Item 1.01. Entry into a Material Definitive Agreement.

Agreement and Plan of Merger

On November 17, 2016, Universal American Corp., a Delaware corporation (the “Company”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) with WellCare Health Plans, Inc., a Delaware corporation (“WellCare”), and Wind Merger Sub, Inc., a Delaware corporation and an indirect wholly-owned subsidiary of WellCare (“Merger Sub”), pursuant to which, among other things and subject to the satisfaction or waiver of specified conditions set forth in the Merger Agreement, Merger Sub will merge with and into the Company (the “Merger”). As a result of the Merger, Merger Sub will cease to exist and the Company will survive as an indirect wholly-owned subsidiary of WellCare (the “Merger”).

Pursuant to the Merger Agreement, at the effective time of the Merger (the “Effective Time”), each of the Company’s issued and outstanding shares of common stock, par value \$0.01 per share (“Common Stock”) (other than dissenting shares and any shares held by the Company as treasury shares or shares owned by the Company or any of its wholly-owned subsidiaries or by WellCare or any of its affiliates (including Merger Sub)), will be automatically canceled and converted into the right to receive \$10.00 in cash, without interest (the “Per Share Merger Consideration”), less any required withholding taxes.

Pursuant to the Merger Agreement, unless the Company has previously redeemed each share of its Series A Mandatorily Redeemable Preferred Shares, par value \$0.01 per share (the “Series A Preferred Stock”), following the Effective Time, WellCare shall cause the Company to redeem, in whole and not in part, each share of Series A Preferred Stock that is issued and outstanding as of the Effective Time.

As of the Effective Time of the Merger, each option to acquire shares of Common Stock (each, a “Company Option”) that is outstanding immediately prior to the Effective Time, whether or not then exercisable or vested, will be cancelled and converted into the right to receive a cash payment equal to the excess, if any, of the Per Share Merger Consideration over the exercise price of such stock option multiplied by the aggregate number of shares of common stock in respect of such Company Option immediately before the Effective Time. As of the Effective Time, each share of restricted Common Stock (each, a “Restricted Share”) that is outstanding immediately prior to the Effective Time will be cancelled and converted into the right to receive an amount in cash equal to the Per Share Merger Consideration. The right to receive the foregoing consideration with respect to Company Options and Restricted Shares will vest and be payable (i) with respect to Company Options or Restricted Shares that are vested as of the Effective Time in accordance with their terms, at the Effective Time and (ii) with respect to Company Options or Restricted Shares that are not vested in accordance with their terms at the Effective Time, in each case, subject to the applicable holder’s continued employment through the applicable vesting date, on the earlier of (A) the twelve-month anniversary of the date that the Effective Time occurs (or the next payroll date following such anniversary) and (B) the next payroll date following the date on which such Company Option or Restricted Share, as applicable, would have otherwise vested in accordance with its terms, and in all cases, without any interest for the period from the Effective Time until such date. If the employment with WellCare (or any of its affiliates) of a holder of Company Options or Restricted Shares is, prior to the applicable payment date, terminated by WellCare (or any of its affiliates) for any reason other than “Cause” (as defined for purposes of the Merger Agreement) or by the holder for “Good Reason” (as defined for purposes of the Merger Agreement), the payment of the Company Options or Restricted Shares, as applicable, will be accelerated to the next practicable payroll date after the date of termination.

Following the consummation of the Merger, each holder of the Company’s 4.00% convertible senior notes due 2021 that remain outstanding as of the Effective Time will have the right to (i) convert its notes into the right to receive the Per Share Merger Consideration in an amount calculated pursuant to the terms thereof, which amount will be calculated using an increased conversion rate because the Merger will constitute a “Make-Whole Fundamental Change” under the terms of the notes, or (ii) require that the Company repurchase its notes, which

repurchase shall be for the principal amount plus accrued interest and settled in cash. These conversion and repurchase rights will be exercisable during an approximately 30 day period specified by the Company following consummation of the Merger.

The Merger Agreement contains representations, warranties and covenants of the parties customary for a transaction of this nature. The Company has agreed, subject to the terms of the Merger Agreement, to various covenants and agreements, including, among others: (i) to use reasonable best efforts to conduct its operations only in the ordinary course of business; (ii) to promptly call a meeting of the Company's stockholders to vote on the Merger Agreement and the Merger; and (iii) to not to solicit proposals relating to alternative transactions to the Merger with a third party or engage in discussions or negotiations with respect thereto or provide non-public information to a third party, subject to certain customary exceptions. The parties have also agreed to use their respective reasonable best efforts to obtain any approvals from governmental authorities for the Merger, including all antitrust and regulatory approvals.

Each party's obligation to consummate the Merger is subject to certain conditions, including, among others: (i) adoption of the Merger Agreement by the affirmative vote of holders of a majority of the Company's outstanding Common Stock; (ii) the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, shall have expired or been terminated; (iii) the receipt of specified approvals under state insurance and healthcare laws and regulations; and (iv) the absence of any law or order issued or enacted by any court or other governmental authority, which enjoins or otherwise prohibits the consummation of the Merger. WellCare's and Merger Sub's obligations to consummate the Merger are also subject to various other closing conditions, including, among others: (i) the absence of any material adverse effect on the Company and its subsidiaries, (ii) the accuracy of the Company's representations and warranties, subject to specified materiality thresholds and (iii) compliance by the Company with covenants and agreements in the Merger Agreement.

The Merger Agreement also contains certain specified termination provisions, including, among others, a mutual termination right if the Merger has not been consummated on or before June 19, 2017, which date may be extended until November 17, 2017 if on June 19, 2017 all other conditions to the closing of the Merger have been satisfied or waived, other than the antitrust and regulatory approval conditions or absence of any legal restraint that enjoins or prohibits consummation of the merger relating to antitrust or regulatory approvals or arises from legal actions initiated by a governmental authority. The Company must pay to WellCare an \$18,000,000 termination fee (plus up to \$2,000,000 for expense reimbursement) in the event that the Merger Agreement is terminated following a Company Adverse Recommendation Change (as defined in the Merger Agreement) by the Company's board of directors, or if the Company terminates the Merger Agreement to enter into a definitive agreement with a third party with respect to a Superior Proposal (as defined in the Merger Agreement), as set forth in, and subject to the conditions of, the Merger Agreement. The Company also must pay to WellCare an \$18,000,000 termination fee (plus up to \$2,000,000 for expense reimbursement) if the Merger Agreement is terminated for certain specified circumstances (and an acquisition proposal has been made by a third party after the date of the Merger Agreement and not withdrawn prior to the Company's stockholder meeting) and the Company enters into a definitive agreement with respect to, or otherwise consummates, a competing proposal within 12 months after the termination of the Merger Agreement.

The foregoing description of the Merger Agreement does not purport to be complete and is subject to, and is qualified in its entirety by, the full text of the Merger Agreement. A copy of the Merger Agreement is filed herewith as Exhibit 2.1 and is incorporated in this Item 1.01 by reference.

The Merger Agreement has been attached to provide investors and security holders with information regarding its terms and is not intended to provide any factual information about the Company, WellCare or Merger Sub. The representations, warranties and covenants in the Merger Agreement were made only for the purpose of the Merger Agreement and solely for the benefit of the parties to the Merger Agreement as of specific dates, in accordance with and subject to the terms of the Merger Agreement, and the Merger Agreement is not intended to, and does not, confer upon any person other than the parties thereto any rights or remedies thereunder, including the right to rely upon the representations and warranties set forth therein. Such representations, warranties and

covenants may have been made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, may or may not have been accurate as of any specific date, and may be subject to important limitations and qualifications (including exceptions thereto set forth in disclosure schedules agreed to by the contracting parties) and may therefore not be complete. The representations, warranties and covenants in the Merger Agreement may also be subject to standards of materiality applicable to the contracting parties that may differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the Company, WellCare, Merger Sub or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in WellCare's or the Company's public disclosures.

Important Additional Information Will Be Filed with the SEC

Cautionary Statement Regarding Forward-Looking Statements

This Current Report on Form 8-K may contain "forward-looking" statements within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended, and the Private Securities Litigation Reform Act of 1995, known as the PSLRA. Such statements that are not historical facts are hereby identified as forward-looking statements and intended to be covered by the safe harbor provisions of the PSLRA and can be identified by the use of the words "believe," "expect," "predict," "project," "potential," "estimate," "anticipate," "should," "intend," "may," "will," and similar expressions or variations of such words, or by discussion of future financial results and events, strategy or risks and uncertainties, trends and conditions in our business and competitive strengths, all of which involve risks and uncertainties.

Many factors could cause actual future events to differ materially from the forward-looking statements in this Current Report on Form 8-K, including but not limited to: (i) the risk that the transaction may not be completed in a timely manner or at all, which may adversely affect the Company's business and the price of the common stock of the Company, (ii) the failure to satisfy the conditions to the consummation of the transaction, including the adoption

of the merger agreement by the stockholders of the Company and the receipt of certain governmental and regulatory approvals, (iii) the parties may be unable to achieve expected synergies and operating efficiencies in the merger within the expected time frames or at all and to successfully integrate the Company's operations into those of WellCare, (iv) the transaction may not result in the accretion to WellCare's earnings or other benefits, (v) the occurrence of any event, change or other circumstance that could give rise to the termination of the merger agreement, (vi) such integration may be more difficult, time consuming or costly than expected, (vii) the effect of the announcement or pendency of the transaction on the Company's and/or WellCare's business relationships, operating results, and business generally, risks related to the proposed transaction disrupting current plans and operations of the Company and potential difficulties in the Company's employee retention as a result of the transaction, (viii) risks related to diverting management's attention from the Company's ongoing business operations, (ix) the outcome of any legal proceedings that may be instituted against the Company, its officers or directors related to the merger agreement or the transaction and (x) the possibility that competing offers or acquisition proposals for the Company will be made.

Where, in any forward-looking statement, we or our management expresses an expectation or belief as to future results or actions, there can be no assurance that the statement of expectation or belief will result or be achieved or accomplished. Our actual results may differ materially from our expectations, plans or projections. Forward-looking statements are only predictions and estimates, which are inherently subject to risks, trends and uncertainties, many of which are beyond our ability to control or predict with accuracy and some of which might not even anticipate. There can be no assurance that we will achieve our expectations and we do not assume responsibility for the accuracy and completeness of the forward-looking statements. Future events and actual results, financial and otherwise, may differ materially from the results discussed in the forward-looking statements as a result of many factors, including the risk factors described in the risk factor section of our SEC reports. Other unknown or unpredictable factors could also have material adverse effects on future results, performance or achievements of Universal American.

All forward-looking statements included in this report are based upon information available to Universal American as of the date of the report, and we assume no obligation to update or revise any such forward-looking statements.

(a) Conversion of Merger Sub Capital Stock. Each share of common stock, par value \$0.01 per share, of Merger Sub issued and outstanding immediately before the Effective Time shall be converted into and become one fully paid and non-assessable share of common stock, par value \$0.01 per share, of the Surviving Corporation.

(b) Cancellation of Treasury Stock and Parent-Owned Stock. Each share of common stock, par value \$0.01 per share, of the Company (the "Voting Common Stock") and each share of non-voting common stock, par value \$0.01 per share, of the Company (the "Non-Voting Common Stock") and together with the Voting Common Stock, the "Common Stock") held in the treasury of the Company, owned by the Company or any of its wholly owned Subsidiaries or by Parent or any of its Affiliates (including Merger Sub) immediately before the Effective Time (collectively, the "Excluded Shares") shall be canceled automatically and shall cease to exist, and no consideration shall be paid for those Excluded Shares.

(ii) Subject to Section 2.4(c) with respect to Restricted Shares, all shares of Common Stock that have been converted pursuant to Section 2.1(c)(i) shall be canceled automatically and shall cease to exist, and the holders of (A) certificates that immediately before the Effective Time represented such shares (the "Certificates"), or (B) shares represented by book-entry (the "Book-Entry Shares") shall cease to have any rights with respect to those shares, other than the right to receive the Merger Consideration in accordance with Section 2.3.

