TO BE HELD ON THURSDAY, APRIL 22, 2010**

GENERAL INFORMATION

This proxy statement and the accompanying proxy card are being mailed to shareholders of Rurban Financial Corp. (the “Company”) in connection with the solicitation of proxies by the Board of Directors of the Company (the “Board”) of the Company for use at the Annual Meeting of Shareholders (the “Annual Meeting”) to be held on Thursday, April 22, 2010, or at any adjournment(s) thereof. The Annual Meeting will be held at 10:00 a.m., Eastern Daylight Savings Time, at the Eagles Club, 711 W. Second Street, Defiance, Ohio.

**IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS
FOR THE ANNUAL MEETING TO BE HELD ON APRIL 22, 2010**

This proxy statement, a sample of the form of proxy card sent or given to shareholders of the Company and the Company’s 2009 Annual Report to Shareholders for the fiscal year ended December 31, 2009, are available at <http://www.sn1.com/irweblinkx/financialdocs.aspx?iid=101021>.

Mailing

The Company will distribute this proxy statement and the accompanying proxy card on or about March 10, 2010, to all shareholders entitled to vote their common shares of the Company (“Common Shares”) at the Annual Meeting. The Annual Report to the Shareholders of the Company for the fiscal year ended December 31, 2009 (the “2009 fiscal year”), which includes the audited consolidated financial statements of the Company for the 2009 fiscal year, is being delivered with this proxy statement.

A copy of the Company’s Annual Report on Form 10-K for the 2009 fiscal year may be obtained, without charge, by sending a written request to: Linda Sickmiller, Investor Relations, Rurban Financial Corp., 401 Clinton Street, Defiance, OH 43512.

Delivery of Proxy Materials to Multiple Shareholders Sharing the Same Address

Annually, the Company provides each registered shareholder at a shared address, not previously notified, with a separate notice of the Company’s intention to “household” proxy materials. Only one copy of this proxy statement and the Company’s Annual Report to Shareholders for the 2009 fiscal year is being delivered to previously notified multiple registered shareholders who share an address unless the Company has received contrary instructions from one or more of the shareholders. A separate proxy card and a separate Notice of Annual Meeting of Shareholders are being included for each account at the shared address.

Registered shareholders who share an address and would like to receive a separate copy of the Company's Annual Report to Shareholders for the 2009 fiscal year and/or a separate proxy statement for the Annual Meeting delivered to them, or have questions regarding the householding process, may contact Investor Relations by calling 800-273-5820, or forwarding a written request addressed to Rurban Financial Corp., Attention: Investor Relations, 401 Clinton Street, Defiance, Ohio 43512. Promptly upon receipt of a request, an additional copy of the Company's Annual Report to Shareholders for the 2009 fiscal year and/or a separate proxy statement for the Annual Meeting will be sent. By contacting Investor Relations, registered shareholders sharing an address can also (i) notify the Company that the registered shareholders wish to receive separate annual reports to shareholders and/or proxy statements in the future or (ii) request delivery of a single copy of annual reports to shareholders or proxy statements in the future if they are receiving multiple copies.

Beneficial shareholders, who hold Common Shares through a broker, financial institution or other nominee should contact their broker, financial institution or other nominee for specific information on the householding process as it applies to their accounts.

VOTING INFORMATION

Who can vote at the Annual Meeting?

Only shareholders of the Company of record at the close of business on February 24, 2010, the record date for the Annual Meeting (the "Record Date"), are entitled to receive notice of, and to vote at, the Annual Meeting and any adjournment(s) thereof. At the close of business on the Record Date, 4,861,779 Common Shares were outstanding and entitled to vote. Each Common Share of the Company entitles the holder thereof to one vote on each matter to be submitted to shareholders at the Annual Meeting. A quorum for the Annual Meeting requires the presence, in person or by proxy, of a majority of the Common Shares outstanding and entitled to vote at the Annual Meeting.

How do I vote?

A proxy card for use at the Annual Meeting accompanies this proxy statement. Whether or not you plan to attend the Annual Meeting, you may ensure your representation by voting your Common Shares by one of the following methods:

- By submitting a traditional paper proxy card;
- By submitting a proxy by telephone;
- By submitting a proxy via the Internet; or
- By attending the Annual Meeting and voting in person.

Submitting a Proxy by Telephone or via the Internet. If you are a shareholder of record, you may submit a proxy by telephone or via the Internet by following the instructions set forth on the accompanying proxy card. If your Common Shares are registered in the name of a broker, a financial institution or other nominee (*i.e.*, you hold your Common Shares in "street name"), your nominee may allow you to submit a proxy by telephone or via the Internet. In that case, the voting form your nominee sent you will provide instructions for submitting your proxy by telephone or via the Internet. The last-dated proxy you submit *by any means* will supersede any previously submitted proxy. Also, if you

submit a proxy by telephone or via the Internet, and later decide to attend the Annual Meeting, you may revoke your previously submitted proxy and vote in person at the Annual Meeting.

The deadline for submitting a proxy by telephone or via the Internet as a shareholder of record is 11:59 p.m., Eastern Standard Time, on April 19, 2010. For shareholders whose Common Shares are registered in the name of a broker, a financial institution or other nominee, please consult the instructions provided by your nominee for information about the deadline for submitting a proxy by telephone or via the Internet.

Voting in Person. If you attend the Annual Meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the Annual Meeting.

If you hold your Common Shares in “street name” through a broker, a financial institution or other nominee, then that nominee is considered the shareholder of record for voting purposes and should give you instructions for voting your Common Shares. As a beneficial owner, you have the right to direct that nominee how to vote the Common Shares held in your account. Your nominee may only vote the Common Shares that it holds for you in accordance with your instructions. If you have instructed a broker, a financial institution or other nominee to vote your Common Shares, the options described below for revoking your proxy do not apply and instead you must follow the instructions provided by your nominee to change your vote.

If you hold your Common Shares in “street name” and wish to attend the Annual Meeting and vote in person, you must bring an account statement or letter from your broker, financial institution or other nominee authorizing you to vote on behalf of such nominee. The account statement or letter must show that you were the direct or indirect beneficial owner of the Common Shares on the Record Date.

How will my Common Share be voted?

Those Common Shares represented by properly executed proxy cards that are received prior to the Annual Meeting, or by properly authenticated Internet or telephone votes that are submitted prior to the deadline for doing so, and not subsequently revoked, will be voted in accordance with your instructions by your proxy. If you submit a valid proxy card prior to the Annual Meeting or timely submit your proxy via the Internet or by telephone, but do not provide voting instructions, your proxy will vote your Common Shares as recommended by the Board, except in the case of broker non-votes where applicable, as follows:

- **“FOR”** the election as directors of the Company of the four (4) nominees listed below under the heading **“ELECTION OF DIRECTORS”**; and
- **“FOR”** the ratification of the appointment of BKD, LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2010.

If any other matters are properly presented for voting at the Annual Meeting, the persons named as proxies on the accompanying proxy card will vote on those matters, to the extent permitted by applicable law, in accordance with their best judgment.

How do I change or revoke my proxy?

Shareholders who submit proxies retain the right to revoke them at any time before they are actually voted at the Annual Meeting. Unless revoked, the Common Shares represented by such proxies will be voted at the Annual Meeting and any adjournment(s) thereof. You may revoke your proxy at any time before a vote is taken at the Annual Meeting by: (1) giving written notice of revocation to the Secretary of the Company at the address of the Company shown on the cover page of this proxy statement; (2) executing and returning a later-dated proxy card which is received by the Company prior to the Annual Meeting or submitting a later-dated vote through the Internet or by telephone prior to the deadline for doing so; or (3) by attending the Annual Meeting and giving notice of revocation in person (but only if you are the registered owner of your Common Shares).

Attendance at the Annual Meeting will not, in and of itself, constitute revocation of a proxy.

The last-dated proxy you submit *by any means* will supersede any previously submitted proxy. If your Common Shares are held in “street name” and you have instructed your broker, financial institution or other nominee to vote your Common Shares, you must follow directions received from your broker, financial institution or other nominee to change your vote.

What is the quorum requirement for the Annual Meeting?

Under the Company’s Regulations, a quorum is a majority of the Common Shares outstanding. Common Shares may be present in person or represented by proxy at the Annual Meeting. Both abstentions and broker non-votes are counted as being present for purposes of determining the presence of a quorum. In general, broker non-votes occur when common shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because the broker has not received voting instructions from the beneficial owner and the broker lacks discretionary authority to vote such common shares on the proposal. Brokers have discretionary authority to vote their customers’ common shares on “routine” proposals, such as the proposal to ratify the appointment of the Company’s independent registered public accounting firm, even if they do not receive voting instructions from their customers. Brokers cannot, however, vote their customers’ common shares on “non-routine” matters without instructions from their customers. As a result of rule changes recently adopted by the New York Stock Exchange (NYSE), the election of directors (whether contested or uncontested) is considered to be a non-routine matter and, therefore, brokers are permitted to vote their customers’ common shares on the election of directors only if the beneficial owner has provided voting instructions.

What if my Common Shares are held in “street name”?

Shareholders holding Common Shares in “street name” with a broker, financial institution or other nominee may be eligible to appoint their proxy electronically via the Internet or telephonically and may incur costs associated with electronic access. Such shareholders should review the information provided to them by their broker, financial institution or other nominee. This information will describe the procedures to be followed in instructing the holder of record how to vote the street name Common Shares and how to revoke previously given instructions.

Who pays the cost of proxy solicitation?

The Company will bear the costs of preparing, printing and mailing this proxy statement, the accompanying proxy card and any other related materials, as well as all other costs incurred in

connection with the solicitation of proxies on behalf of the Board (other than the Internet and telephone usage charges incurred if a shareholder appoints a proxy electronically through a holder of record). Proxies will be solicited by mail and may be further solicited, for no additional compensation, by officers, directors or employees of the Company and its subsidiaries by further mailing, by telephone or by personal contact. The Company will also pay the standard charges and expenses of brokers, voting trustees, financial institutions and other custodians, nominees and fiduciaries who are record holders of Common Shares not beneficially owned by them, for forwarding materials to and obtaining proxies from the beneficial owners of Common Shares entitled to vote at the Annual Meeting.

