PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS

to be held at 11:00 a.m., Mountain Daylight Time, May 19, 2010
at the corporate office of Extra Space Storage Inc.,
2795 East Cottonwood Parkway, Suite 400, Salt Lake City, Utah 84121

We are furnishing this proxy statement to our stockholders in connection with the 2010 annual meeting of stockholders.

Our board of directors is soliciting proxies of our stockholders to vote their shares at the annual meeting. These proxy materials have been prepared by our management for the board of directors. This proxy statement and the form of proxy are first being furnished to our stockholders on or about April 5, 2010.

VOTING

Voting Shares at the Annual Meeting

Holders of record of our common stock as of the close of business on the record date, March 22, 2010, are entitled to receive notice of, and to vote at, the annual meeting. The outstanding common stock constitutes the only class of securities entitled to vote at the annual meeting and each share of common stock entitles the holder thereof to one vote. At the close of business on March 22, 2010, there were 87,085,364 shares of common stock outstanding. Stockholders can vote in person at the annual meeting or by proxy. There are three ways to authorize a proxy to vote your shares:

- By Internet—You can authorize your proxy over the Internet at www.voteproxy.com by following the instructions on the proxy card;
- By Telephone—Stockholders located in the United States can authorize their proxy by telephone by calling 1-800-PROXIES (1-800-776-9437) and following the instructions on the proxy card; or
- By Mail—If you received your proxy materials by mail, you can authorize a proxy by mail by signing, dating and mailing the enclosed proxy card.

Internet and telephone proxy facilities for stockholders of record will be available 24 hours a day and will close at 9:59 p.m., Mountain Daylight Time, Tuesday, May 18, 2010.

If your shares are held in the name of a bank, broker or other holder of record, you will receive instructions from the holder of record. You must follow the instructions of the holder of record in order for your shares to be voted. Internet and telephone proxy authorization also will be offered to stockholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you plan to vote your shares in person at the annual meeting, you should contact your broker or agent to obtain a legal proxy or broker's proxy card and bring it to the annual meeting in order to vote.

Shares will be voted as the stockholder of record instructs. The persons named as proxies on the proxy card will vote as recommended by our board of directors on any matter for which a stockholder has not given instructions. The board of directors' recommendations appear on page 3.

Revoking a Proxy

Stockholders of record may revoke their proxy and change their votes any time before their votes are cast by:

- giving written notice of revocation to our Corporate Secretary at our address prior to the annual meeting,
- authorizing a proxy again on a later date on the Internet or by telephone (only your latest Internet or telephone proxy submitted prior to the annual meeting will be counted),
- signing and forwarding to us a later-dated proxy, or
- attending the annual meeting and voting their shares of common stock in person.

Quorum and Vote Counting

The annual meeting requires a quorum, which means that a majority of the shares issued and outstanding as of the record date must be represented at the meeting. If a stockholder grants a proxy or attends the meeting in person, that stockholder's shares will be counted to determine whether a quorum is present, even if the stockholder abstains from voting on some or all matters introduced at the meeting. "Broker nonvotes" (as described below) also count for quorum purposes.

If shares are held through a broker, bank or other nominee, generally the nominee may vote the shares it holds for the stockholder in accordance with the stockholder's instructions. However, if the nominee has not received instructions within ten days prior to the meeting, the nominee may vote in its discretion only on matters that the New York Stock Exchange (the "NYSE") determines to be routine. If a nominee cannot vote on a particular matter because it is not routine, there is a "broker nonvote" on that matter.

The seven nominees for director who receive the highest vote totals will be elected as directors. All other matters must be approved by a majority of the votes cast by stockholders who are present or represented and entitled to vote at the annual meeting. Abstentions and broker nonvotes are counted as present and entitled to vote, but they are not counted as votes for or against any proposal and therefore have no effect on the outcome of the election of directors, or the proposal to ratify our Audit Committee's selection of our independent registered public accounting firm for 2010.

American Stock Transfer & Trust Company, our transfer agent and registrar, will assist in the distribution of proxy materials and tabulation of votes.

Costs of Soliciting Proxies

We are paying the costs of soliciting proxies. In addition to solicitation by Internet and mail, certain of our directors, officers and regular employees may solicit the return of proxies by telephone,

facsimile, personal interview or otherwise without being paid additional compensation. We will also reimburse brokerage firms and other persons representing the beneficial owners of our shares for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners in accordance with the proxy solicitation rules and regulations of the SEC and the NYSE.

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting To Be Held on May 19, 2010

Electronic copies of our proxy statement and annual report for fiscal year 2009 are available at our website, www.extraspace.com, under Investor Relations.

CORPORATE GOVERNANCE

Corporate Governance Guidelines

The Company has adopted corporate governance guidelines titled "Corporate Governance Guidelines" which are available at www.extraspace.com under Investor Relations—Corporate

Governance. These principles were adopted by the board of directors to help ensure that the board of directors is independent from management, adequately performs its function as the overseer of management and that the interests of the board of directors and management align with the interests of the stockholders.

