cause definitive Securities of that series to be prepared without unreasonable delay. After the preparation of definitive Securities of such series, the temporary Securities of such series shall be exchangeable for definitive Securities of such series upon surrender of the temporary Securities of such series at the office or agency of the Company maintained pursuant to Section 4.02 in a Place of Payment for such series for the purpose of exchanges of Securities of such series, without charge to the holder. Upon surrender for cancellation of any one or more temporary Securities of any series, the Company shall execute and the Trustee shall authenticate and make available for delivery in exchange therefor a like aggregate principal amount of definitive Securities of the same series and of like tenor of authorized denominations.

Without unnecessary delay but in any event not later than the date specified in, or determined pursuant to the terms of, any such temporary global Security of a series (the "Exchange Date"), the Company shall deliver to the Trustee definitive Securities of that series, in aggregate principal amount equal to the principal amount of such temporary global Security, executed by the Company. On or after the Exchange Date such temporary global Security shall be presented and surrendered by the Depositary to the Trustee, as the Company's agent for such purpose, or to the Security Registrar, to be exchanged, in whole or from time to time in part, for definitive Securities of such series without charge, and the Trustee shall authenticate and make available for delivery, in exchange for each portion of such temporary global Security, a like aggregate principal amount of definitive Securities of the same series of authorized denominations and of like tenor as the portion of such temporary global Security to be exchanged.

Every temporary Security shall be executed by the Company and be authenticated by the Trustee upon the same conditions and in substantially the same manner, and with like effect, as the definitive Securities.

#### **SECTION 2.09. Mutilated, Destroyed, Lost or Stolen Securities.**

If any mutilated Security is surrendered to the Trustee, the Company shall execute and the Trustee shall authenticate and make available for delivery in exchange therefor a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Company and the Trustee (a) evidence to their satisfaction of the destruction, loss or theft of any Security and (b) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a bona fide purchaser, the Company shall, subject to the following paragraph,

---

execute and the Trustee shall authenticate and make available for delivery, in lieu of any such destroyed, lost or stolen Security, a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any series issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and any such new Security, if any, shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

#### **SECTION 2.10. Cancellation.**

All Securities surrendered for payment, redemption, exchange or registration of transfer or for credit against any sinking fund payment, as the case may be, shall, if surrendered to the Company or any agent of the Company or of the Trustee, be delivered to the Trustee. All Registered Securities so delivered shall be promptly cancelled by the Trustee, upon written request of the Company. The Company may deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and may deliver to the Trustee (or to any other person for delivery to the Trustee) for cancellation any Securities previously authenticated hereunder which the Company has not issued and sold, and all Securities so delivered shall be promptly cancelled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section except as expressly provided by this Indenture. Any cancelled Securities held by the Trustee shall be disposed in accordance with its then customary procedures and, upon written request of the Company, the Trustee shall deliver to the Company a certificate of such disposal. The acquisition of any Securities by the Company shall not operate as a redemption or satisfaction of the Indebtedness represented thereby unless and until such Securities are surrendered to the Trustee for cancellation.

#### **SECTION 2.11. Book-Entry Only System.**

If specified by the Company pursuant to Section 2.03(b) with respect to Securities represented by a Security in global form, a series of Securities may be issued initially in book-entry only form and, if issued in such form, shall be represented by one or more Securities in global form registered in the name of the Depository or other depository designated with respect thereto. So long as such system of registration is in effect, (a) Securities of such series so issued in book-entry only form will not be issuable in the form of or exchangeable for Securities in certificated or definitive registered form, (b) the records of the Depository or such other depository will be determinative for all purposes and (c) neither the Company, the Trustee nor any paying agent, Security Registrar or transfer agent for such Securities will have any responsibility or liability for (i) any aspect of the records relating to or payments made on account of owners of beneficial interests in the Securities of such series, (ii) maintaining, supervising or reviewing any records relating to such beneficial interests, (iii) receipt of notices, voting and requesting or directing the Trustee to take, or not to take, or consenting to, certain actions hereunder, or (iv) the records and procedures of the Depository, or such other depository, as the case may be.

Members of, or participants in, the Depository shall have no rights under this Indenture with respect to any Global Security held on their behalf by the Depository, or the Trustee as its custodian, or under the Global Security, and the Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of the Global Security for all purposes whatsoever.

**ARTICLE 3**  
**REDEMPTION OF SECURITIES**

**SECTION 3.01. Redemption of Securities, Applicability of Section.**

Redemption of Securities of any series as permitted or required by the terms thereof shall be made in accordance with the terms of such Securities as specified pursuant to Section 2.03 hereof and this Article; provided, however, that if any provision of any series of Securities shall conflict with any provision of this Section, the provision of such series of Securities shall govern.

**SECTION 3.02. Notice of Redemption, Selection of Securities.**

In case the Company shall desire to exercise the right to redeem all or, as the case may be, any part of a series of Securities pursuant to Section 3.01, it shall fix a date for redemption. Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company, or, at the Company's written request, by the Trustee in the name and at the expense of the Company. The Company or the Trustee, as the case may be, shall give notice of such redemption, in the manner and to the extent set forth in Section 15.04, on that date prior to the date fixed for a redemption to the holders of such Securities so to be redeemed, as a whole or in part, (a) as set forth in Board Resolutions, as described in Section 2.03, or (b) as determined by the Chief Executive Officer, the Chief Financial Officer, the President, the Treasurer, any Executive Vice President, the Secretary and each officer of the Company designated by any of the foregoing officers (each, an "Authorized Officer") and evidenced by the preparation of an offering document or an Officers' Certificate specifying the period of notice of such redemption. If the Board Resolutions or an Authorized Officer do not specify a longer period of notice of such redemption, the Company or, at the written request of the Company, the Trustee, shall give notice of such redemption, in the manner and to the extent set forth in Section 15.04, at least ten Business Days and not more than 60 calendar days prior to the date fixed for a redemption to the holders of such Securities so to be redeemed as a whole or in part. Notice given in such manner shall be conclusively presumed to have been duly given, whether or not the holder receives such notice. In any case, failure to give such notice or any defect in the notice to the holder of any such Security designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other such Security. If the Company requests the Trustee to give any notice of redemption, it shall make such request in writing in an Officers' Certificate delivered to the Trustee at least ten days prior to the designated date for delivering such notice, unless a shorter period is satisfactory to the Trustee.

Each such notice of redemption shall specify the date fixed for redemption, the redemption price at which such Securities are to be redeemed, the CUSIP numbers of such Securities, the Place of Payment where such Securities maturing after the date of redemption, are to be surrendered for payment of the redemption prices, that payment will be made upon presentation and surrender of such Securities, that interest accrued to the date fixed for redemption will be paid as specified in the notice, and that on and after the date interest thereon or on the portions thereof to be redeemed will cease to accrue. If less than all of a series is to be redeemed, the notice of redemption shall specify the numbers of the Securities to be redeemed. In case any Security is to be redeemed in part only, the notice of redemption shall state the portion of the principal amount thereof to be redeemed and shall state that, upon surrender of such Security, a new Security or Securities of the same series in principal amount equal to the unredeemed portion thereof will be issued.

On or before the redemption date specified in the notice of redemption given as provided in this Section, the Company will deposit in trust with the Trustee or with one or more paying agents an amount of money sufficient to redeem on the redemption date all the Securities or portions of Securities so called for redemption at the appropriate redemption price, together with accrued interest, if any, to the date fixed for redemption. If less than all of a series of Securities is to be redeemed, the Company will give the Trustee adequate written notice at least 45 days in advance (unless a shorter notice shall be satisfactory to the Trustee) as to the aggregate principal amount of Securities to be redeemed.

If less than all the Securities of a series are to be redeemed, the Trustee shall select, by lot or in such other manner as it shall deem appropriate and fair, not more than 60 days prior to the date of redemption, the numbers of such Securities Outstanding not previously called for redemption, to be redeemed in whole or in part. The portion of principal of Securities so selected for partial redemption shall be equal to the minimum authorized denomination for

---

Securities of that series or any integral multiple thereof. The Trustee shall promptly notify the Company of the Securities to be redeemed. If, however, less than all the Securities of a series having differing issue dates, interest rates and stated maturities are to be redeemed, the Company in its sole discretion shall select the particular Securities of such series to be redeemed and shall notify the Trustee in writing at least 45 days prior to the relevant redemption date.

**SECTION 3.03. Payment of Securities Called for Redemption.**

If notice of redemption has been given as above provided, the Securities or portions of Securities with respect to which such notice has been given shall become due and payable on the date and at the place stated in such notice at the applicable redemption price, together with any interest accrued to the date fixed for redemption, and on and after that date (unless the Company shall default in the payment of such Securities at the redemption price, together with interest accrued to that date) interest on such Securities or portions of Securities so called for redemption shall cease to accrue. On presentation and surrender of such Securities subject to redemption at the Place of Payment and in the manner specified in such notice, such Securities or the specified portions thereof shall be paid and redeemed by the Company at the applicable redemption price, together with interest accrued thereon to the date fixed for redemption; provided, that unless otherwise specified as contemplated by Section 2.03, installments of interest on Registered Securities whose stated maturity date is on or prior to the date of redemption shall be payable to the holders of such Registered Securities, or one or more predecessor Securities, registered as such at the close of business on the relevant record dates according to their terms and the provisions of Section 2.05.

At the option of the Company, payment with respect to Registered Securities may be made by check to the holders of such Securities or other persons entitled thereto against presentation and surrender of such Securities.

Any Security that is to be redeemed only in part shall be surrendered at a Place of Payment therefor (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the holder thereof or such holder's attorney duly authorized in writing), and upon such presentation, the Company shall execute and the Trustee shall authenticate and make available for delivery to the holder thereof, at the expense of the Company, a new Security or Securities of the same series, of authorized denominations, in aggregate principal amount equal to the unredeemed portion of the principal of the Security so presented. If a temporary global Security or permanent global Security is so surrendered, such new Security so issued shall be a new temporary global Security or permanent global Security, respectively.

**SECTION 3.04. Redemption Suspended During Event of Default.**

The Trustee shall not redeem any Securities (unless all Securities then outstanding are to be redeemed) or commence the giving of any notice of redemption of Securities during the continuance of any Event of Default of which a Responsible Officer of the Trustee has actual knowledge or has received written notice thereof, except that where the giving of notice of redemption of any Securities shall theretofore have been made, the Trustee shall redeem such Securities, provided funds are deposited with it for such purpose. Except as aforesaid, any moneys theretofore or thereafter received by the Trustee shall, during the continuance of such Event of Default, be held in trust for the benefit of the securityholders and applied in the manner set forth in Section 6.06; provided, that in case such Event of Default shall have been waived as provided herein or otherwise cured, such moneys shall thereafter be held and applied in accordance with the provisions of this Article.

**ARTICLE 4  
PARTICULAR COVENANTS OF THE COMPANY**

**SECTION 4.01. Payment of Principal, Premium and Interest.**

The Company will duly and punctually pay or cause to be paid the principal of (and premium, if any, on) and any interest on each of the Securities of a series at the place, at the respective times and in the manner provided in the terms of the Securities and this Indenture.

---

#### **SECTION 4.02. Offices for Notices and Payments.**

If Securities of a series are issuable only as Registered Securities, the Company will maintain in each Place of Payment for such series an office or agency where Securities of that series may be presented or surrendered for payment, where Securities of that series may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Securities of that series and this Indenture may be served.

The Company will give to the Trustee notice of the location of each such office or agency and of any change in the location thereof. In case the Company shall fail to maintain any such office or agency as required, or shall fail to give such notice of the location or of any change in the location thereof, presentations and surrenders of Securities of that series may be made and notices and demands may be served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the same as its agent to receive such respective presentations, surrenders, notices and demands.

The Company may also from time to time designate one or more other offices or agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in accordance with the requirements set forth above for Securities of any series for such purposes. The Company will give prompt written notice to the Trustee and the holders of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby initially designates the principal Corporate Trust Office of the Trustee as the office of the Company where Registered Securities may be presented for payment, for registration of transfer and for exchange as in this Indenture provided and where notices and demands to or upon the Company in respect of the Securities or of this Indenture may be served; provided, however, that the Trustee shall not be deemed an agent of the Company for service of legal process.

#### **SECTION 4.03. Provisions as to Paying Agent.**

(a) Whenever the Company shall appoint a paying agent other than the Trustee with respect to the Securities of any series, it will cause such paying agent to execute and deliver to the Trustee an instrument in which such agent shall agree with the Trustee, subject to the provisions of this Section:

(1) that it will hold sums held by it as such agent for the payment of the principal of (and premium, if any, on) or any interest on the Securities of such series (whether such sums have been paid to it by the Company or by any other obligor on the Securities of such series) in trust for the benefit of the persons entitled thereto until such sums shall be paid to such persons or otherwise disposed of as herein provided and will notify the Trustee of the receipt of sums to be so held;

(2) that it will give the Trustee notice of any failure by the Company (or by any other obligor on the Securities of such series) to make any payment of the principal of (or premium, if any, on) or any interest on the Securities of such series when the same shall be due and payable; and

(3) that at any time when any such failure has occurred and is continuing, it will, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such paying agent.

(b) If the Company shall act as its own paying agent, it will, on or before each due date of the principal of (and premium, if any) or any interest on the Securities of any series, set aside, segregate and hold in trust for the benefit of the persons entitled thereto a sum sufficient to pay such principal (and premium, if any) or any interest so becoming due until such sums shall be paid to such persons or otherwise disposed of as herein provided. The Company will promptly notify the Trustee of any failure to take such action.

(c) Whenever the Company shall have one or more paying agents with respect to a series of Securities, it will, on or prior to each due date of the principal of (and premium, if any, on) or any interest on, any Securities, deposit with a paying agent a sum sufficient to pay the principal (and premium, if any) or any interest, so

---

becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal, premium or interest, and (unless such paying agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

(d) Anything in this Section to the contrary notwithstanding, the Company may, at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture with respect to one or more or all series of Securities hereunder, or for any other reason, pay or cause to be paid to the Trustee all sums held in trust for such series by it or any paying agent hereunder as required by this Section, such sums to be held by the Trustee upon the trusts herein contained, and upon such payment by any paying agent to the Trustee, such paying agent shall be released from all further liability with respect to such money.

(e) Anything in this Section to the contrary notwithstanding, the agreement to hold sums in trust as provided in this Section is subject to the provisions of Section 12.03 and Section 12.04.

#### **SECTION 4.04. Statement as to Compliance.**

The Company will deliver to the Trustee, within 120 days after the end of each fiscal year of the Company, commencing with the fiscal year ending in the year during which the first series of Securities is issued hereunder (but in no event more than one year from the issuance of the first series hereunder), an Officers' Certificate signed by the Chief Executive Officer, President or other principal executive officer and by the Chief Financial Officer or other principal financial officer or principal accounting officer, Assistant Secretary, Treasurer or Controller of the Company, stating, as to each signer thereof, that:

(a) a review of the activities of the Company during such year and of performance under this Indenture has been made under his supervision; and

(b) to the best of his knowledge, based on such review, the Company has fulfilled all its obligations under this Indenture throughout such year, or, if there has been a default in the fulfillment of any such obligation, specifying each such default known to him and the nature and status thereof.

#### **SECTION 4.05. Corporate Existence.**

The Company covenants and agrees that it will furnish or cause to be furnished to the Trustee (1) semiannually, within 15 days before each record date when any Securities of a series are Outstanding, a list, in such form as the Trustee may reasonably require, of all information in the possession or control of the Company as to the names and addresses of the holders of such Registered Securities as of such date, and (2) at such other times as the Trustee may request in writing, within 10 days after receipt by the Company of any such request, a list, in such form as the Trustee may reasonably require, of all information in the possession or control of the Company as to the names and addresses of the holders of Registered Securities of a particular series specified by the Trustee as of a date not more than 15 days prior to the time such information is furnished; provided, that if and so long as the Trustee shall be the Security Registrar with respect to such series, such list shall not be required to be furnished.

---

**SECTION 5.02. Preservation and Disclosure of Lists.**

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, all information as to the names and addresses of the holders of each series of Securities contained in the most recent list furnished to it as provided in Section 5.01 or received by the Trustee in its capacity as Security Registrar. The Trustee may destroy any list furnished to it as provided in Section 5.01 upon receipt of a new list so furnished.

(b) Securityholders may communicate as provided in Section 312(b) of the Trust Indenture Act with other securityholders with respect to their rights under this Indenture or under the Securities. The Trustee's receipt of such reports, information and documents (whether or not filed in electronic form) is for informational purposes only and the Trustee's receipt of such will not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates). **REMEDIES**

**SECTION 6.01. Events of Default; Acceleration of Maturity.**

In case one or more of the following Events of Default with respect to a particular series shall have occurred and be continuing:

- (a) default in (i) the payment of the principal of (or premium, if any, on) any of the Securities of such series as and when the same shall become due and payable either at maturity, upon redemption, by declaration or otherwise or (ii) any payment required by any sinking or analogous fund established with respect to that series;
- (b) default in the payment of any installment of interest upon any of the Securities of such series as and when the same shall become due and payable, and continuance of such default for a period of 90 days;
- (c) failure on the part of the Company duly to observe or perform any other of the covenants or agreements on the part of the Company contained in the Securities or in this Indenture for a period of 90 days after the date on which written notice of such failure, requiring the Company to remedy the same, shall have been given to the Company by the Trustee, or to the Company and the Trustee by the holders of at least 25% in aggregate principal amount of the Securities of that series at the time Outstanding;
- (d) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Company or the Material Subsidiary in an involuntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of the Company or any Material Subsidiary or for any substantial part of their respective property, or ordering the winding-up or liquidation of its affairs and such decree or order shall remain unstayed and in effect for a period of 60 consecutive days;
- (e) the Company or the Material Subsidiary shall commence a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or shall consent to the entry of an order for relief in an involuntary case under any such law, or shall consent to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or similar official) of the Company or the Material Subsidiary or for any substantial part of their respective property, or shall make any general assignment for the benefit of creditors; or
- (f) any other Event of Default provided with respect to Securities of that series; then, if an Event of Default described in clause (a), (b), (c), or (f) shall have occurred and be continuing, and in each and every such case, unless the principal amount of all the Securities of such series shall have already become due and payable, either the Trustee or the holders of not less than 25% in aggregate principal amount of the Securities of that series then Outstanding hereunder, by notice in writing to the Company (and to the Trustee if given by securityholders) may declare the principal amount of all the Securities (or, with respect to Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Securities) of that series to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in this Indenture or in the Securities of such series contained to the contrary notwithstanding; or, if an Event of Default described in clause (d) or (e) shall have occurred and be continuing, and in each and every such case, unless the principal of all the Securities of such series shall have already become due and payable, either the Trustee or the holders of not less than 25% in aggregate principal amount of all the Securities of that series then Outstanding hereunder, by notice in writing to the Company (and to the Trustee if given by securityholders), may declare the principal of all the Securities (or, with respect to Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Securities) to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in this Indenture or in the Securities contained to the contrary notwithstanding.

---

## **SECTION 6.02. Rescission and Annulment**

The provisions in Section 6.01 are subject to the condition that if, at any time after the principal of the Securities of any one or more of all series, as the case may be, shall have been so declared due and payable, and before any judgment or decree for the payment of the moneys due shall have been obtained or entered as hereinafter provided, the Company shall pay or shall deposit with the Trustee a sum sufficient to pay all matured installments of interest upon all the Securities of such series or of all the Securities, as the case may be, and the principal of (and premium, if any, on) all Securities of such series or of all the Securities, as the case may be (or, with respect to Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Securities), which shall have become due otherwise than by acceleration (with interest upon such principal and premium, if any) and, to the extent that payment of such interest is enforceable under applicable law, on overdue installments of interest, at the same rate as the rate of interest specified in the Securities of such series or all Securities, as the case may be (or, with respect to Original Issue Discount Securities, at the rate specified in the terms of such Securities for interest on overdue principal thereof upon maturity, redemption or acceleration of such series, as the case may be), to the date of such payment or deposit, and such amount as shall be sufficient to cover reasonable compensation to the Trustee, its agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its negligence or willful misconduct, and any and all defaults under the Indenture, other than the non-payment of the principal of Securities that has become due by acceleration, shall have been remedied; then and in every such case the holders of a majority in aggregate principal amount of the Securities of such series (or of all the Securities, as the case may be) then Outstanding, by written notice to the Company and to the Trustee, may waive all defaults with respect to that series or with respect to all Securities, as the case may be in such case, treated as a single class and rescind and annul such declaration and its consequences; but no such waiver or rescission and annulment shall extend to or shall affect any subsequent default or shall impair any right consequent thereon.

In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned because of such rescission and annulment or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Company, the Trustee and the securityholders, as the case may be, shall be restored respectively to their former positions and rights hereunder, and all rights, remedies and powers of the Company, the Trustee and the securityholders, as the case may be, shall continue as though no such proceedings had been taken.

## **SECTION 6.03. Collection of Indebtedness and Suits for Enforcement by Trustee.**

The Company covenants that if

(a) default is made in the payment of any installment of interest on any Security when such interest becomes due and payable and such default continues for a period of 90 days, or

(b) default is made in the payment of the principal or premium, if any, of any Security at the maturity thereof, including any maturity occurring by reason of a call for redemption or otherwise, the Company will, upon demand of the Trustee, pay to it, for the benefit of the holders of such Securities, the whole amount that shall have become due and payable on such Securities for principal or premium, if any, and interest, with interest upon the overdue principal and, to the extent that payment of such interest shall be legally enforceable, upon overdue installments of interest, at the rate borne by such Securities; and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Company fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, and may prosecute such proceedings to judgment or final decree, and may enforce the same against the Company or any other obligor upon the Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon the Securities, wherever situated.

If an Event of Default occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the securityholders by such appropriate judicial proceedings as the Trustee shall

---

deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

**SECTION 6.04. Trustee May File Proofs of Claim.**

In the case of the pendency of a receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Company or any other obligor upon the Securities or the property of the Company or such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of principal and premium, if any, and any interest owing and unpaid in respect of the Securities and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the holders of Securities allowed in such judicial proceeding; and

(b) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any receiver, assignee, trustee, liquidator or sequestrator (or other similar official) in any such judicial proceeding is hereby authorized by each holder of Securities to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the holders of Securities, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06. To the extent that such payment of reasonable compensation, expenses, disbursements, advances and other amounts out of the estate in any such proceedings shall be denied for any reason, payment of the same shall be secured by a lien on, and shall be paid out of, any and all distributions, dividends, moneys, securities and other property which the holders of the Securities may be entitled to receive in such proceedings, whether in liquidation or under any plan or reorganization or arrangements or otherwise.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of the holder of a Security any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any holder thereof, or to authorize the Trustee to vote in respect of the claim of any holder of a Security in any such proceeding.

**SECTION 6.05. Trustee May Enforce Claims Without Possession of Securities.**

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Securities in respect of which such judgment has been recovered.

**SECTION 6.06. Application of Money Collected.**

Any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal or premium, if any, or any interest, upon presentation of the Securities, as the case may be, and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 7.06 or 14.05;

SECOND: To the payment of all senior Indebtedness of the Company if and to the extent required by Article 16;

---

THIRD: To the payment of the amounts then due and unpaid upon the Securities for principal of and premium, if any, and any interest on the Securities, in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities, for principal and any interest, respectively; and

FOURTH: To the Company or its successors or assigns, or to whomsoever may be lawfully entitled to receive the same.

#### **SECTION 6.07. Limitation on Suits.**

No holder of any Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

- (1) such holder has previously given written notice to the Trustee of a continuing Event of Default;
- (2) the holders of not less than 25% in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;
- (3) such holder or holders have offered to the Trustee indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;
- (4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceedings; and
- (5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the holders of a majority in principal amount of the Outstanding Securities; it being understood and intended that no one or more such holders of Securities shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such holders of Securities or to obtain or to seek to obtain priority or preference over any other of such holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all such holders of Securities.

#### **SECTION 6.08. Unconditional Right of Securityholders to Receive Principal and Interest.**

Notwithstanding any other provision in this Indenture, the holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of and premium, if any, and (subject to Section 2.05 and Section 3.02) any interest on such Security on the respective stated maturities expressed in such Security (or, in the case of redemption, on the redemption date) and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such holder.

#### **SECTION 6.09. Restoration of Rights and Remedies.**

If the Trustee or any holder of a Security has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such holder, then and in every such case the Company, the Trustee and the holders of Securities shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the holders shall continue as though no such proceeding has been instituted.

#### **SECTION 6.10. Rights and Remedies Cumulative.**

Except as provided in Section 2.09, no right or remedy herein conferred upon or reserved to the Trustee or to the holders of Securities is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder

---

or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

**SECTION 6.11. Delay or Omission Not Waiver.**

No delay or omission of the Trustee or of any holder of any Security to exercise any right or remedy accruing upon any Default shall impair any such right or remedy or constitute a waiver of any such Default or any acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the holders of Securities may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the holders of Securities, as the case may be.

**SECTION 6.12. Control by Securityholders.**

The holders of a majority in principal amount of Outstanding Securities of each series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, provided that

- (1) such direction shall not be in conflict with any statute, rule of law or with this Indenture;
- (2) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction; and
- (3) the Trustee need not take any action which it in good faith determines might involve it in personal liability or be unjustly prejudicial to the securityholders not consenting (provided, however, that the Trustee shall not have an affirmative obligation to determine whether such action is unduly prejudicial to the securityholders not consenting).

Upon receipt by the Trustee of any such direction with respect to Securities of a series all or part of which is represented by a temporary global Security or a permanent global Security, the Trustee shall establish a record date for determining holders of Outstanding Securities of such series entitled to join in such direction, which record date shall be at the close of business on the day the Trustee receives such direction. The holders on such record date, or their duly designated proxies, and only such persons, shall be entitled to join in such direction, whether or not such holders remain holders after such record date, provided that, unless such majority in principal amount shall have been obtained prior to the day which is 90 days after such record date, such direction shall automatically and without further action by any holder be cancelled and of no further effect. Nothing in this paragraph shall prevent a holder, or a proxy of a holder, from giving, after expiration of such 90-day period, a new direction identical to a direction which has been cancelled pursuant to the proviso to the preceding sentence, in which event a new record date shall be established pursuant to the provisions of this Section 6.12.

**SECTION 6.13. Waiver of Past Defaults.**

The holders of a majority in principal amount of the Securities of each series at the time Outstanding may, on behalf of the holders of all the Securities of that series, waive any past default hereunder and its consequences, except a default:

- (a) in the payment of the principal of, premium, if any, or any interest on any Security; or
- (b) in respect of a covenant or provision hereof that pursuant to Article 10 cannot be modified or amended without the consent of the holder of each Outstanding Security affected.

Upon any such waiver, such default shall cease to exist, and any Default or Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

---

**SECTION 6.14. Undertaking for Costs.**

All parties to this Indenture agree, and each holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any holder, or group of holders, holding in the aggregate more than 10% in principal amount of the Outstanding Securities of any series, or to any suit instituted by any holder of any Securities for the enforcement of the payment of the principal of, premium, if any, or any interest on any Security on or after the respective stated maturities expressed in such Security (or, in the case of redemption, on or after the redemption date, except, in the case of a partial redemption, with respect to the portion not so redeemed).

**SECTION 6.15. Waiver of Stay or Extension Laws.**

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension laws wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefits or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

**ARTICLE 7  
CONCERNING THE TRUSTEE****SECTION 7.01. Duties and Responsibilities of Trustee.**

(a) The Trustee, prior to the occurrence of an Event of Default of a particular series and after the curing of all Events of Default of such series which may have occurred, undertakes to perform such duties and only such duties with respect to such series as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee. In the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform on their face to the requirements of this Indenture.

(b) In case an Event of Default with respect to a particular series has occurred (which has not been cured), the Trustee shall exercise with respect to such series such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provisions of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) prior to the occurrence of an Event of Default with respect to a particular series and after the curing of all Events of Default with respect to such series which may have occurred, the duties and obligations of the Trustee with respect to such series shall be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Officers, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; and

---

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the holders of Securities pursuant to Section 6.12 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(d) No provision of this Indenture shall be construed as requiring the Trustee to expend or risk its own funds or otherwise to incur any personal financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

#### **SECTION 7.02. Reliance on Documents, Opinions, etc.**

Subject to the provisions of Section 7.01:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, judgement, bond, debenture, note, coupon or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties not only as the due execution, validity and effectiveness, but also as to the truth and accuracy of any information contained herein. The Trustee need not investigate any fact or matter stated in the document;

(b) any request, direction, order or demand of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order (unless other evidence in respect thereof be herein specifically prescribed); and any Board Resolution may be evidenced to the Trustee by a copy thereof certified by the Secretary or any Assistant Secretary of the Company; and whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate and/or Opinion of Counsel;

(c) the Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(d) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the holders of any Securities pursuant to the provisions of this Indenture, unless such holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred therein or thereby;

(e) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, coupon or other paper or documents, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney;

(f) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(g) the Trustee shall not be liable for any action taken, suffered or omitted to be taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;

(h) in no event will the Trustee be responsible or liable for special, indirect, incidental, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action;

---

(i) in no event will the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its reasonable control, including, without limitation, strikes, pandemics, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, sabotage, epidemics, riots, nuclear or natural catastrophes, earthquakes, fires, floods, or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software or hardware) services, labor disputes, acts of civil or military authorities and governmental actions, or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility; it being understood that the Trustee will use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances;

(j) the Trustee shall not be required to give any bond or surety in respect of the performance of its powers hereunder;

(k) the Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture; and

(l) the permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and, with respect to such permissive rights, the Trustee shall not be answerable other than for its negligence or willful misconduct.

#### **SECTION 7.03. No Responsibility for Recitals, etc.**

The recitals contained herein and in the Securities, other than the Trustee's certificate of authentication, shall be taken as the statements of the Company, and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities, provided that the Trustee shall not be relieved of its duty to authenticate Securities only as authorized by this Indenture. The Trustee shall not be accountable for the use or application by the Company of Securities or the proceeds thereof.

#### **SECTION 7.04. Ownership of Securities.**

The Trustee, any authenticating agent, any paying agent, any Security Registrar or any other agent of the Company or of the Trustee, in its individual or any other capacity, may become the owner or pledgee of Securities with the same rights it would have if it were not Trustee, authenticating agent, paying agent, Security Registrar or such other agent of the Company or of the Trustee.

#### **SECTION 7.05. Moneys to be Held in Trust.**

Subject to the provisions of Section 12.04 hereof, all moneys received by the Trustee or any paying agent shall, until used or applied as herein provided, be held un-invested in trust for the purposes for which they were received, but need not be segregated from other funds except to the extent required by law. Neither the Trustee nor any paying agent shall be under any liability for interest on any moneys received by it hereunder except such as it may agree in writing with the Company to pay thereon.

