Voting by Proxy

A proxy for use at the Annual Meeting is solicited by the Board of Directors of the Company. You may ensure your representation by completing, signing, dating and promptly submitting a proxy which will be mailed to you on or about April 17, 2019. You may also submit your proxy electronically by going to the Company’s website at <http://www.ovbc.com> and following the instructions on that website. The deadline for transmitting voting instructions electronically via the Internet is 9:00 a.m. Eastern Daylight Saving Time, on May 15, 2019. If you submit a proxy via the Internet, you will incur only your usual Internet access charges, if any. Without affecting any vote previously taken, you may revoke your proxy at any time before it is voted at the Annual Meeting (1) by giving written notice of revocation to the Secretary of the Company, at the address of the Company set forth on the cover page of this proxy statement; (2) by executing a later-dated proxy that is received by the Company prior to the Annual Meeting or submitting a later-dated proxy via the Internet prior to the deadline for doing so; or (3) if you are the registered owner of your common shares, by attending the Annual Meeting and giving notice of revocation in person. If your common shares are held in the name of your broker/dealer, financial institution or other holder of record and you wish to revoke your proxy in person, you must bring a letter from the broker/dealer, financial institution or other holder of record indicating how many common shares you held beneficially on March 22, 2019, the record date for voting, and authorizing you to revoke your proxy. **Attendance at the Annual Meeting will not, by itself, constitute revocation of a proxy.**

Shares Held in “Street Name”

If you hold your common shares in “street name” with a broker, financial institution or other holder of record, you may be eligible to instruct the voting of your shares via the Internet or by telephone and you may incur costs associated with that process. If you hold your common shares in “street name,” you should review the information provided to you by the holder of record. This information will describe the procedures to be followed in instructing the holder of record how to vote the street name common shares and how to revoke previously given instructions.

If you hold your common shares in “street name” and wish to vote your shares in person at the Annual Meeting, you must bring a letter or proxy from your broker/dealer, financial institution or other nominee indicating how many common shares you held beneficially on March 22, 2019, and authorizing you to vote your shares on behalf of such record holder.

Who is Entitled to Vote

Only shareholders of record at the close of business on March 22, 2019, are entitled to receive notice of and to vote at the Annual Meeting and any adjournment. As of March 22, 2019, 4,758,659 common shares were outstanding and entitled to be voted at the Annual Meeting. Each common share entitles the holder thereof to one vote on each matter submitted to the shareholders at the Annual Meeting. A quorum for the Annual Meeting is a majority of the outstanding common shares.

Costs of Proxy Solicitation

The Company will bear the costs of preparing, printing and mailing this proxy statement, the proxy and any other related materials, as well as all other costs incurred in connection with the solicitation of proxies on behalf of the Company’s Board of Directors, other than the Internet access charges a shareholder may incur if proxy materials are accessed on the internet or if a proxy is appointed electronically. Proxies will be solicited by mail and may be further solicited, for no additional compensation, by officers, directors or employees of the Company and its subsidiaries by further mailing, telephone, facsimile, electronic mail or personal contact. The Company will also pay the standard charges and expenses of brokers, voting trustees, financial institutions and other custodians, nominees and

fiduciaries, who are record holders of common shares not beneficially owned by them, for forwarding materials to the beneficial owners of common shares entitled to vote at the Annual Meeting.

Employee Stock Ownership Plan Participants

If you are a participant in the Ohio Valley Banc Corp. Employees' Stock Ownership Plan (the "ESOP") and common shares have been allocated to your account in the ESOP, you will be entitled to instruct the trustee of the ESOP how to vote those common shares and you will receive your voting instructions separately. If you give no instructions to the trustee of the ESOP, the trustee will vote the common shares allocated to your ESOP account in its sole discretion.

Vote Required

Quorum. Common shares represented by properly executed proxies returned to the Company prior to the Annual Meeting will be counted toward the establishment of a quorum for the Annual Meeting. A majority of the outstanding common shares of the Company must be represented in person or by proxy at the Annual Meeting to establish a quorum.

Director elections. The three nominees receiving the greatest number of votes for the class of directors whose terms expire in 2022 will be elected as directors for that term.

Advisory approval of named executive officer compensation. The affirmative vote of a majority of the shares participating in the voting is required for shareholder advisory approval of the compensation of the Company's named executive officers.

Ratification of selection of independent registered public accounting firm. The affirmative vote of a majority of the shares participating in the voting is required to ratify the selection of Crowe LLP as the independent registered public accounting firm.

Effect of broker non-votes and abstentions. Brokers who hold common shares in street name may, under the applicable regulations of the Securities and Exchange Commission (the "SEC") and the rules of exchanges and other self-regulatory organizations of which the brokers are members, sign and submit proxies for common shares of the Company and may vote such common shares on certain matters. However, brokers who hold common shares in street name may not vote common shares on other matters without specific instruction from the customer who owns the common shares. Proxies that are signed and submitted by brokers that have not been voted on certain matters are referred to as representing "broker non-votes."

Broker non-votes and abstentions count toward the establishment of a quorum for the Annual Meeting. Pursuant to rules of the stock exchanges, member brokers are not permitted to vote without customer instruction with respect to the election of directors and the approval of named executive officer compensation. Neither broker non-votes nor abstentions will be considered to be participating in the voting and therefore will have no effect on the election of directors, the approval of executive compensation or the ratification of the selection of the independent registered public accounting firm.

Directions to Annual Meeting Location

To obtain directions to attend the Annual Meeting and vote in person, please call Melissa P. Wooten, Assistant Vice President, Shareholder Relations Manager and Trust Officer, at 1-800-468-6682 or 1-740-578-3287.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The Company's directors and executive officers, as well as any persons holding more than 10% of the Company's outstanding common shares, are required to report their initial ownership of common shares and any subsequent changes in their ownership to the SEC. Specific due dates have been established by the SEC for such filings, and the Company is required to disclose in this proxy statement any failure to file by those dates. Based on its review of (1) Section 16(a) reports filed on behalf of these individuals for their transactions during the Company's 2018 fiscal year and (2) documentation received from one or more of these individuals that no annual Form 5 reports were required to be filed by them for the Company's 2018 fiscal year, the Company believes that all Section 16(a) reports were filed timely.

PROXY ITEM 1: ELECTION OF DIRECTORS

The Company's Board of Directors, divided into three classes, currently has ten directors. Section 2.02(C) of the Company's Regulations provides that the directors may change the number of directors and fill any vacancy created by an increase in the number of directors (provided that the directors may not increase the number of directors to more than twelve or reduce the number of directors to less than five).

In 1980, the Board of Directors of the Bank adopted a policy that each person becoming a director of the Bank after that date would be expected to retire at the next annual meeting of shareholders of the Bank following the director's 70th birthday. Since the Company was formed as the holding company of the Bank in 1992, the directors of the Company have followed that same practice, although neither the Company nor the Bank has ever provided such a requirement in its articles of incorporation or regulations or included any such provision in the charter of the Nominating and Corporate Governance Committee. In accordance with this policy, on February 26, 2019, Mr. Jones informed the Board of Directors of the Company and the Bank of his intention to retire from service as a director at the end of the 2019 Annual Meeting.

The Board of Directors proposes that Harold A. Howe, Edward J. Robbins, and Jeffrey E. Smith be re-elected for a three-year term. Each nominee was recommended to the Board of Directors by the Nominating and Corporate Governance Committee. Each person elected as a director at the Annual Meeting will hold office for a term of three years and until his successor is duly elected and qualified or until his earlier resignation, removal from office or death. The three nominees for election as directors receiving the greatest number of votes will be elected. Common shares represented by properly executed and returned proxies will be voted **FOR** the election of the Board of Directors' nominees unless authority to vote for one or more nominees is withheld. Common shares as to which the authority to vote is withheld will be counted for quorum purposes, but will not be counted toward the election of directors or toward the election of the individual nominees specified on the proxy.

The following discussion provides certain information, as of March 22, 2019, concerning each nominee for election as a director of the Company.

Throughout his career, Mr. Smith has served on the boards of a number of community and nonprofit organizations.

The Board of Directors recommends that shareholders vote FOR the election of the above nominees.