Director Independence

In accordance with the NYSE rules, the board of directors affirmatively determines the independence of each director and nominee for election as a director in accordance with the listing standards of the NYSE. We have not adopted any additional standards for independence outside those listed by the NYSE. The listing requirements of the NYSE require that a majority of the members of a listed company's board of directors and that all members of its audit committee and compensation, nominating and governance committee be independent. Based on these standards, the board of directors has determined that each of the following non-employee directors is independent and has no relationship with the Company, except as a director and stockholder of the Company:

Anthony Fanticola
Hugh W. Horne
Joseph D. Margolis
Roger B. Porter
K. Fred Skousen

Nomination for Directors

The C/N/G Committee is responsible for screening potential director candidates and recommending qualified candidates to the board of directors for nomination. Stockholders' nominations for directors must be made in writing and include the nominee's written consent to the nomination and sufficient background information on the candidate to enable the committee to assess his or her qualifications. Nominations should be addressed to the Company's Corporate Secretary at the following address:

Extra Space Storage Inc., Attn: Corporate Secretary
2795 East Cottonwood Parkway, Suite 400
Salt Lake City, Utah 84121

Qualifications

The board of directors has developed criteria that are designed to describe the qualities and characteristics desirable for the board of directors as a whole in order to provide a broad diversity of experience, professions, skills, and backgrounds. The criteria and the effectiveness of our nomination policies are reviewed annually by the C/N/G Committee and the board of directors. In general, they require that each director or nominee:

- is committed to enhancing long-term stockholder value and possesses a high level of personal and professional ethics;
- has sound business judgment and integrity;
- has financial literacy or other business or professional experience relevant to understanding our business;
- has the ability to think and act independently; and
- has demonstrated the capacity to work constructively with others.

Communications with the Board and its Committees

Any stockholder or other interested parties may communicate with the board of directors, the independent board members, the chairman, any of the board of directors committees, or one or more of its individual members, by directing correspondence to any of them in care of the Corporate Secretary, Extra Space Storage Inc., 2795 East Cottonwood Parkway, Suite 400, Salt Lake City, Utah 84121 or by referring to the “Stockholder Communication Policy” at www.extraspace.com under Investor Relations—Corporate Governance.

Code of Business Conduct and Ethics

Our Code of Business Conduct and Ethics (the “Code”) outlines the principles of conduct and ethics to be followed by our employees, officers and directors, including our principal executive officer, principal financial officer and principal accounting officer. The purpose of the Code is to:

- promote honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- promote avoidance of conflicts of interest, including disclosure to an appropriate person or committee of any material transaction or relationship that reasonably could be expected to give rise to such a conflict;
- promote full, fair, accurate, timely and understandable disclosure in reports and documents that we file with, or submit to, the SEC and in other public communications made by the Company;
- promote compliance with applicable governmental laws, rules and regulations;
- promote the prompt internal reporting to an appropriate person or committee of violations of the Code;
- promote accountability for adherence to the Code;
- provide guidance to employees, officers and directors to help them recognize and deal with ethical issues; and
- provide mechanisms to report unethical conduct and help foster our longstanding culture of honesty and accountability.

A copy of the Code has been provided to, and signed by, each of our directors, officers and employees. A copy of our Code may be found on our website at www.extraspace.com under Investor Relations—Corporate Governance.

Whistleblowing and Whistleblower Protection Policy

The Audit Committee has established procedures for (1) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and (2) the confidential and anonymous submission by the Company’s employees of concerns regarding questionable accounting or auditing matters. If you wish to contact the Audit Committee to report complaints or concerns relating to the financial reporting of the Company, you may do so by (a) calling the Compliance Hotline at 1-800-637-9894, (b) emailing the Company’s Compliance Email Box at whistleblower@extraspace.com, or (c) delivering the report via regular mail, which may be mailed anonymously, to the Audit Committee, c/o Extra Space Storage Inc., 2795 East Cottonwood Parkway, Suite 400, Salt Lake City, Utah 84121.

LEADERSHIP STRUCTURE, RISK OVERSIGHT, MEETINGS AND COMMITTEES OF THE BOARD

Leadership Structure

Our board of directors is currently comprised of seven directors, five of whom are independent. We employ a traditional U.S. board leadership structure with our CEO also serving as chairman of the board of directors. We believe that having a combined Chairman and CEO is the appropriate structure in that it provides clear leadership and direction for the Company and a single, focused chain of command to execute the Company's business plans and strategic initiatives. It also eliminates the potential for confusion or duplication of efforts. Mr. Kirk is an experienced executive with the knowledge, skills, and temperament to fulfill these roles with excellence.