(d) Equitable Adjustment. If at any time during the period between the date of this Agreement and the Effective Time, any change in the outstanding shares of capital stock of the Company shall occur as a result of any reclassification, recapitalization, reorganization, stock split (including a reverse stock split) or combination, exchange or readjustment of shares, or any stock dividend or stock distribution is declared with a record date during such period, the Merger Consideration shall be equitably adjusted to reflect such change.

Section 2.2 Redemption of Preferred Stock. Unless the Company has redeemed each share of Series A Preferred Stock as required by Section 6(a) of the COD, the Parent shall cause the Surviving Corporation to redeem, in whole and not in part, each share of Series A Preferred Stock that is issued and outstanding as of the Effective Time in accordance with the terms of the COD. The Company shall deliver a conditional notice of redemption (the "Redemption Notice") in accordance with Section 6(c) of the COD not less than 15 days and not more than 60 days before the Company's best estimation what is expected to be the Closing Date to the holders of record (as of 5:00 pm New York City time on the Business Day (as defined in the COD) preceding the day on which the notice is given) of any Series A Preferred Stock to be redeemed. The Company will provide a copy of the initial Redemption Notice to Parent at least three Business Days prior to delivering such notice for Parent's review and comment, which comments will be considered in good faith by the Company. At the Closing, the Parent shall cause the Surviving Corporation to deposit with the Paying Agent (as defined in the COD), funds sufficient to redeem the shares of Series A Preferred Stock as to which the Redemption Notice shall have been given and shall give such Paying Agent instructions and authority to pay the redemption price to the holders of the shares of Series A Preferred Stock to be redeemed upon surrender or deemed surrender in accordance with the COD. For the avoidance of doubt, notwithstanding anything in this Agreement to the contrary, such redemption of Series A Preferred Stock shall comply in all respects with the COD.

Section 2.3 Surrender of Certificates and Book-Entry Shares.

(a) Paying Agent. Not less than ten Business Days before the Effective Time, Parent shall (i) select a bank or trust company, satisfactory to the Company in its reasonable discretion, to act as the paying agent in the Merger (the "Paying Agent") and (ii) enter into a paying agent agreement with the Paying Agent in form and substance reasonably satisfactory to the Company. Parent shall be responsible for all fees and expenses of the Paying Agent.

(b) Payment Fund. At or immediately prior to the Effective Time, Parent shall deposit with the Paying Agent, for the benefit of the holders of Common Stock, cash or immediately available funds in an amount equal to the aggregate

Per Share Merger Consideration payable in accordance with Section 2.1(c)(i). Such funds provided to the Paying Agent are referred to as the “Payment Fund.”

(c) Payment Procedures.

(i) Letter of Transmittal. As promptly as practicable but in no event later than three Business Days following the Effective Time, Parent shall cause the Paying Agent to mail to each holder of record of a share of Common Stock converted pursuant to Section 2.1(c), (A) a letter of transmittal in customary form, specifying that delivery shall be effected, and risk of loss and title to such holder’s shares shall pass, only upon proper delivery of Certificates to the Paying Agent or, in the case of Book-Entry Shares, upon adherence to the procedures set forth in the letter of transmittal and (B) instructions for surrendering such Certificates or Book-Entry Shares.

(ii) Surrender of Shares. Upon surrender of a Certificate or of a Book-Entry Share for cancellation to the Paying Agent in accordance with the instructions provided by the Paying Agent pursuant to Section 2.3 above, together with a duly executed and completed letter of transmittal and any other documents reasonably required by the Paying Agent, the holder of that Certificate or Book-Entry Share shall be entitled to receive, and the Paying Agent shall pay in exchange therefor, the Per Share Merger Consideration payable in respect of the number of shares formerly evidenced by that Certificate or Book-Entry Share. Any Certificates and Book-Entry Shares so surrendered shall be canceled immediately. No interest shall accrue or be paid on the Per Share Merger Consideration payable upon surrender of Certificates or Book-Entry Shares.

(iii) Unregistered Transferees. If any Merger Consideration is to be paid to a Person other than the Person in whose name the surrendered Certificate is registered, then the Merger Consideration may be paid to such a transferee so long as (A) the surrendered Certificate is accompanied by all documents required by Parent to evidence and effect that transfer and (B) the Person requesting such payment (1) pays any applicable transfer Taxes or (2) establishes to the reasonable satisfaction of Parent and the Paying Agent that any such transfer Taxes have already been paid or are not applicable.

(iv) No Other Rights. Subject to Section 2.4(c) with respect to Restricted Shares, until surrendered in accordance with this Section 2.3(c), each Certificate and each Book-Entry Share shall be deemed, from and after the Effective Time, to represent only the right to receive the Merger Consideration, subject to the Surviving Corporation’s obligation to pay any dividends or other distributions with a record date prior to the Effective Time that may have been authorized by the Company and that remain unpaid at the Effective Time. Subject to Section 2.4(c) with respect to Restricted Shares, any Merger Consideration paid upon the surrender of any Certificate or Book-Entry Share shall be deemed to have been paid in full satisfaction of all rights pertaining to such Certificate or Book-Entry Share and the shares of Common Stock formerly represented by it.

(d) Lost, Stolen or Destroyed Certificates. If any Certificate is lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by the Surviving Corporation, the posting by such Person of a bond, in such reasonable amount as the Surviving Corporation may direct, as indemnity against any claim that may be made against it with respect to such Certificate, the Paying Agent shall pay, in exchange for such affidavit claiming such Certificate is lost, stolen or destroyed, the Merger Consideration to such Person in respect of the shares of Common Stock represented by such Certificate.

(e) No Further Transfers. At the Effective Time, the stock transfer books of the Company shall be closed and there shall be no further registration of transfers of the shares of Common Stock and Series A Preferred Stock (to the extent not earlier redeemed as required by Section 6(a) of the COD) that were outstanding immediately before the Effective Time.

(f) Required Withholding. Parent, Merger Sub, the Surviving Corporation and the Paying Agent shall be entitled to deduct and withhold from any consideration otherwise payable under this Agreement such amounts as may be required to be deducted or withheld therefrom under the Internal Revenue Code of 1986 (the "Code"), or any other applicable state, local or foreign Law. To the extent that any amounts are so deducted and withheld and paid to the appropriate Governmental Authorities, those amounts shall be treated as having been paid to the Person in respect of whom such deduction or withholding was made for all purposes under this Agreement.

(g) No Liability. None of Parent, the Surviving Corporation or the Paying Agent (or any of their respective officers, directors, employees, agents or Affiliates) shall be liable to any holder of Certificates or Book-Entry Shares for any amount properly paid to a public official under any applicable abandoned property, escheat or similar Law.

(h) Investment of Payment Fund. The Paying Agent shall invest the Payment Fund as directed by Parent; provided, that such investment shall be in (i) obligations of, or guaranteed by, the United States of America, (ii) in commercial paper obligations of issuers organized under the Law of a state of the United States of America, rated A-1 or P-1 or better by Moody's Investors Service, Inc. or Standard & Poor's Ratings Service, respectively, or (iii) in certificates of deposit, bank repurchase agreements or bankers' acceptances of commercial banks with capital exceeding \$10 billion, or in mutual funds investing in such assets. Any such investment shall be for the benefit, and at the risk, of Parent, and any interest or other income resulting from such investment shall be for the benefit of Parent; provided, that no such investment or losses thereon shall affect the Per Share Merger Consideration payable to former stockholders of the Company, and Parent shall promptly provide, or shall cause the Surviving Corporation to promptly provide, additional funds to the Paying Agent for the benefit of the former stockholders of the Company in the amount of any such losses to the extent necessary to satisfy the obligations of Parent and the Surviving Corporation under this Article II.

(i) Termination of Payment Fund. Any portion of the Payment Fund that remains unclaimed by the holders of Certificates or Book-Entry Shares one year after the Effective Time shall be delivered by the Paying Agent to Parent upon demand. Thereafter, any holder of Certificates or Book-Entry Shares who has not theretofore complied with this Article II shall look only to Parent for, and Parent shall remain liable for, payment of the applicable Per Share Merger Consideration pursuant to the terms of this Article II, subject to any applicable abandoned property, escheat or similar Law.

Section 2.4 Treatment of Equity Awards.

(a) Except as otherwise set forth in Section 2.4(a) of the Company Disclosure Letter, each option, including performance options, to acquire shares of Common Stock (each, a “Company Option”) that is outstanding immediately before the Effective Time, whether or not then exercisable or vested, by virtue of the Merger and without any action by Parent, Merger Sub, the Company or the holder of that Company Option, shall be cancelled and converted at the Effective Time into the right to receive from Parent or the Surviving Corporation promptly following the Effective Time an amount in cash, without interest, that is equal to the excess, if any, of the Per Share Merger Consideration over the per share exercise or purchase price of the applicable Company Option (the “Exercise Price”), multiplied by the aggregate number of shares of Common Stock in respect of such Company Option immediately before the Effective Time, which amount will vest and be payable, (i) with respect to Company Options that are not vested in accordance with their terms at the Effective Time, in each case, subject to the applicable holder’s continued employment through the applicable vesting date, on the earlier of (A) the twelve-month anniversary of the date that the Effective Time occurs (or the next payroll date following such anniversary) and (B) the next payroll date following the date on which such Company Option would have otherwise vested in accordance with its terms and (ii) with respect to Company Options vested as of the Effective Time in accordance with their terms, at the Effective Time, and in all cases, without any interest for the period from the Effective Time until such date (with respect to each Company Option, such applicable date, the “Option Payment Date”) (for the sake of clarity, the payment in respect of each Company Option that is already vested as of the Effective Time shall be paid at the Effective Time); provided, that if the employment with Parent and its Affiliates of a holder of Company Options is, prior to the applicable Option Payment Date, terminated (x) by Parent or any of its Affiliates (including the Company) for any reason other than “Cause” or (y) by such holder for “Good Reason,” as such terms are defined on Section 5.7(c) of the Company Disclosure Letter, then the payment described in this Section 2.4(a) shall be accelerated to the next practicable payroll date after the date of such termination. If the Exercise Price of a Company Option is equal to or exceeds the Per Share Merger Consideration, such Company Option shall be cancelled and terminated at the Effective Time without payment or consideration therefor and the holder of such Company Option shall have no rights whatsoever with respect thereto.

(b) Except as otherwise set forth in Section 2.4(b) of the Company Disclosure Letter, each share of restricted Common Stock, including

performance shares (each, a “Restricted Share”), that is outstanding immediately prior to the Effective Time shall, at the Effective Time, be cancelled and converted into the right to receive the Per Share Merger Consideration in cash, without interest, which amount will vest and be payable, (i) with respect to Restricted Shares that are not vested in accordance with their terms at the Effective Time, in each case, subject to the applicable holder’s continued employment through the applicable vesting date, on the earlier of (A) the twelve-month anniversary of the date that the Effective Time occurs (or the next payroll date following such anniversary) and (B) the next payroll date following the date on which such Restricted Share would have otherwise vested in accordance with its terms and (ii) with respect to any Restricted Share vested as of the Effective Time in accordance with its terms, at the Effective Time, and in all cases, without any interest for the period from the Effective Time until such date (with respect to each Restricted Share, such applicable date, the “RS Payment Date”) (for the sake of clarity, the payment in respect of each Restricted Share that is already vested as of the Effective Time shall be paid at the Effective Time); provided, that if the employment with Parent and its Affiliates of a holder of Restricted Shares is, prior to the applicable RS Payment Date, terminated (x) by Parent or any of its Affiliates (including the Company) for any reason other than “Cause” or (y) by such holder for “Good Reason,” as such terms are defined on Section 5.7(c) of the Company Disclosure Letter, then the payment described in this Section 2.4(b) shall be accelerated to the next practicable payroll date after the date of such termination (the “Converted Restricted Share Award”).

(c) In addition to the payments made pursuant to this Section 2.4, Parent shall pay all accrued dividends and other distributions (including dividend equivalents) as of the date of this Agreement without interest in respect of each Restricted Share with a record date prior to the Effective Time that have been authorized by the Company and that remain unpaid at the Effective Time as set forth in, and not in excess of the amounts set forth in, Section 2.4(c) of the Company Disclosure Letter. Such payments shall be made to the holders thereof simultaneously with the payments made in respect of the Converted Restricted Share Awards pursuant to Section 2.4(b).