While it is contemplated that all nominees will stand for election, if one or more nominees at the time of the Annual Meeting should be unavailable or unable to serve as a candidate for election as a director, the individuals designated as proxy holders reserve full discretion to vote the common shares represented by the proxies they hold for the election of the remaining nominees and for the election of any substitute nominee or nominees designated by the Board of Directors. The Board of Directors knows of no reason why any of the nominees named above will be unavailable or unable to serve if elected to the Board.

The following discussion provides certain information concerning the current directors who will continue to serve after the Annual Meeting. Unless otherwise indicated, each individual has had the same principal occupation for more than five years.

None of the corporations or organizations by which a director has been employed in the last five years, except with respect to the employment by the Bank of Messrs. Smith and Wiseman, is a parent, subsidiary or other affiliate of the Company. The Board of Directors of the Company has determined that all of the directors except Messrs. Smith and Wiseman are "independent" under Rule 5605(a)(2) of the listing standards of The NASDAQ Stock Market, LLC ("Nasdaq"). In determining independence, the Board of Directors considered loan and deposit relationships with each director, fees paid to Mr. Saunders for legal services, lease payments to Eastman Enterprises, Inc. (discussed in this proxy statement under the heading "Certain Relationships and Related Transactions"), and the positions held by each director with customers of the Bank. The rules of Nasdaq do not deem such relationships to disqualify a director from being deemed independent. The Board of Directors does not believe such relationships interfere with the directors' exercise of independent judgment in carrying out their responsibilities as directors.

There are no family relationships among any of the directors, nominees for election as directors and executive officers of the Company.

Meetings of and Communications with the Board of Directors

The Board of Directors held a total of 17 meetings during 2018. Each incumbent director attended 75% or more of the aggregate of the total number of meetings held by the Board of Directors and the total number of meetings held by all committees of the Board of Directors on which the director served, in each case during the director's period of service in 2018. In accordance with applicable Nasdaq rules, the independent directors meet in executive session as appropriate matters for their consideration arise.

The Company encourages all incumbent directors and director nominees to attend each annual meeting of shareholders. All of the incumbent directors and director nominees who were directors at the time attended the Company's last annual meeting of shareholders held on May 16, 2018.

The Company has an informal process by which shareholders may communicate directly with directors. Any communication to the Board may be mailed to David W. Thomas, Lead Independent Director, in care of Investor Relations at the Company's headquarters, P.O. Box 240, Gallipolis, Ohio 45631. The mailing envelope should contain a clear notation indicating that the enclosed letter is a "Shareholder-Board Communication" or "Shareholder-Director Communication." There is no screening process, and all shareholder communications that are received for the Board's attention will be forwarded to all directors.

Board Leadership Structure

Leadership succession is vital to the future health of the Company. In November 2009, the independent directors of the Company, upon recommendation of the Compensation and Management Succession Committee, named Jeffrey E. Smith the Chairman of the Board and Chief Executive Officer (CEO) of the Company and the Bank, and named Thomas E. Wiseman the President and Chief Operating Officer of the Company and the Bank, effective January 1, 2010. In May 2012, the independent directors, upon recommendation of the Nominating and Corporate Governance Committee and consistent with the succession plan effective in January 2010, named President Thomas E. Wiseman with the additional responsibility of Chief Executive Officer of the Company and the Bank. Jeffrey E. Smith retained the title of Chairman of the Board.

Desiring to maintain and foster a strong independent presence on the Board of Directors, in January 2010, the independent directors of the Company named David W. Thomas as the Lead Independent Director of the Company. The Lead Independent Director presides at all meetings of the independent directors and is an Ex Officio member of all standing committees of the Company, including the Board Enterprise Risk Committee. His duties include making recommendations regarding the structure of the Board of Directors as well as committee meetings; assisting in establishing agendas of the Board of Directors; overseeing evaluations and performance of members of the Board of Directors; chairing executive sessions of the independent directors; and overseeing the Company's shareholder communication policies and procedures. Additionally, he has the authority to call meetings of the independent directors of the Company.

It is anticipated that Mr. Smith will retain the position of Chairman of the Board at the discretion of the Board of Directors, after which Mr. Wiseman will become Chairman of the Board, while continuing as Chief Executive Officer, and David W. Thomas would continue as Lead Independent Director. The Nominating and Corporate Governance Committee believes this arrangement takes advantage of the unique experience of Messrs. Smith and Wiseman, with the independence of Mr. Thomas, to ensure both management and Board succession for the long term success of the Company and its subsidiaries.

Committees of the Board

The Board of Directors has five standing committees: the Audit Committee, the Compensation and Management Succession Committee, the Executive Committee, the Nominating and Corporate Governance Committee, and the Board Enterprise Risk Committee.

Audit Committee

The Audit Committee is comprised of Anna P. Barnitz, Kimberly A. Canady, Brent R. Eastman and David W. Thomas (Chairman). The Board of Directors has determined that each member of the Audit Committee qualifies as independent under Rules 5605(a)(2) and 5605(c)(2) of the Nasdaq Listing Rules as well as under Rule 10A-3 promulgated under the Exchange Act.

The Board of Directors believes that each member of the Audit Committee has substantial financial experience and is highly qualified to discharge such member's duties. Additionally, the Board of Directors has determined that Anna P. Barnitz and David W. Thomas qualify as "audit committee financial experts" under the SEC's rules, based on their training and experience. Mrs. Barnitz earned a Bachelor of Science degree in accounting and has experience as a Senior Auditor with a large banking institution followed by 30 years of practical accounting experience as the Treasurer and Chief Financial Officer of a multi-million dollar wholesale distributor and retailer. Mr. Thomas earned a Bachelor of Science degree in Business Administration and has 30 years of experience in bank supervision and regulation gaining diverse experience across a number of disciplines including accounting, finance, audit, risk management, regulatory compliance and corporate governance. Both Mrs. Barnitz and Mr. Thomas continue their financial literacy training through annual attendance at various audit and bank regulatory seminars and conferences where developments in financial reporting and audit standards are reviewed and discussed. The Board of Directors has determined that, as a result of the aforementioned training and experience, Mrs. Barnitz and Mr. Thomas are capable of (i) understanding accounting principles generally accepted in the United States ("US GAAP") and financial statements, (ii) assessing the general application of US GAAP in connection with the accounting for estimates, accruals and reserves, (iii) analyzing and evaluating the Company's consolidated financial statements, (iv) understanding internal control over financial reporting, and (v) understanding audit committee functions.

The Audit Committee is organized and conducts its business pursuant to a written charter adopted by the Board of Directors. A current copy of the charter of the Audit Committee is posted on the Company's website at <http://www.ovbc.com> under "About" in the Ohio Valley Banc Corp. section. At least annually, the Audit Committee reviews and reassesses the adequacy of its charter and recommends changes to the full Board as necessary. The Audit Committee is responsible for:

- overseeing the accounting and financial reporting process of the Company and audits of the Company's financial statements;
- monitoring the Company's financial reporting process and internal control system;
- overseeing the certification process and other laws and regulations impacting the Company's quarterly and annual financial statements and related disclosure controls;
- reviewing and evaluating the audit efforts of the Company's independent registered public accounting firm and the Company's internal auditing department;
- providing an open avenue of communication among the Company's independent registered public accounting firm, financial and senior management, internal auditing department and the Board of Directors;
- appointing, compensating and overseeing the independent registered public accounting firm employed by the Company for the purpose of preparing or issuing an audit report or performing related work; and
- establishing procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters.

In addition, the Audit Committee reviews and pre-approves all audit and permitted non-audit services provided by the Company's independent registered public accounting firm and ensures that the registered public accounting firm is not engaged to perform the specific non-audit services prohibited by law, rule or regulation. The Audit Committee will also carry out such other responsibilities as may be delegated to the Audit Committee by the full Board.

The Audit Committee held 15 meetings during the 2018 fiscal year. The Report of the Audit Committee for the 2018 fiscal year begins on page 27.

Compensation and Management Succession Committee

The Compensation and Management Succession Committee is comprised of Anna P. Barnitz (Chairman), Harold A. Howe and Brent A. Saunders. The Board of Directors has determined that each member of the Compensation and Management Succession Committee qualifies as independent under current Nasdaq Listing Rule 5605(d)(2).