The Company has retained The Altman Group, Lyndhurst, New Jersey, to aid in the solicitation of proxies for the Annual Meeting. The Altman Group will receive a base fee of \$5,000, plus reimbursement of out-of-pocket fees and expenses, for its proxy solicitation services.

Who should I call if I have questions concerning this proxy solicitation, or the proposals to be considered at the Annual Meeting?

If you have any questions concerning this proxy solicitation, or the proposals to be considered at the Annual Meeting, please call The Altman Group at 1-866-620-2535. This is a toll-free telephone number.

Your Vote Is Important. Whether You Own One Share Or Many, Your Prompt Cooperation In Voting Your Proxy Is Greatly Appreciated.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

There are currently twelve individuals serving as members of the Board, including four in the class whose terms expire at the Annual Meeting. As previously announced, Kenneth A. Joyce will be resigning from the Board in connection with the planned spin-off of Rurbanc Data Services, Inc. (“RDSI”) from the Company. Effective as of Mr. Joyce’s resignation from the Board, the Board has approved a reduction in the number of directors of the Company from twelve to eleven, and a reduction in the number of directors in the class whose terms expire in 2012 from four to three, in accordance with Section 2.01 of the Company’s Amended and Restated Regulations (the “Regulations”).

The Board proposes that each of the four nominees identified below be elected for a new term of three years expiring in 2013. Each of these nominees was approved by the Board upon the recommendation of the Governance and Nominating Committee.

Each individual elected as a director at the Annual Meeting will hold office for a term of three years and until his or her successor is elected and qualified, or until his or her earlier resignation, removal from office or death. Common Shares represented by properly executed and returned proxy cards will be voted ***FOR*** the election of the Board’s nominees unless authority to vote for one or more nominees is withheld. If a nominee who would otherwise receive the required number of votes becomes unavailable or unable to serve as a director for any reason, the individuals designated as proxy holders reserve full discretion to vote the Common Shares represented by the proxies they hold for the election of the remaining nominees and for the election of any substitute nominee designated by the Board. The Board has no reason to believe that any of the nominees named below will not serve if elected.

Recommendation and Vote

Under Ohio law and the Company's Regulations, the four nominees who receive the greatest number of votes will be elected.

Common Shares represented by properly executed and returned proxy cards will be voted **FOR** the election of the Board's nominees named above unless authority to vote for one or more nominees is withheld. Shareholders may withhold authority to vote for the entire slate as nominated or may withhold the authority to vote for one or more nominees by writing the name of the nominee(s) on the line provided on the proxy card. Common Shares as to which the authority to vote is withheld will be counted for quorum purposes, but will not be counted toward the election of directors or toward the election of the individual nominees specified on the proxy card.

**Your Board Recommends That Shareholders
Vote FOR the Election of All of the Board's Nominees**

CORPORATE GOVERNANCE

Director Independence

The Board has reviewed, considered and discussed each director's relationships, both direct and indirect, with the Company and its subsidiaries, including those described under the heading "TRANSACTIONS WITH RELATED PERSONS" beginning on page 52 of this proxy statement, and the compensation and other payments, if any, each director has, both directly and indirectly, received from or made to the Company and its subsidiaries in order to determine whether such director qualifies as independent based on the definition of an "independent director" set forth in Rule 5605(a)(2) of the Marketplace Rules of The NASDAQ Stock Market ("NASDAQ").

The Board has affirmatively determined that the Board has at least a majority of independent directors, and that each of the following directors has no financial or personal ties, either directly or indirectly, with the Company or its subsidiaries (other than compensation as a director of the Company and its subsidiaries, banking relationships in the ordinary course of business with the Company's banking subsidiaries and ownership of the Company's Common Shares as described in this proxy statement) and thus qualifies as an independent director under NASDAQ Marketplace Rule 5605(a)(2): Thomas A. Buis, Thomas M. Callan, John R. Compo, Robert A. Fawcett, Jr., Gaylyn J. Finn, Richard L. Hardgrove, Rita A. Kissner, Thomas L. Sauer, Steven D. VanDemark and J. Michael Walz. The Board has determined that Messrs. Joyce and Klein do not qualify as independent directors because they currently serve as executive officers of the Company and certain subsidiaries of the Company.

Director Qualifications and Review of Director Nominees

The Company has a standing Governance and Nominating Committee that is responsible for identifying and recommending individuals qualified to become directors. The Governance and Nominating Committee recommended Thomas M. Callan, Richard L. Hardgrove, Mark A. Klein and Steven D. VanDemark for re-election as directors of the Company at the Annual Meeting.

To fulfill its responsibility to recruit and recommend to the full Board nominees for election as Directors, the Governance and Nominating Committee reviews the composition of the Board to determine the qualifications and areas of expertise needed to further enhance the composition of the Board and works to attract candidates with those qualifications. The Governance and Nominating Committee has adopted a written policy regarding qualifications of directors. Pursuant to this policy, individuals who are nominated for election to the Board must possess certain minimum personal and professional qualities, including, without limitation, personal integrity and ethical character; demonstrated achievement in business, professional, governmental, communal, scientific or educational fields; sound judgment borne of management or policy-making experience; and a general appreciation regarding major issues facing public companies of a size and operational scope similar to the Company. The policy also requires the Governance and Nominating Committee to consider the contributions that a candidate can be expected to make to the collective functioning of the Board based upon the totality of the candidate's credentials, experience and expertise, the composition of the Board at the time, and other relevant circumstances.

The Governance and Nominating Committee consider candidates for the Board from any reasonable source, including shareholder recommendations. The Governance and Nominating Committee does not evaluate candidates differently based on who has made the recommendation or the source of the recommendation. The Governance and Nominating Committee has the authority under its charter to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates. No such consultants or search firms have been used to date and, accordingly, no fees have been paid to consultants or search firms.

The Company does not have a formal policy that requires the consideration of diversity in identifying nominees for election to the Board. However, the Governance and Nominating Committee's policy regarding qualifications of directors provides that the Company will seek to promote through the nominations process an appropriate diversity on the Board of professional background, experience, expertise, perspective, age, gender, ethnicity and country of citizenship.

The Board believes that each nominee and current Board member brings a strong and unique background and set of skills to the Board, giving the Board as a whole competence and experience in a wide variety of areas, including corporate governance and board service, executive management, industrial property management, insurance, accounting and finance, manufacturing, marketing and government. Set forth below is a discussion on certain specific skills that qualify each of our current Directors and Director nominees to serve as a Director or to be nominated for re-election.

Mr. Buis brings a significant background of management leadership skills from being the President and owner of an independent insurance agency for 40 years and risk management analysis skills from being a health system consultant for 5 years. He has been a CPCU (chartered property casualty underwriter) since 1970. Prior to joining the Board in 1990, he served as a director of the former People's Banking Company for 10 years. He has served as Chairman of the Governance and Nominating Committee for 5 years.

Mr. Callan brings business leadership skills and entrepreneurial perspective to the Board from being President and Owner of a metal stamping company for over 25 years. He is also partial owner and director of a fluid pump manufacturing company. Mr. Callan is very knowledgeable of financial reporting and has extensive board service, having served on boards of directors of various privately-held companies and non-profit organizations.

Mr. Compo brings management and organizational skills to the Board based on his experience as Chairman and President of a family-owned business involved in automotive manufacturing and more recently in industrial property management and logistical warehousing. He has served on the Company's Compensation Committee since 1996 and as a Director of State Bank since 1987.

Mr. Fawcett has owned and operated a medium-sized insurance business for over 30 years. He brings entrepreneurial and business leadership to the Board. The Board believes its administration of its risk oversight function has not affected the Board's leadership structure. The Board is actively involved in oversight of risks that could affect the Company and this oversight is conducted primarily through the Audit Committee, the Compensation Committee and the Governance and Nominating Committee, all of which are comprised entirely of (and chaired by) independent directors.

COMPENSATION OF EXECUTIVE OFFICERS

Overview

The Compensation Committee of the Board has responsibility for establishing, implementing and continually monitoring adherence with the Company's compensation philosophy. The Compensation Committee ensures that the total compensation paid to the executive officers of the Company is fair, reasonable and competitive. The Compensation Committee also provides oversight for all significant compensation plans for all officers, non-officers, and directors.

The Compensation Committee is comprised of four independent directors. The Compensation Committee reviews and recommends to the full Board the salaries, bonuses and other cash compensation to be paid to, and the other benefits to be received by, the executive officers of the Company. The Compensation Committee has developed and implemented and maintains an executive compensation program that supports the overall objectives and performance of the Company and provides compensation levels that enable the organization to attract, retain and reward competent executive officers.

Throughout this proxy statement, the individuals who served as the Company's Chief Executive Officer and Chief Financial Officer during the 2009 fiscal year, as well as the other individuals included in the **Summary Compensation Table** on page 28 of this proxy statement, are referred to as the "named executive officers."

Compensation Policies Toward Executive Officers

The Compensation Committee believes that the most effective executive compensation program is one that is designed to reward the achievement of specific, long-term and strategic goals by the Company, and which aligns executives' interests with those of the shareholders by rewarding performance above established goals, with the ultimate objective of improving shareholder value. The Compensation Committee evaluates both performance and compensation to ensure that the Company

maintains its ability to attract and retain quality employees in key positions. The Compensation Committee attempts to ensure that the compensation provided to key employees of the Company and its subsidiaries, including the named executive officers, remains competitive relative to the compensation paid to similarly situated employees at comparable companies. The Compensation Committee further believes that such compensation should include both cash and equity-based compensation that rewards performance as measured against established goals.

In determining the compensation of the executive officers of the Company, including the named executive officers, the Compensation Committee has sought to create a compensation program which is competitive with programs of a peer group of similar organizations and that links compensation to financial performance, rewards above-average corporate performance and recognizes individual contributions and achievements. There are two components of the annual cash compensation program for the executive officers of the Company: (1) a base salary component; and (2) an incentive bonus component payable under the Rurban Financial Corp. At-Risk Incentive Compensation Plan (the "Incentive Compensation Plan"), which directly links bonuses to the financial performance of the Company.

