Henderson Global Investors

2008 profit protection

- Goal is to meet or beat 2007 Henderson Global Investors pre-tax profit
- To be achieved from a combination of management fee growth and cost management if markets recover, or cost reduction if markets remain subdued
- £20m savings from headcount and related restructuring, whilst preserving investment capabilities and continuing to push for growth
- Restructure charge of £2.5m pre-tax in 2008
- Depending on future market levels and fund flows
 - further £10m non-staff costs could be removed
 - further savings possible in variable staff costs
- Henderson Global Investors cost to income ratio target of below 65% in 2008