The Compensation and Management Succession Committee is organized and conducts its business pursuant to a written charter adopted by the Board of Directors. A current copy of the charter of the Compensation and Management Succession Committee is posted on the Company's website at <http://www.ovbc.com> under "About" in the Ohio Valley Banc Corp. section. The Compensation and Management Succession Committee periodically reviews and reassesses the adequacy of its charter and recommends changes to the full Board as necessary. The charter was last revised by the Board of Directors on February 26, 2013, upon recommendation of the Compensation and Management Succession Committee.

The purpose of the Compensation and Management Succession Committee is to discharge the responsibilities of the Board of Directors relating to compensation of the Company's directors and executive officers and to oversee proxy statement disclosures with respect to compensation. The Compensation and Management Succession Committee will also carry out such other responsibilities as may be delegated to it by the full Board.

The Compensation and Management Succession Committee is responsible for reviewing and approving goals and objectives relevant to the compensation of the Company's executive officers (including the Chief Executive Officer), evaluating such executive officers' performance in light of those goals and objectives and determining compensation based on that evaluation. The Compensation and Management Succession Committee is also responsible for reviewing the Company's incentive compensation programs and retirement plans, and recommending changes to such programs and plans to the Board of Directors as necessary. The Compensation and Management Succession Committee also reviews any severance or other termination arrangements to be entered into with the Company's executive officers. In addition to compensation responsibilities, this committee is charged with addressing plans for senior management succession and making recommendations to the Board of Directors with respect to selection and retention of executive officers.

The Compensation and Management Succession Committee periodically retains a consultant to assist with the establishment of executive compensation. During 2011, the Compensation and Management Succession Committee retained Blanchard Consulting Group to provide the benchmarking information that has served as the basis for executive compensation since then. In addition, in 2011 the Compensation Committee retained Meyer-Chatfield Compensation Advisors to assist in the design of a supplemental executive retirement plan for Mr. Wiseman, which was executed in March 2012.

The Compensation and Management Succession Committee held 7 meetings during the 2018 fiscal year. The Report of the Compensation and Management Succession Committee on executive compensation relating to the 2018 fiscal year begins on page 17.

Executive Committee

The Executive Committee is comprised of Anna P. Barnitz, Harold A. Howe, Brent A. Saunders, Jeffrey E. Smith, David W. Thomas and Thomas E. Wiseman (Chairman). The Executive Committee is authorized to act in the intervals between meetings of the directors on matters delegated by the full Board. There were 2 meetings held by the Executive Committee of the Company during the 2018 fiscal year; however, the Executive Committee of the Bank held 28 meetings.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee consists of Harold A. Howe, Edward J. Robbins, Brent A. Saunders (Chairman) and David W. Thomas. The Board of Directors has determined that each member of the Nominating and Corporate Governance Committee qualifies as independent under Nasdaq Listing Rule 5605(a)(2). The purposes of the Nominating and Corporate Governance Committee are to:

- identify qualified candidates for election, nomination or appointment to the Board and recommend to the full Board a slate of director nominees for each annual meeting of the shareholders of the Company;
- make recommendations to the full Board regarding the directors who shall serve on committees of the Board; and
- undertake such other responsibilities as may be referred to the Nominating and Corporate Governance Committee by the full Board.

The Nominating and Corporate Governance Committee is organized and conducts its business pursuant to a written charter adopted by the Board of Directors. A current copy of the charter of the Nominating and Corporate Governance Committee is posted on the Company's website at <http://www.ovbc.com> under "About" in the Ohio Valley Banc Corp. section. The Nominating and Corporate Governance Committee periodically reviews and reassesses the adequacy of its charter and recommends changes to the full Board as necessary. The Nominating and Corporate Governance Committee held 3 meetings during the 2018 fiscal year.

Board Enterprise Risk Committee

The Board Enterprise Risk Committee consists of Anna P. Barnitz, Brent R. Eastman and David W. Thomas (Chairman).

The Board Enterprise Risk Committee is organized and conducts its business pursuant to a written charter adopted by the Board of Directors. At least annually, the Board Enterprise Risk Committee reviews and reassesses the adequacy of its charter and recommends changes to the full Board as necessary. The Board Enterprise Risk Committee's primary duties and responsibilities are to:

- oversee the Company's policies, procedures and practices relating to the Company's enterprise-wide risks;
- assess current and emerging material risks and provide review and approval of established risk tolerances;
- oversee the Company's compliance with applicable laws and regulations; and
- oversee material pending litigation in which the Company has been named a defendant.

The business of banking has been and will continue to be centered on the management of risk. The Board of Directors proactively oversees management's implementation and enforcement of the Company's risk management policies and procedures. The Board's risk oversight responsibility is primarily administered through the Board Enterprise Risk Committee. The Board Enterprise Risk Committee meets quarterly to ensure that the Company is taking appropriate steps to identify, measure, monitor, and control risks as identified in the Company's Enterprise Risk Management Policy. This policy addresses the composition and control of the Company's overall risk management program and establishes standards for liquidity, market, credit, operational, cybersecurity, legal, reputational, and strategic risks and for others that may emerge in the future. The Enterprise Risk Management Policy is supplemented by various other Company policies which further address the specific risk categories to which they pertain. Additionally, the Enterprise Risk Management Policy provides for proper reporting through senior management to the Board Enterprise Risk Committee and/or the full Board of Directors. The committee routinely receives reports from the Chief Risk Officer as well as other Bank personnel within the Risk Management Department. The Chairman of the Board and the Chief Executive Officer also serve as Ex Officio members of the committee.

The Board of Directors has established a Management Enterprise Risk Committee whose members are the senior management team of the Company. It is the responsibility of the Management Enterprise Risk Committee, in conjunction with the Risk Management Department, to implement and enforce the risk management policies of the Company on a day-to-day basis. Periodically, management completes the Federal Financial Institutions Examination Council's Cybersecurity Assessment Tool to self-identify and measure the risk and maturity level of the Company's cybersecurity efforts. Results of this assessment are reported to the Management Enterprise Risk and Board Enterprise Risk Committees. In addition, multiple third parties, including external auditors, are used to validate the Company's current cybersecurity practices to the Board. Actions of the Management Enterprise Risk Committee are routinely monitored and reported to the Board Enterprise Risk Committee.

The Board of Directors recognizes that no policy can anticipate all the conditions, situations and opportunities that may arise during the normal course of operations. Therefore, the Board of Directors expects management to exercise prudent judgment in the day-to-day implementation of the Company's risk management policies.

Nominating Procedures

As described above, the Company has a standing Nominating and Corporate Governance Committee that has the responsibility to identify and recommend individuals qualified to become directors. The Nominating and Corporate Governance Committee evaluates the qualifications and performance of incumbent directors before deciding to recommend them for re-election to the Board. The Nominating and Corporate Governance Committee recommended the nominees for election as directors at the Annual Meeting. When considering potential candidates for the Board, the Nominating and Corporate Governance Committee strives to assure that the composition of the Board, as well as its practices and operation, contribute to value creation and to the effective representation of the Company's shareholders. Although the Company does not have a formal diversity policy, the Nominating and Corporate Governance Committee is guided by the Nominating and Corporate Governance Charter in fulfilling its responsibility to identify and recommend individuals qualified to become directors. The Nominating and Corporate Governance Committee considers it essential that the Board, as a whole, should be diverse with respect to skills, experience, perspective, age, background and

geography as these criteria relate to the Company's market area and the financial services industry. The Nominating and Corporate Governance Committee may consider the above factors as it deems appropriate in evaluating director candidates. Depending upon the current needs of the Board, certain factors may be weighed more or less heavily by the Nominating and Corporate Governance Committee. From time to time, the Nominating and Corporate Governance Committee may deem it prudent to recruit individuals with education and expertise in a specific discipline, such as accounting, finance or law.

In considering candidates for the Board, the Nominating and Corporate Governance Committee evaluates the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met by a Nominating and Corporate Governance Committee-recommended nominee. However, the Nominating and Corporate Governance Committee does believe that all members of the Board should have the highest character and integrity; a reputation for working constructively with others; sufficient time to devote to Board matters; and no conflict of interest that would interfere with performance as a director. Additionally, the Company is a highly-regulated institution and all director candidates are subject to the requirements of applicable federal and state banking laws and regulations.