The Compensation Committee approves and recommends to the full Board for approval all compensation provided to the named executive officers. The Compensation Committee also reviews, modifies as necessary and approves recommendations made by the Chief Executive Officer regarding the Incentive Compensation Plan for all other officers and staff of the Company. Decisions regarding annual merit increases in salaries of all officers and employees are based upon comparable market conditions, Company performance, inflation rates, and their respective positions in the salary ranges developed with the assistance of our compensation consultant using peer group data as described below.

Based on the foregoing objectives, the Compensation Committee has structured the Company's cash and non-cash executive compensation to motivate executives to achieve the business goals set by the Company and to reward the executives for achieving those goals.

In 2009, the Compensation Committee engaged and retained the services of Larry R. Webber ("Webber"), a regionally recognized independent Executive Compensation Advisor. A *Compensation Retainer Services* ("Retainer Services") engagement was executed for 2009 that addressed additional planning and compliance oversight and other services, including, but not limited to, development of comparative peer group reviews, evaluation of various plans that impact executive compensation and meeting with and providing instruction to the Committee with regard to the elements of executive compensation planning.

As part of the Retainer Services, Webber prepared and presented a "2009 Executive Compensation Review" that included comparative peer information for executive officer and director compensation, a process for defining/aligning annual performance targets for selected executives, recommendations for revisions to the Company's Incentive Compensation Plan and current trends in executive compensation. As part of that review, Webber was requested to review executive compensation programs of banking organizations that shared one or more common traits with the Company (such as asset size and geographic location). Three peer groups were constructed for use in the review that included information from the following: "SNL Executive Compensation Review," "L.R. Webber Associates, Inc. 2008 Salary and Benefits Survey" which included institutions in Pennsylvania, Maryland, New York, New Jersey and Delaware, and the "Executive Research Institute 2008 Banking Survey" which reflected a national view of executive compensation as well as other position-specific surveys available from a variety of sources that were considered to be reflective of the complexity

presented by the Company, especially for the positions of Chief Executive Officer and Chief Financial Officer. The SNL Executive Compensation Review consisted of the following thirty-seven (37) financial service companies located in Michigan, Indiana, Ohio, Kentucky, Pennsylvania and West Virginia:

The information and recommendations of Webber have been utilized by the Compensation Committee and the Board in connection with the development and review of the Company's compensation program. The Company uses the peer group information to ensure that the compensation provided to the Company's executive officers remains competitive, equitable and supports the acquisition and retention of competent, effective and high quality executive talent. The use of compensation consulting services is available to the Compensation Committee at any time and will be used as conditions change requiring review of the Company's compensation program.

During 2009, certain members of the Compensation Committee, including Chairman Walz, attended the Bank Executive and Board Compensation Conference. At this conference, the committee members had discussions with Amalfi Consulting, LLC. Amalfi Consulting provided the Company with a customized compensation review. This review included data from five peers in the North Central region with asset size from \$500M to \$1B and benchmarked compensation for both board and executive compensation. This review provided definitions and calculation methods for each component of compensation which included salary or fees earned or paid in cash, stock awards, option awards, non-equity incentive plan compensation, change in pension and non-qualified deferred compensation earnings, all other compensation and total compensation. The information from this review was also taken into consideration by the Compensation Committee in connection with its review and approval of executive compensation.

The Company's compensation programs were not changed in any significant manner during the 2009 fiscal year.

Components of Executive Compensation

For the fiscal year ended December 31, 2009, the principal components of compensation for named executive officers were:

- base salary;
- non-equity incentive compensation;
- equity-based awards;
- retirement, severance and change in control benefits; and
- perquisites and other personal benefits.

Base Salary

The determination of the base salaries of the executive officers of the Company is based upon an overall evaluation of a number of factors, including a subjective evaluation of individual performance, contributions to the Company and its subsidiaries, and analysis of how the Company's and its subsidiaries' compensation of its executive officers compares to compensation of individuals holding comparable positions with companies of similar asset size and complexity of operations.

During its review of each executive's base salary, the Compensation Committee primarily considers:

- market data provided by outside consultants such as Webber;
- internal review of the executive's compensation, both individually and relative to other officers; and
- individual performance of the executive.

Salary levels are typically considered annually as part of the Company's performance review process as well as upon promotion or other change in job responsibility. Merit based increases to salaries of the named executive officers are based on the Compensation Committee's assessment of the individual's performance and the other factors described above. Comparison of peer group compensation data was the primary factor used for purposes of setting the salary of the executive officers of the Company for the 2009 fiscal year.

The salary paid to Mr. Joyce for services rendered in his capacities as President and Chief Executive Officer of the Company during the 2009 fiscal year represented an increase of 5.0% over the salary paid with respect to the 2008 fiscal year. Mr. Joyce did not receive a separate salary for services rendered in his capacities as Chairman and Chief Executive Officer of RDSI during 2008 or 2009.

The salary paid to Mr. Sinn for services rendered in his capacities as Executive Vice President and Chief Financial Officer of the Company during the 2009 fiscal year represented an increase of 13.81% over the salary paid with respect to the 2008 fiscal year.

The salary paid to Mr. Klein for services rendered in his capacities as President and Chief Executive Officer of State Bank during the 2009 fiscal year represented an increase of 10.0% over the salary paid with respect to the 2008 fiscal year.

There was no increase to the salary paid to Mr. Thiemann for services rendered in his capacities as President of RDSI during the 2009 fiscal year with respect to the 2008 fiscal year. Mr. Thiemann did not receive a separate salary for services rendered in his capacity as President and Chief Executive Officer of RFCBC in 2008 or 2009. Mr. Thiemann retired from RDSI and RFCBC in November 2009.

Non-Equity Incentive Compensation

The Incentive Compensation Plan is a Company-wide incentive compensation program which links executive officers' incentive compensation directly to the Company's performance and, thereby, to shareholder value. The intent of the Incentive Compensation Plan is to align performance and thinking of the executive officers and other employees of the Company and its subsidiaries with the following organization-wide objectives of the Company:

- Build a financial high performance company
- Grow the business
- Ensure sound operations, policies and procedures
- Build on the value proposition strength within each business unit

All officers and employees of the Company and its subsidiaries (other than certain employees who receive sales commissions or certain other contractual incentives) were eligible to participate in the Incentive Compensation Plan for the 2009 fiscal year. Officers and employees who were not employed for the full year were eligible to participate on a basis proportionate to their employment period. Bonuses payable under the Incentive Compensation Plan are generally determined and paid prior to the end of February of the ensuing year.

In order for a named executive officer to qualify for a bonus payout under the Incentive Compensation Plan for the 2009 fiscal year, the Company had to meet or exceed certain pre-established net income targets for the year, and each of State Bank and RDSI had to obtain a “Satisfactory” rating or better on regulatory examinations and significant audits. With respect to Mr. Thiemann, his bonus payout under the Incentive Compensation Plan for the 2009 fiscal year was tied to RDSI meeting or exceeding certain pre-established financial targets for RDSI for the year and for completing management and personal initiatives. To receive a bonus payout under the Incentive Compensation Plan, the named executive officer must also be actively employed and in good standing with the Company at the time of the payout.

Bonuses under the Incentive Compensation Plan are calculated based on a percentage of the participant’s base salary for the applicable plan year. The tables below set forth the bonus payouts (as a percentage of base salary) that each of the named executive officers were eligible to receive for the 2009 fiscal year if the Company met or exceeded the specified target levels for budgeted net income for the Company (or for Mr. Thiemann, if RDSI met or exceeded the specified target levels for budgeted net income for RDSI and management and personal initiatives).

Equity-Based Awards

The Company believes that it is also important to provide compensation which serves as an incentive for long-term corporate financial performance. In that regard, the Board adopted, and the shareholders of the Company approved, the Rurban Financial Corp. 2008 Stock Incentive Plan (the “2008 Plan”) in 2008 to replace the Rurban Financial Corp. Stock Option Plan (“1997 Plan”) that expired in accordance with its terms in March 2007. These stock incentive plans are intended to encourage

participants to acquire or increase and retain a financial interest in the Company, to remain in the service of the Company and to put forth maximum efforts for the success of the Company, and to enable the Company and its subsidiaries to compete effectively for the services of potential employees and directors by furnishing an additional incentive to join and/or remain with the Company and its subsidiaries.

The 2008 Plan authorizes the grant or award of the following (collectively, the “Awards”):

- Incentive Stock Options
- Nonqualified Stock Options;
- Stock Appreciation Rights (“SARs”); and
- Restricted Stock.

The Compensation Committee is responsible for the administration of the 2008 Plan, including the selection of participants to receive Awards and the determination of the type of Award granted to each participant, the level of participation of each participant and the other terms and conditions applicable to Awards. However, any grant of an Award to a Director who is not an employee of the Company or any of its subsidiaries must be approved by the full Board.

On July 24, 2008, the Compensation Committee approved an award of 10,000 restricted Common Shares (the “Restricted Shares”) to Kenneth A. Joyce, President and Chief Executive Officer of the Company, pursuant to the 2008 Plan. The Restricted Shares are subject to restrictions on transferability and risk of forfeiture until they become fully vested on December 31, 2010. No other awards were granted under the 2008 Plan during the 2008 fiscal year.

No other awards were granted to any of the named executives or directors under the 2008 Plan during the 2009 fiscal year.

Under the 1997 Plan, certain directors, officers and other key employees of the Company and its subsidiaries have been selected by the Compensation Committee to receive (i) incentive stock options (as defined in Section 422 of the Code), (ii) nonqualified stock options and (iii) stock appreciation rights (SARs). Each option or SAR awarded under the 1997 Plan has an exercise or base price equal to 100% of the fair market value of the Company’s Common Shares on the date of grant.