At the same time, the board has a governance structure that includes regular meetings of the independent directors in executive session and with the Company's internal auditors, external auditors, and other consultants. The board has a lead independent director who: (1) chairs all executive sessions of the board; (2) consults with management and the other members of the board regarding board meeting agendas; (3) serves as the principal liaison between management and the independent directors; and (4) performs such other functions as the board of directors or independent directors may designate from time to time.

Risk Oversight

The board of directors believes that an important part of its responsibilities is to oversee and coordinate with management to assess the major risks that we face and to review our options for monitoring and controlling these risks. At board meetings, management discusses with the board of directors matters of particular importance or concern, including any significant areas of risk meriting board attention. The Audit Committee has specific responsibility for discussing and reviewing policies with respect to risk assessment and risk management, including setting guidelines and policies to govern the process by which risk assessment and risk management is undertaken. The Audit Committee takes an active role in this process and communicates the results to the full board of directors. The C/N/G Committee oversees risks relating to our compensation policies and practices, as well as CEO and executive officer succession, and provides reports to the full board of directors. The C/N/G Committee works with a compensation risk analysis committee that is comprised of members of management, which has the responsibility to review our compensation policies as they relate to risk management practices and risk-taking incentives. We recently conducted a risk assessment of our compensation programs and policies from a legal, human resources, auditing and risk management perspective and reviewed and discussed this assessment with the C/N/G Committee. Based on this assessment, we concluded that we do not have any compensation programs or practices which would reasonably be likely to have a material adverse effect on our Company.

Attendance at Meetings of the Board and its Committees

The board of directors holds at least four regularly scheduled meetings per year and additional special meetings as necessary. Each director is expected to attend scheduled and special meetings, unless unusual circumstances make attendance impractical. The board of directors may also take action from time to time by written or electronic consent. For the year ended December 31, 2009, the board of directors conducted a total of seven meetings. Each director attended at least 75% of the meetings of the board of directors and of any committees on which he served during this period.

Meetings of Independent Directors

The independent directors hold regularly scheduled meetings in executive session, without the presence of management. The lead independent director chairs these sessions. Roger B. Porter

currently serves as the lead independent director. Stockholders wishing to communicate directly with Mr. Porter or the independent directors may send correspondence addressed in care of:

Corporate Secretary
Extra Space Storage Inc.
2795 East Cottonwood Parkway, Suite 400
Salt Lake City, Utah 84121

Committees of the Board of Directors

The board of directors has two committees. The committees on which each director serves are listed above in “Information about the Board of Directors and its Committees—Nominees for Directors.”

Audit Committee

The Audit Committee has direct responsibility for the appointment, compensation, retention and oversight of the independent auditors for the Company, and sole authority to establish pre-approval policies and procedures for audit and non-audit engagements with the independent auditors. The Audit Committee also oversees the operation of a comprehensive system of internal controls designed to ensure the integrity of the financial statements and reports and compliance with laws, regulations and corporate policies of the Company. Additionally, the Audit Committee oversees the independent auditor’s qualifications, performance and independence; monitors communications with the independent auditor; and monitors the performance of the internal audit function at the Company. A copy of the Audit Committee’s charter is available at the Company’s website *www.extraspace.com* under Investor Relations—Corporate Governance.

Mr. Skousen is the chairman and Messrs. Margolis and Porter serve as members of the Audit Committee. In accordance with the rules of the NYSE, the board of directors has determined that each of the current members of the Audit Committee is independent as defined by the Audit Committee’s charter and Section 303A of the NYSE Listing Standards.

The board of directors has determined that Mr. Skousen is an “audit committee financial expert,” as defined in the SEC’s Regulation S-K, Item 407(d)(5).

Report of the Audit Committee

The Audit Committee assists the board of directors in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company, as well as the Company’s compliance with corporate policies, legal and regulatory requirements, including the Sarbanes-Oxley Act of 2002. During fiscal 2009, the Audit Committee met eleven times, and discussed with the Chief Executive Officer, Chief Financial Officer, Principal Accounting Officer, internal auditors and independent registered public accounting firm (external auditors), the SEC filings that contained financial information, prior to their public release. The Audit Committee’s meetings include, whenever appropriate, executive sessions with the Company’s independent registered public accountants and with the Company’s internal auditors, in each case without the presence of the Company’s management.

In discharging its oversight responsibility, the Audit Committee received from the external auditors a formal written statement describing all relationships between the external auditors and the Company that might bear on the external auditors’ independence and discussed with the external auditors their independence and any relationships that may impact their objectivity and independence. The Audit Committee also discussed with management, the internal auditors and the external auditors the quality and adequacy of the Company’s internal controls and the internal audit function’s organization and

responsibilities. The Audit Committee reviewed both with the external and internal auditors their audit plans, audit scope and identification of audit risks.