The Nominating and Corporate Governance Committee considers candidates for the Board from any reasonable source, including recommendations from shareholders and existing directors. The Nominating and Corporate Governance Committee does not evaluate candidates differently based on who has made the recommendation. The Nominating and Corporate Governance Committee has the authority to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates. No such consultants or search firms have been used to date and, accordingly, no fees have been paid to consultants or search firms.

Shareholders may recommend director candidates for consideration by the Nominating and Corporate Governance Committee by writing to the Chairman of the Nominating and Corporate Governance Committee, currently Mr. Saunders, at the Company's executive offices, P.O. Box 240, Gallipolis, Ohio 45631. The recommendation should give the candidate's name, age, business address, residence address, principal occupation or employment and number of common shares beneficially owned. The recommendation should also describe the qualifications, attributes, skills or other qualities of the recommended director candidate. A written statement from the candidate consenting to be named as a director candidate and, if nominated and elected, to serve as a director should accompany any such recommendation.

Shareholders who wish to nominate an individual for election as a director at an annual meeting of the shareholders of the Company must comply with the Company's Code of Regulations regarding shareholder nominations. Shareholder nominations must be made in writing and delivered or mailed to the President of the Company, currently Mr. Wiseman, at the Company's executive offices, P.O. Box 240, Gallipolis, Ohio 45631, not less than 14 days nor more than 50 days prior to any meeting of shareholders called for the election of directors. However, if less than 21 days' notice of the meeting is given to the shareholders, the nomination must be mailed or delivered to the President not later than the close of business on the seventh day following the day on which the notice of the meeting was mailed to the shareholders. Each nomination must contain the following information to the extent known by the nominating shareholder: (a) the name and address of each proposed nominee; (b) the principal occupation of each proposed nominee; (c) the total number of common shares of the Company that will be voted for each proposed nominee; (d) the name and residence address of the nominating shareholder; (e) the number of common shares of the Company beneficially owned by the nominating shareholder; and (f) any other information required to be disclosed with respect to a nominee for election as a director under the proxy rules promulgated under the Exchange Act. Nominations not made in accordance with the Company's Code of Regulations will not be considered.

Compensation Program

Overview of Compensation Program

The executive officers of the Company receive no compensation from the Company. Instead, they are paid by subsidiaries for services rendered in their capacities as executive officers of subsidiaries of the Company.

The Compensation and Management Succession Committee (the "Compensation Committee") is responsible for reviewing and approving goals and objectives relevant to the compensation of the Company's executive officers (including the named executive officers), evaluating such executive officers' performance in light of those goals and objectives and determining compensation based on that evaluation. As part of that responsibility, the Compensation Committee reviews the Company's bonus program as well as retirement plans and recommends changes to such programs and plans to the Board of Directors as necessary. The Compensation Committee believes the goals and objectives relevant to the compensation of the Company's employees, including executive officers, do not incent excessive risk taking and are not reasonably likely to create a material adverse effect on the Company. The Company continues to face numerous risks, as do all institutions, which could threaten its value. The most prominent of these risks are credit, interest rate, liquidity, strategic, operational and reputational risk. The Compensation Committee believes the risk management controls currently in place in conjunction with performance goals that properly balance earnings growth and asset quality effectively address the risks inherent in the current economic environment. Although the Compensation Committee also has responsibility for reviewing any severance or other termination arrangements to be entered into with the Company's executive officers, there are no such arrangements currently.

The Compensation Committee makes all compensation decisions regarding the named executive officers, and the Compensation Committee's Charter does not provide for delegation of its responsibilities. The Compensation Committee utilizes data and reports prepared or assembled by management in conjunction with the assistance of an independent compensation consulting firm and includes, but is not limited to, peer analysis of comparable financial industry job grades, merit adjustments, and a base salary and/or total compensation benchmarking primarily for Ohio and the Midwest Region of the United States. Our Chief Operating Officer works with the Compensation Committee Chair in establishing the agenda for Compensation Committee meetings. The Chief Executive Officer and Chief Operating Officer regularly attend meetings briefing the Compensation Committee on the Company's overall performance. With respect to developing compensation packages, annually the Chief Executive Officer reviews the performance of each executive officer (excluding his own, the Chief Operating Officer and that of the Chairman of the Board) by comparing results achieved to established goals as well as the overall performance of the Company as compared to Board approved corporate performance goals. This data, along with salary data derived from the Company's wage and salary administration plan, are the bases for his recommendations to the Compensation Committee with respect to the compensation of the other executive officers, including base salary adjustments and annual bonus payments. The Compensation Committee considers the Chief Executive Officer's recommendations and uses its own discretion in making the final compensation decisions. The Compensation Committee regularly conducts executive sessions, without the presence of management, in fulfilling its responsibilities pursuant to its charter.

Compensation Philosophy and Objectives

The objectives of the compensation programs of the Company and its subsidiaries are that:

- compensation of the Company's executive officers and non-executive officers should be directly linked to corporate operating performance;
- executive officers and non-executive officers should receive fair and equitable compensation for their respective levels of responsibility and supervisory authority compared to their peers within the Company as well as their peers within the financial services industry; and
- compensation of the Company's executive officers and non-executive officers should not incent excessive risk taking nor be reasonably likely to have a material adverse effect on the Company.

The Company utilizes a comprehensive wage and salary administration plan for the Company and its subsidiaries to be used for all employees, including executive officers. That plan consists of a job grading process for all jobs in the Company, a performance appraisal process, and a periodic base salary and/or total compensation benchmarking process to determine compensation market ranges for all job grades. The Company believes that it is essential to attracting and retaining qualified officers in its industry that compensation be competitive with that of other companies within the industry. Further, in order to motivate such individuals to perform to the best of their abilities in furthering the Company's goals, the Company also believes there must be an opportunity for such officers to benefit personally from increased efforts and the Company's achievement of its goals.

The Compensation Committee, in conjunction with the Lead Director, annually conducts a performance appraisal to evaluate the performance of Messrs. Smith, Wiseman and Miller in achieving the expected requirements of their jobs. The Compensation Committee reviews the performance appraisals of the other named executive officers conducted by their supervisors. The Compensation Committee seeks to ensure that an employee whose performance "meets" expectations will, over time, receive cash compensation at or near the midpoint of the market range for similar jobs in the financial services industry. An employee whose performance "exceeds" or "far exceeds" expectations will move faster within the pay range than an employee whose performance "meets" expectations. An employee whose performance "does not meet expectations" is not eligible for a merit increase.

The Board of Directors adjusts compensation programs over time to support the Company's business goals. At the beginning of each year, the Board of Directors establishes Company goals with respect to various performance measures. In December of each year, the Compensation Committee evaluates the performance of the Company relative to the goals and makes a recommendation to the Board with respect to bonuses to be awarded to employees.

Using a salary grade structure adopted by the Company in 2011 with the assistance of Blanchard Consulting Group, in 2017 the Compensation Committee engaged Blanchard Consulting Group to conduct an external market base compensation review in order to update salary grade midpoints with changes occurring in the market. Blanchard Consulting Group was instructed to provide summary statistics of the Company and regional and national peer banks on performance data, number of employees, number of branches and salary expenditures as compared to assets, employees, revenue and other factors, and conduct a cost of living and average salary analysis for all of the Company's markets. The Compensation Committee used that information, the employee performance appraisals and the extent of achievement of Company goals in determining compensation for 2018.

When the Compensation Committee considered compensation to be paid to executive officers for 2019, the Compensation Committee considered the say-on-pay vote held in May 2018, where over 99% of the votes cast on named executive officer compensation were voted to approve the executive compensation disclosed in the proxy statement. The Compensation Committee recognized that the shareholder vote indicated shareholder support for the Board's compensation philosophy and practice.

Executive Compensation Components and Analysis

The components of the compensation program currently are: a base salary, a bonus, retirement plans and insurance benefits. Other than the employee stock ownership plan, the Company has no equity-based compensation plans.