#### **SECTION 7.06. Compensation and Expenses of Trustee.**

The Company covenants and agrees to pay to the Trustee from time to time, and the Trustee shall be entitled to, such compensation for all services rendered by it hereunder as agreed in writing between the Company and the Trustee (which to the extent permitted by law shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust), and, except as otherwise expressly provided, the Company will pay or reimburse the Trustee forthwith upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any of the provisions of this Indenture (including the reasonable compensation and the expenses and disbursements of its counsel and of all persons not regularly in its employ) except any such expense, disbursement or advance as may arise from its negligence or willful misconduct. If any property other than cash shall at any time be subject to the lien of this Indenture, the Trustee, if and to the extent authorized by a receivership or bankruptcy court of competent jurisdiction or by the supplemental instrument

---

subjecting such property to such lien, shall be entitled to make and to be reimbursed for, advances for the purpose of preserving such property or of discharging tax liens or other prior liens or encumbrances thereon. The Company also covenants to indemnify each of the Trustee and any predecessor Trustee for, and to hold it harmless against, any and all loss, damage, claims, suit, liability or expense, (including attorney's fees and expenses, and taxes (other than taxes based upon, measured or determined by, the income of the Trustee)) incurred without negligence or willful misconduct on the part of the Trustee, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself against any claim of liability, whether asserted by the Company, a Holder or any other person. The obligations of the Company under this Section shall constitute additional indebtedness hereunder. Such additional indebtedness shall be secured by a lien prior to that of the Securities upon all property and funds held or collected by the Trustee as such, except funds held in trust for the benefit of the holders of particular Securities. This indemnification shall apply to officers, directors, employees, shareholders and agents of the Trustee.

To secure the Company's obligations under this Section, the Trustee shall have a senior claim to which the Securities are hereby made subordinate on all money or property held or collected by the Trustee, except that held in trust to pay principal of (and premium, if any) and interest, if any, on particular Securities.

When the Trustee incurs expenses or renders services after an Event of Default, the expenses and the compensation for the services are intended to constitute expenses of administration under any bankruptcy law.

The provisions of this Section shall survive the resignation or removal of the Trustee and the termination of this Indenture.

#### **SECTION 7.07. Officers' Certificate or Opinion of Counsel as Evidence.**

Subject to the provisions of Section 7.01, whenever in the administration of the provisions of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action to be taken hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of negligence or bad faith on the part of the Trustee, be deemed to be conclusively proved and established by an Officers' Certificate or Opinion of Counsel delivered to the Trustee, and such certificate or opinion, in the absence of negligence or bad faith on the part of the Trustee, shall be full warrant to the Trustee for any action taken, suffered or omitted by it under the provisions of this Indenture upon the faith thereof.

#### **SECTION 7.08. Disqualifications; Conflicting Interest of Trustee.**

If the Trustee has or shall acquire any "conflicting interest" within the meaning of the Trust Indenture Act, the Trustee and the Company shall in all respects comply with the provisions of Section 310(b) of the Trust Indenture Act.

#### **SECTION 7.09. Eligibility of Trustee.**

There shall at all times be a Trustee hereunder which shall be a corporation organized and doing business under the laws of the United States or of any State or Territory thereof or of the District of Columbia, which (a) is authorized under such laws to exercise corporate trust powers, (b) is subject to supervision or examination by federal, state, territorial or District of Columbia authority, (c) shall have at all times a combined capital and surplus of not less than \$50,000,000 and (d) shall not be the Company or any person directly or indirectly controlling, controlled by, or under common control with the Company. If such corporation publishes reports of condition at least annually, pursuant to law, or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation at any time shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, the Trustee shall resign immediately in the manner and with the effect specified in Section 7.10.

---

**SECTION 7.10. Resignation or Removal of Trustee.**

(a) The Trustee, or any trustee or trustees hereafter appointed, may at any time resign with respect to one or more or all series by giving written notice of resignation to the Company. Upon receiving such notice of resignation, the Company shall promptly appoint a successor trustee with respect to the applicable series by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the resigning Trustee and one copy to the successor trustee. If no successor trustee shall have been so appointed and have accepted appointment within 30 days after the mailing of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor trustee at the expense of the Company. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor trustee.

(b) In case at any time any of the following shall occur:

(1) the Trustee shall fail to comply with Section 7.08 with respect to any series of Securities after written request therefor by the Company or by any securityholder who has been a bona fide holder of a Security or Securities of such series for at least six months, or

(2) the Trustee shall cease to be eligible in accordance with the provisions of Section 7.09 with respect to any series of Securities and shall fail to resign after written request therefor by the Company or by any such securityholder, or

(3) the Trustee shall become incapable of acting with respect to any series of Securities, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then, in any such case, the Company may remove the Trustee with respect to the applicable series of Securities and appoint a successor trustee with respect to such series by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor trustee, or, subject to the provisions of Section 6.14, any securityholder of such series who has been a bona fide holder of a Security or Securities of the applicable series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor trustee with respect to such series. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, remove the Trustee and appoint a successor trustee.

(c) Upon 30 days' prior written notice, the holders of a majority in aggregate principal amount of the Securities of all series (voting as one class) at the time Outstanding may at any time remove the Trustee with respect to Securities of all series and appoint a successor trustee with respect to the Securities of all series.

(d) Any resignation or removal of the Trustee and any appointment of a successor trustee pursuant to any of the provisions of this Section shall become effective upon the appointment of a successor trustee and the acceptance of appointment by the successor trustee as provided in Section 7.11.

**SECTION 7.11. Acceptance by Successor Trustee.**

Any successor trustee appointed as provided in Section 7.10 shall execute, acknowledge and deliver to the Company and to its predecessor trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor trustee with respect to all or any applicable series shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations with respect to such series of its predecessor hereunder, with like effect as if originally named as trustee herein; but, nevertheless, on the written request of the Company or of the successor trustee, the predecessor trustee shall, upon payment of any amounts then due it pursuant to the provisions of Section 7.06, execute and deliver an instrument transferring to such successor trustee all the rights and powers of the predecessor trustee. Upon request of any such successor trustee, the Company shall execute any and all instruments in writing in order more fully and certainly to vest in and confirm to such successor trustee all such rights and powers. Any trustee, including the initial Trustee, ceasing to act shall, nevertheless, retain a lien upon all property or funds held or collected by such trustee to secure any amounts then due it pursuant to the provisions of Section 7.06.

---

In case of the appointment hereunder of a successor trustee with respect to the Securities of one or more (but not all) series, the Company, the predecessor Trustee and each successor trustee with respect to the Securities of any applicable series shall execute and deliver an indenture supplemental hereto which shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the predecessor Trustee with respect to the Securities of any series as to which the predecessor Trustee is not retiring shall continue to be vested in the predecessor Trustee, and shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such trustees co-trustees of the same trust and that each such trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such trustee.

No successor trustee shall accept appointment as provided in this Section unless at the time of such acceptance such successor trustee shall be qualified and eligible under the provisions of this Article 7.

Upon acceptance of appointment by a successor trustee as provided in this Section, the Company shall mail notice of the succession of such trustee hereunder to all holders of Securities of any applicable series as the names and addresses of such holders shall appear on the registry books. If the Company fails to mail such notice in the prescribed manner within ten days after the acceptance of appointment by the successor trustee, the successor trustee shall cause such notice to be so mailed at the expense of the Company.

#### **SECTION 7.12. Successor by Merger, etc.**

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be qualified and eligible under the provisions of this Article 7, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

#### **SECTION 7.13. Limitations on Rights of Trustee as Creditor.**

The Trustee shall comply with Section 311(a) of the Trust Indenture Act, excluding any creditor relationship described in Section 311(b) of the Trust Indenture Act. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the Trust Indenture Act to the extent included therein.

#### **SECTION 7.14. Notice of Default.**

Within 90 days after the occurrence of any default on a series of Securities hereunder of which a Responsible Officer of the Trustee has received notice or is deemed to have notice in accordance with this Section 7.14, the Trustee shall transmit to all securityholders of that series, in the manner and to the extent provided in Section 15.04, notice of such default hereunder actually known to a Responsible Officer of the Trustee, unless such default shall have been cured or waived; provided, that except in the case of a default in the payment of the principal of or interest on any Security or on the payment of any sinking or purchase fund installment, the Trustee shall be protected in withholding such notice if and so long as a Responsible Officer of the Trustee in good faith determine that the withholding of such notice is in the interests of the securityholders; and provided, further, that in the case of any default of the character specified in clause (c) of Section 6.01 no such notice to securityholders shall be given until at least 30 days after the occurrence thereof. The Trustee will not be required to take notice or be deemed to have notice of any default or Event of Default, except failure by the Company to pay or cause to be made any of the payments required to be made to the Trustee, unless a Responsible Officer shall receive written notice of such default or Event of Default from the Company or by the holders of at least 25% in aggregate principal amount of the

---

then Outstanding Securities delivered to the Corporate Trust Office of the Trustee and such notice states that it is a notice of a default or Event of Default with respect to the Securities and this Indenture, and in the absence of such notice so delivered the Trustee may conclusively assume no default or Event of Default exists. For the purpose of this Section, the term “default” means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

**SECTION 7.15. Appointment of Authenticating Agent.**

The Trustee may appoint an authenticating agent or agents (which may be an affiliate or affiliates of the Company) with respect to one or more series of Securities which shall be authorized to act on behalf of the Trustee to authenticate Securities of such series issued upon original issue or upon exchange, registration of transfer or partial redemption thereof or pursuant to Section 2.09, and Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Securities by the Trustee or the Trustee’s certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an authenticating agent and a certificate of authentication executed on behalf of the Trustee by an authenticating agent. Each authenticating agent shall be acceptable to the Company and shall at all times be a corporation organized and doing business under the laws of the United States of America or of any State or Territory thereof or of the District of Columbia, which (a) is authorized under such laws to exercise corporate trust powers or to otherwise act as authenticating agent, (b) is subject to supervision or examination by federal, state, territorial or District of Columbia authority, and (c) shall have at all times a combined capital and surplus of not less than \$50,000,000. If such authenticating agent publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such authenticating agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an authenticating agent shall cease to be eligible in accordance with the provisions of this Section, such authenticating agent shall resign immediately in the manner and with the effect specified in this Section.

Any corporation into which an authenticating agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such authenticating agent shall be a party, or any corporation succeeding to the corporate agency or corporate trust business of such authenticating agent, shall continue to be an authenticating agent, provided such corporation shall be otherwise eligible under this Section, without the execution or filing of any paper or any further act on the part of the Trustee or such authenticating agent.

An authenticating agent may resign at any time by giving written notice thereof to the Trustee and to the Company. The Trustee may at any time terminate the agency of an authenticating agent by giving written notice thereof to such authenticating agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such authenticating agent shall cease to be eligible in accordance with the provisions of this Section, the Trustee may appoint a successor authenticating agent which shall be acceptable to the Company and shall promptly give notice of such appointment to all holders of Securities in the manner and to the extent provided in Section 15.04. Any successor authenticating agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an authenticating agent. No successor authenticating agent shall be appointed unless eligible under the provisions of this Section.

The Company agrees to pay to each authenticating agent from time to time reasonable compensation for its services under this Section.

**SECTION 8.03. Who Are Deemed Absolute Owners.**

Prior to due presentment of a Registered Security for registration of transfer, the Company, the Trustee and any agent of the Company or of the Trustee may deem the person in whose name such Registered Security shall be registered upon the Security Register to be, and may treat him as, the absolute owner of such Registered Security (whether or not such Security shall be overdue and notwithstanding any notation of ownership or other writing thereon), for the purpose of receiving payment of or on account of the principal of (and premium, if any) and, subject to the provisions of Section 2.05 and Section 2.07, any interest on such Security and for all other purposes; and neither the Company nor the Trustee nor any agent of the Company or of the Trustee shall be affected by any notice to the contrary. All such payments so made to any holder for the time being, or upon his order, shall be valid and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable upon any such Security.

Notwithstanding the foregoing, with respect to any temporary or permanent global Security, nothing herein shall prevent the Company, the Trustee, or any agent of the Company or of the Trustee, from giving effect to any written certification, proxy or other authorization furnished by a Depository, or impair, as between a Depository and holders of beneficial interests in any temporary or permanent global Security, as the case may be, the operation of customary practices governing the exercise of the rights of the Depository as holder of such temporary or permanent global Security.

**SECTION 8.04. Company-Owned Securities Disregarded.**

In determining whether the holders of the required aggregate principal amount of Securities have provided any request, demand, authorization, notice, direction, consent or waiver under this Indenture, Securities which are owned by the Company or any other obligor on the Securities, or by any person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any other obligor on the Securities, shall be disregarded and deemed not to be Outstanding for the purpose of any such determination, except that for the purpose of determining whether the Trustee shall be protected in relying on any such request, demand, authorization, direction, notice, consent or waiver, only Securities which the Trustee actually knows are so owned shall be so disregarded. Securities so owned which have been pledged in good faith may be regarded as Outstanding for the purposes of this Section if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right to vote such Securities and that the pledgee is not a person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any such other obligor. In the case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee.

**SECTION 8.05. Revocation of Consents; Future Securityholders Bound.**

At any time prior to the taking of any action by the holders of the percentage in aggregate principal amount of the Securities specified in this Indenture in connection with such action, any holder of a Security, the identifying number of which is shown by the evidence to be included in the Securities the holders of which have consented to such action, may, by filing written notice with the Trustee at its office and upon proof of holding as provided in Section 8.02, revoke such action so far as concerns such Security. Except as aforesaid any such action taken by the holder of any Security shall be conclusive and binding upon such holder and upon all future holders and owners of such Security and of any Security issued upon registration of transfer of or in exchange or substitution therefor in respect of anything done, omitted or suffered to be done by the Trustee or the Company in reliance thereon, irrespective of whether or not any notation in regard thereto is made upon such Security. Any action taken by the holders of the percentage in aggregate principal amount of the Securities specified in this Indenture in connection with such action shall be conclusively binding upon the Company, the Trustee and the holders of all the Securities.

**SECTION 8.06. Record Date.**

The Company may, but shall not be obligated to, set a record date for purposes of determining the identity of holders of Securities of any series entitled to vote or consent to any action by vote or consent or to otherwise take any action under this Indenture authorized or permitted by Section 6.12 and Section 6.13 or otherwise under this Indenture. Such record date shall be the later of (i) the date 20 days prior to the first solicitation of such consent or vote or other action and (ii) the date of the most recent list of holders of such Securities delivered to the principal

---

corporate trust office of the Trustee pursuant to Section 5.01 prior to such solicitation. If such a record date is fixed, those persons who were holders of such Securities at the close of business on such record date shall be entitled to vote or consent or take such other action, or to revoke any such action, whether or not such persons continue to be holders after such record date, and for that purpose the Outstanding Securities shall be computed as of such record date.

## **ARTICLE 9 SECURITYHOLDERS' MEETINGS**

### **SECTION 9.02. Call of Meetings by Trustee.**

The Trustee may at any time call a meeting of securityholders of any or all series to take any action specified in Section 9.01, to be held at such time and at such place in New York, New York or as the Trustee shall determine. Notice of every meeting of the securityholders of any or all series, setting forth the time and place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given in the manner provided in Section 15.04 not less than 20 nor more than 180 days prior to the date fixed for the meeting.

### **SECTION 9.03. Call of Meetings by Company or Securityholders.**

---

**SECTION 9.05. Regulations.**

Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of securityholders of a series, in regard to proof of the holding of Securities and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it deems fit. Except as otherwise permitted or required by any such regulations, the holding of Securities shall be proved in the manner specified in Article 8 and the appointment of any proxy shall be proved in the manner specified in Article 8. Such regulations may provide that written instruments appointing proxies, regular on their face, may be presumed valid and genuine without the proof specified in Article 8 or other proof.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by securityholders as provided in Section 9.03, in which case the Company or the securityholders calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the holders of a majority in principal amount of the Securities represented at the meeting and entitled to vote.

Subject to the provisions of Section 8.01 and Section 8.04, at any meeting each securityholder or proxy shall be entitled to one vote for each \$1,000 (or the Dollar equivalent thereof in connection with Securities issued in a foreign currency or currency unit) Outstanding principal amount of Securities of such series held or represented by him; provided, however, that no vote shall be cast or counted at any meeting in respect of any Security challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote except as a securityholder or proxy. Any meeting of securityholders duly called pursuant to the provisions of Section 9.02 or Section 9.03 may be adjourned from time to time, and the meeting may be reconvened without further notice.

**SECTION 9.06. Voting.**

The vote upon any resolution submitted to any meeting of securityholders shall be by written ballot on which shall be subscribed the signatures of the securityholders or proxies and on which shall be inscribed the identifying number or numbers or to which shall be attached a list of identifying numbers of the Securities held or represented by them. The chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of securityholders shall be prepared by the secretary of the meeting and there shall be attached to the record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that the notice was mailed as provided in Section 9.02. The record shall be signed and verified by the chairman and secretary of the meeting and one of the duplicates shall be delivered to the Company and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

**ARTICLE 10  
SUPPLEMENTAL INDENTURES****SECTION 10.01. Supplemental Indentures without Consent of Securityholders.**

Without the consent of any holders of Securities, the Company, when authorized by or pursuant to Board Resolution, and the Trustee may from time to time and at any time enter into an indenture or indentures supplemental hereto (which shall conform to the provisions of the Trust Indenture Act as in force at the date of the execution thereof) for one or more of the following purposes:

(a) to evidence the succession of another corporation to the Company, or successive successions, pursuant to Article 11 hereof, and the assumption by the successor corporation of the covenants, agreements and obligations of the Company herein and in the Securities;

- 
- (b) to add to the covenants of the Company such further covenants, restrictions, conditions or provisions as its Board of Directors shall consider to be for the protection of the holders of Securities, and to make the occurrence, or the occurrence and continuance, of a default in any of such additional covenants, restrictions, conditions or provisions an Event of Default permitting the enforcement of all or any of the several remedies provided in this Indenture as herein set forth, with such period of grace, if any, and subject to such conditions as such supplemental indenture may provide;

The Trustee is hereby authorized to join with the Company in the execution of any such supplemental indenture, to make any further appropriate agreements and stipulations which may be therein contained and to accept the conveyance, transfer, assignment, mortgage or pledge of any property thereunder, but the Trustee shall not be obligated to enter into any such supplemental indenture which adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise. No supplemental indenture shall be effective as against the Trustee unless and until the Trustee has duly executed and delivered the same.

#### **SECTION 10.02. Supplemental Indentures with Consent of Holders.**

With the consent (evidenced as provided in Section 8.01) of the holders of not less than a majority in aggregate principal amount of the Securities of all series at the time Outstanding affected by such supplemental indenture (voting as one class), the Company, when authorized by a Board Resolution, and the Trustee may from time to time and at any time enter into an indenture or indentures supplemental hereto (which shall conform to the provisions of the Trust Indenture Act as in force at the date of the execution thereof) for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of any supplemental indenture or of modifying in any manner the rights of the holders of the Securities of such series under this Indenture; provided, that no such supplemental indenture shall (a) extend the fixed maturity of any Securities, or reduce the principal amount thereof or premium, if any, or reduce the rate or extend the time of payment of interest thereon, without the consent of the holder of each Security so affected, (b) reduce the aforesaid percentage of Securities, the consent of the holders of which is required for any such supplemental indenture, without the consent of the holders of all Securities then Outstanding, (c) modify the subordination provisions in a manner adverse to the holders of such Securities, or (d) modify any of the above provisions.

Upon the request of the Company, accompanied by a copy of a Board Resolution certified by the Secretary or an Assistant Secretary of the Company authorizing the execution of any such supplemental indenture, and upon the filing with the Trustee of evidence of the consent of securityholders as aforesaid, the Trustee shall join with the Company in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such supplemental indenture.

It shall not be necessary for the consent of the securityholders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof.

Promptly after the execution by the Company and the Trustee of any supplemental indenture pursuant to the provisions of this Article 10, the Company shall provide notice, in the manner and to the extent provided in Section 15.04, setting forth in general terms the substance of such supplemental indenture, to all holders of Securities of each series so affected. Any failure of the Company so to provide such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

---

**SECTION 10.03. Compliance with Trust Indenture Act; Effect of Supplemental Indentures.**

Any supplemental indenture executed pursuant to the provisions of this Article 10 shall comply with the Trust Indenture Act, as then in effect. Upon the execution of any supplemental indenture pursuant to the provisions of this Article 10 and subject to the provisions in any supplemental indenture relating to the prospective application of such instrument, this Indenture shall be and be deemed to be modified and amended in accordance therewith and the respective rights, limitations of rights, obligations, duties and immunities under this Indenture of the Trustee, the Company and the holders of Securities theretofore or thereafter authenticated and delivered hereunder shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

The Trustee, subject to the provisions of Section 7.01 and Section 7.02, shall be entitled to receive and shall be fully protected in relying upon an Officers' Certificate and Opinion of Counsel as conclusive evidence that any such supplemental indenture complies with the provisions of this Article 10 and that all conditions precedent thereto have been satisfied.

**SECTION 10.04. Notation on Securities.**

Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to the provisions of this Article 10 may bear a notation in form approved by the Company as to any matter provided for in such supplemental indenture. New Securities of any series so modified as to conform, in the opinion of the Company and the Board of Directors, to any modification of this Indenture contained in any such supplemental indenture may be prepared by the Company, authenticated by the Trustee and delivered, without charge to the securityholders, in exchange for the Securities of such series then Outstanding.

**SECTION 11.02. Successor Corporation Substituted.**

In case of any such consolidation, merger, sale or conveyance and upon any such assumption by the successor corporation, such successor corporation shall succeed to and be substituted for, and may exercise every right and power of, the Company, with the same effect as if it had been named herein as the party of the first part. Such successor corporation thereupon may cause to be signed, and may issue either in its own name or in the name of the Company, any or all of the Securities issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee; and, upon the order of such successor corporation, instead of the Company, and subject to all the terms, conditions and limitations in this Indenture prescribed, the Trustee shall authenticate and shall make available for delivery any Securities which previously shall have been signed and delivered by the officers of the Company to the Trustee for authentication, and any Securities which such successor corporation thereafter shall cause to be signed and delivered to the Trustee for that purpose. All of the Securities so issued shall in all respects have the same legal rank and benefit under this Indenture as the Securities theretofore or thereafter issued in accordance with the terms of this Indenture as though all of such Securities had been issued at the date of the execution thereof.

---

**SECTION 12.01. Discharge of Indenture.**

(b) all such Securities of such series not theretofore delivered to the Trustee for cancellation (i) shall have become due and payable, or (ii) are by their terms to become due and payable within one year, or (iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption, and the Company in the case of (b)(i), (b)(ii) or (b)(iii) above shall deposit or cause to be deposited with the Trustee as trust funds the entire amount (other than moneys repaid by the Trustee or any paying agent to the Company in accordance with Section 12.04) sufficient to pay at maturity or upon redemption all Securities of such series not theretofore delivered to the Trustee for cancellation, including principal (and premium, if any) and any interest due or to become due to such date of maturity or date fixed for redemption, as the case may be, and if in either case the Company shall also pay or cause to be paid all other sums payable hereunder by the Company with respect to such series, then this Indenture shall cease to be of further effect with respect to the Securities of such series, and the Trustee, on demand of and at the cost and expense of the Company and subject to Section 15.05, shall execute proper instruments acknowledging satisfaction of and discharging this Indenture with respect to the Securities of such series. The Company agrees to reimburse the Trustee for any costs or expenses thereafter reasonably and properly incurred by the Trustee in connection with this Indenture or the Securities of such series. Notwithstanding the satisfaction and discharge of this Indenture with respect to the Securities of any series or of all series, the obligations of the Company to the Trustee under Section 7.06 shall survive.

The Company will deliver to the Trustee an Officers' Certificate and an Opinion of Counsel which together shall state that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

**SECTION 12.02. Deposited Moneys to be Held in Trust by Trustee.**

**SECTION 12.04. Return of Unclaimed Moneys.**

Subject to applicable law, any moneys deposited with or paid to the Trustee or any paying agent for the payment of the principal of (and premium, if any) or interest on any Security and not applied but remaining unclaimed for two years after the date upon which such principal (and premium, if any, on) or interest shall have become due and payable, shall be repaid to the Company by the Trustee or such paying agent upon written request from the Company, and the holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for any payment which such holder may be entitled to collect and all liability of the Trustee or any paying agent with respect to such moneys shall thereupon cease.

**ARTICLE 13**  
**IMMUNITY OF INCORPORATORS, STOCKHOLDERS, OFFICERS AND DIRECTORS**

**SECTION 13.01. Indenture and Securities Solely Corporate Obligations.**

No recourse under or upon any obligation, covenant or agreement contained in this Indenture, or in any Security, or because of any indebtedness evidenced thereby, shall be had against any incorporator, or against any past, present or future stockholder, officer or director, as such, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, under any rule of law, statute or constitutional provision or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, all such liability being expressly waived and released by the acceptance of the Securities by the holders thereof and as part of the consideration for the issue of the Securities.

**ARTICLE 14**  
**DEFEASANCE AND COVENANT DEFEASANCE**

**SECTION 14.01. Applicability of Article.**

Unless, as specified pursuant to Section 2.03(b), provision is made that either or both of (a) defeasance of the Securities of a series under Section 14.02 and (b) covenant defeasance of the Securities of a series under Section 14.03 shall not apply to the Securities of a series, then the provisions of such Section 14.02 and Section 14.03, together with Section 14.04 and Section 14.05, shall be applicable to the Outstanding Securities of all series upon compliance with the conditions set forth below in this Article 14.

**SECTION 14.02. Defeasance and Discharge.**

Subject to Section 14.05, the Company may cause itself to be discharged from its obligations with respect to the Outstanding Securities of any series on and after the date the conditions precedent set forth below are satisfied but subject to satisfaction of the conditions subsequent set forth below (hereinafter, "defeasance"). For this purpose, such defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by the Outstanding Securities of such series and to have satisfied all its other obligations under such Securities and this Indenture insofar as such Securities are concerned (and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (a) the rights of holders of Outstanding Securities of such series to receive, solely from the trust fund described in Section 14.04 and as more fully set forth in such Section, payments of the principal of and any premium and interest on such Securities when such payments are due, (b) the Company's obligations with respect to such Securities under Section 2.07, Section 2.08, Section 2.09, Section 4.02 and Section 4.03 and such obligations as shall be ancillary thereto, (c) the rights, powers, trusts, duties, immunities

---

and other provisions in respect of the Trustee hereunder, and (D) this Article 14. Subject to compliance with this Article 14, defeasance with respect to Securities of a series by the Company is permitted under this Section 14.02 notwithstanding the prior exercise of its rights under Section 14.03 with respect to the Securities of such series. Following a defeasance, payment of the Securities of such series may not be accelerated because of an Event of Default.

#### **SECTION 14.03. Covenant Defeasance.**

The Company may cause itself to be released from its obligations under any Sections applicable to Securities of a series that are determined pursuant to Section 2.03(b) to be subject to this provision with respect to the Outstanding Securities of such series on and after the date the conditions precedent set forth below are satisfied but subject to satisfaction of the conditions subsequent set forth below (hereinafter, "covenant defeasance"). For this purpose, such covenant defeasance means that, with respect to the Outstanding Securities of such series, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such Section, whether directly or indirectly by reason of any reference elsewhere herein to any such Section or by reason of any reference in any such Section to any other provision herein or in any other document, but the remainder of this Indenture and such Securities shall be unaffected thereby.

#### **SECTION 14.04. Conditions to Defeasance or Covenant Defeasance.**

The following shall be the conditions precedent or, as specifically noted below, subsequent to application of either Section 14.02 or Section 14.03 to the Outstanding Securities of such series:

(a) The Company shall irrevocably have deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefit of the holders of such Securities, (i) money in an amount, or (ii) U.S. Government Obligations which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, money in an amount, or (iii) a combination thereof, sufficient, without reinvestment, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge, and which shall be applied by the Trustee to pay and discharge, (1) the principal of and any premium and interest on the Outstanding Securities of such series to maturity or redemption, as the case may be, and (2) any mandatory sinking fund payments or analogous payments applicable to the Outstanding Securities of such series on the due dates thereof. Before such a deposit the Company may make arrangements satisfactory to the Trustee for the redemption of Securities at a future date or dates in accordance with Article 3 which shall be given effect in applying the foregoing. For this purpose, "U.S. Government Obligations" means securities that are (x) direct obligations of the United States of America for the payment of which its full faith and credit is pledged or (y) obligations of a person controlled or supervised by and acting as an agency or instrumentality of the United States of America the payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States of America, which, in either case, are not callable or redeemable at the option of the issuer thereof, and shall also include a depository receipt issued by a bank (as defined in Section 3(a)(2) of the Securities Act) as custodian with respect to any such U.S. Government Obligation or a specific payment of principal of or interest on any such U.S. Government Obligation held by such custodian for the account of the holder of such depository receipt, provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of principal of or interest on the U.S. Government Obligation evidenced by such depository receipt;

(b) No default, or event that after notice or lapse of time, or both, would become a default with respect to the Securities of such series, shall have happened and be continuing (i) on the date of such deposit or (ii) insofar as Section 6.01(a) and Section 6.01(b) are concerned, at any time during the period ending on the 123rd day after the date of such deposit or, if longer, ending on the day following the expiration of the longest preference period applicable to the Company in respect of such deposit (it being understood that the condition in this clause (b) is a condition subsequent and shall not be deemed satisfied until the expiration of such period);

---

(c) Such defeasance or covenant defeasance shall not (i) cause the Trustee for the Securities of such series to have a conflicting interest as defined in Section 7.08 or for purposes of the Trust Indenture Act with respect to any securities of the Company or (ii) result in the trust arising from such deposit to constitute, unless it is qualified as, a regulated investment company under the Investment Company Act of 1940, as amended;

(d) Such defeasance or covenant defeasance shall not result in a breach or violation of, or constitute a default under, this Indenture or any other agreement or instrument to which the Company is a party or by which it is bound;

(e) Such defeasance or covenant defeasance shall not cause any Securities of such series then listed on any registered national securities exchange under the Exchange Act to be delisted;

(f) In the case of a defeasance under Section 14.02, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (x) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (y) since the date of this Indenture there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such opinion shall confirm that, the holders of the Outstanding Securities of such series will not recognize income, gain or loss for federal income tax purposes as a result of such defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred;

(g) In the case of covenant defeasance under Section 14.03, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the holders of the Outstanding Securities of such series will not recognize income, gain or loss for federal income tax purposes as a result of such covenant defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred;

(h) Such defeasance or covenant defeasance shall be effected in compliance with any additional terms, conditions or limitations which may be imposed on the Company in connection therewith pursuant to Section 2.03(b); and

(i) The Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent and subsequent provided for in this Indenture relating to either the defeasance under Section 14.02 or the covenant defeasance under Section 14.03, as the case may be, have been complied with.

