Supplemental Disclosure Concerning Proposal 2

The immediately following disclosure supplements and amends the Proxy Statement with respect to Proposal 2, including the information set forth in Item 2 of the cover page, the discussion of Proposal 2 in page 2 of the Proxy Statement under the heading "Voting Rights and Solicitation" and the discussion in pages 13-24 of the Proxy Statement under the heading "Amendment of the 2004 Equity Incentive Plan," including in particular the discussions under the subheadings "Introduction," "Number of Shares," "Effect of a No Vote" and "Recommendation of the Board" and Appendix B to the Proxy Statement, entitled "Fourth Amendment to the Entravision Communications Corporation 2004 Equity Incentive Plan." The Company is also supplementing Proposal 2 to clarify that it is requesting stockholder approval for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended.

As disclosed in Item 2 of the cover page to the Proxy Statement, the Company is requesting approval to amend the 2004 Plan to (i) extend the end of the term of the 2004 Plan to ten years after the date of the 2014 Annual Meeting, until May 29, 2024, and (ii) increase the number of shares of our Class A common stock authorized for issuance under the 2004 Plan by 10,000,000 shares. On May 21, 2014, our Board approved an amendment to the 2004 Plan to eliminate the proposed increase in the number of shares of our Class A common stock authorized for issuance under the 2004 Plan by an additional 10,000,000 shares. Accordingly, the Company is amending Proposal 2 to request an extension the term of the 2004 Plan until May 29, 2024 without also increasing the existing share reserve under the 2004 Plan at this time.

Exhibit B

The proposed amendment to the 2004 Plan approved by the Board on May 21, 2014 and attached to this Supplement as Exhibit B (the “Revised Amendment”) replaces and supersedes the proposed Fourth Amendment to the 2004 Plan attached as Exhibit B to the Proxy Statement (“Original Amendment”). The Revised Amendment varies from the Original Amendment as follows:

- The Revised Amendment amends the third preamble in the Original Amendment to eliminate reference to an increase of the 2004 Plan share reserve by 10,000,000 shares.
- The Revised Amendment eliminates Section 1(c) of the Original Amendment to remove the amendment to the *Plan Reserve* provision in Section 6(a) of the 2004 Plan. Section 1(d) in the Original Amendment is also renumbered as Section 1(c) in the Revised Amendment.

Number of Shares

If the proposal to extend the term of the 2004 Plan is approved, the shares of Class A common stock that remained available for future award grants under the 2004 Plan as of May 26, 2014 (the expiration date of the 2004 Plan if it is not extended by our stockholders) will remain available for issuance under the 2004 Plan. If any award previously granted under the plan lapses, expires, terminates or is cancelled without the issuance of shares under the award, or if shares are forfeited under any such award, then the shares subject to the award may again be used for new awards under 2004 Plan, including incentive stock options. If shares are issued under any award and we subsequently reacquire them pursuant to rights reserved upon the issuance of the shares, or if previously owned shares are delivered to us in payment of the exercise price of an award or the withholding taxes due as a result of the issuance or receipt of a payment or shares under an award, then the shares may again be used for new awards under the 2004 Plan, but may not be issued under incentive stock options. If we acquire another entity through a merger or similar transaction and issue replacement awards under the 2004 Plan to employees, officers and directors of the acquired entity, those awards, to the extent permitted under applicable laws and securities exchange rules, will not reduce the number of shares reserved for the 2004 Plan. The 2004 Plan also includes the following limits:

- The maximum number of shares that may be issued in connection with incentive stock options intended to qualify under Internal Revenue Code (“Code”) Section 422 is 10,000,000 shares.
- The maximum number of shares that may be subject to stock options or stock appreciation rights granted to any one person in any calendar year is 500,000 shares, except that this limit is one million shares if the grant is made in the year of the recipient’s initial employment.
- The maximum number of shares that may be subject to restricted stock or restricted stock units (“RSUs”) granted to any one person in any calendar year is 500,000 shares.
- The maximum number of shares that may be subject to performance shares or performance units (if such units are valued in relation to shares) granted to any one person in any calendar year is 500,000 shares.
- The maximum amount payable under an award of performance units (if such units are not valued in relation to shares) granted to any one person in any calendar year is \$500,000.