(d) Without limiting the generality of Section 2.3(d), any payments made pursuant to this Section 2.4 shall be paid by the Surviving Corporation and/or Parent by check or direct deposit. Such amounts shall be reduced by any withholding required under (i) the Code, (ii) any applicable state, local or foreign Tax Law, and (iii) any other applicable Law. To the extent that any amounts are so withheld and paid to the appropriate Governmental Authorities, those amounts shall be treated as having been paid to the holder of the applicable award, as applicable, for all purposes under this Agreement.

(e) At or prior to the Effective Time, the Company, the Company Board and the compensation committee of the Company Board, as applicable, shall adopt any resolutions and take any actions that are necessary to effectuate the provisions of this Section 2.4.

Section 2.5 Dissenting Shares.

(a) Notwithstanding any provision of this Agreement to the contrary, any shares of Common Stock outstanding immediately prior to the Effective Time for which the holder thereof (i) has not voted in favor of the Merger or consented to it in writing and (ii) is entitled to demand and has demanded the appraisal of such shares in accordance with, and has complied in all respects with, the DGCL (collectively, the “Dissenting Shares”), shall not be converted into the right to receive the Merger Consideration in accordance with Section 2.1. At the Effective Time, (A) all Dissenting Shares shall be canceled and cease to exist and (B) the holders of Dissenting Shares shall be entitled only to such rights as may be granted to them under the DGCL.

(b) Notwithstanding the provisions of Section 2.5(a), if any holder of Dissenting Shares effectively withdraws or loses such appraisal rights (through failure to perfect such appraisal rights or otherwise), then such holder’s shares (i) shall be deemed no longer to be Dissenting Shares and (ii) shall be treated as if they had been converted automatically at the Effective Time into the right to receive the Merger Consideration upon surrender of the Certificate or Book-Entry Share formerly representing such shares in accordance with Section 2.3.

(c) The Company shall give Parent (i) prompt notice of any written demands for appraisal of any shares of Common Stock, attempted withdrawals of such demands and any other related instrument or notice served on the Company under the DGCL and (ii) the right to participate in and, at Parent’s election and expense, direct all negotiations and proceedings with respect to such demands for appraisal. The Company shall not (or cause or permit any Person on its behalf to) offer to make or make any payment or settle, compromise, or offer to settle or compromise, or otherwise negotiate with respect to any such demands for appraisal without the prior written consent of Parent.

Each of the Company's Subsidiaries has the requisite power and authority to own, lease and operate its assets and properties and to carry on its business as now conducted, except where the failure to have such requisite power or authority would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect. - (h) such other Governmental Authorizations, where the failure to obtain such Governmental Authorizations would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

Section 3.4 Corporate Authorization. Assuming that the representations and warranties of Parent and Merger Sub contained in Section 4.5(c) are true and correct, the Company has all necessary corporate power and authority to enter into this Agreement and, subject to the receipt of the Requisite Company Vote, to consummate the transactions contemplated by this Agreement. This Agreement constitutes a legal, valid and binding agreement of the Company enforceable against the Company in accordance with its terms (except as such enforceability may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other similar laws of general applicability relating to or affecting creditor’s rights, and to general equitable principles).

Section 3.5 Non-Contravention. The Company SEC Reports (a) were prepared in all material respects in accordance with the applicable requirements of the Securities Act of 1933 (the "Securities Act"), the Exchange Act and other applicable Law and (b) did not, at the time they were filed, or if amended or restated, at the time of such later amendment or restatement, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which such statements were made, not misleading in any material respect. No Subsidiary of the Company is subject to the periodic reporting requirements of the Exchange Act or is otherwise required to file any periodic forms, reports, schedules, statements or other documents with the SEC. (b) The Company maintains, and has maintained since January 1, 2014, disclosure controls and procedures required by Rule 13a-15 or Rule 15d-15 under the Exchange Act. Such disclosure controls and procedures are reasonably

The Company maintains a system of "internal control over financial reporting" (as defined in Rules 13a-15(f) and 15d-15(f) under the Exchange Act) reasonably designed to provide reasonable assurance (i) that transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP consistently applied and (ii) that transactions are executed only in accordance with management's general or specific authorization. From January 1, 2014 until the date of this Agreement, the Company has disclosed, based on the most recent evaluation of its principal executive officer and its principal financial officers prior to the date of this Agreement, to the Company's auditors and the audit committee of the Company Board (A) all significant deficiencies and material weaknesses in the design or operation of internal controls over financial reporting which are reasonably likely to adversely affect the Company's or any of its Subsidiaries' ability to record, process, summarize and report financial information in any material respect and (B) any fraud or bona fide allegation of fraud, whether or not material, that involves management or other employees who have a significant role in the Company internal controls, in each case, if any (any such disclosures, the "Internal Controls Disclosures"). Since January 1, 2014, to the Knowledge of the Company, neither the Company nor any of its Subsidiaries has received any material written complaint, allegation, assertion or claim regarding the accounting or auditing practices, procedures, methodologies or methods of the Company or its Subsidiaries, or their respective internal accounting controls.

(c) There are no off-balance sheet arrangements to which the Company or any of its Subsidiaries is a party of any type required to be disclosed in the Company SEC Reports pursuant to Item 303(a)(4) of Regulation S-K promulgated under the Securities Act that have not been so described in the Company SEC Reports.

Section 3.13 Litigation. There are (a) no legal actions, claims, demands, arbitrations, hearings, charges, complaints, sanctions investigations, examinations, indictments, litigations, audits, suits, or other civil, criminal, administrative, enforcement action or investigative proceedings by or before a Governmental Authority (collectively, "Legal Actions") pending or, to the Knowledge of the Company, threatened against the Company or any of its Subsidiaries or any Company Assets that would, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, and (b) no Orders outstanding against the Company or any of its Subsidiaries or any Company Assets that would, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

(d) Each Company Benefit Plan has been established, funded and maintained in compliance with ERISA, the Code and other applicable Law in all material respects and no event has occurred and, to the Knowledge of the Company, no condition exists, that has subjected, or would reasonably be expected to subject, the Company or any of its Subsidiaries to any material Tax, fine, lien, penalty or other Liability imposed by ERISA, the Code or any other applicable Law with respect to the Company Benefit Plans. (f) The execution and delivery of this Agreement and the consummation of the transactions contemplated by this Agreement will not (either alone or in combination with another event) (i) result in any payment from the Company or any of its Subsidiaries becoming due, or increase the amount of any compensation due, to any current or former employee, director or independent contractor of the Company or any of its Subsidiaries, (ii) increase any compensation or benefits otherwise payable under any Company Benefit Plan, (iii) result in the acceleration of the time of payment, vesting of any compensation or benefits or forgiveness of indebtedness with respect to any current or former employee, director or independent contractor of the Company or any of its Subsidiaries, (iv) result in any funding, through a grantor trust or otherwise, of any compensation or benefits to any current or former employee, director or independent contractor of the Company or any of its Subsidiaries under any Company Benefit Plan or (v) give rise to the payment of any amount or provision of any benefits that would not be deductible pursuant to Section 280G of the Code or that would be subject to the excise tax under Section 4999 of the Code.

Section 5.3 Access to Information; Confidentiality.

(a) The Company shall, and shall cause its Subsidiaries to, (i) provide to Parent and its Representatives access at reasonable times upon prior notice

to the officers, employees, properties, books and records of the Company and its Subsidiaries, and (ii) furnish promptly such information concerning the Company and its Subsidiaries as Parent or its Representatives may reasonably request. Notwithstanding the foregoing, the Company shall not be required to provide such access if it determines that it would (A) materially disrupt or impair the business or operations of the Company or any of its Subsidiaries, (B) constitute a violation of any applicable Law or (C) cause a material risk of disclosure of any information that as determined by the Company in good faith would result in the disclosure of any trade secrets of third-parties. Nothing herein shall require the Company or any of its Subsidiaries to disclose information to the extent such information would result in a waiver of attorney-client privilege, work product doctrine or similar privilege or violate any confidentiality obligation of such party existing as of the date of this Agreement (provided, that such party shall use reasonable best efforts to permit such disclosure to be made in a manner consistent with the protection of such privilege or to obtain any consent required to permit such disclosure to be made without violation of such confidentiality obligations, as applicable).

(b) Parent and the Company shall comply with, and shall cause their respective Representatives to comply with, all of their respective obligations under the Confidentiality Agreement, dated November 16, 2015 (as amended, the “Confidentiality Agreement”), between Parent and the Company with respect to the information disclosed under this Section 5.3.

(c) Nothing contained in this Agreement shall give Parent, directly or indirectly, rights to conduct or cause to be conducted any environmental investigation of the current or former operations or facilities of the Company or any of its Subsidiaries without the written consent of the Company in its reasonable discretion.

(d) Nothing contained in this Agreement shall give Parent, directly or indirectly, rights to control or direct the Company’s or its Subsidiaries’ operations before the Effective Time. Before the Effective Time, the Company shall, consistent with the terms and conditions of this Agreement, including for the avoidance of doubt, Section 5.1, exercise control and supervision over the operations of the Company and its Subsidiaries.

Section 5.4 Solicitation.

(a) From the date of this Agreement until the Effective Time, except as expressly permitted by Section 5.4(b), the Company shall not, nor shall the Company permit any of its Subsidiaries to, and the Company shall use its reasonable best efforts to cause its and their respective Representatives not to (i) solicit, initiate and knowingly facilitate or encourage (including by way of furnishing non-public information or providing access to its properties, books, records or personnel) any inquiries regarding, or the making of any proposal or offer that constitutes, or that could reasonably be expected to lead to, a Takeover Proposal, (ii) enter into, continue or otherwise have any discussions (other than to state that the Company is not permitted to have discussions under this Agreement, or to clarify the terms thereof), or otherwise participate in any negotiations regarding a Takeover Proposal, (iii) execute or enter into any Contract with

respect to a Takeover Proposal (other than an Acceptable Confidentiality Agreement if permitted by Section 5.4(b)), (iv) take any action to make the provisions of any anti-takeover Law or any restrictive provision of any applicable anti-takeover provision in the Certificate of Incorporation or Bylaws inapplicable to any transactions contemplated by any Takeover Proposal, or (v) authorize any of or commit to agree to do any of the foregoing, other than in connection with the actions permitted under Sections 5.4(c), (d) and (e). Immediately following the date of this Agreement, the Company shall, and shall cause its Subsidiaries to and shall use its reasonable best efforts to cause its and their respective Representatives to (1) cease any existing solicitations, discussions, communications or negotiations with any Person (other than the parties and their respective Representatives) in connection with an Takeover Proposal or any potential Takeover Proposal and (2) terminate existing access to any physical or electronic data rooms relating to any Takeover Proposal or potential Takeover Proposal (other than for Parent, Merger Sub and their respective Representatives).

(b) Notwithstanding Section 5.4(a), following the receipt by the Company of a Takeover Proposal after entry into this Agreement that was not the result of a breach of Section 5.4(a), if the Company Board determines, in consultation with its legal and financial advisors, that such Takeover Proposal constitutes or would reasonably be expected to lead to a Superior Proposal and the failure to take any such action would be inconsistent with its fiduciary duties under applicable Law, the Company may, in response to such Takeover Proposal, subject to compliance with this Section 5.4, (i) furnish access and information with respect to the Company and any of its Subsidiaries to the Person who has made such Takeover Proposal (including through a physical or electronic data room) pursuant to (x) one or more confidentiality agreements on terms that are not less favorable in the aggregate to the Company than those contained in the Confidentiality Agreement, which confidentiality agreement shall include customary standstill provisions for an agreement of such type, except that such provisions may include an exception to the extent necessary to allow such Person to make a confidential proposal to the Company Board or (y) an existing confidentiality agreement with such Person (each, an “Acceptable Confidentiality Agreement”) (provided, that all such written material non-public information has previously been provided to Parent or is provided to Parent substantially concurrently with the time it is provided to such Person (and in any event within 24 hours), and (ii) participate in discussions, communications and negotiations regarding such Takeover Proposal. From and after the date of this Agreement, the Company shall advise Parent in writing of the receipt of (x) any Takeover Proposal, or (y) any inquiry, proposal, offer or request for information with respect to, or that could reasonably be expected to lead to, any Takeover Proposal (in each case within one Business Day of receipt thereof) and disclose to Parent the material terms, conditions, and status of any such Takeover Proposal and provide copies of any such written inquiry, proposal, offer or request for information, including the identity of the Person or group of Persons making such inquiry, proposal, offer or request for information (provided, that the Company shall not be required to disclose the identity of the Person making such Takeover Proposal if such disclosure is prohibited by the terms of a confidentiality agreement with such Person that is in effect as of the date of this Agreement). The Company shall notify Parent within one Business Day orally and in

writing of any material modifications to the financial or other material terms of such Takeover Proposal or inquiry, proposal, offer or request for information.