#### **SECTION 14.05. Deposited Money and U.S. Government Obligations to be Held in Trust; Other Miscellaneous Provisions.**

All money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee pursuant to Section 14.04 in respect of the Outstanding Securities of such series shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any paying agent (but not including the Company acting as its own paying agent) as the Trustee may determine, to the holders of such Securities of all sums due and to become due thereon in respect of principal and any premium and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the money or U.S. Government Obligations deposited pursuant to Section 14.04 or the principal and interest received in respect thereof.

Anything herein to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon Company Request any money or U.S. Government Obligations held by it as provided in Section 14.04 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect an equivalent defeasance or covenant defeasance, provided that the Trustee shall not be required to liquidate any U.S. Government Obligations in order to comply with the provisions of this paragraph.

Anything herein to the contrary notwithstanding, if and to the extent the deposited money or U.S. Government Obligations (or the proceeds thereof) either (i) cannot be applied by the Trustee in accordance with this Section because of a court order or by operation of Article 16 or (ii) are for any reason insufficient in amount, then the Company's obligations to pay principal of and any premium and interest on the Securities of such series shall be reinstated to the extent necessary to cover the deficiency on any due date for payment. In any such case, the Company's interest in the deposited money and U.S. Government Obligations (and proceeds thereof) shall be reinstated to the extent the Company's payment obligations are reinstated.

---

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice to holders of Registered Securities by mail, then such notification as shall be made with the approval of the Trustee shall constitute sufficient notice to such holders for every purpose hereunder. In any case where notice to holders of Registered Securities is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular holder of a Registered Security shall affect the sufficiency of such notice with respect to other holders of Registered Securities.

Notwithstanding any other provision of this Indenture or any Security, where this Indenture or any Security provides for notice of any event (including any notice of redemption) to a Holder of a Global Security (whether by mail or otherwise), such notice shall be sufficiently given when delivered to the Depository for such Security (or its designee) pursuant to the customary procedures of such Depository.

Waivers of notice by holders of Securities shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Any request, demand, authorization, direction, notice, consent or waiver required or permitted under this Indenture shall be in the English language.

Any endorsement of a Security in global form to reflect the amount, or any decrease in the amount, of Securities Outstanding represented thereby shall be made by the Trustee or the Security Registrar in such manner and upon instructions given by such person or persons as shall be specified in such Security in global form or in the Company Order to be delivered to the Trustee pursuant to Section 2.06 or Section 2.08. Subject to the provisions of Section 2.06 and, if applicable, Section 2.08, the Trustee or the Security Registrar shall deliver and redeliver any Security in permanent global form in the manner and upon instructions given by the person or persons specified in such Security in global form or in the applicable Company Order. (b) The term “record date” as used with respect to an interest payment date for any series of a Registered Security shall mean such day or days as shall be specified as contemplated by Section 2.03(b); provided, that in the absence of any such provisions with respect to any series, such term shall mean (1) the last day of the calendar month next preceding such interest payment date if such interest payment date is the 15th day of a calendar month; or (2) the 15th day of a calendar month next preceding such interest payment date if such interest payment date is the first day of the calendar month.

Unless otherwise provided as contemplated by Section 2.03 with respect to any series of Securities, the person in whose name any Registered Security is registered at the close of business on the record date with respect to an interest payment date shall be entitled to receive the interest payable on such interest payment date notwithstanding the cancellation of such Security upon any registration of transfer or exchange thereof subsequent to such record date prior to such interest payment date; provided, that if and to the extent the Company shall default in the payment of the interest due on such interest payment date, such defaulted interest shall be paid to the persons in whose names the Securities are registered on a subsequent record date established by notice given to the extent and in the manner set forth in Section 15.04 by or on behalf of the Company to the holders of Securities of the series in default not less than 15 days preceding such subsequent record date, such record date to be not less than five days preceding the date of payment of such defaulted interest, or in any other lawful manner acceptable to the Trustee.

#### **SECTION 2.06. Execution, Authentication, Delivery and Dating of Securities.**

The Securities shall be signed on behalf of the Company by its Chief Executive Officer, its President or one of its Vice Presidents. Such signatures may be the manual, electronic or facsimile signatures of such then current officers.

Any Security may be signed on behalf of the Company by such persons as, at the actual date of the execution of such Security, shall be the proper officers of the Company, although at the date of the execution of this Indenture any such person was not such officer. Securities bearing the manual, electronic or facsimile signatures of individuals who were, at the actual date of the execution of such Security, the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities, as the case may be, or did not hold such offices at the date of such Securities.

Upon the execution and delivery of this Indenture, the Company shall deliver to the Trustee an Officers' Certificate as to the incumbency and specimen signatures of officers authorized to execute and deliver the Securities and give instructions under this Section and, as long as Securities are Outstanding under this Indenture, such incumbency certificate shall be amended and replaced whenever an officer is to be added or deleted from the listing. The Trustee may conclusively rely on the documents delivered pursuant to this Section (unless revoked by superseding comparable documents) and Section 2.03 hereof as to the authorization of the Board of Directors of any Securities delivered hereunder, and the form and terms thereof, and as to the authority of the instructing officers referred to in this Section so to act.

The Trustee shall at any time, and from time to time, authenticate Securities for original issue in an unlimited aggregate principal amount upon receipt by the Trustee of a Company Order; provided, that with respect to Securities of a series subject to a Periodic Offering, (a) such Company Order may be delivered to the Trustee prior to the delivery to the Trustee of such Securities for authentication and delivery, (b) the Trustee shall authenticate and deliver Securities of such series for original issue from time to time, in an aggregate principal amount not exceeding the aggregate principal amount, if any, established for such series, pursuant to a Company Order, (c) the maturity date or dates, original issue date or dates, interest rate or rates and any other terms of Securities of such series shall be determined by Company Order or pursuant to such procedures, and (d) if provided

---

for in such procedures, such Company Order may authorize authentication and delivery pursuant to oral or electronic instructions from the Company or its duly authorized agent or agents, which oral instructions shall be promptly confirmed in writing.

Prior to the issuance of a Security of any new series, and the authentication thereof by the Trustee, the Trustee shall have received and (subject to Section 7.02) shall be fully protected in relying on:

(a) The Board Resolution or Officers' Certificate or indenture supplemental hereto establishing the terms and the form of the Securities of that series pursuant to Section 2.01 and Section 2.03;

(b) An Officers' Certificate stating that all conditions precedent provided for in this Indenture relating to the issuance, authentication and delivery of Securities in such form have been complied with;

(c) An Opinion of Counsel stating that the form and terms of such Securities have been established in conformity with the provisions of this Indenture; provided, that with respect to Securities of a series subject to a Periodic Offering, the Trustee shall be entitled to receive such Opinion of Counsel only once at or prior to the time of the first authentication of Securities of such series.

With respect to Securities of a series offered in a Periodic Offering, the Trustee may rely, as to the authorization by the Company of any of such Securities, the form and terms thereof and the legality, validity, binding effect and enforceability thereof, upon the Opinion of Counsel and other documents delivered pursuant to this Section in connection with the first authentication of Securities of such series unless and until such Opinion of Counsel or other documents have been superseded or revoked. In connection with the authentication and delivery of Securities of a series subject to a Periodic Offering, the Trustee shall be entitled to assume that the Company's instructions to authenticate and deliver such Securities do not violate any rules, regulations or orders of any governmental agency or commission having jurisdiction over the Company.

Each Registered Security shall be dated the date of its authentication except as otherwise provided by Board Resolution or Officers' Certificate or indenture supplemental hereto.

The aggregate principal amount of Securities of any series outstanding at any time may not exceed any limit upon the maximum principal amount for such series set forth in or pursuant to the Board Resolution or Officers' Certificate or indenture supplemental hereto delivered pursuant to Section 2.03, except as provided in Section 2.08.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security, a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder. Notwithstanding the foregoing, if any Security shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 2.10 together with a written statement stating that such Security has never been issued and sold by the Company, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

#### **SECTION 2.07. Exchange and Registration of Transfer of Securities.**

(a) The Company shall keep, at an office or agency to be designated and maintained by the Company in accordance with Section 4.02 (as such, a "Security Registrar"), registry books (the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall register Registered Securities and shall register the transfer of Registered Securities of each such series as provided in this Article 2. Such Security Register shall be in written form or in any other form capable of being converted into written form within a reasonable time. At all reasonable times such Security Register shall be open for inspection by the Trustee. Upon due presentment for registration of transfer of any Registered Security of a particular series at such office or agency maintained pursuant to Section 4.02 for such purpose in a Place of Payment, the Company shall execute and register and the Trustee shall authenticate and make available for delivery in the name of the transferee or transferees a new Registered Security or Registered Securities of such series of any authorized denominations and for an equal aggregate principal amount and tenor.

---

(b) At the option of the holder, Registered Securities of any series may be exchanged for other Registered Securities of the same series of any authorized denominations and of an equal aggregate principal amount and tenor. Registered Securities to be exchanged shall be surrendered at any such office or agency maintained pursuant to Section 4.02 for such purpose in a Place of Payment, and the Company shall execute and register and the Trustee shall authenticate and make available for delivery in exchange therefor the Security or Securities that the securityholder making the exchange shall be entitled to receive.

(c) All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

All Registered Securities presented for registration of transfer or for exchange, redemption or payment, as the case may be, shall (if so required by the Company or the Trustee) be duly endorsed by, or be accompanied by a written instrument or instruments of transfer in form satisfactory to the Company and the Trustee or the Security Registrar duly executed by, the holder thereof or his attorney duly authorized in writing.

No service charge shall be made for any exchange or registration of transfer of Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith, other than exchanges pursuant to the terms of this Indenture not involving any transfer.

The Company shall not be required (1) to exchange or register the transfer of Securities of any series to be redeemed for a period of 15 days next preceding any selection of such Securities to be redeemed, or (2) to exchange or register the transfer of any Registered Security so selected, called or being called for redemption, except in the case of any such series to be redeemed in part the portion thereof not to be so redeemed.

(d) Notwithstanding the foregoing, except as otherwise specified as contemplated by Section 2.03(b), any permanent global Security shall be exchangeable pursuant to this Section only as provided in this paragraph. If the beneficial owners of interests in a permanent global Security are entitled to exchange such interests for Securities of such series and of like tenor and principal amount of another authorized form and denomination, as specified as contemplated by Section 2.03(b), then without unnecessary delay but in any event not later than the earliest date on which such interests may be so exchanged, the Company shall deliver to the Trustee or the Security Registrar definitive Securities of that series in aggregate principal amount equal to the principal amount of such permanent global Security executed by the Company. On or after the earliest date on which such interests may be so exchanged, in accordance with instructions given by the Company to the Trustee or the Security Registrar and the Depositary (which instructions shall be in writing), such permanent global Security shall be surrendered from time to time by the Depositary or such other depositary as shall be specified in the Company Order with respect thereto to the Trustee, as the Company's agent for such purpose, or to the Security Registrar, to be exchanged, in whole or in part, for definitive Securities of the same series without charge and the Trustee shall authenticate and make available for delivery in accordance with such instructions, in exchange for each portion of such permanent global Security, a like aggregate principal amount of definitive Securities of the same series of authorized denominations and of like tenor as the portion of such permanent global Security to be exchanged which shall be in the form of Registered Securities; provided, that no such exchanges may occur for a period of 15 days next preceding any selection of Securities of that series and of like tenor for redemption. Promptly following any such exchange in part, such permanent global Security should be returned by the Trustee or the Security Registrar to the Depositary or such other depositary referred to above in accordance with the instructions of the Company referred to above. If a Registered Security is issued in exchange for any portion of a permanent global Security after the close of business at the office or agency where such exchange occurs on (i) any record date and before the opening of business at such office or agency on the relevant interest payment date, or (ii) any special record date and before the opening of business at such office or agency on the related proposed date for payment of defaulted interest as provided in Section 2.05, interest or defaulted interest, as the case may be, will not be payable on such interest payment date or proposed date for payment, as the case may be, in respect of such Registered Security, but will be payable on such interest payment date or proposed date for payment, as the case may be, only to the person to whom interest in respect of such portion of such permanent global Security is payable in accordance with the provisions of this Indenture.

---

(e) Notwithstanding anything contained herein to the contrary, neither the Trustee nor the Security Registrar shall be responsible for ascertaining whether any transfer complies with the restrictions set forth in this Indenture, the registration provisions of or exemptions from the Securities Act or applicable state securities laws.

#### **SECTION 2.08. Temporary Securities.**

Pending the preparation of definitive Securities of any series, the Company may execute and the Trustee shall, upon Company Order, authenticate and make available for delivery, temporary Securities of such series (typewritten, printed, lithographed or otherwise produced). Such temporary Securities, in any authorized denominations, shall be substantially in the form of the definitive Securities in lieu of which they are issued, in registered form, in the form approved from time to time by or pursuant to a Board Resolution but with such omissions, insertions, substitutions and other variations as may be appropriate for temporary Securities, all as may be determined by the Company, but not inconsistent with the terms of this Indenture or any provision of applicable law.

Except in the case of temporary Securities in global form (which shall be exchanged as hereinafter provided), if temporary Securities of any series are issued, the Company will cause definitive Securities of that series to be prepared without unreasonable delay. After the preparation of definitive Securities of such series, the temporary Securities of such series shall be exchangeable for definitive Securities of such series upon surrender of the temporary Securities of such series at the office or agency of the Company maintained pursuant to Section 4.02 in a Place of Payment for such series for the purpose of exchanges of Securities of such series, without charge to the holder. Upon surrender for cancellation of any one or more temporary Securities of any series, the Company shall execute and the Trustee shall authenticate and make available for delivery in exchange therefor a like aggregate principal amount of definitive Securities of the same series and of like tenor of authorized denominations.

Without unnecessary delay but in any event not later than the date specified in, or determined pursuant to the terms of, any such temporary global Security of a series (the "Exchange Date"), the Company shall deliver to the Trustee definitive Securities of that series, in aggregate principal amount equal to the principal amount of such temporary global Security, executed by the Company. On or after the Exchange Date such temporary global Security shall be presented and surrendered by the Depositary to the Trustee, as the Company's agent for such purpose, or to the Security Registrar, to be exchanged, in whole or from time to time in part, for definitive Securities of such series without charge, and the Trustee shall authenticate and make available for delivery, in exchange for each portion of such temporary global Security, a like aggregate principal amount of definitive Securities of the same series of authorized denominations and of like tenor as the portion of such temporary global Security to be exchanged.

Every temporary Security shall be executed by the Company and be authenticated by the Trustee upon the same conditions and in substantially the same manner, and with like effect, as the definitive Securities.

#### **SECTION 2.09. Mutilated, Destroyed, Lost or Stolen Securities.**

If any mutilated Security is surrendered to the Trustee, the Company shall execute and the Trustee shall authenticate and make available for delivery in exchange therefor a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Company and the Trustee (a) evidence to their satisfaction of the destruction, loss or theft of any Security and (b) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a bona fide purchaser, the Company shall, subject to the following paragraph, execute and the Trustee shall authenticate and make available for delivery, in lieu of any such destroyed, lost or stolen Security, a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

---

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any series issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and any such new Security, if any, shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

#### **SECTION 2.10. Cancellation.**

All Securities surrendered for payment, redemption, exchange or registration of transfer or for credit against any sinking fund payment, as the case may be, shall, if surrendered to the Company or any agent of the Company or of the Trustee, be delivered to the Trustee. All Registered Securities so delivered shall be promptly cancelled by the Trustee, upon written request of the Company. The Company may deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and may deliver to the Trustee (or to any other person for delivery to the Trustee) for cancellation any Securities previously authenticated hereunder which the Company has not issued and sold, and all Securities so delivered shall be promptly cancelled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section except as expressly provided by this Indenture. Any cancelled Securities held by the Trustee shall be disposed in accordance with its then customary procedures and, upon written request of the Company, the Trustee shall deliver to the Company a certificate of such disposal. The acquisition of any Securities by the Company shall not operate as a redemption or satisfaction of the Indebtedness represented thereby unless and until such Securities are surrendered to the Trustee for cancellation.

#### **SECTION 2.11. Book-Entry Only System.**

If specified by the Company pursuant to Section 2.03(b) with respect to Securities represented by a Security in global form, a series of Securities may be issued initially in book-entry only form and, if issued in such form, shall be represented by one or more Securities in global form registered in the name of the Depository or other depository designated with respect thereto. So long as such system of registration is in effect, (a) Securities of such series so issued in book-entry only form will not be issuable in the form of or exchangeable for Securities in certificated or definitive registered form, (b) the records of the Depository or such other depository will be determinative for all purposes and (c) neither the Company, the Trustee nor any paying agent, Security Registrar or transfer agent for such Securities will have any responsibility or liability for (i) any aspect of the records relating to or payments made on account of owners of beneficial interests in the Securities of such series, (ii) maintaining, supervising or reviewing any records relating to such beneficial interests, (iii) receipt of notices, voting and requesting or directing the Trustee to take, or not to take, or consenting to, certain actions hereunder, or (iv) the records and procedures of the Depository, or such other depository, as the case may be.

Members of, or participants in, the Depository shall have no rights under this Indenture with respect to any Global Security held on their behalf by the Depository, or the Trustee as its custodian, or under the Global Security, and the Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of the Global Security for all purposes whatsoever.

**ARTICLE 3**  
**REDEMPTION OF SECURITIES**

**SECTION 3.01. Redemption of Securities, Applicability of Section.**

Redemption of Securities of any series as permitted or required by the terms thereof shall be made in accordance with the terms of such Securities as specified pursuant to Section 2.03 hereof and this Article; provided, however, that if any provision of any series of Securities shall conflict with any provision of this Section, the provision of such series of Securities shall govern.

**SECTION 3.02. Notice of Redemption, Selection of Securities.**

In case the Company shall desire to exercise the right to redeem all or, as the case may be, any part of a series of Securities pursuant to Section 3.01, it shall fix a date for redemption. Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company, or, at the Company's written request, by the Trustee in the name and at the expense of the Company. The Company or the Trustee, as the case may be, shall give notice of such redemption, in the manner and to the extent set forth in Section 15.04, on that date prior to the date fixed for a redemption to the holders of such Securities so to be redeemed, as a whole or in part, (a) as set forth in Board Resolutions, as described in Section 2.03, or (b) as determined by the Chief Executive Officer, the Chief Financial Officer, the President, the Treasurer, any Executive Vice President, the Secretary and each officer of the Company designated by any of the foregoing officers (each, an "Authorized Officer") and evidenced by the preparation of an offering document or an Officers' Certificate specifying the period of notice of such redemption. If the Board Resolutions or an Authorized Officer do not specify a longer period of notice of such redemption, the Company or, at the written request of the Company, the Trustee, shall give notice of such redemption, in the manner and to the extent set forth in Section 15.04, at least ten Business Days and not more than 60 calendar days prior to the date fixed for a redemption to the holders of such Securities so to be redeemed as a whole or in part. Notice given in such manner shall be conclusively presumed to have been duly given, whether or not the holder receives such notice. In any case, failure to give such notice or any defect in the notice to the holder of any such Security designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other such Security. If the Company requests the Trustee to give any notice of redemption, it shall make such request in writing in an Officers' Certificate delivered to the Trustee at least ten days prior to the designated date for delivering such notice, unless a shorter period is satisfactory to the Trustee.

Each such notice of redemption shall specify the date fixed for redemption, the redemption price at which such Securities are to be redeemed, the CUSIP numbers of such Securities, the Place of Payment where such Securities maturing after the date of redemption, are to be surrendered for payment of the redemption prices, that payment will be made upon presentation and surrender of such Securities, that interest accrued to the date fixed for redemption will be paid as specified in the notice, and that on and after the date interest thereon or on the portions thereof to be redeemed will cease to accrue. If less than all of a series is to be redeemed, the notice of redemption shall specify the numbers of the Securities to be redeemed. In case any Security is to be redeemed in part only, the notice of redemption shall state the portion of the principal amount thereof to be redeemed and shall state that, upon surrender of such Security, a new Security or Securities of the same series in principal amount equal to the unredeemed portion thereof will be issued.

On or before the redemption date specified in the notice of redemption given as provided in this Section, the Company will deposit in trust with the Trustee or with one or more paying agents an amount of money sufficient to redeem on the redemption date all the Securities or portions of Securities so called for redemption at the appropriate redemption price, together with accrued interest, if any, to the date fixed for redemption. If less than all of a series of Securities is to be redeemed, the Company will give the Trustee adequate written notice at least 45 days in advance (unless a shorter notice shall be satisfactory to the Trustee) as to the aggregate principal amount of Securities to be redeemed.

If less than all the Securities of a series are to be redeemed, the Trustee shall select, by lot or in such other manner as it shall deem appropriate and fair, not more than 60 days prior to the date of redemption, the numbers of such Securities Outstanding not previously called for redemption, to be redeemed in whole or in part. The portion of principal of Securities so selected for partial redemption shall be equal to the minimum authorized denomination for Securities of that series or any integral multiple thereof. The Trustee shall promptly notify the Company of the Securities to be redeemed. If, however, less than all the Securities of a series having differing issue dates, interest rates and stated maturities are to be redeemed, the Company in its sole discretion shall select the particular Securities of such series to be redeemed and shall notify the Trustee in writing at least 45 days prior to the relevant redemption date.

---

**SECTION 3.03. Payment of Securities Called for Redemption.**

If notice of redemption has been given as above provided, the Securities or portions of Securities with respect to which such notice has been given shall become due and payable on the date and at the place stated in such notice at the applicable redemption price, together with any interest accrued to the date fixed for redemption, and on and after that date (unless the Company shall default in the payment of such Securities at the redemption price, together with interest accrued to that date) interest on such Securities or portions of Securities so called for redemption shall cease to accrue. On presentation and surrender of such Securities subject to redemption at the Place of Payment and in the manner specified in such notice, such Securities or the specified portions thereof shall be paid and redeemed by the Company at the applicable redemption price, together with interest accrued thereon to the date fixed for redemption; provided, that unless otherwise specified as contemplated by Section 2.03, installments of interest on Registered Securities whose stated maturity date is on or prior to the date of redemption shall be payable to the holders of such Registered Securities, or one or more predecessor Securities, registered as such at the close of business on the relevant record dates according to their terms and the provisions of Section 2.05.

At the option of the Company, payment with respect to Registered Securities may be made by check to the holders of such Securities or other persons entitled thereto against presentation and surrender of such Securities.

Any Security that is to be redeemed only in part shall be surrendered at a Place of Payment therefor (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the holder thereof or such holder's attorney duly authorized in writing), and upon such presentation, the Company shall execute and the Trustee shall authenticate and make available for delivery to the holder thereof, at the expense of the Company, a new Security or Securities of the same series, of authorized denominations, in aggregate principal amount equal to the unredeemed portion of the principal of the Security so presented. If a temporary global Security or permanent global Security is so surrendered, such new Security so issued shall be a new temporary global Security or permanent global Security, respectively.

**SECTION 3.04. Redemption Suspended During Event of Default.**

The Trustee shall not redeem any Securities (unless all Securities then outstanding are to be redeemed) or commence the giving of any notice of redemption of Securities during the continuance of any Event of Default of which a Responsible Officer of the Trustee has actual knowledge or has received written notice thereof, except that where the giving of notice of redemption of any Securities shall theretofore have been made, the Trustee shall redeem such Securities, provided funds are deposited with it for such purpose. Except as aforesaid, any moneys theretofore or thereafter received by the Trustee shall, during the continuance of such Event of Default, be held in trust for the benefit of the securityholders and applied in the manner set forth in Section 6.06; provided, that in case such Event of Default shall have been waived as provided herein or otherwise cured, such moneys shall thereafter be held and applied in accordance with the provisions of this Article.

**ARTICLE 4**  
**PARTICULAR COVENANTS OF THE COMPANY**

**SECTION 4.01. Payment of Principal, Premium and Interest.**

The Company will duly and punctually pay or cause to be paid the principal of (and premium, if any, on) and any interest on each of the Securities of a series at the place, at the respective times and in the manner provided in the terms of the Securities and this Indenture.

**SECTION 4.02. Offices for Notices and Payments.**

If Securities of a series are issuable only as Registered Securities, the Company will maintain in each Place of Payment for such series an office or agency where Securities of that series may be presented or surrendered for payment, where Securities of that series may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Securities of that series and this Indenture may be served.

---

The Company will give to the Trustee notice of the location of each such office or agency and of any change in the location thereof. In case the Company shall fail to maintain any such office or agency as required, or shall fail to give such notice of the location or of any change in the location thereof, presentations and surrenders of Securities of that series may be made and notices and demands may be served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the same as its agent to receive such respective presentations, surrenders, notices and demands.

The Company may also from time to time designate one or more other offices or agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in accordance with the requirements set forth above for Securities of any series for such purposes. The Company will give prompt written notice to the Trustee and the holders of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby initially designates the principal Corporate Trust Office of the Trustee as the office of the Company where Registered Securities may be presented for payment, for registration of transfer and for exchange as in this Indenture provided and where notices and demands to or upon the Company in respect of the Securities or of this Indenture may be served; provided, however, that the Trustee shall not be deemed an agent of the Company for service of legal process.

#### **SECTION 4.03. Provisions as to Paying Agent.**

(a) Whenever the Company shall appoint a paying agent other than the Trustee with respect to the Securities of any series, it will cause such paying agent to execute and deliver to the Trustee an instrument in which such agent shall agree with the Trustee, subject to the provisions of this Section:

(1) that it will hold sums held by it as such agent for the payment of the principal of (and premium, if any, on) or any interest on the Securities of such series (whether such sums have been paid to it by the Company or by any other obligor on the Securities of such series) in trust for the benefit of the persons entitled thereto until such sums shall be paid to such persons or otherwise disposed of as herein provided and will notify the Trustee of the receipt of sums to be so held;

(2) that it will give the Trustee notice of any failure by the Company (or by any other obligor on the Securities of such series) to make any payment of the principal of (or premium, if any, on) or any interest on the Securities of such series when the same shall be due and payable; and

(3) that at any time when any such failure has occurred and is continuing, it will, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such paying agent.

(b) If the Company shall act as its own paying agent, it will, on or before each due date of the principal of (and premium, if any) or any interest on the Securities of any series, set aside, segregate and hold in trust for the benefit of the persons entitled thereto a sum sufficient to pay such principal (and premium, if any) or any interest so becoming due until such sums shall be paid to such persons or otherwise disposed of as herein provided. The Company will promptly notify the Trustee of any failure to take such action.

(c) Whenever the Company shall have one or more paying agents with respect to a series of Securities, it will, on or prior to each due date of the principal of (and premium, if any, on) or any interest on, any Securities, deposit with a paying agent a sum sufficient to pay the principal (and premium, if any) or any interest, so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal, premium or interest, and (unless such paying agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

(d) Anything in this Section to the contrary notwithstanding, the Company may, at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture with respect to one or more or all series of

---

Securities hereunder, or for any other reason, pay or cause to be paid to the Trustee all sums held in trust for such series by it or any paying agent hereunder as required by this Section, such sums to be held by the Trustee upon the trusts herein contained, and upon such payment by any paying agent to the Trustee, such paying agent shall be released from all further liability with respect to such money.

(e) Anything in this Section to the contrary notwithstanding, the agreement to hold sums in trust as provided in this Section is subject to the provisions of Section 12.03 and Section 12.04.

#### **SECTION 4.04. Statement as to Compliance.**

The Company will deliver to the Trustee, within 120 days after the end of each fiscal year of the Company, commencing with the fiscal year ending in the year during which the first series of Securities is issued hereunder (but in no event more than one year from the issuance of the first series hereunder), an Officers' Certificate signed by the Chief Executive Officer, President or other principal executive officer and by the Chief Financial Officer or other principal financial officer or principal accounting officer, Assistant Secretary, Treasurer or Controller of the Company, stating, as to each signer thereof, that:

(a) a review of the activities of the Company during such year and of performance under this Indenture has been made under his supervision; and

(b) to the best of his knowledge, based on such review, the Company has fulfilled all its obligations under this Indenture throughout such year, or, if there has been a default in the fulfillment of any such obligation, specifying each such default known to him and the nature and status thereof.

#### **SECTION 4.05. Corporate Existence.**

Subject to the provisions of Article 11, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence, rights (charter and statutory) and franchises and the corporate existence and rights (charter and statutory) and franchises of its Subsidiaries; provided, that the Company shall not be required to, or to cause any Subsidiary to, preserve any right or franchise or to keep in full force and effect the corporate existence of any Subsidiary if the Company shall determine that the keeping in existence or preservation thereof is no longer desirable in or consistent with the conduct of the business of the Company.

#### **SECTION 4.06. Reserved.**

#### **SECTION 4.07. Waiver of Covenants.**

The Company may omit in any particular instance to comply with any covenant or condition set forth herein if before or after the time for such compliance the holders of a majority in principal amount of the Securities of all series affected thereby then Outstanding shall either waive such compliance in such instance or generally waive compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company in respect of any such covenant or condition shall remain in full force and effect.

### **ARTICLE 5 SECURITYHOLDER LISTS AND REPORTS BY THE COMPANY AND THE TRUSTEE**

#### **SECTION 5.01. Securityholder Lists.**

The Company covenants and agrees that it will furnish or cause to be furnished to the Trustee (1) semiannually, within 15 days before each record date when any Securities of a series are Outstanding, a list, in such form as the Trustee may reasonably require, of all information in the possession or control of the Company as to the names and addresses of the holders of such Registered Securities as of such date, and (2) at such other times as the Trustee may request in writing, within 10 days after receipt by the Company of any such request, a list, in such form as the Trustee may reasonably require, of all information in the possession or control of the Company as to the names and addresses of the holders of Registered Securities of a particular series specified by the Trustee as of a date not more than 15 days prior to the time such information is furnished; provided, that if and so long as the Trustee shall be the Security Registrar with respect to such series, such list shall not be required to be furnished.

---

**SECTION 5.02. Preservation and Disclosure of Lists.**

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, all information as to the names and addresses of the holders of each series of Securities contained in the most recent list furnished to it as provided in Section 5.01 or received by the Trustee in its capacity as Security Registrar. The Trustee may destroy any list furnished to it as provided in Section 5.01 upon receipt of a new list so furnished.

(b) Securityholders may communicate as provided in Section 312(b) of the Trust Indenture Act with other securityholders with respect to their rights under this Indenture or under the Securities. The Company, the Trustee, the Security Registrar and anyone else shall have the protection of Section 312(c) of the Trust Indenture Act with respect to the sending of any material pursuant to a request made pursuant to Section 312(b) of the Trust Indenture Act.

**SECTION 5.03. Reports by the Company.**

(a) The Company covenants so long as Securities are Outstanding, the Company shall file with the Trustee and the Commission, and transmit to holders, copies of such information, documents and other reports, and such summaries thereof, as may be required pursuant to the Trust Indenture Act at the times and in the manner provided pursuant to such Act; provided, that with respect to any such information, documents or reports required to be filed with the Commission pursuant to Section 13 or 15(d) of the Exchange Act, the Company intends to file such information, documents or reports with the Commission in electronic form in accordance with Regulation S-T of the Commission using the Commission's Electronic Data Gathering, Analysis and Retrieval system. Compliance with the foregoing, or any successor electronic system approved by the Commission, will constitute delivery by the Company of such reports to the Trustee and holders in compliance with the Trust Indenture Act.