The Compensation Committee, in its discretion, may grant awards that exceed the above limits (other than the limits on incentive stock options) if the Committee determines that such awards will not be considered “qualified performance-based compensation” within the meaning of Code Section 162(m), but only if and to the extent that such discretion does not disqualify performance-based awards from qualifying as such under Code Section 162(m).

The number of shares reserved for issuance under the 2004 Plan, and the limits on the number of awards that may be granted to any one participant or of a particular type, as described above, are subject to adjustment to reflect certain subsequent changes to our capital structure, such as stock splits, stock dividends and recapitalizations.

Dilution and Overhang

As of the record date, 7,319,201 shares of our Class A common stock were available for future award grants under the 2004 Plan. As of that date, there were 60,974,640 shares of our Class A common stock outstanding and the following awards remained outstanding under the 2004 Plan:

- 5,759,750 shares subject to outstanding stock options, with a weighted average exercise price of \$3.45 and an average remaining term of 6.3 years.
- 273,750 shares subject to outstanding full value awards (restricted stock units).

The 7,319,201 shares of Class A common stock that remained available for future award grants under the 2004 Plan as of the record date represented approximately 12% of our total shares of Class A common stock outstanding as of that date (this figure represents the simple dilution of our stockholders that will occur if the stockholders extend the term of the 2004 Plan and we grant all of the shares that remain available for issuance under the 2004 Plan, as calculated based on our shares outstanding as of the record date). The 5,759,750 shares of Class A common stock subject to outstanding options and 273,750 shares of Class A common stock subject to outstanding restricted stock units as of the record date collectively represented approximately 9.9% of our total shares of Class A common stock outstanding as of that date, which represents the current overhang of the 2004 Plan (i.e., potential dilution represented by outstanding awards under the 2004 Plan, as calculated based on our shares outstanding as of the record date).

Section 162(m)

In requesting approval to extend the term of the 2004 Plan, we are also requesting approval of the plan for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (“Section 162(m)”). Section 162(m) generally provides that compensation provided to a publicly held corporation’s CEO or any of its three most highly paid named executive officers (other than its CEO or CFO) is not deductible by the corporation for U.S. income tax purposes for any taxable year to the extent it exceeds \$1 million. This limitation does not apply to compensation that qualifies as exempt performance-based compensation by meeting certain requirements under Section 162(m), including the requirement that the material terms, including those of the related performance goals, be disclosed to and approved by stockholders. For the 2004 Plan, these terms are described in this Supplement under “Number of Shares” and in the Proxy Statement under “Eligibility” and “Performance-Based Awards.” Stockholders are being asked to approve, among other material terms, a set of business criteria on which performance goals may be based for future performance awards under the 2004 Plan.

Although the 2004 Plan is designed to permit the Compensation Committee to limit the impact of Section 162(m), the Compensation Committee also believes that the tax deduction is only one of several relevant considerations in setting compensation. The Compensation Committee believes that the tax deduction limitation should not be permitted to compromise the Company’s ability to design and maintain executive compensation arrangements that will attract and retain the executive talent to compete successfully. Accordingly, achieving the desired flexibility in the design and delivery of awards under the 2004 Plan may result in compensation that is not deductible for federal income tax purposes.

Effect of a No Vote

If the stockholders do not approve the amendment of the 2004 Plan to extend the end of the term to ten years after the date of the 2014 Annual Meeting, until May 29, 2024, the 2004 Plan will terminate effective May 26, 2014 and thereafter no additional grants can be made under the 2004 Plan, although the 2004 Plan will continue in effect to administer grants made under the 2004 Plan before its termination. Because the Company does not have any other employee benefit plan that allows for the grant of stock options, restricted stock units or other awards, the Company will be unable to make any awards unless and until and unless a new benefit plan is adopted by the Board and approved by the stockholders.

Recommendation of the Board

The Board unanimously recommends that stockholders vote FOR the amendment to the 2004 Plan to extend the end of the term to ten years after the date of the 2014 Annual Meeting, until May 29, 2024.

New Proposal 4

The immediately following disclosure supplements and amends the Proxy Statement by adding a Proposal 4 entitled “Advisory Vote on Executive Compensation,” including by adding a new Item 4 on the Notice of 2014 Annual Meeting of Stockholders cover page to the Proxy Statement entitled as follows: “4. To hold an advisory vote on named executive officer compensation.”