Retirement, Severance and Change in Control Benefits

Employment Agreements. The Company has entered into an Employment Agreement with Kenneth A. Joyce, President and Chief Executive Officer of the Company (the “Employment Agreement”). Under the terms of the Employment Agreement, Mr. Joyce is entitled to receive certain severance or change in control payments and benefits if he is terminated by the Company under certain circumstances. Information regarding the payments and benefits provided under the Employment Agreement is set forth under the heading “**EMPLOYMENT AGREEMENT**” beginning on page 39 of this proxy statement.

SERP Agreements. The Company has entered into Supplemental Executive Retirement Plan Agreements with Kenneth A. Joyce, Mark A. Klein, Duane L. Sinn and Henry R. Thiemann (the “SERP Agreements”). Under the terms of the SERP Agreements, the executive officers are entitled to receive

certain benefits following retirement. Information regarding the payments and benefits provided under the SERP Agreements is set forth under the heading “**SERP AGREEMENTS**” beginning on page 37 of this proxy statement.

Change in Control Agreements. The Company has entered into Change in Control Agreements with Mark A. Klein, Duane L. Sinn and Henry R. Thiemann (the “Change in Control Agreements”). Under the terms of the Change in Control Agreements, each of the executive officers is entitled to receive certain benefits, including a lump sum cash payment, if the executive officer is terminated by the Company under certain circumstances in connection with a “change in control” of the Company. Information regarding the Change in Control Agreements is set forth under the heading “**CHANGE IN CONTROL AGREEMENTS**” beginning on page 34 of this proxy statement.

Rurban ESOP. The officers and employees of the Company and its subsidiaries are encouraged to maintain a significant long-term stock ownership position with the Company. This has been fostered not only through the grant of options under the Company’s equity-based plans, but also by the Rurban ESOP which also serves as an employee retirement plan. All full-time employees of the Company and its subsidiaries, including the named executive officers, are eligible to participate in the Rurban ESOP. Each year the Company and its subsidiaries may contribute an amount in cash and/or Common Shares determined by the Compensation Committee or full Board to the Rurban ESOP. The contribution is allocated to the accounts of participants pro rata based on the amount of each participant’s compensation. The Company and its subsidiaries contributed an aggregate amount of \$618,543 to the Rurban ESOP for the 2009 fiscal year. All amounts allocated to a participant’s account under the Rurban ESOP become vested following three years of continuous service with the Company and its subsidiaries.

Rurban Employee Stock Purchase Plan. The Company also has a qualified Employee Stock Purchase Plan (the “ESPP”). The purpose of the ESPP Plan is to provide employees of the Company and its subsidiaries with a convenient means by which they may purchase Common Shares of the Company on the open market.

All employees of the Company and its subsidiaries are eligible to participate in the ESPP as of the first day of the month coincident with or immediately following the completion of three (3) months of employment with the Company or one of its subsidiaries, and will be a participant as of that date. If a participant elects to participate in the ESPP, the participant authorizes the Company to deduct from his or her compensation for each payroll period the amount so elected on the applicable enrollment form. All payroll deductions under the ESPP are made on an after-tax basis. All payroll deductions made under the ESPP are forwarded by the Company to its agent. When the agent receives the payroll deductions, as soon as practicable, the agent purchases on the open market such number of Common Shares as may be purchased with such payroll deductions. In addition, the agent will apply all cash dividends, if any, paid with respect to Common Shares held in a participant’s account to the purchase on the open market of additional Common Shares.

Rurban 401(k) Savings Plan. All employees of the Company and its subsidiaries, including the named executive officers, are eligible to participate in the Rurban 401(k) Savings Plan (the “Rurban 401(k) Savings Plan”). There are four types of contributions that are contemplated under the Rurban 401(k) Savings Plan: (1) pre-tax elective deferral contributions by each participant of a percentage of his or her annual compensation; (2) matching contributions made by the employer in cash in an amount determined by the Board; (3) Roth IRA; and (4) qualified rollover contributions by a participant from another qualified plan. The Company and its subsidiaries contributed an aggregate amount of \$551,716 to the Rurban 401(k) Savings Plan for the 2009 fiscal year. For the 2009 fiscal year, the amount of the

matching contributions made on behalf of each participant in the Rurban 401(k) Savings Plan was 100% of the amount of such participant's pre-tax elective deferral contributions, but only upon that portion of his or her pre-tax elective deferral contributions which did not exceed 4% of his or her annual compensation. All employee contributions to the Rurban 401(k) Savings Plan are fully-vested upon contribution.

Perquisites and Other Personal Benefits

The Company provides named executive officers with perquisites and other personal benefits that the Company and the Compensation Committee believe are reasonable and consistent with its overall compensation program to better enable the Company to attract and retain quality employees for key positions.

Life Insurance Benefits. The Company pays premiums on behalf of certain officers, including each of the named executive officers, for a group term life insurance policy which provides a \$50,000 death benefit in respect of each officer. Additional life insurance is provided to certain officers and directors of the Company through bank-owned life insurance ("BOLI") policies. BOLI policies are widely used by banks and provide a tax exempt investment vehicle for State Bank while providing death benefits to both the organization and the insured. By way of separate split-dollar agreements, the death benefits provided by the BOLI policies are divided between State Bank and the insureds' beneficiaries. With respect to each BOLI policy, State Bank owns the cash surrender value and a portion of the net death benefit, over and above the death benefit assigned to the insureds' beneficiaries. The cash surrender value of the Company's BOLI policies totaled approximately \$13,062,531 at December 31, 2009. The beneficiaries of Kenneth A. Joyce, Duane L. Sinn and Mark A. Klein were entitled to receive death benefits of \$3,143,500, \$206,715 and \$2,066,053, respectively, under the Company's BOLI policies as of December 31, 2009. Henry R. Thiemann was not entitled to receive death benefits under the Company's BOLI policies following his retirement on November 9, 2009.

Other Perquisites and Benefits. Other perquisites and personal benefits provided by the Company to the named executive officers include the use of company automobiles, country club memberships, and tax preparation assistance (CEO and CFO only).

Tax and Accounting Considerations

Effective January 1, 2006, the Company adopted the fair value recognition provisions of Statement of Financial Accounting Standards (SFAS) No. 123R, *Share-Based Payment*. The Company selected the modified prospective application. Accordingly, after January 1, 2006, the Company began expensing the fair value of stock options granted, modified, repurchased or cancelled. In accordance with SFAS 123R and related interpretations, \$143,261 in compensation expense was recognized in the 2009 fiscal year with respect to restricted stock, stock options and SARs that were previously granted to executive officers and directors of the Company.

Non-Qualified Deferred Compensation

On November 29, 2006, the Board approved the adoption of a Non-Qualified Deferred Compensation Plan, within the meaning of Title I of ERISA (the "Deferral Plan"), effective as of January 1, 2007. The purpose of the Deferral Plan is to help attract key associates by providing a retirement benefit to certain high ranking and highly compensated employees and directors of the Company and its subsidiaries which is above the statutory maximum limits for the Rurban ESOP. Eligibility for participation in the Deferral Plan is limited to employees of the Company and its subsidiaries in the positions of Senior Vice President and above who qualify as highly compensated employees under the terms of the Deferral Plan, as well as directors of the Company, State Bank and RDSI.

The Deferral Plan permits participants to voluntarily defer the payment of up to 100% of annual compensation in the case of directors, and up to 75% of annual compensation in the case of all other participants. Deferral elections for each plan year must be made before November 30th of the prior calendar year and are irrevocable during the plan year. Amounts deferred are credited to the participants' accounts under the Deferral Plan at the time the base salary or bonus compensation would otherwise have been paid. Participants may elect to have their accounts invested in a variety of mutual fund options. Participant accounts are fully vested under the Deferral Plan. The Deferral Plan is "unfunded," which means that no assets are set aside in trust separate from the general assets of the Company. Thus, all amounts allocated to participant accounts under the Deferral Plan will be recorded as a liability on the Company's accounting books, and such funds will be subject to the claims of the Company's creditors.

Participants may elect to receive distributions of their Deferral Plan accounts following the termination of employment for any reason, including voluntary resignation, retirement, disability, or death. Participants are also permitted to elect to receive "in service distributions" of their Deferral Plan accounts prior to their termination of employment, subject to certain requirements. Participants may elect to receive distributions either in a lump sum or in a series of approximately equal annual installments over a period of up to ten (10) years. Elections as to the form and timing of distributions generally must be made by a participant at the time the deferral is elected, although participants are permitted to change their elections if they comply with certain requirements set forth in Section 409A of the Code. The Deferral Plan also provides that participants may receive a distribution upon a defined change in control.

The table below shows the named executive officers who had deferred compensation under the Deferral Plan as of the 2009 fiscal year-end.

Change in Control Agreements

The Company entered into Change in Control Agreements on March 1, 2006 with Mark A. Klein, Duane L. Sinn and Henry R. Thiemann. The Company subsequently entered into a revised Change of Control Agreement with Mr. Thiemann on April 16, 2008 to reflect his appointment as President of RDSI. The Change in Control Agreements were subsequently amended and restated in December 2008 to comply with the requirements of Section 409A of the Code and the Treasury Regulations promulgated thereunder. Mr. Thiemann resigned as President of RDSI on November 9, 2009, as a result of which his Change in Control Agreement terminated in accordance with its terms.

Each Change in Control Agreement has a rolling term of 24 months (36 months for Mr. Sinn), with the initial term being extended for an additional 12 months on each anniversary of the effective date of the Change in Control Agreement unless the Company notifies the executive officer in writing to the contrary at least 90 days before the anniversary date. Each Change in Control Agreement will renew automatically for an additional 12-months unless the Company notifies the executive officer at least 90 days before the end of the then-current term that the Company does not wish to renew the Change in Control Agreement. The Company is prohibited from delivering such notice during the “Protection Period” and each Change in Control Agreement will remain in effect throughout any Protection Period. The Change in Control Agreements define the “Protection Period” as the period beginning on the first date the Board learns of an event that would result in a “Change in Control” if completed and ending on the latest of:

- the last day of the 12-month period beginning after the Change in Control;
- 60 days after the date the executive officer learns of an event occurring during the Protection Period which falls within the definition of “Good Reason” and which the Company or its successor concealed; or
- 60 days after the conclusion of an unsuccessful attempt to terminate the executive officer for “Cause” (as defined in the Change in Control Agreements).