In carrying out its responsibilities, the Audit Committee, among other things:

- monitors preparation of quarterly and annual financial reports by the Company's management;
- supervises the relationship between the Company and its independent registered public accountants, including: having direct responsibility for their appointment, compensation and retention; reviewing the scope of their audit services; approving audit and non-audit services; and confirming the independence of the independent registered public accountants;
- oversees management's implementation and maintenance of effective systems of internal and disclosure controls, including review of the Company's policies relating to legal and regulatory compliance, ethics and conflicts of interests and review of the Company's internal auditing program; and
- reviews, approves and/or ratifies related party transactions for which such approval is required under applicable law, including SEC and NYSE rules.

During fiscal 2009, management advised the Audit Committee that each set of financial statements reviewed had been prepared in accordance with U.S. generally accepted accounting principles, and reviewed significant accounting and disclosure issues with the Audit Committee. These reviews included discussion with the independent registered public accountants of matters required to be discussed pursuant to *Statement on Auditing Standards No. 114 (The Auditors Communication With Those Charged With Governance)*, as amended, including the quality of the Company's accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee also discussed with Ernst & Young LLP matters relating to its independence, including a review of audit and non-audit fees and the written disclosures and letter from Ernst & Young LLP to the Audit Committee pursuant to Rule 3526 of the Public Company Accounting Oversight Board, *Communication with Audit Committees Concerning Independence*.

In addition, the Audit Committee reviewed key initiatives and programs aimed at strengthening the effectiveness of the Company's internal and disclosure control structure. As part of this process, the Audit Committee met privately with the Company's Director of Internal Audit and continued to monitor the scope and adequacy of the Company's internal auditing program, reviewing internal audit department staffing levels and steps taken to implement recommended improvements in internal procedures and controls. The Audit Committee conducted a performance self-evaluation for review with the board of directors that included a comparison of the performance of the Audit Committee with the requirements of its Charter.

As set forth in the Audit Committee's Charter, management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements. Management is also responsible for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures that provide for compliance with accounting standards and applicable laws and regulations. The internal auditors are responsible for independently assessing such financial statements, principles and policies and internal controls and procedures as well as monitoring management's follow-up to any internal audit reports. The external auditors are responsible for planning and carrying out a proper audit of the Company's annual financial statements, reviews of the Company's quarterly financial statements prior to the filing of each Quarterly Report on Form 10-Q, and annually auditing the effectiveness of the Company's internal controls over financial reporting and other procedures. The members of the Audit Committee are not full-time employees of the Company and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards.

Taking all of these reviews and discussions into account, the undersigned Committee members recommended to the board of directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2009, for filing with the SEC.

The C/N/G Committee has retained Mercer as a compensation consultant to advise the C/N/G Committee in connection with matters pertaining to executive compensation, including advising as to market levels and practices, plan design and implementation, and best practices and governance principles. Mercer also provided limited non-executive compensation services in 2009.

Compensation, Nominating and Governance Committee Interlocks and Insider Participation

All members of the C/N/G Committee are independent under NYSE listing standards. During 2009, none of the executive officers of the Company served on the board of directors or compensation committee of any entity whose officers served either on the board of directors of the Company or on the C/N/G Committee of the board of directors. No member of the C/N/G Committee has ever been an officer or employee of the Company or any of its subsidiaries.

Policy Regarding Board Attendance at Stockholders Meetings

We encourage attendance at stockholders meetings by members of the board of directors and senior executives so that stockholders will have the opportunity to meet and question a representative group of our directors and senior executives. All seven of our directors attended the 2009 annual meeting of stockholders.

DIRECTOR COMPENSATION

All non-employee directors receive an annual board retainer fee of \$40,000 to be paid in cash and also receive shares of common stock equivalent in value to \$70,000 with the number of shares determined by the closing price of our common stock on the date of the annual meeting. Directors who served as the chair of the Audit Committee and C/N/G Committee received an annual committee retainer fee of \$20,000 and \$10,000, respectively. The lead independent director received an annual retainer fee of \$5,000. Directors who served on the Audit Committee and C/N/G Committee received an annual committee retainer fee of \$7,500 and \$5,000, respectively. The following table sets forth the compensation paid to the Company's non-employee directors in 2009:

Name	Fees earned or paid in cash (\$)	Stock awards (\$)(1)	Option awards (\$)	All other compensation (\$)	Total (\$)
Anthony Fanticola	\$ 45,000	\$ 70,000	\$—	\$—	\$115,000
Hugh W. Horne	40,000	70,000	—	—	110,000
Joseph D. Margolis	47,500	70,000	—	—	117,500

Total	<u>\$290,000</u>	<u>\$420,000</u>	<u>\$—</u>	<u>\$—</u>	<u>\$710,000</u>

(1) Each non-employee director received 9,929 shares of common stock on May 20, 2009. Dollar amounts represent grant date fair value of such grants as determined in accordance with ASC 718 using the assumptions to value such awards reported in the Company's notes to the financial statements in its 2009 Form 10-K filed with the SEC.