(b) Notwithstanding anything to the contrary herein, the Trustee will have no duty to search for or obtain any electronic or other filings that the Company makes with the Commission, regardless of whether such filings are periodic, supplemental or otherwise. Delivery of the reports, information and documents to the Trustee in accordance with this Section 5.03 will be solely for the purposes of compliance with Section 314(a) of the Trust Indenture Act. The Trustee's receipt of such reports, information and documents (whether or not filed in electronic form) is for informational purposes only and the Trustee's receipt of such will not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates). The Trustee shall have no liability or responsibility for the filing, content or timelines of any report hereunder aside from any report transmitted under this Indenture.

**SECTION 5.04. Reports by the Trustee.**

(a) Within 60 days after [ ] of each year commencing with the first [ ] following the first issuance of Securities pursuant to Section 2.01, so long as any Securities are outstanding hereunder and if there has been any change in the following, the Trustee shall transmit by mail, first-class postage prepaid, to the securityholders, as their names appear upon the Security Register, a brief report dated as of such [ ] with respect to any of the events specified in Section 313(a) and Section 313(b)(2) of the Trust Indenture Act that may have occurred since the later of the immediately preceding [ ] and the date of this Indenture.

**ARTICLE 6**  
**REMEDIES**

**SECTION 6.01. Events of Default; Acceleration of Maturity.**

In case one or more of the following Events of Default with respect to a particular series shall have occurred and be continuing:

- (a) default in (i) the payment of the principal of (or premium, if any, on) any of the Securities of such series as and when the same shall become due and payable either at maturity, upon redemption, by declaration or otherwise or (ii) any payment required by any sinking or analogous fund established with respect to that series;
- (b) default in the payment of any installment of interest upon any of the Securities of such series as and when the same shall become due and payable, and continuance of such default for a period of 90 days;
- (c) failure on the part of the Company duly to observe or perform any other of the covenants or agreements on the part of the Company contained in the Securities or in this Indenture for a period of 90 days after the date on which written notice of such failure, requiring the Company to remedy the same, shall have been given to the Company by the Trustee, or to the Company and the Trustee by the holders of at least 25% in aggregate principal amount of the Securities of that series at the time Outstanding;
- (d) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Company or the Material Subsidiary in an involuntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of the Company or any Material Subsidiary or for any substantial part of their respective property, or ordering the winding-up or liquidation of its affairs and such decree or order shall remain unstayed and in effect for a period of 60 consecutive days;
- (e) the Company or the Material Subsidiary shall commence a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or shall consent to the entry of an order for relief in an involuntary case under any such law, or shall consent to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or similar official) of the Company or the Material Subsidiary or for any substantial part of their respective property, or shall make any general assignment for the benefit of creditors; or
- (f) any other Event of Default provided with respect to Securities of that series; then, if an Event of Default described in clause (a), (b), (c), or (f) shall have occurred and be continuing, and in each and every such case, unless the principal amount of all the Securities of such series shall have already become due and payable, either the Trustee or the holders of not less than 25% in aggregate principal amount of the Securities of that series then Outstanding hereunder, by notice in writing to the Company (and to the Trustee if given by securityholders) may declare the principal amount of all the Securities (or, with respect to Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Securities) of that series to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in this Indenture or in the Securities of such series contained to the contrary notwithstanding; or, if an Event of Default described in clause (d) or (e) shall have occurred and be continuing, and in each and every such case, unless the principal of all the Securities of such series shall have already become due and payable, either the Trustee or the holders of not less than 25% in aggregate principal amount of all the Securities of that series then Outstanding hereunder, by notice in writing to the Company (and to the Trustee if given by securityholders), may declare the principal of all the Securities (or, with respect to Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Securities) to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in this Indenture or in the Securities contained to the contrary notwithstanding.

---

## **SECTION 6.02. Rescission and Annulment**

The provisions in Section 6.01 are subject to the condition that if, at any time after the principal of the Securities of any one or more of all series, as the case may be, shall have been so declared due and payable, and before any judgment or decree for the payment of the moneys due shall have been obtained or entered as hereinafter provided, the Company shall pay or shall deposit with the Trustee a sum sufficient to pay all matured installments of interest upon all the Securities of such series or of all the Securities, as the case may be, and the principal of (and premium, if any, on) all Securities of such series or of all the Securities, as the case may be (or, with respect to Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Securities), which shall have become due otherwise than by acceleration (with interest upon such principal and premium, if any) and, to the extent that payment of such interest is enforceable under applicable law, on overdue installments of interest, at the same rate as the rate of interest specified in the Securities of such series or all Securities, as the case may be (or, with respect to Original Issue Discount Securities, at the rate specified in the terms of such Securities for interest on overdue principal thereof upon maturity, redemption or acceleration of such series, as the case may be), to the date of such payment or deposit, and such amount as shall be sufficient to cover reasonable compensation to the Trustee, its agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its negligence or willful misconduct, and any and all defaults under the Indenture, other than the non-payment of the principal of Securities that has become due by acceleration, shall have been remedied; then and in every such case the holders of a majority in aggregate principal amount of the Securities of such series (or of all the Securities, as the case may be) then Outstanding, by written notice to the Company and to the Trustee, may waive all defaults with respect to that series or with respect to all Securities, as the case may be in such case, treated as a single class and rescind and annul such declaration and its consequences; but no such waiver or rescission and annulment shall extend to or shall affect any subsequent default or shall impair any right consequent thereon.

In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned because of such rescission and annulment or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Company, the Trustee and the securityholders, as the case may be, shall be restored respectively to their former positions and rights hereunder, and all rights, remedies and powers of the Company, the Trustee and the securityholders, as the case may be, shall continue as though no such proceedings had been taken.

## **SECTION 6.03. Collection of Indebtedness and Suits for Enforcement by Trustee.**

The Company covenants that if

(a) default is made in the payment of any installment of interest on any Security when such interest becomes due and payable and such default continues for a period of 90 days, or

(b) default is made in the payment of the principal or premium, if any, of any Security at the maturity thereof, including any maturity occurring by reason of a call for redemption or otherwise, the Company will, upon demand of the Trustee, pay to it, for the benefit of the holders of such Securities, the whole amount that shall have become due and payable on such Securities for principal or premium, if any, and interest, with interest upon the overdue principal and, to the extent that payment of such interest shall be legally enforceable, upon overdue installments of interest, at the rate borne by such Securities; and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Company fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, and may prosecute such proceedings to judgment or final decree, and may enforce the same against the Company or any other obligor upon the Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon the Securities, wherever situated.

If an Event of Default occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the securityholders by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

---

**SECTION 6.04. Trustee May File Proofs of Claim.**

In the case of the pendency of a receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Company or any other obligor upon the Securities or the property of the Company or such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of principal and premium, if any, and any interest owing and unpaid in respect of the Securities and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the holders of Securities allowed in such judicial proceeding; and

(b) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any receiver, assignee, trustee, liquidator or sequestrator (or other similar official) in any such judicial proceeding is hereby authorized by each holder of Securities to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the holders of Securities, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06. To the extent that such payment of reasonable compensation, expenses, disbursements, advances and other amounts out of the estate in any such proceedings shall be denied for any reason, payment of the same shall be secured by a lien on, and shall be paid out of, any and all distributions, dividends, moneys, securities and other property which the holders of the Securities may be entitled to receive in such proceedings, whether in liquidation or under any plan or reorganization or arrangements or otherwise.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of the holder of a Security any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any holder thereof, or to authorize the Trustee to vote in respect of the claim of any holder of a Security in any such proceeding.

**SECTION 6.05. Trustee May Enforce Claims Without Possession of Securities.**

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Securities in respect of which such judgment has been recovered.

**SECTION 6.06. Application of Money Collected.**

Any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal or premium, if any, or any interest, upon presentation of the Securities, as the case may be, and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 7.06 or 14.05;

SECOND: To the payment of all Senior Indebtedness of the Company if and to the extent required by Article 16;

---

THIRD: To the payment of the amounts then due and unpaid upon the Securities for principal of and premium, if any, and any interest on the Securities, in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities, for principal and any interest, respectively; and

FOURTH: To the Company or its successors or assigns, or to whomsoever may be lawfully entitled to receive the same.

**SECTION 6.07. Limitation on Suits.**

No holder of any Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

- (1) such holder has previously given written notice to the Trustee of a continuing Event of Default;
  - (2) the holders of not less than 25% in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;
  - (3) such holder or holders have offered to the Trustee indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;
  - (4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceedings; and
  - (5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the holders of a majority in principal amount of the Outstanding Securities;
- it being understood and intended that no one or more such holders of Securities shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such holders of Securities or to obtain or to seek to obtain priority or preference over any other of such holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all such holders of Securities.

**SECTION 6.08. Unconditional Right of Securityholders to Receive Principal and Interest.**

Notwithstanding any other provision in this Indenture, the holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of and premium, if any, and (subject to Section 2.05 and Section 3.02) any interest on such Security on the respective stated maturities expressed in such Security (or, in the case of redemption, on the redemption date) and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such holder.

**SECTION 6.09. Restoration of Rights and Remedies.**

If the Trustee or any holder of a Security has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such holder, then and in every such case the Company, the Trustee and the holders of Securities shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the holders shall continue as though no such proceeding has been instituted.

**SECTION 6.10. Rights and Remedies Cumulative.**

Except as provided in Section 2.09, no right or remedy herein conferred upon or reserved to the Trustee or to the holders of Securities is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder

---

or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

**SECTION 6.11. Delay or Omission Not Waiver.**

No delay or omission of the Trustee or of any holder of any Security to exercise any right or remedy accruing upon any Default shall impair any such right or remedy or constitute a waiver of any such Default or any acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the holders of Securities may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the holders of Securities, as the case may be.

**SECTION 6.12. Control by Securityholders.**

The holders of a majority in principal amount of Outstanding Securities of each series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, provided that

- (1) such direction shall not be in conflict with any statute, rule of law or with this Indenture;
- (2) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction; and
- (3) the Trustee need not take any action which it in good faith determines might involve it in personal liability or be unjustly prejudicial to the securityholders not consenting (provided, however, that the Trustee shall not have an affirmative obligation to determine whether such action is unduly prejudicial to the securityholders not consenting).

Upon receipt by the Trustee of any such direction with respect to Securities of a series all or part of which is represented by a temporary global Security or a permanent global Security, the Trustee shall establish a record date for determining holders of Outstanding Securities of such series entitled to join in such direction, which record date shall be at the close of business on the day the Trustee receives such direction. The holders on such record date, or their duly designated proxies, and only such persons, shall be entitled to join in such direction, whether or not such holders remain holders after such record date, provided that, unless such majority in principal amount shall have been obtained prior to the day which is 90 days after such record date, such direction shall automatically and without further action by any holder be cancelled and of no further effect. Nothing in this paragraph shall prevent a holder, or a proxy of a holder, from giving, after expiration of such 90-day period, a new direction identical to a direction which has been cancelled pursuant to the proviso to the preceding sentence, in which event a new record date shall be established pursuant to the provisions of this Section 6.12.

**SECTION 6.13. Waiver of Past Defaults.**

The holders of a majority in principal amount of the Securities of each series at the time Outstanding may, on behalf of the holders of all the Securities of that series, waive any past default hereunder and its consequences, except a default:

- (a) in the payment of the principal of, premium, if any, or any interest on any Security; or
- (b) in respect of a covenant or provision hereof that pursuant to Article 10 cannot be modified or amended without the consent of the holder of each Outstanding Security affected.

Upon any such waiver, such default shall cease to exist, and any Default or Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

---

**SECTION 6.14. Undertaking for Costs.**

All parties to this Indenture agree, and each holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any holder, or group of holders, holding in the aggregate more than 10% in principal amount of the Outstanding Securities of any series, or to any suit instituted by any holder of any Securities for the enforcement of the payment of the principal of, premium, if any, or any interest on any Security on or after the respective stated maturities expressed in such Security (or, in the case of redemption, on or after the redemption date, except, in the case of a partial redemption, with respect to the portion not so redeemed).

**SECTION 6.15. Waiver of Stay or Extension Laws.**

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension laws wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefits or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

**ARTICLE 7  
CONCERNING THE TRUSTEE****SECTION 7.01. Duties and Responsibilities of Trustee.**

(a) The Trustee, prior to the occurrence of an Event of Default of a particular series and after the curing of all Events of Default of such series which may have occurred, undertakes to perform such duties and only such duties with respect to such series as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee. In the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform on their face to the requirements of this Indenture.

(b) In case an Event of Default with respect to a particular series has occurred (which has not been cured), the Trustee shall exercise with respect to such series such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provisions of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) prior to the occurrence of an Event of Default with respect to a particular series and after the curing of all Events of Default with respect to such series which may have occurred, the duties and obligations of the Trustee with respect to such series shall be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Officers, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; and

---

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the holders of Securities pursuant to Section 6.12 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(d) No provision of this Indenture shall be construed as requiring the Trustee to expend or risk its own funds or otherwise to incur any personal financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

#### **SECTION 7.02. Reliance on Documents, Opinions, etc.**

Subject to the provisions of Section 7.01:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, judgement, bond, debenture, note, coupon or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties not only as the due execution, validity and effectiveness, but also as to the truth and accuracy of any information contained herein. The Trustee need not investigate any fact or matter stated in the document;

(b) any request, direction, order or demand of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order (unless other evidence in respect thereof be herein specifically prescribed); and any Board Resolution may be evidenced to the Trustee by a copy thereof certified by the Secretary or any Assistant Secretary of the Company; and whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate and/or Opinion of Counsel;

(c) the Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(d) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the holders of any Securities pursuant to the provisions of this Indenture, unless such holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred therein or thereby;

(e) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, coupon or other paper or documents, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney;

(f) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(g) the Trustee shall not be liable for any action taken, suffered or omitted to be taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;

(h) in no event will the Trustee be responsible or liable for special, indirect, incidental, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action;

---

(i) in no event will the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its reasonable control, including, without limitation, strikes, pandemics, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, sabotage, epidemics, riots, nuclear or natural catastrophes, earthquakes, fires, floods, or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software or hardware) services, labor disputes, acts of civil or military authorities and governmental actions, or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility; it being understood that the Trustee will use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances;

(j) the Trustee shall not be required to give any bond or surety in respect of the performance of its powers hereunder;

(k) the Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture; and

(l) the permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and, with respect to such permissive rights, the Trustee shall not be answerable other than for its negligence or willful misconduct.

#### **SECTION 7.03. No Responsibility for Recitals, etc.**

The recitals contained herein and in the Securities, other than the Trustee's certificate of authentication, shall be taken as the statements of the Company, and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities, provided that the Trustee shall not be relieved of its duty to authenticate Securities only as authorized by this Indenture. The Trustee shall not be accountable for the use or application by the Company of Securities or the proceeds thereof.

#### **SECTION 7.04. Ownership of Securities.**

The Trustee, any authenticating agent, any paying agent, any Security Registrar or any other agent of the Company or of the Trustee, in its individual or any other capacity, may become the owner or pledgee of Securities with the same rights it would have if it were not Trustee, authenticating agent, paying agent, Security Registrar or such other agent of the Company or of the Trustee.

#### **SECTION 7.05. Moneys to be Held in Trust.**

Subject to the provisions of Section 12.04 hereof, all moneys received by the Trustee or any paying agent shall, until used or applied as herein provided, be held un-invested in trust for the purposes for which they were received, but need not be segregated from other funds except to the extent required by law. Neither the Trustee nor any paying agent shall be under any liability for interest on any moneys received by it hereunder except such as it may agree in writing with the Company to pay thereon.

#### **SECTION 7.06. Compensation and Expenses of Trustee.**

The Company covenants and agrees to pay to the Trustee from time to time, and the Trustee shall be entitled to, such compensation for all services rendered by it hereunder as agreed in writing between the Company and the Trustee (which to the extent permitted by law shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust), and, except as otherwise expressly provided, the Company will pay or reimburse the Trustee forthwith upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any of the provisions of this Indenture (including the reasonable compensation and the expenses and disbursements of its counsel and of all persons not regularly in its employ) except any such expense, disbursement or advance as may arise from its negligence or willful misconduct. If any property other than cash shall at any time be subject to the lien of this Indenture, the Trustee, if and to the extent authorized by a receivership or bankruptcy court of competent jurisdiction or by the supplemental instrument

---

subjecting such property to such lien, shall be entitled to make and to be reimbursed for, advances for the purpose of preserving such property or of discharging tax liens or other prior liens or encumbrances thereon. The Company also covenants to indemnify each of the Trustee and any predecessor Trustee for, and to hold it harmless against, any and all loss, damage, claims, suit, liability or expense, (including attorney's fees and expenses, and taxes (other than taxes based upon, measured or determined by, the income of the Trustee)) incurred without negligence or willful misconduct on the part of the Trustee, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself against any claim of liability, whether asserted by the Company, a Holder or any other person. The obligations of the Company under this Section shall constitute additional indebtedness hereunder. Such additional indebtedness shall be secured by a lien prior to that of the Securities upon all property and funds held or collected by the Trustee as such, except funds held in trust for the benefit of the holders of particular Securities. This indemnification shall apply to officers, directors, employees, shareholders and agents of the Trustee.

To secure the Company's obligations under this Section, the Trustee shall have a senior claim to which the Securities are hereby made subordinate on all money or property held or collected by the Trustee, except that held in trust to pay principal of (and premium, if any) and interest, if any, on particular Securities.

When the Trustee incurs expenses or renders services after an Event of Default, the expenses and the compensation for the services are intended to constitute expenses of administration under any bankruptcy law.

The provisions of this Section shall survive the resignation or removal of the Trustee and the termination of this Indenture.

#### **SECTION 7.07. Officers' Certificate or Opinion of Counsel as Evidence.**

Subject to the provisions of Section 7.01, whenever in the administration of the provisions of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action to be taken hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of negligence or bad faith on the part of the Trustee, be deemed to be conclusively proved and established by an Officers' Certificate or Opinion of Counsel delivered to the Trustee, and such certificate or opinion, in the absence of negligence or bad faith on the part of the Trustee, shall be full warrant to the Trustee for any action taken, suffered or omitted by it under the provisions of this Indenture upon the faith thereof.

#### **SECTION 7.08. Disqualifications; Conflicting Interest of Trustee.**

If the Trustee has or shall acquire any "conflicting interest" within the meaning of the Trust Indenture Act, the Trustee and the Company shall in all respects comply with the provisions of Section 310(b) of the Trust Indenture Act.

#### **SECTION 7.09. Eligibility of Trustee.**

There shall at all times be a Trustee hereunder which shall be a corporation organized and doing business under the laws of the United States or of any State or Territory thereof or of the District of Columbia, which (a) is authorized under such laws to exercise corporate trust powers, (b) is subject to supervision or examination by federal, state, territorial or District of Columbia authority, (c) shall have at all times a combined capital and surplus of not less than \$50,000,000 and (d) shall not be the Company or any person directly or indirectly controlling, controlled by, or under common control with the Company. If such corporation publishes reports of condition at least annually, pursuant to law, or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation at any time shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, the Trustee shall resign immediately in the manner and with the effect specified in Section 7.10.

---

**SECTION 7.10. Resignation or Removal of Trustee.**

(a) The Trustee, or any trustee or trustees hereafter appointed, may at any time resign with respect to one or more or all series by giving written notice of resignation to the Company. Upon receiving such notice of resignation, the Company shall promptly appoint a successor trustee with respect to the applicable series by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the resigning Trustee and one copy to the successor trustee. If no successor trustee shall have been so appointed and have accepted appointment within 30 days after the mailing of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor trustee at the expense of the Company. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor trustee.

(b) In case at any time any of the following shall occur:

(1) the Trustee shall fail to comply with Section 7.08 with respect to any series of Securities after written request therefor by the Company or by any securityholder who has been a bona fide holder of a Security or Securities of such series for at least six months, or

(2) the Trustee shall cease to be eligible in accordance with the provisions of Section 7.09 with respect to any series of Securities and shall fail to resign after written request therefor by the Company or by any such securityholder, or

(3) the Trustee shall become incapable of acting with respect to any series of Securities, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then, in any such case, the Company may remove the Trustee with respect to the applicable series of Securities and appoint a successor trustee with respect to such series by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor trustee, or, subject to the provisions of Section 6.14, any securityholder of such series who has been a bona fide holder of a Security or Securities of the applicable series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor trustee with respect to such series. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, remove the Trustee and appoint a successor trustee.

(c) Upon 30 days' prior written notice, the holders of a majority in aggregate principal amount of the Securities of all series (voting as one class) at the time Outstanding may at any time remove the Trustee with respect to Securities of all series and appoint a successor trustee with respect to the Securities of all series.

(d) Any resignation or removal of the Trustee and any appointment of a successor trustee pursuant to any of the provisions of this Section shall become effective upon the appointment of a successor trustee and the acceptance of appointment by the successor trustee as provided in Section 7.11.

**SECTION 7.11. Acceptance by Successor Trustee.**

Any successor trustee appointed as provided in Section 7.10 shall execute, acknowledge and deliver to the Company and to its predecessor trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor trustee with respect to all or any applicable series shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations with respect to such series of its predecessor hereunder, with like effect as if originally named as trustee herein; but, nevertheless, on the written request of the Company or of the successor trustee, the predecessor trustee shall, upon payment of any amounts then due it pursuant to the provisions of Section 7.06, execute and deliver an instrument transferring to such successor trustee all the rights and powers of the predecessor trustee. Upon request of any such successor trustee, the Company shall execute any and all instruments in writing in order more fully and certainly to vest in and confirm to such successor trustee all such rights and powers. Any trustee, including the initial Trustee, ceasing to act shall, nevertheless, retain a lien upon all property or funds held or collected by such trustee to secure any amounts then due it pursuant to the provisions of Section 7.06.

---

In case of the appointment hereunder of a successor trustee with respect to the Securities of one or more (but not all) series, the Company, the predecessor Trustee and each successor trustee with respect to the Securities of any applicable series shall execute and deliver an indenture supplemental hereto which shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the predecessor Trustee with respect to the Securities of any series as to which the predecessor Trustee is not retiring shall continue to be vested in the predecessor Trustee, and shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such trustees co-trustees of the same trust and that each such trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such trustee.

No successor trustee shall accept appointment as provided in this Section unless at the time of such acceptance such successor trustee shall be qualified and eligible under the provisions of this Article 7.

Upon acceptance of appointment by a successor trustee as provided in this Section, the Company shall mail notice of the succession of such trustee hereunder to all holders of Securities of any applicable series as the names and addresses of such holders shall appear on the registry books. If the Company fails to mail such notice in the prescribed manner within ten days after the acceptance of appointment by the successor trustee, the successor trustee shall cause such notice to be so mailed at the expense of the Company.

#### **SECTION 7.12. Successor by Merger, etc.**

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be qualified and eligible under the provisions of this Article 7, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

#### **SECTION 7.13. Limitations on Rights of Trustee as Creditor.**

The Trustee shall comply with Section 311(a) of the Trust Indenture Act, excluding any creditor relationship described in Section 311(b) of the Trust Indenture Act. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the Trust Indenture Act to the extent included therein.

#### **SECTION 7.14. Notice of Default.**

Within 90 days after the occurrence of any default on a series of Securities hereunder of which a Responsible Officer of the Trustee has received notice or is deemed to have notice in accordance with this Section 7.14, the Trustee shall transmit to all securityholders of that series, in the manner and to the extent provided in Section 15.04, notice of such default hereunder actually known to a Responsible Officer of the Trustee, unless such default shall have been cured or waived; provided, that except in the case of a default in the payment of the principal of or interest on any Security or on the payment of any sinking or purchase fund installment, the Trustee shall be protected in withholding such notice if and so long as a Responsible Officer of the Trustee in good faith determine that the withholding of such notice is in the interests of the securityholders; and provided, further, that in the case of any default of the character specified in clause (c) of Section 6.01 no such notice to securityholders shall be given until at least 30 days after the occurrence thereof. The Trustee will not be required to take notice or be deemed to have notice of any default or Event of Default, except failure by the Company to pay or cause to be made any of the payments required to be made to the Trustee, unless a Responsible Officer shall receive written notice of such default or Event of Default from the Company or by the holders of at least 25% in aggregate principal amount of the then Outstanding Securities delivered to the Corporate Trust Office of the Trustee and such notice states that it is a notice of a default or Event of Default with respect to the Securities and this Indenture, and in the absence of such notice so delivered the Trustee may conclusively assume no default or Event of Default exists. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

If all of the Securities of a series may not be originally issued at one time, and the Trustee does not have an office capable of authenticating Securities upon original issuance located in a Place of Payment where the Company wishes to have Securities of such series authenticated upon original issuance, the Trustee, if so requested by the Company in writing, shall appoint in accordance with this Section an authenticating agent (which, if so requested by the Company, shall be such affiliate of the Company) having an office in a Place of Payment designated by the Company with respect to such series of Securities, provided that the terms and conditions of such appointment are acceptable to the Trustee.

## ARTICLE 8 CONCERNING THE SECURITYHOLDERS

### SECTION 8.01. Action by Securityholders.

Whenever in this Indenture it is provided that the holders of a specified percentage in aggregate principal amount of the Securities of any or all series may take any action (including the making of any demand or request, the giving of any authorization, notice, consent or waiver or the taking of any other action), the fact that at the time of taking any such action the holders of such specified percentage have joined therein may be evidenced (a) by any instrument or any number of instruments of similar tenor executed by securityholders in person or by agent or proxy appointed in writing, or (b) by a combination of such instrument or instruments and any such record of such a meeting of securityholders.

In determining whether the holders of a specified percentage in aggregate principal amount of the Securities of any or all series have taken any action (including the making of any demand or request, the giving of any authorization, direction, notice, consent or waiver or the taking of any other action), (i) the principal amount of any Original Issue Discount Security that may be counted in making such determination and that shall be deemed to be outstanding for such purposes shall be equal to the amount of the principal thereof that could be declared to be due and payable upon an Event of Default pursuant to the terms of such Original Issue Discount Security at the time the taking of such of such action is evidenced to the Trustee, and (ii) the principal amount of a Security denominated in a foreign currency or currency unit shall be the Dollar equivalent, determined as of the date of original issuance of such Security in accordance with Section 2.03(b) hereof, of the principal amount of such Security.

### SECTION 8.02. Proof of Execution by Securityholders.

Subject to the provisions of Section 7.01, Section 7.02 and Section 9.05, proof of the execution of any instrument by a securityholder or its agent or proxy, or of the holding by any person of a Security, shall be sufficient and conclusive in favor of the Trustee and the Company if made in accordance with such reasonable rules and regulations as may be prescribed by the Trustee or in such manner as shall be satisfactory to the Trustee.

The principal amount and serial numbers of Registered Securities held by any person, and the date of holding the same, shall be proved by the Security Register.

The record of any securityholders' meeting shall be proved in the manner provided in Section 9.06.

### SECTION 8.03. Who Are Deemed Absolute Owners.

Prior to due presentment of a Registered Security for registration of transfer, the Company, the Trustee and any agent of the Company or of the Trustee may deem the person in whose name such Registered Security shall be registered upon the Security Register to be, and may treat him as, the absolute owner of such Registered Security (whether or not such Security shall be overdue and notwithstanding any notation of ownership or other writing thereon), for the purpose of receiving payment of or on account of the principal of (and premium, if any) and, subject to the provisions of Section 2.05 and Section 2.07, any interest on such Security and for all other purposes;

---

and neither the Company nor the Trustee nor any agent of the Company or of the Trustee shall be affected by any notice to the contrary. All such payments so made to any holder for the time being, or upon his order, shall be valid and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable upon any such Security.

Notwithstanding the foregoing, with respect to any temporary or permanent global Security, nothing herein shall prevent the Company, the Trustee, or any agent of the Company or of the Trustee, from giving effect to any written certification, proxy or other authorization furnished by a Depository, or impair, as between a Depository and holders of beneficial interests in any temporary or permanent global Security, as the case may be, the operation of customary practices governing the exercise of the rights of the Depository as holder of such temporary or permanent global Security.

#### **SECTION 8.04. Company-Owned Securities Disregarded.**

In determining whether the holders of the required aggregate principal amount of Securities have provided any request, demand, authorization, notice, direction, consent or waiver under this Indenture, Securities which are owned by the Company or any other obligor on the Securities, or by any person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any other obligor on the Securities, shall be disregarded and deemed not to be Outstanding for the purpose of any such determination, except that for the purpose of determining whether the Trustee shall be protected in relying on any such request, demand, authorization, direction, notice, consent or waiver, only Securities which the Trustee actually knows are so owned shall be so disregarded. Securities so owned which have been pledged in good faith may be regarded as Outstanding for the purposes of this Section if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right to vote such Securities and that the pledgee is not a person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any such other obligor. In the case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee.

#### **SECTION 8.05. Revocation of Consents; Future Securityholders Bound.**

At any time prior to the taking of any action by the holders of the percentage in aggregate principal amount of the Securities specified in this Indenture in connection with such action, any holder of a Security, the identifying number of which is shown by the evidence to be included in the Securities the holders of which have consented to such action, may, by filing written notice with the Trustee at its office and upon proof of holding as provided in Section 8.02, revoke such action so far as concerns such Security. Except as aforesaid any such action taken by the holder of any Security shall be conclusive and binding upon such holder and upon all future holders and owners of such Security and of any Security issued upon registration of transfer of or in exchange or substitution therefor in respect of anything done, omitted or suffered to be done by the Trustee or the Company in reliance thereon, irrespective of whether or not any notation in regard thereto is made upon such Security. Any action taken by the holders of the percentage in aggregate principal amount of the Securities specified in this Indenture in connection with such action shall be conclusively binding upon the Company, the Trustee and the holders of all the Securities.

#### **SECTION 8.06. Record Date.**

The Company may, but shall not be obligated to, set a record date for purposes of determining the identity of holders of Securities of any series entitled to vote or consent to any action by vote or consent or to otherwise take any action under this Indenture authorized or permitted by Section 6.12 and Section 6.13 or otherwise under this Indenture. Such record date shall be the later of (i) the date 20 days prior to the first solicitation of such consent or vote or other action and (ii) the date of the most recent list of holders of such Securities delivered to the principal corporate trust office of the Trustee pursuant to Section 5.01 prior to such solicitation. If such a record date is fixed, those persons who were holders of such Securities at the close of business on such record date shall be entitled to vote or consent or take such other action, or to revoke any such action, whether or not such persons continue to be holders after such record date, and for that purpose the Outstanding Securities shall be computed as of such record date.

