CenturyLink, Inc. (the "Company") is filing this Notification of Late Filing on Form 12b-25 with respect to its Annual Report on Form 10-K for the period ended December 31, 2018 (the "Form 10-K"). The Company has determined that it is unable to file its Form 10-K within the prescribed time period provided by the applicable rules of the Securities and Exchange Commission without unreasonable effort and expense.

The principal reason for the delay is that recently identified material weaknesses in internal controls over the Company's revenue recording processes and the procedures for measuring fair value of assets and liabilities assumed in connection with the Level 3 Communications, Inc. acquisition have created the need to conduct additional review and testing with respect to those processes prior to finalizing the assessment and the audits of the effectiveness of internal control over financial reporting as of December 31, 2018 and of the Company's financial statements as of and for the year ended December 31, 2018. Notwithstanding the Company's inability to file the Form 10-K within the prescribed time period, the Company currently does not expect any material changes to the financial results disclosed in the Company's earnings release dated February 13, 2019.

The Company is working diligently along with its external auditor to complete its work processes and audit and expects to file the Form 10-K within the grace period prescribed by Rule 12b-25 under the Securities Exchange Act of 1934, as amended.