Base Salary

The objective of the base salary component of the cash compensation plan is to provide predictable and reliable cash compensation sufficient to attract and retain motivated officers and to recognize and reward individual performance. In fulfilling that objective, the Compensation Committee desires that each employee, including the named executive officers, who achieves an overall performance evaluation of "meets expectations" should, over time, receive a base salary at or near the midpoint of the marketplace range.

Bonuses

The objectives of the bonus component of the Company's compensation program are to: (a) motivate executive officers and other employees and reward such persons for the accomplishment of both annual and long range goals of the Company and its subsidiaries, (b) reinforce a strong performance orientation with differentiation and variability in individual awards based on contribution to long-range business results and (c) provide a fully competitive compensation package that will attract, reward, and retain individuals of the highest quality. Typically, all employees of the Company's subsidiaries holding positions with a pay grade of 9 or above, as well as some employees who were graded 9 or above before the redesign of the salary structure, are eligible to participate in the bonus program, including all of the named executive officers. In addition, select employees of the Company, who previously were employees of The Milton Banking Company, are also eligible to participate in the bonus program.

Bonuses payable to participants in the bonus program are based on (a) the performance of the Company and its subsidiaries as measured against specific performance targets; and (b) each employee's individual performance. At the beginning of each fiscal year, the Compensation Committee sets specific performance targets for the Company and its subsidiaries based on a combination of some or all of a number of performance criteria. The targets are based on one or more of the following performance criteria: net income, net income per share, return on assets, return on equity, asset quality (as measured by the ratio of adversely classified assets to tier 1 capital plus the ALLL), tier 1 leverage ratio and efficiency ratio. It is the objective of the Compensation Committee to establish goals that are "reaching" but "reachable." The Compensation Committee may not consider the goals to be of equal weight, but, in the aggregate, it considers them to be fundamental metrics which are important to the long-term performance of the Company and which,

at the same time, do not expose the Company to, nor incent the employees to undertake, excessive risks which would threaten the Company's long-term value. At the end of the fiscal year, the aggregate amount available for the payment of a bonus, if any at all, is determined by the Company's Board of Directors upon recommendation of its Compensation Committee based on an evaluation of the accomplishment of the performance targets. A bonus may be paid without targets having been established or achieved. No officer or employee has any right to the payment of a bonus until the Board of Directors has exercised its discretion to award one and the amount to be paid to each person has been determined and announced.

Once the aggregate amount of the bonus pool is determined, individual bonus awards, for eligible employees in grades 11 and below, are typically determined through a formula that applies each employee's performance evaluation score to a "bonus grid," reflecting the individual employee's job grade and individual job performance using the Performance Criteria referenced above. For employees in grades 12 and above, individual bonus awards are determined by the level of achievement by the Company and its subsidiaries of some or all of a number of previously mentioned performance metrics. Upon the recommendation of the Compensation Committee and if approved by the Board, individual bonus awards for grades 12 and above are typically awarded as a percent of base compensation. Employees are evaluated by their supervisors, except for Messrs. Smith, Wiseman and Miller, who are evaluated by the Compensation Committee. The Company's Board of Directors approves the bonuses payable to the executive officers under the bonus program based upon the recommendation of the Compensation Committee. For 2018 bonus amounts, goals were based on net income, the efficiency ratio and asset quality.

Executive Retirement Plans

The Board of Directors has established several retirement plans, in order to provide competitive compensation arrangements to attract talented employees and to provide a valuable incentive to retain talented employees once employed. These plans, described below, offer an additional level of confidence that the executive officers, including the named executive officers, can focus exclusively on their responsibilities as executive officers during their working lives and be assured that they can maintain a reasonable standard of living in retirement.

Executive Deferred Compensation Plan. The Company maintains a nonqualified executive deferred compensation plan for all of the Company's executive officers and certain other officers. The deferred compensation plan is strictly voluntary. Participants in the plan, upon reaching age 65, are eligible to receive a distribution of their contributions, plus accrued interest earned at a designated rate on reinvestment of the contributions. In 2018, the rate paid was 3.59%. The Board of Directors annually reviews and updates the assumed earnings crediting rate to a rate no greater than the lesser of Moody's 20 year AA corporate bond rate and 120% of the long term applicable federal rate (the "AFR"). If a participant dies before reaching age 65 and the participant qualifies, the distribution will be made to the participant's designated beneficiary in an amount equal to what the participant would have accumulated if the participant had reached age 65 and had continued to make contributions to the plan. The Company believes that the cost of providing the benefit will be offset by earnings on and/or proceeds from life insurance contracts associated with the benefit. Each executive may defer up to \$10,000 each year.

Supplemental Executive Retirement Agreements. The Company maintains a nonqualified supplemental executive retirement agreement (a "SERP") for each of Mr. Smith, Mr. Wiseman and Mr. Miller.

The amount of Mr. Smith's annual benefit is \$117,100 if Mr. Smith's employment is terminated on or after age 65 for any reason other than termination for "cause". Cause consists of gross negligence, gross neglect of duty, commission of a felony or gross misdemeanor involving moral turpitude, or fraud, disloyalty, dishonesty or willful violation of any law or significant Company policy committed in connection with Mr. Smith's employment and resulting in an adverse effect on the Company. Payments are required to be made monthly for 20 years.

The Bank and Mr. Wiseman executed a SERP for the benefit of Mr. Wiseman, effective March 6, 2012. Mr. Wiseman's SERP is an unfunded arrangement maintained to provide supplemental retirement benefits for Mr. Wiseman. Pursuant to the SERP, if Mr. Wiseman is still employed by the Bank or any of its affiliated entities upon reaching the age of 65, or if before Mr. Wiseman reaches the age of 65, he becomes disabled or there is a change in control of the Bank (each as defined in the SERP), the Bank will commence paying to Mr. Wiseman at age 65 a monthly payment for the remainder of his life in the amount that will be paid from certain annuities fully owned by the Bank. At the time of Mr. Wiseman's death, whether before or after reaching the age of 65, Mr. Wiseman's beneficiary will be paid the amount that should have been accrued by the Bank to date under generally accepted accounting principles for the payment of the benefits under the SERP in 120 equal monthly installments. Mr. Wiseman will not be entitled to any benefit in the event that he ceases to be employed by the Bank or another entity affiliated with the Bank, for any reason other than death, disability or change in control, before he reaches age 65. The projected annual retirement benefit is \$245,900. The Bank retains the right to sell or surrender the annuities purchased by the Bank to fund the SERP. The Bank may establish a rabbi trust and

contribute the funds for the SERP to such trust, which will remain subject to the rights of creditors of the Bank. The Bank is required to establish such a trust if it sells or surrenders the annuities.

The Bank and Mr. Miller executed a SERP for the benefit of Mr. Miller, effective December 1, 2015. The amount of Mr. Miller's annual benefit is \$170,468 if Mr. Miller's employment is terminated on or after age 65 for any reason other than termination for "cause". Cause consists of gross negligence, gross neglect of duty, commission of a felony or gross misdemeanor involving moral turpitude, or fraud, disloyalty, dishonesty or willful violation of any law or significant Company policy committed in connection with Mr. Miller's employment and resulting in an adverse effect on the Company. Payments are required to be made monthly for 20 years.

If Mr. Miller's employment is terminated after he reaches age 60 or 20 years of service but before age 65, and other than for death or disability, the Company will pay Mr. Miller an amount equal to the Company's accrued liability for the Company's liability to Mr. Miller. The payments will be made monthly for 20 years. The same benefit will be paid to Mr. Miller upon termination due to disability or involuntary termination before age 65, other than for cause or death.

If Mr. Miller dies before separation from service and disability, his beneficiary will be entitled to payments of \$170,468 per year for 20 years. If Mr. Miller were to retire during 2019, he would be eligible to receive early retirement benefits under his SERP in the amount of \$31,209 annually. Mr. Miller will not be entitled to a benefit if he terminates his employment before age 60 or 20 years of service for any reason other than death, disability, or involuntary termination.