(c) Except as set forth in, or otherwise in connection with the actions permitted under Section 5.4(d) or (e), the Company Board shall not, directly or indirectly, (i) withdraw, modify or amend the Company Board Recommendation in any manner adverse to Parent (a “Company Adverse Recommendation Change”), (ii) approve, endorse or recommend a Takeover Proposal, (iii) approve, recommend or allow the Company to enter into a Contract relating to a Takeover Proposal (other than an Acceptable Confidentiality Agreement if permitted by Section 5.4(b)), (iv) fail to include the Company Board Recommendation in the Company Proxy Statement or (v) formally resolve to effect or publicly announce a determination or resolution to effect any of the foregoing.

(d) Notwithstanding Section 5.4(c), the Company Board may, before obtaining the Requisite Company Vote, in response to a Superior Proposal received by the Company Board after entry into this Agreement, terminate this Agreement pursuant to Section 7.4(a) to enter into a Contract with respect to such Superior Proposal, but only if:

(i) such Superior Proposal did not result, directly or indirectly, from a material breach by the Company of this Section 5.4;

(ii) the Company shall have first provided prior written notice to Parent that it is prepared to terminate this Agreement to enter into an agreement with respect to such Superior Proposal, which notice shall include a summary of the material terms and conditions of and copies of all material transaction agreements and other material documents relating to such Superior Proposal and the identity of the Person making such Superior Proposal;

(iii) during the five Business Day period following Parent’s receipt of such notice, the Company shall have negotiated in good faith (to the extent Parent desires to negotiate) to make such adjustments in the terms and conditions of this Agreement and any ancillary agreements intended to cause such Takeover Proposal that constituted a Superior Proposal to cease to constitute a Superior Proposal; and

(iv) Parent does not make, within five Business Days after the receipt of such notice, a binding, written and complete (including any schedules or exhibits) proposal that the Company Board determines in good faith, after consultation with its legal and financial advisor, causes the Takeover Proposal that constituted a Superior Proposal to no longer constitute a Superior Proposal (it being understood that any amendment, revision, change or supplement to the financial terms or other material terms or conditions of such Superior Proposal shall require a new written notification pursuant to the foregoing clause (iii) and a new negotiation period under this clause (iv), which negotiation period shall be three Business Days instead of five Business Days).

(e) Notwithstanding anything to the contrary in this Agreement, at any time before obtaining the Requisite Company Vote, if, following the occurrence of an Intervening Event, (i) the Company Board has concluded in good faith, following consultation with its outside legal counsel that, in light of such Intervening Event, its failure to withdraw, modify or amend the Company Board Recommendation would be reasonably likely to be inconsistent with its fiduciary duties under applicable Law, and (ii) the Company Board shall have (x) first provided prior written notice to Parent that it is prepared to effect a Company Adverse Recommendation Change, which notice shall include a reasonably detailed description of the facts and circumstances relating to such Intervening Event and (y) complied, as applicable, with the requirements set forth in Section 5.4(d)(iii) and Section 5.4(d)(iv) as if such provisions related to an Intervening Event instead of a Superior Proposal, then the Company Board may effect a Company Adverse Recommendation Change.

(f) Nothing contained in this Section 5.4 shall prohibit the Company from complying with Rules 14a-9, 14d-9, 14e-2 and Item 1012(a) of Regulation M-A promulgated under the Exchange Act, or from issuing a customary “stop, look and listen” statement pending disclosure of its position thereunder, or making any required disclosure to the Company’s stockholders if, in the good faith judgment of the Company Board, after consultation with its outside legal counsel, the failure to do so would be inconsistent with its fiduciary duties under applicable Law or such disclosure is otherwise required under applicable Law; provided that nothing set forth in this Section 5.4(f) shall be deemed to modify or supplement the definition of “Company Adverse Recommendation Change” or the obligations set forth in Section 5.4(c).

(g) Notwithstanding anything to the contrary set forth in this Section 5.4, the Company acknowledges and agrees that (i) any violation of the restrictions or obligations set forth in this Section 5.4 by any Subsidiary of the Company or their or the Company’s Representatives shall constitute a breach of this Section 5.4 by the Company and (ii) the Company shall not nor shall it permit any of its Subsidiaries to enter into any agreement that prohibits or restricts the Company from either providing to Parent the information contemplated by this Section 5.4 or otherwise complying with this Section 5.4.

Section 5.5 Company Proxy Statement.

(a) As promptly as practicable following the date of this Agreement (but in any event no more than 25 Business Days following the date of this Agreement, subject to Parent’s reasonable cooperation in connection therewith and satisfaction of its obligations pursuant to this Section 5.5), the Company shall prepare and shall file with the SEC the Company Proxy Statement. Parent shall provide to the Company all information concerning Parent and Merger Sub as may be reasonably requested by the Company in connection with the Company Proxy Statement and shall otherwise assist and cooperate with the Company in the preparation of the Company Proxy Statement and resolution of any comments referred to below. Subject to applicable Law, and notwithstanding anything in this Agreement to the contrary, prior to the filing of the Company Proxy Statement (or any amendment or supplement thereto), or any

dissemination thereof to the stockholders of the Company, or responding to any comments from the SEC with respect thereto, the Company shall (i) provide Parent and its Representatives with an opportunity to review and to comment on such filing, document or response, (ii) consider in good faith including in such filing, document or response any reasonable comments proposed by Parent and its Representatives and (iii) promptly (and in no event later than the fifth Business Day following the date of this Agreement) conduct a “broker search” in accordance with Rule 14a-13 of the Exchange Act.

(b) The Company agrees that none of the information to be included or incorporated by reference in the Company Proxy Statement will, at the date it is first mailed to the stockholders of the Company or at the time of the Company Stockholders Meeting or at the time of any amendment or supplement thereof, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading; provided, however, that no representation or warranty is made by the Company with respect to statements made or incorporated by reference therein to the extent based on information supplied by or on behalf of Parent or Merger Sub or any Affiliate of Parent or Merger Sub in connection with the preparation of the Company Proxy Statement for inclusion or incorporation by reference therein. Parent and Merger Sub hereby covenant and agree that none of the information to be supplied by or on behalf of Parent or Merger Sub or any Affiliate of Parent or Merger Sub for inclusion or incorporation by reference in the Company Proxy Statement shall, at the date it is first mailed to the stockholders of the Company or at the time of the Company Stockholders Meeting or at the time of any amendment or supplement thereof, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading; provided, however, that no representation or warranty is made by either Parent or Merger Sub with respect to statements made or incorporated by reference therein to the extent based on information supplied by the Company or any Affiliate of the Company in connection with the preparation of the Company Proxy Statement for inclusion or incorporation by reference therein.

(c) The Company shall use reasonable best efforts to (i) respond to any comments on the Company Proxy Statement or requests for additional information from the SEC as soon as practicable after receipt of any such comments or requests and (ii) cause the Company Proxy Statement to be mailed to the stockholders of the Company as promptly as practicable after the Company is informed that the SEC has no further comments on the Company Proxy Statement. The Company shall promptly (A) notify Parent upon the receipt of any such comments or requests and (B) provide Parent with copies of all correspondence relating to the Company Proxy Statement between the Company and its Representatives, on the one hand, and the SEC and its staff, on the other hand. Before responding to any such comments or requests or the filing or mailing of the Company Proxy Statement, the Company (x) shall provide Parent with a reasonable opportunity to review and comment on any drafts of the Company Proxy

Statement and related correspondence and filings and (y) shall include in such drafts, correspondence and filings all comments reasonably proposed by Parent.

(d) The Company Proxy Statement shall include the Company Board Recommendation unless the Company Board has made a Company Adverse Recommendation Change in accordance with this Agreement.

Section 5.6 Company Stockholders Meeting. Subject to Section 5.4, following the clearance of the Company Proxy Statement by the SEC, the Company shall call and hold the Company Stockholders Meeting as promptly as practicable following the mailing of the definitive Company Proxy Statement for the purpose of voting on adoption of this Agreement; provided, however, for the avoidance of doubt, the Company may postpone or adjourn the Company Stockholders Meeting: (a) with the consent of Parent; (b) for the absence of a quorum; (c) to allow reasonable additional time (not to exceed 30 days) for the filing and distribution of any supplemental or amended disclosure with respect to the transactions contemplated by this Agreement which the Company Board has determined in good faith (after consultation with its outside legal counsel) is necessary under applicable Laws and for such supplemental or amended disclosure to be disseminated to and reviewed by the Company's stockholders prior to the Company Stockholders Meeting; (d) to solicit additional proxies if the Company reasonably believes it may be necessary to obtain the Requisite Company Vote; or (e) in connection with the Company taking any of the actions expressly permitted by Section 5.4(b), (c), (d) or (e), in response to a Takeover Proposal; provided, further, that in the case of such postponement or adjournment of the Company Stockholders Meeting, the Company shall cause the Company Stockholders Meeting to be duly called and held as promptly as reasonably practicable after the originally scheduled time.

Section 5.7 Employees: Benefit Plans.

(a) For a period of one year following the Closing Date (or, if earlier, until the date of termination of the relevant employee) (the "Continuation Period"), Parent shall, or shall cause the Surviving Corporation or any of their respective Subsidiaries to, provide to each individual who, immediately prior to the Effective Time, is an employee of the Company and its Subsidiaries and who continues in such capacity immediately following the Effective Time (each, a "Continuing Employee") (i) salary, hourly wage rate, and short-term cash bonus or commission opportunity that are no less favorable and (ii) other material benefits (excluding equity based compensation (except as specifically set forth herein or as required under any employment agreement) defined benefit pension benefits, retiree medical benefits or long-term incentive plan benefits) that are no less favorable in the aggregate to those provided to the Continuing Employees, under the Company Benefit Plans as in effect immediately prior to the Effective Time. Parent shall consider Continuing Employees for grants, during the portion of the Continuation Period commencing in 2018, of equity-based awards under Parent's equity compensation plans as part of its ordinary course determinations with respect to grants of equity-based awards to its employees generally.

(b) Parent shall, or shall cause the Surviving Corporation and each of their respective Subsidiaries and Affiliates to, honor all Company Benefit Plans (including all severance, paid time-off, change of control and similar plans and agreements, including the Company's severance program in effect as of the date of this Agreement and set forth on Section 5.7(b) of the Company Disclosure Letter) to Continuing Employees in accordance with their terms as in effect on the date hereof, subject to any amendment or termination thereof that may be permitted by such Company Benefit Plans and except as provided herein. Notwithstanding any permitted amendment, termination or discretion applicable to any Company Benefit Plan that provides for the payment of annual cash bonuses, Parent agrees to, and agrees to cause the Surviving Corporation and each of their respective Subsidiaries and Affiliates to, to the extent not already paid prior to Closing, pay bonuses to Continuing Employees in respect of calendar year 2016 ("2016 Bonuses") in an amount determined by the compensation committee of the Company Board, but not to exceed 100% of the target 2016 Bonus applicable to each Continuing Employee. The 2016 Bonuses shall be paid by the Company or the Surviving Corporation, as applicable, at the time or times that the 2016 Bonuses would normally be paid by the Company in the ordinary course of business consistent with past practice but in no event later than February 2017.

