

About Perceptron

Perceptron (NASDAQ:PRCP) supplies a comprehensive range of automated industrial metrology products and solutions to manufacturing organizations for dimensional gauging, dimensional inspection and 3D scanning. Products include 3D machine vision solutions, robot guidance, coordinate measuring machines, laser scanning, and advanced analysis software. Automotive, aerospace and other manufacturing companies globally rely on Perceptron's metrology solutions to assist in managing their complex manufacturing processes to improve quality, shorten product launch times and reduce costs. More than 900 systems, 12,000 Perceptron measuring sensors and over 3,000 COORD3 coordinate measuring machines are in active daily use worldwide. Headquartered in Plymouth, Michigan, Perceptron has subsidiary operations in the Brazil, China, Czech Republic, France, Germany, India, Italy, Japan, Singapore, Spain and the UK.