Each Change in Control Agreement will terminate on the earliest to occur of the following events:

- the executive officer’s employment is terminated before the beginning of a Protection Period;
- the executive officer agrees to terminate the Change in Control Agreement; or

- all payments due to the executive officer under the Change in Control Agreement have been paid.

A “Change in Control” is defined by the Change in Control Agreements as:

- any transaction that would be required to be reported in a proxy statement sent to the Company’s shareholders;
- a merger or consolidation of the Company or the purchase of all or substantially all of the Company’s assets by another person or group, in each case, resulting in less than a majority of the successor entity’s outstanding voting stock being owned immediately after the transaction by the holders of the Company’s voting stock before the transaction;
- any person becoming a “beneficial owner” of securities representing 50% or more of the combined voting power of the Company eligible to vote for the election of the Company’s Board;
- any person other than the Company, the executive officer or the Rurban ESOP becoming the beneficial owner of securities representing 25% or more of the combined voting power of the Company (disregarding any securities which were not acquired for the purpose of changing or influencing control of the Company);
- individuals who constitute the Company’s Board on March 1, 2006 ceasing for any reason to constitute at least a majority of the members of the Company’s Board (unless the new directors were approved by the vote of at least two-thirds of the then incumbent directors); or
- any other change of control of the Company similar in effect to any of the foregoing.

Under each Change in Control Agreement, (1) if an executive officer is terminated by the Company or its successor in connection with a Change in Control of the Company (other than termination of employment for “Cause” as defined in the Change of Control Agreements) during the Protection Period or (2) if the executive officer terminates employment for “Good Reason” during the Protection Period, the Company or its successor will:

- pay the executive officer a lump sum cash payment equal to two times the executive officer’s “Annual Direct Salary” (*i.e.*, the executive officer’s annualized base salary based on the highest base salary rate in effect for any pay period ending with or within the 36-month period preceding the termination of his employment);
- provide the executive officer and the executive officer’s family (if the executive officer elected family coverage prior to the termination of his employment) with continued health care, life insurance and disability insurance coverage without cost to the executive for a period of two years, at the same level and subject to the same terms that were in effect on the first day of the Protection Period; and
- any other payments or benefits to which the executive officer is entitled under the terms of any other agreement, arrangement, plan or program in which the executive officer participates.

If a termination under the circumstances described above in connection with a Change of Control of the Company had occurred on December 31, 2009, Messrs. Klein and Sinn would have been entitled to receive lump sum cash payments of \$438,000 and \$302,000, respectively. In addition, each of Messrs. Klein and Sinn (and their respective families) would have been entitled to receive continued health care, life insurance and disability insurance coverage for a period of two years following termination, at an annual cost to the Company of approximately \$18,000 for each executive officer.

If the Company or its successor is unable to provide the health care, life insurance and disability insurance coverage described above through an insured arrangement for active employees and with the same tax consequences available to active employees, the Company or its successor will pay the executive officer an additional amount of cash equal to the executive officer's cost of procuring equivalent coverage. The amount of this cash payment will be "grossed up" to ensure that the executive officer receives enough cash to pay the cost of procuring equivalent coverage after payment of all applicable federal, state and local taxes.

If the compensation provided to an executive officer under his Change in Control Agreement would constitute a "parachute payment" within the meaning of Section 280G of the Code, then the amount of compensation payable under the executive officer's Change in Control Agreement will be reduced to the extent necessary to avoid excise taxes under Section 4999 of the Code. Any reduction shall be made in accordance with Section 409A of the Code and the Treasury Regulations promulgated thereunder.

Under each Change in Control Agreement, if an executive officer's employment is terminated for "Cause" (as defined in the Change in Control Agreements) or if the executive officer voluntarily terminates his employment without "Good Reason" (as defined in the Change in Control Agreements), the Change in Control Agreement will terminate immediately and the executive officer will not be entitled to any compensation or benefits other than salary accrued through the date his employment terminated and benefits to which the executive officer is entitled under the terms of the Company's (or any successor entity's) benefit plans.

If an executive officer dies or becomes permanently disabled during his employment, his Change in Control Agreement will terminate and the Company will have no further obligations to the executive officer under his Change in Control Agreement. However, any compensation that becomes payable to an executive officer under his Change in Control Agreement prior to his death or permanent disability will continue to be paid to the executive officer or his designated beneficiary or estate, as appropriate.

The Change in Control Agreements require that any payment required to be delayed by Section 409A of the Code shall be delayed for a period of six months following the executive officer's termination of employment and any payment(s) so delayed will be accumulated and paid in a single lump sum on the first day of the seventh month following the executive officer's termination.

The Change in Control Agreements do not require the executive officers to mitigate the amount of any compensation payable to them under the Change in Control Agreements by seeking other employment or otherwise. The compensation payable to the executive officers under the Change in Control Agreements will not be reduced by any other compensation or benefits the executive officers earn or become entitled to receive after the termination of their employment with the Company or its successor and their subsidiaries.

If a Change in Control occurs and the executive officer receives payments under his Change in Control Agreement, the executive officer will be prohibited from engaging in the following activities for two years following the termination of the executive officer's employment with the Company or its successor:

- providing financial or executive assistance to any person or entity located within 50 miles of the Company's main office in Defiance, Ohio and engaged in the banking or financial services industry or any other activity engaged in by the Company or its subsidiaries on the date of the change in control;
- directly or indirectly contacting, soliciting or inducing any of the customers or referral sources of the Company and its subsidiaries (who were customers or referral sources during the executive officer's employment) to become a customer or referral source of another company; and
- directly or indirectly soliciting, inducing or encouraging any of the employees of the Company or its successor and their subsidiaries (who were employees during the executive officer's employment) to terminate their employment with the Company or its successor and their subsidiaries or to seek, obtain or accept employment with another company.

The Change in Control Agreements also prohibit the executive officers from using or disclosing any material confidential information of the Company or its successor and their subsidiaries to any person other than an employee of the Company or its successor and their subsidiaries or a person to whom the disclosure is reasonably necessary or appropriate in connection with the executive officer's duties to the Company or its successor and their subsidiaries.

In the event of a dispute between the Company and the executive officer regarding a Change in Control Agreement, the parties will submit the dispute to binding arbitration. The Company and its subsidiaries will bear all costs associated with any disputes arising under the Change in Control Agreements, including reasonable accounting and legal fees incurred by the executive officer.

SERP Agreements

Effective March 1, 2006, the Company entered into SERP Agreements with Kenneth A. Joyce, Mark A. Klein, Duane L. Sinn and Henry R. Thiemann. The SERP Agreements supersede the Executive Salary Continuation Agreements previously entered into by the Company and Messrs. Joyce, Sinn and Thiemann. The SERP Agreements were subsequently amended and restated in December 2008 to comply with the requirements of Section 409A of the Code and the Treasury Regulations promulgated thereunder.

Under the SERP Agreements, if the executive officer remains in the continuous employment of the Company until the executive officer's "Retirement Date" (*i.e.*, age 65 for Messrs. Klein, Sinn and Thiemann and age 62 for Mr. Joyce, unless shortened or extended by the Board), beginning on the first day of the month following the executive officer's termination of employment after the Retirement Date, the executive officer will receive an annual benefit equal to 20% (25% for Mr. Joyce) of his "Annual Direct Salary" in equal monthly installments of 1/12th of the annual benefit for a period of 180 months. "Annual Direct Salary" means the executive officer's annualized base salary based on the highest base salary rate in effect for any pay period ending with or within the 36-month period preceding the termination of his employment.

If there is a “Change in Control” of the Company (as defined in the SERP Agreements) and the executive officer is terminated after such Change in Control, the executive officer will receive an annual benefit equal to 20% (25% for Mr. Joyce) of his Annual Direct Salary calculated as of the date of the change in control or the date the executive officer’s employment is terminated, whichever is higher. The annual benefit will be paid in equal monthly installments of 1/12th of the annual benefit for a period of 180 months beginning on the first day of the month following the executive officer’s termination. If the compensation provided to an executive officer under his SERP Agreement in connection with a Change in Control would constitute a “parachute payment” within the meaning of Section 280G of the Code, then the relevant portions of any separate Change in Control Agreement between the Company and the executive officer would apply. If the Company and the executive officer are not parties to a separate Change in Control Agreement, the amount of compensation payable under the executive officer’s SERP Agreement will be reduced to the extent necessary to avoid excise taxes under Section 4999 of the Code. Any reduction shall be made in accordance with Section 409A of the Code and the Treasury Regulations promulgated thereunder. “Change in Control” is defined in the SERP Agreements in the same manner as the Change in Control Agreements.

If an executive officer voluntarily terminates his employment prior to the executive officer’s Retirement Date, the executive officer’s SERP Agreement will terminate immediately and the Company will pay the executive officer an early retirement benefit equal to:

- 10% (15% for Mr. Joyce) of the executive officer’s Annual Direct Salary if the executive officer terminates employment between age 55 and 60;
- 15% (20% for Mr. Joyce) of the executive officer’s Annual Direct Salary if the executive officer terminates employment between age 60 and 65; or
- 20% (25% for Mr. Joyce) of the executive officer’s Annual Direct Salary if the executive officer terminates employment at age 65 (age 62 for Mr. Joyce).

The early retirement compensation described above will be paid beginning on the first day of the month following the executive officer’s termination in equal monthly installments of 1/12th of the annual benefit for a period of 180 months. If the executive officer dies at any time prior to the executive officer’s Retirement Date while employed by the Company, the executive officer’s death will be treated as a termination prior to Retirement Date and the executive officer’s designated beneficiary or estate will receive an early retirement benefit as described above. If the executive officer voluntarily terminates his employment prior to age 55 or if the executive officer is discharged for “Cause” (as defined in the SERP Agreements), the executive officer will not be entitled to any compensation under his SERP Agreement.