(d) 2017 Bonus Plan. Parent agrees to, and agrees to cause the Surviving Corporation and each of their respective Subsidiaries and Affiliates to, pay bonuses to Continuing Employees in respect of calendar year 2017 ("2017 Annual Bonuses") based on the achievement of performance targets determined by the Company, in good faith, and in the ordinary course of business consistent with past practice, within 60 days of the date of this Agreement ("2017 Annual Bonus Targets"); provided, however, that (i) Parent shall determine actual achievement of the 2017 Annual Bonus Targets with respect to each Continuing Employee, both with respect to (x) the period between January 1, 2017 through the Closing (the "Pre-Closing Period") and (y) the period following the Closing through the remainder of calendar year 2017 (the "Post-Closing Period"), it being understood that such determinations by Parent shall be made reasonably and in good faith based on actual results, after giving appropriate effect to the Merger and actions taken by Parent in connection therewith that affect the Surviving Corporation and its Subsidiaries, (ii) each Continuing Employee who remains employed with Parent and its Affiliates through December 31, 2017, shall be paid a 2017 Annual Bonus of no less than half of such Continuing Employee's target 2017 Bonus (the "Minimum Guaranteed 2017 Annual Bonus") at the same time or times that the Parent pays annual bonuses in respect of calendar year 2017 to its similarly situated employees, (iii) any Continuing Employee whose employment is terminated without "Cause" or who voluntarily resigns with "Good Reason" (each, as defined in Section 5.7(c) of the Company Disclosure Letter) ("Qualifying Termination") during the 60-day period following the Closing Date, will be entitled to receive a prorated portion of 100% of the target 2017 Annual Bonus applicable to such Continuing Employee based on the relative

portion of the 2017 calendar year during which such Continuing Employee was employed by the Company and the Surviving Corporation and their respective Subsidiaries, (provided, that the provisions of this clause (iii) shall not result in the duplication of bonus payments to such Continuing Employee), such prorated 2017 Annual Bonus to be payable promptly following the date of such termination, but subject to such Continuing Employee's timely execution and non-revocation of a release of claims, substantially in the form set forth on Section 5.7(d) of the Company Disclosure Letter, and (iv) any Continuing Employee who experiences a Qualifying Termination after the 60-day period following the Closing Date, but prior to January 1, 2018, will be entitled to receive a 2017 Annual Bonus equal to the greater of (x) such Continuing Employee's Minimum Guaranteed 2017 Annual Bonus and (y) a prorated portion of the actual 2017 Annual Bonus applicable to such Continuing Employee based on the achievement of performance targets determined by the Company and based on the relative portion of the 2017 calendar year during which such Continuing Employee was employed by the Company and the Surviving Corporation and their respective Subsidiaries, (provided, that the provisions of this clause (iv) shall not result in the duplication of bonus payments to such Continuing Employee), such 2017 Annual Bonus to be payable promptly following the date of such termination, but subject to such Continuing Employee's timely execution and non-revocation of a release of claims, substantially in the form set forth on Section 5.7(d) of the Company Disclosure Letter.

(e) Parent shall, and shall cause the Surviving Corporation to, honor the Company's retention program providing for the payment of retention bonuses to certain Continuing Employees in connection with the Merger for the purpose of retaining the services of such Continuing Employees, on the terms set forth on Section 5.7(e) of the Company Disclosure Letter (the "Retention Program"). Following the Effective Time, the Surviving Corporation and/or Parent shall pay or cause to be paid the retention bonuses pursuant to the Retention Program, to certain Continuing Employees in connection with the Merger for the purpose of retaining the services of such Continuing Employees.

In addition, where applicable, and without limiting the generality of the foregoing, Parent agrees to use or cause the Surviving Corporation or any Subsidiaries or Affiliates to use, commercially reasonable efforts to provide that: (i) at the Effective Time, each

Continuing Employee immediately shall be eligible to participate, without any waiting time, in each New Plan to the extent such waiting time was satisfied under the corresponding Company Benefit Plan in which such Continuing Employee participated immediately before the Effective Time (such plans, collectively, the “Old Plans”); (ii) Parent shall cause all pre-existing condition exclusions or limitations and actively-at-work requirements of each New Plan that is a health plan to be waived or satisfied for such Continuing Employee and his or her covered dependents to the extent waived or satisfied under the analogous Old Plan as of the Effective Time; and (iii) for the plan year in which the Effective Time occurs Parent shall cause all eligible expenses incurred by each Continuing Employee and his or her covered dependents during the portion of the plan year of the Old Plan ending on the date such Continuing Employee’s participation in the corresponding New Plan begins to be taken into account under such New Plan for purposes of satisfying all deductible, coinsurance and maximum out-of-pocket requirements applicable to such Continuing Employee and his or her covered dependents for the applicable plan year as if such amounts had been paid in accordance with such New Plan.

(g) With respect to any accrued but unused paid time off to which any Continuing Employee is entitled pursuant to the Company Benefit Plan that is a paid time off policy applicable to such Continuing Employee immediately prior to the Effective Time, Parent shall, or shall cause the Surviving Corporation or any of their respective Subsidiaries or Affiliates to allow such Continuing Employee to use such accrued paid time off in accordance with the terms of such Company Benefit Plan. If any Continuing Employee’s employment is terminated during the Continuation Period, Parent agrees to cause the Surviving Corporation or any Subsidiaries or Affiliates to pay the Continuing Employee any accrued but unused paid time off as of the Effective Time (determined in accordance with this Section 5.7(g)) reduced by any paid time off used between the Effective Time and the date of termination in accordance with any Company Benefit Plan that is a paid time off policy applicable to such Continuing Employee immediately prior to the Effective Time.

(h) The Company shall, and shall cause its Subsidiaries to, use reasonable best efforts to provide to Parent and its Representatives access at all reasonable times to the Continuing Employees and the employment and personnel records and data relating to the Continuing Employees to the maximum extent permitted under applicable Law.

(i) Provided that Parent provides the Company written notice at least five days prior to the Closing Date (but in no event later than the day immediately preceding the Closing Date), the Company shall or shall cause any applicable Subsidiary to take all actions necessary to terminate all Company Benefit Plans intended to include a Code Section 401(k) arrangement (each, a “401(k) Plan”), and the Company shall provide Parent with evidence that such 401(k) Plan(s) have been properly terminated (effective as of the day immediately preceding the Closing Date), the form of such termination documents shall be subject to review of Parent.

(j) As soon as administratively practicable following the Closing Date, Parent shall take all actions necessary to permit Continuing Employees who have an account balance under a 401(k) Plan to rollover (whether by direct or indirect rollover, as selected by such Continuing Employees) his or her “eligible rollover distribution” (as defined under Section 402(c)(4) of the Code) in the form of cash, a promissory note (in the case of loans) or any combination thereof from the Seller 401(k) Plan to a tax-qualified defined contribution retirement plan maintained by Parent or its Affiliate for the benefit of the Continuing Employees.

(k) Nothing in this Section 5.7 or otherwise in this Agreement, whether express or implied, shall: (i) confer upon any current or former employee of the Company, Parent, the Surviving Corporation or any of their respective Subsidiaries or Affiliates (including any Continuing Employee), any rights or remedies including any right to employment or continued employment or any term or condition of employment for any specified period, of any nature or kind whatsoever, or restrict the ability of Parent, the Surviving Corporation or any of their respective Subsidiaries or Affiliates to terminate the employment or service of any Person; (ii) be construed to establish, amend, fund or modify any benefit or compensation plan, program, agreement, Contract, policy or arrangement; (iii) limit the ability of Parent, the Surviving Corporation or any of their respective Subsidiaries or Affiliates to amend, modify or terminate any Company Benefit Plan or other benefit or compensation plan, program, agreement, Contract, policy or arrangement at any time assumed, established, sponsored or maintained by any of them; or (iv) create any third-party beneficiary rights or obligations in any Person (including any employee of the Company or any of its Subsidiaries) other than the parties to this Agreement.

Section 5.8 Directors’ and Officers’ Indemnification and Insurance.

(a) Parent shall, and shall cause the Surviving Corporation to, cause all rights to indemnification, advancement of expenses and exculpation now existing in favor of any present or former director, officer or employee of the Company or any of its Subsidiaries and the fiduciaries of any Company Benefit Plans (the “Indemnified Parties”) as provided in the Company Organizational Documents, in the comparable organizational document of any of the Company’s Subsidiaries, in any Contract between an Indemnified Party and the Company or one of its Subsidiaries or otherwise in effect on the date of this Agreement to survive the Merger and to continue in full force and effect for a period of six years after the Effective Time or, if required, for such longer period as is set forth in any applicable agreement with an Indemnified Party in effect on the date of this Agreement as set forth on Section 5.8 of the Company Disclosure Letter.

(b) Parent shall, and shall cause the Surviving Corporation to, indemnify all Indemnified Parties to the fullest extent permitted by applicable Law with respect to all acts and omissions arising out of or relating to their service as directors or officers of the Company, its Subsidiaries or another Person, if such Indemnified Party is or was serving as a director or officer of such other Person at the request of the Company or Parent, or fiduciaries of the Company Benefit Plans, whether asserted or claimed at or

after or occurring before the Effective Time (including in connection with the negotiation and execution of this Agreement and the consummation of the transactions contemplated by this Agreement). If any Indemnified Party is or becomes involved in any Legal Action in connection with any matter subject to indemnification hereunder, the Company shall or Parent shall cause the Surviving Corporation to, advance as incurred any Damages out of or incurred in connection with such Legal Action, subject to Parent's or the Surviving Corporation's, as applicable, receipt of a customary undertaking by or on behalf of such Indemnified Party, to repay such Damages if it is ultimately determined under applicable Law that such Indemnified Party is not entitled to be indemnified. In the event of any such Legal Action, (i) each of Parent and the Surviving Corporation shall cooperate with the Indemnified Party in the defense of any such Legal Action and (ii) neither Parent nor the Surviving Corporation shall settle, compromise or consent to the entry of any judgment in any Legal Action pending or threatened in writing to which an Indemnified Party is a party (and in respect of which indemnification could be sought by such Indemnified Party hereunder), unless such settlement, compromise or consent includes an unconditional release of such Indemnified Party from all liability arising out of such Legal Action or such Indemnified Party otherwise consents in writing.

(c) Prior to the Effective Time, the Company shall purchase a "tail" directors' and officers' liability insurance policy with coverage and amounts containing terms and conditions that are no less advantageous with respect to claims arising out of or relating to events that occurred before or at the Effective Time (including in connection with the negotiation and execution of this Agreement and the consummation of the transactions contemplated by this Agreement) than the current policies of directors' and officers' liability insurance maintained by the Company if the cost thereof does not exceed 300% of the last annual premium paid by the Company for the current policies of directors' and officers' liability insurance maintained by the Company before the date of this Agreement; provided, however, that if the Company is unable to so acquire such a "tail" policy then Parent shall cause the Surviving Corporation to maintain in effect for at least six years after the Effective Time the current policies of directors' and officers' liability insurance maintained by the Company or policies with coverage and amounts containing terms and conditions that are no less advantageous with respect to claims arising out of or relating to events that occurred before or at the Effective Time (including in connection with the negotiation and execution of this Agreement and the consummation of the transactions contemplated by this Agreement) so long as Parent or the Surviving Corporation are not required to pay an aggregate premium in excess of 300% of the last annual premium paid by the Company for such insurance before the date of this Agreement (such 300% amount being the "Maximum Premium"). If the Company is unable to obtain the "tail" policy and Parent or the Surviving Corporation are unable to obtain the insurance described in the prior sentence for an amount less than or equal to the Maximum Premium, Parent shall cause the Surviving Corporation to, instead obtain as much comparable insurance as possible for an annual premium equal to the Maximum Premium.