Director Retirement Plan

Participants in the Director Retirement Plan, upon reaching age 70, are eligible to receive the greater of 50% of the director's three prior years' average total annual or monthly fees or 50% of any consecutive three prior years average total annual or monthly fees. The benefit is payable for 240 months. If a director dies during active service, payment will be made to the director's designated beneficiary in an amount equal to what the director would have received had the director reached age 70, except the benefit term will be reduced to 60 months. If the director dies during the payment of benefits, payment will be made to the director's designated beneficiary for the lesser of the remaining term or 60 additional months. The Company believes that the cost of providing the benefit will be offset by earnings on and/or proceeds from life insurance contracts associated with the benefit. As directors, Messrs. Smith and Wiseman are participants in the Director Retirement Plan. If Mr. Smith had retired at December 31, 2018, his monthly payment would have been \$797 for 240 months. If he had died on that date, the monthly benefit would have been \$797 for 60 months. If Mr. Wiseman had retired at December 31, 2018, his monthly payment would have been \$897 for 240 months. If he had died on that date, the monthly benefit would have been \$897 for 60 months. Lead Director Fees or other special director fees, if any, are not included in the calculation of benefits under the Director Retirement Plan. The Board of Directors began the Director Retirement Plan in 1996 to encourage an age certain retirement date for Board members as a method of planning director succession.

Director Deferred Fee Plan

The Company makes available a nonqualified director deferred fee agreement for each of the Company's directors. The director deferred fee plan is strictly voluntary. At the annual meeting following the participant's 70th birthday, the participant is eligible to receive a distribution of the director's contributions, plus accrued interest earned at a designated rate on reinvestment of the contributions. In 2018, the rate paid was 3.59%. The Board of Directors annually reviews and updates the assumed earnings crediting rate to a rate no greater than the lesser of Moody's 20 year AA corporate bond rate and 120% of the long-term AFR. Generally, if a participant dies before the annual meeting following the participant's 70th birthday, and the participant qualifies, the distribution will be made to the participant's designated beneficiary in an amount equal to what the participant would have accumulated if the participant had lived until the annual meeting following the participant's 70th birthday and had continued to make contributions to the plan. Mr. Eastman's agreement provides for a death benefit equal to his accrued balance if he dies prior to the annual meeting following his 70th birthday. Although Messrs. Smith and Wiseman do not currently defer fees under this plan, they are each still participants with amounts in the plan earning interest. The Company believes that the cost of providing the benefit will be offset by earnings on and/or proceeds from life insurance contracts associated with the benefit. Each director may defer up to \$10,000 each year, less any amount deferred under the Executive Deferred Compensation Plan.

Executive Life Insurance

In addition to optional life insurance that the Company makes available to all employees, the Company maintains life insurance on each of the named executive officers of the Company on which the Company paid the entire premium upon purchase. The Company is the sole owner of each policy, but the Company has entered into an agreement with each named executive officer agreeing to provide to such officer's designated beneficiary from the proceeds of the policy an amount equal to the lesser of (a) two times the officer's highest total annual compensation during any calendar year, including the year of the officer's death, or (b) the face

amount of the life insurance policy. The Company agrees not to sell, surrender or transfer the policy without giving the officer the option to purchase the policy for the fair market value of the policy.

The following table sets forth the amount that would have been payable for each named executive officer covered by Executive Life Insurance at December 31, 2018:

Name	Benefit at December 31, 2018
Jeffrey E. Smith	\$ 643,564
Thomas E. Wiseman	951,784
Larry E. Miller, II	457,926

Director Life Insurance

The Company maintains a life insurance policy for all Directors, with a death benefit of two times annual director fees at time of death reduced by 35% at age 65 and 50% at age 70. The life insurance policies terminate upon retirement. Messrs. Smith and Wiseman, as employees of a subsidiary of the Company, are excluded from this benefit under the terms of the Company's group term life insurance program.

Retirement Plans for All Employees

Profit Sharing Retirement Plan. The Company sponsors a qualified Profit Sharing Retirement Plan for all of its employees, including the named executive officers. Each employee who is at least 21 years of age, has completed 1,000 hours and one year of service to the Company or a subsidiary, and is employed on the last day of the plan year is qualified to participate in the Profit Sharing Retirement Plan. The Board of Directors determines the amount to contribute to the Profit Sharing Retirement Plan each December in its discretion based on the performance and financial condition of the Company. In 2018, the Compensation Committee contributed 2.17% of total Company payroll to the Profit Sharing Retirement Plan. Each eligible participant received a pro rata share of the Company's contribution as well as a pro rata share of reallocated forfeitures (such pro rata share, in each case, based upon such participant's eligible compensation). The named executive officers' share of the 2018 contribution and reallocated forfeitures is reported in the Summary Compensation Table on page 22.

401(k) Retirement Plan. The Company sponsors a qualified 401(k) Plan under the Profit Sharing Retirement Plan. Participants' qualifications are identical to those of the Profit Sharing Retirement Plan. In cases where participants made deferrals to the 401(k) Plan, the Company made a matching contribution equal to 25% of the amount deferred by each employee, up to a maximum deferral amount of 6% not to exceed 1.50% of the participant's eligible plan compensation under the 401(k) Plan. The named executive officers' share of the 2018 contribution and reallocated forfeitures is reported in the Summary Compensation Table on page 22.

Employee Stock Ownership Plan. The Company sponsors an employee stock ownership plan (the "ESOP") for all of its employees, including the named executive officers. Participant qualifications are identical to those of the Profit Sharing Retirement Plan. The Board of Directors determines the amount to contribute to the ESOP each December in its discretion based on the performance and financial condition of the Company. In December 2018, the Board of Directors voted to contribute 5.08% of total Company payroll to the ESOP. Each participant's share of contributions and reallocated forfeitures is also identical to those of the Profit Sharing Retirement Plan. The named executive officers' share of the 2018 contributions and reallocated forfeitures is reported in the Summary Compensation Table on page 22.

Other Benefits

Executive officers of the Company also receive benefits available to all employees, including group term life insurance, health insurance, short- and long-term disability, flexible benefits/cafeteria plan and optional life insurance.

Tax Deductibility of Compensation

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public corporations for non-qualifying compensation in excess of \$1 million paid to covered persons in any fiscal year. Neither the Company nor any subsidiary has a policy requiring that all compensation in 2018 and thereafter to the covered officers be deductible under Section 162(m). The Boards of Directors of the Company and the subsidiaries do, however, consider carefully the after-tax cost and value to the Company and the subsidiaries of all compensation. The Board of Directors believes that all compensation paid to covered persons in 2018 was fully deductible.

Post-termination or Change in Control Compensation

Neither the Company nor any of its subsidiaries has executed a separate employment, severance or change in control agreement with any of the executive officers of the Company.

Certain compensation plans provide benefits payable upon termination. Benefits payable to the named executive officers upon termination under the Executive Deferred Compensation Plan and the Director Deferred Fee Plan are described under the heading “Compensation Program – Executive Retirement Plans – Executive Deferred Compensation Plan” and under the heading “Compensation Program – Executive Retirement Plans – Director Deferred Fee Plan”. Benefits payable to Mr. Smith, Mr. Wiseman and Mr. Miller under their SERPs are described under the heading “Compensation Program – Executive Retirement Plans – Supplemental Executive Retirement Agreements” on page 19. Benefits payable to Mr. Smith and Mr. Wiseman under the Director Retirement Plan are described under the heading “Compensation Program – Director Retirement Plan” on page 20. Benefits payable to named executive officers under executive and director life insurance policies are described under the heading “Compensation Program – Executive Life Insurance” on page 20 and “Compensation Program – Director Life Insurance” on page 21.

Regardless of the manner in which a named executive officer's employment terminates, the officer will be entitled to receive amounts earned during his or her employment under the Profit Sharing Retirement Plan, the 401(k) Plan and the ESOP. Named executive officers will also be entitled to benefits upon death or disability under group plans available to all employees of the Company or the Bank.

Director Compensation

All of the directors of the Company also serve as directors of the Bank. Members of the Board of Directors of the Company receive compensation for their services rendered as directors of the Bank, not the Company. In 2018, each director who was not an employee of the Company or any of its subsidiaries received \$750 per month for his or her service as a member of the Board of Directors of the Bank. Directors who were employees of one of the subsidiaries of the Company received \$350 per month in 2018 for their services. In addition, each director of the Bank received an annual retainer of \$17,000 in 2018. This figure is pro-rated for time served for new or retiring members.