**ARTICLE 9**  
**SECURITYHOLDERS' MEETINGS**

**SECTION 9.01. Purposes of Meeting.**

A meeting of holders of any or all series of Securities may be called at any time and from time to time pursuant to the provisions of this Article for any of the following purposes:

- (a) to give any notice to the Company or to the Trustee, or to give any directions to the Trustee, or to waive any default hereunder and its consequences, or to take any other action authorized to be taken by securityholders pursuant to any of the provisions of Article 6;
- (b) to remove the Trustee and appoint a successor trustee pursuant to the provisions of Article 7;
- (c) to consent to the execution of an indenture or indentures supplemental hereto pursuant to the provisions of Section 10.02; or
- (d) to take any other action authorized to be taken by or on behalf of the holders of any specified aggregate principal amount of the Securities of any or all series, as the case may be, under any other provision of this Indenture or under applicable law.

**SECTION 9.02. Call of Meetings by Trustee.**

The Trustee may at any time call a meeting of securityholders of any or all series to take any action specified in Section 9.01, to be held at such time and at such place in New York, New York or as the Trustee shall determine. Notice of every meeting of the securityholders of any or all series, setting forth the time and place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given in the manner provided in Section 15.04 not less than 20 nor more than 180 days prior to the date fixed for the meeting.

**SECTION 9.03. Call of Meetings by Company or Securityholders.**

In case at any time the Company, pursuant to a Board Resolution, or the holders of at least 10% in aggregate principal amount of the Securities of any or all series, as the case may be, then Outstanding, shall have requested the Trustee to call a meeting of securityholders of any or all series to take any action authorized in Section 9.01, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have provided notice of such meeting in the manner provided in Section 15.04 within 30 days after receipt of such request, then the Company or the holders of such Securities in the amount above specified may determine the time and the place in New York, New York or Los Angeles, California for such meeting and may call such meeting by giving notice thereof as provided in Section 9.02.

**SECTION 9.04. Qualifications for Voting.**

To be entitled to vote at any meeting of securityholders a person shall be a holder of one or more Securities of such series Outstanding with respect to which a meeting is being held or a person appointed by an instrument in writing as proxy by such a holder or holders. The only persons who shall be entitled to be present or to speak at any meeting of the securityholders of any series shall be the persons entitled to vote at such meeting and their counsel and any representatives of the Trustee and its counsel and any representatives of the Company and its counsel.

**SECTION 9.05. Regulations.**

Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of securityholders of a series, in regard to proof of the holding of Securities and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it deems fit. Except as otherwise permitted or required by any such regulations, the holding of Securities shall be proved in the manner specified in Article 8 and the appointment of any proxy shall be proved in the manner specified in Article 8. Such regulations may provide that written instruments appointing proxies, regular on their face, may be presumed valid and genuine without the proof specified in Article 8 or other proof.

---

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by securityholders as provided in Section 9.03, in which case the Company or the securityholders calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the holders of a majority in principal amount of the Securities represented at the meeting and entitled to vote.

Subject to the provisions of Section 8.01 and Section 8.04, at any meeting each securityholder or proxy shall be entitled to one vote for each \$1,000 (or the Dollar equivalent thereof in connection with Securities issued in a foreign currency or currency unit) Outstanding principal amount of Securities of such series held or represented by him; provided, however, that no vote shall be cast or counted at any meeting in respect of any Security challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote except as a securityholder or proxy. Any meeting of securityholders duly called pursuant to the provisions of Section 9.02 or Section 9.03 may be adjourned from time to time, and the meeting may be reconvened without further notice.

#### **SECTION 9.06. Voting.**

The vote upon any resolution submitted to any meeting of securityholders shall be by written ballot on which shall be subscribed the signatures of the securityholders or proxies and on which shall be inscribed the identifying number or numbers or to which shall be attached a list of identifying numbers of the Securities held or represented by them. The chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of securityholders shall be prepared by the secretary of the meeting and there shall be attached to the record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that the notice was mailed as provided in Section 9.02. The record shall be signed and verified by the chairman and secretary of the meeting and one of the duplicates shall be delivered to the Company and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

### **ARTICLE 10 SUPPLEMENTAL INDENTURES**

#### **SECTION 10.01. Supplemental Indentures without Consent of Securityholders.**

Without the consent of any holders of Securities, the Company, when authorized by or pursuant to Board Resolution, and the Trustee may from time to time and at any time enter into an indenture or indentures supplemental hereto (which shall conform to the provisions of the Trust Indenture Act as in force at the date of the execution thereof) for one or more of the following purposes:

(b) to add to the covenants of the Company such further covenants, restrictions, conditions or provisions as its Board of Directors shall consider to be for the protection of the holders of Securities, and to make the occurrence, or the occurrence and continuance, of a default in any of such additional covenants, restrictions, conditions or provisions an Event of Default permitting the enforcement of all or any of the several remedies provided in this Indenture as herein set forth, with such period of grace, if any, and subject to such conditions as such supplemental indenture may provide;

---

(c) to establish any series of Securities and the form or terms of securities of any series as permitted by Section 2.01 and Section 2.03, including, without limitation, any subordination provisions and any conversion or exchange provisions applicable to Securities that are convertible into or exchangeable for other securities or property, and any deletions from or additions or changes to this Indenture in connection therewith (provided that any such deletions, additions and changes shall not be applicable to any other series of Securities then Outstanding);

(d) to add any additional Events of Default with respect to all or any series of Securities (as shall be specified in such supplemental indenture);

(e) to supplement any of the provisions of this Indenture to such extent as shall be necessary to permit or facilitate the defeasance, covenant defeasance and/or satisfaction and discharge of any series of Securities pursuant to Article 14, provided that any such action shall not adversely affect the interests of any holder of a Security of such series or any other Security in any material respect;

(f) to add to or change any of the provisions of this Indenture to such extent as shall be necessary to permit or facilitate the issuance of Securities, registrable or not registrable as to principal;

(g) to make provisions with respect to conversion or exchange rights of holders of Securities of any series;

(h) in the case of any series of Securities which are convertible into or exchangeable for commodities or for the securities of the Company to safeguard or provide for the conversion or exchange rights, as the case may be, of such Securities in the event of any reclassification or change of outstanding securities or any merger, consolidation, statutory share exchange or combination of the Company with or into another Person or any sale, lease, assignment, transfer, disposition or other conveyance of all or substantially all of the properties and assets of the Company to any other Person or other similar transactions, if expressly required by the terms of such series of Securities established pursuant to Section 2.03;

(i) to add to, delete from or revise the conditions, limitations or restrictions on issue, authentication and delivery of Securities of any series;

(j) to modify, eliminate or add to the provisions of this Indenture to such extent as shall be necessary to effect the qualification of this Indenture under the Trust Indenture Act, or under any similar federal statute hereafter enacted, and to add to this Indenture such other provisions as may be expressly permitted by the Trust Indenture Act, excluding however, the provisions referred to in Section 316(a)(2) of the Trust Indenture Act or any corresponding provision in any similar federal statute hereafter enacted;

(k) to modify, eliminate or add to any of the provisions of this Indenture, provided that any such change or elimination (i) shall become effective only when there is no Security of any series Outstanding and created prior to the execution of such supplemental indenture that is entitled to the benefit of such provision or (ii) shall not apply to any Security Outstanding;

(l) to conform the Indenture or the Securities to the description thereof in the related prospectus, offering memorandum or disclosure document (as provided in an Officers' Certificate delivered to the Trustee);

(m) to cure any ambiguity or to correct or supplement any provision contained herein or in any supplemental indenture which may be defective or inconsistent with any other provisions contained herein or in any supplemental indenture;

(n) to add guarantees with respect to, or to secure, any series of Security;

(o) to evidence and provide for the acceptance and appointment hereunder by a successor trustee with respect to the Securities of one or more series and to add or change any provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one trustee, pursuant to Section 7.11; and

---

(p) to make any change to the Securities of any series or to make any other provisions in regard to matters or questions arising under this Indenture that do not adversely affect the legal rights under this Indenture of any holder of Securities of any series issued under this Indenture, including provisions necessary or desirable to provide for or facilitate the administration of the trusts hereunder.

The Trustee is hereby authorized to join with the Company in the execution of any such supplemental indenture, to make any further appropriate agreements and stipulations which may be therein contained and to accept the conveyance, transfer, assignment, mortgage or pledge of any property thereunder, but the Trustee shall not be obligated to enter into any such supplemental indenture which adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise. No supplemental indenture shall be effective as against the Trustee unless and until the Trustee has duly executed and delivered the same.

#### **SECTION 10.02. Supplemental Indentures with Consent of Holders.**

With the consent (evidenced as provided in Section 8.01) of the holders of not less than a majority in aggregate principal amount of the Securities of all series at the time Outstanding affected by such supplemental indenture (voting as one class), the Company, when authorized by a Board Resolution, and the Trustee may from time to time and at any time enter into an indenture or indentures supplemental hereto (which shall conform to the provisions of the Trust Indenture Act as in force at the date of the execution thereof) for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of any supplemental indenture or of modifying in any manner the rights of the holders of the Securities of such series under this Indenture; provided, that no such supplemental indenture shall (a) extend the fixed maturity of any Securities, or reduce the principal amount thereof or premium, if any, or reduce the rate or extend the time of payment of interest thereon, without the consent of the holder of each Security so affected, (b) reduce the aforesaid percentage of Securities, the consent of the holders of which is required for any such supplemental indenture, without the consent of the holders of all Securities then Outstanding, (c) modify the subordination provisions in a manner adverse to the holders of such Securities, or (d) modify any of the above provisions.

Upon the request of the Company, accompanied by a copy of a Board Resolution certified by the Secretary or an Assistant Secretary of the Company authorizing the execution of any such supplemental indenture, and upon the filing with the Trustee of evidence of the consent of securityholders as aforesaid, the Trustee shall join with the Company in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such supplemental indenture.

It shall not be necessary for the consent of the securityholders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof.

Promptly after the execution by the Company and the Trustee of any supplemental indenture pursuant to the provisions of this Article 10, the Company shall provide notice, in the manner and to the extent provided in Section 15.04, setting forth in general terms the substance of such supplemental indenture, to all holders of Securities of each series so affected. Any failure of the Company so to provide such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

#### **SECTION 10.03. Compliance with Trust Indenture Act; Effect of Supplemental Indentures.**

Any supplemental indenture executed pursuant to the provisions of this Article 10 shall comply with the Trust Indenture Act, as then in effect. Upon the execution of any supplemental indenture pursuant to the provisions of this Article 10 and subject to the provisions in any supplemental indenture relating to the prospective application of such instrument, this Indenture shall be and be deemed to be modified and amended in accordance therewith and the respective rights, limitations of rights, obligations, duties and immunities under this Indenture of the Trustee, the Company and the holders of Securities theretofore or thereafter authenticated and delivered hereunder shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

---

The Trustee, subject to the provisions of Section 7.01 and Section 7.02, shall be entitled to receive and shall be fully protected in relying upon an Officers' Certificate and Opinion of Counsel as conclusive evidence that any such supplemental indenture complies with the provisions of this Article 10 and that all conditions precedent thereto have been satisfied.

**SECTION 10.04. Notation on Securities.**

Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to the provisions of this Article 10 may bear a notation in form approved by the Company as to any matter provided for in such supplemental indenture. New Securities of any series so modified as to conform, in the opinion of the Company and the Board of Directors, to any modification of this Indenture contained in any such supplemental indenture may be prepared by the Company, authenticated by the Trustee and delivered, without charge to the securityholders, in exchange for the Securities of such series then Outstanding.

**ARTICLE 11  
CONSOLIDATION, MERGER, SALE OR CONVEYANCE**

**SECTION 11.01. Company May Consolidate, etc., on Certain Terms.**

The Company covenants that it will not merge into or consolidate with any other corporation or sell or convey all or substantially all of its assets to any person, firm or corporation, unless (a) either the Company shall be the continuing corporation, or the successor corporation (if other than the Company) shall be a corporation organized and existing under the laws of the United States of America or a state thereof or the District of Columbia and such corporation shall expressly assume the due and punctual payment of the principal of (and premium, if any, on) and any interest on all the Securities, according to their tenor, and the due and punctual performance and observance of all of the covenants and conditions of this Indenture to be performed by the Company by supplemental indenture in form satisfactory to the Trustee, executed and delivered to the Trustee by such corporation, and (b) the Company or such successor corporation, as the case may be, shall not, immediately after such merger or consolidation, or such sale or conveyance, be in default in the performance of any such covenant or condition.

**SECTION 11.02. Successor Corporation Substituted.**

In case of any such consolidation, merger, sale or conveyance and upon any such assumption by the successor corporation, such successor corporation shall succeed to and be substituted for, and may exercise every right and power of, the Company, with the same effect as if it had been named herein as the party of the first part. Such successor corporation thereupon may cause to be signed, and may issue either in its own name or in the name of the Company, any or all of the Securities issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee; and, upon the order of such successor corporation, instead of the Company, and subject to all the terms, conditions and limitations in this Indenture prescribed, the Trustee shall authenticate and shall make available for delivery any Securities which previously shall have been signed and delivered by the officers of the Company to the Trustee for authentication, and any Securities which such successor corporation thereafter shall cause to be signed and delivered to the Trustee for that purpose. All of the Securities so issued shall in all respects have the same legal rank and benefit under this Indenture as the Securities theretofore or thereafter issued in accordance with the terms of this Indenture as though all of such Securities had been issued at the date of the execution thereof.

In case of any such consolidation, merger, sale or conveyance such changes in phraseology and form (but not in substance) may be made in the Securities thereafter to be issued as may be appropriate.

**SECTION 11.03. Opinion of Counsel and Officers' Certificate to be Given Trustee.**

The Trustee shall receive an Opinion of Counsel and Officers' Certificate as conclusive evidence that any such consolidation, merger, sale or conveyance, and any such assumption, complies with the provisions of this Article 11 and that all conditions precedent herein provided for relating to such transaction have been complied with.

**ARTICLE 12**  
**SATISFACTION AND DISCHARGE OF INDENTURE; UNCLAIMED MONEYS**

**SECTION 12.01. Discharge of Indenture.**

If at any time:

(a) the Company shall have delivered to the Trustee for cancellation all Securities of any series theretofore authenticated (other than (i) Securities that have been destroyed, lost or stolen and that have been replaced or paid as provided in Section 2.09, and (ii) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 4.03), or

(b) all such Securities of such series not theretofore delivered to the Trustee for cancellation (i) shall have become due and payable, or (ii) are by their terms to become due and payable within one year, or (iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption, and the Company in the case of (b)(i), (b)(ii) or (b)(iii) above shall deposit or cause to be deposited with the Trustee as trust funds the entire amount (other than moneys repaid by the Trustee or any paying agent to the Company in accordance with Section 12.04) sufficient to pay at maturity or upon redemption all Securities of such series not therefore delivered to the Trustee for cancellation, including principal (and premium, if any) and any interest due or to become due to such date of maturity or date fixed for redemption, as the case may be, and if in either case the Company shall also pay or cause to be paid all other sums payable hereunder by the Company with respect to such series, then this Indenture shall cease to be of further effect with respect to the Securities of such series, and the Trustee, on demand of and at the cost and expense of the Company and subject to Section 15.05, shall execute proper instruments acknowledging satisfaction of and discharging this Indenture with respect to the Securities of such series. The Company agrees to reimburse the Trustee for any costs or expenses thereafter reasonably and properly incurred by the Trustee in connection with this Indenture or the Securities of such series. Notwithstanding the satisfaction and discharge of this Indenture with respect to the Securities of any series or of all series, the obligations of the Company to the Trustee under Section 7.06 shall survive.

The Company will deliver to the Trustee an Officers' Certificate and an Opinion of Counsel which together shall state that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

**SECTION 12.02. Deposited Moneys to be Held in Trust by Trustee.**

Subject to the provisions of clause (e) of Section 4.03, all moneys deposited with the Trustee pursuant to Section 12.01 shall be held in trust and applied by it to the payment, either directly or through any paying agent (including the Company acting as its own paying agent), to the persons entitled thereto, of all sums due and to become due thereon for principal and interest (and premium, if any) for which payment of such money has been deposited with the Trustee.

**SECTION 12.03. Paying Agent to Repay Moneys Held.**

In connection with the satisfaction and discharge of this Indenture with respect to Securities of any series and the payment of all amounts due to the Trustee under Section 7.06, all moneys with respect to such Securities then held by any paying agent under the provisions of this Indenture shall, upon demand of the Company, be repaid to it or paid to the Trustee and thereupon such paying agent shall be released from all further liability with respect to such moneys.

**SECTION 12.04. Return of Unclaimed Moneys.**

Subject to applicable law, any moneys deposited with or paid to the Trustee or any paying agent for the payment of the principal of (and premium, if any) or interest on any Security and not applied but remaining unclaimed for two years after the date upon which such principal (and premium, if any, on) or interest shall have become due and payable, shall be repaid to the Company by the Trustee or such paying agent upon written request

---

from the Company, and the holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for any payment which such holder may be entitled to collect and all liability of the Trustee or any paying agent with respect to such moneys shall thereupon cease.

**ARTICLE 13**  
**IMMUNITY OF INCORPORATORS, STOCKHOLDERS, OFFICERS AND DIRECTORS**

**SECTION 13.01. Indenture and Securities Solely Corporate Obligations.**

No recourse under or upon any obligation, covenant or agreement contained in this Indenture, or in any Security, or because of any indebtedness evidenced thereby, shall be had against any incorporator, or against any past, present or future stockholder, officer or director, as such, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, under any rule of law, statute or constitutional provision or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, all such liability being expressly waived and released by the acceptance of the Securities by the holders thereof and as part of the consideration for the issue of the Securities.

**ARTICLE 14**  
**DEFEASANCE AND COVENANT DEFEASANCE**

**SECTION 14.01. Applicability of Article.**

Unless, as specified pursuant to Section 2.03(b), provision is made that either or both of (a) defeasance of the Securities of a series under Section 14.02 and (b) covenant defeasance of the Securities of a series under Section 14.03 shall not apply to the Securities of a series, then the provisions of such Section 14.02 and Section 14.03, together with Section 14.04 and Section 14.05, shall be applicable to the Outstanding Securities of all series upon compliance with the conditions set forth below in this Article 14.

**SECTION 14.02. Defeasance and Discharge.**

Subject to Section 14.05, the Company may cause itself to be discharged from its obligations with respect to the Outstanding Securities of any series on and after the date the conditions precedent set forth below are satisfied but subject to satisfaction of the conditions subsequent set forth below (hereinafter, "defeasance"). For this purpose, such defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by the Outstanding Securities of such series and to have satisfied all its other obligations under such Securities and this Indenture insofar as such Securities are concerned (and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (a) the rights of holders of Outstanding Securities of such series to receive, solely from the trust fund described in Section 14.04 and as more fully set forth in such Section, payments of the principal of and any premium and interest on such Securities when such payments are due, (b) the Company's obligations with respect to such Securities under Section 2.07, Section 2.08, Section 2.09, Section 4.02 and Section 4.03 and such obligations as shall be ancillary thereto, (c) the rights, powers, trusts, duties, immunities and other provisions in respect of the Trustee hereunder, and (D) this Article 14. Subject to compliance with this Article 14, defeasance with respect to Securities of a series by the Company is permitted under this Section 14.02 notwithstanding the prior exercise of its rights under Section 14.03 with respect to the Securities of such series. Following a defeasance, payment of the Securities of such series may not be accelerated because of an Event of Default.

**SECTION 14.03. Covenant Defeasance.**

The Company may cause itself to be released from its obligations under any Sections applicable to Securities of a series that are determined pursuant to Section 2.03(b) to be subject to this provision with respect to the Outstanding Securities of such series on and after the date the conditions precedent set forth below are satisfied but subject to satisfaction of the conditions subsequent set forth below (hereinafter, "covenant defeasance"). For this purpose, such covenant defeasance means that, with respect to the Outstanding Securities of such series, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set

forth in any such Section, whether directly or indirectly by reason of any reference elsewhere herein to any such Section or by reason of any reference in any such Section to any other provision herein or in any other document, but the remainder of this Indenture and such Securities shall be unaffected thereby.

#### **SECTION 14.04. Conditions to Defeasance or Covenant Defeasance.**

The following shall be the conditions precedent or, as specifically noted below, subsequent to application of either Section 14.02 or Section 14.03 to the Outstanding Securities of such series:

(a) The Company shall irrevocably have deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefit of the holders of such Securities, (i) money in an amount, or (ii) U.S. Government Obligations which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, money in an amount, or (iii) a combination thereof, sufficient, without reinvestment, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge, and which shall be applied by the Trustee to pay and discharge, (1) the principal of and any premium and interest on the Outstanding Securities of such series to maturity or redemption, as the case may be, and (2) any mandatory sinking fund payments or analogous payments applicable to the Outstanding Securities of such series on the due dates thereof. Before such a deposit the Company may make arrangements satisfactory to the Trustee for the redemption of Securities at a future date or dates in accordance with Article 3 which shall be given effect in applying the foregoing. For this purpose, "U.S. Government Obligations" means securities that are (x) direct obligations of the United States of America for the payment of which its full faith and credit is pledged or (y) obligations of a person controlled or supervised by and acting as an agency or instrumentality of the United States of America the payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States of America, which, in either case, are not callable or redeemable at the option of the issuer thereof, and shall also include a depository receipt issued by a bank (as defined in Section 3(a)(2) of the Securities Act) as custodian with respect to any such U.S. Government Obligation or a specific payment of principal of or interest on any such U.S. Government Obligation held by such custodian for the account of the holder of such depository receipt, provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of principal of or interest on the U.S. Government Obligation evidenced by such depository receipt;

(b) No default, or event that after notice or lapse of time, or both, would become a default with respect to the Securities of such series, shall have happened and be continuing (i) on the date of such deposit or (ii) insofar as Section 6.01(a) and Section 6.01(b) are concerned, at any time during the period ending on the 123rd day after the date of such deposit or, if longer, ending on the day following the expiration of the longest preference period applicable to the Company in respect of such deposit (it being understood that the condition in this clause (b) is a condition subsequent and shall not be deemed satisfied until the expiration of such period);

(c) Such defeasance or covenant defeasance shall not (i) cause the Trustee for the Securities of such series to have a conflicting interest as defined in Section 7.08 or for purposes of the Trust Indenture Act with respect to any securities of the Company or (ii) result in the trust arising from such deposit to constitute, unless it is qualified as, a regulated investment company under the Investment Company Act of 1940, as amended;

(d) Such defeasance or covenant defeasance shall not result in a breach or violation of, or constitute a default under, this Indenture or any other agreement or instrument to which the Company is a party or by which it is bound;

(e) Such defeasance or covenant defeasance shall not cause any Securities of such series then listed on any registered national securities exchange under the Exchange Act to be delisted;

(f) In the case of a defeasance under Section 14.02, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (x) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (y) since the date of this Indenture there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such opinion shall confirm that, the holders of the Outstanding Securities of such series will not recognize income, gain or loss for federal

---

income tax purposes as a result of such defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred;

(g) In the case of covenant defeasance under Section 14.03, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the holders of the Outstanding Securities of such series will not recognize income, gain or loss for federal income tax purposes as a result of such covenant defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred;

(h) Such defeasance or covenant defeasance shall be effected in compliance with any additional terms, conditions or limitations which may be imposed on the Company in connection therewith pursuant to Section 2.03(b); and

(i) The Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent and subsequent provided for in this Indenture relating to either the defeasance under Section 14.02 or the covenant defeasance under Section 14.03, as the case may be, have been complied with.

#### **SECTION 14.05. Deposited Money and U.S. Government Obligations to be Held in Trust; Other Miscellaneous Provisions.**

All money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee pursuant to Section 14.04 in respect of the Outstanding Securities of such series shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any paying agent (but not including the Company acting as its own paying agent) as the Trustee may determine, to the holders of such Securities of all sums due and to become due thereon in respect of principal and any premium and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the money or U.S. Government Obligations deposited pursuant to Section 14.04 or the principal and interest received in respect thereof.

Anything herein to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon Company Request any money or U.S. Government Obligations held by it as provided in Section 14.04 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect an equivalent defeasance or covenant defeasance, provided that the Trustee shall not be required to liquidate any U.S. Government Obligations in order to comply with the provisions of this paragraph.

Anything herein to the contrary notwithstanding, if and to the extent the deposited money or U.S. Government Obligations (or the proceeds thereof) either (i) cannot be applied by the Trustee in accordance with this Section because of a court order or by operation of Article 16 or (ii) are for any reason insufficient in amount, then the Company's obligations to pay principal of and any premium and interest on the Securities of such series shall be reinstated to the extent necessary to cover the deficiency on any due date for payment. In any such case, the Company's interest in the deposited money and U.S. Government Obligations (and proceeds thereof) shall be reinstated to the extent the Company's payment obligations are reinstated.

**MISCELLANEOUS PROVISIONS**

**SECTION 15.01. Benefits of Indenture Restricted to Parties and Securityholders.**

Nothing in this Indenture or in the Securities, expressed or implied, shall give or be construed to give to any person, firm or corporation, other than the parties hereto and their successors and assigns and the holders of the Securities (and, with respect to the provisions of Article 16, the holders of Senior Indebtedness), any legal or equitable right, remedy or claim under this Indenture or under any covenant or provision herein contained, all such covenants and provisions being for the sole benefit of the parties hereto and their successors and assigns and the holders of the Securities (and, with respect to the provisions of Article 16, the holders of Senior Indebtedness).

**SECTION 15.02. Provisions Binding on Company's Successors.**

All the covenants, stipulations, promises and agreements in this Indenture contained by or in behalf of the Company shall bind its successors and assigns, whether so expressed or not.

**SECTION 15.03. Addresses for Notices, etc., to Company and Trustee.**

Any request, demand, authorization, direction, notice, consent, waiver or other document provided or permitted by this Indenture is duly given if in writing and delivered in person or delivered by first-class postage prepaid mail, facsimile, email or overnight air courier guaranteeing next day delivery, to the other's address:

(1) If to the Trustee, addressed to the Trustee at the principal Corporate Trust Office of the Trustee, Wilmington Trust, National Association, Rodney Square North, 1100 North Market Street, Wilmington, Delaware 19890, Attention: Hanmi Financial Corporation Administrator, Telephone: (302) 636-6398.

All notices and communications will be deemed to have been duly given: five Business Days after being deposited in the mail, postage prepaid, if delivered by mail; on the first Business Day after being sent, if sent by facsimile and the sender receives confirmation of successful transmission; upon confirmation of transmittal (but excluding any automatic reply to such email), if sent by email; and the next Business Day after timely delivery to the courier, if sent by overnight air courier guaranteeing next day delivery.

**SECTION 15.04. Notice to Holders of Securities; Waiver.**

Except as otherwise expressly provided herein, where this Indenture provides for notice of holders of Securities of any event, such notice shall be sufficiently given to holders of Registered Securities if in writing and mailed, first-class postage prepaid, to each holder of a Registered Security affected by such event, at the address of such holder as it appears in the Security Register, not earlier than the earliest date, and not later than the latest date, prescribed for the giving of such notice.

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice to holders of Registered Securities by mail, then such notification as shall be made with the approval of the Trustee shall constitute sufficient notice to such holders for every purpose hereunder. In any case where notice to holders of Registered Securities is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular holder of a Registered Security shall affect the sufficiency of such notice with respect to other holders of Registered Securities.

Notwithstanding any other provision of this Indenture or any Security, where this Indenture or any Security provides for notice of any event (including any notice of redemption) to a Holder of a Global Security (whether by mail or otherwise), such notice shall be sufficiently given when delivered to the Depository for such Security (or its designee) pursuant to the customary procedures of such Depository.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by the person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by holders of Securities shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

**ARTICLE 16**  
**SUBORDINATION OF SECURITIES**

**SECTION 16.01. Securities Subordinate to Senior Indebtedness.**

Except as otherwise provided in a supplemental indenture or pursuant to Section 2.03, the Company agrees, and each holder by accepting a Security agrees, that the indebtedness evidenced by the Securities is subordinated in right of payment, to the extent and in the manner provided in this Article, to the prior payment in full of all Senior Indebtedness and that the subordination is for the benefit of the holders of Senior Indebtedness. Re: Registration Statement on Form S-3

Ladies and Gentlemen:

We have acted as special counsel to Hanmi Financial Corporation, a Delaware corporation (the "Company"), in connection with the preparation of a registration statement on Form S-3 (the "Registration Statement") filed by the Company on December 16, 2020 with the Securities and Exchange Commission (the "Commission") pursuant to the Securities Act of 1933, as amended (the "Act"), with respect to the registration and public offering by the Company, from time to time, pursuant to Rule 415 under the Act, of up to \$100,000,000 in aggregate offering amount of securities, consisting of one or more of the following:

- (i) shares of common stock, no par value, of the Company ("Common Stock");
- (ii) shares of preferred stock, no par value, of the Company ("Preferred Stock"), which may be issued in the form of depositary shares ("Depositary Shares"); and
- (iii) senior debt securities of the Company ("Senior Debt Securities") and subordinated debt securities of the Company ("Subordinated Debt Securities" and together with the Senior Debt Securities, the "Debt Securities").

The Common Stock, Preferred Stock, Depositary Shares and Debt Securities are collectively referred to herein as the "Securities."

The Senior Debt Securities are to be issued pursuant to a Senior Debt Indenture (the "Senior Indenture"), and the Subordinated Debt Securities are to be issued pursuant to a Subordinated Debt Indenture (the "Subordinated Indenture"), the respective forms of which have been filed as exhibits to the Registration Statement (collectively, the "Indentures"), and are to be entered into, in each case, between the Company and a trustee (the "Trustee"). The Senior Debt Securities and Subordinated Debt Securities are to be issued in the forms set forth in the Indentures filed as exhibits to the Registration Statement.

We have examined: (i) the Registration Statement, including all exhibits thereto; (ii) the respective forms of Indentures filed as exhibits to the Registration Statement; (iii) the Certificate of Incorporation and Bylaws of the Company, each in effect as of the date hereof; (iv) corporate proceedings of the Company relating to the registration of the Securities, and related matters; and (v) such other agreements, proceedings, documents and records and such matters of law as we have deemed necessary or appropriate to enable us to render this opinion.

As to certain facts material to our opinion, we have relied, to the extent we deem such reliance proper, upon certificates of public officials and officers of the Company. In our examination, we have assumed the genuineness of all signatures, the authenticity of all documents and instruments submitted to us as originals and the conformity to the originals of all documents and instruments submitted to us as certified or conformed copies. In addition, we have assumed the accuracy and completeness of all records, documents, instruments and materials made available to us by the Company.