If an executive officer dies or becomes permanently disabled during his employment, the executive officer’s SERP Agreement will terminate and the Company will have no further obligations to the executive officer under the SERP Agreement. However, any compensation that becomes payable to an executive officer under his SERP Agreement prior to the executive officer’s death or permanent disability (*i.e.*, compensation arising from termination on or after Retirement Date, prior to Retirement Date or following a Change in Control) will continue to be paid to the executive officer or the executive officer’s designated beneficiary or estate, as appropriate.

The SERP Agreements require that any payment required to be delayed by Section 409A of the Code shall be delayed for a period of six months following the executive officer’s termination of

employment and any payment(s) so delayed will be accumulated and paid in a single lump sum on the first day of the seventh month following the executive officer's termination.

The SERP Agreements do not require the executive officers to mitigate the amount of any compensation payable to them under the SERP Agreements by seeking other employment or otherwise. The compensation payable to the executive officers under the SERP Agreements will not be reduced by any other compensation or benefits the executive officers earn or become entitled to receive after the termination of their employment with the Company and its subsidiaries.

During the term of the SERP Agreements and for a period of two years thereafter, the executive officers are prohibited from:

- providing financial or executive assistance to any person or entity located within 50 miles of the Company's main office in Defiance, Ohio and engaged in the banking or financial services industry or any other activity engaged in by the Company or its subsidiaries at the beginning of the non-competition period;
- directly or indirectly contacting, soliciting or inducing any of the customers or referral sources of the Company and its subsidiaries (who were customers or referral sources during the executive officer's employment with the Company) to become a customer or referral source of another company; and
- directly or indirectly contacting, soliciting or inducing any of the employees of the Company and its subsidiaries (who were employees during the executive officer's employment) to terminate their employment with the Company or its subsidiaries or to seek, obtain or accept employment with another company.

The SERP Agreements also prohibit the executive officers from using or disclosing any material confidential information of the Company and its subsidiaries to any person other than an employee of the Company or its subsidiaries or a person to whom the disclosure is reasonably necessary or appropriate in connection with the executive officer's duties to the Company and its subsidiaries.

In the event of a dispute between the Company and the executive officer regarding a SERP Agreement, the parties will submit the dispute to binding arbitration. The Company and its subsidiaries will bear all costs associated with any disputes arising under the SERP Agreements, including reasonable accounting and legal fees incurred by the executive officer.

As previously disclosed, Mr. Thiemann retired as President of RDSI on November 9, 2009. Mr. Thiemann's retirement constituted an "early retirement" under the terms of his SERP Agreement, entitling him to an early retirement benefit equal to 15% of his Annual Direct Salary in equal monthly installments of 1/12th of the annual benefit amount for a period of 180 months.

Employment Agreement

The Company entered into the Employment Agreement with Kenneth A. Joyce on March 1, 2006. The Employment Agreement supersedes the Change in Control Agreement previously entered into by the Company and Mr. Joyce. The Employment Agreement was subsequently amended in 2008 to comply with the requirements of Section 409A of the Code and the Treasury Regulations promulgated thereunder.

Under the Employment Agreement, Mr. Joyce is employed as the Chief Executive Officer of the Company and will perform any duties assigned to him from time to time by the Board. Mr. Joyce must devote his full time and attention to the Company's business, and he may not engage in any activities which compete with activities of the Company or its subsidiaries. Mr. Joyce is also prohibited from serving any company which competes with the Company or its subsidiaries.

Term. The term of the Employment Agreement runs from March 1, 2006 to March 1, 2009, but the term will be automatically extended to December 31, 2010 unless either party provides the other party with notice of nonrenewal no later than September 2, 2008. No notice of nonrenewal was provided by either party by September 2, 2008. Therefore the term of the Employment Agreement has been extended to December 31, 2010.

Compensation. During the term of the Employment Agreement, Mr. Joyce will be paid an annual base salary of \$299,072 or a higher amount set by the Company. Mr. Joyce is also entitled to:

- receive bonuses from time to time as the Company, in its sole discretion, deems appropriate;
- receive paid vacation time in accordance with policies established by the Board;
- participate in any of the Company's employee benefit plans (provided that the Company may not change any of its employee benefits in any way that would adversely affect Mr. Joyce, unless the change would apply to all of the Company's executive officers and would not affect Mr. Joyce disproportionately); and
- receive prompt reimbursement for all reasonable business expenses he incurs in accordance with the policies and procedures established by the Board.

If the Company or its successor is unable to provide the health care, life insurance and disability insurance coverage described above through an insured arrangement for active employees and with the same tax consequences available to active employees, the Company or its successor will pay the executive officer an additional amount of cash equal to the executive officer's cost of procuring equivalent coverage. The amount of this cash payment will be "grossed up" to ensure that the executive officer receives enough cash to pay the cost of procuring equivalent coverage after payment of all applicable federal, state and local taxes.

Termination Resulting from Disability or Death. If Mr. Joyce dies or becomes permanently disabled during his employment, the Employment Agreement will terminate and the Company will have no further obligations to Mr. Joyce under the Employment Agreement. However, any compensation that becomes payable to Mr. Joyce under the Employment Agreement prior to his death or permanent disability will continue to be paid to Mr. Joyce or his designated beneficiary or estate, as appropriate.

Termination for "Cause" or Without "Good Reason". If Mr. Joyce's employment is terminated by the Board for "Cause" or by Mr. Joyce without "Good Reason," the Employment Agreement (and all of Mr. Joyce's rights under the Employment Agreement) will terminate automatically. If Mr. Joyce's employment is terminated other than for Cause and the Company subsequently learns that Mr. Joyce actively concealed conduct that would have entitled the Company to terminate his employment for Cause, the Company may recover any amounts paid to Mr. Joyce (or his beneficiaries) under the

Employment Agreement in connection with the termination of his employment. “Cause” is defined in the Employment Agreement to include:

- the willful failure to substantially perform job duties;
- willfully engaging in misconduct injurious to the Company;
- dishonesty, insubordination or gross negligence in the performance of duties;
- breach of a fiduciary duty involving personal gain or profit;
- any violation of any law, rule or regulation governing public companies, banks or bank officers or any regulatory enforcement actions issued by a regulatory authority against the executive;
- conduct which brings public discredit to the Company;
- conviction of, or plea of guilty or nolo contendere to, a felony, crime of falsehood or a crime involving moral turpitude;
- unlawful discrimination or harassment affecting the Company’s employees, customers, business associates or contractors;
- theft or abuse of the Company’s property;
- the recommendation of a state or federal bank regulatory authority to remove the executive from his position with the Company;
- willful failure to follow the good faith lawful instructions of the Company’s Board;
- material breach by the executive of any contract or agreement with the Company; or
- unauthorized disclosure of the Company’s trade secrets or confidential information.

Termination by the Company Without “Cause” or by Mr. Joyce for “Good Reason”. If Mr. Joyce’s employment is terminated by the Company without Cause or by Mr. Joyce with “Good Reason” (and such termination does not occur in connection with a “Change in Control” as defined below), the Company will:

- pay Mr. Joyce an amount equal to two times his “Agreed Compensation” (*i.e.*, the sum of (a) the average of Mr. Joyce’s annual base salary for the five calendar years immediately preceding his termination and (b) the average of Mr. Joyce’s annual bonuses for the five calendar years immediately preceding his termination) in 24 equal monthly installments;
- provide Mr. Joyce and his family (if he elected family coverage prior to the termination of his employment) with continued health care, life insurance and disability insurance coverage without cost to the executive for a period of one year, at the same level and subject to the same terms that were in effect at any time during the two years prior of his termination; and

- pay Mr. Joyce any other payments or benefits to which he is entitled under the terms of any other agreement, arrangement, plan or program in which he participates.

“Good Reason” is defined in the Employment Agreement to include:

- the assignment of duties and responsibilities inconsistent with Mr. Joyce’s status as Chief Executive Officer;
- requiring Mr. Joyce to move his office more than 50 miles from the location of the Company’s principal office in Defiance, Ohio;
- reducing Mr. Joyce’s annual base salary (except for reductions resulting from a national financial depression or bank emergency and implemented for all of the Company’s senior management);
- materially reducing the employee benefits afforded to Mr. Joyce (unless the reduction applies to all of the Company’s executive officers);
- the Company’s attempt to amend or terminate the Employment Agreement without Mr. Joyce’s consent;
- the failure of any successor of the Company to assume the Company’s obligations under the Employment Agreement; and
- any unsuccessful attempt to terminate Mr. Joyce for Cause.

If a termination of Mr. Joyce’s employment under the circumstances described above had occurred on December 31, 2009, Mr. Joyce would have been entitled to receive an amount equal to \$596,396 in 24 equal installments of \$24,850 each. In addition, Mr. Joyce (and his family) would have been entitled to receive continued health care, life insurance and disability insurance coverage for a period of one year following termination, at an annual cost to the Company of approximately \$18,000.

Termination in Connection With a Change in Control. If, at any time during the period beginning on the date the Board first learns of a possible Change in Control and ending one year after the Change in Control, Mr. Joyce’s employment is terminated (1) by the Company without Cause or (2) by Mr. Joyce for Good Reason, the Company or its successor will:

- pay Mr. Joyce a lump sum cash payment in an amount equal to 2.99 times his Agreed Compensation;
- provide Mr. Joyce and his family (if he elected family coverage prior to the termination of his employment) with continued health care, life insurance and disability insurance coverage without cost to the executive for a period of three years, at the same level and subject to the same terms that were in effect at any time during the two years prior of his termination; and
- pay Mr. Joyce any other payments or benefits to which he is entitled under the terms of any other agreement, arrangement, plan or program in which he participates.

If the Company or its successor is unable to provide the health care, life insurance and disability insurance coverage described above through an insured arrangement for active employees and with the same tax consequences available to active employees, the Company or its successor will pay the executive officer an additional amount of cash equal to the executive officer's cost of procuring equivalent coverage. The amount of this cash payment will be "grossed up" to ensure that the executive officer receives enough cash to pay the cost of procuring equivalent coverage after payment of all applicable federal, state and local taxes.