In January 2010, the Independent Directors appointed David W. Thomas as Lead Independent Director. The Lead Independent Director's responsibilities are to chair Board and committee meetings in the absence of the Chief Executive Officer as well as chair the monthly meetings of the independent directors. In addition to the fees outlined above, Mr. Thomas will receive \$18,000 for his services as Lead Independent Director in 2019.

Each non-employee director who was a member of the Executive Committee of the Bank (Anna P. Barnitz, Harold A. Howe, Brent A. Saunders and David W. Thomas) received fees of \$40,695 in 2018. This figure is pro-rated for time served for new and retired members. Executive Committee members who are employees of the Bank receive no compensation for serving on the Executive Committee, except for Thomas E. Wiseman, whose current salary includes \$40,000 for his duties as Chairman of the Executive Committee. The Executive Committee of the Bank met 28 times in 2018.

The Company maintains a life insurance policy for all directors with a death benefit of two times annual director fees at time of death, reduced by 35% at age 65 and 50% at age 70. The life insurance policies terminate upon retirement. Messrs. Smith and Wiseman, as employees of the Bank, are excluded from this benefit under the terms of the Bank's group term life insurance program.

In December 1996, life insurance contracts were purchased by the Company for all directors and certain officers, and additional contracts have been purchased as new directors and officers have joined the Company. The Company is the owner of the contracts. The purpose of these contracts was to replace a current group life insurance program for executive officers, implement a deferred compensation plan for directors and executive officers, implement a director retirement plan, and implement a supplemental retirement plan for certain officers.

For a description of the director retirement and deferred compensation agreements, see “Compensation Program – Director Retirement Plan” and “Compensation Program – Director Deferred Fee Plan”.

The following table summarizes the compensation paid to directors (except those included in the Summary Compensation Table) for the fiscal year ended December 31, 2018:

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Bank has had and expects to have in the future banking transactions in the ordinary course of the Bank's business with some of the directors, officers and principal shareholders of the Company and entities with which they are associated. The Board of Directors has determined that all of the directors except Messrs. Jones, Smith and Wiseman are "independent" under the listing standards of Nasdaq. In determining independence, the Board of Directors considered loan and deposit relationships with each director or with persons related to or affiliated with the director; fees paid to Mr. Saunders for legal services; the lease between the Bank and Ohio Valley Supermarkets, Inc., in which Mr. Eastman has an ownership interest; and promissory notes issued by the Company to Mr. Eastman, family members of Mr. Eastman and Mr. Thomas's parents. The rules of Nasdaq do not deem such relationships to disqualify a director from being deemed independent. In addition, all loans by the Bank in which a "related person," within the meaning of Item 404(a) of Regulation S-K of the SEC, had or will have a direct or indirect material interest since the beginning of fiscal year 2018 (a) were not disclosed as nonaccrual, past due, restructured or potential problems; (b) were made in the ordinary course of business; (c) were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to the lender; and (d) did not involve more than the normal risk of collectability or present other unfavorable features. As of the date of this Proxy Statement, all of such loans were performing loans. The Board of Directors does not believe such relationships interfere with the directors' exercise of independent judgment in carrying out their responsibilities as directors.

Brent A. Saunders, LPA received retainer fees of \$20,000 for legal services to the Company and its subsidiaries during the Company's 2017 fiscal year, as approved by the Board of Directors in December 2016. In December 2017, the Board of Directors approved the payment to Mr. Saunders of \$21,000 in retainer fees for legal services to the Company and its subsidiaries during the Company's 2018 fiscal year. The Board of Directors determined that such a relationship does not interfere with Mr. Saunders' exercise of independent judgment in carrying out his responsibilities as a director; rather, in fact, Mr. Saunders' legal experience provides value to his service as a director.

The Bank's Pomeroy Save-A-Lot office is leased from Ohio Valley Supermarkets, Inc., of which Mr. Eastman is the President and has an ownership interest. The Board of Directors determined that such relationship does not interfere with Mr. Eastman's exercise of independent judgment in carrying out his responsibilities as a director.

From time to time, the Company accepts loans from various persons to raise funds for ongoing operations and to fund the growth of the Company and its subsidiaries. These loans are evidenced by promissory notes, which are sold by the Company in private placements to accredited investors without registration under the Securities Act of 1933, as amended.

Since the beginning of 2017, the Company had outstanding at various times 6 separate promissory notes to Mr. Eastman, his brother and a revocable trust with respect to which Mr. Eastman's mother serves as trustee. Of the 6 notes outstanding to Mr. Eastman and his family members, all were renewals of loans that had been made prior to 2017. The notes had terms of 2 years or 3 years. All of those 6 notes remained outstanding at March 22, 2019. No principal was actually paid to the Eastmans on any of such notes since January 1, 2017; interest was paid and new notes were executed upon maturity.

The following table sets forth certain information regarding the notes issued by the Company to the Eastmans that were outstanding at any time since the beginning of 2017:

Name	Largest Amount Outstanding Since January 1, 2017	Amount Outstanding at March 22, 2019	Principal Paid Since January 1, 2017	Interest Paid Since January 1, 2017	Interest Rate
Brent R. Eastman	\$360,000	\$360,000	\$0	\$0	1.75%
Kevin W. Eastman	\$360,000	\$360,000	\$0	\$0	1.75%
Sheila E. Eastman Revocable Trust	\$527,025	\$527,025	\$0	\$15,350	2.35%
Sheila E. Eastman Revocable Trust	\$530,720	\$530,720	\$0	\$15,922	2.85%
Sheila E. Eastman Revocable Trust	\$632,882	\$632,882	\$0	\$0	1.50%
Sheila E. Eastman Revocable Trust	\$747,592	\$747,592	\$0	\$0	1.93%

The Company also had outstanding 2 separate promissory notes to Mr. Thomas's parents since the beginning of 2017. The notes have terms of 15 months or 1 year. Each of these notes remained outstanding at March 22, 2019. The following table sets forth certain information regarding the notes issued by Company to the Thomases that were outstanding at any time since the beginning of 2017:

Name	Largest Amount Outstanding Since January 1, 2017	Amount Outstanding at March 22, 2019	Principal Paid Since January 1, 2017	Interest Paid Since January 1, 2017	Interest Rate
Wendell B. & Lois A. Thomas	\$450,000	\$150,000	\$300,000	\$7,606	2.00%
Wendell B. & Lois A. Thomas	\$250,000	\$250,000	\$0	\$0	2.30%

John G. Jones's son, Ryan J. Jones, is currently Vice President of the Company and Senior Vice President and Chief Risk Officer of the Bank. His compensation totaled approximately \$216,404 for 2018, and \$207,817 for 2017. Each year's compensation includes salary, bonus, and benefits available to all employees.

In connection with the merger of Milton Bancorp and the Company, the Company, the Bank and Ryan J. Jones executed a Change in Control Agreement providing, generally, that if Mr. Jones' employment is terminated without cause within one year after a change in control of the Company, Mr. Jones will be entitled to receive (upon execution of a general release and waiver) a lump sum payment equal to two times the greater of his compensation paid in the taxable year immediately prior to the merger and the highest compensation paid to Mr. Jones for a taxable year at any time between the effective date of the merger and the date of the change in control. In exchange for the right to receive the payments, Mr. Jones agreed to non-solicitation and confidentiality restrictions during and after the termination of his employment.

PROXY ITEM 2: ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, as codified in Section 14A of the Securities Exchange Act of 1934, and regulations of the SEC adopted under that Act, give the Company's shareholders an opportunity to vote to approve the compensation of our named executives as disclosed in this proxy statement. At the Annual Meeting of Shareholders of the Company held on May 10, 2017, one of the matters voted upon by the shareholders of the Company was the non-binding advisory vote on the frequency of future non-binding advisory votes on executive compensation. At that time, shareholders voted to recommend non-binding advisory votes on executive compensation every year. After consideration of such vote, the current policy of the Company's Board of Directors is to provide a vote on approval of the compensation paid to the Company's named executive officers annually. Accordingly, unless the Board changes the frequency of future votes, the next vote on approval of named executive officer compensation will occur at the 2020 Annual Meeting of Shareholders.