Our opinion is limited to the matters set forth herein, and we express no opinion other than as expressly set forth herein. In rendering the opinions set forth below, we do not express any opinion concerning laws other than the securities laws of the United States and the laws of the State of Delaware and the State of New York (as they relate to the enforceability of documents, agreements and instruments referred to herein) and we are expressing no opinion as to the effect of the laws of any other jurisdiction or the securities or "blue sky" laws of any jurisdiction. Our opinion is expressed as of the date hereof and is based on laws currently in effect. Accordingly, the conclusions set forth in this opinion are subject to change if any laws should change or be enacted in the future. We are under no obligation to update this opinion or to otherwise communicate with you in the event of any such change.

In addition, we have assumed that (i) the Registration Statement, and any amendments thereto (including post-effective amendments), will have become effective under the Act, (ii) a prospectus supplement and/or any required pricing supplement describing the Securities offered thereby will have been filed with the Commission, (iii) all Securities will be issued and sold in compliance with applicable federal and state securities laws and in the manner stated in the Registration Statement, the applicable prospectus supplement and any applicable pricing supplement, (iv) a definitive purchase, underwriting or similar agreement with respect to any Securities offered will have been duly authorized and validly executed and delivered by the Company and the other party or parties thereto, (v) any Securities issuable upon conversion, exchange, redemption or exercise of any Securities being offered will have been duly authorized, created and, if appropriate, reserved for issuance upon such conversion, exchange, redemption, or exercise, (vi) with respect to shares of Common Stock or Preferred Stock offered, there will be sufficient shares of unissued Common Stock or Preferred Stock authorized under the Company's organizational documents and not otherwise reserved for issuance at the time of issuance thereof, (vii) in the case of a Certificate of Designations, Senior Indenture, Subordinated Debenture or Deposit Agreement (all as defined below) or other agreement pursuant to which any Securities are to be issued, there shall be no terms or provisions contained therein that would affect the opinions rendered herein and (viii) all actions are taken by the Company so as not to violate any

applicable law or result in a default under or breach of any agreement or instrument binding upon the Company and so as to comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over the Company.

Our opinions set forth below are subject to (i) the effects of bankruptcy, insolvency, reorganization, receivership, moratorium, avoidable transfer or other laws affecting the rights and remedies of creditors generally (including, without limitation, the effect of statutory and other laws regarding fraudulent conveyances, fraudulent transfers and preferential transfers), (ii) the exercise of judicial discretion and the application of principles of equity, good faith, fair dealing, reasonableness, conscionability and materiality (regardless of whether the enforceability of the Securities, to the extent applicable, is considered in a proceeding at law or in equity), (iii) the possible unenforceability of indemnity and contribution provisions, (iv) the effect and possible unenforceability of choice of law provisions, (v) the possible unenforceability of provisions purporting to waive rights or defenses where such waiver is against public policy, (vi) the possible unenforceability of provisions purporting to exonerate any party for negligence or malfeasance, or to negate any remedy of any party for fraud, (vii) the possible unenforceability of forum selection clauses, (viii) the possible unenforceability of provisions permitting modification of an agreement only in writing and (ix) the possible unenforceability of provisions purporting to allow action without regard to mitigation of damages.

On the basis of the foregoing and the other matters set forth herein, we hereby are of the opinion that:

(1) **Common Stock.** With respect to shares of Common Stock, when (a) the Board of Directors of the Company or a duly constituted and acting committee thereof (such Board of Directors or committee being hereinafter referred to as the “Board”) has taken all necessary corporate action to approve the issuance of and the terms of the offering of the shares of Common Stock and related matters and (b) the shares of Common Stock have been issued, sold and delivered in the manner contemplated by the Registration Statement either (i) in accordance with the applicable definitive purchase, underwriting or similar agreement approved by the Board or upon the conversion or exercise of other Securities to purchase Common Stock, upon payment of the consideration therefor (of not less than the par value of the Common Stock) provided for therein, or (ii) upon conversion or exercise of other Securities, in accordance with the terms of such Security or the instrument governing such Securities providing for such conversion or exercise as approved by the Board, for the consideration approved by the Board, then such shares of Common Stock will be validly issued, fully paid and nonassessable.

(2) **Preferred Stock.** With respect to any particular series of shares of Preferred Stock, when (a) the Board has taken all necessary corporate action to approve the issuance and terms of the shares of Preferred Stock, the terms of the offering thereof and related matters, including the adoption of a certificate of designations to note the powers, preferences and rights of the series of Preferred Stock (referred to herein as the “Certificate of Designations”) and the filing of the Certificate of Designations with the Secretary of State of the State of Delaware, and (b) the shares of Preferred Stock have been issued, sold and delivered in the manner

contemplated by the Registration Statement, either (i) in accordance with the applicable definitive purchase, underwriting or similar agreement approved by the Board, or upon the conversion or exercise of other Securities to purchase Preferred Stock, upon payment of the consideration therefor provided for therein or (ii) upon conversion or exercise of other Securities, in accordance with the terms of such Securities or the instrument governing such Securities providing for such conversion or exercise as approved by the Board, for the consideration approved by the Board, then such shares of Preferred Stock will be validly issued, fully paid and nonassessable.

(3) **Debt Securities.** With respect to any series of Debt Securities to be issued under either the Senior Indenture or Subordinated Indenture, when (a) the Trustee is qualified to act as Trustee under the Senior Indenture or Subordinated Indenture, as applicable, (b) the Trustee has duly executed and delivered the Senior Indenture or Subordinated Indenture, as applicable, (c) the Senior Indenture or Subordinated Indenture, as applicable, has been duly authorized and validly executed and delivered by the Company to the Trustee, (d) the Senior Indenture or Subordinated Indenture, as applicable, has been duly qualified under the Trust Indenture Act of 1939, as amended, (e) the Board has taken all necessary corporate action to approve the issuance and terms of such Debt Securities, the terms of the offering thereof and related matters, and (f) such Debt Securities have been duly executed, authenticated, issued and delivered in accordance with the provisions of the Senior Indenture or Subordinated Indenture, as applicable, and the applicable definitive purchase, underwriting or similar agreement has been approved by the Board, or upon the conversion or exercise of other Securities to purchase Debt Securities, upon payment of the consideration therefor provided for therein, then such Debt Securities will constitute valid and binding obligations of the Company.

(4) **Depositary Shares.** With respect to any Depositary Shares, when (a) the Board has taken all necessary corporate action to approve the issuance and terms of such Depositary Shares, the terms, execution and delivery of the deposit agreement relating to the Depositary Shares (“Deposit Agreement”), the terms of the offering thereof and related matters, (b) the Deposit Agreement has been duly authorized and validly executed and delivered, (c) the shares of Preferred Stock underlying the Depositary Shares have been duly authorized for issuance and deposited with the depositary in accordance with the applicable Deposit Agreement, and (d) depositary receipts for such Depositary Shares have been duly executed, authenticated, issued and delivered by duly authorized officers of the Company in accordance with the provisions of the applicable Deposit Agreement and the applicable definitive purchase, underwriting or similar agreement approved by the Board, or upon the conversion or exercise of other Securities to purchase Depositary Shares, upon payment of the consideration therefor provided for therein, or upon conversion or exercise of other Securities, in accordance with the terms of such Securities or the instrument governing such Securities providing for such conversion or exercise as approved by the Board, for the consideration approved by the Board, such Depositary Shares will constitute valid and binding obligations of the Company, will be validly issued and will entitle their holders to the rights specified in the Deposit Agreement and the depositary receipts.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to the reference to us under the heading “Legal Opinions” in the Prospectus constituting a part of the Registration Statement. By giving such consent, we do not hereby admit that we are in the category of persons whose consent is required under Section 7 of the Act.

Very truly yours,

OF  
WILMINGTON TRUST, NATIONAL ASSOCIATION**

For the purpose of organizing an association to perform any lawful activities of national banks, the undersigned do enter into the following articles of association:

FIRST. The title of this association shall be Wilmington Trust, National Association.

SECOND. The main office of the association shall be in the City of Wilmington, County of New Castle, State of Delaware. The general business of the association shall be conducted at its main office and its branches.

THIRD. The board of directors of this association shall consist of not less than five nor more than twenty-five persons, unless the OCC has exempted the bank from the 25-member limit. The exact number is to be fixed and determined from time to time by resolution of a majority of the full board of directors or by resolution of a majority of the shareholders at any annual or special meeting thereof. Each director shall own common or preferred stock of the association or of a holding company owning the association, with an aggregate par, fair market or equity value \$1,000. Determination of these values may be based as of either (i) the date of purchase or (ii) the date the person became a director, whichever value is greater. Any combination of common or preferred stock of the association or holding company may be used.

Any vacancy in the board of directors may be filled by action of a majority of the remaining directors between meetings of shareholders. The board of directors may not increase the number of directors between meetings of shareholders to a number which:

- 1) exceeds by more than two the number of directors last elected by shareholders where the number was 15 or less; or
- 2) exceeds by more than four the number of directors last elected by shareholders where the number was 16 or more, but in no event shall the number of directors exceed 25, unless the OCC has exempted the bank from the 25-member limit.

Directors shall be elected for terms of one year and until their successors are elected and qualified. Terms of directors, including directors selected to fill vacancies, shall expire at the next regular meeting of shareholders at which directors are elected, unless the directors resign or are removed from office. Despite the expiration of a director's term, the director shall continue to serve until his or her successor is elected and qualifies or until there is a decrease in the number of directors and his or her position is eliminated.

Honorary or advisory members of the board of directors, without voting power or power of final decision in matters concerning the business of the association, may be appointed by resolution of a majority of the full board of directors, or by resolution of shareholders at any annual or special meeting. Honorary or advisory directors shall not be counted to determine the number of directors of the association or the presence of a quorum in connection with any board action, and shall not be required to own qualifying shares.

---

FOURTH. There shall be an annual meeting of the shareholders to elect directors and transact whatever other business may be brought before the meeting. It shall be held at the main office or any other convenient place the board of directors may designate, on the day of each year specified therefor in the bylaws, or, if that day falls on a legal holiday in the state in which the association is located, on the next following banking day. If no election is held on the day fixed, or in the event of a legal holiday on the following banking day, an election may be held on any subsequent day within 60 days of the day fixed, to be designated by the board of directors, or, if the directors fail to fix the day, by shareholders representing two-thirds of the shares issued and outstanding. In all cases at least 10 days advance notice of the time, place and purpose of a shareholders' meeting shall be given to the shareholders by first class mail, unless the OCC determines that an emergency circumstance exists. The sole shareholder of the bank is permitted to waive notice of the shareholders' meeting.

In all elections of directors, the number of votes each common shareholder may cast will be determined by multiplying the number of shares such shareholder owns by the number of directors to be elected. Those votes may be cumulated and cast for a single candidate or may be distributed among two or more candidates in the manner selected by the shareholder. If, after the first ballot, subsequent ballots are necessary to elect directors, a shareholder may not vote shares that he or she has already fully cumulated and voted in favor of a successful candidate. On all other questions, each common shareholder shall be entitled to one vote for each share of stock held by him or her.

Nominations for election to the board of directors may be made by the board of directors or by any stockholder of any outstanding class of capital stock of the association entitled to vote for election of directors. Nominations other than those made by or on behalf of the existing management shall be made in writing and be delivered or mailed to the president of the association not less than 14 days nor more than 50 days prior to any meeting of shareholders called for the election of directors; provided, however, that if less than 21 days notice of the meeting is given to shareholders, such nominations shall be mailed or delivered to the president of the association not later than the close of business on the seventh day following the day on which the notice of meeting was mailed. Such notification shall contain the following information to the extent known to the notifying shareholder:

- 1) The name and address of each proposed nominee.
- 2) The principal occupation of each proposed nominee.
- 3) The total number of shares of capital stock of the association that will be voted for each proposed nominee.
- 4) The name and residence address of the notifying shareholder.
- 5) The number of shares of capital stock of the association owned by the notifying shareholder.

Nominations not made in accordance herewith may, in his/her discretion, be disregarded by the chairperson of the meeting, and the vote tellers may disregard all votes cast for each such nominee. No bylaw may unreasonably restrict the nomination of directors by shareholders.

A director may resign at any time by delivering written notice to the board of directors, its chairperson, or to the association, which resignation shall be effective when the notice is delivered unless the notice specifies a later effective date.

A director may be removed by shareholders at a meeting called to remove the director, when notice of the meeting stating that the purpose or one of the purposes is to remove the director is provided, if there is a failure to fulfill one of the affirmative requirements for qualification, or for cause; provided, however, that a director may not be removed if the number of votes sufficient to elect the director under cumulative voting is voted against the director's removal.

---

FIFTH. The authorized amount of capital stock of this association shall be ten thousand shares of common stock of the par value of one hundred dollars (\$100) each; but said capital stock may be increased or decreased from time to time, according to the provisions of the laws of the United States.

No holder of shares of the capital stock of any class of the association shall have any preemptive or preferential right of subscription to any shares of any class of stock of the association, whether now or hereafter authorized, or to any obligations convertible into stock of the association, issued, or sold, nor any right of subscription to any thereof other than such, if any, as the board of directors, in its discretion, may from time to time determine and at such price as the board of directors may from time to time fix. Preemptive rights also must be approved by a vote of holders of two-thirds of the bank's outstanding voting shares. Unless otherwise specified in these articles of association or required by law, (1) all matters requiring shareholder action, including amendments to the articles of association, must be approved by shareholders owning a majority voting interest in the outstanding voting stock, and (2) each shareholder shall be entitled to one vote per share.

Unless otherwise specified in these articles of association or required by law, all shares of voting stock shall be voted together as a class, on any matters requiring shareholder approval. If a proposed amendment would affect two or more classes or series in the same or a substantially similar way, all the classes or series so affected must vote together as a single voting group on the proposed amendment.

Shares of one class or series may be issued as a dividend for shares of the same class or series on a pro rata basis and without consideration. Shares of one class or series may be issued as share dividends for a different class or series of stock if approved by a majority of the votes entitled to be cast by the class or series to be issued, unless there are no outstanding shares of the class or series to be issued. Unless otherwise provided by the board of directors, the record date for determining shareholders entitled to a share dividend shall be the date authorized by the board of directors for the share dividend.

Unless otherwise provided in the bylaws, the record date for determining shareholders entitled to notice of and to vote at any meeting is the close of business on the day before the first notice is mailed or otherwise sent to the shareholders, provided that in no event may a record date be more than 70 days before the meeting.

If a shareholder is entitled to fractional shares pursuant to a stock dividend, consolidation or merger, reverse stock split or otherwise, the association may: (a) issue fractional shares; (b) in lieu of the issuance of fractional shares, issue script or warrants entitling the holder to receive a full share upon surrendering enough script or warrants to equal a full share; (c) if there is an established and active market in the association's stock, make reasonable arrangements to provide the shareholder with an opportunity to realize a fair price through sale of the fraction, or purchase of the additional fraction required for a full share; (d) remit the cash equivalent of the fraction to the shareholder; or (e) sell full shares representing all the fractions at public auction or to the highest bidder after having solicited and received sealed bids from at least three licensed stock brokers; and distribute the proceeds pro rata to shareholders who otherwise would be entitled to the fractional shares. The holder of a fractional share is entitled to exercise the rights for shareholder, including the right to vote, to receive dividends, and to participate in the assets of the association upon liquidation, in proportion to the fractional interest. The holder of script or warrants is not entitled to any of these rights unless the script or warrants explicitly provide for such rights. The script or warrants may be subject to such additional conditions as: (1) that the script or warrants will become void if not exchanged for full shares before a specified date; and (2) that the shares for which the script or warrants are exchangeable may be sold at the option of the association and the proceeds paid to scripsholders.

---

The association, at any time and from time to time, may authorize and issue debt obligations, whether or not subordinated, without the approval of the shareholders. Obligations classified as debt, whether or not subordinated, which may be issued by the association without the approval of shareholders, do not carry voting rights on any issue, including an increase or decrease in the aggregate number of the securities, or the exchange or reclassification of all or part of securities into securities of another class or series.

SIXTH. The board of directors shall appoint one of its members president of this association, and one of its members chairperson of the board and shall have the power to appoint one or more vice presidents, a secretary who shall keep minutes of the directors' and shareholders' meetings and be responsible for authenticating the records of the association, and such other officers and employees as may be required to transact the business of this association.

A duly appointed officer may appoint one or more officers or assistant officers if authorized by the board of directors in accordance with the bylaws.

The board of directors shall have the power to:

- 1) Define the duties of the officers, employees, and agents of the association.
- 2) Delegate the performance of its duties, but not the responsibility for its duties, to the officers, employees, and agents of the association.
- 3) Fix the compensation and enter into employment contracts with its officers and employees upon reasonable terms and conditions consistent with applicable law.
- 4) Dismiss officers and employees.
- 5) Require bonds from officers and employees and to fix the penalty thereof.
- 6) Ratify written policies authorized by the association's management or committees of the board.
- 7) Regulate the manner in which any increase or decrease of the capital of the association shall be made, provided that nothing herein shall restrict the power of shareholders to increase or decrease the capital of the association in accordance with law, and nothing shall raise or lower from two-thirds the percentage required for shareholder approval to increase or reduce the capital.
- 8) Manage and administer the business and affairs of the association.
- 9) Adopt initial bylaws, not inconsistent with law or the articles of association, for managing the business and regulating the affairs of the association.
- 10) Amend or repeal bylaws, except to the extent that the articles of association reserve this power in whole or in part to shareholders.
- 11) Make contracts.
- 12) Generally perform all acts that are legal for a board of directors to perform.

SEVENTH. The board of directors shall have the power to change the location of the main office to any other place within the limits of Wilmington, Delaware, without the approval of the shareholders, or with a vote of shareholders owning two-thirds of the stock of such association for a relocation outside such limits and upon receipt of a certificate of approval from the Comptroller of the Currency, to any other location within or outside the limits of Wilmington Delaware, but not more than 30 miles beyond such limits. The board of directors shall have the power to establish or change the location of any branch or branches of the association to any other location permitted under applicable law, without approval of shareholders, subject to approval by the Comptroller of the Currency.

---

EIGHTH. The corporate existence of this association shall continue until termination according to the laws of the United States.

NINTH. The board of directors of this association, or any one or more shareholders owning, in the aggregate, not less than 50 percent of the stock of this association, may call a special meeting of shareholders at any time. Unless otherwise provided by the bylaws or the laws of the United States, a notice of the time, place, and purpose of every annual and special meeting of the shareholders shall be given at least 10 days prior to the meeting by first-class mail, unless the OCC determines that an emergency circumstance exists. If the association is a wholly-owned subsidiary, the sole shareholder may waive notice of the shareholders' meeting. Unless otherwise provided by the bylaws or these articles, any action requiring approval of shareholders must be effected at a duly called annual or special meeting.

TENTH. For purposes of this Article Tenth, the term "institution-affiliated party" shall mean any institution-affiliated party of the association as such term is defined in 12 U.S.C. 1813(u).

Any institution-affiliated party (or his or her heirs, executors or administrators) may be indemnified or reimbursed by the association for reasonable expenses actually incurred in connection with any threatened, pending or completed actions or proceedings and appeals therein, whether civil, criminal, governmental, administrative or investigative, in accordance with and to the fullest extent permitted by law, as such law now or hereafter exists; provided, however, that when an administrative proceeding or action instituted by a federal banking agency results in a final order or settlement pursuant to which such person: (i) is assessed a civil money penalty, (ii) is removed from office or prohibited from participating in the conduct of the affairs of the association, or (iii) is required to cease and desist from or to take any affirmative action described in 12 U.S.C. 1818(b) with respect to the association, then the association shall require the repayment of all legal fees and expenses advanced pursuant to the next succeeding paragraph and may not indemnify such institution-affiliated parties (or their heirs, executors or administrators) for expenses, including expenses for legal fees, penalties or other payments incurred. The association shall provide indemnification in connection with an action or proceeding (or part thereof) initiated by an institution-affiliated party (or by his or her heirs, executors or administrators) only if such action or proceeding (or part thereof) was authorized by the board of directors.

Expenses incurred by an institution-affiliated party (or by his or her heirs, executors or administrators) in connection with any action or proceeding under 12 U.S.C. 164 or 1818 may be paid by the association in advance of the final disposition of such action or proceeding upon (a) a determination by the board of directors acting by a quorum consisting of directors who are not parties to such action or proceeding that the institution-affiliated party (or his or her heirs, executors or administrators) has a reasonable basis for prevailing on the merits, (b) a determination that the indemnified individual (or his or her heirs, executors or administrators) will have the financial capacity to reimburse the bank in the event he or she does not prevail, (c) a determination that the payment of expenses and fees by the association will not adversely affect the safety and soundness of the association, and (d) receipt of an undertaking by or on behalf of such institution-affiliated party (or by his or her heirs, executors or administrators) to repay such advancement in the event of a final order or settlement pursuant to which such person: (i) is assessed a civil money penalty, (ii) is removed from office or prohibited from participating in the conduct of the affairs of the association, or (iii) is required to cease and desist from or to take any affirmative action described in 12 U.S.C. 1818(b) with respect to the association. In all other instances, expenses incurred by an institution-affiliated party (or by his or her heirs, executors or administrators) in connection with any action or proceeding as to which indemnification may be given under these articles of association may be paid by the association in advance of the final disposition of such action or proceeding upon (a) receipt of an undertaking by or on behalf of such institution-affiliated party (or by or

---

on behalf of his or her heirs, executors or administrators) to repay such advancement in the event that such institution-affiliated party (or his or her heirs, executors or administrators) is ultimately found not to be entitled to indemnification as authorized by these articles of association and (b) approval by the board of directors acting by a quorum consisting of directors who are not parties to such action or proceeding or, if such a quorum is not obtainable, then approval by stockholders. To the extent permitted by law, the board of directors or, if applicable, the stockholders, shall not be required to find that the institution-affiliated party has met the applicable standard of conduct provided by law for indemnification in connection with such action or proceeding.

In the event that a majority of the members of the board of directors are named as respondents in an administrative proceeding or civil action and request indemnification, the remaining members of the board may authorize independent legal counsel to review the indemnification request and provide the remaining members of the board with a written opinion of counsel as to whether the conditions delineated in the first four paragraphs of this Article Tenth have been met. If independent legal counsel opines that said conditions have been met, the remaining members of the board of directors may rely on such opinion in authorizing the requested indemnification.

In the event that all of the members of the board of directors are named as respondents in an administrative proceeding or civil action and request indemnification, the board shall authorize independent legal counsel to review the indemnification request and provide the board with a written opinion of counsel as to whether the conditions delineated in the first four paragraphs of this Article Tenth have been met. If legal counsel opines that said conditions have been met, the board of directors may rely on such opinion in authorizing the requested indemnification.

To the extent permitted under applicable law, the rights of indemnification and to the advancement of expenses provided in these articles of association (a) shall be available with respect to events occurring prior to the adoption of these articles of association, (b) shall continue to exist after any restrictive amendment of these articles of association with respect to events occurring prior to such amendment, (c) may be interpreted on the basis of applicable law in effect at the time of the occurrence of the event or events giving rise to the action or proceeding, or on the basis of applicable law in effect at the time such rights are claimed, and (d) are in the nature of contract rights which may be enforced in any court of competent jurisdiction as if the association and the institution-affiliated party (or his or her heirs, executors or administrators) for whom such rights are sought were parties to a separate written agreement.

The rights of indemnification and to the advancement of expenses provided in these articles of association shall not, to the extent permitted under applicable law, be deemed exclusive of any other rights to which any such institution affiliated party (or his or her heirs, executors or administrators) may now or hereafter be otherwise entitled whether contained in these articles of association, the bylaws, a resolution of stockholders, a resolution of the board of directors, or an agreement providing such indemnification, the creation of such other rights being hereby expressly authorized. Without limiting the generality of the foregoing, the rights of indemnification and to the advancement of expenses provided in these articles of association shall not be deemed exclusive of any rights, pursuant to statute or otherwise, of any such institution-affiliated party (or of his or her heirs, executors or administrators) in any such action or proceeding to have assessed or allowed in his or her favor, against the association or otherwise, his or her costs and expenses incurred therein or in connection therewith or any part thereof.

If this Article Tenth or any part hereof shall be held unenforceable in any respect by a court of competent jurisdiction, it shall be deemed modified to the minimum extent necessary to make it enforceable, and the remainder of this Article Tenth shall remain fully enforceable.

---

The association may, upon affirmative vote of a majority of its board of directors, purchase insurance to indemnify its institution-affiliated parties to the extent that such indemnification is allowed in these articles of association; provided, however, that no such insurance shall include coverage to pay or reimburse any institution-affiliated party for the cost of any judgment or civil money penalty assessed against such person in an administrative proceeding or civil action commenced by any federal banking agency. Such insurance may, but need not, be for the benefit of all institution-affiliated parties.

ELEVENTH. These articles of association may be amended at any regular or special meeting of the shareholders by the affirmative vote of the holders of a majority of the stock of this association, unless the vote of the holders of a greater amount of stock is required by law, and in that case by the vote of the holders of such greater amount. The association's board of directors may propose one or more amendments to the articles of association for submission to the shareholders.

AMENDED AND RESTATED BYLAWS  
OF  
WILMINGTON TRUST, NATIONAL ASSOCIATION

(Effective as of April 17, 2018)

**ARTICLE I**  
**Meetings of Shareholders**

**Section 1. Annual Meeting.** The annual meeting of the shareholders to elect directors and transact whatever other business may properly come before the meeting shall be held at the main office of the association, Rodney Square North, 1100 Market Street, City of Wilmington, State of Delaware, at 1:00 o'clock p.m. on the first Tuesday in March of each year, or at such other place and time as the board of directors may designate, or if that date falls on a legal holiday in Delaware, on the next following banking day. Notice of the meeting shall be mailed by first class mail, postage prepaid, at least 10 days and no more than 60 days prior to the date thereof, addressed to each shareholder at his/her address appearing on the books of the association. If, for any cause, an election of directors is not made on that date, or in the event of a legal holiday, on the next following banking day, an election may be held on any subsequent day within 60 days of the date fixed, to be designated by the board of directors, or, if the directors fail to fix the date, by shareholders representing two-thirds of the shares. In these circumstances, at least 10 days' notice must be given by first class mail to shareholders.

**Section 2. Special Meetings.** Except as otherwise specifically provided by statute, special meetings of the shareholders may be called for any purpose at any time by the board of directors or by any one or more shareholders owning, in the aggregate, not less than fifty percent of the stock of the association. Every such special meeting, unless otherwise provided by law, shall be called by mailing, postage prepaid, not less than 10 days nor more than 60 days prior to the date fixed for the meeting, to each shareholder at the address appearing on the books of the association a notice stating the purpose of the meeting.

The board of directors may fix a record date for determining shareholders entitled to notice and to vote at any meeting, in reasonable proximity to the date of giving notice to the shareholders of such meeting. The record date for determining shareholders entitled to demand a special meeting is the date the first shareholder signs a demand for the meeting describing the purpose or purposes for which it is to be held.

A special meeting may be called by shareholders or the board of directors to amend the articles of association or bylaws, whether or not such bylaws may be amended by the board of directors in the absence of shareholder approval.

If an annual or special shareholders' meeting is adjourned to a different date, time, or place, notice need not be given of the new date, time or place, if the new date, time or place is announced at the meeting before adjournment, unless any additional items of business are to be considered, or the association becomes aware of an intervening event materially affecting any matter to be voted on more than 10 days prior to the date to which the meeting is adjourned. If a new record date for the adjourned meeting is fixed, however, notice of the adjourned meeting must be given to persons who are shareholders as of the new record date. If, however, the meeting to elect the directors is adjourned before the election takes place, at least ten days' notice of the new election must be given to the shareholders by first-class mail.

---

**Section 3. Nominations of Directors.** Nominations for election to the board of directors may be made by the board of directors or by any stockholder of any outstanding class of capital stock of the association entitled to vote for the election of directors. Nominations, other than those made by or on behalf of the existing management of the association, shall be made in writing and shall be delivered or mailed to the president of the association and the Comptroller of the Currency, Washington, D.C., not less than 14 days nor more than 50 days prior to any meeting of shareholders called for the election of directors; *provided, however*, that if less than 21 days' notice of the meeting is given to shareholders, such nomination shall be mailed or delivered to the president of the association not later than the close of business on the seventh day following the day on which the notice of meeting was mailed. Such notification shall contain the following information to the extent known to the notifying shareholder:

- (1) The name and address of each proposed nominee;
- (2) The principal occupation of each proposed nominee;
- (3) The total number of shares of capital stock of the association that will be voted for each proposed nominee;
- (4) The name and residence of the notifying shareholder; and
- (5) The number of shares of capital stock of the association owned by the notifying shareholder.

Nominations not made in accordance herewith may, in his/her discretion, be disregarded by the chairperson of the meeting, and upon his/her instructions, the vote tellers may disregard all votes cast for each such nominee.

**Section 4. Proxies.** Shareholders may vote at any meeting of the shareholders by proxies duly authorized in writing, but no officer or employee of this association shall act as proxy. Proxies shall be valid only for one meeting, to be specified therein, and any adjournments of such meeting. Proxies shall be dated and filed with the records of the meeting. Proxies with facsimile signatures may be used and unexecuted proxies may be counted upon receipt of a written confirmation from the shareholder. Proxies meeting the above requirements submitted at any time during a meeting shall be accepted.

**Section 5. Quorum.** A majority of the outstanding capital stock, represented in person or by proxy, shall constitute a quorum at any meeting of shareholders, unless otherwise provided by law, or by the shareholders or directors pursuant to Article IX, Section 2, but less than a quorum may adjourn any meeting, from time to time, and the meeting may be held, as adjourned, without further notice. A majority of the votes cast shall decide every question or matter submitted to the shareholders at any meeting, unless otherwise provided by law or by the articles of association, or by the shareholders or directors pursuant to Article IX, Section 2. If a meeting for the election of directors is not held on the fixed date, at least 10 days' notice must be given by first-class mail to the shareholders.

---

**ARTICLE II**  
**Directors**

**Section 1. Board of Directors.** The board of directors shall have the power to manage and administer the business and affairs of the association. Except as expressly limited by law, all corporate powers of the association shall be vested in and may be exercised by the board of directors.

**Section 2. Number.** The board of directors shall consist of not less than five nor more than twenty-five members, unless the OCC has exempted the bank from the 25-member limit. The exact number within such minimum and maximum limits is to be fixed and determined from time to time by resolution of a majority of the full board of directors or by resolution of a majority of the shareholders at any meeting thereof.

**Section 3. Organization Meeting.** The secretary or treasurer, upon receiving the certificate of the judges of the result of any election, shall notify the directors-elect of their election and of the time at which they are required to meet at the main office of the association, or at such other place in the cities of Wilmington, Delaware or Buffalo, New York, to organize the new board of directors and elect and appoint officers of the association for the succeeding year. Such meeting shall be held on the day of the election or as soon thereafter as practicable, and, in any event, within 30 days thereof. If, at the time fixed for such meeting, there shall not be a quorum, the directors present may adjourn the meeting, from time to time, until a quorum is obtained.

