The shares that may have been repurchased by the Company pursuant to its share repurchase program since July 20, 2012 were not taken into account because the Investor does not know the number of shares so repurchased.

Item 1. Security and Issuer

This Amendment No. 5 (this “**Amendment No. 5**”) amends the Schedule 13D that was filed on August 17, 2012 (as amended by Amendment No. 1 filed on August 29, 2012, Amendment No. 2 filed on September 18, 2012, Amendment No. 3 filed on September 25, 2012 and Amendment No. 4 filed on October 1, 2012, the “**Schedule 13D**”) by The Dai-ichi Life Insurance Company, Limited (the “**Investor**”), relating to the issued and outstanding shares of common stock, par value \$0.01 per share (the “**Company Common Stock**”), of Janus Capital Group Inc., a Delaware corporation (the “**Company**”). The principal executive offices of the Company are located at 151 Detroit Street, Denver, Colorado 80206. Beginning on the date this Amendment No. 5 is filed, all references in the Schedule 13D to the Schedule 13D shall be deemed to refer to the Schedule 13D as amended by this Amendment No. 5. Only those items reported in this Amendment No. 5 are amended and all other items in the Schedule 13D remain unchanged. Capitalized terms used in this Amendment No. 5 and not defined herein shall have the meanings given to such terms in the Schedule 13D.

Item 3. Source and Amount of Funds or Other Consideration

Item 3 is hereby amended and restated in its entirety to read as follows:

On August 10, 2012, the Investor and the Company entered into an option agreement (the “**Option Agreement**”) pursuant to which the Company granted to the Investor 20 conditional options, each to purchase 700,000 shares of Company Common Stock with an exercise price of \$10.25 per share. The aggregate consideration paid by the Investor to the Company for entering into the Option Agreement was \$4,876,200, and the source of the funds used by the Investor to pay such consideration was working capital. The information about the Option Agreement set forth in Item 4 to the Schedule 13D is incorporated by reference. As of the date of Amendment No. 5, none of the conditional options granted to the Investor pursuant to the Option Agreement have been exercised.

Between August 10, 2012, and October 12, 2012, the Investor purchased 16,497,546 shares of Company Common Stock through open market purchases (including over-the-counter purchases) for an aggregate purchase price of \$150,470,569. The source of the funds used by the Investor to pay the purchase price for such shares was working capital.

Item 5. Interest in Securities of the Issuer

Item 5 is hereby amended and restated in its entirety to read as follows:

(a) Rows (7) through (11) and (13) of the cover page to Amendment No. 5 are hereby incorporated by reference. For purposes of calculating the percentages set forth in this Item 5, the number of shares outstanding is assumed to be 201,329,431, which is the sum of (i) the 187,329,431 shares of Company Common Stock outstanding as of July 20, 2012, as reported by the Company in its quarterly report on Form 10-Q for the quarter ended June 30, 2012, plus (ii) the 14,000,000 shares issuable pursuant to the Option Agreement. The shares that may have been repurchased by the Company pursuant to its share repurchase program since July 20, 2012 were not taken into account because the Investor does not know the number of shares so repurchased. For the purpose of Rule 13d-3 promulgated under the Exchange Act, the Investor beneficially owns 30,497,546 shares of Company Common Stock, representing approximately 15.1% of the outstanding shares of Company Common Stock.

Of these shares, 14,000,000 represent shares that the Investor has a right to acquire upon exercise of the conditional options granted to the Investor pursuant to the Option Agreement.

(b) The Investor has (or, in the case of the 14,000,000 shares of Company Common Stock that the Investor has a right to acquire upon the exercise of the conditional options granted to the Investor pursuant to the Option Agreement, will have upon the exercise of such options) the sole power to vote or direct the vote and to dispose or direct the disposition of all 30,497,546 shares of Company Common Stock beneficially owned by it.

(c) Information concerning transactions in shares of Company Common Stock (not including the grant of the conditional options to the Investor pursuant to the Option Agreement) since June 18, 2012, is set forth on Schedule A to Amendment No. 5. Additionally, on October 2, 2012, the Investor sold an over-the-counter put option giving the counterparty the right to sell 1,000,000 shares of Company Common Stock to the Investor on December 3, 2012 at an exercise price of \$8.9585 per share. Except as set forth on Schedule A and as described in Item 3 and this Item 5(c) of the Schedule 13D, neither the Investor nor, to its knowledge, any of its directors or executive officers has engaged in any transaction in shares of the Company Common Stock since June 18, 2012.

(d) No other person is known by the Investor to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, any shares of the Company's securities beneficially owned by the Investor.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Item 6 is hereby supplemented as follows:

The second sentence of Item 5(c) is hereby incorporated by reference.