PROPOSAL 4

ADVISORY VOTE ON EXECUTIVE COMPENSATION

Under Section 14A of the Exchange Act, which was added under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, the Company’s stockholders are entitled to vote at the Annual Meeting to approve, on an advisory basis, the compensation of our named executive officers, as disclosed in this proxy statement pursuant to the Securities and Exchange Commission’s compensation disclosure rules. This proposal, commonly known as a “say-on-pay” proposal, gives stockholders the opportunity to express their views on our named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. This vote is advisory, which means that the vote is not binding on the Company, the Board or the Compensation Committee. However, we value the concerns of our stockholders, and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

We are asking our stockholders to indicate their support for our named executive officer compensation as described in this proxy statement. Accordingly, we will ask our stockholders to vote “FOR” the following resolution at the 2014 Annual Meeting:

“RESOLVED, that the Company’s stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, the Summary Compensation Table, the other compensation tables and narrative discussion in the Proxy Statement for the Company’s 2014 Annual Meeting of Stockholders.”

Recommendation of the Board

The Board unanimously recommends that stockholders vote FOR the proposal to approve the compensation of the named executive officers, as disclosed in this Proxy Statement.

Voting; Revocability of Proxies

The Board recommends a vote FOR Proposal 2 (approval to extend the term of the 2004 Plan) and FOR Proposal 4 (advisory vote on executive compensation). If you have already voted your shares on Proposal 2 and do not wish to change your vote, no further action is necessary. You do not need to submit a new proxy card or vote again on Proposal 2 unless you wish to change your vote.

If you sign and return the Revised Proxy Card, it will revoke and replace any previous proxy you have submitted. If you do not sign and return the Revised Proxy Card, your previous proxy will remain in effect, but it will not include any vote on Proposal 4. In order to vote on the Advisory Vote on Executive Compensation in Proposal 4, you must submit a Revised Proxy Card by mail, vote by telephone toll-free at 1-800-652-VOTE (8683), vote by Internet at <http://www.investorvote.com/EVC>, or by attending the Annual Meeting and voting in

person. If you hold the Company's common stock in "street name," you must either instruct your broker or nominee as to how to vote such shares or obtain a proxy, executed in your favor by your broker or nominee, to be able to vote at the Annual Meeting.

Proxy voting instructions already returned by stockholders will remain valid and will be voted at the 2014 annual meeting unless revoked. Shares represented by all validly executed proxy voting forms or votes cast over the Internet or by telephone at any time (either prior to or after the date hereof) returned before the annual meeting will be voted for the directors nominated by the Board as instructed and other proposals as directed.

If you have not voted your shares, please vote as soon as possible. You can vote by Internet, by telephone or by mail using the instructions included on the proxy card or the Notice previously sent to you.

If you have already voted your shares and you wish to change your vote on any matter, you may revoke your proxy before it is voted at the annual meeting by (1) sending in another signed proxy card with a later date, (2) notifying our Secretary in writing before the meeting that you have revoked your proxy or (3) voting in person at the meeting or through Internet or telephone voting. Your latest telephone or Internet vote is the one that is counted.

In voting with regard to the proposal to approve (on an advisory basis) named executive compensation (Proposal 4), stockholders may vote in favor of such proposal or against such proposal or may abstain from voting. The vote required to approve Proposal 4 is the affirmative vote of a majority of the shares present or represented by proxy at the Annual Meeting and entitled to vote on the matter. Abstentions will have the same effect as votes "against" the proposal. If you do not return the Revised Proxy Card or vote by telephone or internet on Proposal 4, it will have the same effect as a vote "against" the proposal. Brokers do not have discretionary authority to vote on this proposal. Broker non-votes, therefore, will have no effect on the proposal as brokers are not entitled to vote on such proposals in the absence of voting instructions from the beneficial owner. Pursuant to the Voting Agreement, the terms of which are more fully described in the Proxy Statement, Messrs. Ulloa, Wilkinson and Zevnik will have in the aggregate the right to cast approximately 76.12% of the votes entitled to be cast on Proposal 4.

To record the adoption of this Amendment by the Board of Directors of the Company effective as of the Effective Date, the Company has caused its authorized officer to execute the same.