**Section 4. Regular Meetings.** The Board of Directors may, at any time and from time to time, by resolution designate the place, date and hour for the holding of a regular meeting, but in the absence of any such designation, regular meetings of the board of directors shall be held, without notice, on the first Tuesday of each March, June and September, and on the second Tuesday of each December at the main office or other such place as the board of directors may designate. When any regular meeting of the board of directors falls upon a holiday, the meeting shall be held on the next banking business day unless the board of directors shall designate another day.

**Section 5. Special Meetings.** Special meetings of the board of directors may be called by the Chairman of the Board of the association, or at the request of two or more directors. Each member of the board of directors shall be given notice by telegram, first class mail, or in person stating the time and place of each special meeting.

**Section 6. Quorum.** A majority of the entire board then in office shall constitute a quorum at any meeting, except when otherwise provided by law or these bylaws, but a lesser number may adjourn any meeting, from time to time, and the meeting may be held, as adjourned, without further notice. If the number of directors present at the meeting is reduced below the number that would constitute a quorum, no business may be transacted, except selecting directors to fill vacancies in conformance with Article II, Section 7. If a quorum is present, the board of directors may take action through the vote of a majority of the directors who are in attendance.

**Section 7. Meetings by Conference Telephone.** Any one or more members of the board of directors or any committee thereof may participate in a meeting of such board or committees by means of a conference telephone or similar communications equipment allowing all persons participating in the meeting to hear each other at the same time. Participation in a meeting by such means shall constitute presence in person at such meeting.

---

**Section 8. Procedures.** The order of business and all other matters of procedure at every meeting of the board of directors may be determined by the person presiding at the meeting.

**Section 9. Removal of Directors.** Any director may be removed for cause, at any meeting of stockholders notice of which shall have referred to the proposed action, by vote of the stockholders. Any director may be removed without cause, at any meeting of stockholders notice of which shall have referred to the proposed action, by the vote of the holders of a majority of the shares of the Corporation entitled to vote. Any director may be removed for cause, at any meeting of the directors notice of which shall have referred to the proposed action, by vote of a majority of the entire Board of Directors.

**Section 10. Vacancies.** When any vacancy occurs among the directors, a majority of the remaining members of the board of directors, according to the laws of the United States, may appoint a director to fill such vacancy at any regular meeting of the board of directors, or at a special meeting called for that purpose at which a quorum is present, or if the directors remaining in office constitute fewer than a quorum of the board of directors, by the affirmative vote of a majority of all the directors remaining in office, or by shareholders at a special meeting called for that purpose in conformance with Section 2 of Article I. At any such shareholder meeting, each shareholder entitled to vote shall have the right to multiply the number of votes he or she is entitled to cast by the number of vacancies being filled and cast the product for a single candidate or distribute the product among two or more candidates. A vacancy that will occur at a specific later date (by reason of a resignation effective at a later date) may be filled before the vacancy occurs but the new director may not take office until the vacancy occurs.

### **ARTICLE III** **Committees of the Board**

The board of directors has power over and is solely responsible for the management, supervision, and administration of the association. The board of directors may delegate its power, but none of its responsibilities, to such persons or committees as the board may determine.

The board of directors must formally ratify written policies authorized by committees of the board of directors before such policies become effective. Each committee must have one or more member(s), and who may be an officer of the association or an officer or director of any affiliate of the association, who serve at the pleasure of the board of directors. Provisions of the articles of association and these bylaws governing place of meetings, notice of meeting, quorum and voting requirements of the board of directors, apply to committees and their members as well. The creation of a committee and appointment of members to it must be approved by the board of directors.

**Section 1. Loan Committee.** There shall be a loan committee composed of not less than 2 directors, appointed by the board of directors annually or more often. The loan committee, on behalf of the bank, shall have power to discount and purchase bills, notes and other evidences of debt, to buy and sell bills of exchange, to examine and approve loans and discounts, to exercise authority regarding loans and discounts, and to exercise, when the board of directors is not in session, all other powers of the board of directors that may lawfully be delegated. The loan committee shall keep minutes of its meetings, and such minutes shall be submitted at the next regular meeting of the board of directors at which a quorum is present, and any action taken by the board of directors with respect thereto shall be entered in the minutes of the board of directors.

---

**Section 2. Investment Committee.** There shall be an investment committee composed of not less than 2 directors, appointed by the board of directors annually or more often. The investment committee, on behalf of the bank, shall have the power to ensure adherence to the investment policy, to recommend amendments thereto, to purchase and sell securities, to exercise authority regarding investments and to exercise, when the board of directors is not in session, all other powers of the board of directors regarding investment securities that may be lawfully delegated. The investment committee shall keep minutes of its meetings, and such minutes shall be submitted at the next regular meeting of the board of directors at which a quorum is present, and any action taken by the board of directors with respect thereto shall be entered in the minutes of the board of directors.

**Section 3. Examining Committee.** There shall be an examining committee composed of not less than 2 directors, exclusive of any active officers, appointed by the board of directors annually or more often. The duty of that committee shall be to examine at least once during each calendar year and within 15 months of the last examination the affairs of the association or cause suitable examinations to be made by auditors responsible only to the board of directors and to report the result of such examination in writing to the board of directors at the next regular meeting thereafter. Such report shall state whether the association is in a sound condition, and whether adequate internal controls and procedures are being maintained and shall recommend to the board of directors such changes in the manner of conducting the affairs of the association as shall be deemed advisable.

Notwithstanding the provisions of the first paragraph of this section 3, the responsibility and authority of the Examining Committee may, if authorized by law, be given over to a duly constituted audit committee of the association's parent corporation by a resolution duly adopted by the board of directors.

**Section 4. Trust Audit Committee.** There shall be a trust audit committee in conformance with Section 1 of Article V.

**Section 5. Other Committees.** The board of directors may appoint, from time to time, from its own members, compensation, special litigation and other committees of one or more persons, for such purposes and with such powers as the board of directors may determine.

However, a committee may not:

- (2) Approve action required to be approved by shareholders;
- (3) Fill vacancies on the board of directors or any of its committees;
- (5) Amend articles of association;
- (6) Adopt, amend or repeal bylaws; or
- (6) Authorize or approve issuance or sale or contract for sale of shares, or determine the designation and relative rights, preferences and limitations of a class or series of shares.

**Section 6. Committee Members' Fees.** Committee members may receive a fee for their services as committee members and traveling and other out-of-pocket expenses incurred in attending any meeting of a committee of which they are a member. The fee may be a fixed sum to be paid for attending each meeting or a fixed sum to be paid quarterly, or semiannually, irrespective of the number of meetings attended or not attended. The amount of the fee and the basis on which it shall be paid shall be determined by the board of directors.

At the Annual Reorganization Meeting, the board of directors shall also elect or reelect all of the officers of the association to hold office until the next Annual Reorganization Meeting. Such person shall preside at all meetings of the board of directors. The chairperson of the board shall supervise the carrying out of the policies adopted or approved by the board of directors; shall have general executive powers, as well as the specific powers conferred by these bylaws; and shall also have and may exercise such further powers and duties as from time to time may be conferred upon or assigned by the board of directors.

The president shall also have and may exercise such further powers and duties as from time to time may be conferred or assigned by the board of directors.

**Section 4. Vice President.** The board of directors may appoint one or more vice presidents. Each vice president shall have such powers and duties as may be assigned by the board of directors. Such officers shall respectively exercise such powers and perform such duties as pertain to their several offices, or as may be conferred upon or assigned to them by the board of directors, the chairperson of the board, or the president. The board of directors may authorize an officer to appoint one or more officers or assistant officers.

**Section 7. Tenure of Office.** The president and all other officers shall hold office for the current year for which the board of directors was elected, unless they shall resign, become disqualified, or be removed; and any vacancy occurring in the office of president shall be filled promptly by the board of directors.

**Section 8. Resignation.** An officer may resign at any time by delivering notice to the association. A resignation is effective when the notice is given unless the notice specifies a later effective date.

## **ARTICLE V**

### **Fiduciary Activities**

**Section 1. Trust Audit Committee.** There shall be a Trust Audit Committee composed of not less than 2 directors, appointed by the board of directors, which shall, at least once during each calendar year make suitable audits of the association's fiduciary activities or cause suitable audits to be made by auditors responsible only to the board, and at such time shall ascertain whether fiduciary powers have been administered according to law, Part 9 of the Regulations of the Comptroller of the Currency, and sound fiduciary principles. Such committee: (1) must not include any officers of the bank or an affiliate who participate significantly in the administration of the bank's fiduciary activities; and (2) must consist of a majority of members who are not also members of any committee to which the board of directors has delegated power to manage and control the fiduciary activities of the bank.

Notwithstanding the provisions of the first paragraph of this section 1, the responsibility and authority of the Trust Audit Committee may, if authorized by law, be given over to a duly constituted audit committee of the association's parent corporation by a resolution duly adopted by the board of directors.

**Section 2. Fiduciary Files.** There shall be maintained by the association all fiduciary records necessary to assure that its fiduciary responsibilities have been properly undertaken and discharged.

**Section 3. Trust Investments.** Funds held in a fiduciary capacity shall be invested according to the instrument establishing the fiduciary relationship and applicable law. Where such instrument does not specify the character and class of investments to be made, but does vest in the association investment discretion, funds held pursuant to such instrument shall be invested in investments in which corporate fiduciaries may invest under applicable law.

**ARTICLE VI**  
**Stock and Stock Certificates**

**Section 1. Transfers.** Shares of stock shall be transferable on the books of the association, and a transfer book shall be kept in which all transfers of stock shall be recorded. Every person becoming a shareholder by such transfer shall in proportion to such shareholder's shares, succeed to all rights of the prior holder of such shares. The board of directors may impose conditions upon the transfer of the stock reasonably calculated to simplify the work of the association with respect to stock transfers, voting at shareholder meetings and related matters and to protect it against fraudulent transfers.

**Section 2. Stock Certificates.** Certificates of stock shall bear the signature of the president (which may be engraved, printed or impressed) and shall be signed manually or by facsimile process by the secretary, assistant secretary, treasurer, assistant treasurer, or any other officer appointed by the board of directors for that purpose, to be known as an authorized officer, and the seal of the association shall be engraved thereon. Each certificate shall recite on its face that the stock represented thereby is transferable only upon the books of the association properly endorsed.

The board of directors may adopt or use procedures for replacing lost, stolen, or destroyed stock certificates as permitted by law.

The association may establish a procedure through which the beneficial owner of shares that are registered in the name of a nominee may be recognized by the association as the shareholder. The procedure may set forth:

- (1) The types of nominees to which it applies;
- (2) The rights or privileges that the association recognizes in a beneficial owner;
- (3) How the nominee may request the association to recognize the beneficial owner as the shareholder;
- (4) The information that must be provided when the procedure is selected;
- (5) The period over which the association will continue to recognize the beneficial owner as the shareholder;
- (6) Other aspects of the rights and duties created.

**ARTICLE VII**  
**Corporate Seal**

**Section 1. Seal.** The seal of the association shall be in such form as may be determined from time to time by the board of directors. The president, the treasurer, the secretary or any assistant treasurer or assistant secretary, or other officer thereunto designated by the board of directors shall have authority to affix the corporate seal to any document requiring such seal and to attest the same. The seal on any corporate obligation for the payment of money may be facsimile.

---

**ARTICLE VIII**  
**Miscellaneous Provisions**

**Section 1. Fiscal Year.** The fiscal year of the association shall be the calendar year.

**Section 2. Execution of Instruments.** All agreements, indentures, mortgages, deeds, conveyances, transfers, certificates, declarations, receipts, discharges, releases, satisfactions, settlements, petitions, schedules, accounts, affidavits, bonds, undertakings, proxies and other instruments or documents may be signed, executed, acknowledged, verified, delivered or accepted on behalf of the association by the chairperson of the board, or the president, or any vice president, or the secretary, or the treasurer, or, if in connection with the exercise of fiduciary powers of the association, by any of those offices or by any trust officer. Any such instruments may also be executed, acknowledged, verified, delivered or accepted on behalf of the association in such other manner and by such other officers as the board of directors may from time to time direct. The provisions of this section 2 are supplementary to any other provision of these bylaws.

**Section 3. Records.** The articles of association, the bylaws and the proceedings of all meetings of the shareholders, the board of directors, and standing committees of the board of directors shall be recorded in appropriate minute books provided for that purpose. The minutes of each meeting shall be signed by the secretary, treasurer or other officer appointed to act as secretary of the meeting.

**Section 4. Corporate Governance Procedures.** To the extent not inconsistent with federal banking statutes and regulations, or safe and sound banking practices, the association may follow the Delaware General Corporation Law, Del. Code Ann. tit. 8 (1991, as amended 1994, and as amended thereafter) with respect to matters of corporate governance procedures.

**Section 5. Indemnification.** For purposes of this Section 5 of Article VIII, the term "institution-affiliated party" shall mean any institution-affiliated party of the association as such term is defined in 12 U.S.C. 1813(u).

Any institution-affiliated party (or his or her heirs, executors or administrators) may be indemnified or reimbursed by the association for reasonable expenses actually incurred in connection with any threatened, pending or completed actions or proceedings and appeals therein, whether civil, criminal, governmental, administrative or investigative, in accordance with and to the fullest extent permitted by law, as such law now or hereafter exists; provided, however, that when an administrative proceeding or action instituted by a federal banking agency results in a final order or settlement pursuant to which such person: (i) is assessed a civil money penalty, (ii) is removed from office or prohibited from participating in the conduct of the affairs of the association, or (iii) is required to cease and desist from or to take any affirmative action described in 12 U.S.C. 1818(b) with respect to the association, then the association shall require the repayment of all legal fees and expenses advanced pursuant to the next succeeding paragraph and may not indemnify such institution-affiliated parties (or their heirs, executors or administrators) for expenses, including expenses for legal fees, penalties or other payments incurred. The association shall provide indemnification in connection with an action or proceeding (or part thereof) initiated by an institution-affiliated party (or by his or her heirs, executors or administrators) only if such action or proceeding (or part thereof) was authorized by the board of directors.

Expenses incurred by an institution-affiliated party (or by his or her heirs, executors or administrators) in connection with any action or proceeding under 12 U.S.C. 164 or 1818 may be paid by the association in advance of the final disposition of such action or proceeding upon (a) a determination by the board of directors acting by a quorum consisting of directors who are not parties to such action or proceeding that the institution-affiliated party (or his or her heirs, executors or administrators) has a

---

reasonable basis for prevailing on the merits, (b) a determination that the indemnified individual (or his or her heirs, executors or administrators) will have the financial capacity to reimburse the bank in the event he or she does not prevail, (c) a determination that the payment of expenses and fees by the association will not adversely affect the safety and soundness of the association, and (d) receipt of an undertaking by or on behalf of such institution-affiliated party (or by his or her heirs, executors or administrators) to repay such advancement in the event of a final order or settlement pursuant to which such person: (i) is assessed a civil money penalty, (ii) is removed from office or prohibited from participating in the conduct of the affairs of the association, or (iii) is required to cease and desist from or to take any affirmative action described in 12 U.S.C. 1818(b) with respect to the association. In all other instances, expenses incurred by an institution-affiliated party (or by his or her heirs, executors or administrators) in connection with any action or proceeding as to which indemnification may be given under these articles of association may be paid by the association in advance of the final disposition of such action or proceeding upon (a) receipt of an undertaking by or on behalf of such institution-affiliated party (or by or on behalf of his or her heirs, executors or administrators) to repay such advancement in the event that such institution-affiliated party (or his or her heirs, executors or administrators) is ultimately found not to be entitled to indemnification as authorized by these bylaws and (b) approval by the board of directors acting by a quorum consisting of directors who are not parties to such action or proceeding or, if such a quorum is not obtainable, then approval by stockholders. To the extent permitted by law, the board of directors or, if applicable, the stockholders, shall not be required to find that the institution-affiliated party has met the applicable standard of conduct provided by law for indemnification in connection with such action or proceeding.

In the event that a majority of the members of the board of directors are named as respondents in an administrative proceeding or civil action and request indemnification, the remaining members of the board may authorize independent legal counsel to review the indemnification request and provide the remaining members of the board with a written opinion of counsel as to whether the conditions delineated in the first four paragraphs of this Section 5 of Article VIII have been met. If independent legal counsel opines that said conditions have been met, the remaining members of the board of directors may rely on such opinion in authorizing the requested indemnification.

In the event that all of the members of the board of directors are named as respondents in an administrative proceeding or civil action and request indemnification, the board shall authorize independent legal counsel to review the indemnification request and provide the board with a written opinion of counsel as to whether the conditions delineated in the first four paragraphs of this Section 5 of Article VIII have been met. If legal counsel opines that said conditions have been met, the board of directors may rely on such opinion in authorizing the requested indemnification.

To the extent permitted under applicable law, the rights of indemnification and to the advancement of expenses provided in these articles of association (a) shall be available with respect to events occurring prior to the adoption of these bylaws, (b) shall continue to exist after any restrictive amendment of these bylaws with respect to events occurring prior to such amendment, (c) may be interpreted on the basis of applicable law in effect at the time of the occurrence of the event or events giving rise to the action or proceeding, or on the basis of applicable law in effect at the time such rights are claimed, and (d) are in the nature of contract rights which may be enforced in any court of competent jurisdiction as if the association and the institution-affiliated party (or his or her heirs, executors or administrators) for whom such rights are sought were parties to a separate written agreement.

The rights of indemnification and to the advancement of expenses provided in these bylaws shall not, to the extent permitted under applicable law, be deemed exclusive of any other rights to which any such institution-affiliated party (or his or her heirs, executors or administrators) may now or hereafter be otherwise entitled whether contained in the association's articles of association, these bylaws, a resolution of stockholders, a resolution of the board of directors, or an agreement providing such indemnification, the creation of such other rights being hereby expressly authorized. Without limiting the generality of the

---

foregoing, the rights of indemnification and to the advancement of expenses provided in these bylaws shall not be deemed exclusive of any rights, pursuant to statute or otherwise, of any such institution-affiliated party (or of his or her heirs, executors or administrators) in any such action or proceeding to have assessed or allowed in his or her favor, against the association or otherwise, his or her costs and expenses incurred therein or in connection therewith or any part thereof.

If this Section 5 of Article VIII or any part hereof shall be held unenforceable in any respect by a court of competent jurisdiction, it shall be deemed modified to the minimum extent necessary to make it enforceable, and the remainder of this Section 5 of Article VIII shall remain fully enforceable.

The association may, upon affirmative vote of a majority of its board of directors, purchase insurance to indemnify its institution-affiliated parties to the extent that such indemnification is allowed in these bylaws; provided, however, that no such insurance shall include coverage for a final order assessing civil money penalties against such persons by a bank regulatory agency. Such insurance may, but need not, be for the benefit of all institution- affiliated parties.

**ARTICLE IX**  
**Inspection and Amendments**

**Section 1. Inspection.** A copy of the bylaws of the association, with all amendments, shall at all times be kept in a convenient place at the main office of the association, and shall be open for inspection to all shareholders during banking hours.

**Section 2. Amendments.** The bylaws of the association may be amended, altered or repealed, at any regular meeting of the board of directors, by a vote of a majority of the total number of the directors except as provided below, and provided that the following language accompany any such change.

I, \_\_\_\_\_, certify that: (1) I am the duly constituted (secretary or treasurer) of \_\_\_\_\_ and secretary of its board of directors, and as such officer am the official custodian of its records; (2) the foregoing bylaws are the bylaws of the association, and all of them are now lawfully in force and effect.

I have hereunto affixed my official signature on this \_\_\_\_\_ day of \_\_\_\_\_.

\_\_\_\_\_

(Secretary or Treasurer)

The association's shareholders may amend or repeal the bylaws even though the bylaws also may be amended or repealed by the board of directors.

**EXHIBIT 1**

**CHARTER OF WILMINGTON TRUST, NATIONAL ASSOCIATION**

---

**ARTICLES OF ASSOCIATION  
OF  
WILMINGTON TRUST, NATIONAL ASSOCIATION**

For the purpose of organizing an association to perform any lawful activities of national banks, the undersigned do enter into the following articles of association:

FIRST. The title of this association shall be Wilmington Trust, National Association.

SECOND. The main office of the association shall be in the City of Wilmington, County of New Castle, State of Delaware. The general business of the association shall be conducted at its main office and its branches.

THIRD. The board of directors of this association shall consist of not less than five nor more than twenty-five persons, unless the OCC has exempted the bank from the 25-member limit. The exact number is to be fixed and determined from time to time by resolution of a majority of the full board of directors or by resolution of a majority of the shareholders at any annual or special meeting thereof. Each director shall own common or preferred stock of the association or of a holding company owning the association, with an aggregate par, fair market or equity value \$1,000. Determination of these values may be based as of either (i) the date of purchase or (ii) the date the person became a director, whichever value is greater. Any combination of common or preferred stock of the association or holding company may be used.

Any vacancy in the board of directors may be filled by action of a majority of the remaining directors between meetings of shareholders. The board of directors may not increase the number of directors between meetings of shareholders to a number which:

- 1) exceeds by more than two the number of directors last elected by shareholders where the number was 15 or less; or
- 2) exceeds by more than four the number of directors last elected by shareholders where the number was 16 or more, but in no event shall the number of directors exceed 25, unless the OCC has exempted the bank from the 25-member limit.

Directors shall be elected for terms of one year and until their successors are elected and qualified. Terms of directors, including directors selected to fill vacancies, shall expire at the next regular meeting of shareholders at which directors are elected, unless the directors resign or are removed from office. Despite the expiration of a director's term, the director shall continue to serve until his or her successor is elected and qualifies or until there is a decrease in the number of directors and his or her position is eliminated.

Honorary or advisory members of the board of directors, without voting power or power of final decision in matters concerning the business of the association, may be appointed by resolution of a majority of the full board of directors, or by resolution of shareholders at any annual or special meeting. Honorary or advisory directors shall not be counted to determine the number of directors of the association or the presence of a quorum in connection with any board action, and shall not be required to own qualifying shares.

---

FOURTH. There shall be an annual meeting of the shareholders to elect directors and transact whatever other business may be brought before the meeting. It shall be held at the main office or any other convenient place the board of directors may designate, on the day of each year specified therefor in the bylaws, or, if that day falls on a legal holiday in the state in which the association is located, on the next following banking day. If no election is held on the day fixed, or in the event of a legal holiday on the following banking day, an election may be held on any subsequent day within 60 days of the day fixed, to be designated by the board of directors, or, if the directors fail to fix the day, by shareholders representing two-thirds of the shares issued and outstanding. In all cases at least 10 days advance notice of the time, place and purpose of a shareholders' meeting shall be given to the shareholders by first class mail, unless the OCC determines that an emergency circumstance exists. The sole shareholder of the bank is permitted to waive notice of the shareholders' meeting.

In all elections of directors, the number of votes each common shareholder may cast will be determined by multiplying the number of shares such shareholder owns by the number of directors to be elected. Those votes may be cumulated and cast for a single candidate or may be distributed among two or more candidates in the manner selected by the shareholder. If, after the first ballot, subsequent ballots are necessary to elect directors, a shareholder may not vote shares that he or she has already fully cumulated and voted in favor of a successful candidate. On all other questions, each common shareholder shall be entitled to one vote for each share of stock held by him or her.

Nominations for election to the board of directors may be made by the board of directors or by any stockholder of any outstanding class of capital stock of the association entitled to vote for election of directors. Nominations other than those made by or on behalf of the existing management shall be made in writing and be delivered or mailed to the president of the association not less than 14 days nor more than 50 days prior to any meeting of shareholders called for the election of directors; provided, however, that if less than 21 days notice of the meeting is given to shareholders, such nominations shall be mailed or delivered to the president of the association not later than the close of business on the seventh day following the day on which the notice of meeting was mailed. Such notification shall contain the following information to the extent known to the notifying shareholder:

- 1) The name and address of each proposed nominee.
- 2) The principal occupation of each proposed nominee.
- 3) The total number of shares of capital stock of the association that will be voted for each proposed nominee.
- 4) The name and residence address of the notifying shareholder.
- 5) The number of shares of capital stock of the association owned by the notifying shareholder.

Nominations not made in accordance herewith may, in his/her discretion, be disregarded by the chairperson of the meeting, and the vote tellers may disregard all votes cast for each such nominee. No bylaw may unreasonably restrict the nomination of directors by shareholders.

A director may resign at any time by delivering written notice to the board of directors, its chairperson, or to the association, which resignation shall be effective when the notice is delivered unless the notice specifies a later effective date.

A director may be removed by shareholders at a meeting called to remove the director, when notice of the meeting stating that the purpose or one of the purposes is to remove the director is provided, if there is a failure to fulfill one of the affirmative requirements for qualification, or for cause; provided, however, that a director may not be removed if the number of votes sufficient to elect the director under cumulative voting is voted against the director's removal.

---

FIFTH. The authorized amount of capital stock of this association shall be ten thousand shares of common stock of the par value of one hundred dollars (\$100) each; but said capital stock may be increased or decreased from time to time, according to the provisions of the laws of the United States.

No holder of shares of the capital stock of any class of the association shall have any preemptive or preferential right of subscription to any shares of any class of stock of the association, whether now or hereafter authorized, or to any obligations convertible into stock of the association, issued, or sold, nor any right of subscription to any thereof other than such, if any, as the board of directors, in its discretion, may from time to time determine and at such price as the board of directors may from time to time fix. Preemptive rights also must be approved by a vote of holders of two-thirds of the bank's outstanding voting shares. Unless otherwise specified in these articles of association or required by law, (1) all matters requiring shareholder action, including amendments to the articles of association, must be approved by shareholders owning a majority voting interest in the outstanding voting stock, and (2) each shareholder shall be entitled to one vote per share.

Unless otherwise specified in these articles of association or required by law, all shares of voting stock shall be voted together as a class, on any matters requiring shareholder approval. If a proposed amendment would affect two or more classes or series in the same or a substantially similar way, all the classes or series so affected must vote together as a single voting group on the proposed amendment.

Shares of one class or series may be issued as a dividend for shares of the same class or series on a pro rata basis and without consideration. Shares of one class or series may be issued as share dividends for a different class or series of stock if approved by a majority of the votes entitled to be cast by the class or series to be issued, unless there are no outstanding shares of the class or series to be issued. Unless otherwise provided by the board of directors, the record date for determining shareholders entitled to a share dividend shall be the date authorized by the board of directors for the share dividend.

Unless otherwise provided in the bylaws, the record date for determining shareholders entitled to notice of and to vote at any meeting is the close of business on the day before the first notice is mailed or otherwise sent to the shareholders, provided that in no event may a record date be more than 70 days before the meeting.

If a shareholder is entitled to fractional shares pursuant to a stock dividend, consolidation or merger, reverse stock split or otherwise, the association may: (a) issue fractional shares; (b) in lieu of the issuance of fractional shares, issue script or warrants entitling the holder to receive a full share upon surrendering enough script or warrants to equal a full share; (c) if there is an established and active market in the association's stock, make reasonable arrangements to provide the shareholder with an opportunity to realize a fair price through sale of the fraction, or purchase of the additional fraction required for a full share; (d) remit the cash equivalent of the fraction to the shareholder; or (e) sell full shares representing all the fractions at public auction or to the highest bidder after having solicited and received sealed bids from at least three licensed stock brokers; and distribute the proceeds pro rata to shareholders who otherwise would be entitled to the fractional shares. The holder of a fractional share is entitled to exercise the rights for shareholder, including the right to vote, to receive dividends, and to participate in the assets of the association upon liquidation, in proportion to the fractional interest. The holder of script or warrants is not entitled to any of these rights unless the script or warrants explicitly provide for such rights. The script or warrants may be subject to such additional conditions as: (1) that the script or warrants will become void if not exchanged for full shares before a specified date; and (2) that the shares for which the script or warrants are exchangeable may be sold at the option of the association and the proceeds paid to scripsholders.

---

The association, at any time and from time to time, may authorize and issue debt obligations, whether or not subordinated, without the approval of the shareholders. Obligations classified as debt, whether or not subordinated, which may be issued by the association without the approval of shareholders, do not carry voting rights on any issue, including an increase or decrease in the aggregate number of the securities, or the exchange or reclassification of all or part of securities into securities of another class or series.

SIXTH. The board of directors shall appoint one of its members president of this association, and one of its members chairperson of the board and shall have the power to appoint one or more vice presidents, a secretary who shall keep minutes of the directors' and shareholders' meetings and be responsible for authenticating the records of the association, and such other officers and employees as may be required to transact the business of this association.

A duly appointed officer may appoint one or more officers or assistant officers if authorized by the board of directors in accordance with the bylaws.

The board of directors shall have the power to:

- 1) Define the duties of the officers, employees, and agents of the association.
- 2) Delegate the performance of its duties, but not the responsibility for its duties, to the officers, employees, and agents of the association.
- 3) Fix the compensation and enter into employment contracts with its officers and employees upon reasonable terms and conditions consistent with applicable law.
- 4) Dismiss officers and employees.
- 5) Require bonds from officers and employees and to fix the penalty thereof.
- 6) Ratify written policies authorized by the association's management or committees of the board.
- 7) Regulate the manner in which any increase or decrease of the capital of the association shall be made, provided that nothing herein shall restrict the power of shareholders to increase or decrease the capital of the association in accordance with law, and nothing shall raise or lower from two-thirds the percentage required for shareholder approval to increase or reduce the capital.
- 8) Manage and administer the business and affairs of the association.
- 9) Adopt initial bylaws, not inconsistent with law or the articles of association, for managing the business and regulating the affairs of the association.
- 10) Amend or repeal bylaws, except to the extent that the articles of association reserve this power in whole or in part to shareholders.
- 11) Make contracts.
- 12) Generally perform all acts that are legal for a board of directors to perform.

SEVENTH. The board of directors shall have the power to change the location of the main office to any other place within the limits of Wilmington, Delaware, without the approval of the shareholders, or with a vote of shareholders owning two-thirds of the stock of such association for a relocation outside such limits and upon receipt of a certificate of approval from the Comptroller of the Currency, to any other location within or outside the limits of Wilmington Delaware, but not more than 30 miles beyond such limits. The board of directors shall have the power to establish or change the location of any branch or branches of the association to any other location permitted under applicable law, without approval of shareholders, subject to approval by the Comptroller of the Currency.

---

EIGHTH. The corporate existence of this association shall continue until termination according to the laws of the United States.

NINTH. The board of directors of this association, or any one or more shareholders owning, in the aggregate, not less than 50 percent of the stock of this association, may call a special meeting of shareholders at any time. Unless otherwise provided by the bylaws or the laws of the United States, a notice of the time, place, and purpose of every annual and special meeting of the shareholders shall be given at least 10 days prior to the meeting by first-class mail, unless the OCC determines that an emergency circumstance exists. If the association is a wholly-owned subsidiary, the sole shareholder may waive notice of the shareholders' meeting. Unless otherwise provided by the bylaws or these articles, any action requiring approval of shareholders must be effected at a duly called annual or special meeting.