Our named executive officers are those individuals included in the Summary Compensation Table on page 22 in this proxy statement. The compensation being approved is the compensation required to be disclosed in this proxy statement by the rules of the SEC, including the compensation described in the compensation program description, the compensation tables and any related material disclosed in this proxy statement.

The vote is advisory in nature and therefore will not bind the Board of Directors to take any particular action. Nevertheless, if there is a significant vote against approval of the compensation, the Board of Directors intends to attempt to determine the reason for such negative votes and may make changes to executive compensation based on its findings.

The Board of Directors has structured the Company's executive compensation program with the following objectives in mind: compensation should be directly linked to corporate operating performance, and all officers should receive fair and equitable compensation for their respective levels of responsibility and supervisory authority compared to their peers within the Company as well as their peers within the financial services industry. The Board of Directors urges you to read the section headed "Compensation Program" starting on page 17 of this proxy statement and the related compensation tables and narrative on pages 22 through 25.

The Board of Directors is asking you to approve the following resolution, which will be submitted for a shareholder vote at the Annual Meeting:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed in the Company's proxy statement for the 2019 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and the related material, is hereby APPROVED.

The Board of Directors unanimously recommends that you vote FOR approval of the compensation paid to the named executive officers.

AUDIT COMMITTEE MATTERS

Report of the Audit Committee of the Board of Directors for the Fiscal Year Ended December 31, 2018

The Audit Committee has submitted the following report for inclusion in this proxy statement:

Role of the Audit Committee, the Independent Registered Public Accounting Firm and Management

The Audit Committee consists of four directors who qualify as independent under applicable Nasdaq rules as well as under Rule 10A-3 promulgated under the Exchange Act. The Audit Committee operates under a written charter adopted by the Board of Directors.

The Audit Committee appoints the Company's independent registered public accounting firm and oversees the Company's financial and reporting processes on behalf of the Board of Directors. Management is responsible for the Company's consolidated financial statements and its accounting and financial reporting processes, including the establishment and maintenance of an adequate system of internal control over financial reporting. Management is also responsible for preparing its report on the establishment and maintenance of, and assessment of the effectiveness of, the Company's internal control over financial reporting. Crowe LLP ("Crowe"), the independent registered public accounting firm employed by the Company for the 2018 fiscal year, is responsible for auditing the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and issuing its report thereon based on such audit, for issuing an attestation report on the Company's

internal control over financial reporting and for reviewing the Company's unaudited interim consolidated financial statements. The Audit Committee's responsibility is to provide independent, objective oversight of these processes.

Review and Discussion with Management and the Independent Registered Public Accounting Firm

As part of its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited consolidated financial statements of the Company for the year ended December 31, 2018, including a discussion of the quality, and not just the acceptability, of the accounting principles applied, the reasonableness of significant judgments and the clarity of disclosures in the audited financial statements. The Audit Committee also discussed with management and Crowe the adequacy and effectiveness of the Company's internal control over financial reporting and related accounting and financial controls. The Audit Committee also discussed with management and Crowe the interim financial and other information contained in the Company's earnings releases and SEC filings.

The Audit Committee discussed with Crowe the matters required by the standards of the Public Company Accounting Oversight Board (United States), including those described in Statement on Auditing Standard No. 1301, as amended, as adopted by the Public Company Accounting Oversight Board, and, with and without management present, reviewed and discussed the results of Crowe's examination of the Company's consolidated financial statements.

The Audit Committee also discussed with Crowe that firm's independence from the Company and its management. The Audit Committee obtained from Crowe the written disclosures and the letter from Crowe required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communication with the Audit Committee concerning independence. The Audit Committee discussed with Crowe any relationships or services that might affect that firm's objectivity and satisfied itself as to Crowe's independence.

Management's Representations and Audit Committee Recommendations

Management has represented to the Audit Committee that the Company's audited consolidated financial statements for the year ended December 31, 2018 were prepared in accordance with accounting principles generally accepted in the United States. The Audit Committee has reviewed and discussed with management and Crowe the audited consolidated financial statements, and management's report on the establishment and maintenance of, and assessments of the effectiveness of, the Company's internal control over financial reporting. Based on the reviews and discussions outlined above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2018.

Pre-Approval of Services Performed by Independent Registered Public Accounting Firm

Under applicable SEC rules, the Audit Committee is required to pre-approve the audit and non-audit services performed by the independent registered public accounting firm in order to assure that they do not impair that firm's independence from the Company. The SEC's rules specify the types of non-audit services that an independent registered public accounting firm may not provide to its audit client and establish the Audit Committee's responsibility for administration of the engagement of the independent registered public accounting firm. Accordingly, the Audit Committee has adopted, and the Board of Directors has ratified, an Audit and Non-Audit Services Pre-Approval Policy (the "Pre-Approval Policy"), which sets forth the procedures and the conditions pursuant to which services proposed to be performed by the Company's independent registered public accounting firm may be pre-approved.

The purpose of the Pre-Approval Policy is to set forth the procedures by which the Audit Committee intends to fulfill its responsibilities. It does not delegate the Audit Committee's responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

Consistent with the SEC's rules, the Pre-Approval Policy provides two different approaches to pre-approving services. Proposed services may either be pre-approved without consideration of specific case-by-case services by the Audit Committee

(“general pre-approval”) or require the specific pre-approval of the Audit Committee (“specific pre-approval”). The combination of these two approaches in the Pre-Approval Policy results in an effective and efficient procedure to pre-approve services performed by the independent registered public accounting firm. As set forth in the Pre-Approval Policy, unless a type of service has received general pre-approval, it will require specific pre-approval by the Audit Committee if it is to be provided by the independent registered public accounting firm. Any proposed services exceeding pre-approved cost levels or budgeted amounts will also require specific pre-approval by the Audit Committee.

The Audit Committee may delegate either type of pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

Appendices to the Pre-Approval Policy describe the services that have the general pre-approval of the Audit Committee. The term of any general pre-approval is 12 months from the date of pre-approval, unless the Audit Committee considers a different period and states otherwise. The Audit Committee will annually review and pre-approve the services that may be provided by the independent registered public accounting firm without obtaining specific pre-approval from the Audit Committee. The Audit Committee will add to or subtract from the list of general pre-approved services from time to time, based on subsequent determinations.

All requests or applications for services to be provided by the independent registered public accounting firm that do not require specific approval by the Audit Committee will be submitted to the Company’s Audit Liaison and must include a detailed description of the services to be rendered. The Audit Liaison will determine whether such services are included within the list of services that have received the general pre-approval of the Audit Committee. The Audit Committee will be informed on a timely basis of any such services rendered by the independent registered public accounting firm.

Requests or applications to provide services that require specific approval by the Audit Committee will be submitted to the Audit Committee by both the independent registered public accounting firm and the Audit Liaison, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC’s rules on auditor independence.

The Audit Committee has designated the Audit Liaison to monitor the performance of all services provided by the independent registered public accounting firm and to determine whether such services are in compliance with the Pre-Approval Policy. The Audit Liaison will report to the Audit Committee on a periodic basis on the results of this monitoring. Both the Audit Liaison and management will immediately report to the chairman of the Audit Committee any breach of the Pre-Approval Policy that comes to the attention of the Audit Liaison or any member of management.

**PROXY ITEM 3: RATIFICATION OF THE SELECTION OF CROWE LLP
AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has selected Crowe LLP as the Company's independent registered public accounting firm for fiscal year 2019. Crowe LLP has served as the Company's independent registered public accounting firm since 1992. Although not required, shareholders are being asked to ratify the appointment of Crowe LLP as the Company's independent registered public accounting firm for fiscal year 2019 as good corporate practice. The vote will not be binding on the Audit Committee. If the selection of Crowe LLP is not ratified, the Audit Committee will reconsider but may decide to maintain the appointment of Crowe LLP. Even if the selection is ratified by the shareholders, the Audit Committee may, in its discretion, retain a different independent registered public accounting firm at any time if such change would be in the best interests of the Company and its shareholders.

Management of the Company expects that a representative of Crowe LLP will be present at the Annual Meeting, will have the opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

The Board of Directors recommends a vote "FOR" the ratification of the selection of Crowe LLP as the independent registered public accounting firm for fiscal year 2019.