(d) Parent hereby acknowledges that the Indemnified Parties may have certain rights to indemnification, advancement of expenses and/or insurance provided by other Persons. Parent hereby agrees (i) that Parent and the Surviving

Corporation are the indemnitors of first resort (*i.e.*, their obligations to the Indemnified Parties are primary and any obligation of such other Persons to advance expenses or to provide indemnification for the same expenses or liabilities incurred by any such Indemnified Party are secondary) (and as between Parent and the Surviving Corporation, the Surviving Corporation is the indemnitor of first resort), (ii) that Parent and the Surviving Corporation shall be required to advance the full amount of expenses incurred by any such Indemnified Party and shall be liable for the full indemnifiable amounts, without regard to any rights any such Indemnified Party may have against any such other Person and (iii) that Parent irrevocably waives, relinquishes and releases (and shall cause the Surviving Corporation to irrevocably waive, relinquish and release) such other Persons from any and all claims against any such other Persons for contribution, subrogation or any other recovery of any kind in respect thereof. Each of Parent and Surviving Corporation further agrees that no advancement or payment by any of such other Persons on behalf of any such Indemnified Party with respect to any claim for which such Indemnified Party has sought indemnification from the Surviving Corporation shall affect the foregoing and such other Persons shall have a right of contribution and/or be subrogated to the extent of such advancement or payment to all of the rights of recovery of such Indemnified Party against the Companies.

(e) The covenants contained in this Section 5.8 are intended to be for the benefit of, and shall be enforceable by, each of the Indemnified Parties and their respective heirs and legal representatives and shall not be deemed exclusive of any other rights to which an Indemnified Party is entitled, whether pursuant to Law, Contract or otherwise. For the avoidance of the doubt, the Indemnified Parties and their respective heirs and legal representatives shall be third-party beneficiaries with respect to the covenants contained in this Section 5.8. The Surviving Corporation shall pay all expenses, including reasonable attorneys' fees, that may be incurred by any Indemnified Party in enforcing the indemnity and other obligations provided in this Section 5.8; provided, that, if requested by the Surviving Corporation, the Person to whom expenses are advanced provides an undertaking to repay such expenses, in the event that it is ultimately determined in a final and non-appealable judgment by a Governmental Authority with valid jurisdiction that such Indemnified Party is not entitled to be indemnified pursuant to this Agreement.

(f) In the event that Parent or the Surviving Corporation or any of its successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, and in each such case, Parent and the Surviving Corporation shall take all necessary action so that the successors or assigns of Parent or the Surviving Corporation, as the case may be, shall succeed to the obligations set forth in this Section 5.8.

Section 5.9 Reasonable Best Efforts. Upon the terms and subject to the conditions set forth in this Agreement and in accordance with applicable Law (but subject, for the avoidance of doubt, to Section 5.10), each of the parties to this Agreement shall, and shall cause its Subsidiaries to, use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or

advisable to ensure that the conditions applicable to such party set forth in Article VI are satisfied and to consummate the transactions contemplated by this Agreement as promptly as practicable in accordance with its terms. Notwithstanding the foregoing (but subject, for the avoidance of doubt, to Parent's obligations to pay (i) filing fees to Governmental Authorities or (ii) other amounts to the Surviving Corporation and its Subsidiaries, in each case, as required by Section 5.10), Parent shall not be obligated to pay any amounts (other than *de minimis* amounts), or provide other consideration (other than *de minimis* consideration), to any Third Party in connection with obtaining or seeking to obtain any consents or approvals from such Third Party. The terms of this Section 5.9 shall not limit the rights of the Company set forth in Section 5.4.

Section 5.10 Consents; Filings; Further Action.

(a) Upon the terms and subject to the conditions of this Agreement and in accordance with applicable Law, each of Parent and the Company shall, and shall cause each of their respective Subsidiaries to, use its reasonable best efforts to promptly (i) obtain any consents, approvals or other authorizations, and make any filings and notifications required in connection with the transactions contemplated by this Agreement, (ii) make any other submissions either required or deemed appropriate by either Parent or the Company, in connection with the transactions contemplated by this Agreement under the Securities Act, the Exchange Act, the HSR Act, the DGCL, the NYSE rules and regulations, CMS, state insurance Laws and any other applicable Law, (iii) take or cause to be taken all other actions necessary, proper or advisable consistent with this Section 5.10 to (A) cause the expiration of the applicable waiting periods, or (B) obtain receipt of required consents, approvals or authorizations, including the Required Company Consents, as applicable, under such Laws, rules and regulations as soon as practicable and (iv) defend any Legal Actions, whether judicial or administrative, challenging this Agreement or the consummation of the transactions contemplated by this Agreement, including seeking to have any stay or temporary restraining Order or any other Order entered by any court or other Governmental Authority vacated or reversed. Parent and the Company shall cooperate and consult with each other in connection with the making of all such filings and notifications, including by providing copies of all submissions and written communications with the government to the non-filing party's outside antitrust or applicable regulatory counsel (and to the non-filing party upon consent of the filing party, such consent not to be unreasonably withheld or delayed) before filing. Neither Parent nor the Company shall consent to any voluntary extension of any statutory deadline or waiting period or to any voluntary delay of the consummation of the transactions contemplated by this Agreement at the behest of any Governmental Authority without the consent of the other party, which consent shall not be unreasonably withheld or delayed.

(b) As promptly as practicable after the date of this Agreement and in any event no later than (i) ten Business Days after the date of this Agreement, each of Parent and the Company shall file (and not subsequently withdraw without the prior written consent of the other party (such consent not to be unreasonably withheld, or conditioned or delayed)) any Notification and Report Forms and related material required to be filed by it with the Federal Trade Commission and the United States Department of

Justice, as applicable, to request early termination of the applicable waiting period under the HSR Act with respect to the transactions contemplated by this Agreement, and shall promptly make any further filings pursuant thereto that may be necessary, proper or advisable and (ii) 30 Business Days after the date of this Agreement, each of Parent and the Company shall file (and not subsequently withdraw) all Form A or other filings required to be filed by it with respect to all Required Company Consents.

(c) The Company shall cause its appropriate Subsidiary to use commercially reasonable efforts to obtain receipt of a Certificate of Authority issued by the New York State Department of Health authorizing such Subsidiary, in its capacity as a Health Maintenance Organization, to write and administer Medicare Advantage Plan in certain counties of the State of New York as promptly as practicable.

(d) Each of Parent and the Company shall, and shall cause each of their respective Subsidiaries to, promptly inform the other party upon receipt of any communication from any Governmental Authority regarding any of the transactions contemplated by this Agreement. If Parent or the Company (or any of their respective Subsidiaries) receives a request for additional information from any Governmental Authority that is related to the transactions contemplated by this Agreement, then such party shall endeavor in good faith to make, or cause to be made, to the extent practicable and after consultation with the other party, an appropriate response to such request. Prior to delivery of such response, to the extent practicable, such party shall provide the other party with a reasonable opportunity to review and comment on such response. No party shall participate in any substantive meeting, or engage in any material substantive conversation, with any Governmental Authority without giving the other party prior notice of the meeting or conversation and, unless prohibited by such Governmental Authority, the opportunity to attend or participate. Parent shall advise the Company promptly of any understandings, undertakings or agreements (oral or written) that Parent proposes to make or enter into with any Governmental Authority in connection with the transactions contemplated by this Agreement. In furtherance and not in limitation of the foregoing, Parent shall use its reasonable best efforts to resolve any objections that may be asserted with respect to the transactions contemplated by this Agreement under any antitrust, competition or trade regulatory Law as promptly as practicable.

(e) Notwithstanding anything to the contrary in this Agreement, Parent shall promptly take (and shall cause its Subsidiaries to promptly take) any and all action necessary to avoid the entry of, or to effect the dissolution of or vacate or lift, any Order that would have the effect of preventing or delaying the Closing and to resolve the objections, if any, as any Governmental Authority may assert under any applicable Law with respect to the transactions contemplated by this Agreement, and, consistent with the foregoing, to avoid or eliminate each and every impediment under any Law that would reasonably be expected to be asserted by any Governmental Authority with respect to the Merger so as to enable the Closing to occur as soon as reasonably possible, including (i) restructuring, selling, divesting or disposing of assets or businesses of Parent or any of its Subsidiaries (including, after the Effective Time, the Surviving Corporation or any of its Subsidiaries), or committing to take such actions or (ii) otherwise taking or committing to take actions that would limit Parent's or its

Subsidiaries' (including, after the Effective Time, the Surviving Corporation's and its Subsidiaries') freedom of action with respect to, or its ability to retain, one or more of their respective assets or businesses; provided, that nothing in this Section 5.10(e) shall require Parent to take any action that would reasonably be expected to, individually or in the aggregate have a material adverse effect on the business of Parent, Merger Sub and their respective Subsidiaries, taken as a whole. For the avoidance of doubt, Parent shall not require the Company to, and the Company shall not be required to, take any action with respect to any Order or any applicable Law that would bind the Company or its Subsidiaries irrespective of whether the Merger occurs.

Section 5.11 Public Announcements. Parent and the Company shall consult with each other before issuing any press release or otherwise making any public statements about this Agreement or any of the transactions contemplated by this Agreement. Neither Parent nor the Company shall issue any such press release or make any such public statement prior to obtaining the other party's written consent, except to the extent required by applicable Law, the NYSE rules or this Agreement, in which case the party required to make the public statement shall (a) give reasonable notice with the other party before issuing any such release or making any such public statement, and (b) use commercially reasonable efforts to provide the other party with the opportunity to review and comment thereon to the extent practicable; provided, however, that Parent's consent shall not be required, and the Company shall not be required to consult with Parent in connection with, or provide Parent an opportunity to review or comment upon, any press release or other public statement or comment to be issued or made with respect to any Takeover Proposal or with respect to any actions contemplated by and taken in accordance with Section 5.4(d), Section 5.4(e), and Section 5.4(f). Notwithstanding the foregoing, without the prior consent of the other parties, Parent and the Company may (x) communicate with its respective customers, vendors, suppliers, financial analysts, investors and media representatives in a manner consistent with its past practice in compliance with applicable Law to the extent such communications consist of information included in a press release or other document previously approved for external distribution by such other party, (y) issue public statements or disseminate information to the extent solely related to the operation of the business of Parent or its Subsidiaries and the Company or its Subsidiaries, as applicable and (z) make internal announcements to their respective employees, contractors and services providers, in each case that are not inconsistent in any material respect with the prior public disclosure regarding the transactions contemplated by this Agreement; provided, further, that Parent's or the Company's consent, as applicable, shall not be required, and Parent or the Company, as applicable, shall not be required to consult with such other party in connection with, or provide such other party an opportunity to review or comment upon, any press release or other public statement or comment to be issued or made with respect to any Takeover Proposal or with respect to any actions contemplated by and actions taken in accordance with Section 5.4(d), Section 5.4(e) or Section 5.4(f). Each of Parent and the Company will issue a separate (but mutually agreed upon) press release announcing the execution of this Agreement.

Section 5.12 NYSE De-listing. Parent shall cause the Common Stock to be de-listed from the NYSE and de-registered under the Exchange Act at or as soon as practicable following the Effective Time.

Section 5.13 Fees and Expenses. Except as explicitly provided otherwise in this Agreement, whether or not the Merger is consummated, all expenses (including those payable to Representatives) incurred by any party to this Agreement or on its behalf in connection with this Agreement and the transactions contemplated by this Agreement ("Expenses") shall be paid by the party incurring those Expenses. Filing fees incurred in connection with the HSR Act filings shall be borne by Parent.

Section 5.14 Takeover Statutes. Unless the Company Board has made a Company Adverse Recommendation Change in accordance with this Agreement, if any takeover statute is or becomes applicable to this Agreement, the Merger or the other transactions contemplated by this Agreement, each of Parent, the Company and their respective boards of directors shall use reasonable best efforts (a) to ensure that such transactions may be consummated as promptly as practicable upon the terms and subject to the conditions set forth in this Agreement and (b) to otherwise act to eliminate or minimize the effects of such takeover statute.

Section 5.15 Obligations of Merger Sub. Parent shall take all action necessary to cause Merger Sub to perform its obligations under this Agreement and to consummate the Merger on the terms and conditions set forth in this Agreement.