Stock Ownership Guidelines for Directors

In 2010, we adopted stock ownership guidelines, which require each of our non-employee directors to hold shares of our common stock, restricted stock or stock options (whether or not vested) with a value equal to the sum of the annual board fees and retainers, including the annual equity grant. Directors have five years to meet this goal. We adopted these stock ownership guidelines as a means of requiring directors to hold equity and tie their interests to stockholders' interests. Each non-employee director has met these guidelines.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

General Philosophy

The philosophy underlying our executive compensation policies is to align management's incentives with the long-term interests of stockholders and to be competitive with comparable employers.

Accordingly, we have structured the executive compensation program to:

- reinforce a results-oriented culture with executive pay that reflects Company and individual performance against business objectives and high ethical standards;
- provide compensation that attracts, retains and motivates key executives;
- emphasize variable performance-based compensation, commensurate with an executive's increasing responsibilities; and
- align the interests of stockholders and the Company's executives by implementing compensation programs that provide for acquiring and retaining significant equity interests in the Company by senior executives.

Each named executive officer's total compensation is comprised of the following elements designed to complement each other:

- base salary;
- annual incentive bonus;
- long term incentives through stock options and restricted stock; and
- other benefits typically offered to executives by major U.S. corporations.

Setting Executive Compensation

In order to ensure the fulfillment of the general philosophy as outlined above and to assist in establishing the Company's aggregate level of compensation, the C/N/G Committee engages a nationally recognized compensation consulting firm, Mercer, that reports directly to the C/N/G Committee.

Working with the consultant, the C/N/G Committee developed a list of eleven comparable companies, all REITs, that are similar to the Company in enterprise value, number of employees, number of properties, and total revenue. The Committee also took into consideration such elements as joint venture properties and unconsolidated revenues. The companies used in the comparator group are:

- AvalonBay Communities, Inc.
- Camden Property Trust
- Colonial Properties Trust
- Equity Lifestyle Properties, Inc.
- Essex Property Trust, Inc.
- First Industrial Realty Trust
- Home Properties Inc.
- Mid-America Apartment Communities, Inc.
- Sovran Self Storage, Inc.
- U-Store-It Trust
- UDR, Inc.

The group included two direct competitors, Sovran Self Storage, Inc. and U-Store-It Trust. The remaining companies represent publicly traded REITs with market capitalizations comparable to Extra Space and that generally recruit individuals to fill senior management positions who are similar in skills and background of those recruited by us. We also consider historical compensation levels and the relative compensation levels among our senior executive officers as well as other industry conditions and the overall effectiveness of our compensation program.

The C/N/G Committee attempts to design programs that deliver total compensation for executives that approximates the 50th percentile (size adjusted) of the comparator group for the achievement of “at target” performance. Actual payouts may be substantially above or below the 50th percentile depending on actual performance compared to the target and based on individual performance related goals.

Management’s Role in the Compensation-Setting Process

Mercer provides market data regarding salary, annual cash incentive award targets, and long-term incentive compensation awards, and provides advice directly to the C/N/G Committee as it makes decisions with respect to compensation for the CEO.

The CEO provides the initial recommendations for the other executives regarding salary, annual cash incentive awards and other long-term incentive compensation awards. His recommendations are based on his evaluation of each senior executive’s performance against business performance targets and objectives. The C/N/G Committee reviews these recommendations in light of the market data prepared by Mercer.

Management generally makes initial recommendations that are considered by the C/N/G Committee for other forms of compensation and benefits.

The following describes each element of our executive compensation program, along with a discussion of the decisions made by the C/N/G Committee with respect to that aspect of compensation for 2009.

Base Salary

Base salary is a critical element of executive compensation as it provides executives with assured monthly cash compensation. In determining base salaries, we consider a number of factors including the executive’s qualifications and experience, scope of responsibility, the goals and objectives established for the executive, the executive’s past performance, the salaries paid to the position within the compensation peer group, and the relative position of base salaries among executives. Due to the downturn in the overall real estate market, the C/N/G Committee, in conjunction with the recommendation of the CEO and management, determined that there would be no increase in base salary for 2009.

Annual Incentive Bonus

The annual incentive bonus provides senior executives an opportunity annually to earn a cash bonus for achieving specified performance based goals for the fiscal year. These performance based goals are tied half to the financial operating performance of the Company and half to the senior executive’s performance relative to management goals.

The financial performance goals set for 2009 specifically related to the Company’s achievement of a specific Funds From Operations (“FFO”) target. FFO provides relevant and meaningful information about our performance and is the primary measure that we use to assess our operating performance. The portion of bonus based on FFO could incrementally increase or decrease based on meeting, exceeding, or failing to meet the FFO target.

The FFO target established for 2009 was \$0.99 per share. Actual 2009 FFO performance was \$0.985 per share, excluding the effect of a gain on the sale of exchangeable senior notes, the wind down of the development program, and other non-recurring items, resulting in the payment of 90% of the portion of the bonus related to the achievement of the FFO goal.