The Employment Agreement defines a "Change in Control" to mean the occurrence of any of the following:

- Any person or group of acquires Company stock that, together with Company stock previously acquired by the person or group, constitutes more than 50% of the total fair market value or total voting power of all stock of the Company;
- Any person or group acquires Company stock possessing 30% or more of the total voting power of all stock of the Company within any 12 month period;
- A majority of the members of the Board is replaced during any 12 month period by directors whose appointment or election was not endorsed by a majority of the Board prior to the appointment or election; or
- Any person or group acquires assets from the Company having a gross fair market value equal to 40% or more of the total gross fair market value of all assets of the Company within any 12 month period.
- This definition of Change in Control will be interpreted consistent with the definition of "change in control event" under Section 409A of the Code and the Treasury Regulations promulgated thereunder.

Mr. Joyce will not be entitled to the payments and benefits described above if he acted in concert with any person or group to effect a change in control (other than at the direction of the Board and in his capacity as an employee of the Company). Also, the Company may not terminate Mr. Joyce's employment during the period beginning on the date the Company's Board first learns of a possible change in control and ending on the date the change in control occurs.

If a termination of Mr. Joyce's employment under the circumstances described above in connection with a "change in control" of the Company had occurred on December 31, 2009, Mr. Joyce would have been entitled to receive a lump sum cash payment of \$891,612. In addition, Mr. Joyce (and his family) would have been entitled to receive continued health care, life insurance and disability insurance coverage for a period of three years following termination, at an annual cost to the Company of approximately \$18,000.

No Mitigation. The Employment Agreement does not require Mr. Joyce to mitigate the amount of any compensation payable to him by seeking other employment or otherwise. The compensation payable to Mr. Joyce under the Employment Agreement will not be reduced by any other compensation or benefits he earns or becomes entitled to receive after the termination of his employment with the Company or its successor and their subsidiaries.

Employee Benefits. If the Company or its successor is unable to provide the health care, life insurance and disability insurance coverage described above through an insured arrangement for active employees and with the same tax consequences available to active employees, the Company or its successor will pay Mr. Joyce an additional amount of cash equal to the executive officer's cost of procuring equivalent coverage. The amount of this cash payment will be "grossed up" to ensure that Mr. Joyce receives enough cash to pay the cost of procuring equivalent coverage after payment of all applicable federal, state and local taxes.

Parachute Payments. If the compensation provided to an executive officer under his Change in Control Agreement would constitute a "parachute payment" within the meaning of Section 280G of the Code, then the amount of compensation payable under the executive officer's Change in Control Agreement will be reduced to the extent necessary to avoid excise taxes under Section 4999 of the Code. Any reduction shall be made in accordance with Section 409A of the Code and the Treasury Regulations.

Six Month Payment Delay. The Employment Agreement requires that any payment required to be delayed by Section 409A of the Code shall be delayed for a period of six months following the executive officer's termination of employment and any payment(s) so delayed will be accumulated and paid in a single lump sum on the first day of the seventh month following the executive officer's termination.

Non-Compete. If Mr. Joyce receives compensation under his Employment Agreement in connection with the termination of his employment, he will be prohibited from engaging in the following activities for two years following the termination of his employment:

- providing financial or executive assistance to any person or entity located within 50 miles of the Company's main office in Defiance, Ohio and engaged in the banking or financial services industry or any other activity engaged in by the Company or its subsidiaries on the date of the change in control;
- directly or indirectly contacting, soliciting or inducing any of the customers or referral sources of the Company and its subsidiaries (who were customers or referral sources during the executive officer's employment) to become a customer or referral source of another company; and
- directly or indirectly soliciting, inducing or encouraging any of the employees of the Company or its successor and their subsidiaries (who were employees during the executive officer's employment) to terminate their employment with the Company or its successor and their subsidiaries or to seek, obtain or accept employment with another company.

The Employment Agreement also prohibits Mr. Joyce from using or disclosing any material confidential information of the Company or its successor and their subsidiaries to any person other than an employee of the Company or its successor and their subsidiaries or a person to whom the disclosure is reasonably necessary or appropriate in connection with his duties to the Company or its successor and their subsidiaries.

Disputes. In the event of a dispute between the Company and Mr. Joyce regarding the Employment Agreement, the parties will submit the dispute to binding arbitration. The Company and its subsidiaries will bear all costs associated with any disputes arising under the Employment Agreement, including reasonable accounting and legal fees incurred by Mr. Joyce.

Effect of the Planned Spin-Off of RDSI on Agreements with Messrs. Joyce and Sinn

In connection with the planned spin-off of RDSI from the Company, Mr. Joyce relinquished his positions as President and Chief Executive Officer of the Company effective as of January 1, 2010, and will serve as Executive Vice Chairman of the Company through the completion of the spin-off. In addition, effective upon the completion of the spin-off, Mr. Sinn will relinquish his positions with the Company to join RDSI as its Chief Financial Officer. Provided below is a summary of the effects of the planned spin-off on the existing agreements between the Company and Messrs. Joyce and Sinn.

Agreements between the Company and Mr. Joyce. The Company and Mr. Joyce intend to enter into an Amended and Restated Employment Agreement prior to the planned spin-off of RDSI from the Company. Pursuant to the Amended and Restated Employment Agreement, the Company and Mr. Joyce will agree to the following terms and conditions relating to Mr. Joyce's transition from the Company to RDSI:

- For the period during which Mr. Joyce serves as Executive Vice Chairman of the Company (from January 1, 2010 through the completion of the RDSI spin-off), Mr. Joyce will continue to receive compensation from the Company in an amount equal to the base salary currently paid to Mr. Joyce under his Employment Agreement with the Company;
- Mr. Joyce will resign/retire as an employee, officer and director of the Company effective as of the completion of the RDSI spin-off;
- Mr. Joyce will be engaged by the Company as a consultant from the day following the effective date of the RDSI spin-off through December 31, 2010 and, during this period, will receive compensation from the Company in amount equal to the base salary currently paid to Mr. Joyce under his Employment Agreement with the Company;
- Mr. Joyce will become 100% vested and begin payout under his SERP Agreement with Company on or before January 1, 2011; and
- Mr. Joyce will become 100% vested with respect to all of his outstanding shares of restricted stock of the Company upon his resignation/retirement from the Company effective on the effective date of the RDSI spin-off.

Agreements Between the Company and Mr. Sinn. Mr. Sinn's existing Change in Control Agreement and SERP Agreement with the Company will terminate effective as of the completion of the spin-off, and RDSI will enter into a new Change in Control Agreement and a new SERP Agreement with Mr. Sinn containing substantially the same terms as provided under his current agreements with the Company.

DIRECTOR COMPENSATION

The Company uses a combination of cash and stock-based incentive compensation to attract and retain qualified candidates to serve on the Board. In setting director compensation, the Company considers the significant amount of time that directors expend in fulfilling their duties to the Company as well as the skill level required by the Company of members of the Board.

Cash Compensation Paid to Board Members

Each director of the Company who is not an employee of the Company or one of its subsidiaries (a "non-employee director") currently receives an annual cash retainer in the amount of \$9,000, which is paid in twelve monthly installments of \$750 each. The Chairman of the Board (currently Steven D. VanDemark) receives an additional annual cash retainer of \$15,000, which is paid in twelve monthly installments of \$1,250 each. Each non-employee director also receives an annual cash retainer of \$1,000 for each

committee of the Board on which he or she serves, except that the member of the Audit Committee designated as the “audit committee financial expert” (currently Richard L. Hardgrove) receives an annual cash retainer of \$6,000. Each non-employee director also receives an additional \$300 for each Board meeting attended and \$300 for each meeting of a committee of the Board attended.

Certain non-employee directors of the Company also serve on the board of directors of one or more of the Company’s subsidiaries, and receive an annual cash retainer for such service as well as fees for attendance at meetings of the board of directors of the appropriate Company subsidiary (and committees of that board).

Stock Options

From time to time, non-employee directors of the Company have been granted nonqualified stock options to purchase Common Shares of the Company. These options are granted at the discretion of the Compensation Committee, subject to the approval of the full Board. There were no nonqualified stock options granted to non-employee directors during the 2009 fiscal year.

Rurban Financial Corp. Plan to Allow Directors to Elect to Defer Compensation

On March 12, 1997, the Board adopted the Rurban Financial Corp. Plan to Allow Directors to Elect to Defer Compensation (the “Deferred Compensation Plan”). The purpose of the Deferred Compensation Plan is to advance the interests of the Company and its shareholders by allowing the directors of the Company and/or its subsidiaries an opportunity to elect to defer payment of all or a portion of their compensation received for their services as directors. The Deferred Compensation Plan is separate from the Deferral Plan, which also allows directors of the Company, State Bank and RDSI to defer all or a portion of their annual compensation.

The Deferred Compensation Plan is administered by the Board. Subject to the express provisions of the Deferred Compensation Plan, the Board has sole discretion and authority to determine from time to time the individuals that are eligible to participate in the plan.

Each non-employee director of the Company and its subsidiaries is eligible to participate in the Deferred Compensation Plan by electing to defer the receipt of all or a portion of the compensation to be received by the director or otherwise payable to him or her during any calendar year. At the time that a director first elects to defer compensation, the Company will establish an account (“Account”) in the director’s name to which all of the director’s deferred compensation will be credited. At the end of each calendar year, the directors’ Account will be credited with an amount of interest equal to the rate determined by the Board for that year.

In the event that a director’s service to the Company or any of its subsidiaries is terminated for any reason, the director will be entitled to receive a distribution (a “Distribution”) from the Company for the amount of deferred compensation and accrued interest then credited to such director’s Account. A Distribution to a director for the amount credited to such director’s Account may be made in cash either in a lump sum or in approximately equal annual installments over a period of ten years. Each director will be allowed to suggest his or her preferred method of Distribution; however, the Board has the ultimate discretion in determining the actual method of Distribution. If a director receives a Distribution from the Deferred Compensation Plan in installments, the director will, each year, earn interest on any undistributed amounts credited to such director’s Account as of the last day of each calendar year at a rate equal to the prime rate offered by the Company on the first day of that year. Any Distribution

received by a director under the Deferred Compensation Plan will be treated as ordinary income for federal income tax purposes at the time that the director receives the Distribution.