Section 5.16 Rule 16b-3. Prior to the Effective Time, the Company may take such further actions, if any, as may be necessary or appropriate to ensure that the dispositions of equity securities of the Company (including derivative securities) pursuant to the transactions contemplated by this Agreement by any officer or director of the Company who is subject to Section 16 of the Exchange Act are exempt under Rule 16b-3 promulgated under the Exchange Act.

Section 5.17 Resignation of Directors. At the Closing, the Company shall deliver to Parent evidence reasonably satisfactory to Parent of the resignation of all directors of the Company and its Subsidiaries, in each case, effective as of the Effective Time.

Section 5.18 Notification of Certain Matters.

(a) The Company shall give prompt notice to Parent, and Parent shall give prompt notice to the Company, of (i) the occurrence of any event known to it that would reasonably be expected to, individually or in the aggregate, (A) in the case of the Company, have a Company Material Adverse Effect, or, in the case of Parent, have a Parent Material Adverse Effect, (B) cause any condition set forth in Article VI to be unsatisfied in any material respect at any time prior to the Effective Time or (C) cause any authorization, consent, Order, declaration or approval of any Governmental Authority or third-party necessary for the consummation of the transactions contemplated by this Agreement to not be obtained by the Termination Date or (ii) any action, suit,

proceeding, inquiry or investigation pending or, to the Knowledge of the Company or Parent, threatened that questions or challenges the validity of this Agreement or the ability of any party to consummate the transactions contemplated by this Agreement; provided, however, that the delivery of any notice pursuant to this Section 5.18 shall not limit or otherwise affect the remedies available hereunder to the party receiving such notice nor shall the party giving such notice be prejudiced with respect to any such matters solely by virtue of having given such notice.

(b) Subject to applicable Law, the Company shall provide to Parent copies of (i) all material written notices received from any Governmental Authority by the Company or any of its Subsidiaries to the extent such notice is primarily related to the business of the Company and its Subsidiaries and (ii) all material written notices received from CMS or the Department of Health and Human Services Office of the Inspector General by the Company or any of its Subsidiaries (other than immaterial, ordinary course communications, such as advisory notices that are administrative and are not performance-related in nature), in each case from and after the date of this Agreement until the Effective Time.

Section 5.19 Certain Litigation.

(a) The Company shall promptly notify Parent of any litigation against the Company, any of its Subsidiaries or any of the directors, officers or employees of the Company or its Subsidiaries, in each case, arising out of or in connection with the Merger (collectively, the “Shareholder Litigation”) or threatened Shareholder Litigation of which the Company has knowledge and shall keep Parent fully informed with respect to the status thereof. The Company shall give Parent the opportunity to consult with the Company regarding and the opportunity to participate in but not control the defense settlement or prosecution of any such Shareholder Litigation (at Parent’s expense).

(b) The Company shall obtain the prior written consent of Parent (which shall not be unreasonably withheld or delayed) before entering into any settlement, understanding or other agreement relating to such Shareholder Litigation; provided, however, that the Company, with or without the consent of Parent, shall be permitted to offer to make or make any payment with respect to such Shareholder Litigation and to enter into any settlement, understanding or other agreement relating to such Shareholder Litigation if the terms thereof, in the aggregate, are no less favorable to the Company than those described on Section 5.19 of the Company Disclosure Letter.

(c) Each party shall cooperate, and cause its Affiliates to cooperate, in the defense of any Shareholder Litigation and shall furnish or cause to be furnished such records, information and testimony, and attend, at each party’s own expense, such conferences, discovery proceedings, hearings, trials or appeals, as may be reasonably requested in connection therewith.

Section 5.20 Parent Standstill. From the date of this Agreement until the Closing, Parent shall not, and shall not permit any person acting on behalf of Parent to,

directly or indirectly, acquire (a) any Securities of the Company or (b) any derivative contracts or derivative securities that give Parent or any Person acting on behalf of Parent the economic or voting equivalent of ownership of Securities of the Company.

Section 5.21 Convertible Notes.

(a) Prior to the Effective Time, the Company and Parent shall take all necessary actions so that, in the event that any of the Company's 4.00% Convertible Senior Notes due 2021 (the "Convertible Notes") issued pursuant to the Indenture, dated June 27, 2016 (the "Indenture"), between the Company and U.S. Bank National Bank Association, as trustee (the "Trustee") remain outstanding as of the Effective Time, the Company shall (i) execute and deliver to the Trustee a supplemental indenture to the Indenture, as and to the extent required by the Indenture, including to provide that on and after the Effective Time, each holder of Convertible Notes shall have the right to convert such Convertible Notes into the Merger Consideration in accordance with, and subject to, the provisions of the Indenture governing the conversion of the Convertible Notes (including any applicable increase in the "Conversion Rate" thereunder for conversions made in connection with the Merger), and (ii) cause to be executed and delivered to the Trustee an Officers' Certificate and an Opinion of Counsel as such terms are defined in the Indenture in connection with such supplemental indenture, as and to the extent required by the Indenture. The Company will provide copies of any such supplemental indenture, Officers' Certificate and Opinion of Counsel to Parent at least three Business Days prior to delivering any such document and all such documents shall be subject to the prior approval of Parent (such approval not to be unreasonably withheld, conditioned or delayed).

(b) Prior to the Effective Time, the Company shall give any notices and take all other actions that may be required under the terms of the Convertible Notes, the Indenture or applicable Law, including the giving of any notices that may be required in connection with holders' rights to require repurchase or conversion of the Convertible Notes occurring as a result of the transactions contemplated by this Agreement constituting a "Merger Event," "Fundamental Change" or "Make-Whole Fundamental Change" as such terms are defined in the Indenture. The Company will provide copies of any such notice to Parent at least three Business Days prior to delivering any such notice and all such notices and actions shall be subject to the prior approval of Parent (such approval not to be unreasonably withheld, conditioned or delayed). The Company shall, and shall cause its Subsidiaries to, and each shall use its commercially reasonable efforts to cause their respective representatives to, cooperate with Parent in connection with the fulfillment of the Company's obligations under the terms of the Convertible Notes and the Indenture at any time after the date of this Agreement as reasonably requested by Parent.

(c) For the avoidance of doubt, in the event any Convertible Notes remain issued and outstanding after the Effective Time, the Surviving Corporation shall comply with the Company's obligations of Convertible Notes and the Indenture.

Section 5.22 Transition Matters. Upon Parent's request, promptly following the date of this Agreement, the parties shall establish a transition planning team of at least six members and not more than eight members comprised of an equal number of representatives of Parent and the Company, which, subject to applicable Law, shall cooperate in good faith to implement a transition and integration planning process to facilitate the successful combination of the operations of Parent and the Company after the Closing. In furtherance of the foregoing, upon Parent's request, the Company shall, and shall cause its Subsidiaries to, use its and their reasonable best efforts to consult with Parent from time to time on strategic and material business matters, to the extent such consultation is not in violation of applicable Law; provided, that, the foregoing sentence shall not be taken into account in determining whether the condition set forth in Section 6.2(c) has been satisfied.

ARTICLE VI

CONDITIONS

Section 6.1 Conditions to Each Party's Obligation to Effect the Merger. The respective obligation of each party to this Agreement to effect the Merger is subject to the satisfaction on or before the Closing Date of each of the following conditions, unless waived (if permissible by Law) in writing by each of Parent and the Company:

- (a) Company Stockholder Approval. This Agreement shall have been duly adopted by the Requisite Company Vote.
- (b) Antitrust. The waiting period applicable to the consummation of the Merger under the HSR Act shall have expired or been terminated.
- (c) Required Regulatory Approvals. All Required Company Consents shall have been obtained or, in the case of notices, made.
- (d) No Orders. There shall not have been enacted, issued, promulgated, enforced or entered after the date hereof any Law or Orders by a Governmental Authority that enjoins or otherwise prohibits consummation of the Merger and there shall not be in effect any injunction (whether temporary, preliminary or permanent) by any Governmental Authority (collectively, a "Legal Restraint") of competent jurisdiction that enjoins or otherwise prohibits consummation of the Merger.

Section 6.2 Conditions to Obligations of Parent and Merger Sub. The obligations of each of Parent and Merger Sub to effect the Merger are also subject to the satisfaction on or before the Closing Date of the following conditions, unless waived in writing by Parent:

- (a) Representations and Warranties. (i) The representations and warranties of the Company set forth in Section 3.1 (Organization and Power), Section 3.4 (Corporate Authorizations), Section 3.6(c) through (g) (Capitalization), Section 3.23 (Takeover Statutes), Section 3.31 (Opinion of Financial Advisor) and

Solely for the purposes of clause (ii) above, if one or more inaccuracies in or breaches of Section 3.6(a) and Section 3.6(b) would not result in aggregate additional cost, expense or liability to the Company, Parent or Merger Sub pursuant to Article II in excess of \$2,500,000, such inaccuracy or inaccuracies will be deemed "*de minimis*" and such condition will be deemed to have been satisfied.

(b) Performance of Obligations. The Company shall have performed in all material respects all obligations and covenants required to be performed by it under this Agreement at or before the Closing Date.

ARTICLE VII

Section 7.1 Termination by Mutual Consent. This Agreement may be terminated at any time before the Effective Time, whether before or after obtaining the Requisite Company Vote, by mutual written consent of Parent and the Company.

Section 7.2 Termination by Either Parent or the Company. This Agreement may be terminated by either Parent or the Company at any time before the Effective Time:

(a) if the Merger has not been consummated by June 19, 2017 (the "Termination Date"), except that the right to terminate this Agreement under this Section 7.2(a) shall not be available to any party to this Agreement whose breach of this Agreement has been a principal cause of, or resulted in, the failure to consummate the Merger by such date; provided, that if, as of such date, all conditions to this Agreement shall have been satisfied or waived (or, in the case of conditions that by their nature are to

be satisfied at the Closing, are capable of being so satisfied) other than the conditions set forth in Section 6.1(b), Section 6.1(c) and Section 6.1(d) (in connection with the subject matter of the conditions set forth in Section 6.1(b) or Section 6.1(c) or other Legal Restraint arising from any Legal Action initiated by a Governmental Authority), and such conditions are reasonably capable of being satisfied, then the Termination Date shall be extended to November 17, 2017;

(b) if this Agreement has been submitted to the stockholders of the Company for adoption at a duly convened Company Stockholders Meeting (or adjournment or postponement thereof) and the Requisite Company Vote is not obtained upon a vote taken thereon; or

Section 7.3 Termination by Parent. This Agreement may be terminated by Parent at any time before the Effective Time:

(a) if the Company Board effects a Company Adverse Recommendation Change;

(b) if (i) the Company Board approves, endorses or recommends to stockholders a Superior Proposal, (ii) a tender offer or exchange offer for any outstanding shares of capital stock of the Company is commenced before obtaining the Requisite Company Vote and the Company Board fails to recommend in a Solicitation/Recommendation Statement on Schedule 14D-9 against acceptance of such tender offer or exchange offer by its stockholders within ten Business Days after commencement thereof, or (iii) the Company Board shall have failed to publicly reaffirm the Company Board Recommendation or to recommend against any Takeover Proposal within ten Business Days after receipt of any written request to do so from Parent following the public announcement of any Takeover Proposal (provided, that Parent shall only make such request once with respect to any Takeover Proposal or any material amendment thereto);

(c) if there shall have been an intentional and material breach of Section 5.4(c); or

(d) if the Company breaches any of its representations, warranties, covenants or agreements contained in this Agreement, which breach would give rise to the failure of a condition set forth in Section 6.1 or Section 6.2 and cannot be cured by the Termination Date, or, if curable, has not been cured by the Company within 30 Business Days after the Company's receipt of written notice of such breach from Parent; provided, that Parent shall not have the right to terminate this Agreement pursuant to this Section 7.3(d) if Parent or Merger Sub is then in breach of any of their representations, warranties, covenants or agreements contained in this Agreement that

would result in the conditions to Closing set forth in Section 6.1 or Section 6.3 not being satisfied.