The management goals established for 2009 for our named executive officers were as follows:

- maintain occupancy;
- minimize expense growth and implement cost saving measures;
- obtain financing necessary to meet debt obligations on a timely basis as these obligations mature;
- obtain financing on a timely basis necessary to complete remaining development properties;
- evaluate joint venture partners for acquisitions;
- effectively communicate with “Wall Street” the status and progress of financing and be consistent in communication and actions;
- improve communication with employees through property visits, employee town hall meetings and conference meetings;
- advance information technology projects and call center; and
- expand our third party management business.

These goals did not include any quantitative measures.

The C/N/G Committee assigned no specific weighting to these goals, but rather assessed overall achievement levels in determining the bonuses. The CEO presented to the C/N/G Committee his assessment of each executive’s performance (other than his own) in achieving the management goals, and recommended to the C/N/G Committee that the CFO, COO and CLO be paid 100% of the portion of the bonus related to these goals. Following their review, the C/N/G committee approved the recommendation of the CEO. After their evaluation of the achievement levels of the established goals by the CEO, the C/N/G Committee determined that the CEO should receive 100% of the portion of the bonus related to the achievement of the management goals.

Long Term Incentives

The Long Term Incentive Program allows for awards of stock options and grants of restricted stock under the Company’s 2004 Long Term Incentive Compensation Plan. The goals of the Company’s equity awards are to: (1) align the interests of each executive officer with those of our stockholders by providing each individual with a significant incentive to manage the Company from the perspective of a stockholder with an equity stake in the business, and (2) encourage long-term retention of key employees by virtue of vesting conditions imposed on typical equity awards. Employees must remain employed by the Company for a fixed period of time in order for the equity awards to vest fully. Typically, option awards and grants of restricted stock vest over a four-year period at the rate of 25% per year and the options have a term of ten years. Vesting ceases upon termination of employment and unvested options and grants of restricted stock are cancelled upon termination of employment. The right to exercise vested options ceases 90 days after termination of employment, except that in the case of death, disability or retirement, the exercise period extends until one year after such termination of employment. Prior to the exercise of an option, the holder has no rights as a stockholder with respect to the shares subject to such option, including voting rights and the right to receive dividends or dividend equivalents. During the vesting period, restricted stock awards may not be sold, transferred or pledged, however, the shares may be voted and receive the payment of nonforfeitable dividends.

Stock option awards and grants of restricted shares are discussed and reviewed at regularly scheduled meetings of the C/N/G Committee. By taking such actions at regularly scheduled meetings, the C/N/G Committee seeks to avoid even the possibility of an appearance that the grant timing was manipulated to affect the value of the awards. We do not have any program, plan or practice to coordinate stock option grants with the release by us of material non-public information or any other investor relations activities.

The C/N/G Committee awarded both option and restricted stock grants to the executive officers in 2009. The values of the option and restricted stock grants were based on the recommendation of the CEO taking into consideration the executive compensation at the comparator group of companies.

Employee Benefits and Other

In order to attract, retain and pay market levels of compensation, we provide benefits and perquisites to our named executive officers and other employees consistent with the benefits provided by other U.S. companies, such as medical and life insurance, 401(k) plan, and severance pursuant to the terms of employment agreements. A description of the employee benefits can be found in the narrative to the Summary Compensation Table and a description of the severance can be found under “*Employment Agreements with Executive Officers*” below. We also limit the perquisites that we make available to our executive officers, particularly in light of the potential for abuse associated with such perquisites. Accordingly, our executives are entitled to few benefits that are not otherwise available to all of our employees.

Policy Regarding Tax Deductibility of Compensation

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation in excess of \$1 million paid to the company’s chief executive officer and four other most highly paid executive officers. Qualifying performance-based compensation will not be subject to the deduction limitation if certain requirements are met. Since the Company’s named executive officers are employed by our operating partnership, Extra Space Storage LP, and not by Extra Space Storage Inc. their compensation is not subject to the deduction limits of Section 162(m).

However, if our named executive officers were paid by Extra Space Storage Inc., the non-performance based compensation paid in cash to our named executive officers in 2009 did not exceed the \$1 million limit per officer, and the C/N/G Committee does not anticipate that the non-performance based compensation to be paid in cash to our executive officers for 2010 will exceed that limit. In addition, our equity incentive plan has been structured so that any compensation paid in connection with the exercise of option grants under that plan, with an exercise price equal to the fair market value of the option shares on the grant date, will qualify as performance based compensation. Restricted stock, which vests solely over time, will not qualify as performance based compensation.