The Board may amend or terminate the Deferred Compensation Plan at any time, without the consent of any director of the Company or its subsidiaries.

Other Director Benefits

Additional life insurance is provided to certain directors of the Company through BOLI policies. By way of separate split-dollar agreements, the BOLI policy interests are divided between State Bank and the insureds' beneficiaries. With respect to each BOLI policy, State Bank owns the cash surrender value and a portion of the net death benefit, over and above the death benefit assigned to the insureds' beneficiaries. The cash surrender value of the Company's BOLI policies totaled approximately \$13,062,531 at December 31, 2009. As of December 31, 2009, the beneficiaries of each of Thomas M. Callan, John R. Compo, Robert A. Fawcett, Jr., Steven D. VanDemark and J. Michael Walz were entitled to receive a benefit of \$150,000, under the Company's BOLI policies.

Directors are also entitled to receive reimbursement for reasonable expenses incurred while serving in the capacity as a director of the Company or its subsidiaries. Expenses subject to reimbursement include, without limitation, expenses incurred in connection with attending continuing education seminars and programs (including tuition, travel, lodging and meals, as applicable).

Director Compensation for 2009 Fiscal Year

The table below summarizes the compensation awarded or paid to, or earned by, each of the non-employee directors of the Company during the 2009 fiscal year. No director who is also an employee of the Company or one of its subsidiaries receives compensation for his service as a director or as a committee member of the Company or any of its subsidiaries. As a result, the compensation of Kenneth A. Joyce, Mark A. Klein and Henry R. TRANSACTIONS WITH RELATED PERSONS

The Governance and Nominating Committee is responsible, pursuant to its Charter, for reviewing and approving any transaction between the Company and any director or officer of the Company or members of their immediate family or entities with which they are affiliated. On an annual basis, each director and executive officer is obligated to complete a "Director and Officer Questionnaire" which requires the director or executive to disclose any related party transactions or business relationships involving the Company or its subsidiaries which are required to be disclosed pursuant to Item 404 of SEC Regulation S-K. In addition, the Company's Code of Conduct and Ethics prohibits the Company's directors, executive officers and employees from self-dealing or otherwise trading on their positions with the Company or accepting, from anyone doing or seeking to do business with the Company, a business opportunity not available to other persons or that is made available because of the person's position with the Company. The Code of Conduct and Ethics requires all directors, officers and employees to disclose all potential and actual conflicts of interest, including those in which they have been inadvertently placed due to either business or personal relationships with customers, suppliers, business associates, or competitors of the Company or its subsidiaries. Conflicts or potential conflicts of interest which are disclosed by a director, officer or employee of the Company are referred to and resolved by the Company's Risk Management Officer, with the approval of the Governance and Nominating Committee of the Board.

During the 2009 and 2008 fiscal years, executive officers and directors of the Company, members of their immediate families and corporations or organizations with which they are affiliated entered into banking transactions with the Company's subsidiary, State Bank, in the ordinary course of business and in compliance with applicable federal and state laws and regulations. It is expected that similar transactions will be entered into in the future. Loans to such persons have been made on substantially the same terms, including the interest rate charged and collateral required, as those prevailing at the time for comparable transactions with persons not affiliated with the Company or its subsidiaries and in compliance with Federal Reserve Board Regulation O and comparable laws of the State of Ohio. These loans have been, and are presently, subject to no more than a normal risk of uncollectibility and present no other unfavorable features. The aggregate amount of loans (including undrawn lines of credit) outstanding to directors and executive officers of the Company and their associates as a group was \$2,852,055 at December 31, 2009 and \$5,252,234 at December 31, 2008. PROPOSAL NO. 2

RATIFICATION OF THE APPOINTMENT OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The appointment of the Company's independent registered public accounting firm is made annually by the Audit Committee. The Audit Committee has appointed BKD, LLP ("BKD") to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2010. The Audit Committee and the Board have decided to submit the appointment of BKD to the shareholders for ratification as a matter of good corporate governance and because of the important role of the Company's independent registered public accounting firm in reviewing the quality and integrity of the Company's financial statements.

BKD has served as the Company's independent auditor/independent registered public accounting firm since November 2002, and BKD audited the Company's consolidated financial statements as of and for the fiscal year ended December 31, 2009. The Company expects that representatives of BKD will be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

The affirmative vote of a majority of the Common Shares represented at the Annual Meeting, in person or by proxy, and entitled to vote on the proposal, is required to ratify the appointment of BKD as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2010. The effect of an abstention is the same as a vote "**AGAINST**". Even if the appointment of BKD is ratified by the shareholders, the Audit Committee, in its discretion, could decide to terminate the engagement of BKD and to engage another firm if the Audit Committee determines such action is necessary or desirable. If the appointment of BKD is not ratified, the Audit Committee will reconsider the appointment (but may decide to maintain the appointment).

**The Audit Committee and Your Board Unanimously Recommend that Shareholders
Vote FOR the Ratification of the Appointment of BKD, LLP**

Under applicable SEC rules, the Audit Committee is required to pre-approve all audit and non-audit services performed by the Company's independent registered public accounting firm in order to assure that they do not impair the independent registered public accounting firm's independence from the Company. The SEC's rules specify the types of non-audit services that an independent registered public accounting firm may not provide to its audit client and establish the Audit Committee's responsibility for administration of the engagement of the independent registered public accounting firm. Accordingly, the Audit Committee pre-approves all audit and permitted non-audit services proposed to be provided by the Company's independent registered public accounting firm.

The pre-approval of audit and non-audit services and fees of the independent registered public accounting firm may be documented by a member of the Audit Committee signing annual or periodic engagement letters that define in general terms the type of services to be provided and the range of fees that are considered acceptable for such services, or as otherwise documented in the minutes of the Audit Committee meetings. The actual compensation paid to the independent registered public accounting firm for all such pre-approved services and fees is reported to the Audit Committee on at least a quarterly basis. All services rendered by BKD during the 2009 fiscal year were pre-approved by the Audit Committee.

Recent Developments

On March 1, 2010, Rurban Financial Corp. (“Rurban”) issued a news release announcing the hiring of Anthony V. Cosentino, who has been appointed to serve as Executive Vice President of Rurban effective as of March 1, 2010. In addition, Mr. Cosentino has been appointed to succeed Duane L. Sinn as Chief Financial Officer of Rurban and The State Bank and Trust Company (“State Bank”). As previously reported, Mr. Sinn will be transitioning to Rurbanc Data Services, Inc., dba RDSI Banking Systems (“RDSI”), to become its Chief Financial Officer effective upon the completion of the planned spin-off of RDSI.

Mr. Cosentino is a 1983 graduate of Miami University in Oxford, Ohio with a Bachelor of Science Degree in Accounting, and received his Master of Business Administration (Finance) from The Ohio State University in 1989. Mr. Cosentino has worked as a senior financial and accounting officer in the banking industry for over 25 years. He most recently served as Vice President for Financial Planning and Analysis at AmTrust Financial Corporation in Cleveland, Ohio from June, 2006 until December, 2009. Prior to joining AmTrust Financial Corporation, Mr. Cosentino was Chief Financial Officer of Fifth Third Bank of Northeastern Ohio, a subsidiary of Fifth Third Bancorp, from August, 1994 to May, 2006. Mr. Cosentino is a Certified Public Accountant and is 48 years old.

Pursuant to the terms of his offer letter, Mr. Cosentino will be paid an annual gross salary of \$160,000, which will be prorated for the remainder of 2010. Mr. Cosentino will be eligible to participate in Rurban’s company-wide incentive compensation plan and will also participate in the benefit programs generally provided to officers and employees of Rurban and State Bank. Mr. Cosentino will receive a monthly automobile allowance of \$800 (subject to appropriate tax withholdings) and a family golf membership at Kettenring Country Club in Defiance, Ohio. In addition, Rurban has agreed to reimburse Mr. Cosentino for moving and relocation costs of approximately \$10,000 in connection with his establishing residence in the Defiance, Ohio area. Subject to approval of the Compensation Committee of the Board of Directors of Rurban, Mr. Cosentino will be granted stock options to purchase 5,000 common shares of Rurban under the Rurban Financial Corp. 2008 Stock Option Plan.

Rurban has agreed to enter into Change of Control and Supplemental Executive Retirement (“SERP”) Agreements with Mr. Cosentino containing substantially the same terms and conditions currently in effect under the Change of Control and SERP Agreements between Rurban and its other executive officers. Pursuant to the Change of Control Agreement, Mr. Cosentino would be entitled to receive certain benefits, including a lump sum cash payment equal to his Annual Direct Salary, if he is terminated under certain circumstances in connection with a “change of control” of Rurban. Pursuant to the SERP Agreement, Mr. Cosentino would be entitled to receive a retirement benefit equal to 15% of his “Annual Direct Salary,” to be paid in equal monthly installments of 1/12th of the annual benefit for a period of 180 months, if he remains in the continuous employment of Rurban until retirement on or after age 65 (or 5% and 10% of his Annual Direct Salary in the event of early retirement at age 55 and 60, respectively). Annual Direct Salary means Mr. Cosentino’s annualized base salary based on the highest base salary rate in effect for any pay period ending with or within the 36-month period preceding the termination of his employment.

Mr. Cosentino has agreed that, for a period of one year following the termination of his employment with Rurban and State Bank, for any reason, he will not compete with or solicit the customers or employees of Rurban or its subsidiaries.

Mr. Cosentino does not have any family relationship with any member of Rurban’s Board of Directors or any of Rurban’s executive officers. Neither Mr. Cosentino nor any member of his immediate family has had any business transactions or relationships with Rurban or any of its subsidiaries that would require disclosure under Item 404(a) of SEC Regulation S-K. However, Mr. Cosentino and members of his immediate family may enter into banking transactions with State Bank in the future in the ordinary course of business and in compliance with applicable federal and state laws and regulations.