Section 7.4 Termination by the Company. This Agreement may be terminated by the Company at any time before the Effective Time:

(a) at any time before obtaining the Requisite Company Vote, pursuant to and in accordance with the terms and conditions of Section 5.4(d); provided, that any termination of this Agreement pursuant to this Section 7.4(a) shall not be effective unless the Company pays or has paid the Company Termination Fee to Parent or causes the Company Termination Fee to be paid to Parent prior to or concurrently with such termination in accordance with Section 7.6(b); or

(b) if Parent or Merger Sub breaches any of its representations, warranties, covenants or agreements contained in this Agreement, which breach (i) would give rise to the failure of a condition set forth in Section 6.1 or Section 6.3 and (ii) cannot be cured by the Termination Date, or, if curable, has not been cured by Parent or Merger Sub within 30 Business Days after Parent's receipt of written notice of such breach from the Company; provided, that the Company shall not have the right to terminate this Agreement pursuant to this Section 7.4(b) if the Company is then in breach of any of its representations, warranties, covenants or agreements contained in this Agreement that would result in the conditions to Closing set forth in Section 6.1 or Section 6.2 not to be satisfied.

Section 7.5 Effect of Termination. If this Agreement is terminated pursuant to this Article VII, except as set forth in this Section 7.5, it shall become void and of no further force and effect, with no liability (except as provided in Section 7.6) on the part of any party to this Agreement (or any stockholder or Representative of such party), except that, subject to Section 7.6, if such termination results from the willful and material (a) failure of any party to perform its covenants, obligations or agreements contained in this Agreement or (b) breach by any party of its representations or warranties contained in this Agreement, then such party shall be liable for any Damages incurred or suffered by the other parties as a result of such failure or breach (which, in the case of Damages sought by the Company, shall take into account the consideration that would have otherwise been payable to the holders of Common Stock or Preferred Stock of the Company, as applicable, pursuant to this Agreement and the loss of market value or stock price of the Company). The provisions of Section 5.3 (Access to Information; Confidentiality), Section 5.13 (Fees and Expenses), this Section 7.5 (Effect of Termination), Section 7.6 (Fees and Expenses Following Termination) and Article VIII (Miscellaneous) shall survive any termination of this Agreement.

Section 7.6 Fees and Expenses Following Termination.

(a) Except as set forth in this Section 7.6, all Expenses incurred in connection with this Agreement and the transactions contemplated by this Agreement shall be paid in accordance with the provisions of Section 5.13.

(b) The Company shall pay, or cause to be paid, to Parent by wire transfer of immediately available funds an amount equal to the sum of the Termination Fee and the Expense Reimbursement:

(i) if this Agreement is terminated by the Company pursuant to Section 7.4(a) (Right to Accept Superior Proposal), in which case payment shall be made before or concurrently with such termination;

(ii) if this Agreement is terminated by Parent pursuant to Section 7.3(a) (Company Adverse Recommendation Change), Section 7.3(b) (Failure to Recommend) or Section 7.3(c) (Breach of Non-Solicitation), in which case payment shall be made within five Business Days following such termination; or

(iii) if: (A) this Agreement is terminated by either Parent or the Company pursuant to Section 7.2(a) (Termination Date) or Section 7.2(b) (Stockholder No Vote); (B) a Third Party has made a Takeover Proposal after the date of this Agreement and prior to the Company Stockholders Meeting which Takeover Proposal has not been withdrawn, rescinded or terminated or expired prior to the Company Stockholders Meeting; and (C) during the period commencing as of immediately following entry into this Agreement and ending 12 months following such termination, the Company or any of its Subsidiaries enters into a definitive agreement for, or otherwise consummates, a Takeover Proposal (the "Qualifying Proposal"), then payment shall be made within five Business Days following the date on which the Company enters into or consummates such Qualifying Proposal. For purposes of the foregoing clause (B) only, references in the definition of the term "Takeover Proposal" to the figure "15%" shall be deemed to be replaced by the phrase "more than 50%".

(d) If the Company fails to pay the Termination Fee and the Expense Reimbursement as required pursuant to this Section 7.6, when due, such fee shall accrue interest for the period commencing on the date such fee became past due, at a rate equal to the rate of interest publicly announced by Citibank, in the City of New York from time to time during such period, as such bank's Prime Lending Rate. Parent and the Company acknowledge that the fees and the other provisions of this Section 7.6 are an integral part of the transactions contemplated by this Agreement and that, without these agreements, Parent and the Company would not enter into this Agreement. Notwithstanding anything to the contrary in this Agreement, if the Termination Fee and the Expense Reimbursement is required to be paid as a result of a termination of this Agreement, then, except in the case of a willful and material breach of Section 5.4 by the Company or Fraud, Parent's right to receive payment of the

Termination Fee and the Expense Reimbursement pursuant to this Section 7.6 shall be the sole and exclusive remedy (whether at law, in equity, in contract, tort or otherwise) of Parent, Merger Sub and their respective Affiliates, if applicable, for (A) the Damages suffered as a result of the failure of the Merger to be consummated and (B) any other Damages suffered as a result of or in connection with this Agreement and the transactions contemplated by this Agreement, and upon payment of the Termination Fee and Expense Reimbursement in accordance with this Section 7.6, none of the Company or any of its Affiliates, respective current or former stockholders, directors, officers, employees, agents or Representatives shall have any further liability or obligation relating to or arising out of this Agreement or the transactions contemplated by this Agreement; provided, that the foregoing shall not impair the rights of Parent, if any, to obtain injunctive relief pursuant to Section 8.16 prior to any termination of this Agreement. Section 8.8 Amendment. This Agreement may be amended by the parties to this Agreement at any time before the Effective Time, whether before or after obtaining the Requisite Company Vote, so long as (a) no amendment that requires further stockholder approval under applicable Law after stockholder approval hereof shall be made without such required further approval and (b) such amendment has been duly approved by the board of directors of each of Merger Sub, Parent and the Company. This Agreement may not be amended except by an instrument in writing signed by each of the parties to this Agreement.

Section 8.9 Extension; Waiver. At any time before the Effective Time, Parent and Merger Sub, on the one hand, and the Company, on the other hand, may (a) extend the time for the performance of any of the obligations of the other party, (b) waive any inaccuracies in the representations and warranties of the other party contained in this Agreement or in any document delivered under this Agreement or

(c) subject to applicable Law, waive compliance with any of the covenants or conditions contained in this Agreement. Any agreement on the part of a party to any extension or waiver shall be valid only if set forth in an instrument in writing signed by such party. The failure of any party to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of such rights.

Section 8.10 Entire Agreement. This Agreement (and the exhibits hereto), the Company Disclosure Letter, the Parent Disclosure Letter, and certificates delivered hereunder, and the Confidentiality Agreement contain all of the terms, conditions and representations and warranties agreed to by the parties relating to the subject matter of this Agreement and supersede all prior or contemporaneous agreements, negotiations, correspondence, undertakings, understandings, representations and warranties, both written and oral, among the parties to this Agreement with respect to the subject matter of this Agreement. Without limiting the generality of Section 4.11, no representation, warranty, inducement, promise, understanding or condition not set forth in this Agreement has been made or relied upon by any of the parties to this Agreement.

Section 8.11 No Third-Party Beneficiaries. Except (a) as provided in Section 5.8 (Directors' and Officers' Indemnification and Insurance), (b) for the provisions of Section 2.1, Section 2.3 and Section 2.4 (which, from and after the Effective Time, shall be for the benefit of holders of Common Stock, Company Options and Restricted Shares as of the Effective Time), (c) for the provisions of Section 2.2 (which shall be for the benefit of holders of Series A Preferred Stock), (d) the rights of Covered Persons under Section 5.19, (e) for the right of the Company on behalf of the holders of Common Stock, Series A Preferred Stock, Company Options and Restricted Shares to pursue and collect Damages (including claims for Damages based on loss of the economic benefits of the transaction to the Company's stockholders, including the loss of market value or stock price of the Company) with respect to any breach of this Agreement by Parent or Merger Sub (whether or not this Agreement has been terminated pursuant to Article VII), which right is hereby expressly acknowledged and agreed by Parent and Merger Sub, Parent and the Company hereby agree that their respective representations, warranties and covenants set forth herein are solely for the benefit of the other party hereto, in accordance with and subject to the terms of this Agreement, and this Agreement is not intended to, and does not, confer upon any Person other than the parties hereto any rights or remedies hereunder, including the right to rely upon the representations and warranties set forth herein. The third-party beneficiary rights referenced in clause (e) of the preceding sentence may be exercised only by the Company (on behalf of holders of Common Stock, Series A Preferred Stock, Company Options and Restricted Shares) through actions expressly approved by the Company Board, and no holder of Common Stock, Series A Preferred Stock, Company Options or Restricted Shares whether purporting to act in its capacity as such or purporting to assert any right (derivatively or otherwise) on behalf of the Company, shall have any right or ability to exercise or cause the exercise of any such right.

Section 8.12 Severability. The provisions of this Agreement shall be deemed severable and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions of this Agreement. If any provision

of this Agreement, or the application of that provision to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted for that provision in order to carry out, so far as may be valid and enforceable, the intent and purpose of the invalid or unenforceable provision and (b) the remainder of this Agreement and the application of that provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of that provision, or the application of that provision, in any other jurisdiction. Upon such a determination, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a reasonably acceptable manner so that the transactions contemplated by this Agreement may be consummated as originally contemplated to the fullest extent possible.

Section 8.13 Rules of Construction. The parties have participated jointly in negotiating and drafting this Agreement. If an ambiguity or a question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision of this Agreement. Subject to and without limiting the introductory language to Article III and IV, each party to this Agreement has or may have set forth information in its respective disclosure letter in a section of such disclosure letter that corresponds to the section of this Agreement to which it relates. The fact that any item of information is disclosed in a disclosure letter to this Agreement shall not constitute an admission by such party that such item is material, that such item has had or would have a Company Material Adverse Effect or Parent Material Adverse Effect, as the case may be, or that the disclosure of such be construed to mean that such information is required to be disclosed by this Agreement.

Section 8.14 Assignment. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their permitted successors and assigns. No party to this Agreement may assign or delegate, by operation of law or otherwise, all or any portion of its rights or liabilities under this Agreement without the prior written consent of the other parties to this Agreement, which any such party may withhold in its absolute discretion. Any purported assignment in violation of the foregoing shall be void.

Section 8.15 Remedies. Any and all remedies expressly conferred upon a party to this Agreement shall be cumulative with, and not exclusive of, any other remedy contained in this Agreement, at law or in equity. The exercise by a party to this Agreement of any one remedy shall not preclude the exercise by it of any other remedy.

Section 8.16 Specific Performance. The parties to this Agreement agree that irreparable injury would occur if any of the provisions of this Agreement are not performed in accordance with their specific terms or are otherwise breached, and further agree that, (a) damages to the Company caused by the non-occurrence of the Closing, including damages related to reputational harm, customer or employee losses, increased costs, harm to the Company's business, and/or a reduction in the actual or perceived value of the Company or any of its direct or indirect Subsidiaries, would be difficult or

impossible to calculate, and (b) the right of specific performance is an integral part of this Agreement and without that right neither the Company nor Parent would have entered into this Agreement. It is accordingly agreed that the parties to this Agreement shall be entitled to an injunction or injunctions, specific performance or other equitable relief to prevent breaches or threatened breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in the Court of Chancery of the State of Delaware or other court of the United States as specified in Section 8.5, this being in addition to any other remedy at law or in equity, and the parties to this Agreement hereby waive any requirement for the posting of any bond or similar collateral in connection therewith. Each party hereto agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief on the basis that (x) the other party has an adequate remedy at law or (y) an award of specific performance is not an appropriate remedy for any reason at law or equity.

Section 8.17 Counterparts; Effectiveness. This Agreement may be executed in any number of counterparts, as if the signatures to each counterpart were upon a single instrument, and all such counterparts together shall be deemed an original of this Agreement. Facsimile signatures or signatures received as a pdf attachment to electronic mail shall be treated as original signatures for all purposes of this Agreement. This Agreement shall become effective when, and only when, each party hereto shall have received a counterpart signed by all of the other parties hereto.
