- (a) Economic Occupancy represents the percentage of a property's square footage where rental revenue is being recognized. It excludes leases that are executed but whose term has not commenced.
- (b) This property is owned through a joint venture with a third party who has contributed equity, but the equity ownership and the allocation of the results of operations and/or gain on sale may be disproportionate.
- (c) These properties are shown as 100% owned by the Company; however, they are owned in a joint venture with a third party who may receive a participation in operations and/or on sale of the property depending upon achievement of certain thresholds.
- (d) This property was sold in July 2010.