Stock Ownership Guidelines for Executive and Senior Officers

In 2010, we adopted stock ownership guidelines which require each of our executive and senior officers to hold shares of our common stock, restricted stock or stock options (whether or not vested) with a value within the following guidelines:

CEO / President	3 times base salary
Executive Vice President / CFO / COO / CLO	2 times base salary
Senior Vice President	1 times base salary

Our executive and senior officers have five years to meet these goals. We adopted these stock ownership guidelines as a means of requiring executive and senior officers to hold equity and tie their interests to stockholders’ interests. We believe that each executive and senior officer has met these guidelines.

Compensation Committee Report

The Compensation, Nominating and Governance Committee has reviewed and discussed the Compensation Discussion and Analysis with the Company’s management and, based on our review and

discussions, the Committee recommended to the board of directors that the Compensation Discussion and Analysis be included in the Company's Annual Report on Form 10-K and in this proxy statement.

Employment Agreements with Executive Officers

We have employment agreements with Messrs. Kent W. Christensen, Charles L. Allen and Karl Haas. The employment agreements provide for Mr. Christensen to serve as our Executive Vice President and CFO, Mr. Allen to serve as our Executive Vice President and CLO, and Mr. Haas to serve as our Executive Vice President and COO. These employment agreements require the executives to devote substantially all of their business attention and time to the Company's affairs, with certain specified exceptions. Spencer F. Kirk our Chairman and CEO does not have an employment agreement with the Company. Mr. Woolley's employment agreement terminated effective June 30, 2009.

The employment agreements provide for:

- an annual base salary, subject to increase by the Company's board of directors in its sole discretion;
- eligibility for annual bonuses;
- eligibility for participation in the Company's 2004 Long Term Incentive Compensation Plan; and
- participation in all of the employee benefit plans and arrangements made available by us to the Company's similarly situated executives.

Messrs. Christensen's, Allen's and Haas's employment agreements provide that, if their employment is terminated by us without "cause" or by Messrs. Christensen, Allen, and Haas for "good reason" (each as defined in their employment agreements), they will be entitled to the following severance payments:

- two years of annual base salary and two times the greater of the prior year's bonus or average of the three previous annual bonuses;
- annual salary and other benefits earned and accrued under the applicable employment agreement prior to the termination of employment;
- a lump sum payment equal to the cost of continuing his health benefits for two years;
- outplacement services for six months; and
- full vesting of incentive compensation and any non-qualified pension or deferred compensation benefits.

Upon the termination of an executive officer's employment either by us for "cause" or by Messrs. Christensen, Allen, or Haas without "good reason" or for death or disability during the term, such executive officer will be entitled to receive his annual salary and bonus earned but unpaid through the date of termination of the executive officer's employment.

In the event of a change in control, each of Messrs. Christensen, Allen and Haas:

- will be entitled to a bonus equal to the pro rata bonus that the executive would have received as an annual bonus for such year based on our annualized performance results through the date of the change in control;
- may terminate his employment for any reason during the six months following a change in control, and such termination will be considered for "good reason" entitling him to severance, as described above;

- will be entitled to a tax gross-up on any excess parachute payments so that on an after excise tax basis he would receive an amount equal to what he would have received if the excise tax provisions of Section 4999 of the Internal Revenue Code of 1986, as amended, did not apply. However, the tax gross-up does not apply if by reducing the executive's parachute payments by 10% or less the excise tax would not be imposed. In that case, the executive's parachute payments will be so reduced; and
- will be entitled to immediate vesting of all unvested equity awards.

Messrs. Christensen's, Allen's and Haas's employment agreements also provide for the following restrictive covenants:

- non-solicitation of any employee during the term of employment, or for a one-year period following termination;
- non-compete during employment; and
- non-disclosure or use of confidential information at any time.

The following table sets forth the amount that would have been received by or paid on behalf of our named executive officers for change of control or termination within the terms of the employment agreements as of December 31, 2009:

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

- the material terms of the transaction, including, without limitation, the amount and type of transaction;

MATTERS THAT MAY BE BROUGHT BEFORE THE ANNUAL MEETING

Item 1. Election of Directors

Nominees

In accordance with the provisions of our charter and bylaws, each member of the board of directors is elected at the annual meeting. Each member of the board of directors elected will serve for a term expiring at the annual meeting of stockholders in 2011, and until his successor has been duly elected and qualifies or until his earlier resignation or removal. Messrs. Anthony Fanticola, Hugh W. Horne, Spencer F. Kirk, Joseph D. Margolis, Roger B. Porter, K. Fred Skousen and Kenneth M. Woolley are the nominees for election to the board of directors.

Each of the nominees has consented to serve if elected. If, before the annual meeting, any of them becomes unable to serve, or chooses not to serve, the board of directors may nominate a substitute. If that happens, the persons named as proxies on the proxy card will vote for the substitute.

Biographical information about each of the nominees is found at the beginning of this proxy statement. See “Information about the Board of Directors and its Committees—Nominees for Directors.”