TENTH. For purposes of this Article Tenth, the term "institution-affiliated party" shall mean any institution-affiliated party of the association as such term is defined in 12 U.S.C. 1813(u).

Any institution-affiliated party (or his or her heirs, executors or administrators) may be indemnified or reimbursed by the association for reasonable expenses actually incurred in connection with any threatened, pending or completed actions or proceedings and appeals therein, whether civil, criminal, governmental, administrative or investigative, in accordance with and to the fullest extent permitted by law, as such law now or hereafter exists; provided, however, that when an administrative proceeding or action instituted by a federal banking agency results in a final order or settlement pursuant to which such person: (i) is assessed a civil money penalty, (ii) is removed from office or prohibited from participating in the conduct of the affairs of the association, or (iii) is required to cease and desist from or to take any affirmative action described in 12 U.S.C. 1818(b) with respect to the association, then the association shall require the repayment of all legal fees and expenses advanced pursuant to the next succeeding paragraph and may not indemnify such institution-affiliated parties (or their heirs, executors or administrators) for expenses, including expenses for legal fees, penalties or other payments incurred. The association shall provide indemnification in connection with an action or proceeding (or part thereof) initiated by an institution-affiliated party (or by his or her heirs, executors or administrators) only if such action or proceeding (or part thereof) was authorized by the board of directors.

Expenses incurred by an institution-affiliated party (or by his or her heirs, executors or administrators) in connection with any action or proceeding under 12 U.S.C. 164 or 1818 may be paid by the association in advance of the final disposition of such action or proceeding upon (a) a determination by the board of directors acting by a quorum consisting of directors who are not parties to such action or proceeding that the institution-affiliated party (or his or her heirs, executors or administrators) has a reasonable basis for prevailing on the merits, (b) a determination that the indemnified individual (or his or her heirs, executors or administrators) will have the financial capacity to reimburse the bank in the event he or she does not prevail, (c) a determination that the payment of expenses and fees by the association will not adversely affect the safety and soundness of the association, and (d) receipt of an undertaking by or on behalf of such institution-affiliated party (or by his or her heirs, executors or administrators) to repay such advancement in the event of a final order or settlement pursuant to which such person: (i) is assessed a civil money penalty, (ii) is removed from office or prohibited from participating in the conduct of the affairs of the association, or (iii) is required to cease and desist from or to take any affirmative action described in 12 U.S.C. 1818(b) with respect to the association. In all other instances, expenses incurred by an institution-affiliated party (or by his or her heirs, executors or administrators) in connection with any action or proceeding as to which indemnification may be given under these articles of association may be paid by the association in advance of the final disposition of such action or proceeding upon (a) receipt of an undertaking by or on behalf of such institution-affiliated party (or by or

---

on behalf of his or her heirs, executors or administrators) to repay such advancement in the event that such institution-affiliated party (or his or her heirs, executors or administrators) is ultimately found not to be entitled to indemnification as authorized by these articles of association and (b) approval by the board of directors acting by a quorum consisting of directors who are not parties to such action or proceeding or, if such a quorum is not obtainable, then approval by stockholders. To the extent permitted by law, the board of directors or, if applicable, the stockholders, shall not be required to find that the institution-affiliated party has met the applicable standard of conduct provided by law for indemnification in connection with such action or proceeding.

In the event that a majority of the members of the board of directors are named as respondents in an administrative proceeding or civil action and request indemnification, the remaining members of the board may authorize independent legal counsel to review the indemnification request and provide the remaining members of the board with a written opinion of counsel as to whether the conditions delineated in the first four paragraphs of this Article Tenth have been met. If independent legal counsel opines that said conditions have been met, the remaining members of the board of directors may rely on such opinion in authorizing the requested indemnification.

In the event that all of the members of the board of directors are named as respondents in an administrative proceeding or civil action and request indemnification, the board shall authorize independent legal counsel to review the indemnification request and provide the board with a written opinion of counsel as to whether the conditions delineated in the first four paragraphs of this Article Tenth have been met. If legal counsel opines that said conditions have been met, the board of directors may rely on such opinion in authorizing the requested indemnification.

To the extent permitted under applicable law, the rights of indemnification and to the advancement of expenses provided in these articles of association (a) shall be available with respect to events occurring prior to the adoption of these articles of association, (b) shall continue to exist after any restrictive amendment of these articles of association with respect to events occurring prior to such amendment, (c) may be interpreted on the basis of applicable law in effect at the time of the occurrence of the event or events giving rise to the action or proceeding, or on the basis of applicable law in effect at the time such rights are claimed, and (d) are in the nature of contract rights which may be enforced in any court of competent jurisdiction as if the association and the institution-affiliated party (or his or her heirs, executors or administrators) for whom such rights are sought were parties to a separate written agreement.

The rights of indemnification and to the advancement of expenses provided in these articles of association shall not, to the extent permitted under applicable law, be deemed exclusive of any other rights to which any such institution affiliated party (or his or her heirs, executors or administrators) may now or hereafter be otherwise entitled whether contained in these articles of association, the bylaws, a resolution of stockholders, a resolution of the board of directors, or an agreement providing such indemnification, the creation of such other rights being hereby expressly authorized. Without limiting the generality of the foregoing, the rights of indemnification and to the advancement of expenses provided in these articles of association shall not be deemed exclusive of any rights, pursuant to statute or otherwise, of any such institution-affiliated party (or of his or her heirs, executors or administrators) in any such action or proceeding to have assessed or allowed in his or her favor, against the association or otherwise, his or her costs and expenses incurred therein or in connection therewith or any part thereof.

If this Article Tenth or any part hereof shall be held unenforceable in any respect by a court of competent jurisdiction, it shall be deemed modified to the minimum extent necessary to make it enforceable, and the remainder of this Article Tenth shall remain fully enforceable.

---

The association may, upon affirmative vote of a majority of its board of directors, purchase insurance to indemnify its institution-affiliated parties to the extent that such indemnification is allowed in these articles of association; provided, however, that no such insurance shall include coverage to pay or reimburse any institution-affiliated party for the cost of any judgment or civil money penalty assessed against such person in an administrative proceeding or civil action commenced by any federal banking agency. Such insurance may, but need not, be for the benefit of all institution-affiliated parties.

ELEVENTH. These articles of association may be amended at any regular or special meeting of the shareholders by the affirmative vote of the holders of a majority of the stock of this association, unless the vote of the holders of a greater amount of stock is required by law, and in that case by the vote of the holders of such greater amount. The association's board of directors may propose one or more amendments to the articles of association for submission to the shareholders.

**(Effective as of April 17, 2018)**

**ARTICLE I**

**Meetings of Shareholders**

**Section 1. Annual Meeting.** The annual meeting of the shareholders to elect directors and transact whatever other business may properly come before the meeting shall be held at the main office of the association, Rodney Square North, 1100 Market Street, City of Wilmington, State of Delaware, at 1:00 o'clock p.m. on the first Tuesday in March of each year, or at such other place and time as the board of directors may designate, or if that date falls on a legal holiday in Delaware, on the next following banking day. Notice of the meeting shall be mailed by first class mail, postage prepaid, at least 10 days and no more than 60 days prior to the date thereof, addressed to each shareholder at his/her address appearing on the books of the association. If, for any cause, an election of directors is not made on that date, or in the event of a legal holiday, on the next following banking day, an election may be held on any subsequent day within 60 days of the date fixed, to be designated by the board of directors, or, if the directors fail to fix the date, by shareholders representing two-thirds of the shares. In these circumstances, at least 10 days' notice must be given by first class mail to shareholders.

**Section 2. Special Meetings.** Except as otherwise specifically provided by statute, special meetings of the shareholders may be called for any purpose at any time by the board of directors or by any one or more shareholders owning, in the aggregate, not less than fifty percent of the stock of the association. Every such special meeting, unless otherwise provided by law, shall be called by mailing, postage prepaid, not less than 10 days nor more than 60 days prior to the date fixed for the meeting, to each shareholder at the address appearing on the books of the association a notice stating the purpose of the meeting.

The board of directors may fix a record date for determining shareholders entitled to notice and to vote at any meeting, in reasonable proximity to the date of giving notice to the shareholders of such meeting. The record date for determining shareholders entitled to demand a special meeting is the date the first shareholder signs a demand for the meeting describing the purpose or purposes for which it is to be held.

A special meeting may be called by shareholders or the board of directors to amend the articles of association or bylaws, whether or not such bylaws may be amended by the board of directors in the absence of shareholder approval.

If an annual or special shareholders' meeting is adjourned to a different date, time, or place, notice need not be given of the new date, time or place, if the new date, time or place is announced at the meeting before adjournment, unless any additional items of business are to be considered, or the association becomes aware of an intervening event materially affecting any matter to be voted on more than 10 days prior to the date to which the meeting is adjourned. If a new record date for the adjourned meeting is fixed, however, notice of the adjourned meeting must be given to persons who are shareholders as of the new record date. If, however, the meeting to elect the directors is adjourned before the election takes place, at least ten days' notice of the new election must be given to the shareholders by first-class mail.

---

**Section 3. Nominations of Directors.** Nominations for election to the board of directors may be made by the board of directors or by any stockholder of any outstanding class of capital stock of the association entitled to vote for the election of directors. Nominations, other than those made by or on behalf of the existing management of the association, shall be made in writing and shall be delivered or mailed to the president of the association and the Comptroller of the Currency, Washington, D.C., not less than 14 days nor more than 50 days prior to any meeting of shareholders called for the election of directors; *provided, however*, that if less than 21 days' notice of the meeting is given to shareholders, such nomination shall be mailed or delivered to the president of the association not later than the close of business on the seventh day following the day on which the notice of meeting was mailed. Such notification shall contain the following information to the extent known to the notifying shareholder:

- (1) The name and address of each proposed nominee;
- (2) The principal occupation of each proposed nominee;
- (3) The total number of shares of capital stock of the association that will be voted for each proposed nominee;
- (4) The name and residence of the notifying shareholder; and
- (5) The number of shares of capital stock of the association owned by the notifying shareholder.

Nominations not made in accordance herewith may, in his/her discretion, be disregarded by the chairperson of the meeting, and upon his/her instructions, the vote tellers may disregard all votes cast for each such nominee.

**Section 4. Proxies.** Shareholders may vote at any meeting of the shareholders by proxies duly authorized in writing, but no officer or employee of this association shall act as proxy. Proxies shall be valid only for one meeting, to be specified therein, and any adjournments of such meeting. Proxies shall be dated and filed with the records of the meeting. Proxies with facsimile signatures may be used and unexecuted proxies may be counted upon receipt of a written confirmation from the shareholder. Proxies meeting the above requirements submitted at any time during a meeting shall be accepted.

**Section 5. Quorum.** A majority of the outstanding capital stock, represented in person or by proxy, shall constitute a quorum at any meeting of shareholders, unless otherwise provided by law, or by the shareholders or directors pursuant to Article IX, Section 2, but less than a quorum may adjourn any meeting, from time to time, and the meeting may be held, as adjourned, without further notice. A majority of the votes cast shall decide every question or matter submitted to the shareholders at any meeting, unless otherwise provided by law or by the articles of association, or by the shareholders or directors pursuant to Article IX, Section 2. If a meeting for the election of directors is not held on the fixed date, at least 10 days' notice must be given by first-class mail to the shareholders.

---

**ARTICLE II**  
**Directors**

**Section 1. Board of Directors.** The board of directors shall have the power to manage and administer the business and affairs of the association. Except as expressly limited by law, all corporate powers of the association shall be vested in and may be exercised by the board of directors.

**Section 2. Number.** The board of directors shall consist of not less than five nor more than twenty-five members, unless the OCC has exempted the bank from the 25-member limit. The exact number within such minimum and maximum limits is to be fixed and determined from time to time by resolution of a majority of the full board of directors or by resolution of a majority of the shareholders at any meeting thereof.

**Section 3. Organization Meeting.** The secretary or treasurer, upon receiving the certificate of the judges of the result of any election, shall notify the directors-elect of their election and of the time at which they are required to meet at the main office of the association, or at such other place in the cities of Wilmington, Delaware or Buffalo, New York, to organize the new board of directors and elect and appoint officers of the association for the succeeding year. Such meeting shall be held on the day of the election or as soon thereafter as practicable, and, in any event, within 30 days thereof. If, at the time fixed for such meeting, there shall not be a quorum, the directors present may adjourn the meeting, from time to time, until a quorum is obtained.

**Section 4. Regular Meetings.** The Board of Directors may, at any time and from time to time, by resolution designate the place, date and hour for the holding of a regular meeting, but in the absence of any such designation, regular meetings of the board of directors shall be held, without notice, on the first Tuesday of each March, June and September, and on the second Tuesday of each December at the main office or other such place as the board of directors may designate. When any regular meeting of the board of directors falls upon a holiday, the meeting shall be held on the next banking business day unless the board of directors shall designate another day.

**Section 5. Special Meetings.** Special meetings of the board of directors may be called by the Chairman of the Board of the association, or at the request of two or more directors. Each member of the board of directors shall be given notice by telegram, first class mail, or in person stating the time and place of each special meeting.

**Section 6. Quorum.** A majority of the entire board then in office shall constitute a quorum at any meeting, except when otherwise provided by law or these bylaws, but a lesser number may adjourn any meeting, from time to time, and the meeting may be held, as adjourned, without further notice. If the number of directors present at the meeting is reduced below the number that would constitute a quorum, no business may be transacted, except selecting directors to fill vacancies in conformance with Article II, Section 7. If a quorum is present, the board of directors may take action through the vote of a majority of the directors who are in attendance.

**Section 7. Meetings by Conference Telephone.** Any one or more members of the board of directors or any committee thereof may participate in a meeting of such board or committees by means of a conference telephone or similar communications equipment allowing all persons participating in the meeting to hear each other at the same time. Participation in a meeting by such means shall constitute presence in person at such meeting.

---

**Section 8. Procedures.** The order of business and all other matters of procedure at every meeting of the board of directors may be determined by the person presiding at the meeting.

**Section 9. Removal of Directors.** Any director may be removed for cause, at any meeting of stockholders notice of which shall have referred to the proposed action, by vote of the stockholders. Any director may be removed without cause, at any meeting of stockholders notice of which shall have referred to the proposed action, by the vote of the holders of a majority of the shares of the Corporation entitled to vote. Any director may be removed for cause, at any meeting of the directors notice of which shall have referred to the proposed action, by vote of a majority of the entire Board of Directors.

**Section 10. Vacancies.** When any vacancy occurs among the directors, a majority of the remaining members of the board of directors, according to the laws of the United States, may appoint a director to fill such vacancy at any regular meeting of the board of directors, or at a special meeting called for that purpose at which a quorum is present, or if the directors remaining in office constitute fewer than a quorum of the board of directors, by the affirmative vote of a majority of all the directors remaining in office, or by shareholders at a special meeting called for that purpose in conformance with Section 2 of Article I. At any such shareholder meeting, each shareholder entitled to vote shall have the right to multiply the number of votes he or she is entitled to cast by the number of vacancies being filled and cast the product for a single candidate or distribute the product among two or more candidates. A vacancy that will occur at a specific later date (by reason of a resignation effective at a later date) may be filled before the vacancy occurs but the new director may not take office until the vacancy occurs.

### **ARTICLE III** **Committees of the Board**

The board of directors has power over and is solely responsible for the management, supervision, and administration of the association. The board of directors may delegate its power, but none of its responsibilities, to such persons or committees as the board may determine.

The board of directors must formally ratify written policies authorized by committees of the board of directors before such policies become effective. Each committee must have one or more member(s), and who may be an officer of the association or an officer or director of any affiliate of the association, who serve at the pleasure of the board of directors. Provisions of the articles of association and these bylaws governing place of meetings, notice of meeting, quorum and voting requirements of the board of directors, apply to committees and their members as well. The creation of a committee and appointment of members to it must be approved by the board of directors.

**Section 1. Loan Committee.** There shall be a loan committee composed of not less than 2 directors, appointed by the board of directors annually or more often. The loan committee, on behalf of the bank, shall have power to discount and purchase bills, notes and other evidences of debt, to buy and sell bills of exchange, to examine and approve loans and discounts, to exercise authority regarding loans and discounts, and to exercise, when the board of directors is not in session, all other powers of the board of directors that may lawfully be delegated. The loan committee shall keep minutes of its meetings, and such minutes shall be submitted at the next regular meeting of the board of directors at which a quorum is present, and any action taken by the board of directors with respect thereto shall be entered in the minutes of the board of directors.

---

**Section 2. Investment Committee.** There shall be an investment committee composed of not less than 2 directors, appointed by the board of directors annually or more often. The investment committee, on behalf of the bank, shall have the power to ensure adherence to the investment policy, to recommend amendments thereto, to purchase and sell securities, to exercise authority regarding investments and to exercise, when the board of directors is not in session, all other powers of the board of directors regarding investment securities that may be lawfully delegated. The investment committee shall keep minutes of its meetings, and such minutes shall be submitted at the next regular meeting of the board of directors at which a quorum is present, and any action taken by the board of directors with respect thereto shall be entered in the minutes of the board of directors.

**Section 3. Examining Committee.** There shall be an examining committee composed of not less than 2 directors, exclusive of any active officers, appointed by the board of directors annually or more often. The duty of that committee shall be to examine at least once during each calendar year and within 15 months of the last examination the affairs of the association or cause suitable examinations to be made by auditors responsible only to the board of directors and to report the result of such examination in writing to the board of directors at the next regular meeting thereafter. Such report shall state whether the association is in a sound condition, and whether adequate internal controls and procedures are being maintained and shall recommend to the board of directors such changes in the manner of conducting the affairs of the association as shall be deemed advisable.

Notwithstanding the provisions of the first paragraph of this section 3, the responsibility and authority of the Examining Committee may, if authorized by law, be given over to a duly constituted audit committee of the association's parent corporation by a resolution duly adopted by the board of directors.

**Section 4. Trust Audit Committee.** There shall be a trust audit committee in conformance with Section 1 of Article V.

**Section 5. Other Committees.** The board of directors may appoint, from time to time, from its own members, compensation, special litigation and other committees of one or more persons, for such purposes and with such powers as the board of directors may determine.

However, a committee may not:

- (1) Authorize distributions of assets or dividends;
- (2) Approve action required to be approved by shareholders;
- (3) Fill vacancies on the board of directors or any of its committees;
- (5) Amend articles of association;
- (6) Adopt, amend or repeal bylaws; or
- (6) Authorize or approve issuance or sale or contract for sale of shares, or determine the designation and relative rights, preferences and limitations of a class or series of shares.

**Section 6. Committee Members' Fees.** Committee members may receive a fee for their services as committee members and traveling and other out-of-pocket expenses incurred in attending any meeting of a committee of which they are a member. The fee may be a fixed sum to be paid for attending each meeting or a fixed sum to be paid quarterly, or semiannually, irrespective of the number of meetings attended or not attended. The amount of the fee and the basis on which it shall be paid shall be determined by the board of directors.

At the Annual Reorganization Meeting, the board of directors shall also elect or reelect all of the officers of the association to hold office until the next Annual Reorganization Meeting. The chairperson of the board shall supervise the carrying out of the policies adopted or approved by the board of directors; shall have general executive powers, as well as the specific powers conferred by these bylaws; and shall also have and may exercise such further powers and duties as from time to time may be conferred upon or assigned by the board of directors.

**Section 6. Other Officers.** The board of directors may appoint one or more assistant vice presidents, one or more trust officers, one or more assistant secretaries, one or more assistant treasurers, one or more managers and assistant managers of branches and such other officers and attorneys in fact as from time to time may appear to the board of directors to be required or desirable to transact the business of the association. Such officers shall respectively exercise such powers and perform such duties as pertain to their several offices, or as may be conferred upon or assigned to them by the board of directors, the chairperson of the board, or the president. The board of directors may authorize an officer to appoint one or more officers or assistant officers.

**Section 7. ## **ARTICLE V**

### **Fiduciary Activities**

**Section 1. Trust Audit Committee.** There shall be a Trust Audit Committee composed of not less than 2 directors, appointed by the board of directors, which shall, at least once during each calendar year make suitable audits of the association's fiduciary activities or cause suitable audits to be made by auditors responsible only to the board, and at such time shall ascertain whether fiduciary powers have been administered according to law, Part 9 of the Regulations of the Comptroller of the Currency, and sound fiduciary principles. Such committee: (1) must not include any officers of the bank or an affiliate who participate significantly in the administration of the bank's fiduciary activities; and (2) must consist of a majority of members who are not also members of any committee to which the board of directors has delegated power to manage and control the fiduciary activities of the bank.

Notwithstanding the provisions of the first paragraph of this section 1, the responsibility and authority of the Trust Audit Committee may, if authorized by law, be given over to a duly constituted audit committee of the association's parent corporation by a resolution duly adopted by the board of directors.

**Section 2. Fiduciary Files.** There shall be maintained by the association all fiduciary records necessary to assure that its fiduciary responsibilities have been properly undertaken and discharged.

**Section 3. Trust Investments.** Funds held in a fiduciary capacity shall be invested according to the instrument establishing the fiduciary relationship and applicable law. Where such instrument does not specify the character and class of investments to be made, but does vest in the association investment discretion, funds held pursuant to such instrument shall be invested in investments in which corporate fiduciaries may invest under applicable law.

**ARTICLE VI**  
**Stock and Stock Certificates**

**Section 1. Transfers.** Shares of stock shall be transferable on the books of the association, and a transfer book shall be kept in which all transfers of stock shall be recorded. Every person becoming a shareholder by such transfer shall in proportion to such shareholder's shares, succeed to all rights of the prior holder of such shares. The board of directors may impose conditions upon the transfer of the stock reasonably calculated to simplify the work of the association with respect to stock transfers, voting at shareholder meetings and related matters and to protect it against fraudulent transfers.

**Section 2. Stock Certificates.** Certificates of stock shall bear the signature of the president (which may be engraved, printed or impressed) and shall be signed manually or by facsimile process by the secretary, assistant secretary, treasurer, assistant treasurer, or any other officer appointed by the board of directors for that purpose, to be known as an authorized officer, and the seal of the association shall be engraved thereon. Each certificate shall recite on its face that the stock represented thereby is transferable only upon the books of the association properly endorsed.

The board of directors may adopt or use procedures for replacing lost, stolen, or destroyed stock certificates as permitted by law.

The association may establish a procedure through which the beneficial owner of shares that are registered in the name of a nominee may be recognized by the association as the shareholder. The procedure may set forth:

- (1) The types of nominees to which it applies;
- (2) The rights or privileges that the association recognizes in a beneficial owner;
- (3) How the nominee may request the association to recognize the beneficial owner as the shareholder;
- (4) The information that must be provided when the procedure is selected;
- (5) The period over which the association will continue to recognize the beneficial owner as the shareholder;
- (6) Other aspects of the rights and duties created.

**ARTICLE VII**  
**Corporate Seal**

**Section 1. Seal.** The seal of the association shall be in such form as may be determined from time to time by the board of directors. The president, the treasurer, the secretary or any assistant treasurer or assistant secretary, or other officer thereunto designated by the board of directors shall have authority to affix the corporate seal to any document requiring such seal and to attest the same. The seal on any corporate obligation for the payment of money may be facsimile.

**ARTICLE VIII**  
**Miscellaneous Provisions**

**Section 1. Fiscal Year.** The fiscal year of the association shall be the calendar year.

**Section 2. Execution of Instruments.** All agreements, indentures, mortgages, deeds, conveyances, transfers, certificates, declarations, receipts, discharges, releases, satisfactions, settlements, petitions, schedules, accounts, affidavits, bonds, undertakings, proxies and other instruments or documents may be signed, executed, acknowledged, verified, delivered or accepted on behalf of the association by the chairperson of the board, or the president, or any vice president, or the secretary, or the treasurer, or, if in connection with the exercise of fiduciary powers of the association, by any of those offices or by any trust officer. Any such instruments may also be executed, acknowledged, verified, delivered or accepted on behalf of the association in such other manner and by such other officers as the board of directors may from time to time direct. The provisions of this section 2 are supplementary to any other provision of these bylaws.

**Section 3. Records.** The articles of association, the bylaws and the proceedings of all meetings of the shareholders, the board of directors, and standing committees of the board of directors shall be recorded in appropriate minute books provided for that purpose. The minutes of each meeting shall be signed by the secretary, treasurer or other officer appointed to act as secretary of the meeting.

**Section 4. Corporate Governance Procedures.** To the extent not inconsistent with federal banking statutes and regulations, or safe and sound banking practices, the association may follow the Delaware General Corporation Law, Del. Code Ann. tit. 8 (1991, as amended 1994, and as amended thereafter) with respect to matters of corporate governance procedures.

**Section 5. Indemnification.** For purposes of this Section 5 of Article VIII, the term “institution-affiliated party” shall mean any institution-affiliated party of the association as such term is defined in 12 U.S.C. 1813(u).

Any institution-affiliated party (or his or her heirs, executors or administrators) may be indemnified or reimbursed by the association for reasonable expenses actually incurred in connection with any threatened, pending or completed actions or proceedings and appeals therein, whether civil, criminal, governmental, administrative or investigative, in accordance with and to the fullest extent permitted by law, as such law now or hereafter exists; provided, however, that when an administrative proceeding or action instituted by a federal banking agency results in a final order or settlement pursuant to which such person: (i) is assessed a civil money penalty, (ii) is removed from office or prohibited from participating in the conduct of the affairs of the association, or (iii) is required to cease and desist from or to take any affirmative action described in 12 U.S.C. 1818(b) with respect to the association, then the association shall require the repayment of all legal fees and expenses advanced pursuant to the next succeeding paragraph and may not indemnify such institution-affiliated parties (or their heirs, executors or administrators) for expenses, including expenses for legal fees, penalties or other payments incurred. The association shall provide indemnification in connection with an action or proceeding (or part thereof) initiated by an institution-affiliated party (or by his or her heirs, executors or administrators) only if such action or proceeding (or part thereof) was authorized by the board of directors.

Expenses incurred by an institution-affiliated party (or by his or her heirs, executors or administrators) in connection with any action or proceeding under 12 U.S.C. 164 or 1818 may be paid by the association in advance of the final disposition of such action or proceeding upon (a) a determination by the board of directors acting by a quorum consisting of directors who are not parties to such action or proceeding that the institution-affiliated party (or his or her heirs, executors or administrators) has a

---

reasonable basis for prevailing on the merits, (b) a determination that the indemnified individual (or his or her heirs, executors or administrators) will have the financial capacity to reimburse the bank in the event he or she does not prevail, (c) a determination that the payment of expenses and fees by the association will not adversely affect the safety and soundness of the association, and (d) receipt of an undertaking by or on behalf of such institution-affiliated party (or by his or her heirs, executors or administrators) to repay such advancement in the event of a final order or settlement pursuant to which such person: (i) is assessed a civil money penalty, (ii) is removed from office or prohibited from participating in the conduct of the affairs of the association, or (iii) is required to cease and desist from or to take any affirmative action described in 12 U.S.C. 1818(b) with respect to the association. In all other instances, expenses incurred by an institution-affiliated party (or by his or her heirs, executors or administrators) in connection with any action or proceeding as to which indemnification may be given under these articles of association may be paid by the association in advance of the final disposition of such action or proceeding upon (a) receipt of an undertaking by or on behalf of such institution-affiliated party (or by or on behalf of his or her heirs, executors or administrators) to repay such advancement in the event that such institution-affiliated party (or his or her heirs, executors or administrators) is ultimately found not to be entitled to indemnification as authorized by these bylaws and (b) approval by the board of directors acting by a quorum consisting of directors who are not parties to such action or proceeding or, if such a quorum is not obtainable, then approval by stockholders. To the extent permitted by law, the board of directors or, if applicable, the stockholders, shall not be required to find that the institution-affiliated party has met the applicable standard of conduct provided by law for indemnification in connection with such action or proceeding.

In the event that a majority of the members of the board of directors are named as respondents in an administrative proceeding or civil action and request indemnification, the remaining members of the board may authorize independent legal counsel to review the indemnification request and provide the remaining members of the board with a written opinion of counsel as to whether the conditions delineated in the first four paragraphs of this Section 5 of Article VIII have been met. If independent legal counsel opines that said conditions have been met, the remaining members of the board of directors may rely on such opinion in authorizing the requested indemnification.

In the event that all of the members of the board of directors are named as respondents in an administrative proceeding or civil action and request indemnification, the board shall authorize independent legal counsel to review the indemnification request and provide the board with a written opinion of counsel as to whether the conditions delineated in the first four paragraphs of this Section 5 of Article VIII have been met. If legal counsel opines that said conditions have been met, the board of directors may rely on such opinion in authorizing the requested indemnification.

To the extent permitted under applicable law, the rights of indemnification and to the advancement of expenses provided in these articles of association (a) shall be available with respect to events occurring prior to the adoption of these bylaws, (b) shall continue to exist after any restrictive amendment of these bylaws with respect to events occurring prior to such amendment, (c) may be interpreted on the basis of applicable law in effect at the time of the occurrence of the event or events giving rise to the action or proceeding, or on the basis of applicable law in effect at the time such rights are claimed, and (d) are in the nature of contract rights which may be enforced in any court of competent jurisdiction as if the association and the institution-affiliated party (or his or her heirs, executors or administrators) for whom such rights are sought were parties to a separate written agreement.

The rights of indemnification and to the advancement of expenses provided in these bylaws shall not, to the extent permitted under applicable law, be deemed exclusive of any other rights to which any such institution-affiliated party (or his or her heirs, executors or administrators) may now or hereafter be otherwise entitled whether contained in the association's articles of association, these bylaws, a resolution of stockholders, a resolution of the board of directors, or an agreement providing such indemnification, the creation of such other rights being hereby expressly authorized. Without limiting the generality of the

---

foregoing, the rights of indemnification and to the advancement of expenses provided in these bylaws shall not be deemed exclusive of any rights, pursuant to statute or otherwise, of any such institution-affiliated party (or of his or her heirs, executors or administrators) in any such action or proceeding to have assessed or allowed in his or her favor, against the association or otherwise, his or her costs and expenses incurred therein or in connection therewith or any part thereof.

If this Section 5 of Article VIII or any part hereof shall be held unenforceable in any respect by a court of competent jurisdiction, it shall be deemed modified to the minimum extent necessary to make it enforceable, and the remainder of this Section 5 of Article VIII shall remain fully enforceable.

The association may, upon affirmative vote of a majority of its board of directors, purchase insurance to indemnify its institution-affiliated parties to the extent that such indemnification is allowed in these bylaws; provided, however, that no such insurance shall include coverage for a final order assessing civil money penalties against such persons by a bank regulatory agency. Such insurance may, but need not, be for the benefit of all institution- affiliated parties.

**Section 2. Amendments.** The bylaws of the association may be amended, altered or repealed, at any regular meeting of the board of directors, by a vote of a majority of the total number of the directors except as provided below, and provided that the following language accompany any such change.
