- (1) This estimate represents the total projected development capacity for a development on owned land. The numbers shown include lots currently developed or to be developed over time, based on management's current estimates, and lots sold to date from inception of development.
- (2) Cost Basis reflects the Company's basis for consolidated properties and the venture's basis for joint venture properties. In some cases, the Company's share of a venture's basis may be different than the Company's investment due to capitalization of costs and impairments at the Company's investment level.
- (3) Includes Cost Basis of land tracts as detailed on the Inventory of Land Held schedule.
- (4) Callaway Gardens is owned in a joint venture which is consolidated with the Company. The partner is entitled to a share of the profits after the Company's capital is recovered.
- (5) All lots at Longleaf at Callaway and certain lots at Callaway Gardens and Blalock Lakes are sold to a homebuilding venture, of which the Company is a joint venture partner. As a result of this relationship, the Company defers some or all profits until houses are built and sold, rather than at the time lots are sold, as is the case with the Company's other residential developments. As of June 30, 2010, 128 houses have been sold by this venture.
- (6) The Company owns 50% of Temco Associates, LLC and CL Realty, L.L.C. See the Company's Annual Report on Form 10-K for the year ended December 31, 2009 for a description of these entities.