Recommendation of the Board of Directors:

Our board of directors recommends that you vote FOR the election of Messrs. Anthony Fanticola, Hugh W. Horne, Spencer F. Kirk, Joseph D. Margolis, Roger B. Porter, K. Fred Skousen and Kenneth M. Woolley as directors for the term expiring at the 2011 annual meeting of stockholders, and until their respective successors are duly elected and qualify.

Item 2. Ratification of Appointment of Independent Registered Public Accounting Firm

Our Audit Committee has appointed the firm of Ernst & Young LLP to serve as our independent registered public accounting firm for the year ending December 31, 2010. Ernst & Young LLP has acted as the Company’s independent registered public accounting firm since April 2005, and our management considers the firm to be well qualified.

We have been advised by Ernst & Young LLP that it is a registered public accounting firm with the Public Company Accounting Oversight Board (the “PCAOB”) and complies with the auditing, quality control and independence standards and rules of the PCAOB and the SEC.

Our charter and bylaws do not require that stockholders ratify the appointment of the independent registered public accounting firm. We are submitting the appointment for ratification because the board of directors believes it is a matter of good corporate practice. If our stockholders do not ratify the appointment, the Audit Committee will reconsider whether or not to retain Ernst & Young LLP, but may still retain it.

A representative of Ernst & Young LLP is expected to be present at the annual meeting with the opportunity to make a statement if the representative desires to do so, and is expected to be available to respond to appropriate questions.

STOCKHOLDER PROPOSALS FOR 2011 ANNUAL MEETING

Under SEC rules, proposals from our eligible stockholders must be received by us no later than December 6, 2010 in order to be considered for inclusion in the proxy statement for the 2011 annual meeting of stockholders. Any such proposals, as well as any questions relating thereto, should be directed to the Corporate Secretary of the Company at the Company's principal executive offices. Proposals we receive after December 6, 2010 will not be included in the proxy statement for the 2011 annual meeting.

In addition, under our current bylaws, and as SEC rules permit, stockholders must follow certain procedures to nominate a person for election as a director at an annual or special meeting, or to introduce an item of business at an annual meeting. A stockholder must notify the Corporate Secretary of the Company in writing of the director nominee or the other business. For purposes of our 2011 annual meeting of stockholders, the notice must include the information required in our bylaws and be delivered to the Corporate Secretary at the principal executive offices of the Company not earlier than the 150th day (November 6, 2010) and not later than 5:00 p.m., Mountain Time, on the 120th day (December 6, 2010) prior to the first anniversary of the date of the proxy statement for the preceding year's annual meeting. Proposals we receive which do not comply with the procedures set forth in our bylaws will not be acted upon at the 2011 annual meeting.

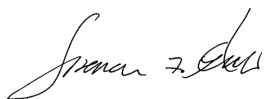

If the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting, notice by the stockholder must be

delivered as described above not earlier than the 150th day prior to the date of mailing of the notice for such annual meeting and not later than 5:00 p.m., Mountain Time, on the later of the 120th day prior to the date of such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made. The public announcement of a postponement or adjournment of an annual meeting does not commence a new time period for notice as described above.

OTHER MATTERS

Our board of directors and management know of no other matters or business to be presented for consideration at the annual meeting. If, however, any other matters properly come before the annual meeting or any adjournment(s) or postponement(s) thereof, it is the intention of the persons named in the enclosed proxy to vote such proxy in accordance with their discretion on any such matters. The persons named in the enclosed proxy may also, if they deem it advisable, vote such proxy to adjourn the annual meeting from time to time.

The rules promulgated by the SEC permit companies, brokers, banks or other intermediaries to deliver a single copy of an annual report, proxy statement or Notice of Internet Availability, as applicable to households at which two or more stockholders reside. This practice, known as "householding," is designed to reduce duplicate mailings and save significant printing and postage costs as well as natural resources. Stockholders sharing an address who have been previously notified by their broker, bank or other intermediary and have consented to householding will receive only one copy of our annual report, proxy statement or Notice of Internet Availability, as applicable. If you would like to opt out of this practice for future mailings and receive a separate annual report, proxy statement or Notice of Internet Availability, as applicable for each stockholder sharing the same address, please contact your broker, bank or other intermediary. You may also obtain a separate annual report, proxy statement or Notice of Internet Availability, as applicable, without charge by sending a written request to Extra Space Storage Inc., 2795 East Cottonwood Parkway, Suite 400, Salt Lake City, UT 84121, Attention: Secretary, or by telephone at (801) 562-5556. We will promptly send additional copies of the annual report, proxy statement or Notice of Internet Availability, as applicable, upon receipt of such request. Stockholders sharing an address that are receiving multiple copies of the annual report, proxy statement or Notice of Internet Availability, as applicable, can request delivery of a single copy of the annual report, proxy statement or Notice of Internet Availability, as applicable, by contacting their broker, bank or other intermediary or sending a written request to Extra Space Storage Inc. at the address above.
